Dear Father - I hope you ⁽²⁾
have enjoyed your Xmas as
much as we have ours. We
had "Chalaude" last night, for
the children. We hung up
our stockings, too, and were
made happy by many re-
membrances from America.
Mother & I were mistaken
about the German woman
who is supporting a Russian
dressmaker & a Savoyard
Xmas tree - she is not German,
but Swedish. So do not spread
false tales. I have written
for evidence for you - the
woman seemed suspicious,
so I told her to send it direct
to you. It is from Reichen
in Baden. I also went to
see another woman, but
she was sick in bed:

was a great success. We had thirty five children gave them toys, clothing, and supper. It was hard work, tho. I had to direct everything - going out material and looking up help. finished work when people forgot to bring back. I am glad to have a vacation in the mountains.
