Services For Retired Professor And Wife Sunday

Dr. Harold Clarke Goddard, profesor Emeritus of English at Swarthmore College died Monday afternoon at his home at 915 Harvard avenue after a long illness. Dr. Goddard was 71.

Thirty-seven classes of Swarthmore students are indebted to Dr. Goddard for his interpretations of literature and life, for he served as chairman of the Department of English from 1909 to 1946.

When he retired, a volume of letters and essays in his honor was presented to him by his students. In the preface to this volume, President John Nason of Swarthmore said, "Dr. Goddard belongs in the company of Swarthmore's great teachers. He has loved great literature, and his love has been (Continued on page six)

# OPEN DRIVE FOR RED CROSS \$8500

Workers Busily Engage In Collecting Local Ouota

Under the national slogan "All May Help" and the chairmanship of Raynham T. Bates on Wednesday Swarthmore got off to a prompt start to raise its \$8500 local share in the 1950 Red Cross fund

This year's quoto is \$500 higher than 1949's but Mr. Bates, his assistant Marvel Wilson, the captains and numerous workers here expect no difficulty in its realization for Swarthmoreans are well aware the Red Cross manages the most heartwarming "swap" in mankind's history, each day bringing together thousands of those who want to help and thosands of those who need help.

This very personal exchange, this barter of the impluse to aid for the pain, the suffering, the worry, the life of a fellow man in distress has so wide an appeal that last year it resulted in 1,450,000 Red Cross volunteers contributing tens of millions hours of service.

Mr. Bates reminds workers and contributors that we are lucky in America to have the balance between those in need and those ready to meet that need so favorable. One way recommended to guarantee that this balance never shifts, that no cry for aid ever goes unheeded is for each citizen to support the Red Cross in every way he can-with time, energy and money. The theme "All May Help" means all are needed and each can contribute some part of the necessary total.

Mrs. John L. Good will be at the Swarthmore National Bank from 9:30 a.m. until noon Tuesdays and Fridays to receive funds collected by borough house-to-house canvassers. Each resident may help by being ready with his contribution when his local worker calls or, if he is apt to be absent from the home, by seeing that his share reaches his area collector, one of the three captains (Mrs. Palmer Skoglund, Mrs. A. S. Johnson, Jr. Mrs. Fred Bell) or Mrs. Good.

The complete list of workers was given in last week's issue of The Swarthmorean.

Review Today

Mrs. Percy G. Gilbert will give the Literary News Friday, March 3. Mrs. Irwin R. MacElwee will review "The Egyptian" by Mike Waltari.

# LAST CALL FOR

Thrifty Women Prepare For Tues. Attack On Club

Last call for items to be taken to the Woman's Club next Monday, March 6, between 10 a. m. and 4 p. m. for sale at the Mutual Exchange at the club Tuesday, March 7, from 10 a.m. until 9 p.m. There will be receivers in quantity to function rapidly and efficiently so that none will be kept waiting to list her goods.

The clubhouse will be a beehive of industry from the opening of its doors Monday morning, through the sorting and arranging articles for the most efficient and attractive display and sale on Tuesday, and the settlement Wednesday.

Tuesday morning will see a frontal attack on the club as every thriftminded housewife scurries to find bargains in household goods to give her spring decorating a lift and spring wardrobes an early touch of variety. She will also cast an eye about to see whether the carefully chosen items she brought are finding eager purchasers.

By Tuesday night buyers and workers alike will be worn but happy and the work of the watchdogs of the treasury just getting underway for figuring the settlement. This will lure everybody back again on Wednesday from 12 Noon until 4 p. m. by which (Continued on page six)

Jr. Assemblies Tomorrow The Junior Assemblies for the seventh and ninth grades will meet tomorrow evening, March 4 at the Woman's Club.

Host and hostess for the seventh grade Mr. and Mrs. John MacAlpine will have as chaperons Mr. and Mrs. Robert Wright, Mr. and Mrs. G. D. Preston and Mrs. Mary Foster.

For the ninth grade Dr. and Mrs. John F. McKernan will be host and hostess with Mr. and Mrs. John M. Highberger and Mr. and Mrs. J. C. Lawrence, Jr. as chaperons.

# MRS. W. M. FOOTE DIES WEDNESDAY

**Memorial Services For** 40 Year Resident Wednesday

Mrs. Melanie Foote, widow of Warren Foote, died of a heart attack at 3:30 Wednesday morning in Bryn Mawr Hospital where she had been admitted the previous day for observation. •

Born in Philadelphia on St. Valentine's Day 77 years ago, Mrs. Foote had lived in Swarthmore for the past 40 years. Her home was at Ogden avenue and Walnut lane before moving to Strath Haven Inn last October.

Mr. and Mrs. Foote and their two daughters joined the Society of Friends at the Swarthmore Meeting in February, 1921. Mrs. Foote had served on a Friends Membership Committee and the Service Committee. She was a faithful attendant at the monthly business meetings and other Friends Meeting activities.

She was a member of the Swarthmore Woman's Club.

Survivors are two daughters Mrs. Cyril Gardner of Wallingford, Mrs. David B. Hand of Geneva, N. Y.; a brother A. Thornton Grugan of Bryn Mawr; and five grandchildren.

Memorial Services will be held in the Meeting House, Wednesday March 8 at 3 p. m.

The family requests that flowers be omitted.

New Disposal Plant

The State Sanitary Water Board has notified the Central Delaware County Authority to proceed with the contruction of a Sewage Disposal Plant to be completed by February 1952.

The plant will cost approximately \$750,000.

The Borough's share of the cost will be \$75,000.

Direct Polio Work Again

Three Swarthmoreans Mrs. and William Morrow were reelected to the executive committee of the Delaware County Chapter, National Foundation Infantile Paralysis at the chapter's late February meeting.

Parents Sponsor Event For Music Fund, Uniforms

Plans to bring added sparkle and variety to the instrumental music program of the Swarthmore schools will be materially aided by everyone who takes part in the Dessert-Bridge and Canasta Party of the Band and Orchestra Parents Association, March 17. This St. Patrick's Day event will begin at 8:15 p.m. in the high school gym building. Tickets are being sold by members of the Association. President of the group Clarence Franck will serve as master of ceremonies.

Proceeds of the party will go into the Band Orchestra Fund. To meet a growing interest in orchestral music plans are under way to bring professional musicians to the school for occasional performances, and to provide interested members of both band and orchestra with tickets to certain concerts in Philadelphia.

The most immediate need is for funds with which to replace out-(Continued on page six)

# O SHOW WORK AT ART CENTER

Dorothy MacMillan Alice Gilbert In March Show

Paintings by two Swarthmore artists will comprise the March Exhibition at the Community Arts Center in Wallingford. Alice T. (Mrs. F. Leroy) Gilbert of Meadow lane and Dorothy S. (Mrs. Stanley L.) MacMillan of Vassar avenue will exhibit about 50 of their paintings in oil, water color, and pastel from March 6 to April 5. A private view and tea will take place for members of the Arts Center and invited guests on Sunday, March 5 with the two Swarthmore artists acting as hostesses.

Both Mrs. Gilbert and Mrs. MacMillan are well known locally not only as fine artists but as those eager to assist any enterprise to bring more Art into the lives of other people. Their interest and assistance at the Community Arts Center where Mrs. MacMillan serves as a Board Member and as chairman of the Faculty Committee on which Mrs. Gilbert is a valued member evidences this interest in common.

Dorothy MacMillan received Avery Blake, Mrs. J. V. S. Bishop her early artistic training at the Moore Institute where she won the John Sartain Fellowship and where she taught before her marriage. She was also superintendant of Art in the public schools (Continued on page six)

"Unusual Drugs of the Past and Present" was the subject of a very informative talk given at the Woman's Club Tuesday afternoon by school. Dr. L. F. Tice, assistant dean of the Philadelphia College o Pharmacy and Science. The speaker was introduced by Mrs. Donald .. Hibbard, chairman of the program committee.

Claiming everyone is more or less addicted to drugs of one kind or another, - caffine, nicotine, and aicohol being among the most common, Dr. Tice said, "Contrary to general belief, alchol is not really a stimulant, but a depressant. Since young people need more, not less inhibitions, alcohol is dangerous to the young, though helpful to those over fifty."

He paid tribute to penicillin an outstanding miracle drug, so useful in pneumonia cases, but not available ten years ago. Now only rarely does death occur from Pneumonia, except among the aged, he stated, further claiming penicillin could eradicate venereal disease, if the public would cooperate and realize that this is no longer a med-

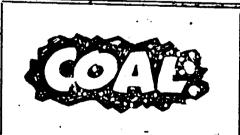

Synthetically made B12, a liver preparation, was proclaimed as helpful in the control of pernicious anemia as insulin is in the case of diabetes. Atebrine was credited with winning the Japanese war, its use against malaria having enabled the Navy to keep in fighting

He concluded by saying that the saving of life through these wonderful new discoveries has brought a new problem, - that of overpopulation, saying unlimited repro duction is bad for the world starvation, competition, and wars resulting from the existence of too many people. "Our progress must now be on the social level." Dr Tice warned, "We have not kept up in the social fields with our advance in science, and this is a real menace to the welfare of mankind."

Young Robert L. Haig arrived Saturday to visit his grandparents Mr. and Mrs. Richard G. Haig of Riverview road for a week while his parents Mr. and I The Company of the Mrs. Richard R. Haig are moving from Elizabeth, N.J. to their newly purchased home in Westfield, N.J.

# HOW TO BE THE "SALT OF THE EARTH"

on Party-Line Telephonès

When you treat your party-line neighbors with courtesy and consideration, you soon win an A-1 reputation as a good party-line neighbor. What's more, you'll find that your courtesies are returned...and this means good service for everyone on the line!

Two Brief Suggestions: On finding the line in use hang up gently and give the other person a few minutes to finish his call. And when, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line. Party-line courtesy is easy. And it pays big dividends!

# HOW TO BE THE "SALT OF THE EARTH"

on Party-Line Telephones

When you treat your party-line neighbors with courtesy and consideration, you soon win an A-1 reputation as a good party-line neighbor. What's more, you'll find that your courtesies are returned...and this means good service for everyone on the line!

Two Brief Suggestions: On finding the line in use, hang up gently and give the other person a few minutes to finish his call. And when, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line. Party-line courtesy is easy. And it pays big dividends!

March 17 Party to Raise Fund For Band, Orchestra

Twenty members of the Swarthmore High School band and orchestra, wearing a touch of the green instead of their customary school garnet, will start off the St. Patrick's Day Bridge and Canasta Party next Friday, March 17, in proper style by serving dessert to the assembled friends of these two outstanding musical organizations. The committees of parents, working together as smoothly as though under a conductor's baton, have arranged a full and lively program in the high school cafeteria, beginning at 8:15. All awards and various musical ac- to the public until April 5.

Inclusion of canasta has attracted a number of the high school students, and for many Swarthmoreans the event will mean fun for the whole family. Sponsor of the party is the Band and Or chestra Parents Association, of Workers Now Canvassing which Clarence C. Franck is president. Mrs. Donald P. "Shadow and Substance" The Little Theatre Club of

Swarthmore College will present Shadow and Substance, a tragedy by Paul Vincent Carroll in Clothier. March 17 and 18 at 8:15 p.m. The play, which was first produced in Dublin in 1937 and subsequently in New York City in 1938, centers around an ideological clash between mystical and formal religion. Although the church referred to is Catholic and the country portrayed is Ireland, the play is applicable to any ideology in any country, and its message is a valuable one.

PERNICIOUS ANEMIA CANNOT BE CURED

• Don't be misled by the quacks and charlatans who claim to cure pernicious anemia. The most contemptible person in the world is the one who will sacrifice public health, comfort, and happiness for his own financial gain. A pa-

tient having pernicious anemia is deficient in red blood cells. New red blood cells can be developed by a process with which your physician is thoroughly familiar. The process is constant and does not effect a cure. It does, however, enable the patient to complete a normal span of life. Always consult your physician in times of illness. Then bring his prescriptions to us to be filled.

Swarthmore elementary schools the elementary art instructor Anne Jane Cleaver. The group meets every Tuesday afternoon in the Rutgers avenue art room.

The teachers are finding that in addition to learning art skills they are getting enjoyment and relaxation from the handicraft class. They are making ornamental and useful things, and at the same time are learning techniques which they can use in class with their own children. The work is developed informally and projects underway include ceramics, making dishes, tiles, and pottery; stencilling napkins and lampshades; and some work on furniture.

The workshop has been running since late fall and will continue through the winter and early spring. Several mothers join the group occasionally, Mrs. Russell Snyder being one of the most regular in attendance.

# Bunche To Speak Sunday TEACHERS ENJOY

Ralph Bunche, former United Nations mediator for Palestine, will speak on "United Nations Mediation" at Clothier Memorial Thursday, March 12, at 8:15 p.m. In his address Mr. Bunche will stress mediation problems Palestine and in Indonesia.

Currently holding the position of Acting Assistant Secretary General in the Department of Trusteeship and Information for non-selfgoverning territories, Mr. Bunche has two years of State Department service and four years with the U.N. to his credit. He first came to public notice when he succeeded the assassinated Count Bernadotte as Palestine mediator but had served with the U.N. two years prior to that time.

For three years during the war Bunche served with O.S.S. He obtained his education at the University of California at Los Angeles and at Harvard University, where he received the doc-

torate in 1934. Mr. Bunche's talk is sponsored by the William J. Cooper Foundation and the college's Political Science Department.

# HANDICRAFT WORKSHOP

A number of the teachers of the Swarthmore elementary schools are participating in a workshop in nandcrafts under the leadership of the elementary art instructor Anne Jane Cleaver. The group meets every Tuesday afternoon in the Rutgers avenue art room.

The teachers are finding that in addition to learning art skills they are getting enjoyment and reaxation from the handicraft class. They are making ornamental and iseful things, and at the same time are learning techniques which they can use in class with their own children. The work is developed informally and projects underway include ceramics, making dishes, tiles, and pottery; stencilling napkins and lampshades; and

some work on furniture. The workshop has been running since late fall and will continue through the winter and early spring. Several mothers join the group occasionally, Mrs. Russell Snyder being one of the most regular in attendance.

**Spring Semester To** Include New Courses

The Community Arts Center in Wallingford announces the opening of its spring semester of classes the week of March 14. Catering to the needs and requests of the membership, the faculty committee under the chairmanship of Mrs. Stanley L. MacMillan presents some changes and additions to the present schedule although most of the present classes will again be offered as now arranged. Henry Hotz, Jr. will be added to the faculty to teach painting on Tuesday evenings from 8 to 10. Mr. Hotz, formerly the Curator of the Pennsylvania Academy of Fine Arts Schools, is color critic and

engraving analyst with the Curtis Publishing Company. A new class in French conversation will be offered for Tuesday mornings with Jane Weinrich as the instructor. Mrs. Weinrich was born in Belgium, receive her B.S. and M.A. degrees from Brussels Social School, and served as interpreter in Paris during the war. Since coming to this country, Mrs. Weinreich has tutored in French at Rose Valley, Swarthmore, and Spring-

A life class will be another addition to the painting schedule. This will be given on Wednesday evenings by Cyril Gardner, already a favorite painting teacher at the Arts Center. In this class various techniques of drawing will b demonstrated and there will be ample opportunity for thorough study of drawing and construction from the human figure.

The flower arrangement clas under the direction of Elizabeth Crothers will be resumed for the spring term on Wednesday mornings. A class in Creative Dancing for High School students will be offered on Friday afternoons with Elfriede Mahler as instructor.

Other classes which will continue are paintings, home decoration, puppetry, pottery, jewelry, body movement, folk and square dancing, photography (beginners) and advanced), weaving, sculpture and wood carving, woodworking, creative dancing and ballet for The Mae Desmond Children's children and Saturday morning

MR. JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cussed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 49% of Pennsylvania's traffic fatalities last year. 673 of his kind were given a ride to the morgue. Thousands more went to the hospital. That's serious - but what is worse 421 were killed in the first seven months of this year, an increase of 52% over a like period of 1945. Are you startled?

If you have any jaywalking tendencies in your make up, eliminate them before they eliminate you. Danger to life and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and patience to quit being a jay walker. Cross streets and highways where you should - when you should. Don't pit your body against speeding metal; it won't win. Living is a great adventure. Why cut it short before your time. Walk safely and - live longer!

# BLAZE DESTROYS UPPER PORTION OF BOROUGH

. Conflagration Leaves Police, Borough Offices, Library, Health Society, American Legion Without Roof

Swarthmore lost its 65 year-old, gabled, wood shingled Borough Hall Wednesday night in a fire which had been predicted by admirers of more modern and less inflammable structures, for years., The several thousand witnesses who gathered in the adjoining lot on Park avenue and lined the other sides of the building along Dartmouth and Lafayette avenues, were all heart-sickened at the sight of the Public Library's precious books, Community Health Society nursing and clothing supplies, and other community needs being destroyed. However much anyone may have wanted to see his town boast new and more adequate municipal quarters, and even though this might actually have been the only way to realize any improvement in the near future, it was a very hard thing to take. Villagers

stood and watched ten fire companies powerless to control the blaze for two hours, despite the man or so from out-of-town commost modern fire-fighting equipby firemen atop truck suspension ladders reaching to the roof peaks and others afoot, handling hose under burning ceilings.

The fire was discovered at 10:40 p.m. by Patrolmen Ellis Lindsay, Robert Timmons, and Peter McGinnis who detected smoke rising from the roof, at the bell tower, as they parked the police car and prepared to enter police headquarters on the first floor. "SHADOW AND SUBSTANCE"

MR. JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cussed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 49% of Pennsylvania's traffic fatalities last year. 673 of his kind were given a ride to the morgue. Thousands more went to the hospital. That's serious - but what is worse 421 were killed in the first seven months of this year, an increase of 52% over a like period of 1945. Are you startled?

If you have any jaywalking tendencies in your make up, eliminate them before they eliminate you. Danger to tife and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and patience to quit being a jay walker. Cross streets and highways where you should - when you should. Don't pit your body against speeding metal; it won't win. Living is a great adventure. Why cut it short before your time.

Walk sasely and - live longer!

# MEN OF COURAGE

• Pain, torment, and suffering play no favorites. They attack alike the sole wage earner of the family, the mother with her many responsibilities, or the only child. The one safe refuge is the family physician, who alone has the

knowledge, courage, and stamina to battle dise. Don't hesitate to consult your physician m time of illness. He, and he alone, is competent to advise. Depend on us to fill his prescriptions promptly and accurately.

as a party-line neighbor

When you play fair and square with your party-line neighbors, they'll give you a break, too...and that means good service for all concerned!

Here are two suggestions on party-line courtesy: 1) on finding the line in use, hang up gently and give the other person a few minutes to finish his call; 2) when, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line. Easy, isn't it?

of the combined welfare drive of the high school, the children of the elementary schools will next week begin their drive for the same purpose. Instead of collecting small sums for various charities such as Red Cross, Red Feather, Tuberculosis, March of Dimes, Crippled Children, it is planned to have one drive only. Last fall the children shared salvaged clothing items from ther homes for the Save-the-Children Foundation which is associated with the C.A.R.E. program. These clothing items, still usable, were prought to school, packed, and sent to the headquarters of the

Foundation. From this point they

were distributed to needy children

in depressed areas of this country, and some were sent abroad. In an attempt to get away from the repeated collecting of small sums of money, it has been decided to try the plan of one combined giving. This campaign will begin March 20 and will extend until March 29. It is hoped that many of the grades will not only collect sums, but will also participate in a work effort to earn money. In times past, through bake sales and other efforts, classes have averaged from \$30 to \$40 each through their ambitious efforts. Many will earn this money individually through running errands and doing odd jobs.

Parents are being asked to cooperate in this worthy plan and to help make the project a big

Jr. High School Wins Basketball Championship

The Swarthmore Jr. High School basketball team won the Delaware County Championship when it defeated Collingdale Jr. High in a play-off game Tuesday on the Ridley Township floor. Collingdale was the winner of the Eastern Division of the two-sectioned league. They had also won the Lion's Jr. High Tournament. Swarthmore did not enter the tournament due to the necessity of playing night games.

S.H.S. boys had won the right to play for the title when they defeated Eddystone last Friday to determine the Champion of the Western side.

The local boys got off to a fast start beating Collingdale's zone defense down the floor to run up an 18 to nine first quarter lead. The remaining 3 quarters became a nip and tuck battle with the Swarthmoreans capitalizing on their early lead. The highlight of the game was the ability of the team to hold Collingdale's 6 foot 1 inch center to 10 points.

Billy Hoot, Howard Shearer. Johnny MacAlpine, Lee Swan, George Allen, Billy Ziegenfus, and Andy Shroder saw most of the action. Others who played in this as well as other games were Don Stromberg, Jay Phillippe, Charlie Neuweiler, John Hilkert, Layton Wilson, and Don MacElwee.

This game was the last of a most successful season. The schedule consisted of seven league games two non-league games followed by two play-off games. The season record was one loss against

# COUNCIL CALLS A TOWN MEETING

The Town Meeting called by Borough Council for 7:30 Wednesday night is a challenge to this community to put on its thinking cap. Theorizing about Borough Hall has been community sport for decades. Wednesday night's meeting offers Swarthmore taxpayers a chance to speak their minds on the future home of the Borough's Government. Early in the year, a famed educator told a Swarthmore audience office, which was destroyed by the that a predominant American sin is the electing of public officials who are promptly forgotten until some act of theirs draws mass criticism. Council's call to a Town Meeting is evidence not only of its faith in the voters who elect it but an attempt to learn the articulate wish of the electorate. It is evidence that the Borough Fathers understand or gifts of money should be in that Borough Hall with the many activities which carry on under its roof is important to Swarthmore residents, important enough for them to have a direct say in the decision about its future.

For a community of this size, and although we like to think it mighty in influence we must admit its smallness in population, a lot of industry, activity, safeguarding the health and safety of the people has gone on in the daily routine of the old Borough Hall. The Borough Office is the administrative center of borough existence. ments are also in demand to take It aids and records the daily life of the Borough. The police headquarters were a protective necessity and with the radio functioned as a nerve center for 10 neighboring communities. The Volunteer Fire Department has contributed much to the excitement and activity of Borough Hall life. Its protection of the property and welfare of the community cannot be estimated in dollars. Its closeness to the police and radio aids its efficiency.

WINS MEDAL of Council's protective interest within the limitations of the state The Swarthmore Public Library by fortunate circumstance code owes, first its existence and later its steady growth to Borough Hall quarters since 1929, which saved its funds from the drain of maintenance or rent. The Community Health Society has been quartered in Borough Hall for the past 27 years, making a contribution to the health of the Borough which defies dollar valuation. In 1949 over 1100 visits of bedside care were made in the borough by its nurses.

Dorothy M. Sidner, R. N., staff Only 60 per cent of those were paid visits. What would you like to see in the Borough Hall of the future? Public Health Survey

MARCH 24, 1950

The League of Women Voters of Swarthmore held a luncheon March 17. Following the luncheon a short busines meeting was held with President Mrs. Melvin Molstad presiding.

Mrs. Joseph Bishop gave a re port on the study-groups held during February on the Public Health Program of Pennsylvania. She outlined the organization of the state department of health, one of the most highly centralized divisions with 5000 employees, 90% of whom are selected by the patronage system. She also discussed the local Nurses Association and its service to the Borough. included among the entries are Ed

At the conclusion of Mrs. Bis-Lathbury, chairman of health, introduced the speaker, Louise Eskridge of the Pennsylvania Citizens Association for Health and Welfare. Miss Eskridge's talk was based on the survey for the state department of health made by the American Public Health Association in 1948 for the state of Pennsylvania at the request of Governor Duff. This survey the first comprehensive one of its kind made since the department was organized in 1906. The state's Medical Society, the Tuberculosis and Cancer Associations as well as the P.C.A. are actively engaged in an educational phase of this program for a new era in Pennsylvania public health.

Two of Swarthmore's Public Health Nurses, Helen Parkinson and Dorothy Sidner were special guests at the meeting.

## **Engineering Conference**

LET'S

Residents Air Views On Borough Hall's Future

On Wednesday evening, in the high school auditorium, 500 borough residents accepted the invitation of borough council to air their views on the rebuilding of borough hall.

President of Council H. Lindley Peel opened the meeting by listing the requirements which council deemed necessary for an adequate borough-hall, warning that "Any final decision must take into account a 20-year population growth. It has been estimated that this could reach a total of between 8,000 to 10,000 whereas we are just short of 5,000 now."

Mr. Peel then requested architect George M. Ewing to show by slides and explanation the three plans being considered by council. The plan which received most favorable comment by the audience is reproduced on page 1 of this issue. Of the three, Plan A calls for repairing the present building and separate quarters for the Library in the old Bell Teleof \$80.000.: Plan B adds a new wing to the present building to provide adequate space for the fire company and library at total cost of \$186,500.; and Plan C calls for repairs as in Plan A plus a new, separate building for library and fire company, at a total cost of \$206,000. All three plans call for purchase of the adjoining lot. Under plans A and B additional parking space for from 80 to 100 cars would be provided. and under plan C there would be additional parking space for approximately 28 cars.

Made of pure, virgin rubber, Spongex has many more advantages and none of the drawbacks found in old style carpet lining. Spongex is sanitary, has no dirt-catching crevices. It is mothand-vermin-proof, doesn't attract lint, can be scrubbed clean in a jiffy. Spongex will never stretch out of shape, creep, crawl, buckle

NOW YOU can give your rugs that glorious feel of rich, deep-pile

carpeting-easily and cheaply-with amazing new Spongex.\*

You owe it to yourself and your rugs to give them the luxury and long-life "insurance" of Spongex Rug Cushion. Come in and see how it feels to step on Spongex.

#### 500 Attend Town Meeting Wednesday

(Continued from page one)

Councilman Frank H. McCowan presented the cost in millage and an example of the actual cost on a \$5,000. assessment under each plan, based on a 20-year period. Plan A calls for .90 mills at the start, reducing to .68 which would mean (on a \$5,000. assessment) \$4.50 gradually reducing to \$3.35; Plan B calls for 2.10 reducing to \$1.54, or \$10.50 reducing to \$7.70; and Plan C calls for 2.32 reducing to \$1.72 or \$11.60 reducing to \$8.60.

Clarence G. Myers, borough solicitor for the past 26 years, presided over the discussion period, during which 35 citizens expressed their reactions.

Mrs. Melvin Molstad, president of the League of Women Voters, presented a proposal for bringing in an expert for long-range planning for a community survey. Raymond K. Denworth spoke in support of this plan as did several others.

The pros and cons of buying the adjacent lot consumed considerable time. A statement by Dr. Gemmill that he was "willing to assume council has looked into this matter and would not present the matter unless it felt the lot was available for a fair price" seemed to express the general consensus of opinion. Ellwood B. Chapman read a letter objecting to the purchase price of the lot.

There were proponents for parking meters, a new Woman's Club Building, a recreation center, the use of Yale and Rutgers Avenue his home in Wallingford.

lot or Mary Lyons buildings for various borough services. / Dr. John Nason was asked to summarize the proposed plan which was reported in detail in a previous issue of this paper.

The meeting made no formal recommendation but there were many expressions of confidence in council's knowledge and careful stewardship of community funds and progress. This was voiced for the audience by Burgess Charles R. Russell when he said, "I believe we can count on Council doing the right thing for the largest number of people here."
