CLOISTERS

New Greek Song Sung for the Second Time by Entering Class

Red lanterns with the Chinese characters for twenty-five were presented to the Freshmen by the Sophomores last Friday night at the annual celebration of Lantern Night.

Although the Sophomores could be heard singing from the moment they left Pembroke Arch, on account of the stillness of the night, the Freshmen had to wait an unnecessarily long time before they arrived at the cloisters. Both classes walked the entire length of the cloisters under the arch, approaching the fountain by the centen steps.

The singing of 1924 was noteworthy for its volume. On their entrance and while they were marching in single file, they did not put much expression into their song, but when they came together at the head of the cloisters it was well modulated.

The Freshmen had less volume than the Sophomores, although their voices were well modulated and true.

Under Pembroke Arch, after the ceremony, 1925 sang their class song for the first time. Composed by C. Miller, to an unwritten tune by Meyer Davies; the words

All hail glorious Bryn Mawr, The red shall thy praises sing. Near and far The hills shall be echoing. Oh, '25, we love best of all, Singing of you now, Here by Taylor Hall, While the moon hangs low.

° '25 is our pride, The greatest class of all, Side by side We can never fall. When we're alumnae we won't forget We love you so, We'll be singing yet While the moon hangs low.

JUNIORS ELECT OFFICERS

Three Halls Represented in Choice

Julia Ward, Agnes Clement and Isabelle Beaudrias were elected by 1923 last Wednesday to serve as classifor the year 21-22.

Miss Ward is on the Executive Board of Self Government, a member of the World's Citizenship Committee, and president of the Debating Club. Miss Clement is a Junior member of the Athletic Board, manager of basketball and a member of the Religious Meetings Committee. Miss Beaudrias has been prominent in class dramatics.

FAIR BRITISH HOCKEY STARS ASSAULTING BRYN MAWR GOAL

The etching shows a critical moment in the match, the home team's defensive back having just made a clever but temporary "save." A few seconds later Miss K. E. Lidderdale, the English star, recovered the ball and sent it whizzing by Miss Rhoades, the Bryn Mawr goal tender.

So we would give, not merely show.

The High Cost of Living

Conditions were nearly ideal for Lantern Night last Friday. The weather was clear and mild and the stillness was such that the singing really carried over the library from the time the anthem was started at Pembroke Arch. For a beautiful and successful performance both the Freshman and Sophomore classes deserve credit. However, there is one criticism which may be made of Lantern Nights in general, and several which the audience seemed to feel nounce that they will gladly publish any the answers which will be helpful to me in faith in our fellow-men; pay in the spirit strongly on this occasion—the long delays, interest to subscribers and which clearly the inadequate seating arrangements, and express their point. Toward the end of the half Miss Nichol, the Bryn Mawr star, was walloped on the head in a hectic scrimmage, but pluckily refused to leave the game. The final period was somewhat of a rout as the Bryn Mawr team had played itself out in the opener. Miss Lidderdale tried to hold off and act as "feeder" to the other forwards, but just couldn't help scoring three more goals. Miss Amos came through with four, Miss Armfield got two, Mrs. Stewart one and Miss Willcock also netted
