Dearest Annie,

I am so sorry to  
have missed you - I got  
to the house about ten  
minutes after you left  
and have to go direct  
out now. It is so bad to have  
missed you - I hoped I'd  
stay in late enough to see  
you but I'm home -  
I hope the B. M. trip had satis-  
factory results -
