Happy Monday!

A quick question:

Is it possible to post a Ramadan Iftar sign near the check-in counter at the DC? We have some laminated signs that we were planning to use at the tables for outside dining. But, I wonder if placing one of them at the two check-out corners will be useful too for students coming in to get their iftar and suhoor packs.

Thank you for your support and time!

Dear John, Jenn, and Bruce,

It was wonderful to speak with you this afternoon.

I am glad that I met Mukhtar too.

Perhaps we can do a Senegalese dish for the end of Ramadan.

As I mentioned, Hussain was serving us very well when I was a student.

I don't remember how we did iftar and suhoor back then. But we did.

Much appreciation and respect for your attention and efforts!

So, just to confirm our plan going forward, I am including the details below.

- 1. Students will enter the DC as they normally would, selecting all of the good foods that they want for their iftar meal.
 - 1. DC staff will no longer pre-pack the iftar meal for the students.
 - 2. Students can pick up their suhoor meal at that time, which will be pre-packed.
 - 3. Students can opt to add to their suhoor meal as they prefer at that time.

- 2. Students who are not on the meal plan will have access to both suhoor and iftar during these days or Ramadan at no cost. The Office of Quaker Affairs will be covering the costs of these meals.
 - 1. students in this category will simply tell the check-in team: "I'm here with the MSA Ramadan Iftar crew."
- 3. We will revisit a few special dishes as we get the momentum going, and when there appears to be some consistency

Am I missing anything?

Thank you, Qaid

Hi Qaid.

I spoke with Tom our boss and he said that would be fine. If you drop the signs off we will post them for you.

Thanks. Bruce

Salaam!

Can anyone drop off 4 of the double sided signs at the dc by this evening? They're currently held in the bcc in a folder on the bookshelf.
