Dearest Mary,  
Thanks for your  
note. It has been a  
"deceitful day" as you  
say & I/h the discussion  
with Mr King in which  
I did my level best  
to convince & persuade  
has not improved it.  
If it only were not  
that I know we do  
love one another what

Even the school makes  
appear to the contrary I  
sol<sup>d</sup> feel like throwing up  
the candle if things  
are to go as they have  
today - Bessie too - this  
evening. - on other pts  
not yr statement -

Goodnight altho  
it will be tomorrow  
before you get it I  
hope you are not utterly  
exhausted - I really  
think we shall have

③

to see each other before  
a whole month passed  
effaceable to efface  
today
