"God is Love"

SWARTHMORE'S FOURTH CELEBRATION

The Fourth of July was celebrated in a very patriotic manner last Wednesday. One of the interesting features of the day at Strath Haven Inn was a flag raising, the Home Reserves participating. For the entertainment of the guests there was also a country fair, sports of all kinds and a ball in the evening.

The big event of the day was a parade with the Overbrook Military Band in full uniform. Mr. Guernsey Moore was master of ceremonies. The parade formed at 4:45 P.M. at Chester Road and Swarthmore Avenue, passing south on Chester Road to Park Avenue, south on Park Avenue to Harvard Avenue east on Harvard Avenue to Vassar Avenue, west on Yale Avenue to Haverford Avenue, northwest on Haverford Avenue to Harvard Avenue, west on Harvard Avenue to Chester Road, north on Chester Road to Borough Hall.

With Swarthmore's uniformed Chief of Police in advance, the order of march was as follows: George Washington, Carroll Thayer, marshal; Continental Soldiers, Juvenile Scouts, Overbrook Military Band, three characters representing the Army, Navy and Red Cross, Swarthmore Reserves, large American Flag carried by thirteen girls representing the thirteen original States, Boy Scouts, Fire Association, decorated automobiles.

Motion pictures in the evening on the athletic field of the Swarthmore Preparatory School was a fitting climax to a safe and sane celebration of the Fourth of July.

FINE SYSTEM OF ACCOUNTS

Devised by the Auditor of the Swarthmore Publishing Co.

At the last meeting of the Board of Directors of the Swarthmore Publishing Company held at 350 Vassar Avenue on Thursday evening, June 28, a glowing tribute was paid to the work of the auditor, Mr. Percy Hodson, who has perfected a special system of bookkeeping which shows at a glance the correct financial standing of the company.

Because of the close financeering it was most important to have a good system of accounts installed, and it is his necessitated the services of an expert auditor, which our little home paper could not afford, it was a delightful surprise indeed to have one of our able spirited readers offer his services gratis.

Mr. Hodson deserves the greatest commendation for his excellent work which will surely win the heartfelt appreciation of our future successors as has of the present board of directors and manager.

MILK 12 CENTS A QUART

A general increase in the price of milk went into effect July 1. It is stated that many farmers are disposing of their cows because of the high cost of feed. Milk is an essential food, upon which many infants and invalids are entirely dependent. Without cows, milk is not procurable.

The government should make a special effort to help the farmers by reducing the price of grain.

ADAMS—POUND

Miss Mabel Pound, of St. Thomas, a student at Swarthmore College, was married to Mr. Charles Adams, of Philadelphia, last month.

"Save the Waste and Win the War"

FOOD CONSERVATION

The Home Economics of the Woman's Club held a meeting on Monday afternoon of last week to discuss ways and means of utilizing surplus fruit and vegetables. A committee was appointed to take charge of the work and will co-operate with the Community Gardening Association. The report of the committee is as follows:

The Domestic Science Room of the Yale Avenue School will be available with equipment for canning, preserving and evaporating fruits and vegetables, to those who wish to use it through the season.

Anyone having a surplus of fruits or vegetables may communicate with a member of the subjoined committee; also those wishing to buy such surplus: Mrs. Harper, chairman, Mrs. Robert Brooks, Mrs. Downs, Mrs. Eastlake, Miss Elmore, Mrs. Geo. J. Jones, Mrs. Larned, Mrs. Landis, Mrs. Marr, Mrs. Thatcher, Mrs. Strieby, Mrs. Wisdom and Mrs. E. A. Yarnall.

NEW PATRIOTIC HYMN

Sunday, July 1st, was an eventful day in Kedron M. E. church of Morton. The pastor Rev. Clarence Felton had as his guest Dr. Adam Geibel, the great musical composer who though blind has written the music for so many of our beautiful church songs.

He took part in all the services with his wonderful playing and singing. In

STRATH HAVEN INN NOTES

Mrs. Maud Ballington Booth, of Salvation Army fame, will speak at Strath Haven Inn on Sunday evening, July 8, at 8 o'clock. A fine musical program has been arranged for. Miss Dorothy Wolff, a guest of the Inn who possesses a beautiful contralto voice will be heard, and Mr. Chester Miller, baritone, Mr. Wynne McGuiness, violinist, will give several selections, accompanied by Mr. John Curtis, Jr., pianist.

An interesting concert was given by Mrs. Charles Harper on last Monday evening.

The big musical event of the season will occur on Friday evening, July 20th. Forty members of the Behrens Opera Club will sing Gilbert and Sullivan's comic opera, "Trial by Jury." The club sang "Cavalleria Rusticana" last year and scored a great success. Many Swarthmoreans enjoyed this splendid performance. The operetta will be given in costume this year, special scenery is also being made for it. A short concert will precede the performance, in which leading Philadelphia singers will take part. The production will be staged by Chester Miller and conducted by John Curtis, Jr.

FUSSELL—PUGH

The marriage of Miss Isabel Roberts Pugh, daughter of Mr. and Mrs. Job T. Pugh, of Swarthmore, and Mr. Milton Howard Fussell, Jr., of Roxborough, took place at half after 6 o'clock Saturday at the Episcopal Church. The bride was given in marriage by her father and wore gown of white satin and crepe Georgette, trimmed with Duchesse lace, caught with pearls. She was attended by her sister, Miss Catharine White Pugh, as maid of honor and by the following bridesmaids: Miss Florence Kennedy, of Frankford; Miss Anna E. Fussell, of Roxborough; Miss Marguerite Reeves, of Lawrenceville, and Miss Helen Elmore and Miss Reba M. Camp, of Swarthmore.

The maid of honor wore a gown of lace and apricot silk, and a large picture hat, and carried cream roses and larkspur, and the bridesmaids were gowned in cornflower blue and carried bouquets of yellow roses.

The best man was Mr. John Mason, Jr., of Saybrook, Conn., and the ushers included Mr. John S. Williams, 2d, of Philadelphia; Mr. W. Laurie Seaman, of Glen Cove, L. I.; Mr. Herbert J. Tilly, of Cynwyd; Mr. George Fox Corse, of Baltimore, and Mr. John W. Raymond, Jr., of New York.

After the wedding ceremony, a large reception took place at the home of the bride's parents in Walnut lane.

VACATION DAYS

The editor's assistant is taking a month's vacation, therefore we request that during July articles for the current issue of the "News" be sent to the office on Monday, if possible. There is always a rush to get copy ready for the printer on Tuesday and now that we are short of help and the weather is rather warm, we would greatly appreciate this consideration.

RED CROSS

It is understood that people are staying away from the Red Cross meetings because they do not care to run the sewing machines. The secretary wants it known that there is other work to do, such as knitting, basting, sewing on buttons and making button holes.

QUALITY SHOP

A new dry goods and notion shop has opened up in the Pownall Building opposite the Borough Hall. The proprietress, Mrs. Sweeney, wife of our efficient Chief of Police, will carry a full line of gents' furnishings, notions and children's wearings apparel.

Swarthmore is a growing suburb and the demand for greater business facilities increases with its size. The "News" extends a cordial greeting to Mrs. Sweeney and predicts great success for this Quality Shop in Swarthmore.

OVERSUBSCRIBED SWARTHMORE LIBERTY LOAN

It is reported by the Swarthmore National Bank that the total subscriptions to the Liberty Loan which passed through its hands amounted to one hundred thousand dollars. This is double Swarthmore's quota on the basis of population.

The Secretary of the Treasury has written as follows to the local Liberty Loan Committee:

Treasury Department
Washington,
June 26th, 1917.

Gentlemen:

Permit me to extend to each member of your Liberty Loan Committee my warm thanks and deep appreciation of the patriotic service you rendered your country in connection with the Liberty Loan of 1917. The result could not have been accomplished without the effective aid of such patriotic citizens as the members of your committee. Loyally and unselfishly you gave the government your best efforts, and you can enjoy the satisfaction of knowing that you have contributed immeasurably to the first signal victory America has won in this righteous war.

I also take this opportunity to express the hope that you will preserve your admirable organization and that I may have your assistance again when the government has to place additional issues of bonds.

With kindest regards and best wishes, I am,

Cordially yours,

(Signed) W. G. McADOO.

The members of the Swarthmore Liberty Loan Committee are: Robert C. Brooks, chairman; Louis C. Emmons, Justice William P. Potter, J. Everton Ramsey, Edward B. Temple, E. Clayton Walton and C. Percy Webster.

WITH FIRST AMERICAN DIVISION IN FRANCE

Among the "First to Fight" Marines who have gone to France is Grant J. Powers, a Private of the Supply Company, according to advices just made public.

Grant, who is the son of Wm. Powers, of Swarthmore Ave., enlisted in the United States Marine Corps at its Philadelphia recruiting station April 4th, 1917.

He has displayed such marked military ability and daring that he was among the first to be chosen to "do his bit" overseas. The Marines who have been selected to represent their country first in the war for democracy are proud of the recognition bestowed upon them and they go with the best wishes of the entire nation.

Our readers may well be proud of the local boy and wish him the best of success as a U. S. Marine—one who is willing to die, if necessary to uphold the honor of his home and country.

THE CAR OF QUALITY

Dodge Brothers Motor Car is a general favorite with motorists. It has a distinctive style of its own and is especially suited to Swarthmore women. Telephone No. 1525, J. F. Taylor, 8th and Crosby Streets, Chester, Pa., for free demonstration before purchasing a car.

MRS. MAUD B. BOOTH AT STRATH HAVEN INN

Mrs. Maud Ballington Booth will speak at Strath Haven Inn on Sunday evening, July 8, at 8 o'clock. The public is cordially invited to attend.

Swimming pool at Swarthmore College open to the Public.

WEDNESDAY, JULY 11—

9 A. M. Friends' Sewing Circle meets in Whittier House to sew for English Friends' Relief Work.

Mid-week prayer service in the Presbyterian Church.

THURSDAY, JULY 12—

Clara Barton Auxiliary at Whittier House.

FRIDAY, JULY 13—

Clara Barton Auxiliary meeting at the Woman's Club.

A stranger moved into our town. Most dignified and wondrous wise. How his competitors did frown When he began to advertise.

And when they saw his business grow.

Chagrined and sore, they stormed and raged.

And started in to make some show, But failed and stood completely dazed.

As they watched money roll his way, They quickly changed their old-time views.

For they have learned that it does pay.

To advertise in The Swarthmore News.

The Monday Afternoon Sewing Circle met at the home of Mrs. A. F. Jackson last week. Mrs. Fred Calvert entertained the members this week. At the present time they are knitting for the Navy League.

Mr. and Mrs. William Allen Brown, Jr., have returned from their wedding trip.

The Sixteen Luncheon Club were guests of Mrs. Thomas Downs, Jr., on last Wednesday.

Mrs. Eugene T. Wilkins and daughter Katharine returned to Schenectady, N. Y., after a week's visit with Mrs. M. H. Mettee.

Mr. E. A. Stockton is a frequent visitor to Washington, D. C.

Mr. and Mrs. N. Heckler have moved to Elizabethtown, Pa. Mr. Heckler is superintendent of the Masonic Home, the largest and most palatial building of its kind in the world, a description of which will be given in a future issue of the "News."

We note the enlistment of Craig Voelker, eldest son of John H. Voelker, in the engineer corps field artillery branch, stationed at Jefferson Barracks, Mo., brother of Edward Voelker, who is now in training at El Paso, Texas.

A part of every admission paid to the Ideal Theatre, Morton, this Saturday, will go to the Emergency Aid. The attraction is Blanche Sweet in "The Warrens of Virginia," showing both matinee and night.

According to our annual custom, there will only be two issues of the "News" in August.

OVERDUE SUBSCRIPTIONS

A discussion about overdue sub-
scriptions took place at the last
meeting of the Board of Directors
of the Swarthmore Publishing Com-
pany, and it was decided that the
motion which was passed at a pre-
vious meeting of the Board in ref-
erence to delinquent subscribers be
strictly enforced. The motion reads
as follows:

"At the expiration of every sub-
scription that the subscriber be no-
tified once a month for a maximum
period of three months, and if sub-
scription is not paid at that time
the paper will be discontinued."

To issue monthly statements on
bills that are a year or more over-
due is an expense of labor and ex-
pense that the "News" can ill afford
and should be entirely eliminated.

HUMAN NATURE

The tendency of human nature to
take instead of give is a distinctly
material characteristic—it is not
confined to any particular race or
nation. The spirit of self-sacrifice
is a divine attribute and one that is
developed through self-control.

The normal blending of the ma-
terial and spiritual human form is
an exquisite combination; that is
most fascinating, but unfortunately
rarely seen. To maintain an equal
balance between the two requires
more effort than the average in-
dividual cares to exert, so he sails
on apparently unconscious of the
dangers ahead, and permits the ma-
terial side to completely submerge
the lasting and more beautiful
spiritual nature.

To make this great majority stop
and consider whence they are drift-
ing is not an easy task. There are
two avenues, however, through
which they may be reached—one is

News Notes

Mrs. A. M. Daniels and her two daughters, Alma and Helen, left on July 4 to spend the summer with Mr. W. S. Daniels in Idaho. Miss Helen expects to remain West teaching for several years.

Mr. and Mrs. J. Dunwoody, of Philadelphia, were guests of Mr. and Mrs. Thomas Winter Andrew on last Sunday.

Dr. John Ellery Tuttle and Captain J. C. W. Reith were guests of Hon. and Mrs. W. P. Potter on last Sunday evening.

Mr. and Mrs. Abel Mahan, Mr. and Mrs. A. W. Preston and Mrs. Taber Ashton attended the wedding of Harold Mahan to Miss Sarah Stevenson on Saturday evening June 30th, in Trenton.

Rev. R. H. Nassau, S. T. D., of Andover, has just returned from a two weeks' trip to Bradford Hills, N. Y. Dr. Nassau and daughter, Miss Mary Nassau, were the guests of Mrs. Hoe, of New York, at the beautiful country mansion on the Hudson.

The Misses Rena and Marion Grau left for Ocean City on last Saturday for five weeks stay. Miss Marion will take a course in the summer school.

The new house on Vassar Avenue is progressing finely. The owner, Mr. J. Glymph, expects to occupy it when completed.

Mrs. E. H. McBride and son left Saturday for several weeks sojourn at Ocean City.

Mr. and Mrs. Louie Hall, of Camden, are spending several weeks in Swarthmore.

The Lansdowne News will take a vacation during July and August. Its next issue will appear September 7.

Richard Sutin spent Fourth of July in Swarthmore as the guest of David Wisdom.

Miss Beulah Green spent two weeks in Hopkinsville, Ky., visiting Miss Martha Sawyers.

Mr. and Mrs. Taber Ashton and Miss Dorothy Ashton are in Bristol, Pa., supervising the sale of their place.

Mr. and Mrs. George Ashton have purchased a lot on North Chester Road, where they will shortly build.

Miss Dorothy Countryman, of St. Paul, has been visiting Mrs. Paul Freddley.

Mrs. Paul Freddley has returned from a week's visit to Peermont, New Jersey.

Dr. Elbert Russell will occupy the home of Dr. Roy Pace for the summer. Dr. and Mrs. Pace will spend their vacation near Boston.

Dr. Harlan Updegraff is teaching in the summer school of the Ohio State University at Columbus, O.

JAMES H. BRADFORD

Editor's Note:

Just one year ago Uncle Jim Bradford, gladdened the hearts of Swarthmore "kiddies" by providing liberal automobile accommodations for their enjoyment in the Fourth of July parade. It is quite fitting at this date to publish resolutions passed by the Board of Governors of the Players Club and the following beautiful tribute to his memory by one of his friends and neighbors, and we feel sure that it also expresses the sentiments of the entire community.

An Appreciation

May 2, 1917, James H. Bradford entered into life. Few men have touched the life of Swarthmore more generally than he, and none have held such a unique place in the affection of the community. A good neighbor, a true friend,

honest, manly, sincere citizen a joyous companion, a comrade of children, a lover of all good.

His kindly humor was infectious and it was hard, indeed, to be with him and not feel the glow of his personality. He was a natural lover of children and this was shown especially in his work with the Players Club. Every performance in which he appeared was a time of delight to the little people. Last year in the celebration of the Fourth of July he was a special joy to the children. His automobile, smothered in garlands of roses, was a harbor of delight for the unbelievable crowd of his little friends that crowded into the company as a whole.

(Continued.)

NEW PATRIOTIC HYMN

(Continued from Page One.)

Within thy safe keeping enfold our dear land, Where waves the bright banner with hues of the morn.

Columbia's emblem, through loyal hearts born.

Tis ours by allegiance, this flag of the free.

The light of the nations forever to be,

World-wide let it flutter to bless and to save,

O'er mountain, and valley and storm-tossed wave.

O God of our fathers we wish us for aye,

Inspire us with courage thy word to obey,

Our country beloved keep sacred and true,

While floats from our standard the red, white and blue.

THE SWARTHMORE HOME RESERVES

To-morrow, (Saturday) the Reserves go to Concordville, assembling at the armory at quarter after four, on the 451 train, as the guests of Mr. C. P. Sharpless of South Chester Road. The Reserves will be accompanied by a band of twenty pieces. Arriving at Concordville, they will give an exhibition drill, marching and the manual of arms, and after visiting the cemetery plant will be the guests of Mr. Sharpless at supper. Sam Butler will speak to the men and they will be sent home in automobiles. Every member is ordered to report at the armory promptly on Saturday.

The leather slings for the rifles and the cartridge belts and suspenders have

arrived and are now in use. They add much to the interest and efficiency of the drill. Bayonets will be secured soon and the equipment will be made perfect as soon as the funds for it are in hand. The work being done is acknowledged by all the men to be of the greatest physical benefit and is of particular value to those who may be conscripted. It is expected that a number of the men will be drawn in the coming conscription. Recruits should report at the earliest possible day in order that they may both get the utmost benefit from the work and, also, not keep back the development of the company as a whole.

A COMMUNITY ENTERPRISE

The Swarthmore News is "built up by its friends." It is a community enterprise and owes its distinctive style to the kindly co-operation of the residents and organizations of the town. Swarthmoreans want their weekly paper to be representative of their home town, and the local tone and color can only be maintained by a "community effort."

A WELCOME VISITOR

The weekly visits of the Swarthmore News are much appreciated by those who have moved to other places. A number of old friends are on our subscription list, and if the home people only realized how much they enjoy reading about their friends in Swarthmore, we feel sure that more personal items would be forthcoming. The following letter from one of our former well-known residents will be read with interest: My Dear Mrs. Hazard:

Enclosed please find check for two dollars (\$2.00) in payment for one year's subscription to the Swarthmore News.

Will you also please change and send the paper to our home address: 1380 Chelmsford Street, St. Paul, Minn.

We do certainly enjoy getting the paper each week with the news of our Swarthmore friends.

Sincerely yours,
CATHERINE S. GAY:
(Mrs. Carl W.)

June the fifteenth.

PRESBYTERIAN CHURCH

The services of last Sunday were especially interesting. Dr. Tuttle's sermons and vesper addresses, as is the custom during the present time of national crisis, bore directly upon his responsibility of the individual and his contribution to the success of the nation in the war. The singing of the Junior Choir at Vespers was highly commended, although about one-half of the members are absent from home.

At the morning service, a male quartet sang one number. Much more choir material is developing than has been expected and it is hoped the glimpse of the more regular choir work in September will be most encouraging.

The Junior Choir has discontinued its regular choir work for the summer, but whenever at home for the summer are meeting for preliminary study of a cantata which will be given in the autumn.

All the services of the church will be continued as usual during the summer.

The leaders of the mid-week services will be selected from the officers and members of the church and the regular morning and vesper service will be conducted by visiting clergymen.

IN JUSTICE TO CHILDREN

In an article which appeared in one of the Philadelphia papers recently describing a children's hospital in France, it was stated that there was not one normal child among the hundreds that were being treated, and what was far worse—that they would never become normal.

Many of them were maimed for life and all were suffering from "shell shock". It was also stated that the majority of them were spastic, and a peculiar form of insanity was fast developing, which science seemed unable to cope with. Their delicate nervous systems were hopelessly shattered by the terrific explosion of bombs and the frightful scenes which they had witnessed.

It is not worse than criminal to operate at any point before first removing the children to a safety zone.

Men to-day are being slaughtered by hundreds and thousands. The perpetuation of the human family must devolve upon the younger generation. What right have we to endanger the future propagation of the race by maiming and demoralizing the ones upon whom this great responsibility will rest?

Every child should have a chance to develop normally, and if placed in the proper environment it will do so. American women could perform no greater service for humanity than to gather all the children from the war infested regions.

Let America be the children's haven of rest and freedom from man's inhumanity!

Every home in this country should be open to these little innocent ones and no time lost in transporting the Luther.

EDUCATION MUST MOULD THE FUTURE OF NATIONS

Portland, Ore., July 1.—The relation of education to individuals and in a larger sense to nations and world conditions was the subject of a forceful address delivered here to-night before the general session of the Na-

tional Education Association by Edward O. Sisson, State Commissioner of Education, of Boise, Idaho. The Commissioner in the course of his address said that there must be certain important changes in the present educational system that it may do its great part in making men and nations and a world which shall be congenitally sound.

The world is ablaze with war, he said, because in 1914 it was highly fashionable and someone in an obscure corner of Europe struck a match. We want a world safe to live in, but unless profound changes are made in this war, more frightening than all previous wars, may well be followed by another war more frightening than this. Some of these changes are being wrought before our wondering eyes. But education also is supposed to have a share in making individuals, and so in making nations and the world.

Exaggerated National Ego.

The cause of this war is the exaggerated national ego. Every nation believes itself the chosen people of God. If they felt chosen to serve, all would be well; but when they feel chosen to rule, trouble follows.

Through the interworking of racial character and their situation in the middle of Europe, the Germans have become the terrible example of the exaggerated national ego. But all nations are affected—English, French, Americans, also Russians, Italians, Greeks, even Turks and Mexicans.

The schools have done their share in fostering the exaggerated national ego. Here again, through quite natural causes, Germany is the supreme example of deliberate, indefatigable century-long culture of the national ego, to a point where no cosmic forces could avert a clash and a cataclysm.

It used to be proper for individuals to brag and boast, to play the bully; that was found to be incompatible with friendly social relations, and is under the ban. From now on it will be prohibited for a nation to play Goliath to the rest of mankind.

We still need a new and different education; the old education simply won't serve the turn. We must educate the ego less and the sooty more, less than for their distinctive flavor, less than for their greater variety of fats for this purpose. For instance beef brisket and chicken fat if well rendered can be used to make gingerbread, spice cake and similar dishes in which spice or molasses used gives the flavor of the fat. Have peanut butter for lunch most everyone likes it and if spread

on crisp crackers and eaten with a glass of milk you have all the wants of the body satisfied.

Soap. Too, is made from fat, see that no member of your family waste it and save the pieces of waste for them to be used in the soap shaker. Soap has more fat than can be used in cooking; buy some lye which is very cheap, and make soap. It is not such a difficult process as many persons suppose.

Now that we have considered a few of the many ways in which food that is needed may be obtained, let each one of us look into our homes and see just what we can do. Write out your menus for a week, see where you can use products of substitution, it will take time, but it is worth the effort.

Every ounce of food saved means that much more for our allies, it makes them more efficient and brings us nearer to a day of lasting peace. It is each woman's privilege to be able to help in this way; our men at the front are depending on you to do not disappoint them.

ELEANOR SNOWDEN.

having an attractive, nutritious menu.

Now comes the third point, we must save the fats, we as a nation consume three times the amount of fat necessary for proper nutrition and the extra is now for war.

The fats in the ordinary diet fall naturally into 2 groups, those eaten because they happen to be the components of foods, like fat in milk, meat and fish, those like butter, salad oil or lard, which are added to other foods in cooking or serving.

The housekeeper interested in the economical use of fats in the home must take into consideration the contribution by both groups.

The first group save all the extra pieces of fat, try them out and use them for frying. In trimming meats butchers have a tendency to cut off the fat and throw it in the waste box—ask for it, you pay for it and can use it profitably. Do not use butter in cooking and serve less on the table. Since shortening fats are used to secure texture more often than for their distinctive flavor, it is possible to utilize a greater variety of fats for this purpose. For instance beef brisket and chicken fat if well rendered can be used to make gingerbread, spice cake and similar dishes in which spice or molasses used gives the flavor of the fat. Have peanut butter for lunch most everyone likes it and if spread

on crisp crackers and eaten with a glass of milk you have all the wants of the body satisfied.

News Notes

Mr. S. H. Heierle, who is connected with the Sun Building Company, has "rented" Mrs. E. Moore's house, 311 Park Avenue.

Miss Campbell is spending several weeks in Louisville, Ky., with her friend, Mrs. L. C. Wallace.

Mr. and Mrs. Abel Mahan have gone to Buck Hill Falls for the balance of the summer.

Miss Bertha Sellers is spending a few weeks at Wernersville.

The Swarthmore News will take a few weeks vacation in August.

Mary Pickford in "The Dawn of To-morrow" is the Paramount Picture announced for the Ideal Theatre, Morton, this Saturday.

Dr. B. F. Battin, of this country for a few weeks. He and Mrs. Battin are at Nantucket at present.

Mr. and Mrs. William E. Walter have returned from a motor trip in New England. They left their college campus. One of the most important parts of their work is the construction of frame houses. "Knock-down" types of houses will be used and each man when he finishes the course, will be able to erect these houses. They will be built in the devastated part of France to shelter families made homeless by German gunfire during the war.

French will be a part of the course and each man will be expected to be able to understand the people of the country in which they will work. Operation of a motor car and repairing it will be another part of their work.

The expenses of the work will be provided from a \$25,000 fund being raised by Friends in all sections of France.

Among those who are taking an active interest in the work are Dr. William W. Confort, the new president of Haverford College; Professor Rufus M. Jones, Dr. Richard Gummere and Vincent D. Nicholson. — The Evening Bulletin.

PRESBYTERIAN CHURCH

At the suggestion of several officers and members of the church, the trustees and session have extended Dr. Tuttle's vacation from four to six Sundays. He leaves the 26th for his family cottage in Sutton, Mass., where he will be for his entire vacation, with his family. His address will be Box 19, Route 1, Millbury, Mass., both for mail and telegrams.

The infant son of Dr. and Mrs. William Kirk, born June 8, is getting along finely.

Robert Brooks has fully recovered from his recent attack of jaundice.

Vegetables are growing some these days, are weeds, and "soldiers of the Commisary" are busily engaged in putting them.

Mr. and Mrs. C. H. Chaffee and family are at Ocean City.

Dr. and Mrs. A. F. Jackson and children will spend the month of August at the Breakers, Ocean City.

Mrs. Martin B. Young left Swarthmore last Monday to visit friends up the State.

The Buckmore poultry is some of the finest in the State. Chickens dressed to order, at very reasonable prices. See advertisement "Telephone Chester 195-4."

The Community Gardening Association has about 35 acres of land under cultivation.

Park Avenue is being curbed and guttered. A very decided improvement to the appearance of the street.

ENTIRE FAMILY AT FRONT

Henry Wharton, wife and three sons in Ambulance and Hospital Service in France.

Henry Wharton, his wife and three sons, comprising a Philadelphia family widely known in business and social circles, all are in the American ambulance and hospital service in France.

They left their home, 8023 Germantown Avenue, Chestnut Hill, entirely about a month ago. Only their relatives and closest friends knew the entire family had gone abroad to aid in relieving the suffering of wounded soldiers. News that they had arrived safely, and immediately assumed their respective duties, has been received by a sister of Mr. Wharton, in Jenkintown.

FRIENDS TRAIN FOR WAR WORK

Ninety Members Begin Course at Haverford College for Reconstruction of French Homes

JOHN H. BELL

The following letter to Mr. Paul Shrode, from Mr. John H. Bell, of Swarthmore College, now in France, will be read with great interest by many friends:

Friday, June 22, 1917.
Dear Friend:

I have been out at sea for nine days and will undertake to write you a diary of what has happened. This is a rather unsatisfactory method of keeping a diary, for some of it may be censored.

We were on shipboard in Hoboken, N. J., for three or four days before leaving, then we pulled up the river, and remained there for two months, sailing down the river and out to sea on the 13th. We had a high wind for two days during which time I suffered from sea-sickness, but was relieved from it by German gunfire during the war.

French will be a part of the course

and each man will be expected to be able to understand the people of the country in which they will work.

Operation of a motor car and repairing it will be another part of their work.

The expenses of the work will be provided from a \$25,000 fund being raised by Friends in all sections of France.

Among those who are taking an active interest in the work are Dr. William W. Confort, the new president of Haverford College; Professor Rufus M. Jones, Dr. Richard Gummere and Vincent D. Nicholson. — The Evening Bulletin.

THE SWARTHMORE RESERVES

Capt. J. C. Reith gave the Reserves a most interesting address after the drill last Monday evening. He described the routine of the soldiers in the trenches, the methods of guarding the trenches from surprise attack, the barbed wire entanglements, the care of the wounded etc. It was a most interesting and informing address and greatly appreciated.

Saturday evening at the call of the Reserves, the registered men met in Borough Hall. About fifty were present. Burgess Perry presided and Capt. McCarty and Chaplain Tuttle presented the object and work of the Reserves, outlining the benefits from membership in the organization and its value to the Borough and the country. Several of the registered men have enlisted in the Reserves as a result of this meeting.

The next bayonets have come and were worn at the drill last evening for the first time. The Reserves are making rapid progress in the more advanced work of the soldier. Capt. Reith told the men in his address that they had arrived safely, and immediately assumed their respective duties, has been received by a sister of Mr. Wharton, in Jenkintown.

FOR RENT

To two people, a desirable furnished room in private family. Centrally located.

ALBERT DUTTON MacDADE IX

ten-thirty P. M., and I did not see the submarine, although I saw a ship beside us fire three shots at it. I'll let you know my address later.

Tuesday, June 26.
We were safely in port in France. Thank Heaven we met with no accidents. A biplane came out 50 miles to help us and it was welcome. Ten destroyers convoyed us in and they are beauties, big long fellows that look like greyhounds in the water and they can make about 40 miles per hour. I think if you will address me "American Expeditionary Force" Quartermasters Department "Somewhere in France," it may probably reach me.

Most of those who are taking up this work have been students at the college. Only men are in the unit which started training to-day and expect to sail for France in August or September. A unit of 100 women soon will be organized by the Friends' National Service Committee to go to France to engage in war relief work.

The men who reported to-day, take the course will be scattered at Haverford College to-day and expect to sail for France in August or September.

Mr. and Mrs. William E. Walter have returned from a motor trip in New England. They left their college campus.

One of the most important parts of their work is the construction of frame houses. "Knock-down" types of houses will be used and each man when he finishes the course, will be able to erect these houses.

They will be built in the devastated part of France to shelter families made homeless by German gunfire during the war.

French will be a part of the course and each man will be expected to be able to understand the people of the country in which they will work.

Operation of a motor car and repairing it will be another part of their work.

The expenses of the work will be provided from a \$25,000 fund being raised by Friends in all sections of France.

Among those who are taking an active interest in the work are Dr. William W. Confort, the new president of Haverford College; Professor Rufus M. Jones, Dr. Richard Gummere and Vincent D. Nicholson. — The Evening Bulletin.

AN APOLOGY

A subscriber called our attention to an article in the last issue of the "News" which contained a term he considered very offensive, and said he was sorry to see it used in our paper home.

He said he "thought it was most unfair to call anyone who did not agree with him an obnoxious name." The article referred to was the Registration of Swarthmore "conservatives" in which the name of "slacker" was applied to two women who refused to sign the card sent out by the Government.

By way of explanation, we would state that the article in question came in late and in the rush of getting copy off to the printers, the reference was overlooked. We apologize for the omission and would state that we have made a special effort to keep that particular word out of our little sheet, because it is so often misapplied. No doubt our correspondent used the popular term without giving much thought to it.

Swarthmore is a community thinking people, and quite naturally they do not all think alike, but we believe that all are conscientious striving to do what they consider to be their patriotic duty. Therefore it is quite fair to call any of them "slackers."

It may be that the terms on the registration cards are not fully understood, and therefore a conscientious person may refuse to sign anything that is not quite clear to them. Whatever the cause may be, we think that calling offensive names antagonizes more than helps any cause.

We cannot all think alike, but we can all cultivate the spirit of toleration towards each other. And even though we do not agree on all things, we should at least respect the courage which inspires persons to stand up for a conviction. A little forbearance sometimes gives the other party a chance to get a better light on the subject and thus they are finally won over to a good cause.

Our thought on the use of the term

"slacker" is expressed in the following extract from an article which was published in the "News" April 1, 1917.

News Notes

Mr. and Mrs. Dudley W. Burchard have rented the house belonging to Mrs. Caroline E. Hall for the next two months.

Mrs. Justice Mitchell and her little daughter are visiting Mr. Robert P. Green.

Mr. and Mrs. Taber Ashton and Miss Dorothy Ashton have returned from Bristol, Pa.

Mrs. Charles Paxson has returned from a week's visit to Buck Hill Falls.

Mr. and Mrs. John Philips and family, of Wilmington, Del., are moving into their home on Cedar Lane.

Mr. and Mrs. Albert Garrett and family are visiting friends in New Haven, Conn., and Newport, R. I.

Miss Kittle Sanson is summering at Ballston Lake, N. Y.

Mr. and Mrs. W. Mark Bittle and daughter Elizabeth, from Haskel, N. J., are spending part of their vacation with Mr. and Mrs. William S. Bittle.

Transfer of the Mary L. Kent property was made to Edward A. Stockton last Monday through Bittle's Real Estate Agency.

Richard Sutton has been enjoying a short stay with friends in Swarthmore.

Mrs. W. A. Jaquette and three children are spending two months in Penobscot Bay. Dr. Jaquette will join the family in August.

The readers of the "News" will rejoice to hear of the return of Mrs. Anna Camden Hall, whose humorous verses usually head the personal column. Mrs. Hall has been spending the month of July with friends in New England, and she is expected home the latter part of this week.

Remember the dates of the issues of the "News" during August—Friday, 3rd and 24th.

INJURED IN CAR'S LEAP

Leaves Tracks at Trolley Curve and Turns Over

Media, Pa., July 23.—Mrs. Patrick Pension, wife of the superintendent of Bickmore Farm, Wallingford, was critically hurt; three soldiers were injured, and several other persons were more or less hurt when a car on the P. R. T. Company and Media line jumped the track at Moylan, hit a pole and turned over.

The accident occurred at 5 o'clock this afternoon, the car leaving the track at a sharp curve at one end of the railroad bridge.

Mrs. Pension suffered a broken thigh, broken arm and internal injuries, and died in the Media Hospital a few hours after taken there. James Carter, of Moylan, suffered a broken leg, and Lawrence Tiff, of Philadelphia, a nephew of the superintendent of the Pennsylvania Hospital, has a broken thigh.

Soldiers injured are Elwood Lafferty, Folcroft; Lawrence Celler, of Darby, and Herman Cloud, Paschal Avenue, Philadelphia. All are members of Company H, Sixth Regiment, Media. Lafferty suffered lacerations of the arms, face and body, and is in Media Hospital, where all the injured were taken. Celler sprained his right arm and Cloud received lacerations of the face.

PRESBYTERIAN CHURCH

Dr. Tuttle left for his vacation yesterday morning. His address is both for mail and telegrams, Box 19, P. I., Millbury, Mass.

The preacher for next Sunday is Mr. Donald Grey Barnhouse, a senior in Princeton Theological Seminary and a member of the United States Aviation Corps. Mr. Barnhouse will officiate both morning and at vespers. He is said to be an interesting speaker and has a message of timeliness and interest from the army life. Miss Hill will give the usual organ worship at 4:45 o'clock, and vespers will be at five.

The preacher for the first three Sundays in August will be Rev. Charles S. Davies of Fairbury, Ill., August 20th, Rev. David S. Kennedy, D. D., editor of The Presbyterian, preaches, and on September 3rd Rev. Dr. John T. Faris, editor of The Presbyterian Board of Publication.

The coming Sunday a pocket leaflet will be distributed giving all particulars of the services for the coming weeks.

METHODIST CHURCH NEWS

Wednesday evening prayer service was led by Mr. Bittle. Rev. George W. Townsend will preach next Sunday morning and evening. The following Sunday our pastor will be with us again.

Last Sunday Rev. Dr. Hanna, the Director of the Retired Ministers' Endowment Fund, gave us an instructive sermon on what the Methodist Church is trying to do for its retired ministers and their families.

The sermon was thoroughly appreciated, as was shown by the number of subscriptions pledged at the end of the service. Those who did not have an opportunity to subscribe to this fund may obtain cards from the pastor or directly from Dr. Hanna.

The Sunday School and Bible Classes meet at 10 A. M. We had a good attendance last Sunday, but we missed you. We hope you will be with us this Sunday.

SUMMER OPERA

Summer opera nights at the Strath Haven Inn, which were inaugurated a year ago by Musical Director John Curtis, Jr., with a fine performance of "Cavalleria Rusticana" by the Behrens Opera Club of Philadelphia, were continued on Friday evening, July 13. The attraction this year was Gilbert and Sullivan's merry little satire, "Trial by Jury," and the singers were again Philadelphia's able and popular operatic club.

The opera, however, was but part of the evening's bill, a concert preceding and following it, all under the direction of Mr. Curtis. The large hall of the Inn was filled, many persons coming from Philadelphia and elsewhere, and numerous residents of Swarthmore availing themselves of the opportunity of hearing some good music finely rendered.

The concert was opened with a group of songs by Miss Helen Colley, soprano, with Mr. Curtis at the piano. The spirited street song from "Naughty Marietta" was then sung by Mrs. Jenny Kneeler Johnson, accompanied by the full chorus. Chester H. Miller, baritone, ended this part of the program and introduced the opera with a magnificent rendering of the famous prologue from "Pagliacci."

GARWOOD & JOHNSON

For the opera the cast was: Judge, Chester H. Miller; plaintiff, Jenny Kneeler Johnson; defendant, Irving Taylor; counsel, Albert B. Poland; usher, Charles D. Cuzner; foreman of the jury, Edward Cuzner. The dainty little work was given with scenery, costumes and action, and rendered with fine spirit both vocally and histrionically, showing careful and skillful training in the musical line by Mr. Curtis, and able stage management on the part of Mr. Miller. The pretty dance of the bridesmaids was arranged and coached by Miss Mary DeCan.

It was really Mr. Miller's evening. He has been a guest at the Inn since it opened for the season, and his superb voice and engaging personality have made him a prime favorite. He is a sergeant in Battery A Second Pennsylvania Artillery, and on Sunday donned his uniform for the period of the war, and is now with his regiment.

At the conclusion of the opera John Curtis, Sr., president of the Behrens Opera Club, on behalf of the members, presented Sergeant Miller with an illuminated military wrist watch. The surprised soldier had hardly acknowledged this when Robert Haig, a guest at the Inn, landed the sergeant in a neat speech, and on behalf of the gentleman guests, presented him with a handsome shaving outfit. Not to be outdone, the ladies gave him scarfs and other articles of comfort which they had knitted themselves. A large box of flag-embossed stationery was given by Mrs. A. C. DeCan and a soldier's kit by John Curtis, Jr. and Miss Louise Borriko.

Sergeant Miller was deeply affected by these farewell tributes, and they were completed by the club singing the new patriotic war song, "Keep the Home Fires Burning." The singing of the "Star Spangled Banner" by the entire assemblage ended a most successful evening.

The accompanist throughout, except when she sang her own numbers, was Miss Helen Colley.

Bittle's Insurance & Real Estate Agency

Has to offer this week:

"Greystone" one of Swarthmore's most beautiful mansions, together with a long list of ideal homes.
