TERESA: But my lord, one can never have too much spaghetti!

GOD: You are mistaken my child, and That was the culmination of your sin. One can indeed have too much spaghetti. In fact, that is the little known EIGHTH DEADLY SIN, wasting spaghetti. You, my child, had so much spaghetti that your house burhned down. You almost died.

TERESA: What??

GOD: That's right. Back On earth, You're Very badly burned. Your house has been decimated. You have no possessions. The EMTs can barely even keep your heart going.

TERESA: Oh lord!!! What have I done to myself???

GOD: You have bitten off far more than you can chew. But There is still hope, my child. I have the power. I have the power to give those EMTs the push they need to save your life. I am god, after all.

TERESA: Oh please, what can I do? What can I possibly do to save myself from all this spaghetti????!?!?!?

GOD: I have one option for you on this day of judgment. All that spaghetti which you have so frivolously wasted in the fire, you must return to earth and be rid of all that spaghetti within the next twenty four hours! Or else you shall never be so blessed as to return to earth!!

TERESA: Twenty four hours?? God, I have enough spaghetti to comfortably feed a family of six for a week! And I'm only one small girl! I'll never get rid of all that spaghetti! I'M DOOMED!!!

GOD: This is your curse my child. But there is a light at the end of the tunnel. You have 24 hours. Best of luck.

CHEF PASKETTI: Hello little girl, you look like you could use some guidance

TERESA: Who are you??

CHEF PASKETTI: I am the ghost of chef pasketti. Kitchen man extraordinaire. And of course, I know all about you teresa, and your situation. I think I can help you.

TERESA: Why should I trust you? I just met you, I don't even know if you're real, or if this is all a dream. And besides, why should I take the advice of a lowly DEAD chef?

CHEF PASKETTI: You underestimate me! LOWLY??? Who are you to reject the help of your one possible lifeblood at this point?

TERESA: What are you talking about?

CHEF PASKETTI: (deep in thought) about 30 years back I had a similar accident to yours. Horrible kitchen accident, the entire place went up in flames... just like you, I committed the eighth deadly sin, of wasting spaghetti. I was tested just as you are being tested right now. But I FAILED!!!! OH TERESA, DON'T END UP LIKE ME!!!

Pause

CHEF PASKETTI: but you don't want my help, so i'll be on my merry way

TERESA, chef, you're so right. I will call my friends and ask them to help me to finish the spaghetti! that's the perfect idea!

Scene 5 (summary- writing rn) teresa invites a bunch of people to her house to try and finish the spag, they are confused as to why teresa needs to finish the spag so fast, really weirded out by her urgency toward the task, don't really get why she's asking them to eat it so fast, teresa ends by pigging out on the spaghetti, friends are totally freaked, but teresa ends up living. (ending line (teresa): "Maybe the real spaghetti is the friends we made along the way")
