STATIONERY

Dear Mary,

Thursday June last

caught a little fish cold &

expected quite a good deal

but yesterday aft. summer

at least a well as usual, says

The doctor says he says well

can be as well as before

the attack as there is no

need for any anxiety. There

is no danger of this going

away before April, if then. The
Elijah last evening was glorious
I wished you cd. have heard.
it. Next Sat. seems very
near.

Yrs. in haste

Minnie C. S.

emptied quite a great deal
but yesterday night seemed
about a mile as usual, says
the doctor says his lung will
soon be as well as before
this attack so there is no
need for any anxiety. There
is no danger of this going
