## NEW SCHOOL LUNCHES

Last Monday the national school lunch program was put into operation in the high school cafeteria. Under this program a lunch is served pupils at a reduced cost.

The price of the lunch being served is 20c to the pupils. It consists of a bottle of milk, meat or meat substitute, cooked vegetables, salad or fresh fruit, and dessert. The balance of the cost is borne by the government through a subsidy to participating schools.

It is hoped that pupils and parents will help make this program successful. The nutrition survey conducted years ago through Children's Hospital and State College showed that many of the children in Swarthmore tested poor in mineralization. The finding indicated a need of calcium, phosphorus, vitamin D, and protein. It is believed that a lunch including vitamin D homogenized milk, served under this program, will help to overcome these deficiencies.

## JR. ASSEMBLIES OPEN

The 11th season of the Swarthmore Jr. Assemblies opens at the Woman's Club tomorrow evening. The services of the locally well-known instructor, Herbert E. Michener, Jr., have been secured and the music will be provided by Price Dowdy and his orchestra. Enrollment is still open and reservations may be made through Mrs. W. Edward Medford, 514 S. Chester road. The chaperones for this week for the seventh grade which meets from 6 to 7:15 p. m. will be Mr. and Mrs. F. R. Lang, Mr. and Mrs. Leroy Wright, and Mrs. Alban E. Rogers, chairman.

The ninth grade which meets from 7:30 to 9:15 p. m. will be chaperoned by Mr. and Mrs. G. F. Corse, Mr. and Mrs. C. C. Frank and Mrs. Henry C. Ford, chairman.

From 9:30 to 11:15 p. m. the tenth grade dances under the chaperonage of Mr. and Mrs. Samuel Reynolds, Mr. and Mrs. H. H. Gibson, Jr., and the chairman, Mrs. Carroll P. Streeter.

## MUSICAL TRIO IS ELECTION TREAT

### Local Artists to Appear Before Clubwomen

A delightful and excellent musical program is promised by Mrs. Anthony L. Ventner, chairman of music, for the regular meeting of the Woman's Club next Tuesday, November 5, when Dorothy Paul, Leona Gold and Robert N. Hilkert will entertain the members with an afternoon of chamber music.

The program will consist of three numbers: "Trio by Loelliet in B Minor, the Beethoven Trio, Opus 11, in B Flat Major, closing with the sparkling Mendelssohn D Minor. The Loelliet is a very early 17th century opus, the Beethoven one of his works written especially for chamber music performance, and the Mendelssohn opens so gay that no matter who wins the election members should be able to face the returns with light heart.

Mrs. Paul is a graduate of the Juillard Institute and later studied under Stojowski. She is very active as an accompanist and ensemble, player and teacher.

Mrs. Gold studied at the Curtis Institute and is now at the New School of Music where she is concentrating on chamber music under Jascha Brodsky, first violin of the Curtis Quartet. She is also a member of the first violin section of the New Chamber Orchestra.

Mr. Hilkert is a former pupil of Alfred Zighero of the Boston Symphony Orchestra, and is now studying with Orlando Cole, Cellist of the Curtis Quartet.

It is urged that members be in their seats promptly at two o'clock both in courtesy to the artists and so that not one lovely note will be missed.

Hostesses will be Mrs. Carl deMoll and Mrs. D. Reed Geer. Mrs. Dwight Cooley and Mrs. A. W. Johnson will pour.

## Kappas to Sew

The Kappa Kappa Gamma will meet at the home of Mrs. Milton H. Fussell, 227 Vassar avenue for an all-day sewing meeting on Tuesday next.

## GARNET READY FOR HOME GAME

### Take on Glen-Nor High To-Day At 3:15 P.M.

A resolute and determined Swarthmore High School eleven will meet the strong Glen-Nor High team on their home field at Rutgers avenue at 3:15 p. m. today.

The local eleven came through their hard fought football game with Sharon Hill last Saturday bruised and physically sore but otherwise in tip-top shape. The team has every right to be proud of the way it fought the Sharon Hill team during the entire game. It demonstrated its ability and spirit by the way it came from behind, tied the score at 6-6 and then took the lead later at 13-12 only to lose the game 19-13 by the spectacular forward pass play of the Sharon Hillers. Local Swarthmore rooters may have come away from the game with some questions in their mind about what appeared to be weak officiating or perhaps a feeling that the pass receivers of the Sharon Hill eleven should have been bottled up more thoroughly but no one who watched the game could have anything but respect and admiration for the gallant, hard driving, spirited and capable exhibition the local boys produced during the entire period of play. It was a strong and experienced team that defeated Swarthmore but their victory was uncertain up until the time the whistle blew ending the last play.

The defensive play of Storck at center, Campbell at end and substitute Blake at right tackle is worthy of special note, for time after time these boys did a bang-up job of stopping the swiftly moving "T" formation plays of their opponents.

Harry Warren was a stand-out in the Swarthmore running attack and demonstrated that he has the ability and spirit to rise to the occasion when the opposition gets tough, and tough it was. The passing combination of Huey to Patton clicked at several critical moments of the game and accounted for one of the Garnets touchdowns. The touchdown play was exceptionally good, having superb timing and execution.

In today's game the Garnet's will meet a Glen-Nor team that has just come through with a well-earned victory over Prospect Park. It is a big strong team, with an attack that uses George Rodler on sweeping end runs and a passing combination that uses Spencer and Forbes on the receiving end and Dyson doing the major part of the passing. The Glen-Nor team has lost but one game and that to Sharon Hill. They will furnish Swarthmore High the toughest kind of opposition today and it will be a full time job for the local eleven to take them.

However Coach Robinson's boys led by Capt. McCowan have everything it takes to win ball games. They are holding their heads high, are disappointed but proud of what they did against Sharon Hill and are going into the game determined to see Swarthmore High undefeated in the remaining games of the 1946 season.

Mrs. Thomas M. Jackson of Park avenue served as hostess to the Thimble Group at an all-day sewing meeting, Monday.

## MRS. MILLER HEADS 1946 SEAL SALE

Mrs. Harry L. Miller of Thayer road will head the 1946 Christmas Seal Sale Committee in Swarthmore which opens November 25 and will continue until Christmas.

"It is very gratifying that Mrs. Miller has agreed to head the Swarthmore Seal Sale Committee," said Mrs. G. G. Levering, county education director of the project. "The success of the county campaign will depend upon the work of the local committees." The local chairman will be happy to have volunteers to assist her.

Mrs. Levering continued, "Tuberculosis last year killed 106 people in Delaware County. If the tuberculosis death rate is to be reduced and further spread of the disease prevented, we must expand the activities of the Tuberculosis Association."

## LWV OPENING A NEW STUDY GROUP

### Policy With Russia Subject For Mondays

Plans were made at a recent meeting of the League of Women Voters board at the home of the president, Mrs. Glenn Morrow, for a study group on "Foreign Policy: the United States and Russia." Under the guidance of the foreign relations committee, of which Mrs. Herbert Fraser is chairman, with Mrs. Carl Chase co-chairman, the study group will meet on four successive Mondays, beginning next week, November 4, from 10:15 to 11:30, at the home of Mrs. Miles H. Robinson, 540 Ogden avenue.

Leaders of the discussions include Mrs. Carl Chase, Mrs. Troyer Anderson, Mrs. Bryce, and Mrs. Miles Robinson. Names of those planning to attend may be registered with Mrs. Robinson, telephone 0573-J.

Mrs. Phelps Soule and Mrs. Richard Brandt will act as discussion group co-ordinators, in the handling of this subject so widespread in news interest at the present time.

That Girl Scouts will be helping to sell jam, jelly, pickles, honey, and salad dressing donated by members in the following weeks, to assist in raising the necessary budget for league work this year, was just announced by Mrs. Albert Hillis, chairman of the League telephone committee.

## JR. BOARD PLANS

Members of the Board of the Junior Woman's Club met Tuesday evening at the home of Mrs. Scott Daniels in Media. Final plans were made for the "Evening in Hollywood" which LeRoy Miller of Philadelphia, will present on Tuesday evening, November 12, in the Woman's Club House.

The programs for December and January were planned including such events as a covered dish supper, a dance and a bridge party. On December 27, the girls under the co-chairmanship of Bobby Blakiston and Anne Cochran will hold a Christmas dance in the Club House.

The Junior Guild turned into the Needlework Guild a total of four receiving blankets and two crib sheets, all hand made and feather stitched.

## Elected

Dixie Hesel of Thayer road, a senior at Bradford Junior College, Bradford, Mass., has been elected captain of the Hockey team at the college.

## Rotary Speakers

John W. Nason, president and James A. Perkins, vice-president of the college will speak about "college expansion" at the meeting of the Rotary Club today. Charles G. Thatcher is in charge of the program.

## STASSEN THRILLS LOCAL CITIZENS

### Young Republicans Present Party Candidates

The Young Republican Committee of Delaware County under the leadership of John B. Carter, chairman furnished the Swarthmore community with an interesting and informative program Tuesday night featured by a stirring address by Harold E. Stassen of Minnesota at the rally held in the auditorium of the Swarthmore High School.

An enthusiastic and eager group of Swarthmoreans began to gather at the meeting long before the scheduled appearance of Commander Stassen and grew to overflow proportions by the time the meeting opened at 8:30 p. m.

Carter opened the meeting and introduced the preliminary speakers on the program. These gentlemen were the local republican candidates for office in next Tuesday's election. Among the celebrities on the platform was State Senator Weldon B. Heyburn who rose and acknowledged the greetings of his many friends in the audience but did not take the opportunity to address the group because of the extensive program scheduled for those who are up for election on the present republican ticket.

The first speaker on the program was Walter F. Lauer, candidate for the State Legislature and former officer in the United States Marine Corps. Mr. Lauer spoke of the hopes and aspirations of the returned veterans and emphasized the fact that many veterans are disappointed and disillusioned by political and economic conditions as they found them since they have returned home.

## Co. Federated Clubs Hear Dr. Stoddard

Adult Education for World Affairs was the theme of the fall meeting of the County Federation of Women's Clubs on Thursday, October 29, when the Springfield and Rutledge Women's Clubs were co-hostesses with the Swarthmore club here. Mrs. John H. Pitman was in charge of arrangements and Mrs. Wm. A. DeCaindry of hospitality. Twenty-four county officers were entertained at luncheon by the three groups.

Four divisions of the educational department of the Federation - library extension, radio, motion picture, and scholarship - presented phases of the problem. Mrs. Wallace Savage, county educational chairman, presided. A scholarship report over the past 16 years was especially interesting to the local club, since it not only contributes to the county fund, but also maintains the Bonsall Memorial Fund for scholarship loans.

During the afternoon session Mrs. Edward R. S. Tull, Jr., County president, received the County President's pin from Mrs. Harold Bodke, president of the Southeastern District.

Active in the county program were Miss Mabel Talley, Recording Secretary and Mrs. S. Russell, County Chairman of Music, who directed and accompanied the chorus in several excellent musical numbers. Both Miss Talley and Mrs. Russell are members of the Swarthmore Club.

During the afternoon Dr. Alexander W. Stoddard, Superintendent of the Philadelphia Public schools, gave interesting comments on his observations of the school system of Japan where he visited recently at the request of General MacArthur, to make a survey of the school system. County educators were represented by F. Herman Fritts, Superintendent of the Chester schools, Ray G. Wallick, Superintendent of the Leadon schools, and Frank G. Morey, Supervising Principal of our own schools.

Letter To The Editor: FIELD NEEDS FENCE. Nearly 1000 Swarthmoreans were among the 4000 people who saw the exciting football game between Swarthmore and Sharon Hill last Saturday.

For two years we have had one of the best football teams in the county conference. Coach Millard Robinson is a fine man and an able coach. Swarthmore people are interested in the team and willing to pay to see it play.

They have willingly paid their money for the support of athletics in the other towns. But when games are played in Swarthmore the visiting fans do not have to pay unless they feel like it. It is all on a voluntary basis here, the charges are lower than elsewhere and the sale of tickets is farmed out to one of the high school classes on a percentage basis.

The receipts are disappointingly small. Our major football revenue is from the Thanksgiving Day game played every other year on the College field.

Football requires considerable outlay for adequate equipment (and as parents we do not want the boys to have less than adequate), transportation, for officials' pay and various other things. To do otherwise phases of our excellent school athletic program. Supervised football now begins with the Fourth grade. Mr. Lawder, who has charge of it is a splendid instructor. In consequence, we shall have good teams coming along for years ahead. For two years we have had a track team unbeaten in a dual meet. We have admittedly the best track layout in the county. But we can take no money from track or hold invitation meets because there is no fence around the Rutgers field.

As it is now the taxpayers make up the deficit incurred by our high school athletic activities. This letter is not one of complaint on that point. It is rather to ask why Swarthmore, unlike virtually every other community in the country, does not recognize the willingness of patrons to pay to see good football? It cannot be because we do not have the commercial high school athletics because we charge for basketball games and make a gesture at charging for football. A number of us feel that football should and would be supported by those who enjoy seeing the game and that it is time to put a good fence around the Rutgers field. I believe the Swarthmorean could do a useful service in sounding out public sentiment on the proposition.

E. H. Taylor

"I AIN'T VERY MUCH, BUT..."

In the play Green Pastures, the character Noah observed, "I ain't very much, but I see all I got." This is simple but eloquent reasoning. The realization of responsibility to yourself and to others to be cheerful, sympathetic, and helpful is the basis of a sound personality. Ill and disgruntled people are a burden to all. Take good care of yourself. Do not forget that both your family physician and your pharmacist are on your side to help you stay well and happy. All you have to do is ask for their help. When ill, see your physician. We are fully equipped to fill your prescriptions and furnish the needed sickroom supplies. MICHAEL'S COLLEGE PHARMACY On the Corner

Letter To The Editor: FIELD NEEDS FENCE. Nearly 1000 Swarthmoreans were among the 4000 people who saw the exciting football game between Swarthmore and Sharon Hill last Saturday.

For two years we have had one of the best football teams in the county conference. Coach Millard Robinson is a fine man and an able coach. Swarthmore people are interested in the team and willing to pay to see it play.

They have willingly paid their money for the support of athletics in the other towns. But when games are played in Swarthmore the visiting fans do not have to pay unless they feel like it. It is all on a voluntary basis here, the charges are lower than elsewhere and the sale of tickets is farmed out to one of the high school classes on a percentage basis.

The receipts are disappointingly small. Our major football revenue is from the Thanksgiving Day game played every other year on the College field.

Football requires considerable outlay for adequate equipment (and as parents we do not want the boys to have less than adequate), transportation, for officials' pay and various other things. To do otherwise phases of our excellent school athletic program. Supervised football now begins with the Fourth grade. Mr. Lawder, who has charge of it is a splendid instructor. In consequence, we shall have good teams coming along for years ahead. For two years we have had a track team unbeaten in a dual meet. We have admittedly the best track layout in the county. But we can take no money from track or hold invitation meets because there is no fence around the Rutgers field.

As it is now the taxpayers make up the deficit incurred by our high school athletic activities. This letter is not one of complaint on that point. It is rather to ask why Swarthmore, unlike virtually every other community in the country, does not recognize the willingness of patrons to pay to see good football? It cannot be because we do not have the commercial high school athletics because we charge for basketball games and make a gesture at charging for football. A number of us feel that football should and would be supported by those who enjoy seeing the game and that it is time to put a good fence around the Rutgers field. I believe the Swarthmorean could do a useful service in sounding out public sentiment on the proposition.

### STASSEN THRILLS LOCAL CITIZENS

(Continued from Page 1)

Arthur P. Bretherick, chairman of the Delaware County Republican Party, next urged the county voters to elect the entire slate of the Republican candidates and thereby effectively answer the interfering Russian recommendations for the election of democrats as broadcasted on the Moscow radio.

J. J. Sproul, Swarthmore College alumnus and republican candidate for Pennsylvania General Assembly from Second District, spoke on government efficiency, budgets, and spending, emphasizing the need for sound business practice in government administration.

Commander Stassen entered the auditorium at 9.30 p. m., escorted by E. Wallace Chadwick, candidate for the National House of Representatives from the 7th Congressional district, Ellwood J. Turner, Clarence Connor, chairman of the Delaware County Commissioners.

Stassen was greeted with thunderous applause and acclamation by the assembled citizenry when he rose to speak after his introduction by Carter. His address was a well-delivered, keenly analytic one dealing with the political and economic confusion which now confronts the American people because of the ineptitude of the present administration in Washington and challenging the Republican party to assume the leadership in the solution of the present national problems by a progressive and forward looking policy based on the fundamental American concept of free enterprise with a minimum of governmental control.

Stassen said "that new strength is coming to the Republican party from the ranks of labor, veterans, young men and young women and from Democrats and Independent voters," that this development arises from three factors: "First—the widespread disappointment and disapproval by the people of all walks of life of the conduct of the national administration since the end of war; Second—the unusually able group of new Republican candidates for Congress and for the Senate in many of the states of the Union who are winning the extensive support from the people of their districts; Third—a growing confidence that the Republican Party will measure up to increased responsibility in the interest of all the people as the majority party in the years ahead."

Stassen urged the meeting to get behind the local candidates and elect the local straight republican ticket as well as Honorable Edward Martin for United States Senator and James H. Duff for Governor, thereby joining in the republican landslide that is developing in this

handling of the meat situation and the housing situation. "These facts, recognized by the people of this country, place a grave, new responsibility upon the Republican Party. It means that we must come to grips with the extremely difficult economic and political problems. I believe we should make it clear that we do not believe that a government of free men can regulate the details of the lives of its people in time of peace. We should also definitely set forth a new national labor policy to cut down the number of strikes in America. We should develop a new fiscal policy for the nation, to counteract the sharp fluctuations of a free economic system. And we should constantly emphasize that production is the source of a high standard of living for the people, and production is the real basis of the strength of a nation.

We should also definitely set forth that we recognize that the problems of all the world are inter-related, and that we have a concern that is both humanitarian and practical in the future welfare of the peoples of other parts of the globe. But with equal emphasis, we should make it clear that our concern for people in other parts of the world does not mean that we condone treasonable conduct of our own citizens and that we firmly oppose both fascism and communism in America.

A new and forthright national labor policy to fit the needs of modern mass production in industry must be developed. The overwhelming majority of our people, including those who labor, know full well that there have been too many strikes since the end of the war, and that production has been handicapped, that inflationary pressures, have increased, that prices have surged upward. It will not be an easy policy to evolve. It will require pioneering. It will be necessary to avoid the extremes on both sides.

We must reject those who would clamp down upon labor and take away its power of self-protection, and of legitimate advancement of its status on the one hand. And we must also turn down those who would oppose all new legislation and seek to continue conditions of anarchy. Careful analysis makes it clear that neither the emergency measures proposed by the President last May, nor the extreme restrictive measures presented by the Southern Democrats is the answers."

Brownie Notes

The Brownie Fly-Up held Monday afternoon in the Woman's Club was attended by mothers of the participants. Mrs. J. Albright Jones, leader presented the ten-year-olds from No. 19 who were candidates for full-fledged Girl Scoutship.

leaders of the new Girl Scout troop formed by the fly-up. After the investiture of new seven-year-old Brownies the fly-up ceremony was held for the ten-year-olds, following which there were songs and refreshments.

Flying up from Pack 19 were Jeanne Allen, Sally Bates, Donna Crosswell, Alice DeCandry, Patsy Jones and Nancy Newman. Members of Pack 95 are Mary Banks, Nancy Lees, Joan Narbeth, Patsy Stewart, Nancy Saunders and Barbara Cook.

The first regular weekly meeting of Brownie Pack 95 this season will be held at the Rutgers avenue school at 8:30 next Monday afternoon.

Leaders End Training

The last session of the October training course for Girl Scout leaders was held Tuesday morning in the Woman's Club. Bertha (Chippy) Cavanaugh, Baltimore pike district chairman who gave the course, conducted a candlelight investiture service for the 17 women completing the training.

Assignments of leadership in Swarthmore Girl Scouting were made as follows: Brownie Troop 95 - Co-leaders Mrs. John Moxey and Mrs. Howard Turner, assistant leader Alice Marriott; Brownie Troop 96 Mrs. J. Albright Jones leader, Mrs. Howard Taylor and Mrs. Howard Shearer assistant leaders; Fly-up Troop of Girl Scouts - Leader Mrs. J. Alfred Callhoun and assistants Mrs. Barton Jenks and Mrs. Valentine Pine; Troop 18 continuing under the able leadership of Mrs. M. W. Garrett assisted by Mrs. Robert Hillkert and Mrs. H. P. Fry, Jr.

The girls of Troop 18 have just finished making baby sashes for the Needlework Guild. The troop made 14 of the garments and supplemented them by buying 8 bibs in order to secure the 22-garment contribution qualifying the donors to have their names printed in a record book of the Guild, with national circulation.

The wool and embroidery thread used in the sashes were provided by the troop treasury money raised by the sale of personalized post cards.

Working under the supervision of the troop leaders the girls responsible for the sashes completed were Joan Basso, Patsy Flanagan, Elizabeth Foster, Ruth Garrett, Porsis Gearing, Dorothy Heine, Anne Hillkert, Julie Lange, Barbara Schumacher, Amanda Spackman, Polly Told, Muriel Watkins and Valerie Worth.

What the REPUBLICAN PARTY Stands For ... And What We Intend to DO About It

WE BELIEVE in government that is truly responsive to the wishes of the people. We are opposed to government by regulation and regimentation. We do not believe that the productive economy of the nation can be utilized for the benefit of all people so long as industry and labor are held under the thumb of a bungling bureaucracy.

This the Republican Party Can and Will Do When You Support These Candidates on Nov. 5

FOR U. S. Senator EDWARD MARTIN. For Governor JAMES H. DUFF. For Secretary of Internal Affairs WILLIAM S. LIVENGOOD, JR. FOR SOUND STATE AND NATIONAL GOVERNMENT. Vote REPUBLICAN. REPUBLICAN STATE COMMITTEE OF PENNSYLVANIA. M. Harvey Taylor, Chairman

For Pennsylvania—

WAR VETERANS—Provide a good job at good pay and a chance to get ahead; opportunities for a decent living, proper occupational opportunities and a fair Soldier Bonus.

LABOR—Make available production jobs under a free economy; higher standards of living; the right to organize and bargain collectively and the right to strike.

PUBLIC HEALTH—Carry on and expand the work being done in fighting cancer, tuberculosis, rheumatic fever and venereal diseases and extend the scope of orthopedic clinics and establish diagnostic health centers.

HOME RULE—Encourage over-all interest in all levels of government to protect the sovereignty of the people and prevent further encroachment of Federal powers in this State.

STATE FINANCES—Continue the sound and practical policies which have enabled the State Administration to reduce taxes and accumulate a surplus of \$200,000,000.

HIGHWAYS—Modernize and repair highway routes under \$375,000,000 five-year program.

CONSERVATION AND RECREATION—Initiate a large-scale program of conservation to re-forest areas reserved which by their regular use in a park, are capable of being used for recreation and including reforestation of millions of acres of empty lands.

**CLUBWOMEN AID  
CANCER RESEARCH**

**Travel Films Precede  
Talk by Dr. Murphy**

The Swarthmore Woman's Club held its weekly meeting on Tuesday afternoon in a Club House gayly decked with Halloween decorations and several lovely flower arrangements.

Mrs. Guy S. Deming, program chairman, presented two travelogues in technicolor and with educational soundtracks which carried those present into an interesting land of make-believe.

"Wings Over Latin America" was a journey by Pan-American Clipper from New Orleans to the Bahamas where there was a stop to visit this colorful island group; from there to Tucatan, with interesting comment on the survival of Mayan influences still strongly felt in architecture, altho the Mayan civilization reached its peak 800 years before Christ's death. Then to Guatemala City, a large modern one, with nearby lakes fed by beautiful waterfalls, with natives of Mayan descent and strongly under Mayan influence.

From Guatemala to Panama, thence to Ecuador with pictures and comment on the line of the equator and its marker. Then to Lima in Peru, founded in 1535, the highest open body of water in the world, on which natives ply their boats made of reeds. The third largest city of South America, Santiago, Chile, is the next stop where one views a strange mixture of very old Spanish churches and modern buildings, then to Buenos Aires, the Chicago of South America, and on to Rio where one of the most fascinating evidences of the Portuguese influence in the mosaic sidewalk, including that along the famous Copacabana beach.

The second film on Persia or Iran was particularly timely since this land is receiving so much attention in world affairs. It is strategically situated between lands belonging to major world powers, and its abundant oil supply would make it a valuable ally or territory for any nation.

The Persian rug industry was examined in some detail, beginning with the special sheep whose fine hair give the rugs their different texture. The secret of the dyes remains in native hands, and in the skillful knotting of the rugs, as many as 150 knots to a square inch, lies the explanation for their beauty and value. Each rugmaker is truly an artist. The films were shown through the courtesy of the Philadelphia Electric Company.

**ASKS WOMEN TO AID CANCER WAR**

Mrs. Francis H. Forsythe, chairman of Health and Welfare, presented Dr. Douglas Murphy of the University of Pennsylvania Hospital, who spoke to the club on the Cancer Research Foundation's local project, which Dr. Murphy is heading.

In order to further the prevention and care of cancer, a grant from the New York Commonwealth is being expended on research on the question "Is Cancer Hereditary?" Dr. Murphy pointed out that this question has never been answered in regard to human beings, although it is now established that the disease is hereditary among animals.

Statistics on uterine cancer are to be compiled on 1,000 families. In this study all Philadelphia hospitals, along with two in Camden, two in Norristown, two in Chester and one in Ridley Park, will cooperate. Dr. Murphy asked for volunteers from club members between the ages of 45 and 65, whether or not there has been a history of uterine in the female members of the family, living or deceased.

When it has been determined whether cancer can be transmitted from parent to child, research and relief can be properly concentrated, no matter which the answer, Dr. Murphy stated. To that end, it is hoped Swarthmoreans will volunteer for the one-hour verbal interview necessary to supply the information needed. Volunteers may call Mrs. Forsythe at Swarthmore 2523.

Before and after the meeting, Mrs. Robert N. Hilbert, Club Girl Scout representative, and Mrs. Jack

B. Thompson, calendar chairman for Swarthmore, were active distributing and selling Girl Scout calendars. The proceeds from this sale will be applied to the maintenance and expansion of Camp Barton, the Scout summer camp. The Woman's Club cooperation is in line with the County Federation's sponsorship of the Girl Scout movement.

3 Flower Societies Join In Fall Event

Flower lovers from near and far will trek to the college field house this week-end to view the gay assemblage in the 1946 Chrysanthemum Show of the Pennsylvania Horticultural Society, the Philadelphia branch of the National Association of Gardeners, and the Arthur Hoyt Scott Horticultural Foundation at the college.

The show will be open to the public today, Friday, from 2 until 5 p.m.; tomorrow from 10 a.m. to 5 p.m. and on Sunday from noon until 5 o'clock.

Entries except in the arrangement classes must have been grown by the exhibitor. Open to all, the classes include 12 of indoor grown chrysanthemum plants, eight of cut flowers, six of outdoor cut chrysanthemum, four of vegetables, fruit and berried or fruited trees and shrubs, and nine arrangement classes.

There will be no charge of admission.

**Club Bridge Seeks  
Large Fund for  
Philanthropy**

The annual Welfare Bridge party is planned for Tuesday, November 19, by the Health and Welfare Department of the Club under the chairmanship of Mrs. Francis H. Forsythe.

Dessert will be served at 1 p.m., and bridge will follow. Players are asked to bring their own cards, as usual. There will be door prizes.

The Pennsylvania Association for the blind will have a table for the display and. There will also be a table where food items will be on sale, the proceeds of which will go to the Welfare fund which supports such worthy organizations as the United Campaign, the Community Health Society Center in Delaware County, the March of Dimes, the Red Cross, Camp Sunshine, the Salvation Army, Planned Parenthood, and others, along with contributions to the Delaware County Scholarship Fund, the Bonwell Fund and scholarship prizes at the Swarthmore High School. The scholarship expenditures are made in conjunction with the program of the Education Committee of the club and county federation.

All Swarthmoreans are invited to attend, and it has been suggested that friends make up their tables and purchase their tickets in a block. Table decorations may be purchased as prizes, if the players wish to help further to swell the fund. Phone Mrs. Forsythe, Swarthmore 1738 or Mrs. C. H. Joglem, Swarthmore 1718, to make the arrangements you would like.

**J. ARCHER TURNER  
SERVICES MONDAY**

**Builder, Swarthmore  
Alumnus, Headed  
Boro Council**

Funeral services were held Monday afternoon in Friends Meeting House on the College Campus for J. Archer Turner, chairman of the board of the Turner Construction Company and vice-president of the board of managers of Swarthmore College. Mr. Turner's death on Friday in the Long Island College Hospital, Brooklyn, after a week's illness saddened this borough which has been his home for over 30 years. He had served it as borough councilman for six years heading that body in 1934. He was 61.

Member of a pioneer Quaker family, the son of the late Richard T. and Martha E. Birch Turner, Mr. Turner was a native of Baltimore, Md., he was a graduate of Swarthmore College in the class of 1906 and one of its most active alumni. He had been a member of its board of managers since 1921, treasurer of the board from 1931 to 1940, and was elected vice-president in January, 1945. He had agreed to head the \$5,000,000 campaign of Swarthmore College which was launched Saturday at the homecoming day.

After serving as vice-president, and executive vice-president of the Turner Construction Company, he was elected its head in 1941 and had within the month succeeded his brother Henry C. Turner as chairman of the board. The company which has offices in Philadelphia, New York, and Boston, built many of the finest industrial buildings in this section and had fulfilled strenuous war tasks.

Among those who gave memorial tributes to Mr. Turner at the Monday service were Mrs. Chester Roberts, Barclay White, Burgess John H. Pittman, Mrs. Arthur Jackson, Admiral Ben Morrell, Philip Hicks, Mrs. Charles Miller, Albert Linton, and President John W. Naason who praised Mr. Turner's deep devotion to the College and to his community.

Mr. Turner was a member of the Union League, a founder of the

**Swarthmore Plays  
Minus McCowan  
and Bierman**

The Swarthmore High football team will face a terrific task this afternoon in its game with Yeadon as it attempts to get back into winning form. The team has come through two hard games with tough and rugged opponents, who have taken a great deal out of the local eleven. This week's opponent loat to Collingdale last week by the score of 25-6 but it is no soft touch for any of the Delaware County teams.

Swarthmore will start today's game without the services of Captain Bob McCowan, all suburban tackle, and Cappy Bierman their reliable quarterback.

McCowan received a stunning blow in the face in the first few minutes of play against Glen-Nor and was unable to play the rest of the first half because of his dazed condition. He returned to the game in the second half and despite awkward bandages and lack of facial protection played a bang-up game at tackle. The blow he received apparently was more severe than suspected at first and he has not been able to return to school this week either for practice or his academic classes and he will not be able to be in there with the rest of his teammates in this afternoon's contest. Bierman has had a football knee for several years but has had no trouble with it until the Glen-Nor game.

Three prizes and Association. Three prizes and three honorable mentions were made in practically all of the six parade sections this year. **RUSSIAN OPENS  
LEAGUE STUDY**

The large study group of the League of Women Voters which had its first meeting last Monday morning at the home of Mrs. Miles Robinson, on Ogden avenue, was led by Mrs. Carl Chase of Wallingford. Based on the book "Russia, Menace or Promise" by Vera Don Micholes of the Foreign Policy Association, the outline given by Mrs. Roderick Firth covered the following questions: "What are the Russian people like? What is the Bolshevik Revolution? What is the Communist party? How is Russia governed? How much personal freedom is there in Russia? Is there freedom of Religion?"

Mrs. Chase reviewed briefly the new book "Soviet Politics at Home and Abroad" by Joseph Sherman, stressing that everyone in Russia is guaranteed employment; there is little religious freedom, no civil liberty, and no political freedom, but there is however a large social program of free education, medicine, and the like.

Discussion and questions followed the topics which will be continued at the next session on Monday at 10:15.

**Boro Quota Set  
For Chest Drive**

\$15,000 has been set as the goal of the 1947 Community Chest Campaign in the Swarthmore District. It was announced yesterday by Arthur R. Dana, director. This figure represents this community's share of the over-all quota of \$7,900,000 to be raised for the more than 150 health, youth and welfare agencies and U. S. O. whose yearly appeal is consolidated into the Community Chest of Philadelphia and Vicinity. It is slightly more than last year's quota.

The Red Feather drive, which opened last Monday, has gotten off to a good start according to Mr. Dana, and early reports indicate an enthusiastic reception by local residents.

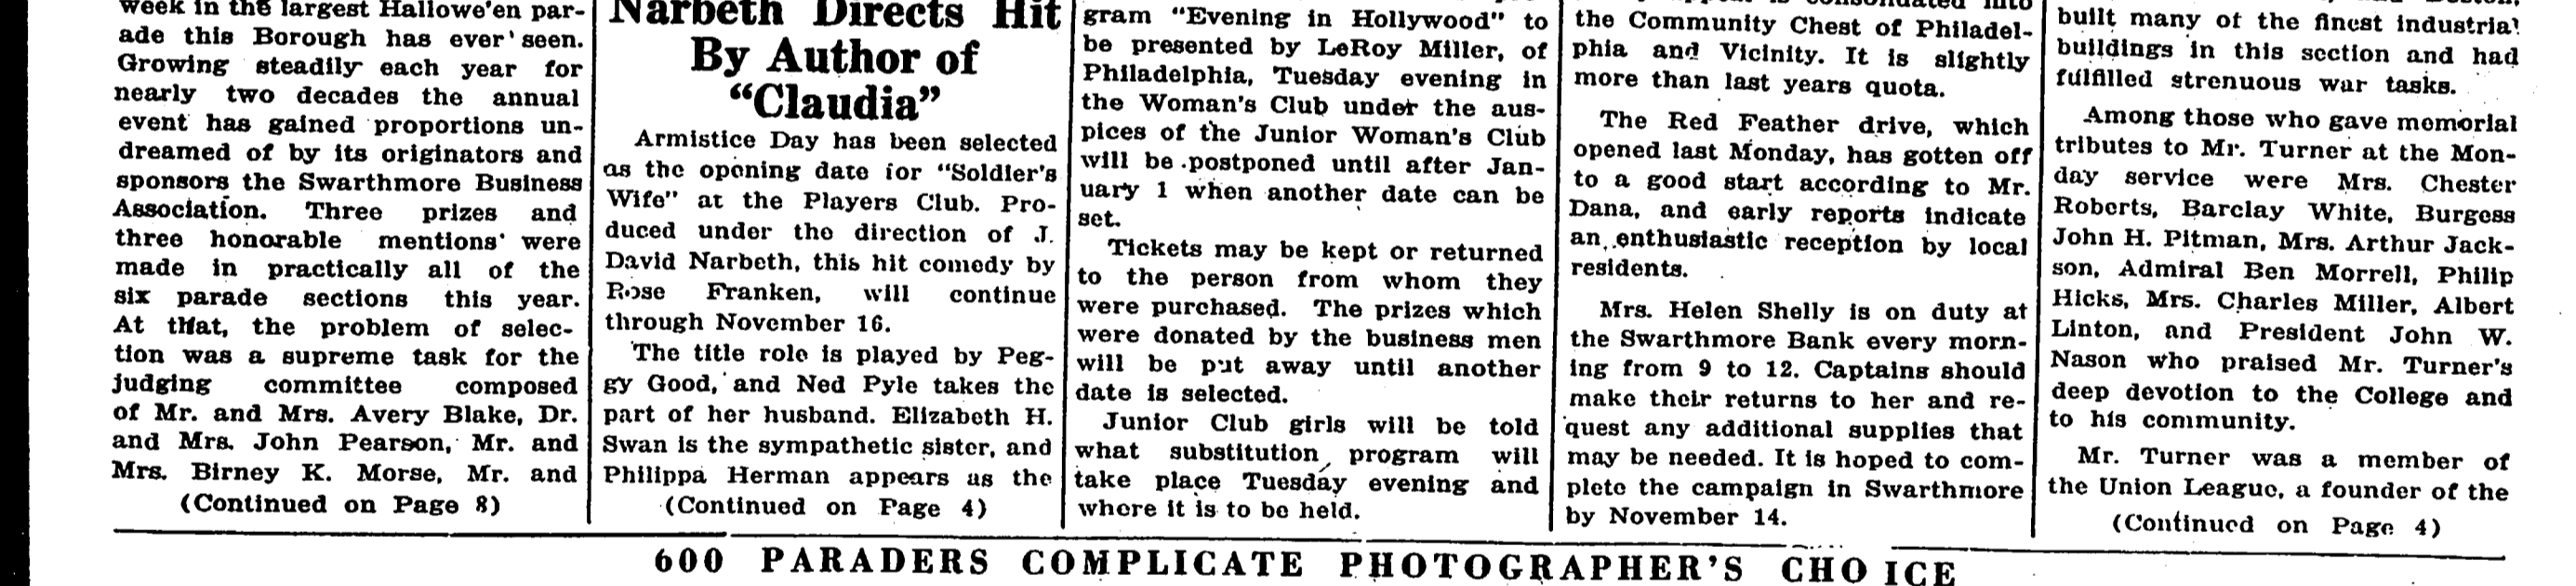

Mrs. Helen Shelly is on duty at the Swarthmore Bank every morning from 9 to 12. Captains should make their returns to her and request any additional supplies that may be needed. It is hoped to complete the campaign in Swarthmore by November 14.

**POSTPONE PROGRAM**

The originally scheduled program "Evening in Hollywood" to be presented by LeRoy Miller, of Philadelphia, Tuesday evening in the Women's Club under the auspices of the Junior Woman's Club will be postponed until after January 1 when another date can be set.

Tickets may be kept or returned to the person from whom they were purchased. The prizes which will be put away until another date is selected.

The largest Hallow'en Parade in the 15 years the Business Association has sponsored the popular community event overtaxed the camera of Photographer Laws who is vulnerable to Swarthmore's pranks. These are only a few of the rapidly recorded from a long line of ingeniously costumed marchers. Others are on display in The Swarthmorean windows. Left to right: Hobo (unrecognized); John Seybold, organ grinder with monkey and organ plus body of the evening; two more mystery characters—one from the region where men are glamorous and second robed appropriately as Queen of the Pumpkins; Peter Black in zoot suit complete with trimmings, and Holly and Susan Turner, whose current washday blues drew much applause.

PERSONAL RESPONSIBILITY It is estimated that on an average day in the United States four million people are actually disabled by illness, and countless others are afflicted with minor ailments. Not only is the economic loss incalculable, but the effect on the spirit of the nation is a factor to be reckoned. What can we do to better this situation? Certainly, at a very minimum, you can care for your own health and the health of your family. In the end, most problems are resolved in the individual's sense of personal responsibility. Observe common health rules. Consult your physician in case of illness. If medication is needed, have your prescription compounded by our expert pharmacists. MICHAEL'S COLLEGE PHARMACY On the Corner

MEMORIAL RESOLUTION

In Re: J. Archer Turner

The Burgess and Council of this Borough deem it appropriate to express their deep regret at the untimely passing of J. Archer Turner, who was a member of the Swarthmore Borough Council from 1920 to 1926 and President of Council during the last two years of his term.

Notable among the ordinances passed while Mr. Turner was president were those leading to the creation of the Central Delaware County Authority and the representation of this Borough in that co-operative enterprise.

Mr. Turner's knowledge and engineering experience were of great benefit to the Borough in questions arising in street improvement and building construction and in connection with the enforcement of the Zoning Ordinance. A threatened contest over the threatened use of the old Preparatory School buildings was solved during his incumbency when Swarthmore College purchased these buildings from the various mortgagees who had taken over possession.

Mr. Turner gave his personal aid in negotiating the purchase of the right of way leading from Park avenue to the new Post Office building.

Mr. Turner was an outstanding example of the type of citizen who is willing to give an unlimited amount of his personal time and energy in helping to administer the public affairs of this Borough.

BE IT, THEREFORE, RESOLVED that a copy of the foregoing Minutes be sent to the members of Mr. Turner's family, and that the same also be published in the Swarthmorean.

Passed this 4th day of November, A. D. 1946 (Signed) S. S. Rutherford President of Council Attest: (Signed) Elliott Richardson Borough Secretary

Approved this 5th day of November, A. D. 1946 John H. Pittman, Burgess

### WOMEN ATUNE TO MUSICAL ARTISTS

#### Local Trio Tendered Great Applause at Club

The Swarthmore Women's Club was treated to a musical performance so brilliant and so exquisite, at its Tuesday afternoon meeting, that one can only wish there were thousands present to share such perfection of sound and artistry.

Mrs. Anthony I. Ventner, chairman of Music, presented Leona Gold, violin, Robert Hilkert, cello, and Dorothy Paul, pianist, all of whom are Swarthmoreans. Mrs. Gold studied at the Curtis Institute and is now at the New School of Music, where she is studying under Jascha Brodsky. Mr. Hilkert, equally well known as Personnel Director of the Federal Reserve Bank, and an ex-president of the Swarthmore Home and School Association, has studied under Zilghero, and is now a pupil of Orlando Cole. Mrs. Paul is a graduate of the Julliard Institute and is well known as an ensemble player and teacher as well as an accompanist.

The first trio, by Lohett, in B Minor, is an early 17th century composition with a pure sweet melody and plaintive overtones.

Beethoven's Opus 11, in B Flat Major, one of his seven brilliant works for pianoforte trio, was the second selection. Its theme originated in a gay, rollicking peasant dance.

The Mendelssohn D Minor is written in four movements, beginning with a dashing allegro con moto.

Mrs. Peter E. Told, club president, introduced Mrs. Vernon J. Ellison, of Upper Darby, who made a strong plea for club and individual support of the United Campaign.

Members of the Literature Department enjoyed an excellent book review November 1, by Mrs. Suzanne H. Jeglum, of Thomas Square's "Starling of the White House."

On Friday, November 15, at 10 a. m., Mrs. Roland I. Eaton will review "Farmer Takes a Wife" by John Gould, and "Yankee Storekeeper" by R. E. Gould. This will be the activity of the Department for the month of November, according to the chairman, Mrs. Harold G. Griffin.

Next Tuesday, Mrs. George P. Warren, chairman of Drama, will present Miss Jessie Lewis in theatre reviews at the stated meeting next Tuesday, November 12.

Miss Lewis, who is a graduate of Swarthmore College, where she majored in dramatic art, will review "Plays of the Current Season." Taking care not to reveal the plots or to diminish the joy of the play when seen, Miss Lewis presents a kind of personal theatre guide, at times giving sketches from scenes from the plays. Along with a sense of what is going on, she has an excellent knowledge

of what goes on backstage. Possessed of a natural theatre personality, an unusually pleasing voice, and a delight in her subject, she assures an enjoyable afternoon.

#### Crippled Garnets Faced Yeardon

(Continued from Page 1)

Coach Robinson will be able to play Harry Warren, his up and coming fullback who also was injured last week but not seriously enough to keep him on the bench. The Garnets play last week was below par for them, particularly on the offensive. Their forward passing attack and running plays were stopped cold by the Glen-Nor outfit. However, on several occasions when it appeared that the Swarthmore team was starting a sustained drive and getting underway, they were stopped by fumbles and assignment errors in their own backfield.

Yeardon will come to Swarthmore with a record of four victories and two defeats. It has been defeated by Sharon Hill and Collingdale. Sharon Hill defeated Yeardon 33-0 and it would appear that by comparative scores Swarthmore should win for the Garnet lost to Sharon Hill by the score of 19-13 in a nip and tuck contest. However, even with McCowan and Bierman in the game for Swarthmore this would be a tough assignment for the Garnet for the Yeardon team is a capable and strong eleven. Yeardon has three good ball carriers, Bob Watson, Keene and Bantista, in their backfield and the Swarthmore line from end to end will have to be on their toes to stop these three gentlemen.

Swarthmore's chance to come through with a victory however will depend on several factors. First, whether Polk and McGilberry can get back into their ear-lier running form and add some yards to the consistent ground gaining of Harry Warren. Second, whether more protection can be given to young Huoy on his pass plays, and third, improved and consistent defensive line play during the entire game with no let-ups or temporary lapses on the part of any member in the Swarthmore line.

#### Players Present "Soldier's Wife"

(Continued from Page 1)

sophisticated newspaper editor, William James Stevens, Jr., a newcomer to Players Club audiences, portrays the cynical would-be playwright forced to write interviews for a living.

Stage manager for the production is Paul B. Banks, with J. Roy Snap as assistant, Margaret Lattimer, Erna Eckhardt and Ann Shively are in charge of stage decorations and properties. Samuel S. Bigger is the electrician and Patty Campbell handles the music and sound effects. Emma Fyle is the prompter.

As the soldier's wife says, "The coming back is almost as hard as the going away," and this delightful play proves how right she is. The story is concerned with a veteran who returns from the South Pacific to find the little world of his own family considerably changed. Miss Franken brings all the talent for light comedy she exhibited in "Claudia" to make this a most entertaining and amusing play.

### Autumn Journey . . .

In the wonderland of golden woods and fields, the eager young explorers thrill at seeing nature in her joyous mood.

And on returning home they'll delight in finding another of nature's bounties to add to their fun . . . refreshing, satisfying milk. Especially if it's **Supple Sealtest Homogenized Vitamin D Milk**.

That's the milk that has been "improved" for the children growing up today. It has the smooth, wonderful taste of cream in every drop and equal food value in every sip. It's extra nourishing because it's extra easy to digest . . . and added vitamin D affords extra bone protection.

For the hearty appetites fall brings, be sure to have smoother, richer **Supple Sealtest Homogenized Vitamin D Milk** on hand for your family. Your **Supple** milkman and your neighborhood **Sealtest** storekeeper have it for you.

#### Elect Thompson

G. Baker Thompson, principal of Swarthmore High School, has just been elected vice-president of the Pennsylvania Branch of the National Association of Secondary School Principals. The meeting at which the election was held took place in Harrisburg on October 28 and 29. This was the annual State Convention of the Secondary School Principals of Pennsylvania.

Mr. Thompson has been principal of the high school since September 1940. Prior to that time he served two years as assistant principal and theretofore as teacher of social studies in the high school. He came to Swarthmore in the fall of 1931 from Unionville, where he had taught since 1925.

Mr. Thompson is a graduate of the Pennsylvania State College where he holds a degree of Bachelor of Arts and has had graduate study at the University of Pennsylvania. Temple University awarded him the Master of Education Degree in 1932.

As president of the Southeastern Chapter of the Secondary School Principals, he provided active leadership several years ago in studies leading to outstanding programs in health and physical education and other studies relating to efficient organization of secondary schools. He has served on the Legislative Committee of the Delaware County Teachers' Association.

At the present time the cafeteria is somewhat limited in food supplies. As every homemaker knows, it is difficult to get certain items so that the cafeteria is unable to offer the attractive, tasty dishes that it plans to offer later when food supplies are ample.

tion and at the present time is active on the Legislative Committee of the State Education Association. He lives on Marshall Road, Lansdowne. His wife, being the former Marjorie Speakman of Unionville in Chester County, Mr. Thompson himself is a native of New London in Chester County. They have one daughter, Patricia.

#### Hear Mrs. Barnes

Six officers and chairmen of the Women's Club heard Mrs. George Emerson Barnes deliver the opening address at the institute of the Delaware County Federation of Women's Clubs on October 31. Mrs. Barnes, a past president of the New Century Club of Philadelphia, and wife of Dr. George Emerson Barnes, of the Overbrook Presbyterian Church, talked on "Club Ethics and Opportunities."

Mrs. Barnes believes that, next to the church, the women club exerts the most potent influence on the community. It follows that club leaders bear an ethical responsibility which parallels their civic responsibility. "We can be leaders," she said, "and there must be high standards of leadership."

"Do you elect your club president because she has money and can give lovely luncheons, or because of social prominence, or because of popularity, or because she has those qualities of leadership and vision which should go with such a responsibility is a question each club should answer."

In a lighter tone, Mrs. Barnes listed some don'ts for club women, gathered from the complaints written by 10 club presidents whom she polled. Among the "don'ts" were whispering during meetings; committee heads making wordy, usually unwritten reports; coming early and taking the end seat of a row; coming late, which so often implies discourtesy to guests and entertainers as well as fellow club members.

Opportunity was Mrs. Barnes' last point. She recommended reading "While Time Remains" and the pressing need for sound thinking and civic and national leadership, greater than ever in this time. "You have no business not to be willing to think," said Mrs. Barnes, who blames the radio

and newspapers for one's substitution of canned thinking for one's own mental processes. "Do your own thinking," she urged, and added that it was a club responsibility to stimulate the thinking in its group and in the community.

Following Mrs. Barnes' talk, institute for various club officers and leadership of county officers.

#### Mark Book Week

"Books are Bridges" is the theme for the National Book Week celebration to be observed in the Swarthmore Public Library during the coming week, November 10 to 16. More than 200 of the newest juvenile books will be on display, and, as is the custom, each person may reserve one book to be secured on Saturday, November 16.

Beginning next Monday, November 11, the subsidized, Federal lunch program will be put in operation in the Rutgers elementary school. Under this program, the children will be offered a portion of meat, or meat substitute, a serving of vegetables or fruit, a half-pint bottle of homogenized vitamin D milk, and a slice of bread and butter.

The charge for this lunch is only 15 cents. The additional cost of this lunch is made up by the Federal government under its subsidy plan. Milk is being offered at four cents a bottle for those who wish to bring lunch from home or wish to have an extra bottle of sweet milk.

At the present time the cafeteria is somewhat limited in food supplies. As every homemaker knows, it is difficult to get certain items so that the cafeteria is unable to offer the attractive, tasty dishes that it plans to offer later when food supplies are ample.

**Saturday Dancing Class**  
The Junior Assemblies opened their 17th season last Saturday night with a large attendance for the seventh, ninth and 10th grades.  
Tomorrow evening, the eighth grade, with Mr. and Mrs. John Schumacker and Mr. and Mrs. Hilkert as chaperones will begin its season. Mrs. Hilkert is chairman of this group.  
The senior assembly will follow for the 11th and 12th grades with

Mr. and Mrs. William S. Patton and Mr. and Mrs. Daniel S. Morse chaperoning. Mrs. Patton and Mrs. Morse are the chairman for the 11th and 12th grades respectively. This dance for the seniors will be informal.  
Mrs. James D. Nelson returned by plane to her home in Spartanburg, S. C., Tuesday morning after a two-week visit with her parents Mr. and Mrs. Carl de Moll of Park avenue.

**To Hold Bazaar**  
Hugh C. McClelland will open the bazaar at 12.30 p.m. Local committee members include Mrs. O. Narbeth, Mrs. William H. Brown, Mrs. Agnes H. Sheldon, Mrs. W. E. Martin, Mrs. George W. Wellburn with Mrs. J. H. Gordon McConechy, chairman.

**CALL SQUARE DANCERS**

The Community Square Dance Group, organized by the women's physical education department of Swarthmore College, will meet in the women's gymnasium on the campus next Wednesday evening from 8 to 10 o'clock. This is the second in a series of ten dances. The group is still open to those who are interested in learning to square dance or to those who have danced before. There is a small admission charge to the dances to cover the costs of the orchestra.  
Irene Moll, who has had extensive experience in teaching and calling square dances, is in charge of the group. Her group at the Philbrook Art Center in Tulsa, Okla., was one of the most popular features of the Center. She has also organized and directed large groups in Dallas and Denton, Texas, where she was assistant professor of physical education at the Texas State College for Women.

Miss Moll urges any one in the borough or in the neighboring community who would like to take part in this weekly recreation program to make a special effort to attend the meeting of the group on Wednesday, November 13, as the enrollment is limited due to lack of space.

**Parents Entertain**

Seventh grade parents met Wednesday evening, November 6, in the social hall of the Presbyterian Church for dinner and to entertain members of the faculty and their wives.  
The reason for this meeting was to establish friendship and understanding in this group that hopes to work together these next six years, therefore no program was planned.  
A delicious dinner, attractively served by Mrs. Harold Ogram and her efficient committee was enjoyed by all. Mrs. W. R. McHenry is chairman of the "grade parents."

**New Group Formed**

Alcoholics Anonymous, an organization of men and women to aid with the alcohol problem, opened a branch in Media last week. Meetings will be open only to alcoholics and members of the medical profession.  
Further information may be obtained by addressing Box 691 Media.

**AMEND DEATH RECORD**

Mrs. Joseph M. Youmans of South Orange, N. J., widow of Second Lieutenant Youmans, formerly of Elm avenue, has been notified by the Adjutant General of the Army that her husband had been transferred from the prisoner of war ship Oryoku Maru after its bombing, to the Enoura Maru which was sunk by allies planes on January 9, 1945. Previous information had led the War Department to announce Lieutenant Youmans killed in action in the former sinking which occurred December 15, 1944.

Thoughtfulness makes good neighbors...

ON PARTY-LINE telephones, too!

Thoughtful, considerate acts go a long way toward making good neighbors... and good party-line telephone service. Good neighbors share the line considerately by keeping calls brief, by spacing calls so that others may use the telephone in between, by hanging up gently when the line is in use.

The Bell Telephone Company of Pennsylvania

Maria Hanzlik of Cornell avenue a senior at Penn State, will spend next week-end with her brother Bob Hanzlik a Junior at the University of Michigan and they will attend the Michigan-Wisconsin game, Saturday.  
Mr. and Mrs. Arthur R. Dana of Elm avenue were joined over the week-end by their daughter Gerri Dana, a sophomore at Connecticut College for Women, and their son-in-law and daughter Dr. and Mrs. John H. Hawkins of New York City. Mrs. Dana and Mrs. Hawkins drove Gerri back to college Monday.  
Mr. William F. Hanny of Yale avenue is recuperating at his home following a heart attack on Tuesday evening, October 29.

Begin Dental Care  
On October 1 Swarthmore High School began a new dental program in accordance with the state law under Helen Orr, dental hygienist of the school. This new system provides examinations for pupils of every other grade (starting with first) by regular dentists of the town. The law is done by Dr. Frederick Patman, Dr. Parker Stamford, and Dr. Peter Coste. Parents are invited to attend the examining of their children or else notices are sent home to inform them of needed corrections. The other grades are taken care of by Miss Orr, who checks and cleans their teeth.

**THERE SIMPLY ARE NOT ENOUGH NEW CHEVROLETS TO GO AROUND**

We are getting our fair share of the current production of new Chevrolet passenger cars and trucks. And as strikes and shortages decrease, as the Chevrolet plants are able to produce more and more new passenger cars and trucks, we'll get more and more of them to deliver to our customers.  
Meanwhile, as long as shortages do exist, it is our purpose to apportion our share of the new Chevrolets available fairly and justly among the many customers, new and old, whose continued friendship and patronage are the keystone of our business.

So that you may have no doubt as to our method of distribution of new Chevrolet passenger cars and trucks, we make the following—

**DECLARATION OF POLICY**

- PRIORITY**—New Chevrolet cars and trucks will be apportioned on the basis of: (1) essential public services, (2) veterans' occupational requirements, (3) priority of date in placing orders.
- PRICES**—All new Chevrolet cars and trucks will be sold at the authorized prices current at time of delivery.
- TRADE-INS**—No trade-in will be required from any customer who does not have a car to dispose of at the time of the transaction. Customers who do have cars will be given allowances based on honest appraisal and fair value at the time of delivery.
- ACCESSORIES**—No customer will be asked to purchase accessories as a condition of securing delivery.
- STATUS OF ORDERS**—Customers will be informed, upon request, of the true status of their orders in our files.
- NEW ORDERS**—We welcome your order for a new Chevrolet at any time.

WE THANK YOU FOR YOUR PATIENCE AND LOYALTY IN AWAITING DELIVERY OF YOUR NEW CHEVROLET

**MASQUERADERS IN GALA PARADE**

(Continued From Page One)

The fine performances of the high school band, given annually in connection with the event, added immensely to the spectacle, completely dazzling any onlookers who somehow miss witnessing this student group's drilling ability at football games and other functions. The band played the Borough Hallowe'en song written four years ago by the Rutgers avenue school fourth graders. The words of the verse published in The Swarthmorean two weeks ago were sung. Last year's fifth graders at College avenue school added two more verses.

Over in the corn field  
Lying on the ground  
Near the tall brown corn shocks  
Pumpkins can be found.  
Come and join our party  
In your costumes gay  
Bob for big red apples  
On this autumn day.  
The time-tried appeal of old  
nursery rhyme, well executed by  
Jean and Karen Schlossers.

brought Mary and her Little Lamb in as first prize winners in the Fancy Dress Section. Cornelia McKernan and Freda Billstein with the charm of Old Fashioned Girls placed second. Carol Cochrane, a late Rosebud, was third. Honorable mention in this section went to Mrs. S. H. Hemenway and Joan Hemenway in period costumes, Leslie Ann Kurtzhals in Chinese garb.

Another favorite of childhood led the prize winners in the Comic Section when John Seybold captured first as monkey-toting organ grinder. David Hay won second in this section with his "on shoulder" get-up. Recognizing breadth as well as height the judges then awarded third prize to Fred Witt, a Fat Boy.

The Original Section winners were Roger Livingston, depicting family transportation of the future, first; Jane and Gordon McAlpine as Mother Rabbit and Peter, second; Hugh Robinson, a traffic light in operation, third. Randa Rosa, a corn shock; Connie Russell, the Ghost of the OPA; and Joseph Storzani, a wounded sailor, received honorable mention.

In the I-Made-It-Myself Section Robert Stillwell captured first place with a subject on the minds, if not the tongues of all, Meats; Bo Poop and Humpty Dumpty joined the Mother Goose throng to bring Lyn and Skip Bernard second prize. Susanne Bell brought sympathetic alphas from every housewife present and won third prize with her plaque of scarce commodities under the heading "Playing Hard to Get". Honorable mention in this section went to Dick Danforth, as Donald Duck; Neil Bell and Peter Brown, William Tell and son; and Fatsy Blake, cave man.

Adult Section winners were: Mrs. Robert K. Enders, as little old lady fifth famous Marjorie face, first; Maxey Morrison, cowboy, second; Theresa Young, farmer wearing mask made by Mrs. Enders in school kindergarten, third. Mrs. Enders and Miss Young, their line of vision obstructed by their masks, first led along the line of march. 75 year-old Mrs. Allen Enders, in costume. The handsome Count of Monte Cristo with his stately countess preferred to circulate on their own refusing to allow even the judges to penetrate their mystery.

Group Section winners were: first, Enders Summer (Charlotte and George Broadhead and Bruce and Bobby Kahler); second, Bridal Party (Billy Ziegenfus bride, Alfred Grover groom, Bert Kroon preacher; Ruth Anne Richards train bearer; Noel Snyder, Barbara Ziegenfus, Donald MacElwaine, Gary Hoffman, flower girl; Russell Snyder bridesmaid; David Snyder, mother of the bride and Michael Bender, the bride's aunt); third, Comic Strip (Dagwood, Penny Morrow; Blondie, Jane Patterson; Mr. Dithers, Elizabeth Forsythe; Alex, Dobby Lukens; Cookie, Honey Elser). Honorable mention was awarded: Mary and Martin Every, Andy Roxby and Charlie Wentz, as cowboys representing the four Dalton Brothers; Muriel Watkins (Joan of Arc), Ruth Garrett and Fopsis Gearing (Façes); Catherine Mennen and Joan Marie McCathery (Dutch Twins).

**Women Hear Gladys Brown**  
Miss Gladys Brown, executive in charge of the Alice Hyson Mission at Ranches of Taos, N. M., will be the speaker at the Presbyterian Woman's Association meeting on Wednesday, November 13.  
Miss Brown, who has a background of a missionary home in Mexico, a first-hand knowledge of Spanish and a special interest in education, will use as her subject, "The Ladies of Enchantment." She will tell of her busy and active life in a school of a hundred boys and girls and activity in the community carrying out a program of religious, health and educational work.

Mr. and Mrs. Max Esel of Rutgers avenue entertained Mrs. Esel's parents Mr. and Mrs. W. O. Munroe of Union, N. J., as their guests the week-end of October 26.

**FATHERS ASK FOR ATHLETIC FENCE**

**School Board Studies Current Matters Thursday**  
The erection of a fence around the Rutgers avenue athletic field was urged upon the School Board at its meeting last week by a committee of fathers, consisting of F. R. Lang, chairman; Waldo Davison, E. H. Taylor, A. G. Gwinn, Dr. George P. Warren, Frank McCowan, and Stuart Thorbahn. Mr. Delaplaine president of the Board reported it is considering the erection of a fence around this field as well as around the Riverway field, in order to provide protection of the properties. The committee also urged the adoption of baseball as an official spring sport of the school.

Mrs. Raymond K. Denworth, secretary of the Board, was appointed official delegate from the Board to the meeting of the State School Directors Association to be held in Harrisburg in February. James H. Miller was authorized to attend the State Education Association meeting in Harrisburg in December as a delegate from the County Teachers' Association.

**LOCAL HIGH PLAYS RIDLEY TOWNSHIP**

**Robinson's Eleven Prepared For Hard Game**

The Swarthmore High School team will attempt to stay in the winning column this afternoon against the strong and experienced Ridley Township eleven. The game will be played on the local field and the reported starting time is 2:45 p.m.

The Swarthmore team will enter today's contest at full strength, Captain McCowan having recovered completely from a slight concussion he received from a blow in the face in the Glen-Nor game and "Cappy" Bierman once again able to go places on both feet because of the excellent treatment his trick knee received from Swarthmore College training section.

The Swarthmore team regained most of its earlier form in winning against Yeaton last Friday. The line bottled up the Yeaton runnins plays very adequately and the Yeaton could gather little yardage from their aerial attack. It was evident from their forward passing efforts that they had good passing plays.

The running attack of Swarthmore was able time after time to sweep the Yeaton team's ends, with Polk and McGilberry contributing yardage that was notably absent from both the Glen-Nor and the Sharon Hill games.

In today's game Ridley Township is the favorite. In its game with Darby High last Saturday it swamped the opposition 38-0. Darby High was Swarthmore's first opponent and the Garrets defeated them but did not outclass them as Ridley Township has done.

**Dr. Hazard to Speak**  
The William J. Cooper Foundation and the Departments of Economics and Political Science of Swarthmore College will present Dr. John N. Hazard, professor of Public Law, Russian Institute, Columbia University, on Thursday evening, November 21, at 8:15 P.M., in the Friends Meeting House. Dr. Hazard's topic will be Russian-American Economic Relations.

**Drive Level Well Maintained**

"Swarthmore is responding to the appeal of the 1947 Community Chest Campaign in a heartening way," it was stated yesterday by Arthur B. Deane, director of the Swarthmore District. He indicated that the first week's solicitation showed local residents were subscribing at the same level as in previous years, with a number actually increasing their gifts.

"Our Community recognizes the increasing need of the various agencies comprising the Chest," said Mr. Deane. He pointed out that the Community Health Society of Central Delaware County, one of the prominent local Red Feather services, is located in Borough Hall. This agency serves the section of the county made up of Springfield and Ridley Townships and the Boroughs of Swarthmore, Morton, Rutledge and Ridley Park.

**HOWARD BASTIAN BURIED TUESDAY**

**Death of Early Resident Shocks Many Friends**

Howard Bastian, who lived at 210 South Swarthmore avenue, for the past 34 years died at 11 o'clock Friday morning, November 8, in the Taylor Memorial Hospital, Ridley Park. Mr. Bastian was admitted to the hospital on Wednesday following cerebral hemorrhage the day before. He was stricken at dinner time after a normal day of walking up town to market and having "cast" his vote in Tuesday's general election.

Born in Philadelphia on February 4, 1888, the son of Christopher and Ella Bastian he married Pearl Wagner of Swarthmore on June 4, 1912, and moved to the borough.

Formerly connected with the Phosphorus Bronze Smelting Company in Philadelphia, Mr. Bastian retired about 20 years ago. Since then he was well known through his sport fishing, a hobby he pursued at Ocean City where the family maintained a summer home.

Surviving besides his wife are a daughter Pearl (Mrs. Augustus S. Flus) and a granddaughter, Kathleen, who live at the Swarthmore avenue address; a brother Elmer A. Darby and a sister Mrs. Mahlon A. Rae of Shillington.

Burial in Arlington cemetery, Lansdowne at 2 o'clock Tuesday afternoon followed services in Philadelphia conducted by Dr. David Braun, pastor of the Swarthmore Presbyterian Church.

**Established Home Here**  
Mr. and Mrs. Felder J. Coffin Jr. are making their home at 501 Yale avenue. Before her recent marriage in St. Paul's Church Chester, Mrs. Coffin was Miss Edith Cramp, daughter of Mr. and Mrs. Edmund Cramp, of the Harvard Inn.

Mrs. Coffin, who served several years as a pharmacist's mate, first class in the Waves and was the only Wave ever to be assigned sea duty, will also be remembered by local residents for her many performances at the Players Club before the war. While stationed in San Diego she appeared in a number of Naval dramatic productions.

Mr. Coffin, the son of Mr. and Mrs. Felder Julliard Coffin, of Bronxville, N. Y. and Sarasota, Fla., lived at the Bishop home on Harvard avenue prior to his marriage.

**Kappas to Meet**  
The Kappa Kappa Gamma Sewing Group will hold an all-day sewing meeting at the home of Mrs. Frank Fetter, of 5 Centerbury Lane, Dr. Davids, on Tuesday next. For information about transportation, call Mrs. Sewall W. Hodge, Swarthmore 0280.

**PLAYS REVIEWED FOR CLUB WOMEN**

**Enjoy Drama Talk Tuesday; Welfare Party Next**

Breccas from Broadway swept through the Woman's Club of Swarthmore last Tuesday when Jessie Lewis, of Lansdowne, devotee of the theatre delighted members and guests with resume of plays of the current season.

Of the twenty-nine offerings on Broadway this week, Miss Lewis pointed out that 16 are hold-overs from last season, or in some instances, from several seasons back. Of the 13 new offerings, five are revivals. "While all of these are plays of merit, we must recognize the fact that a theatre dominated by old plays and revivals has lost the forward impulse of a public enterprise and is contributing nothing to the thought of the day. Why does this condition exist? Because six years of conflict have left the world exhausted, physically, mentally, and spiritually, utterly drained of vitality. Our most gifted playwrights reflect this spiritual depression. Noel Coward, George Kelly, Ben Hecht, Charlie MacArthur, Eugene O'Neill have offered new plays this season, and all have failed to measure up to what an eagerly awaiting public expected of them. Now, as always, the theatre reflects the very age and body of the time. His form and pressure.

The problem plays on Broadway deal with the persecution of the Jew, race relations, political situations, and the general hopelessness of the present. The birth of the American Repertory Company headed by Margaret Webster, Cheryl Crawford, (continued on page 5)

**3rd "MUM" SHOW DRAWS 8,000 HERE**

**Three Day Display Spurs Amateur Efforts**

Eight thousand spectators viewed the 1946 Chrysanthemum Show in the Swarthmore College Field House Friday, Saturday, and Sunday. This third annual display of the war years' gap since 1941 to draw the largest crowd in its history. On Sunday 6000 persons crowded the Field House, to such an extent that only the earlier visitors had opportunity to appreciate the show's effective panorama.

Harry Wood Superintendent of Swarthmore College grounds was the local member of the Chrysanthemum Show committee. He was pleased with the show, its attendance, and the large number of Swarthmoreans who attended it. The show was open to the public without charge.

General enthusiasm was expressed as well as appreciation of the commercial exhibits which added to the show's scope and instructive information. The berried or fruited trees and shrubs attracted much interest. The Pennsylvania Horticultural Society and the Philadelphia Branch of the National Association of Gardeners with the co-operation of the Arthur Hoyt Scott Horticultural Foundation sponsored the show.

Entries from this vicinity which won awards included Mrs. Herschel G. Smith, Wallingford, and T. L. Furnell of Cornell avenue, both in the vegetables and fruits class. In the arrangement class, buffet supper table, the Providence Garden Club won third prize; and in arrangements, any material plus chrysanthemums, Mrs. James P. Henry, Wallingford, won the first award.

**L.W.V. Schedules Strauss-Hupe**

Mrs. Herbert F. Fraser, chairman of the League of Women Voters Foreign Policy Committee, has secured as speaker for the luncheon meeting to be held Friday, November 22, Robert Strauss-Hupe, professor of Political Science in Wharton School, University of Pennsylvania.

Professor Strauss-Hupe is the author of several books in geopolitics and other fields of international relations.

The luncheon, at 1 o'clock in Whittier House on the college campus, is being arranged by Mrs. Henry A. Piper, chairman of the Hospitality Committee. Included on the committee are Mrs. J. V. S. Blane, Mrs. A. Brauns, and Mrs. Edward W. Furst. In the League study group which met for the second session last Monday morning at 540 Ogden avenue, Mrs. James Perkins gave reports on the questions: "Is Russia Imperialistic?" and "What was her foreign policy before 1939?" Mrs. Richard Brandt spoke on the questions: "What is the Soviet economic system?" and "Can Russians own personal property?" Mrs. Vinodown covered the questions: "What is the fourth 5-year Plan?" and "Is Russia Nationalistic?"

**MRS. S.W. JOHNSON DIES SUDDENLY**

**Active Boro Woman Succumbs To Stroke**

Funeral services were held Monday afternoon in Philadelphia for Mrs. Lydia W. Johnson of 41 Amherst avenue. Mrs. Johnson suffered a fatal stroke Friday afternoon, November 5 in the Jefferson Hospital, Philadelphia, where she was recovering from an operation performed the previous Monday.

Born in Brooklyn, N. Y., the daughter of Charles and Marie Johnson, Mrs. Johnson had lived in Swarthmore more than 27 years. She was an active member of the Swarthmore Methodist Church, and the Swarthmore Branch of the Needlework Guild. Mrs. Johnson's artistic ability was shown in her exquisite needlepoint designs and in her creative metal work.

She is survived by her husband, S. W. Johnson; by two sons, Howard W. of Chatham, N. J., and Warren D. of Nottingham; by six grandsons; and by two sisters, Ellen D. Johnson of New York City and Mrs. Agnes E. Stromgren of Chester Heights, and a brother, O. Rudolph Johnson of Brussels, Belgium.

Services were conducted by the Rev. Dr. Roy N. Kelsor, Interment was in Arlington Cemetery, Drexel Hill.

**NEW WRITINGS PUBLISHED**

Mrs. Theodore Paullin of Harvard avenue is the author of a new book "Karen is Three" which was released in October by publishers, Oxford University Press, New York City. "This Little Boy Went to Kindergarten" was written a few years ago by Mrs. Paullin and the author gives credit to Mrs. J. J. Crookston of Rose Valley whose classes Mrs. Paullin attended at Friends Central.

Mrs. Paullin's children's story "The Singing Chimney" and an article on "Inexpensive Books for Children" appear in the November issue of the Country Gentleman.

**Legion to Meet**

The American Legion will hold a meeting Monday evening, November 18, at 8 p.m. in the Legion room in Borough Hall. All G.I.'s and ex G.I.'s both men and women who are interested may attend and take with them their service record and discharge.

**FRASER TO DIRECT GERMAN ECONOMY**

**Swarthmore Professor Sails For Year Abroad**

Herbert F. Fraser, professor of economics at Swarthmore College, sailed on November 15 for Germany to determine the chief of public finance for Wuertemberg-Baden, an area of southwestern Germany comprising about one-third of the American zone. As a branch of the military government Mr. Fraser's department will supervise expenditure and taxation for the region.

Commenting upon a popular election to be held on November 24, which will create a legislative body to determine a budget Mr. Fraser expressed the belief that acceptance by the German citizens of the democratic constitution now being proposed will bring better cooperation to American directional activities and present the office is working through the German government finance ministry, but it is expected that better cooperation will be possible with representative leaders.

Embarking for Bremerhaven on the Marine Robin, Mr. Fraser expects that his first destination will be Frankfurt where he will enter into consultation with military and finance officials. His work will require a leave of absence from Swarthmore for at least a year, said Mr. Fraser who has been a member of the college faculty for the past 15 years, and has lectured at Haverford and Grinnell Colleges, and Duke University. For ten years he was associated with a firm engaged in foreign commerce, and his government experience includes 15 months with the State Department and a summer with the Consumer's Advisory Board of the NRA. Educated at the University of Aberdeen in Scotland, Mr. Fraser is a Fellow of the Royal Economic Society, and has written several books pertaining to international economic and financial problems.

**JUNIORS LEARN JAPANESE LIFE**

**Red Cross Experiences Told; Hobby Night Next Week**

Margaret Latimer was the program speaker at the Junior Woman's Club meeting Tuesday evening in the Club House. She gave a vivid account of her interesting experiences and findings in Japan while working there with the Red Cross for six months after the close of the war. Miss Latimer spoke of the customs of the people, their houses, their dress, the climate of the country in comparison to ours, and of how the Japanese and Americans worked together in the hospital.

Coffee and doughnuts were served by Alice Marriott and her refreshment committee following the program. A stated meeting preceded the speaker, at which time plans for the Christmas dance to be held December 27, in the Club House, were discussed. Members working on the decoration committee are: Mrs. Arnold Redding, Mrs. Peter L. Miller, Polly Crothers and Mrs. Wayne Gersen. Jean Evans will make posters for display in the village. Wallace and Jones is in charge of tickets. Wallace Lippincott, Bobby Blakiston and Anne Cochran are working on the orchestra committee.

Next Tuesday at 8 p.m. in the auditorium of the Club House, the Junior Club will meet for its second Hobby Night. Girls are reminded to bring needle and thread. Several members are still knitting squares for the afghan, which they will continue next week.

GUILD INTAKE SURPASSES 1945  
Improved Garments For Charity Grati-fies Workers

Over 2,800 items, the harvest of the Needlework Guild In gathering, was a gratifying total for these times when merchandise is so difficult to obtain. Not only was there a greater number of garments this year, as compared to last, but there was a noticeable improvement in the quality of the articles submitted, according to Mrs. Seymour S. Rutherford, president of the Needlework Guild of Swarthmore.

Tea was served to members and contributors who came to view the garments arranged and ready to be packed and sent out to the 15 charities, missions and orphanages which the local Guild supports. About one half of the articles go to the Family Service and local Health Center, and are sure to bring Christmas cheer to the needy, to say nothing of providing household items and children's clothing throughout the year.

At the election of officers for the coming year, Mrs. Rutherford was chosen to serve again as president, and the other officers filled as follows: first vice president - Mrs. Birney K. Morse; second vice president - Mrs. William H. Thatcher; secretary - Mrs. Edwin W. Crosby; assistant secretary - Mrs. J. Dillwyn Durnell and treasurer - Mrs. Cecil D. Howard.

PLAYS REVIEWED FOR CLUB WOMEN

(Continued From Page One) and Eva LeGallienne, is the most important development in the theatre this season. To their superb production of "Henry VIII" and delightful presentation of "What Every Woman Knows" seen in Philadelphia earlier this season, will soon be added Ibsen's "John Gabriel Borkman."

Theatre Inc., which is notoriously because it is a noncommercial undertaking, was responsible for the current revival of Shaw's "Pygmalion" and John Synge's "The Playboy of the Western World."

Most outstanding and completely satisfying of all the revivals now on Broadway, according to Miss Lewis, is the Jose Ferrer production of Rostand's immortal "Cyrano de Bergerac."

Among the problem plays are "Deep Are the Roots," "A Flag Is Born," "State of the Union," and "Born Yesterday." The speaker felt that "Happy Birthday" in which Helen Hayes is starring is a tawdry vehicle for a really great actress. "Present Laughter" Noel Coward's latest offering was called brittle, sophisticated, witty and amusing though not Coward at his best.

Musicals are "Annie Get Your Gun," "Three to Make Ready," "Show Boat," "Oklahoma" in its fourth year, "Carousel," "The Red Mill" and "Gypsy Lady." Here too revivals predominate.

Miss Lewis, who majored in Dramatic arts at Swarthmore College, read a scene from "Lady Windemere's Fan" with charm and sparkle. She was presented by Mrs. George P. Warren, chairman of the welfare department, at Swarthmore College, at a luncheon at her home Tuesday in honor of Miss Jessie Lewis, who later was guest artist at the Swarthmore Woman's Club.

Mr. and Mrs. J. George Breitling of Swarthmore avenue attended the wedding of Miss Elynn Margaret Viehoever daughter of Dr. and Mrs. Arno Viehoever of Washington, D. C., formerly of Swarthmore, and Mr. John William Chesley, Jr., in St. John's Episcopal Church, Broad Creek, Md., Saturday.

Mrs. J. H. Heydrick will speak on the "Art of Living Together" at the Gibbons home, Baltimore pike on Tuesday next at 2:30 o'clock. Mr. Henry Faust will be in charge of the musical part of the program.

Education Committee Meets  
Mrs. George Schobinger, chairman, was hostess to her education committee last week when plans for the Welfare Bridge along with the program for the coming year were made. The present inductees were: George M. Allen, Mrs. Leonard L. Ashton, Mrs. Guy S. Deming, Mrs. Hugh Denworth, Mrs. Raymond K. Denworth, Mrs. George C. Greene, Mrs. Helen Hall, Mrs. Er C. Green, Mrs. Robert N. Edward N. Kay, Mrs. Ross W. Marriot, Hilbert, Mrs. John W. Nason, Mrs. Kenneth M. Reed, Mrs. Seymour S. Rutherford, Mrs. Walter A. Schmidt, M. Ford, Mrs. Terry, Mrs. Earle P. Yoken, and Mrs. Peter E. Told, club president.

Book Review Scheduled  
Mrs. Roland L. Eaton will review "Farmer Takes A Wife" and "Xankee Storekeeper" at the club house at 10 a. m. today, Friday, November 15, at the meeting of the literature department, under the chairmanship of Mrs. Harold G. Griffin.

SCHOOL NEWS

**GARNET VS. LANSDOWNE**  
Thursday, November 7, the hockey teams met Lansdowne on the Lansdowne field. The Garnets won both games. Varsity score was 2-0. Both goals made by Capt. Doris Black. The Jay Vee score was 1-0. Ann Bromall, center half-back made the goal. Both teams played well although under the handicap of an irregular field.

**PROJECTION CLUB**  
Many students do not realize the tremendous amount of service the club renders. In addition to showing movies for classes and assemblies, they run music during the lunch period, make recordings for Miss Adams, Mr. Holm, Miss Blodgett and various other teachers.

This year the enrollment totals 55. Instead of having regular meetings as they did last year, the members come when both they and Mr. Udell have free periods. These conferences have three or four members conferring with Mr. Udell, instead of unorderly crowds showing to get at the apparatus. There are no officers and it seems to work better without any. Perhaps there will be later in the year.

**SCHOLARSHIP TEST**  
The four members of the senior class of Swarthmore High School who have been selected by their classmates to take the Pepsi-Cola scholarship tests are Graham Foster, Andre Wilcox, Carolyn Morse, and David Campbell.

These tests are given on a national basis, and from their results one-hundred twenty-one 4 year scholarships are given by the Pepsi-Cola scholarship board to any accredited college in the country. Each scholarship covers full tuition and academic fees in addition to an allowance of twenty-five dollars per month to help defray the cost of board, room, and expenses. Traveling expenses at the rate of three cents per mile for one round trip from

**What's Wrong with this House?**  
FOR SALE  
Answer:  
That crazy little door, of course! Perhaps that's not enough to discourage buyers today, but that's the same kind of trouble that many people really do have with their electric service! Entrance facilities for electricity are too small in most cases—and homes cannot get enough electricity to run electric appliances efficiently. If you plan to build or remodel—plan, too, to include modern wiring that will accommodate all your demands for modern electric living. Don't starve your electric appliances!

RIFLE TEAM WINS The indoor shooting season opened Wednesday night, November 6, when the Swarthmore Rifle and Pistol Club traveled to the Llanerch Rifle Club's range at Llanerch, Pa., for the first match of the season. The Swarthmore team won the match with an aggregate score of 1866 to Llanerch "B" team's 1233. Two points were thereby credited to the local club in the Middle Atlantic Indoor Rifle League scoring. Three more points went to Swarthmore for the high totals in the prone, offhand, and combined sitting and kneeling positions giving them all of the five points possible for the match. Llanerch, which has two teams entered in the league, sent their "A" team to Swarthmore Wednesday night, November 13th, for the second match of the season. Other teams in the league are Mercury Gun Club, West Chester, Sinclair, Delaware and Coatesville Rifle and Pistol Clubs. Swarthmore competes against the latter team on the Swarthmore range next Wednesday, November 20th.

COLLEGE ELEVEN VS. HAVERFORD

Swarthmore Closes '46 Season With Old Rival

The Swarthmore College Football Team will wind up the 1946 season with its traditional "Little Quaker" rival, Haverford College on Saturday, November 23 at 2 p.m., on the Haverford athletic field.

This will be the 36th game of the Quaker series which started in 1879, the Swarthmore Team having won 22 times, lost 12 and tied 2.

Our local college eleven has a record this season of three victories and three defeats, and two games to play. They have defeated Franklin and Marshall 7-6, Ursinus 19-12, John Hopkins 6-0, and lost to Westoyan 26-0, Muhlenberg 62-13 and Dickinson 14-0. Swarthmore plays Drexel at home tomorrow for their seventh game.

The Haverford record reflects a similar in and out season for their first post-war football eleven, having won from Susquehanna 20-6, Ursinus 7-0, and Hamilton 40-14 and lost to Drexel 33-20 and Westoyan 33-0.

However, a review of the comparative scores of the two elevens is no basis for measuring the quality of the play or the efforts that will be put into this game. Both teams will enter the game as always in the past with the determination not only to win but also to establish a new record in the traditional series. This fact creates a situation in which anything may happen and makes this game an interesting, spectacular and exciting one to which the Old Grids of both schools return to college to again join their cheering sections and get behind their football teams.

Selected In the seventh Middle Atlantic Intercollegiate Hockey Tournament held at Bryn Mawr Saturday, Lafayette College, a senior at Temple University, was selected as a member of the All-College First Team. She was also chosen as their captain.

This is the third year Miss Putnam has made the All-College First Team.

Appointed John Howe Hall, of Strath Haven avenue has been appointed vice chairman of the steel division round table committee of American Foundrymen's Association, according to Chicago headquarters of the technical society.

LOCAL HIGH PLAYS "SOLDIER'S WIFE" AT PLAYERS CLUB

The Ridley Township team possesses a potent attack which will be bottled up as well for they will get by the Swarthmore defense if given half a chance.

Today's game will challenge the collective and individual abilities of the local outfit. Warren, Folk and McGilberry will have to be clicking on all cylinders and the Bierman-Fallon-Campbell passing combination will have to be tops as it has on special occasions such as in the Sharon Hill game. On defense Swarthmore line should be at its best with Captain McCowan in there contributing his reliable individual play as well as his enthusiastic and spirited leadership.

Swarthmore will have its work cut out for it in the line and in its secondary and tertiary defense. It can not afford a weak forward pass defense for this Ridley Township team will take advantage of every chance offered to it. Weaknesses such as cropped out in Swarthmore's aerial defense against Sharon Hill will be fatal against the aggressive Green and White eleven.

Maybe the Garnet can pull this one out of the fire but it will take all they've got to do it.

FATHERS ASK FOR ATHLETIC FENCE

Orders were placed for library books, for musical instruments, and for manual training supplies, after the receipt of bids which had been advertised in accordance with the requirements of the School Code.

The Board had a report on the efficiency of the germacidal lights which are installed throughout the entire school plant, both elementary schools and high schools. The experiment, conducted under the direction of the University of Pennsylvania School of Medicine, shows the lights have reduced the amount of certain contagious childhood diseases, and have also prevented the spread of epidemics. In the question of possible damage to the eyes, it was found through actual tests that the reflection of the light from the ceiling and walls was under the minimum standard of 0.5 micro watts per sq. cm. The report indicated that there is no danger in the lights as presently installed and used. A letter from Dr. Irwin, the physician who is now examining the children, indicated there was no evidence of conjunctivitis or other eye trouble among the children of the Swarthmore Schools to a degree greater than is ordinarily found among children of these ages.

A letter from Mrs. R. M. Horsey, recording secretary of the Home and School Association, conveyed the resolution recently adopted by the Association calling the attention of the Board to the desire of the members to have a committee study the matter of teachers' salaries with a view to finding ways and means of raising the present level of salaries in Swarthmore. The Board acknowledged receipt of this letter and reported that a joint committee of Board members and teachers is now working actively on a program of salary adjustments, that all is being done that can be done at this time, and that the salary matter is being studied carefully by this joint committee, assisted by Dr. Waldo Fisher.

The Board agreed to a right-of-way across the College avenue field from Princeton avenue for the electric company to install poles and wires so that the path from the field to the station may be lighted with electric lights, under the direction of the borough.

"SOLDIER'S WIFE" AT PLAYERS CLUB

Small Cast Handles Franken Comedy Capably

Swarthmoreans are finding Rose Franken's comedy "Soldier's Wife" interesting fare at the Players Club this week. The small five-person cast is directed by J. D. Narbeth who relieved the original director Dr. A. F. Jackson.

The arduous title role is borne with ability and developing ease by Peggy Good who gives it charm, variety, and credibility. The composite character of Katherine Rogers hampers the playwright who hasn't given her the opportunity of her earlier "Claudia". Miss Good manages a consistent maturing and ripening as the acts move along.

Elizabeth H. Swan as the sister Florence Lane is gracious and poised and reaches in a telephone conversation the dramatic power achieved in her role in "Yellow Jacket" several years ago. She sheds smoothness and sincerity to the performance and is, in addition, very decorative.

Philippa Herman's Peter Gray is pointedly in contrast to sincerity and simplicity, trying for a woman of the world successful enough to be bitter about the whole thing. She is strikingly discontented and makes being the "best damned editor" a lonely achievement.

Both men in the cast are recent members of the Navy. Ned Pyle in the lead is, therefore, well trained for the role of returned veteran. In his first major role Mr. Pyle is engagingly sincere and noticeably easier as the first night progressed. The first act is difficult and talkative and the entire cast in better form for the second and third. Mr. Pyle comes through the last act with flying colors and diplomacy.

William James Stevens, Jr., is new to Players Club audiences but does an excellent job with his role of Alexander Craig. That he can manage it and still hold the attention of a large audience is an achievement. He is in every way an excellent foil for Mr. Pyle.

The set is attractive, the decorations and properties carefully done, the musical selections gay and unusual. The production, the Club's first in its 28th season, adds variety to the year as it continues throughout the week.

Rotary Speaker Dr. Lewis Cutler, Director of Religious Education at the Swarthmore Presbyterian Church will be guest speaker at the Rotary Club today. G. Baker Thompson is in charge of the program.

NEWS NOTES Mr. and Mrs. Birney K. Morse, of Yale avenue, attended a banquet in New York City, given for officers stationed in Delhi during the war and their wives. On Saturday they saw the Notre Dame Army game.

Mr. and Mrs. Henry R. Harris, of North Swarthmore avenue, spent the week-end on a motor trip visiting relatives in Bronxville, N. Y., and Bristol, Conn.

Mr. and Mrs. Raymond E. Lassiat, of Rutgers avenue, entertained at cocktails and dinner Friday evening in honor of Mrs. Donley C. Wertz, of Houston, Tex., who is visiting her sister, Mrs. Thomas A. Bradshaw, of "Stone House," Harvard and Yale avenues, and for Mr. Charles E. Johnson, Mrs. Bradshaw's father, who also is visiting here.

Jr. Music Club Sunday The second meeting of the Swarthmore Junior Music Club will be held this Sunday, November 17, at 7:15 p.m. at the home of William Potts, 723 Yale avenue.

Omission The coverage of the Halloween parade appearing in last week's paper omitted the names of Mr. and Mrs. William de Cindry on the Judges list and overlooked mention of the favors distributed to each participant and included.

W.I.L. Speaker Makes Strong Appeal For Europe

"The help of Swarthmore people is needed immediately to save the lives of starving neighbors in Europe," Mrs. Ruth Wittmeyer told members of the Women's International League for Peace and Freedom last Thursday.

"Our sending of personal gifts is helpful but it is not enough. Political action is needed to demand the exportation of grain, and personal abstinence is needed so that more of our flour can save lives," Mrs. Wittmeyer said.

"When UNRRA terminates December 31, hunger and suffering will not cease, nor will our responsibility as individuals. Everyone of us must feel the obligation not to let others starve to death for want of a little flour from our overflowing bins or for want of a little energy from us."

"Heavy rains in Europe, including England, reduced the harvest and even greater food shortages are expected just when the coldest weather is weakening the starving. We in America are reducing restrictions on domestic use of wheat to such an extent that sufficient grain for export is not now being procured. We just have lifted the ban on using grain for making whiskey, which means we've placed a ban on surviving this winter for many Europeans."

Mrs. Wittmeyer warned that famine of the proportions of the one that seems certain this winter will be another setback for peace. She urged that letters be written to William Clayton, assistant secretary of agriculture, urging that grain be procured for export, and to Dean Acheson, acting secretary of state, telling him that the people of Swarthmore want money made available for food, and are willing to sacrifice and donate to insure that food reaches famine areas.

"Every housewife who has stood in a grocery line hoping for some 'shortage' item has had only a faint glimpse of what food shortage can be. We can hardly even imagine the feelings of a housewife who watches her family die because she has no food to put upon the table."

The meeting was held in the home of Mrs. Roy McCorkel, 222 Cornell avenue.

Mrs. Wittmeyer warned that famine of the proportions of the one that seems certain this winter will be another setback for peace. She urged that letters be written to William Clayton, assistant secretary of agriculture, urging that grain be procured for export, and to Dean Acheson, acting secretary of state, telling him that the people of Swarthmore want money made available for food, and are willing to sacrifice and donate to insure that food reaches famine areas.

"Every housewife who has stood in a grocery line hoping for some 'shortage' item has had only a faint glimpse of what food shortage can be. We can hardly even imagine the feelings of a housewife who watches her family die because she has no food to put upon the table."

The meeting was held in the home of Mrs. Roy McCorkel, 222 Cornell avenue.

**OPEN NEW C.A.R.E. CAMPAIGN HERE**

**Local Woman Heads Food-Clothing-Money Drive**

An all out community campaign on behalf of CARE gets under way this week, according to announcements by the Swarthmore Committee, headed by Mrs. Hans Rademacher, who states:

"Past contributions from Swarthmoreans have been generous, but the need is more desperate than ever. Gifts of money, for the purchase of CARE food packages, may be made at the Swarthmore National Bank or at the Swarthmore Co-op. In addition, warm clothes in good condition are urgently required and may be given as Co-op. New or used garments and blankets, things that will wear well and provide protection against the European winter are particularly needed."

"Swarthmoreans are urged to make gifts of money and clothing immediately, and in no case later than November 30, so that shipments can be distributed before Christmas."

"The CARE food package is the best buy available, consisting of 49 pounds of nourishing edibles. De-

### ENLIST AID IN FAMINE RELIEF

#### W.I.L. Speaker Makes Strong Appeal For Europe

"The help of Swarthmore people is needed immediately to save the lives of starving neighbors in Europe," Mrs. Ruth Wittmeyer told members of the Women's International League for Peace and Freedom last Thursday.

"Our sending of personal gifts is helpful but it is not enough. Political action is needed to demand the exportation of grain, and personal abstinence is needed so that more of our flour can save lives," Mrs. Wittmeyer said.

"When UNRRA terminates December 31, hunger and suffering will not cease, nor will our responsibility as individuals. Everyone of us must feel the obligation not to let others starve to death for want of a little flour from our overflowing bins or for want of a little energy from us."

"Heavy rains in Europe, including England, reduced the harvest and even greater food shortages are expected just when the coldest weather is weakening the starving. We in America are reducing restrictions on domestic use of wheat to such an extent that sufficient grain for export is not now being procured. We just have lifted the ban on using grain for making whiskey, which means we've placed a ban on surviving this winter for many Europeans."

Mrs. Wittmeyer warned that famine of the proportions of the one that seems certain this winter will be another setback for peace. She urged that letters be written to William Clayton, assistant secretary of agriculture, urging that grain be procured for export, and to Dean Acheson, acting secretary of state, telling him that the people of Swarthmore want money made available for food, and are willing to sacrifice and donate to insure that food reaches famine areas.

### Community Service

The annual community Thanksgiving service next Thursday morning will be in the Friends Meeting House on the college campus, at 10 o'clock. Rev. George C. Anderson, Rev. Dr. Roy N. Kelsner, Dr. William T. Ellis and Rev. J. B. Groves will be on the benches. Everyone in the borough is invited to attend this community service.

### MUSIC CLUB TO FEATURE FAUST

#### November Meeting of Artists Next Tuesday

The next meeting of the Music Club of Swarthmore will be held at Whittier House on the evening of November 26.

A well-balanced program of standard classics has been arranged by Mrs. Leonard C. Ashton and Henry Faust. It will open with Mr. Faust singing the first three songs from Schumann's "Dichterliebe" followed by the dramatic cantata of Schubert's "An die Leier."

Robert Birkenstock and Mr. Faust will play Sonata No. 1 for flute and piano, by Bach. Mr. Faust then will sing a group of songs by Richard Strauss including "Seldem deln Aug in Melnes Schaute" and "Heimliche Aufdringung."

Madame Irma Wolpe, assistant professor of music at Swarthmore College, will conduct the program. She urged that letters be written to William Clayton, assistant secretary of agriculture, urging that grain be procured for export, and to Dean Acheson, acting secretary of state, telling him that the people of Swarthmore want money made available for food, and are willing to sacrifice and donate to insure that food reaches famine areas.

### YOUNG MUSICIANS IN TUNEFUL MEET

#### Instrumentalists In Broad Club Program

Last Sunday evening's meeting of the Junior Music Club of Swarthmore, at the home of William Potts of Yale avenue, began with a brief business meeting led by the present Emily Pritchard. Bob Pawcett then introduced the program chairman for the evening, Gloria Quick.

Program included two accordion solos by Richard Uhrin—"Dark Eyes" and "Two Guitars"; two songs by Eddie Abrams—Hannemstein's "Desert Song" and "Tonight We Love" by Tachatkowski.

Gloria Quick gave a report on the composer Debussy, illustrating her remarks by playing a recording of "Afternoon of a Faun."

Austin Ferguson, president of the Ridley Park School Band, was guest performer giving two numbers on his trumpet—"Toreador Song" from Carmen, and "Walse Triste" by Schubert. His playing was greatly enjoyed by the members.

The accompanying was done by Mrs. Morris Potts and Mrs. Eleanor Schofield Fawcett. As two of the scheduled performers were unexpectedly absent, Mrs. Fawcett on piano played two piano numbers which were much appreciated. Richard Uhrin also added to his performance a third piece which showed his musically handling of his instrument.

The regular December meeting will not be an arranged program, but it is hoped to have club members meet for carol singing and instrumental playing of Christmas music.

Refreshments and informal music ended the evening.

When the Ounce of Prevention Fails

★ Warning against accidents in the home and on the highways is old stuff to most of us. Many industries have made real progress in accident prevention, but our homes continue to produce minor and major injuries on an ever-increasing scale. In spite of every precaution, accidents will occur. When the "ounce of prevention" fails, it is wise to have "the pound of cure" ready and at hand. See that your medicine cabinet is amply stocked with standard first-aid materials. Keep a first-aid kit in the pocket of your car. We shall be pleased to help you select the essential items from our complete stock. MICHAEL'S COLLEGE PHARMACY On the Corner

CHEST DRIVE AT HALF-WAY MARK Swarthmore has raised approximately one-half of its goal of \$16,000 for the 1947 Community Chest Campaign as the second week of work is finished, it was announced today by Arthur R. Dana, director. "Local solicitors are making their calls promptly and results are pleasing, he stated, and he wants to urge the importance of making returns at regular intervals to Swarthmore headquarters at the Swarthmore National Bank, so that they may be forwarded to central headquarters in Philadelphia in time for the report luncheon."

Alfred H. Williams, general chairman of the drive, emphasizes the greater need for support of the Red-Feather Agencies, whose budgets have been seriously affected by rising costs and increased demands for service due to post-war conditions. More than 150 welfare, health and youth agencies depend on the Community Chest for their operation.

Appointed

Donald E. Lange, son of Prof. and Mrs. E. O. Lange, of "Lange-wood," Baltimore Pike, who took a position through Pan American Airways with the Chinese National Air Corporation last June, recently was appointed chief pilot and captain of the personal plane of Generalissimo and Madam Chiang Kai-Shek. Last Friday he left the Martin Plant Airways at Baltimore for Shanghai with 16 passengers (officials with their wives and daughters, and two small grandchildren of General Marshall. His associate pilot was the personal pilot of Admiral Nimitz during the war in the Pacific.

This trip will complete Don's "borna" trip around the world. Mrs. Lange and young son, Donald, Jr., will join him in residence in China, in a few months.

Mrs. Donald E. Lange and Prof. Lange enjoyed an eight-hour cruise through the New England skies with Capt. Lange a few days before he left for China.

NEAR CENTARIAN DIES A resident of Swarthmore since 1911, as a member of the W. A. Jaquette family, Henrietta Hancock Gibbon, passed away quietly Friday evening, November 15. She was 99 years and two months old. Miss Gibbon retained all of her faculties to the end. In the last year of her life she recited the Presbyterian Shorter Catechism, which she had learned in her youth. She came of an old Salem Presbyterian family, which flourished in the singular beauty of her character.

Interment was on Monday in the Presbyterian Cemetery in Salem, N. J.

Present Pupils Mrs. Anthony L. Ventner of Cornell avenue held the first of this season's pupil music parties at her home Tuesday afternoon for her beginner and the intermediate piano students. BALSLEY PROVES JOY IN READING

Young Mothers Hear Stories, Plan Toy Sale "Encouraging Our Children to Read" was the theme of Kenneth Balsley's address to the Mothers' Club on Thursday, November 14. Mr. Balsley said that adults must establish joy in the minds of youngsters that will make them imitate their fathers and girls their mothers, and only if the children see their parents reading frequently will they be encouraged to do the same.

It is more of a problem encouraging boys to read as their interests draw them into rougher play. Mr. Balsley delighted the audience with a beautiful reading of two children's books, "The Fox and the Squirrel" and "The Princess September and the Nightingale." He urged that there should be a little white set apart as a sacred time each day, when the home is a unit and everyone is interested in the same thing, such as a book or story read aloud.

Proceeding the address Mrs. Samuel Gurin, chairman of the toy exchange, introduced her assistant chairman to the club. The exchange of toys was held on Thursday, December 5, at the Woman's Club, from 10 A. M. to 5 P. M. Toys to be sold should be brought December 4, between 10 A. M. and 4 P. M. and receipts from sales may be collected December 6, from 10 to 1 o'clock.

Mrs. William H. James gave an excellent review of a new book recently purchased by the club for the Public Library, "Common Sense Book of Baby and Child Care," by Dr. Benjamin Spock. She said that it is a very inclusive and helpful reference book covering all stages from infant care to adolescent problems.

Refreshments were served by Mrs. Robert J. Turner and her committee.

GIVE COLLEGE DRIVE GOOD START

Over 96 per cent of the student body of Swarthmore College have made contributions or pledges to the college's current \$5,000,000 fund drive, it was announced today by William Clarke, Jr., of Wallingford, president of the student council.

Although the campaign was officially opened by John W. Nason, College president, at the annual homecoming on November 8, active student participation in the drive began on November 1 under the direction of Clarke and Demaris Atteck, president of the Women's Student Government Association.

The Board of managers of the college and the campaign directors expressed gratitude at this overwhelming response, James A. Perkins, executive director of the campaign, commenting "The student skill and enthusiasm. It set a high standard for the general campaign which it will be difficult for us to reach. It should, however, act as a combination spur and inspiration to alumni and friends of Swarthmore during the course of the campaign."

Sale Is Success The Baltimore Pike district of the Girl Scouts sold 7,461 calendars in the drive waged last month. Swarthmore alone sold 507 of the total. The district includes Media, Drexel Hill, Lansdowne, Springfield, Clifton Heights, Wallingford and Swarthmore.

New troop No. 83 is selling jams and jellies to friends to assist the League of Women Voters. The girls also earn credit for their citizenship award and the money will be used to help defray the cost of printing the candidates' bulletins, one of the League's community service projects. League expresses appreciation of this help and cooperation from some of Swarthmore's future women voters.

### COUNTY FINE ARTS DAY HELD HERE

#### Varied Depts. Join In Women's Program

The Swarthmore Woman's Club was hostess to the County Federation on Thursday, November 21, when programs by all divisions of the County Federation arts departments constituted a Fine Arts Day. Mrs. Earl J. Early of Drexel Hill reviewed Eric Sevareid's "Not So Wild a Dream," as the presentation of the literature department, the chairman of which is Mrs. J. B. Baker of Drexel Hill, Mrs. Early was introduced by Mrs. Charles Peters state chairman of literature. Arranged by Mrs. Roulen G. Henrich of Havertown, county art chairman, was a demonstration by Jean Lorigan of the correlation between decorating and the fine arts. Miss Lorigan built a room interior around a picture.

Mrs. Stoyan W. Russell of the Swarthmore club, presented the Swarthmore High School Madrigal Singers under the direction of Alice E. Blodgett, as the contribution of the music department of which Mrs. Russell is chairman. The singers included Helen Disque, Alice Hornaday, Beth Huey, Caroline Morse, Nancy Rindell, Betty Spencer, James Hornaday, Bob McCowan, Bill Moore and George Warren. George Warren is narrator for the group whose excellent performance keeps the young people in great demand. They appear last week in Media before the County Superintendents then in session, and are scheduled for a radio performance next week.

"The contribution of the drama department was the direction of "Mary of Scotland" arranged and directed by Mrs. Walter G. Emmott of Media, chairman of county drama. Over 300 out-of-town guests, in addition to many of the Swarthmore club members, enjoyed the program which began at 10:30 a. m. and continued into the afternoon, with an interlude for box luncheons and coffee.

### Local Missionaries Return To China

Dr. and Mrs. Clifford S. Trimmer and daughter, Mary Elizabeth, 17, former Rutledge residents are packing this week for their return to China where Dr. Trimmer will resume his work as a medical missionary under the Methodist Board of Missions.

After giving up their present home in Yorkes near Collageville they will spend several days with Mrs. Trimmer's sister, Mrs. H. W. Wycoff of Rutledge before leaving for the west coast where they expect to embark about December 1 on the missionary ship "Marino Lynx."

Dr. Trimmer, a graduate of University Hospital, Philadelphia was chief surgeon and head of the X-ray department at the University Hospital, Nanking before the war. His wife had been in China with him since their marriage in June 1922.

On January 27, 1941, they returned to the States whereupon their son, John Morris, born in Nanking finished his last 3 1/2 years of high school at Swarthmore. Dr. Trimmer served with the Navy as a lieutenant commander on hospital duty in the University Hospital, Nanking before the war. Mrs. Trimmer spoke at the Swarthmore Methodist Church shortly after her return to this country.

The Trimmers expect to be away for the usual seven year period unless untoward developments in China should necessitate their recall. Mary Elizabeth will take her last year of high school at Shang-hai-American School and then enter college at Nanking for a year.

John, after being a member of the Navy V-12 unit at Swarthmore College, served as an ensign in Japanese waters from October 1945 to August 1946 and is now back at Swarthmore College for his junior year, living in Robert's Hall with his wife the former Elizabeth Case of Boston whom he wed in September 1945 and who is finishing a pre-medical course at Swarthmore this year.

### NEW C.A.R.E. DRIVE

(Continued From Page One)  
Livery is guaranteed, and supplies will be sent in particular to Poland, Germany, and Italy, where conditions are reported to be worst in these countries.

"While overseas receipts from the delivery of previous CARE packages sometimes take a long time to reach the recipients, they are being delivered promptly. Thousands of orders for packages going to Europe, and thousands of overseas receipts being returned to the United States have been destroyed in recent plane crashes. But duplicate records kept on both sides of the ocean have made it possible to replace these losses.

"A letter sent to a Swarthmore College student, donor of a bean canister, was written by a 21-year-old member of the Polish underground during the war. He spent eight months in concentration camps, and finally returned to Warsaw impoverished and broken in health. He is now trying to continue his college studies, in which he was immeasurably assisted by the gift of food from a fellow-student. A Polish minister writes that after so many war sufferers, the gift of CARE food packages seems to me to be symbolic as announcing the fraternity among all people.

"Residents are therefore urged to make generous contributions of money and clothing now, in keeping with the Christmas spirit. At least \$7,000 was sent by Swarthmoreans last year. Those who send packages directly to addressees already in their possession are urged to leave a slip to this effect at the Co-op or the Bank, so that these contributions may be added to the total."

### SUCCEEDS FATHER

George M. Ewing of Columbia avenue has been elected a director of The Marcus Hook National Bank to succeed his father Moses Ewing who had been a director since 1918.

Mr. Ewing is a native of Chester. He is one of the leading architects of Philadelphia and vicinity, having planned and directed the erection of many of the noted buildings and residences in that area. He has also given study and practical application to finance.

Elizabeth Bryant, a student at Bucknell University spent the week-end with her parents, Mr. and Mrs. S. Milton Bryant of South Chester road.

Mrs. J. Paul Brown, Mrs. Robert Toole, Mrs. Albert Hill, Mrs. E. LeRoy Mercer, and Mrs. George Gillespie spent Wednesday in Lancaster attending an Antique sale.

### SALE OF TOYS AT CLUB NEXT WEEK

#### Mothers Turn Santa's Helper on Dec. 5

The Swarthmore Mother's Club knows Santa Claus has had tough sledding these past few Christmases and this year, though there are more toys in the stores, many of them wear price-tags that no one accustomed to pre-war prices would recognize.

The Mother's Club Toy Sale, to be held at the Woman's Club on Thursday, December 5, is designed to help local residents—and Santa—out of this spot.

Toys for sale should be brought to the Woman's Club on Wednesday, December 4, from 10 a. m. to 4 p. m. Price tags will be attached there, but toys must be already priced, in good condition, with game-sets complete and every toy that is in more than one piece firmly tied together. There is a special demand for bicycles, tricycles, trains, castron toys of all kinds, big wagons, sleds and skates.

### FOOTBALL NITE SET FOR DEC. 6

#### Surprise Program To Feature Event

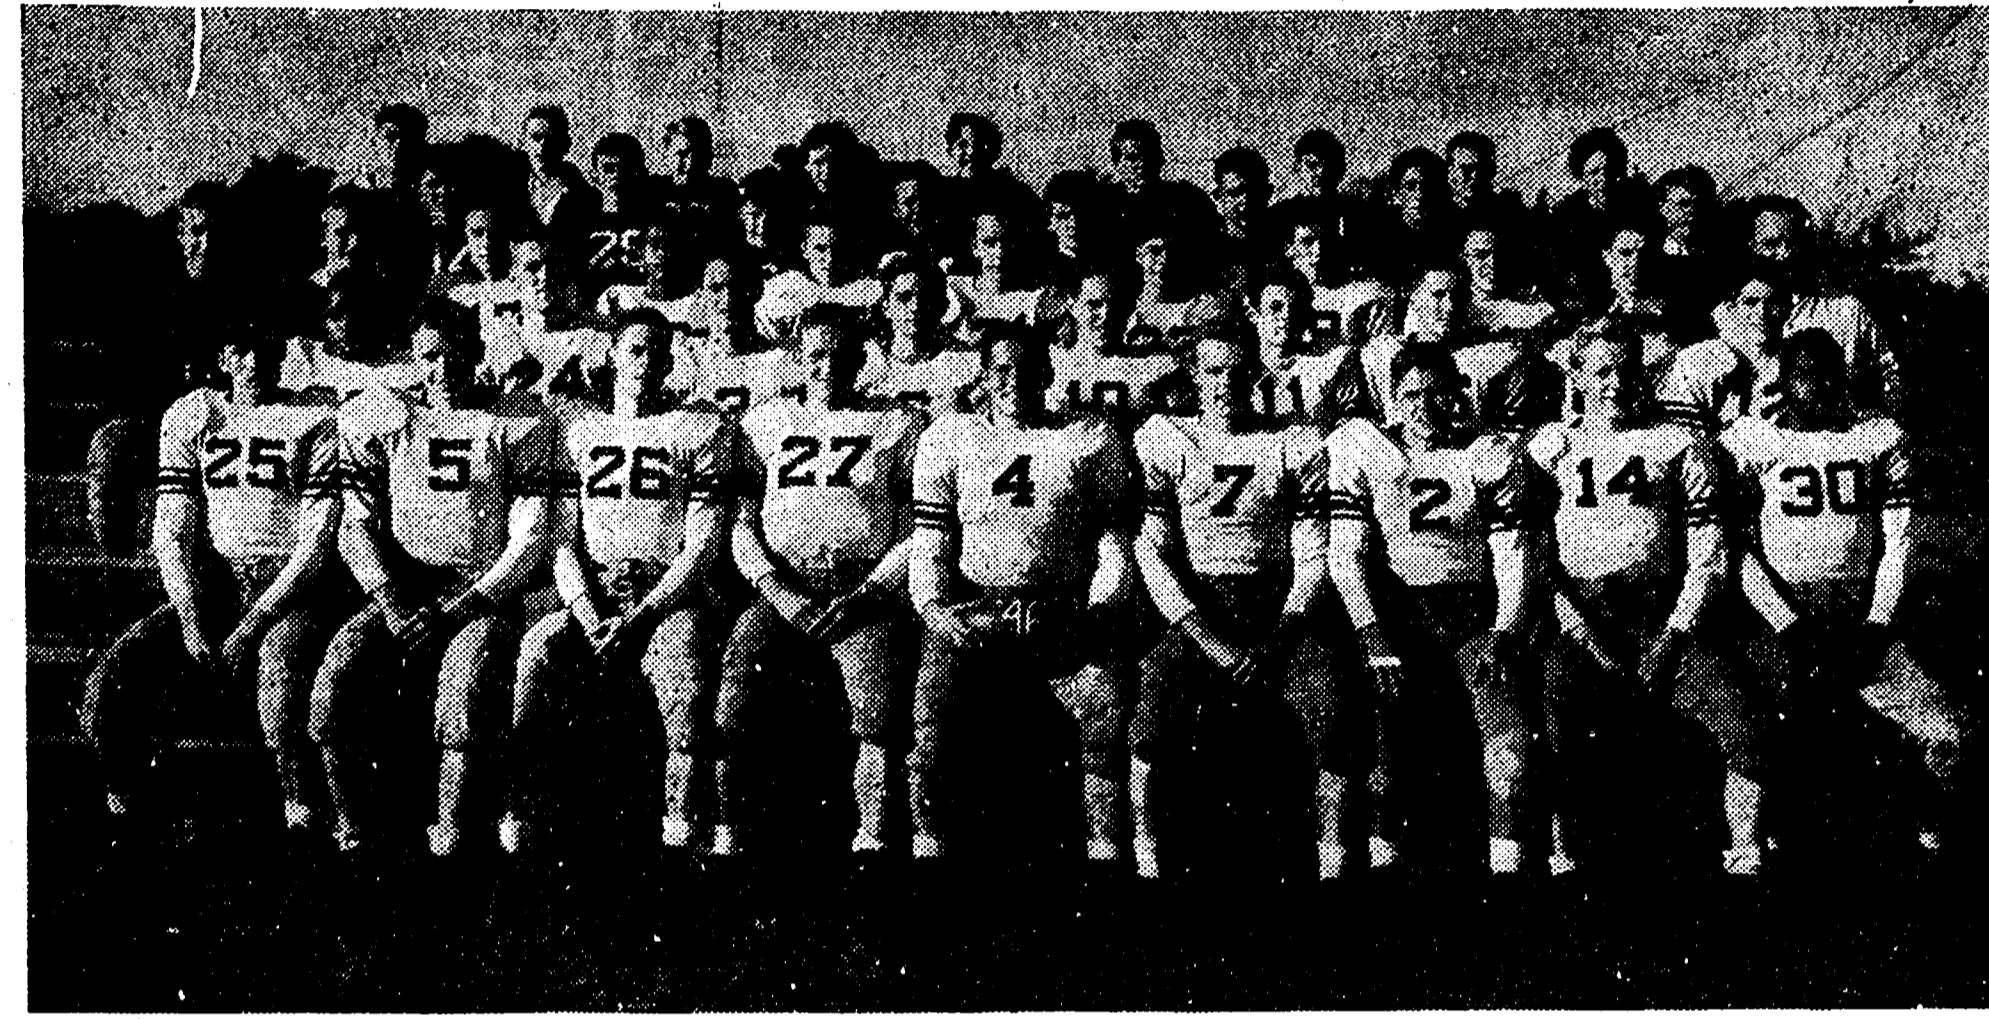

The annual Football Nite celebration, honoring members of the Swarthmore High School and Junior football squads, will be held at the High School the evening of Friday, December 6. A novel and interesting program, different from any in the past, has been planned by the Citizens Athletic Committee, which has charge of the event.

Because of the high cost of food and the difficulty of getting a caterer the dinner will be a more limited affair than usual. It will be attended by members of the football squad, their parents, the coaching staff and the invited guests who will take part in the later program. Wives of the committee members will assist with the cooking and the men of the committee will do the serving, which in itself ought to be diverting. The dinner will be held in the High School cafeteria, beginning at 5:30 o'clock.

The main program, which will be free to everybody in Swarthmore, will be staged in the High School auditorium and will start at 8:30. It will be preceded by a march by the Swarthmore High School band through the downtown streets and to the High School. The program, which will include several distinct features, is still more or less of a top secret. But the presence of a number of the best known University of Pennsylvania football players and of Harry Robert, sports columnist of the Philadelphia Record, suggests something out of the ordinary.

Mr. Robert has a reputation as a toastmaster and master of ceremonies and knows his football. There will be football movies, too. What they will be is also undisclosed.

### GARNET MEETS LANSDOWNE THURSDAY IN TRADITIONAL STRUGGLE

Swarthmore High School will play its final game of the 1946 season with its annual turkey day opponent, Lansdowne High on the Lansdowne field at 10 a. m. Thursday.

The Garnet will be minus two of its star players, Dave Campbell, who has capably played tackle and end this season, and George Stork, an aggressive and dependable center. Both of these players were injured in the rough game with Ridley Township High on November 15th. Campbell dislocated his shoulder and will be replaced at end by Dave Collins. Although Campbell's injury will keep him out of the big Lansdowne game it is expected he will be active in sports again by the time the basketball season opens at the first of the new year. Stork who suffered a fractured cervical vertebrae

is reported to be doing nicely but his absence from athletics will necessarily be for a considerable period. Stork's play at center this year has been far above average. Much of the sturdiness of the Swarthmore line has been due to his outstanding work in backing up the line and the local eleven will miss his stellar performance. Coach Robinson will undoubtedly play "Chuck" Keenan in the center position and a great responsibility will fall on this youngster's shoulders. Young Keenan has been coming along in good shape this year and he should give a good account of himself.

Swarthmore's game with Ridley Township was pretty much a nightmare for the local eleven. The Garnet apparently was not for the contest and started in whirlwind fashion. The team scoring in the early part of the second quarter on an attack sparked by Johnny Folk and establishing a 7-0 lead.

However, the rugged going and the unfortunate necessary removal of Stork and Warren from the Swarthmore lineup slowed down the local boys considerably and gave Ridley Township an opportunity to push over a touchdown by a well executed forward pass into Swarthmore's end zone. Swarthmore never again seemed to be able to regain its original drive in the second half and Ridley Township was able to score twice in the last quarter to end the game at 15-7 in their favor.

Swarthmore's game with their tradition Thanksgiving Day rival will undoubtedly follow the well established pattern of past Turkey Day contests. It will be a tough and go contest with the Lansdowne "Lords" depending on Herb Fowell and Bud Hunt to carry their attack and spark Coach Willis Jones' tricky and precise reverse plays. Lansdowne's record this year has not been outstanding but their

record against Swarthmore on Thanksgiving Day is the one they will be playing to maintain so an above average performance by them is certainly to be expected. Coach Robinson will be able to play Pressman, Bierman, and McCowan, earlier game casualties, on a full time basis in this game and it should help the Garnets chances considerably. Bierman and McCowan will undoubtedly put-out at top speed for it is their last game for Swarthmore High. Other senior stand-outs who are playing their last game and should see a great deal of action are Bob Hopp, Bob Moorhead, Sam Nowell, Bill Soden and Jimmy Hornaday. Coach Robinson expects much of his boys against Lansdowne and reflects the attitude of his team when he remarked "it is not a case of whether we'll win, we've got to win."

The lineup for the game is on page six.

### HOLIDAY FAIR AT TRINITY

The Annual Holiday Fair and Dinner will be held at Trinity Church, Thursday, December 6th beginning at 2. Nearly 100 women have been engaged in preparing for the fair which is the highlight of the social program. Over 200 aprons, all hand made of rare materials, will be offered for sale. The fancy table will have hundreds of Christmas gifts for sale, and an added attraction will be the table of dressed dolls. Candy, cakes, jellies and preserves will be featured at another table. A grab-bag counter will be attractive for the children, and the "white elephant" table will have interesting novelties, mostly second hand, for sale. Dinner will be served beginning at 5:30 featuring turkey cutlets.

The Women's Guild of the church sponsors the fair under the general chairmanship of Mrs. Malcolm D. Hodge. Other members of the committee include Mrs. W. M. Harvey, Olive Cleaves, Mrs. Wm. S. Patton, Mrs. Thomas W. Hopper, Mrs. Samuel B. Reynolds, Mrs. Theresa Hayes, Mrs. Howard Adams, Mrs. John H. Hall, Anna Blake, Mrs. Burris West, Mrs. S. B. Brewster, Mrs. A. Q. Davis, Mrs. Norman Hulme, Mrs. A. H. Knabb, Mrs. R. S. Quick, Mrs. Wayne H. Randall, Mrs. Robert Reed, Mrs. C. W. Worst and others.

### Braun to Review

The Literature Department, Mrs. Harold G. Griffin, chairman, will present Rev. David Braun on Friday, December 6, from 10 a. m. to 11:30 a. m., at the club house. Rev. Braun will review two books, "Animal Farm," by George Orwell and "Peace of Mind" by Rabbi Joshua Leubman. Sound, clear, and original. The review will be by Harry Faust.

### BURT McKINNIE

Funeral services for Burt P. McKinnie, former Swarthmore Chautauqua executive and advertising head of Station WBSN, Bridgeton, N. J., for the past 10 years, will be held Wed. in Bridgeton and followed this afternoon by interment in Eastlawn Cemetery. Mr. McKinnie died at his home in Bridgeton Friday night from a heart attack.

The McKinnie home on Ogden avenue was for over 20 years a musical center and a friendly haven for the many Chautauquans who journeyed through this community. Mr. McKinnie and his deceased wife Tekla Farm McKinnie were active in musical circles of the borough. Both were professional musicians.

Surviving in addition to his wife are two sons, Paul, of Waterbury, Conn., and Bert, Jr., of Sacramento, Calif.

### Kappas to Sew

The Kappa Kappa Gamma Sewing Group will work between 10 and 4 p. m. Tuesday next at the home of Mrs. Oliver Swan, 513 North Chester road.

### Joint Labor Meeting

The League of Women Voters and Swarthmore Woman's Club will hold a joint meeting on Tuesday, December 3 at 8 p. m. on the subject "Do Labor and Management have a Common Goal?" Speakers for labor will be Albert Hoffmann, vice president of Hosiery Workers Union, C.I.O. Samuel Otto, manager Philadelphia Dress Joint Board, A.F. of L. Management will be represented by Robert M. Noy, Manager Industrial Relations, Baldwin Locomotive and Roy H. Sjoberg, vice president of Brill Manufacturing Co. Dr. Frank C. Piegon of the College will be moderator.

The meeting will be open to the public.

### SCHEDULE PROGRAM

The Evening in Hollywood program which the Junior Woman's Club had planned to present November 12, will be presented Tuesday, January 14. Mr. LeRoy Miller of Philadelphia is once again scheduled to act as Master of Ceremonies, and the originally donated prizes will be used for gifts. Tickets printed for November 12 will be accepted January 14.

**COUNTY FINE ARTS DAY HELD HERE**

**Varied Depts. Join In Women's Program**

The Swarthmore Woman's Club was hostess to the County Federation on Thursday, November 21, when programs by all divisions of the County Federation arts departments constituted a Fine Arts Day.

Mrs. Earl J. Early of Drexel Hill reviewed Eric Severoid's "Not So Wild a Dream," as the presentation of the literature department, the chairman of which is Mrs. J. B. Baker of Drexel Hill. Mrs. Early was introduced by Mrs. Charles Peters state chairman of literature. Arranged by Mrs. Reuben G. Henrich of Havertown, county art chairman, was a demonstration by Jean Lorigan of the correlation between decorating and the fine arts. Miss Lorigan built a room interior around a picture.

Mrs. Stoyan W. Russell of the Swarthmore club, presented the Swarthmore High School Madrigal Singers under the direction of Alice E. Blodgett, as the contribution of the music department of which Mrs. Russell is chairman. The singers included Helen Disque, Alice Hornaday, Beth Huey, Caroline Morse, Nancy Rinecliffe, Betty Spencer, James Hornaday, Bob McCowan, Bill Moore and George Warren. George Warren is narrator for the group whose excellent performance keeps the young people in great demand. They appeared last week in Media before the County Superintendents then in session, and are scheduled for a radio performance next week.

The contribution of the drama department was the prison scene from "Mary of Scotland" arranged and directed by Mrs. Walter G. Emmott of Media, chairman of county drama.

Over 200 out-of-town guests, in addition to many of the Swarthmore club members, enjoyed the program which began at 10:30 a.m. and continued into the afternoon, with an interlude for box lunches and coffee.

**Local Missionaries Return To China**

Dr. and Mrs. Clifford S. Trimmer and daughter, Mary Elizabeth, 17, former Rutledge residents are packing this week for their return to China where Dr. Trimmer will resume his work as a medical missionary under the Methodist Board of Missions.

After giving up their present home in Yerkes near Collegeville they will spend several days with Mrs. Trimmer's sister, Mrs. H. W. Wycoff of Rutledge before leaving for the west coast where they expect to embark about December 1 on the missionary ship Marine Lynx.

Dr. Trimmer, a graduate of University Hospital, Philadelphia was chief surgeon and head of the X-ray department at the University Hospital, Nanking before the war. His wife had been in China with him since their marriage in June 1922.

On January 27, 1941, they returned to the States whereupon their son, John Morris, born in Nanking finished his last 2 1/2 years of high school at Swarthmore. Dr. Trimmer served with the Navy as a Lieutenant commander on hospital duty in Norfolk during the war. Mrs. Trimmer spoke at the Swarthmore Methodist Church shortly after her return to this country.

The Trimmers expect to be away for the usual seven-year period unless upward developments in China should necessitate their return. Mary Elizabeth will take her last year of high school at Shanghai-American School and then enter college at Nanking for a year's study.

John, after being a member of the Navy Y-12 unit at Swarthmore College, served as an ensign in Japanese waters from October 1945 to August 1946 and is now back at Swarthmore College for his junior year, living in Robert's Hall with his wife the former Elizabeth Case of Easton whom he wed in September 1945 and who is finishing a pre-medical course at Swarthmore this year.

**NEW C.A.R.E. DRIVE**

(Continued From Page One)  
Livery is guaranteed, and supplies will be sent in particular to Poland, Germany, and Finland, because conditions are reported to be worst in these countries.

"While overseas receipts from the delivery of previous CARE packages sometimes take a long time to return, the packages are being delivered promptly. Thousands of orders for packages going to Europe, and thousands of overseas receipts being returned to the United States have been destroyed in recent plane crashes. But duplicate records kept on both sides of the ocean have made it possible to replace these losses.

"A letter sent to a Swarthmore College student, donor of a package, was written by a 21-year-old member of the Polish underground during the war. He spent eight months in concentration camps, and finally returned to Warsaw impoverished and broken in health. He is now trying to continue his college studies, in which he was immeasurably assisted by the gift of food from a fellow-student. A Polish minister writes that after so many war sufferings, the gift of CARE food packages seems to me to be symbolic as announcing the fraternity among all people.

"Residents are therefore urged to make generous contributions of money and clothing now, in keeping with the Christmas spirit. At least \$7,000 was sent by Swarthmoreans last year. Those who send packages directly to addresses already in their possession are urged to leave a slip to this effect at the Co-op or the Bank, so that these contributions may be added to the total."

**SUCCEEDS FATHER**

George Ewing of Columbia avenue has been elected a director of The Marcus Hook National Bank to succeed his father Moses Ewing who had been a director since 1922.

Mr. Ewing is a native of Chester. He is one of the leading architects of Philadelphia and vicinity, having planned and directed the erection of many of the noted buildings and residences in that area. He has also given study and practical application to finance.

Elizabeth Bryant, a student at Bucknell University spent the week-end with her parents, Mr. and Mrs. S. Milton Bryant of South Chester road.

**SALE OF TOYS AT CLUB NEXT WEEK**

**Mothers Turn Santa's Helper on Dec. 5**

The Swarthmore Mother's Club knows Santa Claus has had tough sledding these past few Christmases and this year, though there are more toys in the stores, many of them wear price-tags that no one accustomed to pre-war prices would recognize.

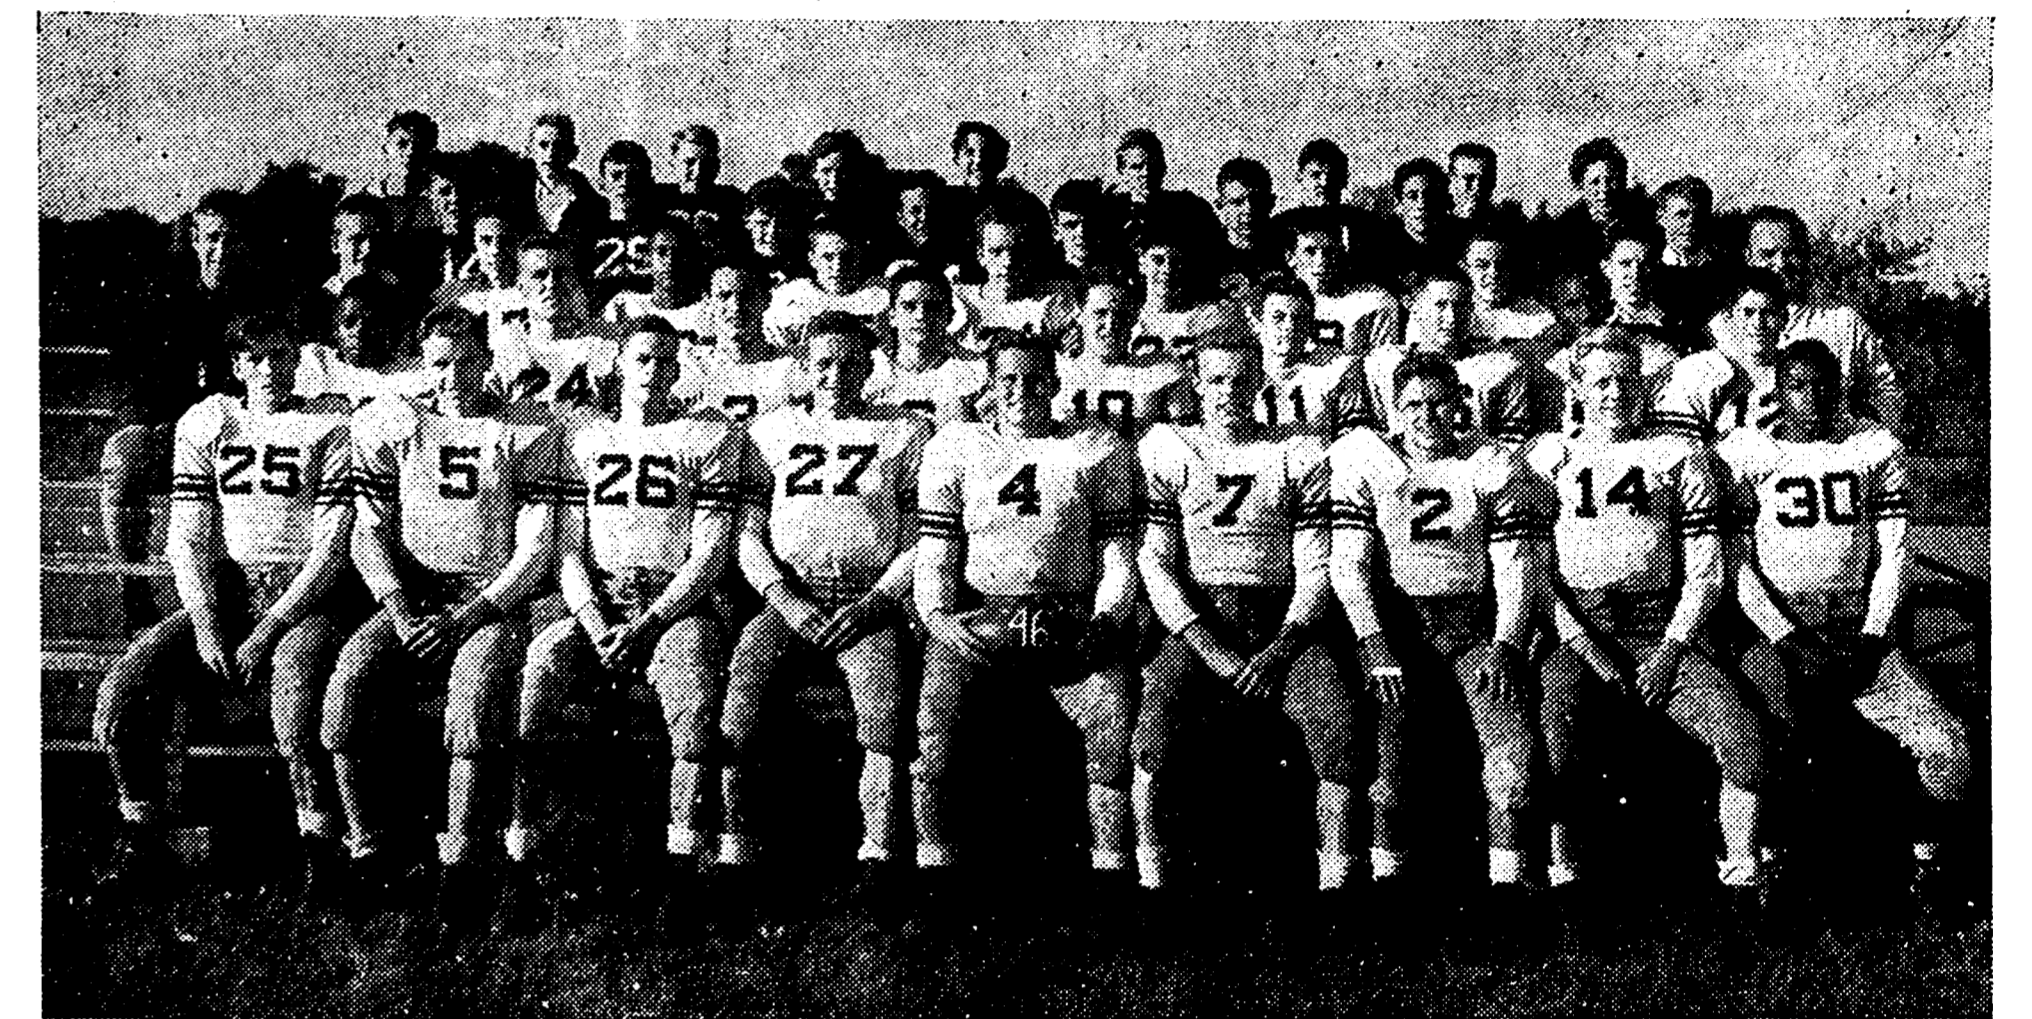

The Mother's Club Toy Sale, to be held at the Woman's Club on Thursday, December 5, is designed to help local residents—and Santa—out of this spot.

Toys for sale should be brought to the Woman's Club on Wednesday, December 4, from 10 a. m. to 4 p. m. Price tags will be attached there, but toys must be already priced, in good condition, with game-sets complete and every toy that is in more than one piece firmly tied together. There is a special demand for bicycles, tricycles, trains, castron toys of all kinds, big wagons, sleds and skates.

Buyers take over on Thursday, December 5, from 10 a. m. to 5 p. m.

Money and unsold toys should be collected at the Woman's Club on Friday, December 6, from 10 a. m. to 1 p. m. Sellers receive 75 per cent of the sales price of sold toys. The other 25 per cent will be given by the Mother's Club to charity. Unsold toys not collected on Friday will be given to the Community Health Society Center of Delaware County, as will any broken but repairable toys which folks might want to bring along and put in the box placed at the sale for this purpose.

**GARNET MEETS LANSDOWNE THURSDAY IN TRADITIONAL STRUGGLE**

Swarthmore High School will play its final game of the 1946 season with its annual turkey day opponent, Lansdowne High on the Lansdowne field at 10 a.m. Thursday.

The Garnet will be minus two of its star players, Dave Campbell, who has capably played tackle and end this season, and George Stork, an aggressive and dependable center. Both of these players were injured in the rough game with Ridley Township High on November 15th. Campbell dislocated his shoulder and will be replaced at end by Dave Collins. Although Campbell's injury will keep him out of the big Lansdowne game it is expected he will be active in sports again by the time the basketball season opens at the start of the new year. Stork who suffered a fractured cervical vertebra

is reported to be doing nicely but his absence from athletics will necessarily be for a considerable period. Stork's play at center this year has been far above average. Much of the sturdiness of the Swarthmore line has been due to his outstanding work in backing up the line and the local eleven will miss his stellar performance. Coach Robinson will undoubtedly play "Chuck" Keenen in the center position and a great responsibility will fall on this youngster's shoulders. Young Keenen has been coming along in good shape this year and he should give a good account of himself.

Swarthmore's game with Ridley Township was pretty much a nightmare for the local eleven. The Garnet apparently was set for the contest and started in whirlwind fashion. The team scoring in the early part of the second quarter on an attack sparked by Johnny Polk and establishing a 7-0 lead.

However, the rugged going and the unfortunate necessary removal of Stork and Warren from the above average performance by them is certainly to be expected. Coach Robinson will be able to record against Swarthmore on Thanksgiving Day is the one they will be playing to maintain so an above average performance by them is certainly to be expected. Coach Robinson will be able to play Pressman, Bierman, and McCowan, earlier game casualties, on a full time basis in this game and it should help the Garnet's chances considerably. Bierman and McCowan will undoubtedly put-out at top speed for it is their last game for Swarthmore High. Other senior stand-outs who are playing their last game and should see a great deal of action are Bob Hopson, Bob Moorhead, Sam Nowell, Bill Soden and Jimmy Hornaday. Coach Robinson expects much of his boys against Lansdowne and reflects the attitude of his team when he remarked "It is not a case of whether we'll win, we've got to win."

The lineup for the game is on page six.

**FOOTBALL NITE SET FOR DEC. 6**

**Surprise Program To Feature Event**

The annual Football Nite celebration, honoring members of the Swarthmore High School and Junior football squads, will be held at the High School the evening of Friday, December 6. A novel and interesting program, different from any in the past, has been planned by the Citizens Athletic Committee, which has charge of the event.

Because of the high cost of food and the difficulty of getting a caterer the dinner will be a more limited affair than usual. It will be attended by members of the football squad, their parents, the coaching staff and the invited guests who will take part in the later program. Wives of the committee members will assist with the cooking and the men of the committee will do the serving, which in itself ought to be diverting. The dinner will be held in the High School cafeteria, beginning at 6:30 o'clock.

The main program, which will be free to everybody in Swarthmore, will be staged in the High School auditorium and will start at 8:30. It will be preceded by a march by the Swarthmore High School band through the downtown streets and to the High School. The program, which will include several distinct features, is still more or less of a top secret. But the presence of a number of the best known University of Pennsylvania football players and of Harry Robert, sports columnist of the Philadelphia Record, suggests something out of the ordinary.

Mr. Robert has a reputation as a toastmaster and master of ceremonies and knows his football. There will be football movies, too. What they will be is also undisclosed. (Continued on Page six)

**LOCAL MEN AID COLLEGE DRIVE**

**Nason Heads Spear Committee for \$5,000,000**

The Special Gifts Committee of Swarthmore College's \$5,000,000 campaign met for luncheon Monday at the Union League Club.

They discussed plans for the current campaign launched at Swarthmore on November 2 to raise \$5,000,000 in the next five years. The money has been designated for increasing faculty salaries and scholarships, and the construction of a memorial library, a women's dormitory, and a combined physics and chemistry building. The present drive is only the first phase of an 18 year program which is being conducted on a regional basis from now until June, 1947.

John W. Nason, Swarthmore president, heads the committee, and Philip T. Sharples, serves as vice-chairman.

Swarthmoreans at the luncheon included: Leonard C. Ashton, Vice-President of Provident Mutual Life Insurance Company; Thomas B. McCabe, president of the Scott Paper Co.; Harry L. Miller, president of Chester Dairy Supply Co.; James A. Perkins, Vice-president of Swarthmore College; Claude C. Smith, senior partner with Duane, Morris and Heckscher Co.; and Edward B. Temple, president of the Swarthmore National Bank.

**HOLIDAY FAIR AT TRINITY**

The Annual Holiday Fair and Dinner will be held at Trinity Church, Thursday, December 5th beginning at 2. Nearly 100 women have been engaged in preparing for the fair which is the highlight of the social program. Over 200 aprons, all hand made of rare materials, will be offered for sale. The fancy table will have hundreds of Christmas gifts for sale, and an added attraction will be the table of dressed dolls. Candy, cakes, jellies and preserves will be featured at another table. A grab-bag counter will be attractive for the children, and the "white elephant" table will have interesting novelties, mostly second hand, for sale.

Dinner will be served beginning at 5:30 featuring turkey cutlets.

The Women's Guild of the church sponsors the fair under the general chairmanship of Mrs. Malcolm D. Hodge. Other members of the committee include Mrs. W. M. Harvey, Olive Cleaves, Mrs. Wm. S. Patton, Mrs. Thomas W. Hopper, Mrs. Samuel D. Reynolds, Mrs. Teresa Hayes, Mrs. Howard Adams, Mrs. John H. Hall, Anna Blake, Mrs. Burris West, Mrs. S. B. Brewster, Mrs. A. Q. Davis, Mrs. Norman Hulme, Mrs. A. H. Knabb, Mrs. R. S. Quick, Mrs. Wayne H. Randall, Mrs. Robert Reed, Mrs. C. W. Worst and others.

**Braun to Review**

The Literature Department, Mrs. Harold G. Griffin, chairman, will present Rev. David Braun on Friday, December 6, from 10 a. m. to 11:30 a. m., at the club house.

Rev. Braun will review two books, "Animal Farm," by George Orwell and "Peace of Mind" by Rabbi Joshua Liebman. Sound effects for "Animal Farm" will be by Harry Faust.

**BURT McKINNIE**

Funeral services for Burt P. McKinnie, former Swarthmore Chautauque executive and advertising head of Station WSNJ, Bridgeton, N. J., for the past 10 years, will be held Wed. in B-14gaton and followed this afternoon by interment in Eastlawn Cemetery. Mr. McKinnie died at his home in Bridgeton Friday night from a heart attack.

The McKinnie home on Ogden avenue was for over 20 years a musical center and a friendly haven for the many Chautauquans who journeyed through this community. Mr. McKinnie and his deceased wife Tekla Farnj McKinnie were active in musical circles of the borough. Both were professional musicians.

Surviving in addition to his wife are two sons, Paul, of Waterbury, Conn., and Burt, Jr., of Sacramento, Calif.

**Kappas to Sew**

The Kappa Kappa Gamma Sewing Group will work between 10 and 4 p. m. Tuesday next at the home of Mrs. Oliver Swan, 512 North Chester road.

**Joint Labor Meeting**

The League of Women Voters and Swarthmore Woman's Club will hold a joint meeting on Tuesday, December 3 at 8 p.m. on the subject "Do Labor and Management have a Common Goal?" Speakers for labor will be Albert Hoffmann, vice president of Hosley Workers Union, C.I.O.

Samuel Otto, manager Philadelphia Dress Joint Board, A.F. of L. Management will be represented by Robert M. Noy, Manager Industrial Relations, Baldwin Locomotive and Ray H. Sjoberg, vice president of Brill Manufacturing Co.

Dr. Frank C. Pieson of the College will be moderator.

The meeting will be open to the public.

**SCHEDULE PROGRAM**

The Evening in Hollywood program which the Junior Woman's Club had planned to present November 12, will be presented Tuesday, January 14. Mr. LeRoy Miller of Philadelphia is once again scheduled to act as Master of Ceremonies, and the originally donated prizes will be used for gifts. Tickets printed for November 12 will be accepted January 14.

THANKSGIVING
We give thanks for bread that feeds,
Broken for Thine own sweet sight,
Dear Lord, be merciful, we pray
To those who have no bread to break—
And teach us generosity
To those less fortunate than we are. Amen.

PHILADELPHIA ELECTRIC COMPANY
In the midst of our bounty, we give thanks. We have much. Surely we can spare a little to share with those who have none. A crust of bread to a well-fed man may be another day's life to a child in Europe.

HAMBURG SHOW REVIVED

The students of Swarthmore College presented their traditional "Hamburg Show" last Friday in the Clothier Memorial Auditorium. The show, the first to be produced since 1942, is always prepared before the Swarthmore Haverford football game.

This year's show provided riotous entertainment and amusement for a very appreciative audience of students, faculty and families of Swarthmore graduates who live in the local area.

The nature of this year's show was a series of skits parodying campus life. The skits portrayed the experiences of a freshman, Bascom Slomp on his arrival at Swarthmore. Bascom who was played by Frank Felton, strongly resembled the famous C. I. character cartoon "Sad Sam" in appearance and his well-meaning efforts to understand and get acquainted with his environment, led eventually to disastrous and ridiculous results.

"Hamburg Show" was produced, directed and presented by the students. It was followed by an enthusiastic pep rally for the next day's game. The proceeds from admission were contributed to the New Swarthmore College Campaign fund.

Mr. and Mrs. James H. Hornaday, of Dickinson avenue, are entertaining Ensign Howard Heinger, of Atlanta, Ga., over the Thanksgiving holidays.

Mary Dure, a student at Pembroke College, Brown University, will spend the Thanksgiving week-end at her home on Ogden avenue.

Mr. and Mrs. George Schobinger of Swarthmore University, will entertain their nephew Mr. Charles Schobinger of Chicago, Ill., just returned from the Navy, at their home guest over the holiday week-end.

### Football Nite Set For Dec. 6

(continued from page 1)

closed as yet but it isn't a remote guess that the audience will get to see either the Penn-Army or Penn-Cornell game.

The popular Swarthmore High School quartet, which stole the show at last year's Football Nite, will be on the program for several numbers. The boys have some new songs especially selected for the occasion.

From a local standpoint one of the highlights will be the award of letters to members of the football team by Coach Millard Robinson. This will be the new coach's first appearance in this role. The strong attachment that has developed between the mem-

bers of the squad and Coach Robinson will give more than a commonplace touch to the awards.

Members of the J. V.'s and of the heavyweight, middleweight and lightweight squads will also be honored. They should be, for these four junior teams have compiled a record never before equaled in Swarthmore football history. Two of the teams went through the season undefeated and the other two lost only one game each. Assistant Coach Jim Lauder will also be making his first Football Nite appearance when the boys on these junior teams come in for recognition.

This year's High School football is finishing another season with a winning percentage. Starting with only three returning lettermen and dogged with injuries most of the season, it has exhibited a gameness and spirit that will go down in Swarthmore High School history. The team has played smart, sometimes spectacular football and has given Swarthmore fans a lot of interesting and exciting entertainment. Its members deserve the honors that will be given them Football Nite.

Jim Loughead, a student at Cornell University will spend Thanksgiving with his parents, Mr. and Mrs. C. R. Loughead of Thayer Road.

Eunice S. Eaton of Rutgers Avenue will leave Wednesday for Atlanta, Ga., to spend Thanksgiving with Mr. and Mrs. A. P. Hornbuckle.

### Legion Auxiliary To Have Bridge

Friends of the American Legion Auxiliary are cordially invited to attend the Christmas bridge party in the Legion Room, Boro Hall at 2 p.m., Monday, December 9. Refreshments will be served and a prize awarded at each table. Contributed cans and jars of food and silver offerings will pay for the Christmas baskets to the families of veterans and other needy ones in the Swarthmore district.

At the regular November meeting at the home of Mrs. Alban Eavenson it was voted to send \$10 to the Community Chest Fund and \$3 to Perry Point Veterans Hospital toward its victory dance for patients on November 22.

During the month of November the Auxiliary with Mrs. L. L. Hedgepeth as its new Welfare Chairman, presented the Swarthmore Health Center with the following: a woolen blanket; five under shirts; two flannel night gowns; nine puzzles; one puzzle book; a slip; an animal toy; a pair of woman's shoes, and a heavy winter overcoat for a boy.

### NEWS NOTES

SPLIT-SECOND SERVICE most of the time

Usually, your telephone operator answers your signal as soon as you lift the receiver. Once in a while, however, there may be a slight delay. That's because the volume of calls has skyrocketed . . . and because we haven't yet been able to get the additional equipment we need to handle this increased traffic.

If there's a delay . . . remember, the operator knows you're waiting. She'll answer as soon as she can.
