

The Lighted Fools in 2020-2021

Show #1 - The Lighted Fools Sit Down in the Shower

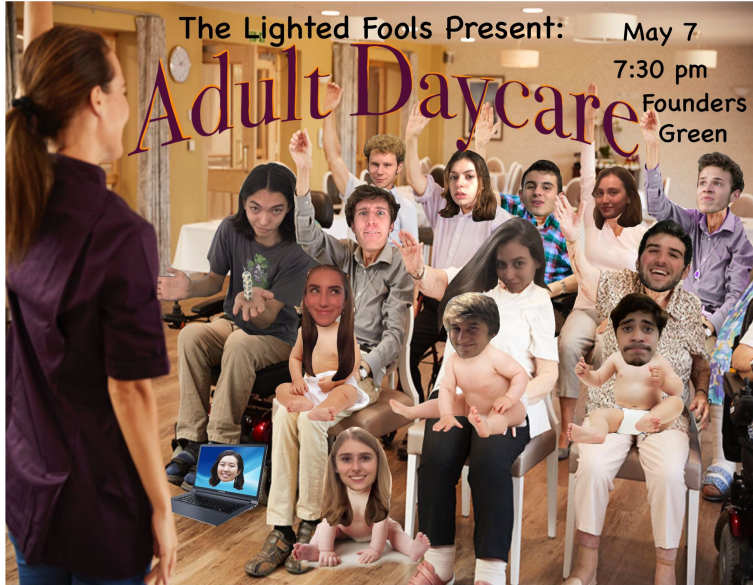

- Poster (by Cat Kim '22)

- "Sit Down In The Shower" was the first fully video show that we have ever done. The pandemic meant that hosting an in-person show wasn't super feasible, and it took over a full semester to get the process of fully video comedy polished enough to release a full show with. Nevertheless, this show ended up being something we were all super proud of.

- "Adult Daycare" was our second show of the semester, and was a hybrid online/ live and in person show. We returned to form with a standard improv set and some live sketches, but also once again put a heavy emphasis on video sketches. This show also includes at least one sketch written by each of our new first year members.
