Friday June 20 - ①

The Decmery, Bryn Mawr,  
Pa.

Dear Madam

I only have a second  
to catch the mail & to do  
this I shall have to send  
to the post office - I want  
to say that after asking me  
to attend to the yard  
it was not the right  
thing to have plans &  
estimates made to send  
to you on the 20<sup>th</sup> of June

without giving me an opportunity of seeing them. And yet according to Mr Lee these were yr orders. You had asked me to find out who cut the yard, to find out about court courts etc - and in view of this it was most strange to change all arrangements without a word. Indeed you told me the last week that you th't you cut find out for me who cut make plans, but you never said you had ordered Mr Lee to do the whole thing without consultation. I enclose you Mr Lee's letter in reply to one from me asking for what orders you had given. I telephoned this morning & he met me at the school at 4 this aft. I went over the plans & asked him not to send them until I had had prepared another plan that w'd be possible - His plan ~~was not~~ ~~was not~~ ~~was not~~

~~was not possible - His plan was not possible - His plan was not possible~~

⑤ ~~Had~~ ~~directs~~ that plan  
without ~~regard~~ for this  
plan is so out of the question  
that I ed rather leave  
the whole yard as it  
is. I suppose Mr Lee understands  
orders & of course he does <sup>it</sup>  
not really understand what  
is wanted. ~~He~~ ~~is~~ ~~not~~  
~~to~~ ~~say~~ ~~that~~ ~~plan~~ ~~is~~ ~~without~~  
~~consideration,~~ ~~to~~ I think  
however in a few days  
another plan can be prepared  
that will be far better  
& then if you like it work  
can go ahead. You see

that impossible plan without either <sup>seeing it</sup> I am afraid  
I had better wait another year or two  
rather than have we  
I suppose you will  
I returned before B. P.  
closed; but when you  
the thing done wrong  
Rather than have  
Summer will  
back to you  
back to see for corrections  
we have done any thing in you  
again

saw it was not so you self  
have written to me - do  
you not think so? -

You see when one has  
business relations & is also  
dear friends one self be  
careful to be doubly  
fair & square, do you not  
think so?

Mr Lee was very nice  
& of course I do not let  
him see that any thing was  
wrong - but I do think even  
wild & hurried as you were  
you self have managed  
otherwise - Still no harm is  
done - & if you had ordered

⑦  
I am glad to hear  
of a plan we have  
seen as to be sent to you  
then back to me for correction  
of then back to you the  
whole summer will  
pass. Rather than have  
the thing done wrong we  
had better wait another  
year or two. We must be  
extraordinary firmly  
I suppose you will  
the plan will be sent you  
& returned by me B. B.  
closed, but inform you
