101, WEST MONUMENT STREET,

Dearest Minnie,

As the end of the
old Year is being signalled
by this pandemonium of
musical sounds, I will write
to say good night and good
morning and a happy New
Year and may it bring you
much and much happiness
and the realization of many
dreams and wishes and
all good things to you -
and may we be still better

(2)

friends and love each other
more dearly at the end of this
New Year than at its beginning.

It was lovely to find your note
waiting for me — I had hoped
you would come at 11 when they
all went to church, and if you
are not going to meeting, it
would be very satisfactory to have
you come then, & then again
at 3 to stay till 6 — They will
be in to lunch, so do not come
then unless you will prefer it
to a childrens lunch —

The party shall be made! —
If you are coming at 11, send me
word by 10 o'clock — If I don't

hear, I shall not expect yr
until 3 - And now I must
furnish say goodnight, my dear
me, and yr Wth -

With a New Year Kiss

Truly yours,

Mary 2^d. -
