Delaware County National Bank is Successful Bidder for \$137,000 School Bonds

CANDIDATES INTERVIEWED

At a special meeting of the Swarthmore School Board last Friday night bids for the \$137,000 worth of school bonds approved by the voters of Swarthmore were received. The highest bidder was the Delaware County National Bank of Chester which secured the bonds at par and .1 per cent or for \$137,137. The bonds will be printed at once and delivered about May 12.

In so far as possible, the Swarthmore National Bank will be used as a depository for the funds, the maximum amount allowed will be kept in Swarthmore at all times.

The other bidders were the Swarthmore National Bank, E. H. Rollins & Son, and A. B. Leach & Co. Bidding was largely between A. B. Leach & Co. and the Delaware County National.

The entire school board met last night to interview the first group of candidates who have applied for the position of Superintendent of Schools here. Other likely candidates will be interviewed personally from time to time. The list of candidates now numbers nearly seventy.

After interviewing likely candidates the school board will investigate conditions in the school districts where they are now located. According to Mrs. Ryan who is chairman of the committee working on the problem, the board will take as much time as is necessary to secure the man they want for the position.

GRANT PERMIT FOR APARTMENT HOUSE

A permit for the building of the \$300,000 apartment house on South Chester road was granted at a special meeting of Borough Council last Saturday night. A permit for the garage which the builders plan to erect behind the apartment was withheld and was to come up for discussion at last night's meeting of Council.

Ellwood B. Chapman appeared at the meeting and said that he felt the permit should not be granted until a public meeting was held and the attitude of the townspeople on the project learned.

"YE BLACKFRIARS" PROGRAM TONIGHT

"Ye Blackfriars", the Swarthmore High School dramatic organization, will present three one-act plays in the auditorium of the high school this evening. The plays offer a varied program including one fantasy, one comedy and one serious play. The first play is "The Wonder Hat", by Ben Hecht and Kenneth Goodman. "Trifles", by Susan Glaspell and "The Travelers", by Booth Tarkington are the other two plays.

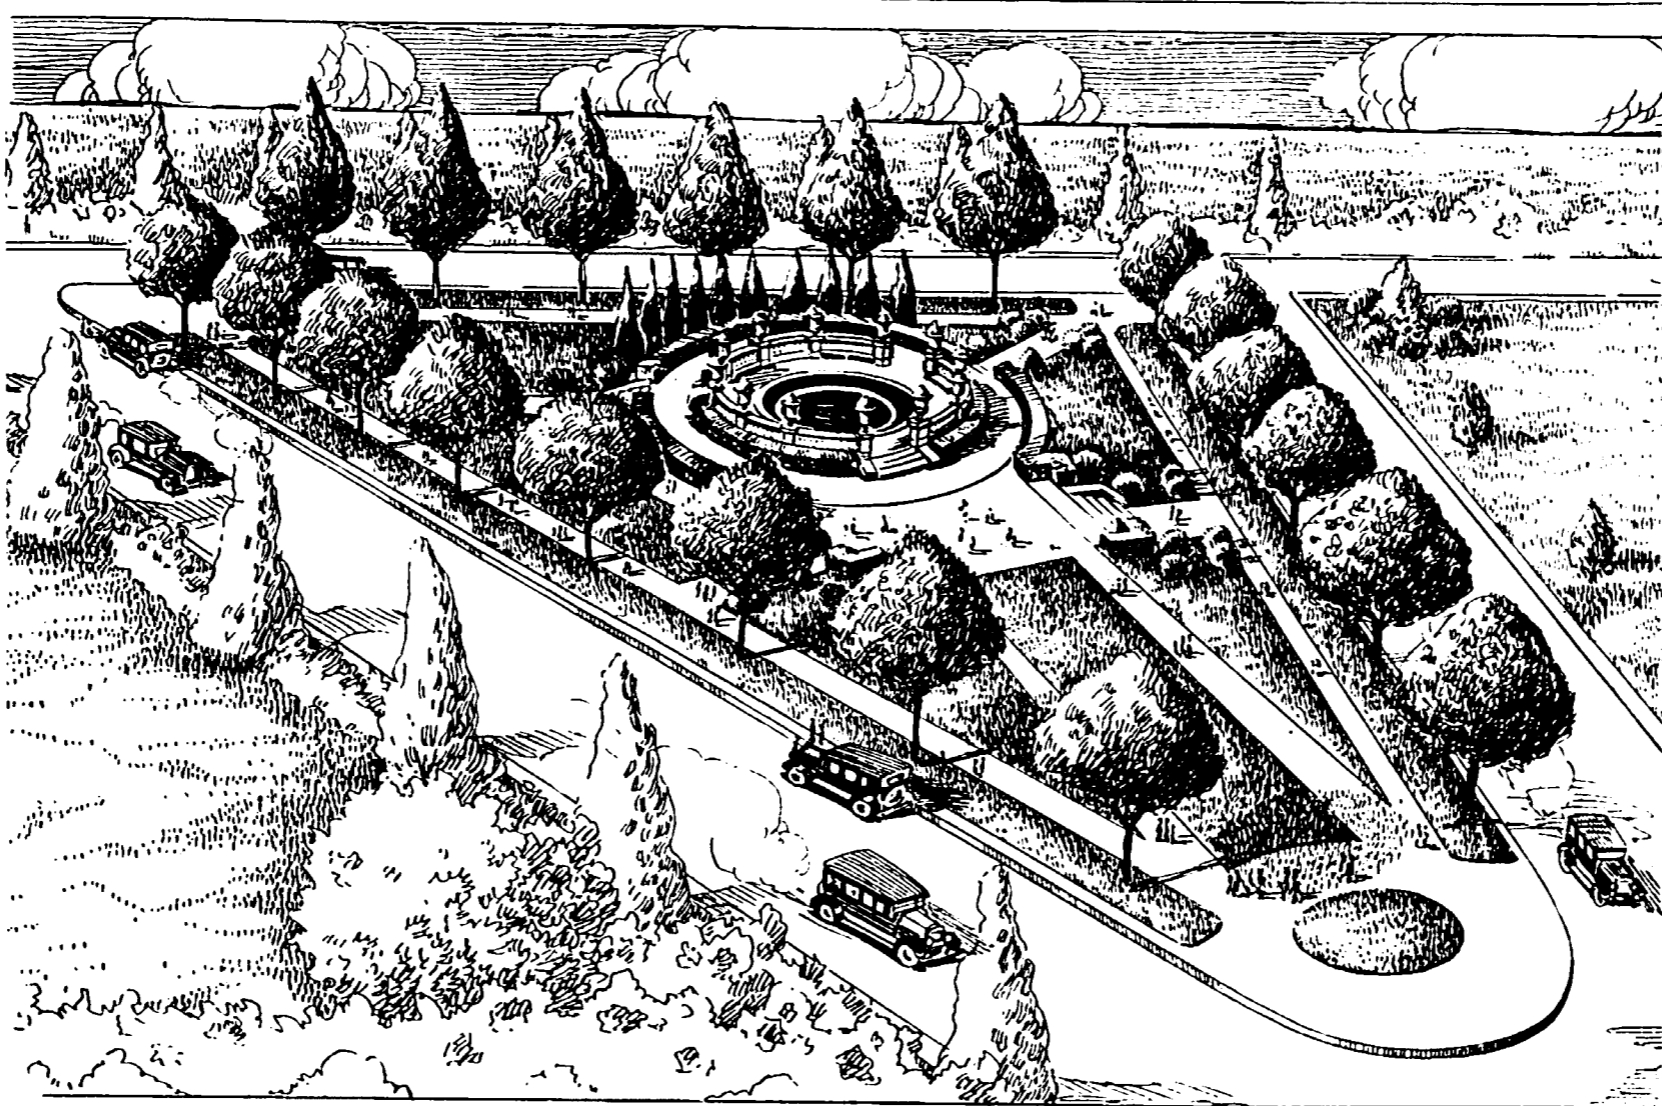

WOMEN HEAR TALKS BY CANDIDATES

Delaware County was very well represented at the Candidates' Luncheon held at the Bellevue-Stratford, Friday, April 25th by the Pennsylvania State League of Women Voters. Miss Gertrude Ely, Chairman of the State League, presided. Fifteen minute talks were made by Senator Grundy, Governor Pinchot, and Attorney General Brown, all more or less packed with different varieties of political dynamite.

Other speakers were Sedgwick Kistler of Lock Haven, Democratic National Committeeman, and candidate for Senator; Francis H. Bohlen, Philadelphia wet candidate; and Webster Garfield Drew, McKean County independent Republican senatorial candidate.

Secretary of Labor James J. Davis, arrived late after an airplane trip which brought him from Washington to Philadelphia in an hour and fifteen minutes. His talk included a graphic sketch of the work done by the Department of Labor, and his definite statement that as far as the tariff is concerned he is a strict protectionist.

Among the Swarthmore women present were: Mrs. Edwin A. Yarnall, Miss Haviland, Mrs. George M. Hughes, Mrs. John M. Ogden, Mrs. Philip Marot, Mrs. Warren Marshall, Miss Sarah Knight, Mrs. Albert Hill, Mrs. William M. Fine, Mrs. Bernard Isfort, and Mrs. J. Passmore Cheyney.

Proposed design of Keystone Auto Club Memorial to Joseph H. Weeks, founder of the club, to be built at once on the triangle at the North Chester Road entrance to Swarthmore. The improvement is viewed from the Baltimore Pike with North Chester Road running across the upper part of the drawing.

DETOURS AROUND UNDERPASS NAMED

Chester Road R. R. Crossing to be Closed While Underpass Under Construction

MAY BEGIN IN MAY

Every indication that work on the new Chester road underpass will start within a few weeks, was given at a meeting of representatives of the Pennsylvania railroad, the State Highway Department, the County commissioners, the Public Service Commission, Swarthmore College and the Borough, held last Friday.

A few final changes in the original plans were approved, principally the widening of Chester road on the west side of the entrance to the underpass in front of the bank building. This will make it possible for the fire truck to come up Park avenue, cross over to the section of South Chester road west of the underpass and swing into the underpass opposite Rutgers avenue.

The greatest amount of discussion was on the subject of detours while the underpass was being built. Edward B. Temple, chief engineer of the Pennsylvania Railroad, said that three days after work is begun, the Chester road crossing of the railroad will be closed and probably not reopened until the work is finished.

It was felt that as much through traffic should be diverted as possible and that signs should be erected at main intersections a few miles on either side of Swarthmore directing traffic either by way of Media or Morton.

For this purpose it was decided to erect signs at the intersection of State road and Sproul road directing through traffic in the direction of Media and the Providence road to Chester. A sign will be erected at the intersection of Sproul road and Woodland avenue in Springfield township directing people bound for places on the Chester pike, through Morton. South bound traffic will also be diverted at the Baltimore pike and North Chester road as well as at the Pike and Walnut lane and Cedar lane.

North bound traffic will be directed to Philadelphia and Norristown by way of Media. Signs for this purpose will be erected at the intersection of Sproul road and Providence road.

By these detours it is hoped that 75 percent of the through traffic will be directed around Swarthmore. Other through traffic and people traveling from the north to the south side of the borough will use Swarthmore avenue from North Chester road to Yale avenue and west to South Chester road.

Traffic within the borough from the south to the north side will also be by way of Yale avenue and Swarthmore avenue.

Mr. Temple suggested that two different routes might be established for traffic moving from the north side to the south side of the borough. For traffic moving north the route would be the same as described above: down Yale avenue and out Swarthmore avenue to North Chester road. South bound traffic however might well be turned over to South Chester road from Swarthmore avenue at Cresson lane, thence into Harvard and around to South Chester road by the Prep School, Mr. Temple suggested.

Such a plan would avoid congestion along Swarthmore avenue south of the railroad and would eliminate a very short turn for south bound traffic at Swarthmore and Yale avenues. The borough however would have to spend several thousand dollars repairing Cresson lane if this plan were adopted, therefore the same route will be used for traffic moving in both directions.

BUSINESS MEN WILL PLACE DIRECTION SIGNS

The Swarthmore Business Ass'n. will function during the next few weeks in having signs erected at the beginning of detours around Swarthmore during the underpass construction, informing motorists how to get to the business section of the borough.

"It will be necessary for the merchants to be on their toes if we are not to suffer by reason of these detours during the construction work at the railroad," said Clarence B. Hannum. "We must let motorists know that while the main road through Swarthmore is closed, the business district is still accessible and all of the stores are open as usual."

The next meeting of the Association will be held Monday at 12:45 at the Strath Haven Inn.

WOMEN VOTERS TO SPONSOR POLITICAL MEET

Today at twelve thirty, at Mari's Restaurant, in the McClatchy Community Building, 69th and Walnut Streets, Upper Darby, the Delaware County League of Women Voters will hold a Candidates' Luncheon. Of the eighteen Delaware County candidates entered for the coming primary struggle, fifteen have definitely accepted the League's invitation to speak at the luncheon, and the other three will be present unless their public duties interfere.

At eleven o'clock, preceding the luncheon, the League will hold a study class at the Community Building on the subject of "Living Costs." Mrs. William J. Carsen, Editor of the League "Bulletin" will speak on "The Consumer's Interest in the Regulation of Utilities." Mrs. J. O. Hopwood will lead the discussion. All interested are invited to attend.

MARY LYON GIRLS GO TO WASHINGTON

Sixteen members of the Mary Lyon School visited Washington, D. C., Annapolis, Md., Arlington, and Mt. Vernon, Va., on a four day tour under the Direction of the Pennsylvania Railroad, Mr. C. K. Macnichol, Passenger Representative—April 24 to 28.

It was one of the most delightful trips made by this school in many years. The party was met at Chester by Mr. Macnichol—traveled by Pullman—to Washington, was met by the Blue Line Sight seeing palace cars, conducted to hotel, had dinner and then by bus to the Congressional Library. The party was booked for the Cairo Hotel and special attention given them by the management.

Miss Julia M. Ferguson and Miss Sarah Graham Teachers and chaperons of the party which included the Misses Armitage, Barr, Barley, Clark, Elliott, Hackett, Holman McAlee, Peason, Parish, Spencer, Scarfe, Tyler and White. Their trip was one of extreme pleasure and one, ever to be remembered by the treatment accorded this party by the Washington officials thru the White House thru the private apartment and other buildings, was fine.

Guild Luncheon

The officers of the Woman's Guild of Trinity Church gave a luncheon to the Guild members on Wednesday. The women who were confirmed were the guests of honor. An interesting exhibit of Lenten sewing was held. The feature of the program, however, were the talks on "How We Raised the Money". Each member had pledged five dollars which she was to earn herself. The ways in which this was accomplished were unique and various.

ANNUAL WOMAN'S CLUB BUSINESS MEETING

The Woman's Club will have their annual business meeting at the club house next Tuesday afternoon at two-thirty. Chairmen of all departments will have written reports of their year's work. There will be an open discussion of next year's program; any member who has a constructive suggestion will be asked to tell about it.

LEGION AUXILIARY VISITS HOSPITAL

Mrs. Paul Freedley, Mrs. Roy Conley, Mrs. William Snow, Mrs. Norman Smith, Mrs. Charles Dravo and Mrs. Roland G. E. Ullman took a treat from the American Legion Auxiliary of Swarthmore to the soldiers at the Gray's Ferry Hospital last week. Mrs. Ullman entertained the boys with some readings following the ice cream and cake.

BARNSTORMERS GIVE PLAY NEXT WEEK

The Barnstormers of Ridley Park will present "Three Wise Fools," a comedy by Austin Strong as the Swarthmore Players' club production for May. The play will be given Monday, Tuesday and Wednesday nights at the Woman's Clubhouse.

The production is being directed by Miss Anne L. Thompson and the cast of characters includes the following members of the Ridley Park organization:

F. LeRoy Gilbert, Frank H. Olden, Dr. Harry D. Winsmore, Doris D. Knowles, H. Hazel Meisol, William S. Pitzer, Richard McCracken, Elmer A. Pine, H. W. Newberg, I. Percival Davis, Paul L. Fetzer and George T. Street, Jr.

B. AND C. ASSN. HEARS OF FIRE CO.

The April meeting of the Swarthmore Business and Civic Association held last Thursday evening at the Strath Haven Inn was devoted largely to a discussion of the Volunteer Fire and Protective Association of Swarthmore.

Dr. John B. Roxby attended the meeting and urged members of the Association and all residents of Swarthmore to become non-active members in the Fire Association by paying \$5 a year. Dr. Roxby pointed out that Swarthmore homes secured the lowest fire insurance rates because of the efficiency of the fire department and that it was absolutely necessary that more members be secured so that money was available to keep the good reputation of the company.

A. W. Collins attended the meeting and spoke of what could be done by the tree committee appointed recently to replant trees and beautify the streets of the borough.

The announcement that the Keystone Automobile Club would improve the triangle at the North Chester road entrance to the borough as a memorial to Joseph H. Weeks was received with enthusiasm.

J. V. S. Bishop, president of the Association, presided.

GARNET TENNIS TEAM WINS THREE MATCHES

The Garnet tennis team added three more victories to its 1930 record by capturing three matches last week against Franklin and Marshall, Johns Hopkins and Lehigh. The undefeated Little Quaker courtmen easily vanquished Franklin and Marshall and Johns Hopkins on Tuesday at Lancaster and Friday at home, winning every one of their singles and doubles matches each time. On Saturday they had a harder time against the visiting Lehigh team, but won 7 to 2. The Swarthmore aggregation now has six straight wins this year and is looking forward to an undefeated season.

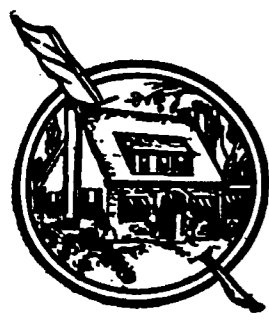

Mrs. Albert H. Osterman of Rutgers avenue entertained eighty guests at luncheon and bridge at the Spring Haven Club last Tuesday.

LAST MEETING OF MEN'S BIBLE CLASS

This Sunday morning's session will bring to a close the year's activities of the Men's Bible class of the Swarthmore Presbyterian Church. The year has been an unusually successful one though saddened at the close by the death of Wesley M. Clifford who for many years has been one of the most active workers in the class.

Dr. William T. Ellis has acted as teacher during the year with the exception of the weeks that he was in Florida when his place was taken by other members of the class. Attendance has often been more than fifty and practically never less than thirty.

The class has contributed generously during the year to the work of Rev. Van N. Smith who is the missionary of the church in the mountains in Tennessee.

LAST MEETING OF MEN'S BIBLE CLASS

This Sunday morning's session will bring to a close the year's activities of the Men's Bible class of the Swarthmore Presbyterian Church. The year has been an unusually successful one though saddened at the close by the death of Wesley M. Clifford who for many years has been one of the most active workers in the class.

Dr. William T. Ellis has acted as teacher during the year with the exception of the weeks that he was in Florida when his place was taken by other members of the class. Attendance has often been more than fifty and practically never less than thirty.

The class has contributed generously during the year to the work of Rev. Van N. Smith who is the missionary of the church in the mountains in Tennessee.

GRUNDY FAVORED IN SWARTHMORE

With Former Governor Pinchot the only candidate seeking one of the more important nominations, who has visited Swarthmore, interest from a local standpoint in the coming primaries is not particularly great and the returns will probably show the usual scattered vote on election day.

Joseph R. Grundy will probably poll a large vote in Swarthmore because of his friendship with business men and manufacturers who make their homes here and because of the support of the Regular Republican organization of Delaware County.

While the support of Grundy by Senator John J. McClure has not met unanimous approval in Chester and other strongholds of the Organization more Swarthmoreans will probably vote for the Organization's choice this year than at other elections.

Swarthmore is appearing quite frequently in the publicity sent out by Grundy's backers for it was here that the prominent Bristol manufacturer attended college. Although not an alumnus he has taken an active part in a number of alumni activities and has been a generous subscriber to endowment campaigns and all calls for support of the college.

At the present time his name stands within three of heading the list of prominent alumni forming the endowment committee.

For years Joseph R. Grundy has been one of the country's most vigorous and outstanding proponents of the principle of tariff protection.

It is Senator Grundy's belief that the standard of living in Pennsylvania is higher than that of other American States because the Commonwealth's wage earners are protected by the tariff. For forty years he has been the outstanding defender of the protective tariff principles.

It was the *Philadelphia Inquirer* which some months ago declared that "to attain his life ambition—the protection and prosperity of American industry—he has made himself one of the most vital factors in the politics of Pennsylvania and the Nation, yet until named to the United States Senate by Governor Fisher he had held but one political office—that of Borough Councilman in the town of Bristol."

A familiar figure for years at Washington, especially at times when Congress has considered tariff bills, Senator Grundy, since the days of the lamented William McKinley, has had contact with every important statesman in the country. As was also said by the *Philadelphia Inquirer* not long ago, "he has participated successfully in some of the most vital political campaigns in Pennsylvania, always with the undeviating view of advancing Pennsylvania's welfare."

For years Joseph R. Grundy was a manufacturer of woolen goods.

He is a member of the Society of Friends.

He has always been a staunch Republican.

He is 67 years old and unmarried.

He lives with a sister in Bristol, Bucks County.

OPERA "SADKO" HIGHLY PRAISED

From all reports the production of the opera "Sadko" by the students and faculty of the college was one of the most outstanding accomplishments of the year. Those who live in the borough and might easily have attained the performance are now regretting that they failed to do so.

Comparing the production of the Russian masterpiece by the college glee clubs and by the Metropolitan Opera Company, one alumnus writes to the *Phoenix*: "I had the opportunity to compare this student production with one of the same opera by the suave and sophisticated Metropolitan Opera Company, hearing the two but a few weeks apart; the comparison was very interesting. In musical finish and perfection, of course, the two were not fairly comparable. But the student production had something which the professional one had not, and that was life.

Its characters are merchants and warriors of ancient Novgorod. Its heroine is a sea princess, and the dancers are mermaids. Its music is semi-oriental. Too much polish and polite perfection does not combine as well with its elements as the youthful zest of the student group.

"They sang thrillingly, not perfectly, the two are quite different. There is something about an inspired amateur performance that is sometimes finer, purer, more beautiful than the best that professional art and money can produce. When a leader who knows and lives upon music, who has the vision to conceive and carry out a great project like this one, draws latent talent from a body of students and faculty, when the members of that group stimulate each other as their enthusiasm mounts, until they learn to sing as Mr. Hunt sang the part of "Sadko," Esther Seaman the Sea Princess, and Katherine Warren the Minstrel, to mention but a few, almost at random of very many; when still others come to believe and work silently in the background to make the project a success as the costume makers and scene creators,

THE SWARTHMOREAN

something results which is as fine and noble as anything accomplished by human effort."

HEALTH SOCIETY PREPARES FOR PRE-SCHOOL CLINICS

Preparations are now being made by the Community Health Society for the pre-school clinics which are held each year in the various sections of the district. Each year, there is a state-wide movement to have all prospective "first-graders" given the opportunity of a physical examination prior to their entry into school in the fall.

The mothers bring their children to the pre-school clinic in their community, where they are weighed and measured by the nurses. The attending physician then gives them a physical examination,

reporting to the mother any deviations from normal found in his examination. This gives the parents an opportunity to have such defects corrected before the child enters school, enabling him to do so without the handicap of diseased tonsils or other defect. At the same time, the children are given Toxin Antitoxin for the prevention of diphtheria, if the mother desires the treatment to be given. Early vaccination is advised so that the child's arm is healed before he goes to school. Angelo Patri has said "School is a new and trying experience for little children. They need to be perfectly fit when they take it on for the first time." Will you extend that opportunity to YOUR child?

About this time each year, interest is focused on the May Day Child Health celebration. This year, as before, atten-

tion is being brought to this vast National Health and Welfare groups are joining in making this a bigger than ever celebration. They are receiving the cooperation of the Women's clubs, Parent-Teacher groups, Physicians, churches, and schools. The visiting nurse associations, thru their pre-school clinics, well baby conferences, toxin antitoxin campaigns, etc., will create further interest in this great project. In the words of Herbert Hoover, our President, "The purpose of the May Day celebration is to focus attention upon our most precious national asset—our children."

The Mothers and Daughters Dinner given by the Woman's Association to the members of The Westminster Guild and their mothers will be held

at the church on May 9 at 6:30 P. M. Mrs. Child in charge. Mrs. Walter D. Howell of Philadelphia will be the guest speaker.

COLLEGE ENDOWMENT DRIVE BEGINS MAY 4

The Emergency Alumni Committee, headed by Morris L. Clothier, which is directing the drive to raise the \$175,000 necessary to secure the conditional gifts and complete the additional two million dollar educational endowment for Swarthmore College, reports rapid progress.

Although the campaign will not officially begin until May 4, gifts have received so far totaling \$13,250. These contributions have come from alumni so enthusiastic over the purposes of the drive and the benefits that will accrue to Swarthmore from it that they have not waited for personal solicitation.

President Frank Aydelotte recently addressed the students of the college regarding the campaign as follows:

"The college is facing one of the most important emergencies in its history. If we do not get this last \$175,000, if we do not get the conditional gifts dependent on it, we shall still have a college. We shall still go on. But our position in the educational world, our leadership, our ideals for the college are at stake. Without these additional funds we cannot do the things we ought; we cannot do the things that the rest of the country expects of us. The work we are doing has attracted a great deal of attention, and a great deal is expected of us. We are proud of what we are doing, proud of the work done by the faculty and by the student body, but we are not satisfied."

Mrs. George T. Ashton who is very active in the Society for Contemporary Music of Philadelphia, announces the final concert of that organization on May 15 at 8:30 P. M. at the Penn Athletic Club.

As indicated by the name, the society presents only the works of living composers. There will be three stage productions for the final concert. These are Sette Canzoni by Malpiero; Apollon Musagete by Stravinsky; and The Daniel Jazz by Louis Gruenberg.

As the title of Sette Canzoni suggests, there are seven songs, each presenting an incident in every day life.

Apollon Musagete, a ballet, was composed by Stravinsky at the request of Mrs. Frederic Coolidge. This ballet was given at a festival of music in the Library of Congress in Washington.

The third, The Daniel Jazz, is a musical interpretation of Vachel Lindsay's poem, "Daniel." It is scored for tenor and a chamber ensemble. The composition has been heard in many of the leading musical centers of Europe. The composer is an American living in New York.

The public sale of tickets for the concert will be at Hepp's, 1119 Chestnut st., after May 8.

TAYLOR HOSPITAL MAY FESTIVAL

The May Festival for the benefit of the Taylor Hospital will be held on Saturday, May 17 from two until eleven P. M. on the hospital grounds, corner of Morton Avenue and Chester Pike, Ridley Park. Mrs. A. F. Jackson will be in charge of the Swarthmore booth.

Donations of gingerbread or cake are earnestly desired, as the Swarthmore table is planning to make a specialty of ginger bread and milk. Donations of money will be welcomed. All proceeds are for the benefit of the Hospital. Those wishing to make some contribution kindly get in touch with Mrs. Jackson.

CHILD WELFARE WEEK FILLS GREAT NEED

"With the approach of May Day, Child Health Day, our thoughts naturally turn to nature's priceless gift to the child, the gift of a sound healthy body," said Mrs. Elmer E. Melick of the Delaware County Federation of Women's Clubs in talking over the plans for Child Health Week in Delaware County yesterday. "There is no price which a parent would not gladly pay for restoration of the health of a sick child," continued Mrs. Melick, "and every mother in the county should be vitally interested in the work of the various organizations who make Child Health Day possible in our midst."

the United States in material assets is capitalized at three hundred and twenty-one billion dollars. A recent estimate made by Dr. Lewis I. Dublin of the Metropolitan Life Insurance Co. places the value of our health capital at one thousand five hundred billion dollars. In other words the health that Uncle Sam has invested in the bodies and health of his citizens is worth five times that of his mines, factories, farms and that of his other material goods.

In consideration of these figures, the small amount of money and effort which is used in caring for the health of our children and of the public at large seems a mere pittance. In Delaware County there is not a single registered physician who is giving his whole time to protecting the health of the public.

The city with a population of 300,000 which does not have a full time public health officer would be looked upon as decidedly behind the times but here is a county with that population which must rely on a number of part time public health officers for this work. These conditions only increase the need for such annual festivals as Child Health Day and Women's Clubs are naturally anxious to do everything possible under the circumstances to make Child Health Day a success.

The Woman's Guild of Trinity Church will hold a cake and food sale Saturday, May 10th, from 9 a. m. to 1 p. m. at 417 Dartmouth Avenue.

DISTRIBUTE FOLDERS FOR MRS. OGDEN

Literature has been sent out during the past week supporting the candidacy of Dorothy Y. Ogden (Mrs. John M. Ogden) for the State legislature. Mrs. Ogden has been endorsed by the Republican Women's Committee on Candidates, which consists of Republican women representing a large number of women's organizations in Delaware county.

The folder says in part: "Mrs. Ogden is a resident of Swarthmore and has been enrolled in the Republican party and voted the Republican ticket as long as women have had the vote."

"She is a graduate of Swarthmore College."

"Mrs. Ogden has been affiliated with county organizations, including the League of Women Voters, the Women's Republican Club of Delaware County, the Federated Women's Clubs, the Welfare Federation, and was one of the "four minute" speakers during the war. She is also a member of the Pennsylvania Council of Republican Women."

Mrs. Ogden is well acquainted with Legislative procedure, and is a thoroughly qualified candidate, because of her education, experience and sound judgment."

Behenna-Fritz

The Swarthmore Methodist Episcopal Church was the scene of a beautiful wedding on Saturday evening, when Miss Eleanor Yocum Fritz, daughter of Mr. and Mrs. Walter Judson Fritz of College avenue, became the bride of Albert Carl Behenna, son of Mr. and Mrs. Albert Behenna of Princeton avenue.

The ceremony was performed by Reverend Albert S. Morris of Lawndale, Pa., assisted by the Reverend Lloyd P. Stev-

ens, pastor of the church.

The bride, who was given in marriage by her father, wore a gown of ivory satin of the Catherine de Medici period, and carried a shower bouquet of white roses and lilies of the valley. Her tulle veil as cap shaped and held with orange blossoms. She also carried a Duchess lace handkerchief which belonged to her great grandmother.

Miss Alice Brinton of Haddonfield, New Jersey, was the maid of honor. She wore a gown of pink taffeta and carried pink roses and blue delphiniums.

The bridesmaids were Miss Elizabeth Reed of Reedsville, Pa., Miss Ada Grace Morris of Lawndale, Pa., Mrs. James Chapman Weaver of Erdenheim, and Miss Gladys Behenna, a sister of the bridegroom. They wore blue taffeta gowns, lace mitts, and silver leaves in their hair. They carried bouquets of pink snapdragons.

Joseph Leslie Patton, of Wilmington was best man, and the ushers were William T. Rydell and Emery A. Sovik of New York, S. Kenneth Jones of Moorestown, N. J. and Edwin Stuart Heckler of Philadelphia.

A reception followed the ceremony at the home of the bride's parents for the members of the families and intimate friends.

Upon their return from their wedding trip Mr. and Mrs. Behenna will live in Rahway, N. J.

STRATH HAVEN PARTIES

Mrs. Paul Cleaver, of 314 Cornell avenue, was hostess at dinner to sixteen of her friends on Saturday.

Mrs. John Roberts, of 311 Park avenue, entertained at a luncheon and bridge on Saturday afternoon. Covers were laid for ten.

Mrs. Porter W. Allen, of 20 Willowbrook avenue, Lansdowne, entertained eight friends at dinner on Saturday.

Mrs. John Howard Taylor, of 241 Kenyon avenue, entertained twenty-four

of her friends at a supper on Sunday evening.

On Wednesday afternoon, Mrs. E. M. Strang, of Kedron avenue, Morton, entertained at a luncheon-bridge. Covers were laid for sixteen.

STRATH HAVEN NOTES

Mrs. E. A. Stockton and Mrs. Thomas Seymour Safford have returned to Strath Haven after a five months trip to the Orient. They visited China, Japan and the Philippines. At Manila they were the guests of Mrs. Stockton's son who is stationed there.

Miss Christine Latsch sailed last week from New York for Europe. She will be gone several months.

Mrs. Justice Thompson, who has been ill, is now on the road to recovery.

Mrs. C. A. Preston has returned to Strath Haven from Florida.

Mrs. Nora McIlvaine, of Washington, Pa., has been staying at Strath Haven while visiting her daughter in the Mary Lyon School.

Mr. and Mrs. Walter C. Parmley, of Upper Montclair, were recent guests at the Inn.

Mrs. H. S. Righter, of Strath Haven, has been visiting her daughter who recently underwent an operation at Wilmington.

Mr. and Mrs. J. A. Biggins entertained several friends at bridge on Tuesday evening at the Inn.

Mr. and Mrs. S. J. Francis, of Boston, are recent arrivals at Strath Haven.

Mrs. M. C. Fish and Miss Annie F. Bowker, of Central Falls, N. Y. and Miss Gertrude Whipple and Miss Maud Whipple of Pawtucket, R. I. have registered at the Inn.

BENJAMIN WEST SOCIETY FORMED

The Benjamin West Society which has for many years been envisaged by friends of the college, has at last come into active existence. Under the leadership of an Executive Committee, which consists of A. M. Brooks, chairman, Charles F. Jenkins, vice-chairman, Frank Aydelotte, Arthur Bye, Frederick N. Price, Mary North Chenoweth, Alice Sullivan Perkins, Mrs. Brand Blanshard, Mrs. Alan Valentine, secretary, the membership of a few interested alumni and friends of the college is being solicited.

The plan is meeting an immediate and enthusiastic response, both in money, and in letters which express warm approval of the scheme, if one may judge from the first replies. Frederick N. Price has per-

suaded certain notable modern artists, among them Lawson and Savage, each to give an example of their work to the college. Mr. and Mrs. John F. Braun have loaned a Benjamin West painting to add to the college's present collection of West pictures. An annual lectureship is being established, and the first of these lectures will be given during Commencement week this year.

As a sponsor of the arts, the society's immediate aim is a gallery in which to show visiting exhibits which the college is now forced to turn away; not a gallery housing a graveyard of plaster casts and oils in heavy gilt frames, but one that will be a warm and integral part of the college existence. Possibly the North rooms of Parrish Hall could be thrown together so that students, alumni and faculty could, in spare moments, derive some joy from the exhibits of paintings, fine buildings, old furniture, sculpture and etchings. Possibly through gifts a purchase of some of these transient exhibits would become part of a permanent collection belonging to the college.

As a society of research its field is broad and profoundly interesting. It should be an authority on Benjamin West and his times, with an annual publication of its findings. It might someday be housed in the West House restored to its original state and holding the offices and library of the society and a fine collection of furniture of West's time.

AUTO CLUB URGES "SEE AMERICA FIRST"

"What Has Become of See America First?" is the title of an editorial in the

May issue of Keystone Motorist, official publication of the Keystone Automobile Club. Pointing out that more than \$800,000,000 annually is spent abroad by American tourists, the editorial makes vigorous plea for revival of the practice of touring the United States, to the great profit of tourists and business interests alike.

BUY A USED PACKARD!

Thousands of motorists today wisely prefer the distinction, beauty, and confidence of a Used Packard to the lesser advantages of a new car selling around the same price. Because of its design and quality, Packard is even more economical to operate and maintain.

In buying a Used Car there are several important questions you should ask yourself for your own safety and satisfaction. Is the seller in a position to make good any defect that may develop? Is he prepared to give me service if the car causes trouble later? Has the firm a good reputation? Will they stand behind the merchandise they sell? Can I be sure that the legal papers are properly made out and title in my name?

All of these questions can be answered in the affirmative if you buy your Used Car from us.

Real Reasons Why You Will Vote The Davis-Brown Ticket

- JAMES J. DAVIS** for Senator. A man who rose from plowman in an iron mill to Secretary of Labor under three presidents. Statesman, champion of a protective tariff, friend of all who labor.
- FRANCIS SHUNK BROWN** for Governor. "A great statesman with a great heart and an unselfish devotion to Pennsylvania," was said of him by the late Dr. Russell Conwell. He made Labor, Welfare and School legislation a living fact, and not a dream!
- EDWARD C. SHANNON** for Lieutenant-Governor, called "two yard Shannon," because in the World War he was always two yards ahead of his men on the battle line. One of the best-known military men in the World War from Pennsylvania. He is also a notable manufacturer.
- PHILIP H. DEWEY** for Secretary of Internal Affairs. Born on a farm, and beloved by the farmers. A man of outstanding ability—was elected Master of the State Grange.
- GEORGE W. MAXEY—WILLIAM B. LINN** and **JAMES B. DREW**, three notable jurists, who have left the impress of their legal training on many famous decisions they have made.
- The Davis-Brown Ticket stands squarely for Referendum—giving to the citizens of Pennsylvania the right to vote on the question of Wet or Dry. It is up to YOU to decide.
- The Davis-Brown Ticket is endorsed by the State Federation of Labor; by the Women; by Welfare and Civic Bodies—it is the People's Ticket.
- The Davis-Brown Ticket is the only complete ticket in the field—and each of its seven candidates is pledged to work for the good of the people of Pennsylvania.
- The Davis-Brown Ticket is made up of men who build-up—not of men who tear-down. They are constructive, honest, progressive.
- The Davis-Brown Ticket is a ticket of men born without riches—men who fought from humble beginnings to a place in the sun.
- The Davis-Brown Ticket is a ticket of Humanity. All of the men on it have kept faith—not merely promised.

Real Reasons Why You Will Vote The Davis-Brown Ticket

- JAMES J. DAVIS** for Senator. A man who rose from plowman in an iron mill to Secretary of Labor under three presidents. Statesman, champion of a protective tariff, friend of all who labor.
- FRANCIS SHUNK BROWN** for Governor. "A great statesman with a great heart and an unselfish devotion to Pennsylvania," was said of him by the late Dr. Russell Conwell. He made Labor, Welfare and School legislation a living fact, and not a dream!
- EDWARD C. SHANNON** for Lieutenant-Governor, called "two yard Shannon," because in the World War he was always two yards ahead of his men on the battle line. One of the best-known military men in the World War from Pennsylvania. He is also a notable manufacturer.
- PHILIP H. DEWEY** for Secretary of Internal Affairs. Born on a farm, and beloved by the farmers. A man of outstanding ability—was elected Master of the State Grange.
- GEORGE W. MANEY—WILLIAM B. LINN** and **JAMES B. DREW**, three notable jurists, who have left the impress of their legal training on many famous decisions they have made.
- The Davis-Brown Ticket stands squarely for Referendum—giving to the citizens of Pennsylvania the right to vote on the question of Wet or Dry. It is up to YOU to decide.
- The Davis-Brown Ticket is endorsed by the State Federation of Labor; by the Women's Welfare and Civic Bodies—it is the People's Ticket.
- The Davis-Brown Ticket is the only complete ticket in the field—and each of its seven candidates is pledged to work for the good of the people of Pennsylvania.
- The Davis-Brown Ticket is made up of men who build-up—not men who tear-down. They are constructive, honest, progressive.
- The Davis-Brown Ticket is a ticket of men born without riches—men who fought from humble beginnings to a place in the sun.
- The Davis-Brown Ticket is a ticket of Humanity. All of the men on it have kept faith—not merely promised.

It was erroneously announced in last week's *Swarthmorean* that pupils of Florence Cowanova were giving a pageant on Thursday, Friday and Saturday of last week.

The Cowanova Studios of Philadelphia gave their annual carnival entitled "Must Be Happy" at the Academy of Music Tuesday, Wednesday and Thursday evenings of this week. Among those who were in the group numbers from Swarthmore were Tutie Bradford, Nancy Powell and Margaret Vlachos.

Miss Bradford and Miss Vlachos also were seen in solo numbers. A number from Swarthmore attended.

Dr. Bye Returns

Dr. Arthur Edwin Bye returned Wednesday from an extensive business trip in the West. He visited the various art museums at Chicago, St. Louis, Cleveland, Cincinnati, and other cities.

In Detroit he was present at the opening of the Rembrandt exhibition which was arranged by the well-known art expert, Dr. Max W. Valentiner. Never before have so many Rembrandts been gathered as are at present in the Detroit Art Museum. Dr. Bye participated in a luncheon given to the museum directors and art experts from all over the country to celebrate the occasion.

H. AND S. PLAY SATURDAY AND MONDAY

During the past few weeks the Faculty of the Swarthmore Public Schools has been at work on their play, "The Whole Town's Talking," to be presented Saturday afternoon, May 10th, and Monday evening, May 12th, in the High School Auditorium. As already announced, the proceeds of the play will be applied to the Home and School Scholarship Fund and the support of all in the community who are interested in the schools is solicited.

Tickets for the Saturday afternoon performance may be obtained from any of the home room teachers, or at the door. Seats for Monday evening are all reserved and may be obtained from Mr. Duncan in Room 211 of the school from 8:35 A. M. to 3:15 P. M. on school days. The reserved seats are selling rapidly. It is suggested that if you cannot come to the school for tickets yourself, have one of the school children get them for you.

The play is a farce in three acts and is guaranteed to keep the audience laughing from start to finish. Eighteen members of the Faculty are in the cast, while the remainder are working on various committees. A feature of the play will be the Spanish interior stage setting now being constructed under the direction of Mr. Cook.

No school children should be denied the pleasure of seeing their teachers from a new and interesting angle, while parents and others will not only enjoy the play but will be helping someone worthy of support to obtain advancement in education.

HEDGEROW WILL GIVE "POKER FACE" TONIGHT

Instead of Othello, as previously announced, tonight the Hedgerow Theatre of Rose Valley will present for the first time this season Musselman's crook comedy, "Poker Face", for which Allyn Joslyn returns to play the lead. Dudley Vaughan and Kay Roma will be seen in their original roles.

On Saturday night, Maylo, another comedy a translation of Vollmoeller's "Uncle's Been Dreaming", returns to the repertory, Jasper Deeter, Dudley Vaughan, and Kay are most importantly cast in this play.

Beginning Wednesday, May 14, the Hedgerow Theatre increases its playing schedule to four nights a week. Next week's schedule includes "Othello" on Wednesday; "Liliom" on Thursday; "Dulcy" on Friday, and "Arms and The Man" on Saturday.

URGES CARE IN DRIVING CAR

With the touring season getting into its stride, the highways of the state soon will be carrying capacity traffic, which places an added burden of responsibility upon the motorist, in view of Edward P. Curran, Safety Director of the Keystone Automobile Club.

"A prolific source of danger not generally appreciated by motorists is the habit of driving on the wrong side of the road, especially at curves. Even

veteran drivers are guilty of this practice. Statistics show that a high percentage of so called "accidents" is due to violation of the cardinal principle of driving—keep to the right."

Mrs. T. Harry Brown gave a report for her "Welfare & Health" group, telling of their rummage sale at which \$30 was cleared for local work.

Mrs. Harold Calvert, chairman of Music, told of the club's concert and of two future concerts, one on the 15th of May at the Home for Incurables in Philadelphia and on the 22nd of May they will repeat their program for the Delaware County Federation of Women's Club at their meeting in Wayne.

Mrs. John Detlefsen, corresponding secretary, told of the number of letters written; Mrs. J. Bernard Walton reported as chairman of the League of Women Voters for the club, Mrs. William A. Clarke gave a resume of the winter's programs and Mrs. Roland Eaton told of the work of her department, the drama section.

Mrs. J. Warren Paxson, recording secretary, Mrs. J. Horace Walter, treasurer and Mrs. William Hanny, publicity, also read reports.

Mrs. Jessie H. Holmes closed the reports by factiously telling of the number of reciprocity luncheons she had eaten; then with a tinge of sadness, told of the things she wondered if she should have done.

The final meeting will be held on Tuesday.

Town and Gown

Continued from Page Four

fitting that we should expect the college that has given us so much to occasionally give us something of uncertain value.

There is no individual or organization in the country that should receive more leniency and greater exceptions from Swarthmore borough than the college, and if the property owners who hold land near the college are forced to suffer occasionally by a certain college project, let them remember that they also benefit by all of the desirable college improvements.

The very case in question, if you wish to get away from principles, can provide considerable thought for our townspeople. Heaven forbid that we ever lose our beautiful lawns and fine large homes, and yet we have some-

thing here of at least equal value, and that is the type of family that lives in Swarthmore.

The family that lives in the apartment house on your right may be better neighbors and add more to your own life than the family that lives in the fifty-thousand dollar mansion on your left.

Barely across the street from the proposed site of the college faculty houses was sold a valuable home site last year. Did the owner of the property sell it because the neighborhood consisted of \$40,000 homes? No, or at least not entirely, for his biggest talking point was the type of family that lived in the surrounding homes.

We need have no fears about the type of family that will occupy the two college semi-detached houses.

Swarthmore's past, present, and future, is tied up too closely with the College to quibble over a minor technicality in the zoning ordinance or even to hesitate because of the objections of some of our property owners. No resident of the borough is ever ashamed to say that he is a neighbor of the college; let the college never regret that it is situated in Swarthmore.

RESOLUTION

WHEREAS, application has been made to Council of Swarthmore Borough by Gustav Weber for a special exception to the provisions of the Zoning Ordinance of the Borough of Swarthmore of 1928 (viz. Ordinance No. 200) as amended by Ordinance No. 302 in the following particulars, to wit:

a. Multiple dwelling, East side Chester Road, 246 feet south from Rutgers Avenue. Erection of one story addition at rear to house twenty-five to thirty-five cars for the exclusive use of owner, occupiers, tenants, patrons or guests of said apartment house, said addition violating the Ordinance in two respects:—

b. Same will house twenty-five cars and upwards.

AND WHEREAS, due notice has been given to all owners of properties on Rutgers Avenue between Chester Road and Cornell Avenue; on west side of Cornell Avenue between Rutgers Avenue and Harvard Avenue; on both sides of Chester Road between Rutgers and Harvard Avenues, and on both sides of Harvard Avenue from Chester Road to Cornell Avenue, of a hearing to be held before said Council on Thursday, May 1st, 1930.

AND WHEREAS said hearing was duly held and all persons interested heard and no objections being made: Now therefore,
BE IT RESOLVED That Council of the Borough of Swarthmore does hereby grant the application of the said Gustav Weber to erect an extension to said multiple dwelling in the manner above described and hereby directs the Secretary to issue a permit to the said Gustav Weber to erect the same in accordance with the plans and specifications filed by the said Gustav Weber with the Secretary, subject, however, to the approval of the Public Safety Committee and the Borough Engineer;

Provided, however, that it is hereby expressly understood that such garage extension is to be used exclusively for the private accommodation of the owner, occupiers, tenants, patrons or guests of said apartment house, and is not to be used by the general public nor are motor oil nor motor fuel or accessories to be sold nor repair work done on said premises; said building and use to comply in all other respects with the Zoning and Building Ordinances of said Borough of Swarthmore. Passed the First day of May, A. D. 1930.

LARGE VOTE EXPECTED TUESDAY—GRUNDY CAMPAIGN BEGUN

Mrs. Brice Resigns As Head Of Community Health Center

At the May Board meeting, Mrs. Anna M. Brice tendered her resignation as Supervising Nurse of the Community Health Society, to take effect September 1st.

During the past month, 582 visits were made by the nurses of the Community Health Society. In the Health Centers in Springfield, Milmont, Folsom and Holmes, a total of 61 babies were weighed and measured. Those who were found to be in need of medical attention were referred to their family physicians, and the nurses are now making follow-up visits to learn whether the mothers have followed the advice of the Center physician.

The nurses are also investigating conditions in the Addingham district of Springfield Township and also the Fairview Road section of Ridley Township to find out the conditions favorable to the opening of new Health Centers in these two districts. Plans are being made to re-open the Plush Mills Center, which has been closed during the winter months.

In the schools, the nurses have been busy re-weighing the children and questioning them as to the correction of defects found by the examining physicians. The State Department requires that this be done each year so that a report can be sent to Harrisburg, showing the number of corrections found by the nurse. 844 children were weighed in April, 150 were found to have had their defects corrected, and 34 were found to be under the care of physicians. 70 visits were made to the schools, while 88 visits were made to homes on behalf of school children.

A class in First Aid has been organized with the Morton-Rutledge Scout Troop. The classes are being held at the Presbyterian Church in Rutledge, under the direction of Miss Marker.

The Ridley Park Home Hygiene Classes, at the High School, are progressing in a very satisfactory manner under the supervision of Mrs. Brice. At the April Home and School meeting the girls gave a demonstration of their ability in Home Nursing.

The Swarthmore Girl Scouts have finished their course in Home Hygiene, having taken their test in First Aid. Albert Bauhaus, of the Hannum and Waite garage gave them the test in the prone pressure method of artificial respiration.

Volunteers during the month included Mrs. Wm. T. Ellis, Mrs. J. Warren Paxson, and Mrs. C. M. C. Lewis' chauffeur. One child was taken to T. B. Clinic for examination, and 8 children were taken to Tonsil clinic. 3 were taken to an Eye specialist, three trips being made for this purpose, and two were taken to the oculist, two trips being made. Other volunteers were Mrs. R. C. Allen, and Mrs. Geo. McIntyre, who substituted in the Health Center office.

The nurses attended a meeting at the Chester Y. M. C. A. to discuss plans for May Day. Reports of attendance at the Health Centers during the year have been sent to the May Day committee. Prizes will be awarded on May Day, May 22nd, for the largest percentage of increase.

Flowers and cards were sent to shut-ins and chronic patients, to give them a little Easter cheer.

Visited by Mrs. Lois Owen, Supervisor, School Nurses State Department of Public Instruction, Mrs. P. C. Nyce, of the Chester Child Health Centers, and Miss Ella E. McNeil, of the American Red Cross.

Dr. T. M. Beagle, of Moore, will relieve Dr. F. V. Bielski at the Folsom Center, beginning his term in May.

On Monday, May 12th, the Community Health Society was represented at the Florence Nightingale Memorial Service, at the Irvine Auditorium, 34th and

Spruce St. It was held in honor of the anniversary of the birth of Florence Nightingale, and also in memory of Miss Lillian Clayton, R. N., who died on May 2nd, after a long period of service to humanity. It was a most impressive gathering, the auditorium being filled with nurses from the various training schools of Philadelphia, as well as other interested persons. Those representing our association were: Mrs. Martin B. Young, president, Mrs. Wm. T. Ellis, Mrs. Anna M. Brice, Miss Alice Marker, Miss Eleanor Miller, and Mrs. Eloise Ashton. Miss Laura Morton and Miss Mary E. Ebright also accompanied them. Plans are going forward for the May Festival at the Taylor Hospital on Saturday, May 17. Mrs. A. F. Jackson is in charge of the Swarthmore booth.

AWARD CONTRACTS FOR NEW SCHOOL

Work Given to Lowest Bidders—Expect Shop Completed by July 1, 1930

WORK TO BEGIN AT ONCE

Contracts for the building of the Rutgers avenue grade school and the shop building behind the College avenue school were awarded at a special meeting of the school board last Friday evening. The contracts in each instance were awarded to the lowest bidders.

The total amount of the contracts let for the Rutgers avenue building were \$87,360 while the total amount of the contracts for the shop building were \$17,662.75.

The work will be started at once so that the shop building will be completed by July 1 for use of the children during the summer and the Rutgers avenue

MacDade Strength Gaining In State As Primaries Approach

"MacDade Week" Proving Great Success; County Friends Urged To Write Friends In Other Parts Of State

The Primary Election will take place on Tuesday, May 20th, and the "MacDade for the Supreme Court Committee" announces that it is confident that Judge MacDade will be nominated for the Supreme Court Bench by a substantial majority on that date.

The Committee designated May 14th, 1930, as "MacDade Day," when the friends of Judge MacDade were asked to write to other persons throughout the State asking them to vote for the Delaware County Jurist. The response to this request was so great that the Committee deemed it advisable to extend "MacDade Day" and make the week from May 12th to May 19th "MacDade Week," when the friends of this eminent Jurist might request other friends to write in the interest of his candidacy.

The Secretary of the Committee has announced that each day renewed assurance of support and offers of assistance have come from throughout the Commonwealth. Recently two of the strongest fraternal organizations of Chester wrote letters to other similar organizations throughout the State asking for Support of Judge MacDade due to his fairness, prominent ability and strict adherence to lofty ideals.

Another group supported by William B. McClenachan, Jr., Esq., Solicitor for the Delaware County Firemen Association, has sent out pamphlets to other Fire Companies within the State showing Judge MacDade's activities in behalf of the fire fighters.

The Committee has again called the attention to the fact that Judge MacDade has practically the unanimous support of the Delaware County Bar. The members of the Bar have signed a petition which have been given wide circulations

ELECTION DATA

The polls will be open Tuesday from 7 A. M. to 7 P. M. Eastern Standard time or from 8 A. M. to 8 P. M. Daylight Saving time. The voting place of the Northern precinct above the railroad will be the College avenue school. The voting place of the Eastern precinct, which includes the homes East of the center of Park avenue to the railroad, will be Borough Hall. The voting place of the Western precinct which includes the rest of the borough will be the main room of the Woman's Clubhouse.

Election returns for the borough and county may be secured Tuesday evening from The Swarthmorean by calling Sw. 900.

MUSICAL SERVICE

The monthly service of music by the choir of the Presbyterian Church will be given this Sunday at 4.45 P. M.

Mr. Kneedler has selected a program from the compositions of Dudley Buck, including the "Festival Te Deum."

Dudley Buck's works are melodious and well written. He was one of the pioneers in the cause of better church music.

The assisting artist is known as the premier woman violinist of Philadelphia, Miss Irene Hubbard. A treat is in store for all who hear her.

Everyone is cordially invited to attend this beautiful service of music.

Local Republican Leaders Meet To Organize Grundy Support

Expect Large Majority For Former Swarthmore College Man And Industrial Leader; Pinchot Meeting Held At Woman's Clubhouse

Local interest in the Primary election next Tuesday has increased a hundred per cent in the past week.

Literature from the headquarters of the various factions is flooding every home in the borough and small and large meetings in the support of various candidates and tickets are being held.

Wednesday night a large number of Republicans of long standing—former borough councilmen, county leaders, local office holders, and residents from all parts of Swarthmore—met to endorse and plan a campaign supporting the candidacy of Joseph R. Grundy for the United States Senate.

That Grundy would carry Swarthmore by a large majority was the consensus of

opinion but those present felt that nothing should be left undone to give the former Swarthmore College man and friend of so many Swarthmore people, as large a vote as possible.

The Swarthmore-Grundy Committee will also work for a complete ticket of state and county candidates as follows:

For Judge of the Supreme Court, Albert Dutton MacDade who is now Judge of the Common Pleas Court at Media and has made a splendid record in that position.

For Judge of the Superior Court, William B. Linn of Philadelphia.

For Governor, Francis Shunk Brown, of Philadelphia.

For Lieutenant Governor, Edward C. Shannon, of Lancaster County.

For Secretary of Internal Affairs, James Fleming Woodward of Allegheny County.

For Representative in Congress, James Wolfenden, of Upper Darby.

For Representative in the General Assembly (three to be nominated) Ellwood J. Turner, Grover C. Talbot, and Thomas Weidemann.

For State Committee: William T. Ramsey of Chester and Bessie B. Everett of Springfield.

Pinchot Workers Busy

Supporters of Gifford Pinchot in Swarthmore believe that his dry platform will attract the votes of many local people. Last night, Mrs. John Hanna Cross, former president of the Philadelphia Federation of Women's Clubs, and George J. Campbell, president of the United Business Men's Association of Philadelphia, addressed a gathering of Swarthmore people in the Woman's Clubhouse. Ellwood B. Chapman acted as chairman.

FINAL PROGRAM OF WOMAN'S CLUB

Year Closes With Afternoon of Vocal Numbers and Dramatic Readings

CLUB CHORUS TO SING

The members of the Swarthmore Woman's Club held their last stated meeting on Tuesday afternoon at the clubhouse. After the regular reports, Mrs. Jesse H. Holmes, the president, introduced Miss Elizabeth Oliver of Chester, who entertained the club during the afternoon.

Miss Oliver graduated from Swarthmore College where she majored in Public Speaking and afterwards taught the subject at the College. She is also a noted singer and has since devoted her entire time to concert work.

Miss Oliver divided her program into four groups: The first group consisted of love songs; the second lullabies, which brought out a rather startling fact, that our own best known American lullaby, Rock-a-by-baby is by an unknown author; the third group was taken from songs written for children; and for her fourth group she selected songs written "by, of, or for, colored women." These numbers with their weird minor chords gave Miss Oliver a chance to delight her audience still more, with her dramatic soprano voice. Mrs. Everett Hunt ably accompanied her at the piano. The afternoon program, so delightfully rendered, brought to a fitting close the year's work of the Woman's Club.

BUSINESS MEN SEEK FREE PARKING SPACE

To meet present parking needs and the greater needs for parking space which are sure to exist while the underpass is being built on Chester road, the Swarthmore business men moved at their regular luncheon Monday noon at the Strath Haven Inn to provide parking spaces in the business district.

Dr. Earl Kistler has already volunteered to let the business men use his ground just east of borough hall for a public parking space and representatives of the Business Association were to have appeared before council last night to secure the borough's assistance in placing cinders on the lot.

The vacant ground on Rutgers avenue beyond the old bank building has also been suggested as a parking space and the merchants will endeavor to secure both places for the convenience of Swarthmore shoppers.

TENNIS CLUB ANNUAL MEETING NEXT TUESDAY

The Tennis Club of Swarthmore will hold its annual meeting Tuesday, May 20, at 7:30 at 603 Hillborn ave. Those interested in taking an active part or becoming members of the club this year are invited to attend.

"DULCY" AT HEDGEROW THEATRE THIS EVENING

Tonight the Hedgerow Theatre in Rose Valley will again present "Dulcy", with Dorothy Yockel in the lead, and tomorrow night they introduce Shaw's "Arms and the Man" to their 1930 repertory.

Wayland Rudd will again be seen this coming week in the two plays in which he is importantly cast: "The Emperor-Jones" on Wednesday, and "Othello" on Friday.

Next Saturday night Molnar's "Lilium" will be shown and then taken out of the repertory until late in the summer, to make room for the revival of O'Neill's "The Hairy Ape" and the next new production, Ibsen's "When We Dead Awake."

PERMIT FOR COLLEGE HOUSES GRANTED

A permit for two semi-detached faculty houses at the corner of Elm avenue and Cedar lane was granted during the past week to Swarthmore College following a delay of several days. A wall joining the two houses, which was in violation of the zoning ordinance was left out of the plans as approved by the Public Safety Committee of Council and whether an exception is granted and the wall permitted was to have been discussed at council meeting last night.

SEEK NAME FOR NEW T. B. HOSPITAL

The County Commissioners are offering a prize of \$50 for the person submitting the name which shall be chosen for the new County Tuberculosis Hospital. Any person who is a resident of Delaware County may enter this contest which began May 7th and closes at 6 o'clock on Saturday night the 17th. All that you have to do is to write the name which you suggest on a piece of paper together with your own name and address and mail it to the Advisory Board of the Delaware County Tuberculosis Hospital at P. O. Box 73, Chester, Pa. Any number of suggestions may be made, but each must be on a separate piece of paper and each name must be accompanied by your name and address. Where more than one person suggests the same name, the prize will go to the one whose suggestion reaches the Advisory Board first. Get your name in early. Probably others are thinking of the same name and the \$50 will go to the one acting first.

Mr. Alan Calvert, of St. Davids, chairman, presided and other members present were: Mrs. Hugh McIlwain, Haverford; Mrs. Wm. She-laudowne; Mrs. Karl Gryzbowski, Swarthmore; and Miss Margaret Bube, County Secretary, Media. The Secretary reported that during April, 87 Delaware county children were being cared for in 45 families of Delaware county. Plans are being made to send a number of children to camps and seashore places for the summer. This Children's Agency is co-operating with the Delaware County Poor Board in the care of dependent and neglected children of the county.

Mrs. Jeannette Hulme Watson

Mrs. Jeannette Hulme (Platt) Watson died on Saturday May 10 while visiting at the home of her daughter Mrs. Roy Delaplaine, Cornell avenue. Mrs. Watson was born August 10, 1854 in Delaware Ohio. She was the daughter of Cyrus and Jeannette Platt. In 1882 she was married to Algerus C. Watson of London, Ohio. Mr. Watson was cashier of the London Exchange Bank until his death in 1902. For a number of years Mrs. Watson was engaged in insurance work in and around London and was one of the pioneer business women in that section of Ohio. She was also active in church and club work in the community. She is survived by four children: Mrs. Ellen Watson Delaplaine of Swarthmore; Mrs. Anne Merrick of Portland, Oregon; Mr. David Watson of Arlington, Va.; and Robert Watson of Brogan, Ore. Funeral services were held in London Tuesday and interment in the family plot in the Fair Township cemetery.

SPRINGFIELD CLUB TO GIVE LIGHT OPERA

On Tuesday evening, May 27th, the popular English light opera, "Mariana," will be presented, with complete scenic effects, by the Springfield Musical and Dramatic Club. The performance will take place in the auditorium of the Upper Darby High School, which is equipped with a fine stage and the usual accessories. The company will consist of about forty people, including a most excellent cast of well-known vocalists, accompanied by an orchestra of twenty musicians. The whole production is under the direction of Dr. C. R. Marshall, with Mr. Thomas E. Kraemer, stage manager.

Dickey Dewhurst, the small son of Mr. and Mrs. J. Fred Dewhurst of Princeton avenue is recovering from a minor operation.

GRUNDY GIVEN BIG VOTE HERE

Pinchot Also Leads by Wide Margin; Mrs. Ogden Well Supported

WET TICKET UNPOPULAR

A very good rule for determining election results at an early hour is that the candidates or nominees with the fewest votes in Swarthmore are almost certain to be elected. The Primaries on Tuesday, however, proved an exception, for Swarthmore gave Gifford Pinchot a total of 467 votes to 275 for Francis Shunk Brown and 94 for Phillips the wet candidate, and those who applied the old rule and went home at midnight Tuesday expecting to hear of Pinchot's certain defeat the following day, were very much surprised to learn that Swarthmore's favorite was the State's favorite as the next governor of Pennsylvania.

In the case of Joseph R. Grundy, the old rule applied, for while he secured 578 votes for Senator against James J. Davis' 143, and Bohlen's 99, Davis won the nomination.

The vote for Senator and Governor by precincts was as follows:

Senator—	N.	E.	W.	T.
Grundy	233	145	200	578
Drew	7	2	12	21
Davis	37	47	59	143
Bohlen	33	37	29	99

Governor—	N.	E.	W.	T.
Brown	104	55	116	275
Pinchot	174	141	152	467
Phillips	29	35	30	94

E. Leroy Van Roden polled a large vote, defeating James Wolfenden for the Republican nomination for Congressman, 451 to 290.

Other totals were:
For the Supreme Court, George W. Maxey, the winning candidate, 126; Albert Dutton MacDade, 697. Judge of the Superior Court, William B. Linn, the winning candidate, 694; J. Frank Graff, 481; James B. Drew, 178. For Lieutenant Governor, Charles F. Armstrong, 431; Edward C. Shannon, 171; Charles Dorrance, 112, and Frank P. B. Thompson, 56. Secretary of Internal Affairs, James F. Woodward, 264; Philip H. Dewey, 37; Charles C. McLain, 300; Charles Fred White, 66; and Frederic A. Godcharles, 68.

For the State Committee, Bessie B. Everett polled 622 votes, James A. Maher 409, and William T. Ramsey 385.

BOROUGH WILL WIDEN PARK AVE.

Park avenue between Chester road and Dartmouth avenue will be widened by about four yards this summer according to a decision reached by borough council at the regular meeting last Thursday evening. At the present time, the curb on the north side of the block to be improved, has been temporarily set back. The experiment of parking at an angle has been so successful that Joseph S. Bates, chairman of the Highway committee, recommended that the street be made even wider and the curb set back on both sides a total of not more than four yards. The present temporary curb has widened the street by about 2½ yards.

A communication from Alice L. Emmons, was read enclosing a bill for \$143.50 for damages and injuries suffered by Mrs. Emmons when she fell over the temporary wooden curb on Park avenue. The bill was itemized as follows: \$100 for ruined dress, \$41 doctor's bills, and \$2.50 for a pair of silk hose.

The bill was turned over to Assistant Borough solicitor Clarence G. Myers to be handled as he thought advisable.

MEMORIAL DAY PROGRAM PLANNED

Usual March to Eastlawn Cemetery Will Precede Program at Station

LEGION IN CHARGE

The annual Memorial Day services will be held in Swarthmore next Friday under the auspices of the Harold Ainsworth Post of the American Legion. The members of the Post will assemble at Borough Hall at 9 A. M. and proceed to Eastlawn cemetery. Following services there other patriotic and civic organizations will gather at Station Square for a brief service at 10.15.

Rev. Dr. J. J. Guenther will make a few remarks at Eastlawn cemetery at the conclusion of which the members of the Legion Post and the Boy Scouts will proceed to the Memorial tablet at Station Square over the following route: Park avenue to Yale avenue, west on Yale avenue to Chester road, north on Chester road to destination.

At the intersection of Yale and Park avenues the following units will join the procession: H. Co., P. R. M., American Legion Auxiliary, Red Cross, Community Service, Girl Scouts, and the Fire Department.

Seek Cooperation of Parents For Memorial Day Services

The Harold Ainsworth Post of the American Legion in planning for an appropriate observation of Memorial Day next Friday. The help of the parents of Swarthmore will greatly facilitate the plans of the Post.

Unfortunately the ceremonies in the past have been somewhat marred by an excess of exuberance from the many children who mill about as the veterans march, trooping alongside in considerable disorder, and sometimes cutting through the ranks.

It is quite natural that children should be attracted by any kind of a "parade," especially when lead by a brass band. But should they not be made to realize that running, shouting and general disorder are entirely out of place in the observation of this day?

Officers of the Post have requested par-

ents to cooperate with them in endeavoring to bring about a more fitting observation of Memorial Day this year; to discourage the wild scramble for exploded shells following the volleys in honor of the dead; to discourage the circus parade attitude in general.

Children old enough to keep up will be entirely welcome to march in the procession if the will keep together in one orderly group.

Children on bicycles or velocipedes are requested to keep well ahead, or well behind the procession, not alongside. This year the boy and girl Scouts will make it their particular duty to endeavor to organize the children taking part in the ceremonies to the end that they may have a share in the dignity and significance of the day.

YALE PRESIDENT TO SPEAK AT COLLEGE

President Aydelotte and Dean Raymond Walters of the College, wish to extend through the Swarthmorean a general invitation to the people of Swarthmore to attend the Commencement exercises this year.

James R. Angell, president of Yale University, will deliver the commencement address on June 9. The Baccalaureate address will be given by Alexander Meiklejohn, director of the experimental college of the University of Wisconsin. Dorothy Canfield Fisher, famous novelist, will be the Phi Beta Kappa speaker.

Dr. Angell is one of the most distinguished educators of the United States. He has been president of Yale since 1921, being the fourteenth president of that university. It is interesting to note that he was the first president of Yale since 1766 who was not a graduate of the university. He received degrees from the University of Michigan and Harvard. In graduate work he studied at the universities of Berlin and Halle, also at Vienna, Paris, and Leipzig. The honorary degree of Litt. D. was conferred upon him by the University of Vermont in 1915, and that of LL.D. by Harvard, Yale, Princeton, Columbia, Chicago, Cincinnati, McGill, Brown and Wesleyan universities.

Dr. Angell is a noted authority on psychology, having taught this subject for a number of years at the University of Chicago. He is the author of "Chapters from Modern Psychology" and an "Introduction to Psychology." His administrative work first began in 1908 when he accepted the office of Dean of the senior colleges of the University of Chicago. During 1918-19 he was acting president of the University of Chicago. In 1920-21 he became president of the Carnegie Corporation of New York. He left this position to accept the presidency of Yale university.

Dorothy Canfield Fisher, who will give the Phi Beta Kappa address, is a famous novelist. She has received degrees from the Ohio State university and from Columbia. She has studied and travelled extensively in Europe and was three years in France doing war work. Her most recent publications are "Why Stop Learning" and "The Deepening Stream." She has also contributed numerous short stories to magazines. Recently she came to Swarthmore and addressed the members of the English club, of which her daughter, Sarah Fisher, '30, is a member.

Dr. Alexander Meiklejohn, director of the experimental college of the University of Wisconsin will give the Baccalaureate address in the Friends' Meeting House on Sunday morning, June 8. Professor Meiklejohn has long been one of the dominating spirits in American educational life. From 1912 to 1923 he was president of Amherst college and instituted many sweeping changes in the educational program. In 1925 President Glenn Frank invited him to come to Wisconsin as Brittingham Professor of Philosophy. In 1926 he became chairman of the experimental college. Kenneth Meiklejohn, a son of Dr. Meiklejohn, is a member of this year's graduating class.

Vacation Bible School

The Daily Vacation Bible School will be held in Swarthmore this summer as usual. Last year the classes were held in the mornings at the Friends' Meeting house. This year the classes will meet at the Presbyterian Church. Mrs. Mable Hutchinson will be in charge again this year. The classes will range from kindergarten age to fourteen years.

SERVICE OF MUSIC THIS SUNDAY AFTERNOON

The Vesper service of music which was to have been given at the Swarthmore Presbyterian Church last Sunday, was postponed to the coming Sunday at five o'clock because of the death of the aged mother of the organist and choir-master, Mr. Benjamin L. Kneedler. Mrs. Kneedler was a resident of Philadelphia for many years and has been an invalid for some time.

The programme of the Vesper service of music at the Presbyterian Church the coming Sunday at five o'clock, will consist of selections from the works of Dudley Buck. At organ worship, at 4:45 o'clock and in the Vesper service Mr. Kneedler will be assisted by Miss Irene Hubbard, violoncellist, who is ranked as the leading cellist of Philadelphia. The services of the prominent musicians whom Mr. Kneedler brings to the monthly services of music are made possible by the generous memorial fund for special music bequeathed by the late Mrs. William Plumer Potter.

The tenor solo sung by Mr. Colafemina at morning worship in the Presbyterian Church last Sunday morning, "Come unto Me and Rest," was the composition of Winifred Konkle, Mrs. Charles Fischer, of Dickinson Avenue. Mrs. Fischer has had several secular numbers broadcast during the past few months. Her work is full of promise and is being received with favorable comment.

LOCAL WOMEN AT ART ALLIANCE MEETING

The Woman's Club of Swarthmore was represented at the Art Alliance meeting held on Thursday to discuss plans for providing flowers for Philadelphia throughout the summer. Mrs. George Zimmer, Chairman of the Flower and Garden Committee of the Woman's Club and for Delaware county, Mrs. Passmore Cheyne, Mrs. Harold Goodwin, and Mrs. Clifford Buck were present. Col. Samuel Price Wetherill, President of the Art Alliance and S. A. Fleisher both made pleas for more flowers this summer, saying that last summer there were several flowerless days. Buckets of water will be plentiful at Broad Street Station and at 69th Street Station so that anyone taking even a small bunch of flowers can place it in water. The flowers will be collected and distributed.

WALLS PUZZLE BORO COUNCIL

Discuss Need for Having Public Hearings on Zoning Law Exceptions

WHAT IS A WALL?

The Swarthmore zoning ordinance clearly states that a building is "any structure, edifice or object erected or placed or attached to real estate, including all integral parts thereof and all porches, eaves, bay windows, chimneys, fire escapes, steps, cellar doors, or other projecting parts thereof"

Interpreting this definition literally would mean that a bird bath, rose trellis, stone wall, real estate sign, sun dial, etc. were buildings and could be built only after a permit had been granted.

Requiring a permit to put up a bird house would be ridiculous. Suppose a bird house violates the zoning ordinance by being built within 25 feet of the property line. That would mean that the bird house builder would have to appear before council and seek an exception of his plans so that his bird house could be built contrary to the zoning ordinance.

Nor would the matter be solved this easily for at the last meeting of council, that body's intention was expressed of providing a public hearing before making any exceptions to the zoning ordinance.

Therefore take heed, Swarthmoreans. If you expect council to enforce the zoning ordinance literally and you want to put a few stakes around your tomato plants, see that you are not violating any zoning law or a public hearing will have to be called before an exception can be made of your plans and a permit granted. The subject of the present discussion is walls. When is a wall a wall and when is it not, is the question.

The issue has been brought to a head at the present time by an epidemic of wall building which began when the college applied for a permit for two semi-detached houses at the corner of Elm avenue and Cedar lane. The two houses were connected by a brick wall which everyone seemed to admit improved the appearance of the project but was contrary to the zoning ordinance. Consequently only a permit for the houses was granted and the wall was finally approved after one public hearing and discussion at two meetings of council.

At the last meeting of council, application was made for a permit to build a wall in connection with the new home of Thomas B. McCabe on North Chester road. Mr. McCabe's new home which is to be erected by Clarke and Harvey, will consist of alterations and additions to his present home. The plans called for a wall on the western side of the house shutting off the view of the rear door and the garage and creating an enclosed court yard for laundry work etc.

Council ruled that the wall was a part of the house and that the permit for the house with the wall included could not be given except by special permission. This permission council did not feel free to give without a public hearing which was scheduled for Thursday, June 5. The permit was granted however for the house without the wall so that work could be started at once and a separate permit for the wall will either be granted or refused following the public hearing.

Send In Your Fire Association Membership Application Now

It should be a source of chagrin to most of the property owners of Swarthmore, that the boys who have to get up at all hours of the night and respond to the fire siren on borough hall, now have to get out and solicit Fire Association memberships, so that the equipment can be paid for and kept up-to-date.

None of the active firemen who are called upon day or night to protect Swarthmore's homes and buildings get a cent of pay for their trouble. They do it because someone has to and because they feel that they are better able than some of their neighbors.

Everyone around Swarthmore seems to take pride in the Fire Association and the promptness with which the boys get to the fires, but some of those who boast the loudest never contribute a cent towards its support.

The rating of Swarthmore's fire department saves every property owner insurance money. Don't make the boys come to your house a dozen times to find you at home, send in the coupon with a check today and avoid the embarrassment of having to tell one of the active firemen that you never supported the Association before.

Fire Association Membership Drive to Begin Next Week

For the first time in many years the Swarthmore Fire and Protective Association will promote an intensive campaign from May 30 to June 6 to secure a Fire Association membership in every home in the borough. At the present time, less than forty per cent of the homes in Swarthmore are members of the Fire Association.

"The Association is anxious to complete the payments on the chemical truck which was purchased from the organization's treasury for \$5,000," says Dr. John B. Roxby, president of the Association. Other equipment for the trucks as well as rubber coats, insulated gloves, etc., is purchased from the Association treasury and we are badly in need of funds."

Active memberships, costing \$5 a year will be solicited by the campaign committee of the Association.

The drive will be for Active memberships costing \$5 each and at least one membership from every home will be solicited. The town will be divided into districts and the following campaign committee led by Dr. Roxby will head committees to solicit memberships: Charles Belfield, Chief; Ed Whitaker, assistant chief; James Terrells, assistant chief; Charles A. Smith, treasurer; John Powell, secretary; John Conway, and Clayton Walton.

Final plans for the campaign will be worked out next week and announced in next week's Swarthmorean. A coupon is printed elsewhere in this week's paper and if mailed to Charles A. Smith, treasurer, will save the firemen the trouble of calling at your home or will make it easier for them to come get our membership.

PARENT AND GIRL SCOUT DINNER WELL ATTENDED

The Parent and Girl Scout Dinner was held at the Woman's Clubhouse Saturday evening. The room looked lovely with the simple decorations of snowballs and spirea on white covered tables lighted with green candles.

The first Brownie, Evelyn Miller, flew up from the Brownie Pack to the Girl Scout Troop in a simple ceremony.

Edith Woodruff and Caroline Underwood upon giving the promise received their pins making them Girl Scouts.

Doris MacIntyre and Mary Ellen Mercer, having completed their required work, received their second class emblems. Barbara Dolman, Marjorie Bissinger and Sabina Gryzbowski of the Senior Patrol were awarded letters of commendation. Rev. J. Jarden Guenther asked the blessing and eighty parents and girls enjoyed a delicious dinner prepared and served by the girls.

Irene Blasdel's Patrol had charge of the fruit cup, Barbara Basset and Irma Zimmer's Patrol had charge of the main courses. Adrien Child's Patrol had charge of the dessert. Miss Charlotte Lederle, one of the lieutenants and leader of the senior patrol, had charge of the seating arrangements.

A play "Magic Gold Dollars" was given by Adrienne Child, Betty Beddoe, Helen Creamer, Irene Blasdel, Petra Lingel, Irma Zimmer, Betty Scholinger and Mary Ellen Mercer. The films "The Benefactor (Life of Thomas Edison)" and "Our Gang" were shown through the kindness of Mr. Smith of the General Electric Co. and Miss June Geyer.

Among those who were present were:

Dr. Arthur Bassett and Mrs. Bassett, Mr. and Mrs. A. F. Wickham, Mr. and Mrs. John Pittman, Mr. and Mrs. William Craemer, Mr. and Mrs. Horace W. Avery, Mr. and Mrs. George Schobinger, Dr. Roy C. Mercer and Mrs. Mercer, Mr. and Mrs. William Main, Mr. and Mrs. Joseph Perkins, Mrs. Calvin Brice, Mrs. Elliot Richardson, Mr. and Mrs. Roy Lingle, Mr. and Mrs. D. R. STORY HOUR CLOSURE FOR PRESENT SEASON

Japanese Day was observed at the Children's Story Hour, May 15 and 135 children were in attendance at the morning and afternoon sessions.

The curtains parted on Mrs. Full Moon in a lovely red kimono greeting the audience with ceremonious gestures and telling them of her native land's delight in beauty and poetry.

Children strolled by with parasols and in gay attire on their way to a garden party to hang poetry on trees.

Little Wisteria came to call, first removing her coat and "rubbers" (woolen shoes used for the street). Madame Yuki San in poetry begged the street cleaners to desist from sweeping the pretty cherry blossoms away, and she read about the fishermen, who interpret of her poetry in a tableau.

SWARTHMORE TENNIS CLUB ORGANIZED

The largest attendance in the club's history marked the annual meeting of the Swarthmore Tennis club Tuesday evening. The club's season will open immediately after the close of college and the Men's courts in front of Wharton Hall which were used last year are being sought again for this year's members.

E. H. Taylor was elected president at Tuesday evening's meeting and the other officers are: J. D. Conrad, vice president; J. Edward Clyde, treasurer; and William Brown, secretary. Dues will be \$7 for men, \$5 for women and Juniors (14 to 18 yrs.) and \$3 for children under fourteen. Family memberships will be \$15.

It is not likely that Swarthmore will be represented by a tennis team this year as in previous year although the club is planning to sponsor the annual Forth of July tournament.

MARY LYON SCHOOL COMMENCEMENT DATES

The Seven Gables play, "Alice In Wonderland" will be given Tuesday afternoon June 3 at 4:00.

Commencement Play "Cyrano de Bergerac" by Rostand will begin Thursday evening June 5, at 8:15.

Wednesday June 4 the Glee Club Concert will be given.

The Commencement speaker will be Dr. Robert Russell Wicks, D.D. Dean of the University Chapel at Princeton.

Grundy Given Big Vote Here

(Continued from Page One)

Mrs. Dorothy Ogden took the local honors for the Legislature, receiving first place in the borough with 628 votes, Samuel A. Montgomery was second with 376 votes, Ellwood J. Turner was third with 291 and Mrs. Harriet S. Marshall fourth with 243.

The count by precincts was:

Legislature—	N.	E.	W.	T'l.
Montgomery	129	104	143	376
Ogden	258	155	215	628
Marshall	82	78	83	243
Turner	97	76	118	291
Blain	6	21	15	42
Bassett	46	45	35	126
Talbot	68	58	82	208
Weidemann	40	36	62	138
Bowden	81	44	43	168

The regular organization candidates, Turner, Weidemann and Talbot, won the nominations for the Legislature and the standing of the other candidates for the entire county was not yet known Thursday noon.

The only contest over a Republican committee office was in the Western precinct, where Julia Yarnall won by 121 votes over Lucy Peterson Waters with 111 votes. Mrs. Yarnall's name was put on the ballots by stickers. It is said that 33 votes were invalid-

ated for Mrs. Yarnall, however, of which about thirty were because the cross was omitted.

Mrs. Yarnall contends that these should be added to her majority because the law governing elections, states that in a sticker campaign the cross is not necessary, as the "intent" of the voter is clearly shown if the name is written in under the proper heading or if a sticker is used. Mrs. Yarnall says her authority for this contention is A. B. Geary, attorney, of Chester, and Martin B. Young.

There was little interest in the Democratic candidates, only a scattering of votes being cast.

WORK OF LOCAL RUG CLEANER PRAISED

Paul Paulson, of Paulson & Co., reports that he is doing a great deal of rug cleaning this year and among his most satisfied customers is the Strath Haven Inn.

"After inspecting the rugs we had cleaned for him," said Mr. Paulson, "Mr. Scheibley said the work had never been done better."

News Notes

Mr. and Mrs. George Selleck of Virginia spent last week-end with Mr. and Mrs. J. Russell Smith of Elm avenue.

Mrs. G. J. Van Vechten of Scranton was the guest of Miss Isabelle Bronk, on Saturday and Sunday of last week.

Mrs. John Fawcett of South Chester road is entertaining the Summer bridge club at her home next Monday afternoon.

The last of the series of Swarthmore Assembly dances will be held tomorrow evening at the Aronomink Country Club.

Mrs. Earl Weltz of College avenue entertained at luncheon and bridge last Monday.

Memorial Day Program Planned

(Continued from Page One)

Services at the Memorial Tablet at 10.15 will be as follows: Invocation, The Rev. Dr. John Ellery Tuttle; Singing of America by the audience; placing of wreaths by Post 427; placing of flags by the Boy Scouts; address by Edwin B. George; Volleys, Post 427; Taps, Post 427; singing of Star Spangled Banner by the audience; and benediction by the Rev. Dr. Lloyd P. Stevens.

Post Commander C. A. Dravo also announces that at 3 p. m. Sunday, May 25th, the Ainsworth Post will assist in the memorial service to be held at the Blue Church, Baltimore Pike, by the survivors of the Bradbury Post, No. 149, Grand Army of the Republic. For these exercises all ex-service men are requested to assemble at Post Headquarters at 2.30 P. M., Sunday, May 25th, where transportation will be provided. All ex-service men are cordially invited to participate in the exercises.

Memorial flags will be placed on the monument this year in honor of Harold Ainsworth, Collins Chambers, Frederick Hawthorne, M. C. Johnson, Paul, Landis, Hugh Lumsden, C. F. Seymour, N. D. Smith, and M. E. Witmer.

WOMAN'S CLUB CHORUS REPEATS PROGRAM

The chorus from the Woman's Club, under the leadership of Mrs. Harold Calvert, repeated the program given recently in Swarthmore, at The Home for Incurables last Thursday. In addition to the regular program, Professor Thunders played several piano selections. For the first time the Garden Committee sent flowers to the patients. These were very much appreciated, for there were no flowers visible in the whole hospital.

PUBLIC INVITED TO HOXIE CONCERT AT STRATH HAVEN INN

Under the direction of Albert N. Hoxie, the Philadelphia Boys' Harmonica Band will give a concert at Strath Haven Inn on Sunday evening to which

the public has been invited.

Mr. Hoxie, who organized the band, is well known for his work with boys and the encouragement he has given them to follow musical careers. He took one of the leading parts in the Philadelphia Boy Week which was recently held.

The Band has been heard at Strath Haven on several occasions and has delighted large audiences.

EMMONS' POOL TO REOPEN SOON

Emmons' Pool will open June 2 and for the thirteenth year provide a place of refuge for the children and grown-ups of Swarthmore during the summer month. As in previous years a paid attendant will be at the pool which will be open Mondays, Wednesday and Fridays. Season tickets may be secured for \$5 the same price as other years while single admissions will be \$1.

Club Chorus at Wayne

The County Federation of Woman's Clubs met at Wayne this week. The Woman's Chorus of Swarthmore repeated the concert which they gave in Swarthmore on April 18th. Choruses from all the music sections of the county sang, and plans are under way to form a county chorus.

Drive Begins Tuesday; Need Funds For New Equipment

Only 40% of Homes in Borough Now Members of Association; Chemical Truck Bought By Association Not Yet Paid For

A concentrated drive to secure a membership in the Swarthmore Fire and Protective Association in every home in Swarthmore will be carried on by the Fire Company next Tuesday and Thursday evenings.

Promptly at 7 o'clock on these two evenings there will be one long blast of the fire siren and the four trucks will start out from the fire department in Borough hall each headed for a different section of the borough.

On each truck will be active firemen of the Association who will go up one side of the street and down the other in their section. Each man will wear a regulation cap of the Fire company and residents of the borough are urged to have a glad hand for them as the boys are better fire fighters than house to house salesmen.

At the present time there are only 186 paid-up active memberships in the Association which means that the boys are not doing the impossible when they set their goal at a total membership of at least 500.

The purpose of the drive is to provide funds for three things. First, to pay off the \$5,000 chemical truck which was purchased from the treasury of the Association over four years ago and is not yet entirely paid for. Secondly, to provide funds for badly needed new equip-

ment such as new rubber coats, gas masks, more hose, fire axes, and a number of other pieces of equipment for the trucks. Thirdly, for the emergency reserve fund which is used in case an active volunteer fireman is injured and incapacitated for a time or his family left in want by his death or injuries.

Dr. John B. Roxby, president of the Association, is directing the drive along with the help of the other officers and the chief, Charles Belfield, and his assistants, Ed Whitaker and James Terrills.

"Not long ago the Borough of Swarthmore received a letter from the National Underwriters' association, whose representatives drop in unexpectedly at any moment to inspect the company's equipment, stating that Swarthmore was the only borough in Delaware county, Chester county, Bucks county, and Montgomery county with one exception, to have a Class A rating," says Dr. Roxby.

"This Class A rating is given the borough because we have the necessary amount of apparatus for a community of this size and because the inspectors of the Underwriters' association can stop at the fire company in Borough hall and find the equipment ready to meet all specifications at all times.

"In order to keep this rating Borough (Continued on Page Four)

PUBLIC SCHOOL HEAD CHOSEN

Frank R. Morey, of Harrisburg, to Succeed Dr. Ferguson; Was One of 85 Candidates

PENN STATE GRADUATE

After interviewing and investigating 85 candidates over a period of about ten weeks, the Swarthmore School Board at a special meeting Tuesday evening selected Frank R. Morey, at present Assistant Director of Elementary Education of the State Teachers' Bureau at Harrisburg, as the successor of Dr. Arthur W. Ferguson who was recently elected superintendent of schools at York, Pa.

Competition for the position at Swarthmore was unusually keen due to the high standing of the public schools here. A large proportion of the candidates made application on their own initiative while others were urged to apply by members of the board who had heard of their qualifications. Mr. Morey was one of the later group but so equally qualified were several of the candidates that members of the board admitted after Tuesday night's meeting that it was almost a toss-up which one to select.

Mr. Morey's particular qualification for the position aside from his preparation and his experience as a teacher was his experience as head of the school system at Camp Hill, Pa., just outside of Harrisburg.

Upon investigation and a visit to Camp Hill the members of the Instruction Committee, which consisted of Mrs. W. Carson Ryan, Jr., R. C. Disque, and Robert G. Erskine, found that the schools there compared very favorably to those of Swarthmore and that Mr. Morey had been very successful in directing a school system of practically the same size as Swarthmore.

Camp Hill is the home of many state officials and 60 to 70 per cent of the graduates of the high school go on to college.

This is about parallel to the situation in Swarthmore. Members of the committee investigating Mr. Morey's record learned that many wealthy people and State officials transferred their children from the Harrisburg public schools to Camp Hill while Mr. Morey was there and paid tuition in order to have their children in his schools.

While at Camp Hill, Mr. Morey made a survey of the community and set up a fifteen year program for building and educational advancement. The first unit in this program, a \$40,000 grade school building, was erected while he was there and just before he left a \$55,000 bond issue was passed to finance the second step in the program.

Although Mr. Morey did not participate to a great extent in athletics in College he won his football letter at

York High school and took part in other sports which should be of interest to those tax payers of Swarthmore who are anxious to see the new gym for the High school here pushed as rapidly as possible.

Mr. Morey said he was applying for the administrative position here because after a year in the State Department of Education he had decided he preferred the actual contact with the students and school problems to a position such as he now holds.

Mr. Morey is assistant director of the Teachers' Bureau, Department of Public Instruction, Harrisburg. He was born in York, Pa., attended the elementary schools there and graduated from the York High school in 1913. He received his B.S. at Pennsylvania State College in 1918 and his M.A. from Columbia University in 1923. He was a graduate student at Columbia in 1922-24 and the summer of 1928 and traveled in France the summer of 1925. He has completed his preliminary examinations

NEW SCHOOL JOB SCENE OF TRAGEDY

Earth Caves in and Buries Joseph McVaugh, Well Known Contractor

HELPER BARELY ESCAPES

A tragedy marked the beginning of work on the new Rutgers avenue school, this week when Joseph McVaugh, fifty-two of State road, Media, and one of his workmen Tony Tarabarelli were buried under sliding earth while working in a sewer trench leading out of the excavation for the foundation of the building. It was twenty minutes before McVaugh could be dug out from under the tons of wet earth and Swarthmore physicians worked over him in vain.

Fifteen minutes before the accident, McVaugh, who was known as one of the best stone workers and excavators in Delaware County had remarked to several men in the Swarthmore business district that the soil on the site of the school was very sandy and he was afraid there might be a cave-in before the excavating work was finished.

While Mr. McVaugh was the head of his company and usually had a large number of men employed on different jobs he was known as a hard worker and would often pitch in and dig ditches or whatever was necessary when he wanted the work done in a hurry.

The accident occurred at about 1:45 Wednesday noon after it had been raining nearly all morning. The two men were working alone in the trench while about a half dozen men were working in other parts of the job. The trench was nine feet deep and only the lower portion caved in or both men would have been killed.

Tarabarelli was able to pull himself out and worked frantically with other men while one ran for a doctor. The rain soaked earth was hard to move however and it was about fifteen minutes before McVaugh could be reached.

SUMMER BASEBALL SEASON OPENS TODAY

The first game of the Swarthmore Summer baseball league will be played with a team from Chester this morning at 10 o'clock on the Prep School diamond. Last year the season did not begin until late in June but demands for a game on Decoration Day have brought about the early schedule which if possible will be continued from the present date.

Bob Reed, crack first baseman of the team for the past few years will coach the team this year and will be at first again. Several of the other veterans will be back including Bob Allison, Bud Andrews, Albert Gwinn, Dick Keech, Sam Hayes, John McKenna, Kenneth Stewart, and others. Porter Waite will not catch for the team this year according to present reports.

WOMEN VOTERS OF SWARTHMORE ELECT

On Tuesday last, May 27th, the Swarthmore League of Women Voters held its biennial elections. The new officers for the ensuing term of two years are: Chairman, Mrs. J. Barnard Walton; Vice-Chairman, Mrs. Clifford R. Buck; Treasurer, Mrs. Bernard M. Isfort; Recording Secretary, Miss Sarah W. Knight; Corresponding Secretary, Mrs. Harold Barnes; Publicity Chairman, Mrs. J. Passmore Cheyne; Hospitality Chairman, Mrs. William M. Fine; Members of the Board: Mrs. Warren M. Foote and Mrs. Philip Jewett.

Mrs. Harold Goodwin, Swarthmore 739M, is chairman of Education and would like all the women who are interested in the study of the Edmonds Act to join her group which will make a special study of that subject.

SCHOOL EXHIBITS ATTRACTS PARENTS

A crowd which packed the High school auditorium to the limit and forced many people to view the program from beyond the open doors, attended the Annual School Exhibit of work done during the year Monday evening.

The building opened at 7 o'clock and hundreds of people observed teaching methods in various classrooms and inspected the notebooks, maps, reports, drawings, and all branches of classwork on display in the different rooms.

Mr. and Mrs. H. E. Starbuck, of Swarthmore avenue, have returned from a week spent at the Virginia Hot Springs.

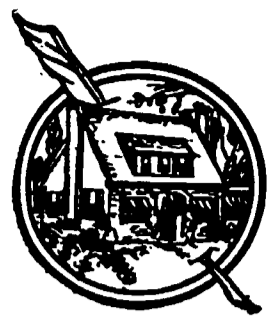

PROGRESS REPORTED ON UNDERPASS PLANS

Although there are no physical indications in the neighborhood of the railroad and Chester road to indicate that the underpass is to be started soon, semi-official reports are to the effect that the contracts for the work will be let within a few weeks and the work begun.

Last week surveyors were at work completing final plans for the drainage system which will require attention at the beginning of the project and a few days ago a letter from the college to the borough authorities removed any danger of delay by disagreement on a matter of land damages.

The letter from the college assured borough council that the executive committee of the board would seek no damages for an additional 7295 square feet of land which a revision of the original plans called for from the ground on Chester road just north of the Prep School tennis courts. While the matter must be brought before the entire board of managers next month there is little likelihood that the recommendation of the committee will not be accepted.

Dr. E. Fullerton Cook was honored recently when he was reelected chairman of the committee of fifty leading chemists, physicians and pharmacists which revises the Pharmacopoeia. The Pharmacopoeia is the reference book of physicians, druggists and chemists and is the basis of the food and drug act. It was first established in 1820 and is revised every ten years by a committee of which Dr. Cook has just been re-named head.

A tragedy marked the beginning of work on the new Rutgers avenue school, this week when Joseph McVaugh, fifty-two of State road, Media, and one of his workmen Tony Tarabarelli were buried under sliding earth while working in a sewer trench leading out of the excavation for the foundation of the building. It was twenty minutes before McVaugh could be dug out from under the tons of wet earth and Swarthmore physicians worked over him in vain.

Fifteen minutes before the accident, McVaugh, who was known as one of the best stone workers and excavators in Delaware County had remarked to several men in the Swarthmore business district that the soil on the site of the school was very sandy and he was afraid there might be a cave-in before the excavating work was finished.

While Mr. McVaugh was the head of his company and usually had a large number of men employed on different jobs he was known as a hard worker and would often pitch in and dig ditches or whatever was necessary when he wanted the work done in a hurry.

The accident occurred at about 1:45 Wednesday noon after it had been raining nearly all morning. The two men were working alone in the trench while about a half dozen men were working in other parts of the job. The trench was nine feet deep and only the lower portion caved in or both men would have been killed.

Tarabarelli was able to pull himself out and worked frantically with other men while one ran for a doctor. The rain soaked earth was hard to move however and it was about fifteen minutes before McVaugh could be reached.

SUMMER BASEBALL SEASON OPENS TODAY

The first game of the Swarthmore Summer baseball league will be played with a team from Chester this morning at 10 o'clock on the Prep School diamond. Last year the season did not begin until late in June but demands for a game on Decoration Day have brought about the early schedule which if possible will be continued from the present date.

Bob Reed, crack first baseman of the team for the past few years will coach the team this year and will be at first again. Several of the other veterans will be back including Bob Allison, Bud Andrews, Albert Gwynn, Dick Keech, Sam Hayes, John McKenna, Kenneth Stewart, and others. Porter Waite will not catch for the team this year according to present reports.

WOMEN VOTERS OF SWARTHMORE ELECT

On Tuesday last, May 27th, the Swarthmore League of Women Voters held its biennial elections. The new officers for the ensuing term of two years are: Chairman, Mrs. J. Barnard Walton; Vice-Chairman, Mrs. Clifford R. Buck; Treasurer, Mrs. Bernard M. Esfort; Recording Secretary, Miss Sarah W. Knight; Corresponding Secretary, Mrs. Harold Barnes; Publicity Chairman, Mrs. J. Passmore Cheyney; Hospitality Chairman, Mrs. William M. Fine; Members of the Board: Mrs. Warren M. Foote and Mrs. Philip Jewett.

Mrs. Harold Goodwin, Swarthmore 739M, is chairman of Education and would like all the women who are interested in the study of the Edmonds Act to join her group which will make a special study of that subject.

SCHOOL EXHIBITS ATTRACTS PARENTS

A crowd which packed the High school auditorium to the limit and forced many people to view the program from beyond the open doors, attended the Annual School Exhibit of work done during the year Monday evening.

The building opened at 7 o'clock and hundreds of people observed teaching methods in various classrooms and inspected the notebooks, maps, reports, drawings, and all branches of classwork on display in the different rooms.

Mr. and Mrs. H. E. Starbuck, of Swarthmore avenue, have returned from a week spent at the Virginia Hot Springs.

PROGRESS REPORTED ON UNDERPASS PLANS

Although there are no physical indications in the neighborhood of the railroad and Chester road to indicate that the underpass is to be started soon, semi-official reports are to the effect that the contracts for the work will be let within a few weeks and the work begun.

Last week surveyors were at work completing final plans for the drainage system which will require attention at the beginning of the project and a few days ago a letter from the college to the borough authorities removed any danger of delay by disagreement on a matter of land damages.

The letter from the college assured borough council that the executive committee of the board would seek no damages for an additional 7295 square feet of land which a revision of the original plans called for from the ground on Chester road just north of the Prep School tennis courts. While the matter must be brought before the entire board of managers next month there is little likelihood that the recommendation of the committee will not be accepted.

Dr. E. Fullerton Cook was honored recently when he was reelected chairman of the committee of fifty leading chemists, physicians and pharmacists which revises the Pharmacopoeia. The Pharmacopoeia is the reference book of physicians, druggists and chemists and is the basis of the food and drug act. It was first established in 1820 and is revised every ten years by a committee of which Dr. Cook has just been re-named head.

PACKARD STANDARD EIGHT PRICES REDUCED \$400

THE Packard Motor Car Company has just advised us by telegram that effective May twenty-eight (28) prices of all current models of the Standard Eight have been reduced four hundred dollars (\$400). The new prices are as follows:

Closed Models

5-Passenger Sedan	\$2085
2-Passenger Coupe	\$2125
2-Passenger Convertible Coupe	\$2150
5-Passenger Coupe	\$2275
5-Passenger Club Sedan	\$2275
7-Passenger Sedan	\$2385
7-Passenger Sedan Limousine	\$2485

Open Models

2-Passenger Runabout	\$2025
4-Passenger Phaeton	\$2025
7-Passenger Touring	\$2125
4-Passenger Sport Phaeton	\$2325

(Prices F. O. B. Detroit)

THESE reductions are made because the factory expects to announce in the Fall new cars which, though the same in size and of practically unchanged appearance, will have enough changes to classify them as new models. The new cars, like those we are now offering, will, of course, have straight eight motors exclusively.

The new prices give today's purchasers a very great price advantage, and also immediate use of the largest selling and most popular car in the fine car field.

Now, it is even more true—by four hundred dollars (\$400)—that you are paying for a Packard. Why not *own* one? You will never have a better opportunity.

Two-thirds of those who buy the Packard Standard Eight give up other makes of cars. Thousands prefer to buy out of income. Your used car will be accepted as cash and if of average value will more than make the down payment of a new car.
