

Baraboo, Wisconsin,  
August 31, 1891.

Dear Susan Walker;  
Your circular  
letter, asking for a  
reply, has been forwarded.  
My opinion would be  
that you have done a  
very good thing in  
getting the Dean to let  
us take the responsibility  
concerning the halls  
and I for one, am  
willing to help along  
the cause.

It seems to me that  
the plan for having

The halls quiet after  
 ten o'clock and in  
 sufficient one; we want  
 them quiet all the  
 evening. Such suggestions  
 of course will find  
 their place in an  
 uneducated meeting.  
 Cannot we pledge our-  
 selves to be quiet  
 and make public  
 opinion strong, thus to  
 save ourselves from  
 the disgrace of being  
 watched over, even  
 by ourselves.

I write in the hope

that I may again be  
a resident in the halls,  
a hope which may  
not be fulfilled next  
year on account of  
poor health. Yet I  
half-expect to see  
you in the fall. In  
the mean time, I trust  
you have had a  
pleasant summer and  
congratulate you for  
undertaking what is  
really a good work.  
Sincerely yours,
