SUCCESS

It would have been quite dazzling if the sun had been really out—all that amazing cleanliness on the deck of the "Pinafore" last Saturday evening. But the sun was doubtless behind a cloud, and the moon waited unobtrusively in the beginning of the first act, was smooth background until the second act, and so one merely blinked a moment as the curtains parted, then sat up very straight to

To be sure, they could not posface, his arms, or the very hairs upon his forehead; but one resented loosing their stealthy, sliding springs, and longed for the power of Alice's Queen over those heads in front. To be serious, Dick Dead-1916 eye could hardly have been better. Voice and action, gesture and expression, made him quite as convincing in his way as Peter Pan, and like the pirates, he some-8 P. Trim and tidy, he inevitably fitted his place, and kept one content and chuckling in his whimsical world of the impossible. And so, indeed, did they all. Ralph Rackstraw, sturdy and beautiful, was just too handsome to be real; and so it was fitting and proper that his love should be just too exquisite to be true. Bill Bobstay, the hearty British sailor, might conceivably have been a little less deliberate, quicker, especially in the early dialogue, in picking up his cues; little Buttercup, cheery and persuasive, might, particularly in the BRANSON, '16, BUSINESS first act, have displayed a trifle more abandon, a little less tenaciously clinging to the impassive respectability of the "lower middle class"; the Right Honor-Emily Strauss, '16, was elected Manag- able Sir Joseph Porter, K. That was the beauty of it—they were not mere dolls, they really were Sir Joseph's sisters, and his cousins, and his aunts. All the choruses were a credit to the committee, so was the whole matter of costuming and scenery, and the whole final effect.

UNDERGRADUATE ASSOCIATION ELECTS ADELINE WERNER PRESIDENT

The Undergraduate Association meeting of April 19th elected Adeline Werner, '16, to the presidency for next year. The votes cast for Miss Werner made such an overwhelming majority that the nomination was promptly made an election by unanimous vote of the association. Miss Werner took the chair for the remainder of the evening. M. Willet, '16 was elected Vice-President and Treasurer; D. Shipley, '17, Secretary, and V. Kneeland, '18, Assistant Treasurer.

The voting on the second ballot for the various offices was as follo. T:

President-A. Werner, 146; H. Chase, 11; M. Dodd, 10.

Vice-President-M. Willett, 100; D. Shipley, 40; E. Emerson, 14.

Secretary-D. Shipley, 86; F. Curtain,

The retiring President, in her report, reminded the association of the last action taken in regard to the cut rule and the work that still lies before the undergraduates. On Saturday, May 1st, at 8 p. m., the Coburn Players will give the "Yellow Jacket." Randolph Macon has an interesting system, for they have adopted a rather low standard in each event, and every inch or tenth of a second over this standard is counted one point for each competitor. Each class can enter five for every event and is handicapped if there are not five that come up to the standard. It is thought that this gives more chance to the average competitor, while it does not diminish the honor of the individual star.
