

RICHARDSON NAMED BORO SECRETARY

Elliott Richardson Elected From 23 Candidates—Took Office Yesterday

Boro Council at its regular meeting Wednesday evening elected Elliott Richardson as Boro secretary to fill the vacancy caused by the resignation of Albert N. Garret Jr.

Richardson who lives at 311 Lafayette avenue is a civil engineer, graduating from Swarthmore college in 1902. He has his M. A. from Swarthmore in 1905. He entered the employ of the Pennsylvania R. R. and for ten years was engaged in technical work with that firm and with L. M. Booth Co. (Water purifying equipment), Harlan & Hollingsworth (Shipbuilders) and the duPont Co. His work with these firms consisted of surveying, machine shop practice and the design and construction of buildings and equipment. From 1912 to 1923 he was employed by the Midvale Steel Co. in sales and management work. Since that time he has been with the Keystone Gypsum Fireproofing Corp. (Fireproof construction), Gypsum Contractors' Assn. Kuehnle, Inc. (Painters) and Jas. S. Wilson & Son in sales, supervision and management positions.

At a special meeting of Council Tuesday evening Mr. Richardson was chosen from 23 applicants. Mr. Turner in making the announcement issued the following statement.

"Borough Council feels very much gratified that so many able candidates applied for the position of Borough Secretary. Unfortunately, however, there was only one position to be filled and therefore, all the candidates but one, had to be disappointed.

We were especially concerned to make sure that all candidates were given every consideration. The position of Borough Secretary is not primarily a secretarial job as ordinarily construed.

Council feels that perhaps the two most important functions of the position are:

1—The careful oversight over the physical properties of the borough, such as roads, pavements, curbs, sewers, trees, etc. For this, in our opinion, it was essential that the candidate have had engineering and construction experience.

2—Prompt and courteous action on complaints registered by our citizens. In the selection of Elliot Richardson for the position, we have appointed a man eminently qualified in every respect, and, we believe, he will render our citizens competent and courteous service.

We wish to thank the other candidates for coming forward and are sorry that each and every one of them could not have been selected.

The applicants included George Bradford, Henry I. Hoot, Bucher Ayres, Robert T. Bair, Ambrose Hirst, Paul McHale, Mrs. Clara L. Taylor, Richard S. Fleischmann, Frank Gray, Russell G. Fudge, George Frescoln, Elliott Wells, T. Harry Brown, John R. Brownell, Carroll Thayer, W. Barker Keighton, Sr., Lewis Agnew, Walter E. Powell, Mervin E. Burgett, Sr., J. B. Durnall, F. H. Andrew, Laurence Drew, and Robert L. Coates.

Wildcliff Presents Play

An unusual opportunity is offered Swarthmore's theatre-goers in the production of "The Marquis", Noel Coward's sophisticated play of the amorous lady of Keston, which the Wildcliff players are presenting Wednesday evening, April 11, in the Miller Crist Auditorium. But rarely produced in America, this is the first time "The Marquis" has been offered in the Philadelphia district.

Anne Lee George, whose work was outstanding in "Lilies of the Field", the Autumn offering at Wildcliff, plays the title role. Her two lovers are played by Jane Fowler and Betty Hendrie, both experienced thespians. Other members of the cast include Jessie Lockwood, Carolyn Wrenn, Kathryn Marshall, Kathryn Dinkel, Lucretia Green and Pat Porter.

"The Marquis" is presented under the direction of Walter Steadman, of the Dramatics Department at Wildcliff, who was associated with the Liverpool Playhouse in England before coming to America.

HODGE DIRECTS "BILL OF DIVORCEMENT"

Barbara Dolman and D. Malcolm Hodge Star in Problem Play

In "A Bill of Divorcement" D. Malcolm Hodge and a strong cast stirred and startled the Players' Club audience last Tuesday night at the Clubhouse on Chester road. This powerful problem play by Clemence Dane will conclude its run here on Saturday night.

Director Hodge accomplished a triple task in adapting "A Bill of Divorcement" for Swarthmore audiences—in directing it—and in taking the part of Hilary Fairfield.

The play was written for English audiences and first produced in 1921 in London. Having to do with English divorce laws, the director first clarified and shortened it for American edification and then put on a masterful portrayal of the mad Hilary.

The plot is woven with two tragic triangles complicated by the ghastly spectre of inherent insanity in both—through the medium of the father and daughter of the Fairfield family.

The far-reaching curse, it finally appears, comes home to roost by the Fairfield fireside after touching and even tearing at the lives with which it comes in contact.

As hearts are apparently lacerated, the major characters one by one escape scot-free: the wife with her liberation to love and marriage—the daughter's fiancé to his hypothetical "Alice"—the patient, stolid lover Gray, to his hard won reward. Even the aunt avoids discomfort except for momentary shocks to her dignity. The ravages wrought by the dreaded disease of the mind are finally concentrated in the blood from which they sprang—and Hilary and Sydney Fairfield are left with only each other as comfort and solace.

In the role around which the play develops, Malcolm Hodge surpasses his well known genius at serious character parts. He makes of Hilary Fairfield a striking man, mad enough to frighten, yet sane enough to be loved as well as pitied. His scenes, both with his wife and his daughter.

RITTER DISCUSSES "BETTER HOUSING"

Nominating Committee Presents Slate for L. W. V. Officers

At the meeting of the Swarthmore League of Women Voters held Tuesday, April 3rd at the Woman's Clubhouse, Mr. Benjamin H. Ritter, Executive secretary of the Pennsylvania Housing and Town Planning Association, discussed "How Can We Improve Housing Conditions in Penna.?" Mr. Ritter explained the various plans under which states and communities are endeavoring to take advantage of the federal funds which have been allocated for slum clearance purposes. The only project in Pennsylvania actually under construction is the Juniata Park development in Northwestern Philadelphia, although plans are now under consideration for the clearance of a section in Wayne in Delaware county.

Mr. Ritter suggested that every community should have adequate building instructions, zoning and sewer ordinances to see that future slums may be prevented, and especially that care should be exercised to prevent the recurrence of such overcrowding as took place in the last building move in the eastern end of Delaware County when small and not too well built houses are crowded in at the rate of 51 to the acre instead of 12 to the acre, which is the actual requirement of some of the older counties.

The intelligent questions asked by members of the audience were a source of great encouragement to Mr. Ritter who asked for the support and assistance of our women in obtaining the necessary legislation to prevent the development of slum clearance projects.

Mrs. Wm. T. Johnson, chairman, presented the report of the Nominating Committee as follows: For the ensuing term of two years, from May, 1934.

Chairman—Mrs. J. Passmore Cheyney; Vice Chairman—Mrs. Robert K. Enders; Rec. Secy.—Mrs. Peter E. Told; Cor. Secy.—Miss Crewe; Treasurer—Mrs. B. W. Isfort; Directors—Mrs. John Marshall, Mrs. Daniel Goodwin, and Mrs. William M. Fine.

This ticket will be voted upon at the next regular meeting of the Swarthmore League, May 1, and members may put other names in nomination at that time.

WILLIAM S. EVANS' SERVICES TUESDAY

Former Member of Boro Council and Director of Swarthmore Building Association

William S. Evans, 55, of Cedar Lane, died Saturday morning, March 31st. The funeral was held at his late residence on Tuesday afternoon, and the interment was at Colestown Cemetery, Colestown, New Jersey. Dr. John Ellery Tuttle and Dr. Landis of Albany, New York, spoke at the funeral. Mr. Evans is survived by his widow, Helen Rogers Evans and two brothers, Edward Evans of Norristown and Harry Evans of New York.

In the death of William S. Evans, Swarthmore has sustained a loss that will long be felt. His warm friendliness, his neighborly kindness, his dependability were outstanding. As a citizen, either of the boro or in wider fields, he took a vital interest and part. He was a member of Borough Council and on the Board of Directors of the Swarthmore Building Association, where his sound judgment and keen business insight were of the highest value. His opinion was much sought after and respected while his quiet strength, his loyalty, and his unfailing sympathy endeared him to his many friends. He was born of Quaker ancestry on a farm near Plymouth Meeting, and there he spent his boyhood years, attending the neighborhood school and, with his two brothers, sharing the work of the farm. The boys' responsibility and labor were heavier because of the blindness of their father, who had suffered the loss of his sight through an explosion.

Will Evans' character, formed in these early years of faithfulness to duty, showed throughout his life a steadfastness of purpose and a high sense of honor. During his youth he attended the Friends' Meeting of Norristown and taught a class in the First Day School there. After leaving school he entered business in Philadelphia and, with earnest determination to make the most of himself, he studied at night, acquiring a knowledge of Spanish and mastering a course in law. He passed the State examinations and became a member of the Pennsylvania Bar. After some years of business experience, during which he was national president of the American Institute of Banking—this in 1915—he became a member of the banking firm of West and Company, resigning in 1927. In 1929, he was elected to the office of Vice President of the Fire Association of Philadelphia and affiliated companies. This office he filled until his death. He was a member of the Rolling Green Golf Club, the Union League, and the Penn Athletic Club.

FRIDAY, APRIL 6, 1934 NATIONAL EDUCATION WEEK

The following excerpts are from a speech of Thaddeus Stevens, before the Free School Education made before the Pennsylvania assembly when they were voting on Public Schools in Pennsylvania.

"Many complain of the school tax not so much on account of its amount, as because it is for the benefit of others and not themselves. This is a mistake. It is for their own benefit, inasmuch as it perpetuates the government and ensures the due administration of the laws under which they live, and by which their lives and property are protected. Why do they not urge the same objection against all other taxes?"

The industrious, thrifty, rich farmer pays a heavy county tax to support criminal courts, build jails, and pay sheriffs and jail-keepers, and yet probably he never has had and never will have any direct personal use for either. He never gets the worth of his money by being tried for a crime before the court, allowed the privilege of the jail on conviction, or receiving an equivalent from the sheriff or his hangers on! He cheerfully pays the tax which is necessary to support and punish convicts, but loudly complains of that which goes to prevent his fellow-being from becoming a criminal, and to obviate the necessity of those humiliating institutions.

"Sir, I trust that when we come to act on this question, we shall take lofty ground—look beyond the narrow space which now circumscribes our vision—beyond the passing, fleeting point of time on which we stand—and so cast our votes that the blessing of education shall be conferred on every son of Pennsylvania—shall be carried home to the poorest child of the poorest inhabitant of the meanest hut of your mountains, so that even he may be prepared to act well his part in this land of freedom, and lay on earth a broad and solid foundation for that enduring knowledge which goes on increasing through increasing eternity."

TAPS FOR COMRADES Frank Getz, George Watson, Doctor Ferguson, David Lukens all in a few days. The door of the infinite has opened for them, and they have passed beyond our sight to that "bourn from whence no traveler has returned."

It seems strange for they were part of our personal life, part of the community life of Swarthmore, part of our daily thoughts and we loved them. Yet life presses us on. We must meet the train as usual, we must care for others, we must fill our appointed duties—we must go on. Nevertheless our hearts ache—the way seems wider, emptier, lonelier. Just we lose the beautiful things of life, the friendships, the sympathetic understanding, the mutual comradeship, must we lose these and press on to the end of life? No. We press on to life's beginning.

Nothing fine can be lost to life, for the eternal God cares for all that is good and true. Life moves forward not to the narrow confines of death, but to the wideness of eternity. "And sometimes even now we catch faint gleamings from that far off shore, And still with eager eyes we watch For one sweet sign or token more."

Shade Simmons.

APPRECIATION Mrs. Frank R. Getz and family wish to thank their friends and neighbors for their kindness in the recent illness and death of Mr. Getz.

PEACE PLEA MADE AT W. I. L. MEETING

Mrs. Olmstead Outlines 10-Point Program for Pacifists at Branch Meeting. "You are the banner group both for membership and efficiency," said Mrs. Olmstead, as she opened her address to the Swarthmore branch of the Women's International League for Peace and Freedom last Friday.

Mrs. Olmstead reminded her audience that April 6th was the 17th anniversary of our country's entrance into the World War, and continued: "What did the war teach us? It showed us that a country can go into war regardless of the wish of the citizens.

Every woman should be thinking seriously what she would do if war were declared," said Mrs. Olmstead, and perhaps the W. I. L. 10-Point Program for Pacifists which follows will help every one to be prepared: 1. To learn how wars are made. 2. To realize the cruelty, waste and stupidity of war.

Following Mrs. Olmstead, a candidate for Congress, Mr. Benjamin F. James, of Radnor Township, gave a strong address. He is opposed to war and his talk made an excellent impression on the audience.

DRAVO CAMPAIGN COMMITTEE NAMED

H. Birchard Taylor Head—A. W. Bassett and Mrs. J. Passmore Cheyney Included. H. Birchard Taylor, member of the special Committee of Twenty-four, which was named at a Citizens' Meeting by former Senator George Wharton Pepper to select outstanding Republican candidates for Governor to be voted for in the primaries, has declined to be bound by the findings of the Committee and presented Col. Charles A. Dravo for the office at a luncheon last week.

He said, I am a member of the now well-known "Committee of Twenty-four" which named a number of men for the Republican nomination for Governor. I stated that I should not be bound by the action of the committee. Confusion doubly confused strips the leadership of the Republican party at a time when our party needs outstanding leadership and candidates who will appeal to the straight-thinking, independent men and women of the State. We must have a candidate for Governor who is free from machine dictation if we hope for victory in November. Such a candidate we have in the person of Colonel Charles Avery Dravo, of Swarthmore.

The Introductory Dancing Class and the Junior Assembly were held last Saturday evening. Chaperons for the evening were: Mr. and Mrs. Burton Richards, Mr. and Mrs. Walter Lee Lukens, Mr. and Mrs. Neil Currie, Mr. and Mrs. Leonard Peck and Dr. and Mrs. Frank E. Williams.

All this takes place at the business meeting, which is held in Clothier Memorial in the morning. The undergraduate women of the college are all requested to wear white, to distinguish them from the alumnae.

The annual meeting of the Players' Club was held at the clubhouse on Monday evening. The following officers were re-elected: President, Charles D. Mitchell; Vice President, A. Francis Jackson, Treasurer, Thomas W. Andrew, Secretary, Herbert T. Bassett, Assistant Secretary, George W. DeForest. Board of Governors: Robert G. E. Ullman, Roy C. Comley, John Dolman, Jr., C. Wahl Olmes, D. Malcolm Hodge. After the reports were given an open discussion followed. Mrs. Charles D. Mitchell was appointed chairman of a committee to consider a series of performances for young children, and for girls and boys up to the age of 16.

Fire at College

A fire in the Chemistry Building was extinguished at 8:45 Tuesday morning in time to confine the blaze to the chemical supplies in the basement of the building. Starting by spontaneous combustion of phosphorus during the first period lab, an explosion soon put the fire beyond control of the students, who had attacked the blaze with hand extinguishers. The short whistle of the college power house brought the fire engines and college employees in a few minutes, and the fire was soon over. Fumes drove everyone out of the building, and the amount of damage has not yet been ascertained by members of the Chemistry department.

Barbara C. Dolman, playing Sydney Fairfield, the role created by Katherine Cornell and perpetuated by Katherine Hepburn, need take no back seat in the excellence of her performance when compared to her famed predecessors.

Sympathetic and patient with her father when he suffers from his frequent decisions and tantrums, when decisions are made and executed, she is chief conspirator. With a magnificent display of beneficent arrogance and free-thinking humanity Miss Dolman has made Sydney Fairfield live for us as one of the most poignantly dominant figures in Swarthmore dramatic history.

Fairfield's wife, Margaret, played by Catherine Gayle Hodge, is torn between a sense of duty to a man once pitied, now dreaded—and a longing to escape from it all with the man she loves.

C. William Kraft Jr. of Clifton, a new-comer to the cast, skillfully enacted the part of the patient, rock-of-ages Gray Meredith, who would and waited five long years for the hand of the wife of incarcerated Hilary.

Mary V. Nolan, making her initial appearance before the club, does outstanding work as Hester Fairfield—Aunt Hester, the prim, outspoken, rampant old maid.

S. Felton Bickley, as Kit Pumpfrey, played with his accustomed ability the handsome, likable youth who loved Syd-

ney—but who was normal and gullible enough to be lulled as clay in her intuitive hands. Well done were the two scenes, contrasting and symbolic, where he thrice made his exit—and returned but twice after he was "jilted".

Staford W. Parker pleased his many admirers with still another of his characteristically suave (even with whiskers) performances as Dr. Elliot, the kind and understanding psychiatrist. With but little stage at his command he makes the most of it in the difficult task of persuading the neurotic Fairfield to return to the hospital.

The smaller role of "Bassett," the self-effacing and politic maid, was most capably filled by her real life namesake, Miss M. Virginia Bassett who successfully made her stage debut with the Players Club.

The building which was formerly occupied by the Suburban Title & Trust Company, has been entirely renovated throughout and will provide the Sixty-ninth Street section with one of the finest and most completely equipped bank buildings in the State.

READY KILOWATT has been working for you a long time. He has been improving, as a workman, and his rate of pay has steadily decreased.

At first he operated the lights—a big improvement over old methods. Then he began to do the ironing. Later with the vacuum cleaner he took over the task of keeping the house clean.

Finally he has taken over your entertainment, and operates your radio. He's an active little person—always "Ready." And the longer he works the less he charges!

THE GODDARD-FOOTE RECITAL

The piano and dance program in the beautiful auditorium of the Mary Lyon School, last Saturday evening, was an event to be remembered.

The opening waltz and mazurka seemed like a welcome to the fresh green springtime, as Miss Foote in an apple-blossom gown floated and whirled in the dreamy air.

Miss Goddard's artistry is well known to Swarthmore musicians. We enjoyed afresh her poetic rendering of Chopin and Debussy, and the crisp vigor of one of De Falla's dances.

As a vision of beauty and grace combined with rich harmonies, this recital was an event of distinction.

FIREMEN'S DINNER TO BE GALA EVENT

Testimonial Dinner Sponsored by the Business Men and Legion

"Every man who owns a piece of property in Swarthmore owes our firemen a lot more than a dinner." This statement of a prominent citizen when buying his ticket for the testimonial dinner to be given the Swarthmore Fire Company on Thursday evening expresses the general enthusiasm with which the project is being received. The whole town's talking about it, and the whole town's going—that is the whole male population—and the ladies are already asking that they be let in.

In fact, so great is the demand for tickets that the 300 limit is nearly reached and it is almost certain that the few eleventh hour ticket seekers are going to be disappointed.

The dinner is being sponsored by the Swarthmore Business Men's Association and the Harold Ainsworth Post, American Legion. The general committee consists of E. M. Buchner, chairman; Burgess John H. Pitman, C. E. Hannum, George Gillespie, Robert T. Bair, Ferris W. Mitchell, and Titus Ewig. The dinner, at 6:30 p. m., is to be served by Mrs. Charles Kurtz, of the Inglenook Tea Room, and the place is the Methodist Social Hall.

The entertainment, which promises to excel all past performances of this character, will be a real Swarthmore Review. Guests will see themselves and their neighbors portrayed as never before. The actors will include many of our best football artists, an orchestra, a male quartette, and a minimum of speech-making.

HENRY HOTZ Will direct Women's Club Chorus in program at Clubhouse on Monday evening, April 23rd.

All residents of Swarthmore and vicinity are cordially invited to attend this meeting.

DELIGHTS AUDIENCE WITH TALK ON NATURE—Mrs. Muth to Speak on Tuesday

Mrs. Samuel Scoville, Philadelphia lawyer, author and traveler delighted his audience Tuesday afternoon when he spoke at the Woman's Club. His subject had to do with outdoor hobbies and in telling of his visit to the swamps in Florida he spoke of his guide showing him the largest alligator he's seen and to prove their last a "howl call", the guide mimicked it and the alligator came to them. He told of hearing the call of the panther and its approach when his "head kept cool, but his feet ran"; of gathering the eggs of the hermit thrush (for a museum) and seeing it sing when the human ear could not hear it. He also told of his experience in gathering some eggs from the nest of the fastest flying bird, the duck hawk, for a museum. Mr. Scoville ended his interesting talk by saying that anyone in trouble or with a troubled mind should get out into the open; let the wind blow on his face and get the "consciousness of great love and of a great force which controls us all". Mrs. Phelps Soule, chairman of the Literature Section, which produced this program, also presented Mrs. Wm. Swann in two violin solos and Mrs. Herbert Fraser at the piano, who also played two solos which were appreciated. A social hour followed when the whole audience descended to the lounge to meet and thank Mr. Scoville.

Never in our history has the Health and Welfare Department of our various organizations had a bigger task to meet.

DEMOCRATS WAGING ACTIVE CAMPAIGN

Burgess Pitman a Candidate for State Committee

Thoroughgoing, dyed-in-the-wool Democrats head the slate which will be presented at the May primary by the Delaware County organization.

John E. McDonough, candidate for the congressional nomination, has been a long Democrat. Widely known in Chester and Delaware County, he was a delegate to the national convention at Houston, Tex., in 1928, and the convention at St. Louis, in 1916.

Mr. McDonough has for years been a frank and outstanding worker. He is regarded as one of the county leaders, and State leaders have repeatedly expressed their confidence in his ability.

Voters of Delaware County, coming into contact with Professor John H. Pitman, member of the Swarthmore College faculty, Burgess of Swarthmore and the Democratic choice for State committee, have come to regard him as the higher type of individual, cultured, capable and honest.

"If charged with the responsibility of State committee," Dr. Pitman said, "I will put every effort into the job and spare nothing to further the cause of the party."

Fighting beside Dr. Pitman is Mrs. Florence Dornblaser, of Haverford Township, who is chairman of the township committee and aspires to the office of State committeewoman, with the fine characteristics outlined in the Jeffersonian principles.

She is a member of the Tuberculosis Society committee, an extremely vital organization, and has struggled to relieve those suffering from the white plague.

Mrs. Dornblaser promises that, if she is elected, the Democrats of Delaware County can rest assured that the interests within their portals will be "interests within her heart."

COUNCIL SETS 7 MILLS AS BORO TAX RATE

Council, at their regular meeting Wednesday evening, voted to levy a 7 mill tax. This maintains the same low level as was inaugurated last year.

Burgess Pitman brought the matter of speeding before Council. The police have given many warnings, and fines and arrests have been made in some instances. "It is the desirable thing to reduce speeding instead of arresting and fining wholesale, but the dangerous speeding must be stopped," said Mr. Pitman. He asked that they consider a siren for the police car.

T. E. Hassenbruch, of the Highway department, stated that most of the property owners along Yale avenue were willing to dedicate the frontage necessary for a sidewalk if they were not put to an expense in any way. No action was taken on this matter.

Mr. Hassenbruch was authorized to negotiate with the Pennsylvania Railroad to change the lighting of the Princeton avenue tunnel to one that will be more satisfactory. The tunnel is in dangerous condition and it has been brought to the attention of the railroad company, to whom it belongs.

Borough Council authorized N. O. Pittenger to have certain trees along college avenue removed by the Electric Company. The tree committee have recommended the removal of these trees because of their danger and poor condition. It is necessary for the Electric Company to get the permission of the property owners before the work is begun. These trees are to be replaced by young ones by the Electric Company.

Harry L. Miller, chairman of the Finance Committee, reported the assessment as being almost equal to that of last year. The increase expected for the year from all sources is \$35,107. While the council have spent \$1200 more since January 1 than they had budgeted for that time, there will be several hundred dollars more available than was anticipated. Mr. Miller felt with close economy in all departments they would be able to stay within the budget and maintain the tax rate of 7 mills that was in effect last year. It will mean reduced amounts for street repairs, but most of the members felt at this time they should not increase the rate unless it were absolutely necessary. There are \$17,000 unpaid taxes due the Boro at the present time, out between \$4,000 and \$5,000 are expected to be paid before May 1. These unpaid taxes go as far back as 1928.

The 1/2 mill library tax was levied.

The third of the ten annual 7-mill assessments on the Franklin Smith tract was levied, as was also the fifth of the ten annual 2-mill assessments on the Kimmel Tract.

Council passed a motion to declare the week from April 23 to 28 inclusive as clean-up week, in cooperation with Pennsylvania Clean-up Week. Elliott Richardson, Boro Secretary, is in charge of the campaign.

FIREMEN'S DINNER TO BE GALA EVENT

Tesjimonial Dinner Sponsored by the Business Men and Legion

"Every man who owns a piece of property in Swarthmore owes our firemen a lot more than a dinner." This statement of a prominent citizen who is buying his ticket for the testimonial dinner to be given the Swarthmore Fire Company on Thursday evening expresses the general enthusiasm with which the project is being received.

The dinner is being sponsored by the Swarthmore Business Men's Association and the Harold Ainsworth Post, American Legion. The general committee consists of E. M. Buchner, chairman; Burgess John H. Pitman, C. E. Hannum, George Gillespie, Robert T. Blair, Ferris W. Mitchell, and Titus Kwig. The dinner, at 6:30 p. m., is to be served by Mrs. Charles Kutz, of the Inglenook Tea Room, and the place is the Methodist Social Hall.

The entertainment, which promises to excel all past performances of this character, will be a real Swarthmore Review. Guests will see themselves and their neighbors portrayed as never before. The actors will include many of our best footlight artists, an orchestra, a male quartette, and a minimum of speech-making.

SAMUEL SCOVILLE ADDRESSES CLUB

Delights Audience With Talk on Nature—Mrs. Muth to Speak on Tuesday

Mr. Samuel Scoville, Philadelphia lawyer and author, delighted his audience Tuesday afternoon when he spoke at the Woman's Club. His subject had to do with outdoor hobbies and in telling of his visit to the swamps in Florida he spoke of his guide showing him the largest alligator he's seen and to prove his "love call," the guide mimicked it and the alligator came to them. He told of hearing the call of the panther and its approach when his "head kept cool, but his feet ran"; of gathering the eggs of the hermit thrush (for a museum) and seeing it sing when the human ear could not hear it. He also told of his experience in gathering some eggs from the nest of the fastest flying bird, the duck hawk, for a museum. Mr. Scoville ended his interesting talk by saying that anyone in trouble or with a troubled mind should get out into the open; let the wind blow on his face and get the "consciousness of great love and of a great force which controls us all". Mrs. Phelps Soule, chairman of the Literature Section, which produced this program, also presented Mrs. Wynne Swann in two violin solos and Mrs. Herbert Fraser at the piano, who also played two solos which were appreciated. A social hour followed when the whole audience descended to the lounge to meet and thank Mr. Scoville.

Never in our history has the Health and Welfare Department of our various organizations had a bigger task to meet.

DEMOCRATS WAGING ACTIVE CAMPAIGN

Burgess Pitman a Candidate for State Committee

Thoroughgoing, dyed-in-the-wool Democrats head the slate which will be presented at the May primary by the Delaware County organization.

John E. McDonough, candidate for the congressional nomination, has been a lifelong Democrat. Widely known in Delaware and Delaware County, he was a delegate to the national convention at Houston, Tex., in 1928, and the convention at St. Louis, in 1916.

Mr. McDonough has for years been a frank and outstanding wit. He is regarded as one of the county leaders, and State leaders have repeatedly expressed their confidence in his ability.

Voters of Delaware County, coming into contact with Professor John H. Pitman, member of the Swarthmore College faculty, Burgess of Swarthmore and the Democratic choice for State committee, have come to regard him as the higher type of individual, cultured, capable and honest.

"If charged with the responsibility of State committee," Dr. Pitman said, "I will put every effort into the job and spare nothing to further the cause of the party."

Fighting beside Dr. Pitman is Mrs. Florence Dornblaser, of Haverford Township, who is chairman of the township committee and aspires to the office of State committeewoman, with the fine characteristics outlined in the Jeffersonian principles.

She is a member of the Tuberculosis Society committee, an extremely vital organization, and has struggled to relieve those suffering from the white plague.

Mrs. Dornblaser promises that, if she is elected, the Democrats of Delaware County can rest assured that the interests within her portals will be "interests within her heart."

Original One-Act Plays The Little Theatre Club of Swarthmore College is presenting four one act plays, written and directed by students of the college. The production which will be offered are as follows: "Alliteration Angers Alice" by Kay Lever; "Christian Endeavor" by Robert Cadigan; "Not the Russians" by Osmond Molarsky; and "The Outsider" by William Whyte.

At the end of the presentation, the best play will be selected by the vote of the audience. The performance will take place, in Clothier Memorial, Friday, April 20, at 8:15 p. m.

EWIG General Manager CONSTANCE KENT Social Editor Phone Swarthmore 900 Entered as Second Class Matter, January 24, 1929, at the Post Office at Swarthmore, Pa., under the Act of March 3, 1879. FRIDAY, APRIL 20, 1934 SUGGESTS CLEAN-UP

To the Editor: The glory of another spring time greets us and a general cleaning up of gardens and lawns shows the pride which Swarthmoreans take in making our town one of rare beauty.

And so it seems most inconsistent that in a community of so many educational institutions there are either adults or children who throw all sorts of trash on the steps of the Underpass and on our side-walks and vacant lots.

May I not suggest that the Girl and Boy Scouts join in a campaign to rid Swarthmore of such carelessness on the part of some of her residents?

Presbyterian Notes The service at morning worship Sunday morning will be one of most unusual interest. A few weeks since, the congregation expressed its consecration to Christ and His Church by making pledges of their possessions. The coming Sunday morning, the people will be given opportunity to pledge their service in various ways. A card containing a list of services which are possible and needed will be given each person with spaces in which to write any service not included. Each person will be asked to indicate what special service he or she will pledge to the church for the year ending next Easter Day.

The usual Vespers service will give way to an evening service Sunday at eight o'clock in the chapel when a religious play, "What Men Live By", will be presented under the direction of Mrs. Ullman. This was given some weeks ago on a stormy Sunday evening and aroused so much interest that its repetition is requested. It will be given in the chapel.

At the midweek service, Wednesday evening, next week, Mrs. Muth, executive secretary of the Community Health Society of central Delaware County will give an address on the work of the organization. Mrs. George Barber and Mrs. A. F. Jackson will also speak. Dr. Tuttle will give the address at the Friends Select School, Overbrook, next Tuesday, at the annual presentation of honors to the students.

At the annual meeting of the church last week, the following officers were elected: Elders, Walter I. Clarke, George E. Kennedy; Trustees, Robert Haig, Neil Currie, Jr., James H. Hornaday, Walter L. Thorpe. The total membership of the church is now 735. The Sunday School's number 489. The current congregational receipts have been for the year ending March 31st, \$11,804.00 and the special receipts \$371. The church has given for missions and benevolence, \$6243.00; a total of \$12,427.00. The church has had a year of increasing interest in the work of its organizations, the woman's Association, having made an especially fine record, having raised and expended a total of \$2067.00. The Sunday School not including the men's and women's classes has raised \$923 of which \$540 has been for missions and benevolence.

Re-elected Superintendent Dr. Arthur W. Ferguson was unanimously re-elected superintendent of York public schools for the term July, 1934 to July, 1938, at an annual compensation of \$6750. Dr. Ferguson came to York four years ago from Swarthmore, Pa., where he was superintendent of schools.

MISS EATON REPORTS NURSING ACTIVITIES

March Report Given at Regular Meeting of the Community Health Society

The regular meeting of the Board of Directors of the Community Health Society of Central Delaware County was held on April 12th in the Borough Hall, Swarthmore, with the president, Mrs. A. F. Jackson, in charge. After the report of the Secretary, Mrs. J. D. Gibson, Miss Charlotte Eaton, Supervising Nurse gave a report of the nursing work during March. The following visits were made by the three nurses:

1 delivery, 40 postpartum, 41 newborn, 170 non-communicable, 147 communicable, 2 tuberculosis, 47 prenatal, 29 infant, 23 preschool, and 41 home visits for school children.

Miss Randall continued with the part-time nursing program in the Morton Schools until her resignation on March 24th. The attendance had been kept high—91% at the Sidney Smedley School, and 97.4% at the Phyllis Wheatley School. This was an especially good record in view of the contagion in the vicinity.

Miss Randall had completed the third weighing and measuring for the year. In general there was a gratifying gain. The dentist has been working twice a week in the Wheatley School. Miss Eaton, now supervising nurse of the Community Health Society of Central Delaware County has assumed school nursing duties for the remainder of the year.

Classes for Rutledge Girl Scouts have been completed. One sign of the enthusiasm aroused was the excellent attendance, this averaging, in March, 9 1/2 for 10 pupils. On one of the last evenings of the course, the Girl Scouts surprised their instructor, Miss Lois Bausman, R. N., by serving refreshments they had prepared, and presenting her with a gift.

One program was planned by Miss Randall—that for the Morton Home and School League on March 20th. After presentation of her paper several pupils of the Smedley School entertained by their ability in music and ballet dancing.

A little demonstration of one type of teaching visit in a home is to be put on at the Swarthmore Woman's Club on April 24th as the nurses' part of the program.

Mrs. Joseph Seal gave a report of the communicable disease in Swarthmore during March 1934 as follows: German Measles, 1; Measles, 1; Mumps, 12; Whooping cough, 25; and Scarlet Fever, 2.

Mrs. T. Harry Brown, Office Chairman, reported that Mrs. Charles Fellows, and Mrs. Paul Cleaver substituted in the office in March. Dressings were made at home by Mrs. Fellows, while Mrs. Cleaver did some much needed mending for the nurses.

Incoming donations included 5 knitted sweaters, 1 1/2 dozen diapers, 8 pairs of silk bloomers, 1 pair of crutches, and a donation of Mellini's Food. Outgoing donations included 1 crib and 3 donations of cod liver oil.

Mrs. Wm. T. Ellis reported that a total of eight persons were conveyed to and from clinics during March, 4 trips

HARMONICA BAND INTEREST GROWING

A Local Concert to be Given May 11—Hoxie's Band June 5

Albert N. Hoxie's Philadelphia Harmonica Band will appear in Swarthmore on the evening of June 5. This is in accordance with plans made in mid winter when it was decided to sponsor a Swarthmore Harmonica Band under the direction of Mr. Hoxie and his "Champion" associates. A large expense is attached to such a concert, but local sponsors are confident that local interest in Hoxie's type and standard of music warrants this engagement.

Gary White is the president of the local band, Arthur Mitchell, its secretary and the publicity committee consists of Albert Thatcher, Bud Mercer, James Jackson, Peter Miller, Jack Corse and Bill Black.

Ettore Manieri, the "Champion" in charge of the Swarthmore Band announced last week that the first local championship contest and concert will be held on May 25. He is particularly anxious that every one of the 104 boys enrolled in the band will attend every meeting of band, which is held each Friday afternoon at 3:30, until that date and thereby get better prepared to enter the contest. Instruction is still being furnished free by the sponsoring committee. Some very real skill has been developed to date.

Garden Party
A garden party will be held at the Rock Garden, Valley road, Paoli, for the benefit of the Philadelphia Orchestra Summer Concerts on Saturday, April 28 and Monday, April 30, from 2 to 7 p. m. A program of music will be given by the members of the Philadelphia Orchestra at 4 p. m. Tea will be served by the Delaware County Women's Committee for the Philadelphia Orchestra.

Mrs. Edward F. Hitchcock of Swarthmore is a member of the committee.

Swarthmore Assemblies
Chaperones for the Intermediate Dancing Class and Senior Assembly last Saturday evening were: Mr. and Mrs. Russell H. Kent, Mr. and Mrs. L. P. Wray, Mr. and Mrs. Edward F. Hitchcock, Mr. and Mrs. John H. Taylor, Mrs. H. J. Lumsden and Mrs. Donald J. Lodge.
The last Introductory Class and Junior Assembly will be held April 21, followed on April 28th by the final Intermediate Class and Senior Assembly.

Luncheon at Inn
A luncheon under the auspices of the Delaware County W.C.T.U. will be held at Strath Haven Inn on Thursday, April 26 at 1 p. m. The speaker will be Mrs. Calvin, President of the New York State W.C.T.U. This will be a most interesting occasion and it is hoped the women of Swarthmore will avail themselves of it. Anyone wishing reservations for the luncheon please notify Mrs. George L. Van Alen by Monday, April 23rd.

'HONORS ARE EVEN' IS SEASON'S LAST PLAY

Unique Review of "The Play" Tells of Mr. Comley's Directing and Strong Cast

As a reporter it's been our privilege to interview many personages, but today was the first time we ever interviewed a play. It happened in this manner:

We asked Mr. Comley, who directs the May production of the Players Club, if he had anything to tell us about this, the last production of the 33-34 season. He replied—"I'll let the play speak for itself.

Letting a play speak for itself is quite a privilege to grant in these days of modern plays—mushy sentiment—mucky gloom stuff, or else risqué bedroom farces.

To our surprise we found "Honors Are Even" very willing to talk.

We asked, what about your family? My family—well, my father, Roi Cooper Megee, was an industrious, sober author; some newspaper background, but most of his life devoted to the writing of plays. I am the youngest. My older brothers are It Pays to Advertise, Under Cover, Under Fire, Seven Chances. I was born in Boston, and lived there a long time. I seemed quite all right. Then we moved over to New York. Well, it was August and awfully hot, and I had summer complaint, and the doctors weren't very helpful, and I didn't get the right treatment exactly until father and I came to Philadelphia. Two weeks in Philadelphia, and I was returned to New York an exceedingly strong, healthy child. But after a time I was bored with the city and ran away with a stock company. We toured all over the United States for three years.

Have you visited many amateur organizations? Yes, but not as many as my older brothers. Of all the groups I've visited I am proudest of the Pasadena Players.

INDEPENDENT RALLY HEAR CANDIDATES

George Plowman of Committee of 100 Chairman of Meeting

A citizens committee of Independent Republicans sponsored a rally at the Strath Haven Inn Wednesday evening, when Benjamin F. James, candidate for Congress; Francis J. Bowser, Thomas J. Sproul and William V. Martin, candidates for the State Legislature, were the speakers. These four men have been endorsed by the Republican Federation of Delaware County and the Tax Payers League.

Colonel Charles Avery Dravo of Swarthmore, a candidate for Governor, was a guest speaker.

Mrs. Jane H. Felix, an independent candidate for State Committeewoman, also spoke.

Mrs. Edwin A. Yarnall introduced George W. Plowman, the chairman of the meeting. Mr. Plowman, an active member of the Committee of One Hundred, a young man's independent Republican group, spoke briefly of the founding of the group and its purpose. This group was founded one and one-half years ago and had as its object the education of its members and their contemporaries in the ramifications of local, state and national government. They are interested in better government and wish to make preparation for the time when they will assume more responsibility in the affairs of their various communities.

Mr. Plowman presented Dr. Arthur E. Bassett, who introduced Colonel Dravo.

Colonel Dravo spoke of the ever increasing cost of government and said that an organization candidate could not adequately lower costs. He offered to combine with the fifteen other candidates in choosing one from their number to oppose Mr. Schneider for the candidacy.

J. Archer Turner, president of Boro Council, introduced in turn Mr. James, Mr. Bowden, Mr. Sproul and Mr. Martin, who briefly explained their platforms and asked for the support of those present.

WOMAN'S CHORUS WINS APPLAUSE

Henry Hotz Directs Chorus in Most Successful Concert

A very high peak of achievement was reached by the Woman's Chorus of the Swarthmore Woman's Club at the annual concert on Monday evening. Undoubtedly one strong reason for the excellence of the singing was that each and every member of the Chorus has a great admiration and a genuine affection for their general and very able leader, Mr. Henry Hotz. Indeed, Mr. Hotz kept the audience, too, in such a good humor that one would not have been surprised had the whole place burst into song.

Of the eight delightful numbers sung by the Chorus, "The Song" by Curran was perhaps the best rendered—at least it seemed to be the most popular, calling for an enthusiastic encore, as did also the very contagious last number, "Dance a Cachuchas" from the Gondoliers by Gilbert and Sullivan. A welcome innovation was the reading by Mrs. Roland Eaton of the words of each song before its rendition.

Mrs. Eliza Ullrich Ullman added to the pleasure of everyone by giving two humorous monologues by Florence Huet "At the Bridge Table" and "Behind the Scenes". Mrs. Ullman was so natural as the self-educated concert singer and again as the back-seat-driving-bride player that one forgot the artist in the enjoyment of the art.

In a entirely different vein was her encore, "America for Me" by Henry Van Dyke, sincerely and beautifully given.

The singing of Mrs. May Elbrez Hotz was an especially fine musical treat to music lovers. Her voice is beautiful and her control of it, a delight to hear.

Her first group of songs included a striking German song set to the music of J. S. Bach, then "Johannesnacht" by Richard Hahn and "Spring Fancies" by Dunsmore. The second group "Bird of the Wilderness" words by Tagore and music by Houseman, "Time" by Besaia and the "Breaking of Spring" by Bibb, with a beautiful encore using words of Tagore again.

When Mr. Hotz, toward the close of the concert, introduced the accompanist, Catherine Miller Clotier of Lansdowne, there was a long, spontaneous burst of applause from chorus and audience alike.

CONCERT TO PROVIDE H. S. SCHOLARSHIP

Main Line Orchestra to Give Annual Program at Clothier Memorial Thursday Evening

Final plans are being completed for the third annual Main Line Orchestra Concert, to be given in Clothier Memorial, Swarthmore College, next Thursday evening, May 3, at 8:15. The orchestra will play under the direction of Adolph Vogel, Conductor, and Dr. W. F. G. Swann, Associate Conductor.

A program has been arranged which includes some popular numbers that will make an appeal to youth. This is in line with the interest young people of Swarthmore display in music and also follows the excellent example of the Philadelphia Orchestra in its Youth Concerts. The program is as follows: I—Henry VIII Dances—German, 1. Morris Dance, 2. Shepherd's Dance, 3. Torch Dance, 4. Petite Suite—Gluck, 1. Air Gal, 2. Spirit Dance, 3. Musette, 4. Finale. III—Overture, William Tell—Rossini. Intermission. IV. D Minor Concerto—Mozart, Allegro, Romanza, Allegro Assai. For Piano and Orchestra. Dorothy H. Seltzer, Soloist. V. (A) Beau Soir—Debussy, (B) Menuet—Mozart (as arranged by Henry Elkann) (C) To a Wild Rose—MacDowell (arranged for strings by H. Vanden Beemt). VI. Finlandia—Sibelius.

One of the purposes of this concert is to provide funds for scholarships for deserving seniors. During the previous two years of these concerts the funds were sufficient to provide two additional scholarships which were awarded as faculty scholarships at commencement time. It is hoped that the response of the citizens of Swarthmore may be sufficient this year to permit this good work to be continued.

The soloist in this concert is Miss Dorothy Harriette Seltzer, in. daughter of M. Eugene Seltzer, a member of the Orchestra. She was born in Norristown, Pennsylvania, July 13, 1919, and received her first piano instruction from her mother.

Later followed training with Bert Shetler and Joseph Wissow of Philadelphia. For the last three years Miss Seltzer has studied with Miss Florence Frantz of Philadelphia and New York. Among the honors this young lady has won are first prize in a state contest sponsored by Pennsylvania State Federation of Music Clubs, first prize in composition at Harrisburg. Last April she was awarded the cup offered by the State High Schools. Miss Seltzer is a sophomore at the Norristown High School and plays flute in the School Orchestra.

Phases of Welfare Explained to Club
The program of the regular Tuesday afternoon meeting of the Woman's Club was in charge of the officers and nurses of the community Health Center.

Mrs. George L. McCracken spoke of the Nursing Service, which the organization renders both in Swarthmore and surrounding towns. There are three registered nurses on the staff: Miss Charlotte Eaton, Miss Lois Bausman; and Mrs. Eloise Ashton; and Mrs. Margaret Allan is the office secretary. Three years of hospital training is required of these nurses which gives them the R. N. Degree.

The charge for the services of the nurses is \$1.00 an hour for all who can pay, but many visits are made when the fee cannot be paid.

These nurses also conduct Baby clinics, with the aid of a doctor and babies are weighed and medical advice is given.

Miss Bausman and Miss Eaton then gave a demonstration of bathing a baby—Miss Eaton assumed the role of a young mother, anxious to know the best way to do everything for her child and Miss Bausman was the capable visiting nurse.

"Charlie", a three weeks' old baby proved to be a very good subject.

Mrs. George C. Barber then told of the work of the Social Service Dept.

A play was given in which Mrs. Helen Muth and Miss Veronica Sullivan showed the audience how many branches of service this department covers. This work includes Red Cross Work, placing boys in Civilian Conservation Camps, putting cripples in schools where they can learn a trade and assisting young mothers or convalescents in finding suitable homes. They assist veterans in securing disability allowances and bonuses, place mental cases in institutions and assist parents in finding child guidance clinics.

The work is very comprehensive and the service extends over an area of 14 square miles.

The program was enlightening and instructive and was greatly enjoyed by the club women.

Tea was served and Mrs. A. F. Jackson and Mrs. W. T. Johnson were hostesses.

Fortnightly
The Fortnightly will meet on May 7 at the home of Mrs. Charles D. Mitchell. The program will be published in next week's paper.

Democratic Rally May 7
Local Democrats are planning a Political Rally in Swarthmore, Monday evening, May 7.

They are arranging for a comprehensive meeting at which the Morris-Copeland ticket and the Guffey-Earl ticket will both be represented. The candidates for Congress, for State Committeeman and for the Legislature will be heard in person.

HARMONICA BAND INTEREST GROWING

A Local Concert to be Given May 11—Hoxie's Band June 5

Albert N. Hoxie's Philadelphia Harmonica Band will appear in Swarthmore on the evening of June 5. This is in accordance with plans made in mid winter when it was decided to sponsor a Swarthmore Harmonica Band under the direction of Mr. Hoxie and his "Champion" associates.

A large expense is attached to such a concert, but local sponsors are confident that local interest in Hoxie's type and standard of music warrants this engagement.

Gary White is the president of the local band, Arthur Mitchell, its secretary and the publicity committee consists of Albert Thatcher, Bud Mercer, James Jackson, Peter Miller, Jack Corse and Bill Black.

Ettore Manieri, The "Champion" in charge of the Swarthmore Band announced last week that the first local championship contest and concert will be held on May 25. He is particularly anxious that every one of the 104 boys enrolled in the band will attend every meeting of band, which is held each Friday afternoon at 3:30, until that date and thereby get better prepared to enter the contest.

A garden party will be held at the Rock Garden, Valley road, Paoli, for the benefit of the Philadelphia Orchestra Summer Concerts on Saturday, April 28 and Monday, April 30, from 2 to 7 p. m.

A luncheon under the auspices of the Delaware County W.C.T.U. will be held at Strath Haven Inn on Thursday, April 26 at 1 p. m.

'HONORS ARE EVEN' IS SEASON'S LAST PLAY

Unique Review of "The Play" Tells of Mr. Comley's Directing and Strong Cast

As a reporter it's been our privilege to interview many personages, but to-day was the first time we ever interviewed a play. It happened in this manner:

We asked Mr. Comley, who directs the May production of the Players Club, if he had anything to tell us about this, the last production of the 33-34 season. He replied—"I'll let the play speak for itself."

Letting a play speak for itself is quite a privilege to grant in these days of modern plays—mushy sentiment—murky gloom stuff, or else risqué bedroom farces.

To our surprise we found "Honors Are Even" very willing to talk. We asked what about your family? My family—well, my father, Roy Cooper McCreary, was an industrious, sober, author's, some newspaper back-ground, but most of his life devoted to the writing of plays. I am the youngest. My older brothers are It Pays to Advertise, Under Cover, Under Fire, Seven Chances. I was born in Boston, and lived there a long time. I seemed quite all right. Then we moved over to New York. Well, it was August and awfully hot, and I had summer complaint, and the doctors weren't very helpful, and I didn't get the right treatment exactly until father and I came to Philadelphia. Two weeks in Philadelphia, and I was returned to New York an exceedingly strong, healthy child. But after a time I was bored with the city and ran away with a stock company. We toured all over the United States for three years.

Have you visited many amateur organizations? Yes, but not as many as my older brothers. Of late years I've visited I am proud of the Pasadena Players. (Continued on Page Eight)

WOMAN'S CHORUS WINS APPLAUSE

Henry Hots Directs Chorus in Most Successful Concert

A very high peak of achievement was reached by the Woman's Chorus of the Swarthmore Woman's Club at the annual concert on Monday evening. Undoubtedly one strong reason for the excellence of the singing was that each and every member of the Chorus has a great admiration and a genuine affection for their general and very able leader, Mr. Henry Hots.

Indeed, Mr. Hots took the audience, too, in such a good humor that one would not have been surprised had the whole place burst into song.

Of the eight delightful numbers sung by the chorus, "Rain" by Curran was perhaps the best rendered—at least it seemed to be the most popular, calling for an enthusiastic encore, as did also the very contagious last number, "Dance a Cachucha" from the Gondoliers by Gilbert and Sullivan. A welcome innovation was the reading by Mrs. Roland Eaton of the words of each song before its rendition.

Father's interpretations deepened one's appreciation of the spirit and meaning of each number.

Eliza Ulrich Ullman added to the pleasure of everyone by giving two humorous monologues, by Florence Huet "At the Bridge Table" and "Behind the Scenes". Mrs. Ullman was so natural as the self-educated concert singer and again as the back-seat-driving-bridge player that one forgot the artist in the enjoyment of the art. In entirely different vein was her reading by Mrs. Roland Eaton of the words of each song before its rendition.

The singing of Mrs. May Ellice Hutz Martin, candidates for the State Legislature, were the speakers. These four men have been endorsed by the Republican Federation of Delaware County and the Tax Payers' League.

Colonel Charles Avery Dravo, of Thomas J. Sprout and William W. Thomas, a candidate for Governor, was a guest speaker.

Mrs. Jane H. Felix, an independent candidate for State Committee-woman, and Mrs. Edwin A. Varnall introduced George W. Plowman, the chairman of the meeting. Mr. Plowman, an active member of the Committee of One Hundred, a young men's independent Republican group, spoke briefly of the founding of the group and its purpose. This group was founded one and one-half years ago and had as its object the education of its members and their contemporaries in the ramifications of local, state and national government. They are interested in better government and wish to make preparation for the time when they will assume more responsibility in the affairs of their various communities.

Mr. Plowman presented Dr. Arthur E. Bassett, who introduced Colonel Dravo.

Colonel Dravo spoke of the ever increasing cost of government and said that an organization candidate could not adequately lower costs. He offered to combine with the fifteen other candidates in choosing one from their number to oppose Mr. Schneider for the candidacy.

J. Archer Turner, president of Borough Council, introduced in turn Mr. James, Mr. Bowden, Mr. Sprout and Mr. Martin, who briefly explained their platforms and asked for the support of those present.

MAY REGISTER UNTIL MAY 5

It is not too late to register and enroll to vote in the Primaries. Persons not registered last fall, those who have changed their residences from one voting precinct to another and others who are registered but not enrolled as to party may by taking an affidavit and signing an enrollment blank in Media be put on the voters lists.

Unless a voter declares a party preference he cannot vote in the primary. Persons registering as independents will not receive party ballots at the primary election, because such elections are considered as strictly within each party.

CONCERT TO PROVIDE H. S. SCHOLARSHIP

Main Line Orchestra to Give Annual Program at Clothier Memorial Thursday Evening

Swarthmore High School girls have been receiving very favorable comments in the Philadelphia papers because of their success in lacrosse. The game is just being taken up by the private schools of this vicinity. So far the Swarthmore girls have won both games, having played and defeated Germantown Friends 5-2, and Friends Central 4-1.

The Philadelphia Public Ledger recently stated "perhaps the Little Garnet school in the suburbs is the first public school in the United States to have reached interscholastic heights for its girl lacrosse players." The game is so very new, to even the club and college players in the country, that when a public high school presents a team to competition it is exceptional. And lacrosse is a game which promises to become a very popular girls' game, one which is bound to take a firm hold in schools as well as in colleges and clubs.

At the present time, there are 45 girls participating in lacrosse. Practice games are being scheduled with the Swarthmore College and the Philadelphia Lacrosse Club. Swarthmore High School and Swarthmore College have Miss Kathleen Lockley, captain of the visiting English Lacrosse Team, as each two afternoons each week.

Democratic Rally May 7 Local Democrats are planning a Political Rally in Swarthmore, Monday evening, May 7. They are arranging for a comprehensive meeting at which the Morris-Copeland ticket and the Guffey-Earl ticket will both be represented. The candidates for Congress, for State Committee-man and for the Legislature will be heard in person.

SOCIAL SERVICE REPORT FOR MARCH

Mrs. Muth Tells of Change of Name of Welfare Department

In the past month we have felt that progress has been made toward our goal of a community service program. A short time ago we changed our official office title from Welfare Department to Social Service Department, feeling that the latter more clearly expressed the changing program of our organization. With the milder weather we have been able to give more outdoor employment which has helped families to once more become more self-supporting. In our small employment bureau connected with the agency we have placed fifteen men in part time work, three of whom will continue to get some steady employment during the summer. These have been in

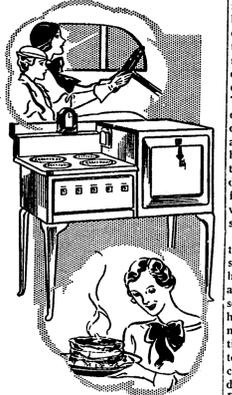

addition to the ten men who are now on made-work at the College woods. There have been seven women given full time housework and six others who have received part-time work. One young woman was placed as a saleslady in a department store for three days a week. Employment is perhaps the greatest satisfaction which any family could receive after a long time unemployment period. Even after a job has been procured there is still the problem of paying back debts and still having something left over to meet present expenses. Perhaps, without looking very deeply into the problem, one would suppose the family's financial problems would be settled as soon as a job was procured which gave fair pay. The wage earner has been for a long time unaccustomed to handling money and has so many demands placed upon him as soon as his creditors hear he has a job that he is quite bewildered. Here is a situation where a Social worker may assist with a budget and there are many calls for this service at the present time. Besides making the money stretch as far as possible the family will probably have to adjust to lower wages than those in pre-depression times. A Social worker may be able to bring out other values which will assist the family in being happy even on less money.

We have had little time to think about recreation which has been one of the first things to suffer in the depression. This is discarded by the family as a luxury and though it is one of the most vital needs which touches family life, it is the first to go. The young people suffer the most because they are not used to the hardships which the parents can endure, and time hangs heavy for them. The Citizens Conservation Corps helped tremendously in filling the leisure time of boys who would not otherwise be employed. Most of these boys have recently returned and many are concerned about some future program for them. In our own community our first efforts with local recreation proved very successful. The Outing Club of Swarthmore College entertained nine adolescent girls from the district. They had planned to hike, but as it was a rainy day they played basketball in the College gymnasium. The particular form which the recreation takes does not seem to make very much difference; it is the sociability of the group which makes any recreation program desirable.

During the depression it was recognized that family solidarity was one of the essential elements in preventing family breakdowns and now the desire to know and understand how to accomplish this solidarity between parents and children has led to inquiries into the subject. To meet this need the State Board of Education has given parents the opportunity to hold discussion groups with leaders chosen by the Parents Council of Philadelphia. Groups formed rapidly in Philadelphia and Delaware County and we are fortunate in being able to have as our leader Mrs. Zillah White of Springfield. The first discussion was an introduction to the general subjects which might be discussed. The second meeting took up Parent-child relationships. The third was Discipline and Obedience and the fourth will be Punishment and Independence. Mrs. White is a most able leader and we are hoping to have her for a second series of six discussions. These meetings are held in Borough Hall on Wednesday mornings.

W. I. L. Meeting Mrs. J. Passmore Elkington, of Moylan, will entertain the Delaware County Branch of the Women's International League for Peace and Freedom on Tuesday, May 1. Miss Ellen Starr Brinton, Field Secretary, will speak on "Peace and Politics."

CHESTER HOSPITAL BENEFIT SATURDAY

Fashion Show and Tea Dance at Springhaven Club Tomorrow

Delaware County's smart crowd will be present at Springhaven Saturday afternoon to witness a Parade of Fashion. Charming gowns of former periods dating from 1811 through 1934 will be modelled by attractive members of the younger set. These lovely dresses have been loaned by various interested friends whose mothers or grandmothers wore them in times gone by. The girl wearing one particularly beautiful model will also wear an original Peal miniature, representing the former wearer as she was, painted in this gown.

Bustles, heavy brocades, beads, full skirts slowly give way to lighter materials, simpler lines, and finally we have the sophistication of the modern 20th century.

A few of the smaller girls will wear the authentic and elaborate Turkish, Dutch, Russian, Japanese, Persian, and Egyptian costumes bought in their respective countries by members of the Committee.

In between, there will be tea served, dancing, and finally an auction of several lovely gifts.

The Chairman, Mrs. Samuel Dyer Clyde, of Swarthmore, will turn the proceeds of the afternoon over to the Mayor of the Chester Hospital. All are welcome. The fee admits to Club, and includes tea, sandwiches, cake and the complete show which will start at four. It also includes dancing.

A GLIMPSE AT PARKWAYS

Elwood B. Chapman

Not long ago, a western man visiting New York City, drove toward it through the Bronx River Parkway. He remarked with wonder that he couldn't understand how such beautiful country, so close to a large metropolitan center, should have been left undeveloped.

The joke was on him! He didn't realize that he had driven through several of the largest cities in Westchester county without knowing it.

So well have New York's improvements been planned, that there is a stretch of magnificent road without a crossroad for nearly sixteen miles. Other arteries of travel are carried across through underpasses, or over-erectic bridges, with all of the surroundings well screened by careful planting.

The whole scene, even where the roadway approaches comparatively close to the city, is a picture of sylvan beauty. This is the advantage of the parkway plan; the State owns both sides, as well as the roadway, and avoiding any encroachments for business purposes, usually lines the edges with paths bordered by trees and shrubs.

Nearly three miles of wide, well-paved roadway; picturesquely bordered by trees, with no eyecrossers to distract one's attention or to mar its beauty, opportunities for attractive home sites, not facing the parkway, but adjacent to it and easily accessible; this is the ideal for which the Westchester County authorities have striven for many years and which they have so successfully planned and accomplished. They have now reached a point at which the rapid increases in values of adjacent lands are more than paying for the cost of their parkways.

THE KINDERGARTEN PARADE

Oh, have you not heard of the wondrous parade That marched over Swarthmore and could not be stayed? There was Mitchie and Phillis and Johnnie and Pat, And marchers with legs that were pugie and fat; So bravely they marched while their little hearts beat With pride as they trudged down the sun-flickered street.

They marched down Yale avenue, dirty with holes, Then up on the sidewalk washed clean by the rain, Then clear to the corner and turned back again, The music they had was no march loud and wild But the music of heaven in the heart of a child.

But poor advertisement had upset their plan, No audience was there but one lone, waiting man; And one favored lady with special invite, Gathered on the best corner to see the brave sight, And on the new building the workmen up high Stopped their hammers and saws as the parade went by.

Hurray for the marchers whose sturdy young feet Stirred thoughts in our hearts as they passed down our street, And brought back sweet memories forgotten for years, Our hearts gloomed with pleasure, though misty with tears: And our street is more blest where these dear feet have trod For they still keep us near to the Kingdom of God.

It all seems so simple, doesn't it? But, do you realize that a vital part of the nation's banking structure is put into action for your convenience? A bank in a distant city, a clearing house, a correspondent bank, the Federal Reserve System, quick transportation—these are the units that make possible this convenience for you. FACULTY GRANTED LEAVES OF ABSENCE

Dean Blanshard, Drs. Blanshard, Dresden, Wilcox and Kovalenko Granted Leaves

Five members of the faculty of Swarthmore college have been granted leaves of absence for part or all of the college year 1934-1935, according to an announcement made after a recent meeting of the Board of Managers.

Frances B. Blanshard, dean of women, has been granted a leave of absence for the entire year, but will remain at Swarthmore to perform a part of her usual duties.

Dean Blanshard stated, when asked about her plans for next year, that she would use the leave of absence granted her for further graduate study at Columbia University.

Dr. Brand Blanshard has been placed on a part time basis of teaching here for the coming year in order to have greater time to complete a book on which he has been working for the past five years.

Dr. Dresden, when asked about his work during the year 1934-1935 in connection with the Guggenheim Fellowship recently awarded him, stated that his plans were as yet rather indefinite.

Dr. Wilcox, who like Dr. Blanshard, has been granted a part time leave, will be engaged during next year with work on a book on the economics of inequality.

Dr. Kovalenko, assistant professor of mathematics and astronomy, said his plans during his leave of absence next year were not definite, but that he would be traveling in Europe attending various international meetings of astronomers in Paris, and visiting different observatories.

The Swarthmore High School chapter of the National Honor Society had its Spring initiation in the Senior High School Assembly last Thursday afternoon. Seven new members were initiated at this time.

Word has just been received from two colleges granting scholarships to graduates of the Swarthmore High School. The University of Virginia had granted an accredited secondary school scholarship to a graduate of the Swarthmore High School attending the University.

At the present time, John Marshall, Jr., is the only senior planning to attend there. Dr. Charles E. Beury, president of Temple University, has granted a scholarship to his institution, to be awarded a senior

Junior: Edmund Jones, Delia Marshall, Betty Passmore and Seymour Rutherford. The program opened with Ruth Lewis, president, presiding. Various members of the Society spoke upon subjects connected with the ideals of the organization.

The new members were then initiated by a very beautiful candle service, symbolizing the passing on of the light of knowledge, when each new member lighted his or her torch from the large torch held by the president.

William Price, a member of the High School faculty, gave an interesting and inspiring talk on sincerity, explaining how the word was derived from the Latin word, sine cera, without wax, and was applied to the workmanship of good architecture and masons in Roman days, whose work was honest and true and did not have to be patched up with wax.

The National Honor society is the Phi Beta Kappa of secondary schools. Membership is limited to 15% of the junior class, selected by the faculty on a basis of character, scholarship, service and leadership. Membership in the organization is considered a great honor.

Several mothers' meetings were held at the school this week. On Tuesday afternoon the mothers and friends of the pupils of Mrs. Kinsey's third grade room attended a Mexican Market Day which the children staged for their parents.

The room was very attractively decorated as a Mexican market place with displays of pictures and materials which the children had made. One end of the room had market stalls and overhead canopies.

A brief program was presented, consisting of a short play, Spanish songs and a Mexican dance. Kathryn Downing spoke on the customs of Mexico. This was followed by two songs La Sandunga and Le Cucuracha, sung by the group in Spanish, and a song with original words and music, "The Painted Pig".

Eight of the children then took part in a Mexican dance. Girls - Nancy Peck, Marian Schatte, Alice Putnam and Ann Argyle. Boys - Gilbert Widdowson, Frederick Morey, Bobby Shepard and Dicky Hoot.

Weidemann Sponsor of Branch Banking Few measures have been passed by the State Legislature in recent years that have had greater significance than the Branch Banking Bill sponsored by Thomas Weidemann, present member of the house of Representatives, and a candidate for re-nomination at the May primaries.

This is the opinion of J. Willison Smith, President of the Real Estate-Land Title and Trust Company, one of Philadelphia's leading banks. He was discussing the effect of the Weidemann Bill upon the community and the State since its passage.

"Mr. Weidemann's efforts on behalf of the Branch Banking Bill were, without question, the principal influence in its passage," Mr. Smith said. "There was much opposition from various sections of the State, mostly, however, where they had no need of such aid as our suburban townships lacked.

"Everybody in touch with the Legislature during the last session admired the

way in which the passage of the Bill was attained. At every moment it was evident that Weidemann's heart was in the bill. He was so thoroughly convinced that it was for the good of the public that he convinced others of his sincerity. Without a single evidence of high-pressure, he gained the end that he desired, with the result that one of Philadelphia's largest banks has established branches in two suburban communities, one in Delaware and one in Montgomery County. In each case the service now offered far surpasses any that has heretofore available. I feel that the Weidemann Bill made banking history in Pennsylvania."

Presbyterian Notes Dr. Tuttle, continuing his sermons on the Church, preaches the coming Sunday morning on The Spirit and Service. At Vespers, the sermon topic will be, "Which Way are You Facing?" The Friendship Quartette of Swarthmore will sing the service. The quartette is composed of Charles T. Deacon, first tenor; James W. Johnstone, second tenor; J. Burris West, first bass; Allen L. Putnam, second bass. Otto Kraus is director and accompanist.

The new trustees have organized with the election of Frank S. Reitzel, president; George Schobinger, vice-president; Paul D. Williams, treasurer; Percy G. Gilbert, secretary; James H. Hornaday, financial secretary.

Mr. and Mrs. R. Chester Spencer entertained the members of the men's Bible Class of the church at their home last Tuesday evening. Dr. John B. Miller of the college gave a most interesting talk on the Universe, dwelling especially on the Milky Way of which the earth is a part. Mrs. A. C. Wood and Mrs. C. W. Olmes assisted Mrs. Spencer.

charge of the receptions for Seven Chances, and Under Cover. I refer to James Hornaday, Helen E. Comley, A. F. Jackson and Roy C. Comley.

And am I pleased with the rest of this committee! Robert W. Graham—remember Pigs, Penrod, Gone Hollywood, and Robert M. Stabler—you all laughed so in The Rivals, and there's always Juliet.

Eleanor D. Wilson—gee I like her! She's giving up a golf tournament in Washington just to stay for my party.

And Mary Ryan O'Brien—remember her in the "Ladies of the Jury" and "Philip Goes Forth"?

Then with Carol E. Cleaver—are you going to like her?—ho-hum!—remember Lucy, of "The Rivals"?

And Wm. Ward 3rd—he's a card—they tell me he also does blackface. Civilian clothes, I think.

Then Samuel Evans, Jr. This is his first experience on a reception committee of this sort, but he's ok. You'll like him.

How do you like our club house?

Perfectly marvelous. Maybe you don't realize how much such a stage, so well equipped means. And I'm sure you don't realize how much credit is due Mr. Olmes, Bill Brown, Joe Reynolds, Jack Taylor, Sam Wisdom, Ray Farringer, Lee Wilson, Walt Werner, Alden Davis and Bruce Cook, Barton Hoopes and H. C. Harvey, who so faithfully operate the many intricate details connected with the staging. They are a motive force which is never seen.

This party of yours—how do you think it will work out?

Well, I'd rather Mr. Comley answered that one, but since he passed the buck to me, I'll just quote him: "I'm delighted that my plans for presenting Honors Are Even have materialized so completely", and as for me, I'm tickled to death not only to be here, but with everything, and if I can fulfill my father's desires—

"When you leave the theatre you will have left behind some of the worries and troubles you brought in"

why I'll just naturally be so happy that I'll return to the shelf in Baker's in Boston gladly. But anyway, I've a little time left yet to visit in Swarthmore and I hope to see each and every one of you during the week of May 8-12.

GROVER C. TALBOT

Candidate for Lieut. Governor

Grover C. Talbot, Speaker of the House of Representatives, who is a candidate for Lieutenant Governor at the Republican primaries, May 15th. Speaker Talbot aspires to be President of the Senate on the basis of his record as presiding officer of the House, where he so presided as to win the praise of members of all parties and factions, Republicans, Democrats, and a Socialist joining in public praise of his services at the close of the last regular legislative season.

Mr. Talbot is engaged in the retail coal business. He has served in the Legislature since 1924, when he was first elected from the second legislative district of Delaware county. He was the author of the several Talbot acts, appropriating millions for unemployment relief, and at the same time was the sponsor of numerous bills for economy in state government, in the belief that wherever possible appropriations for charity should be met from savings instead of from the proceeds of new tax levies. It is on this platform that he is candidate for Lieutenant Governor.

Brotherhood Day

This Sunday there will be a National Observance of Brotherhood Day among the leaders of the Protestant, Catholic and Jewish Churches. The purpose of this day is to consolidate the feeling of American Citizens, irrespective of religious differences. The organization sponsoring it is the National Conference of Jews and Christians.

Lionel Barrymore at the Waverly

The picture deals with the interwoven dramas, high aspirations, youthful romances and disappointments of a typical everyday household.

How Cold Did Your Heater Keep You Last Winter?

Your present coal-fired Heater is probably big enough and well able to give you the results desired. Our business is knowing how to make it deliver the goods.

LESS FUEL—LESS DIRT—LESS ATTENTION and with positive control, your heating will nearly approach the luxury of Automatic Heat.

Why not find out? It doesn't cost anything for an estimate, nor does it obligate you in any way.

If you must have fully Automatic Heat, remember we sell and install the leading makes of COAL, OIL and GAS Burning apparatus, and can advise you regarding equipment best suited to your particular needs.
