

MSA Purpose & Mission Statement

The Muslim Student Association at Haverford College is dedicated to uniting, educating, and organizing a space for those interested in Islam and Muslim life. With a warm invitation to all interested Tri-Co community members, we aim to foster an inclusive, supportive environment in which Islamic faith and practice, as well as the everyday experiences that accompany the Muslim lifestyle, can be integrated into conversation and shared attitudes. Through our events, projects, and outreach, we welcome participation and engagement in service initiatives, Islamic discussions, group meetings, and gatherings.
