

Miss M. Carey Thomas

1228 Madison Avenue

Baltimore

Ind.

Dear Mother
Nov. 20th 88

Dearest Mummy,
As you see I am

en route + expect to reach my
destination at about 5 - my address
is Care of my Mother,

Rapwood Station
Passaic Co.
New Jersey

I will let you know within a
few days but can not answer
time for you to speak to Mr. Gilman
for-morrow or the day after - I
don't feel very sanguine that Miss
Davin will do any thing or if you
asked her to go down this week it
could not be to see her general

② interest as you certainly could
not give the scheme away
to her when it is only in
butters - I hope Mrs. Kellum
will talk - Your interview with
her must have been very interest-
ing & was certainly very success-
ful - I haven't yet spoken
of Mr. K. & hope there will be
no necessity for doing so - Her
only allusion to finance was
to ask me what she had better
say when people asked her
about the who was building
the school house & I said I
thought she had better say when
the questions were not simple
the important ones that
deserved no reply that

I was building it & ^{the time} ~~you~~ ⁽³⁾ were
going to rent it from me - This
was all & there was no oppor-
tunity for me to say anything
further in regard to discussing
our affairs unless I had
told her plainly that I did
not wish her to take her
father into her confidence -
In the matter rest in statu quo.

Your friend to send me
the list of names & data about
them, are you not very kind?
I suppose you have heard of
no promising medical student?
Did you ask Dr. James because
I'd probably look up any one
he spoke of next week -

(4)

You certainly told me that Ladd
Ladd began at \$600 & now gets
only \$800 salary, did you not?
I am so sorry to miss seeing
you & will certainly think
of it - I am sorry
to hear no better news of
Miss Barnett - It is hard
to have had to come to the
kissing -

I hope you will not simply
let mine ride while you are
at home - What day do you
go back - How much do you
think Mr. Childs will give, at the
most? And have you found
out who the man is whom
Daniel has in reserve?

Give me any prints you get while
you are at home & get as
many as you can —

Truly yours,

May 2. 9. —
