Dearest Minnie,

I return all enclosures

with thanks. While I certainly
do not think that Kate ought
to have asked for the advance
check, I think she probably
asked for them with the hope
of influencing her father to
change his mind. I return
you the proof (as I had
meant to do before) with

(2)

if I shd. be asked for them,
I can say I have not a copy.
Of course no one has seen
them but myself ^{has} _{in} ^{been}
known that I had them.

Mr. White I should think
was a shade better than
Mr. P. but it is all his
choice, and a curious
shipping of wents.

I will let you know decision
about Washington -
Goodnight with love Maud D.
