

## S.H.S. SPONSORS UNITED CHARITIES

### Organizations To Share In Drive Starting Monday

This year Swarthmore High School, in response to requests of students, parents, and faculty members, has decided to have one United Charities drive with many organizations sharing the proceeds. The drive will start on January 9 and continue through January 20. The group wants all students to realize that this is the only time this year when they will be asked to give their contributions to support these charities.

The student Committee is, and will continue to study all of the organizations requesting financial need. Among the organizations will be Red Cross, Red Feather, Polio, Tuberculosis, Cancer, Crippled Children, and Heart. Others will be considered and a division will be made on the basis of need as the committee determines it. The committee hopes that all pupils will be able to contribute to the \$875.00 goal. It is to be hoped that the parents will go along all the way with the students and help them assist the children in assuring the project of success. The United Charities organization will appreciate the help.

## Legion Auxiliary Plays Santa To Many

During the month of December the Swarthmore Legion Auxiliary endeavored to give happiness in several directions. Five dollars were sent to Coatsville Hospital for the Christmas Gift Shop where veterans may choose presents for their families and \$26 for decorations and remembrances. The Health Center of Swarthmore and the Media Center each received \$10, and the Perry Point and Philadelphia Ward hospitals \$5 each. Roller skates were given to the adopted orphans at Scotland School, and three families, including 17 children, received five pairs of new shoes, 17 pieces of new clothing and 17 new toys. Each of the six adults was also given a present, and a large doll was placed in the hands of a little girl in one family.

The three families also received fresh meat, vegetables, oranges, apples, candies, coffee, pancake flour, sugar, prunes and margarine food offerings, besides the 50 cans of vegetables and fruit left by interested friends at the Christmas Party held on December 8. The silver offering donated at this party, amounting to a generous \$60 to which the Auxiliary gave an additional \$8, was also presented.

The Auxiliary hopes that the heartfelt joy of these 23 individuals will warm the hearts of the givers, for some of the members of the families met the Santa contingent, Mrs. Walter Thorpe in charge, with grateful tears, others with silent surprise. These families, not on relief—were in great trouble at this Christmas Season, and the Auxiliary feels that they have been given an incentive to carry on through the new year.

### Attends Bar Convention

Mr. and Mrs. A. Sidney Johnson, Jr., of Lafayette avenue are attending the Pennsylvania State Mid-winter Bar Convention in Harrisburg this week.

## FARRELL TO SPEAK

James T. Farrell, prominent novelist, will speak at Friends Meeting House on the college campus at 8:15 p. m. Thursday, January 12.

Mr. Farrell is the author of the widely-discussed *Studs Lonigan* trilogy and a number of other novels, as well as numerous critical essays. As a writer, he has been bracketed among the "naturalists." He has selected for his Swarthmore lecture the subject, "Some Observations on Naturalism in Fiction, So Called."

Mr. Farrell's lecture is presented by the William J. Cooper Foundation of Swarthmore College.

## DIMES DRIVE SET FOR JAN. 16

### Final Pre-Campaign Meeting To Be Held Tonight

"The National Foundation for Infantile Paralysis has in reserve funds to cover only two months operating and field expenses!" This statement was made yesterday by Dr. John W. Nason, Chairman for the 1950 March of Dimes Drive in Delaware County, in an appeal for a full attendance at the kick-off meeting for the Drive. This meeting will take place this evening, January 6, at 8:30 p. m., at the Upper Darby Municipal Building. "There is available at National Headquarters (as of Dec. 1) only \$1,998,000, for epidemic and field aid. Against this balance, Headquarters has received from Chapters seeking financial assistance, requests greatly exceeding that amount. Fifty per cent of the net funds received will be sent to National Headquarters to aid in epidemics, promote research, and will also be put in reserve, so that Chapters may draw upon this reserve when their funds are exhausted. The remaining 50% which stays in Delaware County is used to care for local polio patients . . . your friends and neighbors."

"This is the final meeting preceding the opening on January 16 of the March of Dimes Campaign. Delaware County's goal has been set at \$100,000. "All district chairmen, captains and district solicitors, all members of the Delaware County Chapter and the Polio Parents Club . . . in fact, each and every person in the County who is interested in helping in this all-important appeal, is invited to attend."

### Polio Immunity

For those over 15 years of age the chances are four out of five that they have already been infected with the polio virus.

This statement - startling as it may seem - is based on prevailing scientific opinion according to Mr. Aleck Smith, chairman of the Delaware County Chapter of the National Foundation for Infantile Paralysis.

March of Dimes scientists came to this conclusion after completing simple surveys to detect polio antibodies in the blood of normal persons. Mr. Smith explained that the presence of polio antibodies in the blood result from some contact with the polio virus.

"Fully 80% of normal adults tested showed the presence of polio antibodies in their blood streams," Mr. Smith declared. "Scientists now believe polio is much more widespread than the actual number of cases would indicate. In most of the individuals tested, there was no known previous history of polio. ## WOMEN TO HEAR FRANCES FUSSELL

### IRC Chairman To Discuss Foreign Affairs Tuesday

The Woman's Club looks forward to hearing its own Dr. Frances R. Fussell, International Relations Chairman, who will be the speaker Tuesday, January 10. Immediately following the stated meeting, Dr. Fussell will discuss the "U.S. Foreign Policy and the World's Foreign Affairs."

A resident of Swarthmore Dr. Fussell is with our State Department and has been in the Office of Transportation and Communications Policy since 1945. She is a graduate of Swarthmore College and received her M.A. and Ph.D. from the University of Pennsylvania. She was an instructor in Political Science at the College from 1932 until 1941 when she left to go with the War Production Board.

She is a particularly fine speaker as club members know and her talks are always timely and informative. The Club is proud to have her a member and chairman of its International Relations Committee.

Honored guest also at the meeting will be Mrs. M. J. Miazdzinian, Delaware County Federation Chairman of International Relations.

Hostesses for the day will be Mrs. H. Lindley Peel, Mrs. G. R. Loughead, Mrs. John S. Vertner and Mrs. William F. Uthe. At the tea table will be Mrs. Stoyan W. Russell and Mrs. Jerome E. Bell.

### Book Review Today

Mabel Talley will give the literary news when the literature section meets at 10 o'clock this morning at the clubhouse. Mrs. Robert L. Coates will read from Runer Godden's recently published book of Poems "In Noah's Ark."

On Monday, January 9 at 9:30 a.m. the Executive Board will meet in the Lounge.

The club class in rhythmic dance will resume sessions, Friday, January 13 at 9 a.m. in the club house.

### Shero Elected

Professor L. R. Shero, of the Department of Classics at Swarthmore College, was elected President of the American Philological Association for the coming year at the annual meeting held in Baltimore last week.

The Association, founded more than 80 years ago, is one of the oldest learned societies in America and was a pioneer in promoting scholarly work in the field of the humanities. Professor Shero served as Secretary-Treasurer of the Association from 1939 to 1944.

### Retiring Officials Dined

Borough officials held a dinner at the Inglenook Tuesday evening in honor of retiring Burgess J. Paul Brown and retiring Councilmen George Ewing and W. Henry Linton.

### Co-Chairmen Named

Mrs. J. V. S. Bishop, co-chairman of the Delaware County March of Dimes Campaign, announces Nancy Savell as chairman and Henry Faust as co-chairman of the Special Events Committee of Swarthmore.

## Red Cross Nominations Open

The annual meeting of the Swarthmore branch of the American Red Cross will be held Friday morning, January 27 at the home of the chairman Mrs. Horace H. Hopkins, 4 Crest Lane. Mrs. Willard Tomlinson chairman and Mrs. Howard Newnam and Mrs. Guy dePuria constitute nominating committee. During the coming week, in accordance with the chapter by-laws nominations may be sent to this committee by any member of the local branch. Offices to be filled are: chairman, vice-chairman, secretary, treasurer and two members-at-large on the board of directors. The list of nominees will be announced January 20.

## MOTHERS PLAN FATHERS NIGHT

### Nason To Speak At Annual Event Jan. 13

On Friday January 13, the monthly meeting of the Mother's Club will be held at the Clubhouse at 7 p. m. This meeting is the annual Father's Night at which time a covered dish supper precedes the regular meeting.

The speaker for this meeting will be Dr. John Nason, President of Swarthmore College. Dr. Nason's subject will be "Six Major Formulas for World Peace." This topic is being brought to the club by a man who is truly an authority on the subject as Dr. Nason is President of the World Affairs Council this year. In addition to his other outside duties, he is also in charge of the Delaware County Polio Foundation Drive this month.

All members are urged to attend this meeting and bring their husbands.

### HURT IN ACCIDENT

Mrs. Vernon M. Parry is in the Chester Hospital recovering from injuries and shock suffered in an automobile accident on Monday afternoon, January 2.

Mrs. Parry, a former Swarthmorean who now lives with her husband and daughter Barbey Lou at Locksley near Glen Mills, was driving alone in her car to Swarthmore to transport her sister Mrs. Andrew Erskine and children of Allentown, and her mother Mrs. J. R. McLean of the Strath Haven Inn to Locksley for a family holiday dinner.

The accident occurred on the Gradyville road between Glen Mills and Gradyville when a car struck Mrs. Parry's car on the left rear door with enough force to turn her car completely around and smash it into a telephone pole. Mrs. Parry was knocked away from the wheel and suffered serious face injuries, cuts and body bruises, and shock which delayed diagnosis of the complete extent of her injuries.

## INSTALL NEW BORO OFFICERS

### Burgess, Councilmen, Auditor Sworn In Tuesday

Charles R. Russell was sworn into the four-year office of Burgess Tuesday evening by J. Paul Brown retiring Burgess.

Mr. Russell then administered the oath of office for four-year terms to two new borough councilmen Thomas W. Hopper and Frank H. McCowan, two re-elected councilmen H. Lindley Peel and Charles G. Thatcher, and to Morris H. Fussell who begins a six-year term as borough auditor. Mr. Russell then presided at the annual organization meeting at which Mr. Peel was named president of Council to succeed George Ewing whose term on Council expired, Elliott Richardson was re-elected secretary and Harold Ogram, treasurer.

### Chairmen Named

Mr. Peel announced the appointment of the following committee chairmen, after which the regular January business meeting was held: public safety, William H. Gehring; highway, Dr. John M. Pearson; finance, Arthur R. Dana; public property, Thomas W. Hopper; sewer, Charles G. Thatcher; accounts, Frank H. McCowan.

Council then proceeded to elect the following borough officials: S. S. Rutherford to a three-year term on the Board of Adjustment; Frank R. Mackley to a six-year term on the civil service committee; Harry Wood, three-year term on the tree committee; Mr. McCowan and Mrs. Peter E. Told to two-year terms as Council's representatives on the Library Board; Mrs. Samuel M. Dodd, one-year term as collector of sewer rents; Dr. J. Albright Jones, two-year term as health officer and milk inspector with Mrs. Joseph Seal serving a similar term as his assistant; Gus Houtman, two-year term as borough engineer; Clarence G. Myers, two-year term as borough solicitor; Elliott Richardson, two-year term as plumbing and building inspector.

### Permit Granted

Council granted a building permit to the Swarthmore Presbyterian Church authorizing the erection of a \$132,000 addition to the present Sunday School building, to house additional Sunday School rooms and recreational facilities. Present at the public hearing on the question were John S. McQuade, Jr., representing the building (continued on page six)

### Jrs. To Hear Mrs. Eaton

The 1950 meetings of the Swarthmore Junior Woman's Club will open Monday at 6 p. m. in the clubhouse when Mrs. Eunice Storey Eaton reviews "Sweeper in the Sky" by Helen Wright. The public is cordially invited to attend.

The regular meeting of the P.E.O., Chapter P, will be held at the home of Mrs. Elliott C. Powers, 6 Curtis road, Longview Farms, Springfield, at 12 noon today. Mrs. Charles W. Card will be co-hostess.

In a verbal report Dr. J. Albright Jones health officer summed up local health conditions. He mentioned having received repeated complaints about the pollution of one of the little creeks which runs through a residential section of the borough.

A letter from John T. Lamplugh of Linwood, agent for Mrs. Frances Davis of Cornell Avenue and Fairview road was read complaining that a pedigree dog picked up by the dog catcher had been minus its license tag when its release was secured. Later in the meeting Council discussed the age-old "to catch or not-to-catch" problem. It being the general consensus of opinion that the present system should be dispensed with, the secretary was requested to give Edward A. Hersker dog-catcher the 60 days notice required to terminate his contract. Mr. Hersker was engaged last May at an annual salary of \$400.

Another recurrent subject, parking meters, was discussed without any definite conclusion being reached.

## HEAR TALK ON FOREIGN POLICY

Club Schedules Member Luncheon For Jan. 17

The Woman's Club first official meeting in the Clubhouse for 1950 last Tuesday January 10 when Dr. Frances Fussell spoke on the "United States Foreign Policy," augured well for the coming year. In spite of rain and generally bad weather the Clubhouse was filled to capacity.

Dr. Fussell, formerly connected with the State Department, is currently with the Executive Office of the President. Introduced by the Club's president Mrs. Francis Forsythe, she told club members: "In international affairs the areas of greatest concern to the American people at the moment appears to be the U.S.S.R. enigma and threat; China—gone but not forgotten; Germany—half slave, half free; and the United Nations—alternative to the atom bomb, proximity fuse and the guided missile.

"Criss-crossed and interwoven among these four major dilemmas are the great broad conflicts of democratic internationalism versus nationalistic communism versus internationalistic communism, geographic regionalism versus political regionalism; multilateralism versus unilateralism in the control of destructive weapons; the United States versus other forms of international organization."

## To Hold Tax Discussions

Under the title "You Pay the Taxes, You Call the Tune" the League of Women Voters of Swarthmore will conduct a series of discussions of the Federal Budget.

If the citizen is to call the tune he must have an understanding of the budget and its impact on our economy.

Where do our taxes come from? How does government spend them? Are we getting our money's worth? Are only a few questions that call for answers.

League members and their friends are cordially invited to select one of the following groups and to attend any or all of the meetings of that group.

Tuesdays from 9:45 to 11:30 a.m. January 17, 24, 31 at the home of Mrs. Bryce Wood, 310 Chestnut Avenue, with Mrs. Clair Jeglum and Mrs. Wood as leaders.

Thursdays from 9:45 to 11:30 a.m. January 19, 26, February 2 at the home of Mrs. William Pegram, 216 Yale Avenue with Mrs. Norman Hixson and Mrs. Mariana Robinson as leaders.

Thursdays at 8 p.m. January 19, 26, February 2 at the home of Mrs. Birney K. Morse, 742 Harvard Avenue with Mrs. Herbert Fraser and Mrs. Burris West as leaders.

## Kappas To Sew

The Kappa Kappa Gamma Sewing Group will meet Tuesday, January 17 at the home of Mrs. Fred J. Murray of 739 Yale Avenue.

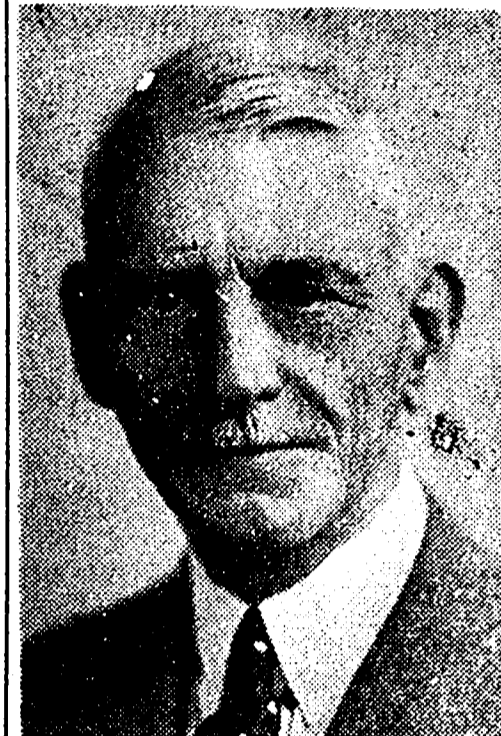

## Sew For Red Cross

Thirteen members of the Thimble Group met Monday at the home of Mrs. Harvey Schumacher of Haverford Avenue to sew for the Red Cross. Mrs. George Paul of New York was co-hostess.

## Parking Limitations To Be Enforced

Burgess Charles R. Russell requested The Swarthmorean this week to announce that beginning next Monday, January 16, there will be strict enforcement of parking regulations in restricted zones of the borough. Cars will be checked regularly by police officers.

This action was deemed necessary in view of complaints from residents seeking to park for short periods, especially in the business section, and being unable to find space. It is claimed this condition is due in considerable measure to the practice of some motorists parking their vehicles in excess of the legal time limits.

## SERVICES TODAY FOR L. WHEELLOCK

Noted Advertising Man Lived Here 32 Years

Requiem mass will be said at the Church of Our Lady of Perpetual Help, Morton this morning at 11 o'clock for Louis W. Wheellock who passed away Tuesday at his home at Park and Harvard avenues, at the age of 79. Interment will be private.

A direct descendant of Ralph Wheellock who came to Massachusetts from England in 1637 and a collateral descendant of Eleazar Wheellock who founded Dartmouth College, Mr. Wheellock came to Swarthmore to live in 1917. He became widely known in the advertising field which he entered by joining the N. W. Ayer Agency in 1905, prior to which he had been editor of various Philadelphia newspapers. Several years later he formed his own company, one of his clients being Stephen F. Whitman and Son who were just beginning to develop packaged candy and lay plans for a national business. In a few years Mr. Wheellock joined the Whitman Company, later becoming vice-president in charge of advertising, a position he held until he resigned in 1931 to conduct his own advertising counselling service for the next 9 years. While with Whitman he played a major part in developing many of the company's famous packages including the Sampler in 1912.

## JANUARY SHOW TO OPEN MONDAY

"Brighten the Corner", the Swarthmore Players Club's January show, opens Monday at the Fairview road theater for a six-night run. Written by John Cecil Holm and directed by Ned Pyle, the production is a three act comedy in the light and frothy tradition. And while it defies plot and delivers no moral to speak of, the play nevertheless provides plenty of "situation" as an ambitious nephew tries to wangle a really sporting wedding gift out of his uncle.

Major roles will be played by Charles Stockdale, Nat Doughty, Sheri Horton, Donald Lange and newcomer Penny Halladay, supported by Peter Braun, also a newcomer to the club, James M. Goodwin, G. Gena Hopson and Mr. Pyle.

Managing the stage this trip is Ernest Federoff with Samuel Bigler as electrician, Stewart Brown as chief sound effects man, and Emma Pyle as prompter. Co-chairman for properties are Mrs. Hans Steinfeld and Mary Burn, assisted by Mrs. George Davison, Mrs. Stewart Edgerton, Mrs. Charles Lukens, Mrs. Harold Ogram, Mrs. William Rutherford and Mrs. Louis Storck. Make-up will be directed by Mrs. E. Poole Bentley and Betty Campbell.

Curtain time is 8:20.

Rev. George Christian Anderson, Rector of Trinity Church has left for Birmingham, Ala., to preach in St. Luke's Episcopal Church there. He will be away until January 21.

## Thanks Contributors

The Entertainment, Instruction and Supply Committee of the American Red Cross wishes to extend its grateful thanks to all persons in Swarthmore who so generously contributed to the Christmas Fund for the patients at Valley Forge, Coatesville and Naval Hospitals. Three hundred and twenty dollars were collected.

The Committee also baked 75 pounds of cookies for the three hospitals and with the help of the Thimble Group, completed 35 pairs of slippers for the patients in the neuro-psychiatric section at Naval Hospital; 20 miniature Christmas trees were made for bedside cheer.

## NOTED EDUCATOR SPEAKS AT H.S.

Laubach Outlines Three Point Program For Peace

More than 400 people heard Dr. Frank C. Laubach, world noted missionary-educator, outline a simple three-point program to save the world from the menace of bombs, war, disintegration Thursday night, January 5, in the Woman's Club sponsored program at the High School auditorium. Dr. John W. Nason introduced the speaker.

He prefaced this program with a report drawn from his personal teaching experiences in 61 countries outside the Iron Curtain. Three fifths of the people of the world, Dr. Laubach said, are now illiterate but have a passionate hunger for literacy. He stated that 10,000,000 people learn to read each year from this group, part of which constitutes the half of the world discovered by the United Nations to be on hunger rations.

Dr. Laubach believes that the unrest in the world is due to the "shriveling world" by which the underprivileged groups have learned that all people are not hungry, sick, and miserable and are stirred by a tremendous desire to rise.

The first point of his program is, therefore, education. He described the speed with which people can be taught to read with charts and the "Each one teach one" method originated in the literacy campaign in the Philippines. This was the first campaign undertaken by Dr. Laubach who has continued to teach people to read first for missions, then for governments for the past 30 years.

Second in the Laubach program was supplying good reading matter in the simplest form to suit the many needs. He urged that books of agriculture, child care, home economics, be written simply and supplied; that the Readers Digest be simplified for beginning readers; that the UNESCO technological books be "written down." He praised the course in simple journalism taught at Syracuse University.

In contrast to the present inaction by the democracies in this respect Dr. Laubach described Russia's intensive literacy campaign which has produced slow readers but a program of books directed at the masses in the simplest sentences pointed at their carefully studied needs and prejudices. He warned that they are winning the masses.

HEAR TALK ON FOREIGN POLICY Club Schedules Member Luncheon For Jan. 17

The Woman's Club first official meeting in the Clubhouse for 1950 last Tuesday January 10 when Dr. Frances Fussell spoke on the "United States Foreign Policy," augured well for the coming year. In spite of rain and generally bad weather the Clubhouse was filled to capacity.

Dr. Fussell, formerly connected with the State Department, is currently with the Executive Office of the President. Introduced by the Club's president Mrs. Francis Forsythe, she told club members: "In international affairs the areas of greatest concern to the American people at the moment appears to be the U.S.S.R. enigma and threat; China—gone but not forgotten; Germany—half slave, half free; and the United Nations—alternative to the atom bomb, proximity fuse and the guided missile.

"Criss-crossed and interwoven among these four major dilemmas are the great broad conflicts of democratic nationalism versus democratic internationalism, nationalistic communism versus internationalistic communism, geographic regionalism versus political regionalism; multilateralism versus unilateralism in the control of destructive weapons; the United States versus other forms of international organization."

To Hold Tax Discussions

Under the title "You Pay the Taxes, You Call the Tune" the League of Women Voters of Swarthmore will conduct a series of discussions of the Federal Budget.

If the citizen is to call the tune he must have an understanding of the budget and its impact on our economy.

Where do our taxes come from? How does government spend them? Are we getting our money's worth? are only a few questions that call for answers.

League members and their friends are cordially invited to select one of the following groups and to attend any or all of the meetings of that group.

Tuesdays from 9:45 to 11:30 a.m. January 17, 24, 31 at the home of Mrs. Bryce Wood, 310 Chestnut avenue, with Mrs. Clair Jeglum and Mrs. Wood as leaders.

Thursdays from 9:45 to 11:30 a.m. January 19, 26, February 2 at the home of Mrs. William Pegram, 216 Yale avenue with Mrs. Norman Hixson and Mrs. Mariana Robinson as leaders.

Thursdays at 8 p.m. January 19, 26, February 2 at the home of Mrs. Birney K. Morse, 742 Harvard avenue with Mrs. Herbert Fraser and Mrs. Burris West as leaders.

Kappas To Sew

The Kappa Kappa Gamma Sewing Group will meet Tuesday, January 17 at the home of Mrs. Fred J. Murray of 739 Yale avenue.

Sew For Red Cross

Thirteen members of the Thimble Group met Monday at the home of Mrs. Harvey Schumacher of Haverford avenue to sew for the Red Cross. Mrs. George Paul of New York was co-hostess.

Parking Limitations To Be Enforced

Burgess Charles R. Russell requested The Swarthmorean this week to announce that beginning next Monday, January 16, there will be strict enforcement of parking regulations in restricted zones of the borough. Cars will be checked regularly by police officers.

This action was deemed necessary in view of complaints from residents seeking to park for short periods, especially in the business section, and being unable to find space. It is claimed this condition is due in considerable measure to the practice of some motorists parking their vehicles in excess of the legal time limits.

MRS. H. GODDARD DIED MONDAY

40-Year Resident Dies Of Illness Here

Fanny Reed Goddard, wife of Dr. Harold Clark Goddard professor emeritus of English at Swarthmore College, and author, passed away at her apartment in the Mary Lyon building on Harvard avenue at noon Monday after an illness of several months.

Born in Worcester, Mass. in 1879 and graduated from Mt. Holyoke College in 1902, she did settlement work for a time in New York City and later taught in the public schools of Amherst, Mass. In 1906 she married Dr. Goddard, coming to Swarthmore with him three years later when he started teaching at the College.

Surviving besides her husband are two daughters Mrs. Mark Worthen of Western Reserve University, Cleveland and Mrs. Lee Holt of Springfield, Mass., and several grandchildren.

A college memorial service will be announced later.

JANUARY SHOW TO OPEN MONDAY

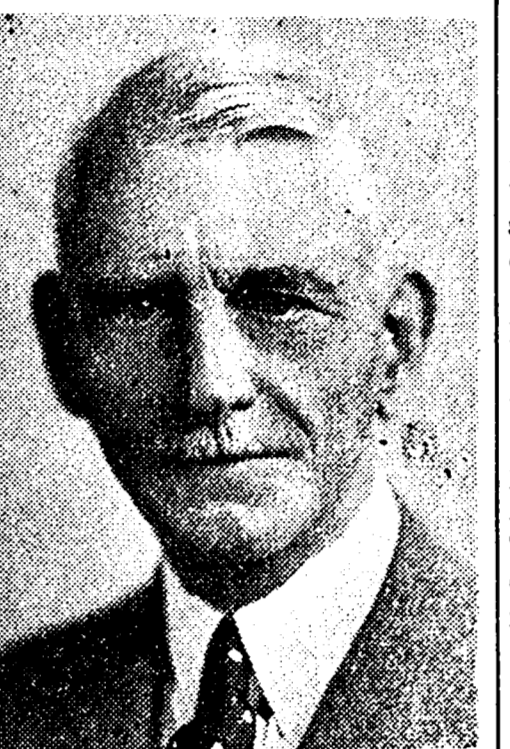

"Brighten the Corner", the Swarthmore Players Club's January show, opens Monday at the Fairview road theater for a six-night run. Written by John Cecil Holm and directed by Ned Fyfe, the production is a three act comedy in the light and frothy tradition. And while it defies plot and delivers no moral to speak of, the play nevertheless provides plenty of "situation" as an ambitious nephew tries to wangle a really sporting wedding gift out of his uncle.

Major roles will be played by Charles Stockdale, Nat Doughty, Sheri Horton, Donald Lange and newcomer Penny Halladay, supported by Peter Braun, also a newcomer to the club, James M. Goodwin, G. Genia Hopson and Mr. Fyfe.

Managing the stage this trip is Ernest Federoff with Samuel Bigger as electrician, Stewart Brown as chief sound effects man, and Emma Pyle as prompter. Co-chairman for properties are Mrs. Hans Steinfeld and Mary Burn, assisted by Mrs. George Davison, Mrs. Stewart Edgerton, Mrs. Charles Lukens, Mrs. Harold Ogram, Mrs. William Rutherford and Mrs. Louis Storck. Make-up will be directed by Mrs. E. Poole Bentley and Patty Campbell.

Memorial services were held Sunday in Trinity Church with the Rev. George C. Anderson in charge.

Rev. George Christian Anderson, Rector of Trinity Church has left for Birmingham, Ala., to preach in St. Luke's, Episcopal Church there. He will be away until January 21.

SERVICES TODAY FOR L. WHELLOCK

Noted Advertising Man Lived Here 32 Years

Requiem mass will be said at the Church of Our Lady of Perpetual Help, Morton this morning at 11 o'clock for Louis W. Wheelock who passed away Tuesday at his home at Park and Harvard avenues, at the age of 79. Interment will be private.

A direct descendant of Ralph Wheelock who came to Massachusetts from England in 1637 and a collateral descendant of Eleazar Wheelock who founded Dartmouth College, Mr. Wheelock came to Swarthmore to live in 1917. He became widely known in the advertising field which he entered by joining the N. W. Ayer Agency in 1905, prior to which he had been editor of various Philadelphia newspapers. Several years later he formed his own company, F. Whitman and Son who were just beginning to develop packaged candy and lay plans for a national business. In a few years Mr. Wheelock joined the Whitman Company, later becoming vice-president in charge of advertising, a position he held until he resigned in 1931 to conduct his own advertising consulting service for the next 9 years. While with Whitman he played a major part in developing many of the company's famous packages including the Sampler in 1912.

Mrs. Alma Blanche Jones

Mrs. Alma Blanche Jones widow of George Jones, died suddenly Friday morning of a heart attack at the Stokes Nursing Home, Primos, where she had lived for the past three years. She was 83. Mrs. Jones had lived for many years at South Chester road. Her husband had been connected with the Philadelphia Inquirer for 40 years.

She was a member of the Trinity Church, Swarthmore and a former member of the local Woman's Club.

Survivors are a brother, Frank Bennett of Coral Gables, Fla., a grandson Ted Jones of Palo Alto, Calif., and two nieces Miss Olive Norris of Rhode Island, and Mrs. Ralph Wallace of Montclair, N.J. A son Norris Jones died seven years ago.

Memorial services were held Sunday in Trinity Church with the Rev. George C. Anderson in charge.

Rev. George Christian Anderson, Rector of Trinity Church has left for Birmingham, Ala., to preach in St. Luke's, Episcopal Church there. He will be away until January 21.

Thanks Contributors

The Entertainment, Instruction and Supply Committee of the American Red Cross wishes to extend its grateful thanks to all persons in Swarthmore who so generously contributed to the Christmas Fund for the patients at Valley Forge, Coatesville and Naval Hospitals. Three hundred and twenty dollars were collected.

The Committee also baked 75 pounds of cookies for the three hospitals and with the help of the Thimble Group, completed 35 pairs of slippers for the patients in the neuro-psychiatric section at Naval Hospital; 20 miniature Christmas trees were made for bedside cheer.

DIMES TO MARCH MON. MORNING

Campaign Workers Set For Two Week Drive

Monday morning, hundreds of volunteer workers will begin a systematic canvass of Delaware County in the opening phase of the annual March of Dimes Campaign in the county.

The goal is \$100,000. Final plans for the campaign were mapped last Friday night in a general workers and membership meeting, held in the Municipal Bldg. in Upper Darby. Several hundred men and women, dedicating a few days and nights of their time to help this drive to insure treatment for victims of the dread polio, attended this meeting.

"These workers will make personal calls at almost every Delaware County home during the campaign," said Dr. John W. Nason, campaign director for the county. "I appeal to the people of Delaware County to respond. No one knows where polio will strike. It may come to your home, or my home."

The Delaware County Chapter spent \$20,000, more during 1949, in the care of polio patients in the county, than its share of the money collected in last year's campaign. This deficit was made up by the National Foundation.

Within the past few days, more than 3,000 coin collectors have been placed in stores and public buildings all over the county. The campaign will continue until January 31.

To Represent Band

Larry Franck, Fred Sales, Harold Ogram, Jr., and Donald Ogram will represent the Swarthmore High School Band at the Southeastern District Band Festival of the P.M.E.A. to be held at Souderton tomorrow evening.

NOTED EDUCATOR SPEAKS AT H.S.

Laubach Outlines Three Point Program For Peace

More than 400 people heard Dr. Frank C. Laubach, world noted missionary-educator, outline a simple three-point program to save the world from the menace of bombs, war, disintegration Thursday night, January 5, in the Woman's Club sponsored program at the High School auditorium. Dr. John W. Nason introduced the speaker.

He prefaced this program with a report drawn from his personal teaching experiences in 61 countries outside the Iron Curtain. Three fifths of the people of the world, Dr. Laubach said, are now illiterate but have a passionate hunger for literacy. He stated that 10,000,000 people learn to read each year from this group, part of which constitutes the half of the world discovered by the United Nations to be on hunger lines.

Dr. Laubach believes that the unrest in the world is due to the "shriveling world" by which the underprivileged groups have learned that all people are not hungry, sick, and miserable and are stirred by a tremendous desire to rise.

The first point of his program is, therefore, education. He described the speed with which people can be taught to read with charts and the "Each one teach one" Method originated in the Philippines. This was the first campaign undertaken by Dr. Laubach who has continued to teach people to read first for missions, then for governments for the past 30 years.

Second in the Laubach program was supplying good reading matter in the simplest form to suit the many needs. He urged that books of agriculture, child care, home economics, be written simply and supplied; that the Readers Digest be simplified for beginning readers; that the UNESCO technological books be "written down." He praised the course in simple journalism taught at Syracuse University.

In contrast to the present action by the democracies in this respect Dr. Laubach described Russia's intensive literacy campaign which has produced slow readers but a program of books directed at the masses in the simplest sentences pointed at their carefully studied needs and pre-judgments. He warned that they are winning the masses.

THIS WEEK'S CALENDAR table with dates and events for Friday, Saturday, and Sunday.

**Women Hear Dr. Fussell**

(Continued from page one)

Dr. Fussell believes that "the United States foreign policy is clearcut, constructive, and applied wherever it is physically possible to apply it. In summary this foreign policy is support for the United Nations; economic aid to those who are going our way and

who are willing to help themselves; military aid on that basis; technical and capital aid to underdeveloped nations who request it and who will help themselves toward the objectives of democracy; spiritual aid in the form of moral support for freedom of speech, press, religion, etc; the most-favored-nation principle economically, closing the dollar gap fin-

ancially, and raising the standard of living of peoples the world around through better health, and welfare measures.

"Regional applications of this policy emphasize the Good Neighbor concept for the American hemisphere, a United States of Europe under the United Nations, moral support for whatever demo-

cratic elements might exist in Soviet-controlled countries; independence for the people of Africa, Middle East, South East Asia as soon as these people can meet their obligations in the spirit of the United Nations Charter and the Open Door, non-dismemberment, non-foreign domination policy for China; and containment for the aggressions of the Soviet Union.

"War is not inevitable. Neither is peace inevitable. We need military armament for the realistic requirements of the cold war. We need economic armament for our domestic tranquillity. And we need moral armament for ultimate world peace in the democratic spirit. We must believe in a better future for mankind. We must work unsparringly for that future," Dr. Fussell, who is international relations chairman of the Club, concluded.

Attractive decorations had been arranged by Mrs. John Michael, past president. Mrs. C. C. Frank was in charge of securing the tea. Mrs. Jerome B. Bell and Mrs. Irvin MacElwee poured. Flower pictures by Dr. Samuel Palmer, had been secured for the Club by Mrs. A. Black.

**Varied Program For Tuesday**

The new members of the Woman's Club will be feted with a luncheon in the clubhouse on Tuesday, January 17 at 12:30. New Drama Chairman, Mrs. David Bingham will introduce Mrs. Gordon A. Meader, a member of the club who will entertain with a group of dramatic readings in the nature of historical monologues.

The rest of the program will be in charge of the new Music chairman Mrs. Robert M. West. Mrs. West, a well-known soloist and vocal teacher in this vicinity will sing a few selections. William L. Eckard of Orland, soloist at Nativity Lutheran Church of Philadelphia and radio and concert artist will also sing. He and Mrs. West will then render duets.

Mrs. Frank Rodgers Gray is chairman of Luncheon Committee, Mrs. William A. DeCaindry,

Reservation Chairman. Reservations must be in today, January 13.

Hostesses for the day are Mrs. H. D. McCray, Mrs. R. W. Perkins, Mrs. B. F. Schwalm and Mrs. Owen W. Gay.

**Section Meetings**

The Literature Department, Mrs. S. Milton Bryant, chairman will present Edith Bunting in Literary News and Mrs. Donald L. Hibbard in a review of Scholem Asch's "Mary" on Friday morning January 20 at 10 a.m.

Music Chairman Mrs. West is organizing a Club Chorus. Meetings will be held in the Club on Tuesdays at 10 a.m. All interested members are invited to join. The Chorus will give a program on May 2.

**Books For Peace**

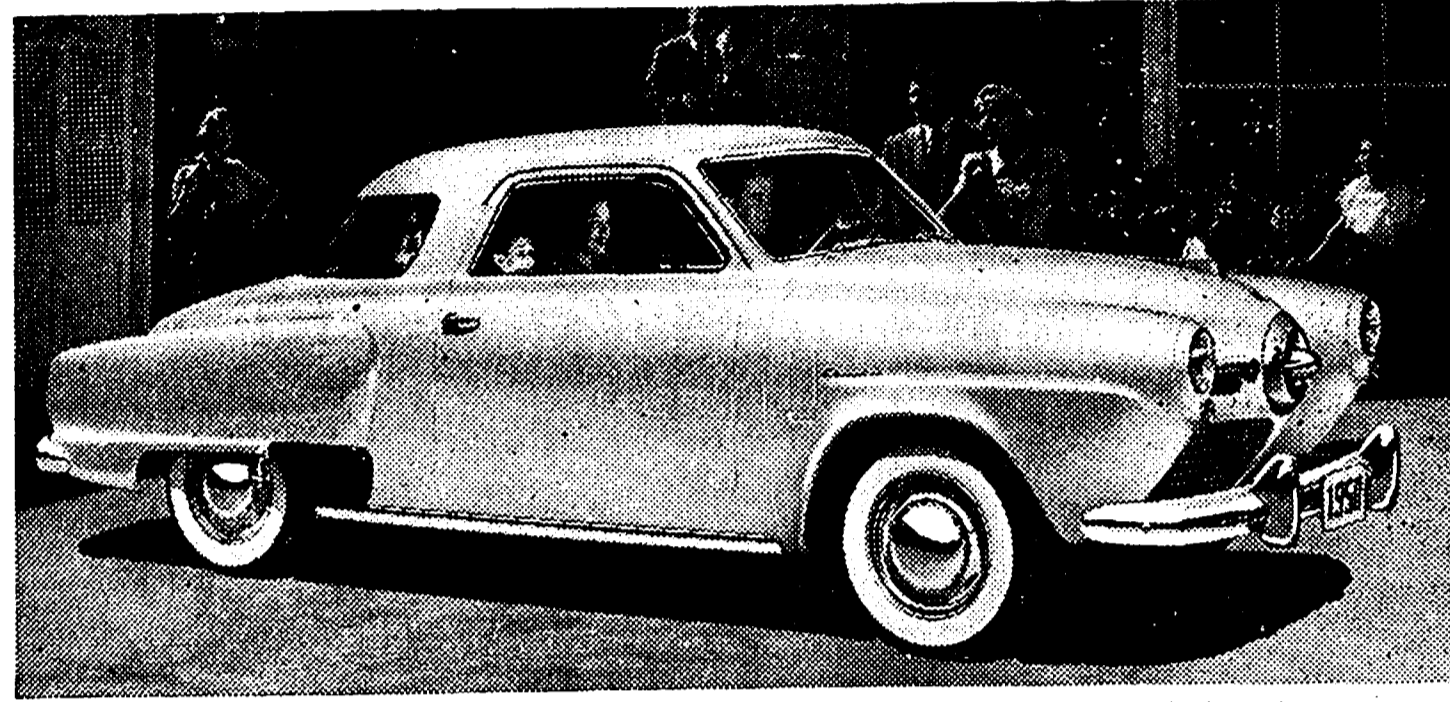

Mrs. Peter E. Told, Chairman of Education has asked the members of the Club and other interested persons in the community for donations of old books for Books for Peace to be distributed by our services abroad, especially in Germany. These are certain listed books showing our way of life. Lists of those approved have appeared from time to time in the Swarthmorean. As most of these are classics which people hate to part with, Mrs. Told has suggested small money donations so that her committee can buy books at Leary's to augment the 12 already received.

**Pi Beta Phi's Meet**

A sewing meeting of Pi Beta Phi Delaware County Alumnae Group was held Thursday at the home of Mrs. W. W. Turner of Mt. Holyoke place.

**S. S. Rodgers**

Oliver E. Rodgers of Riverview road was called to Anaconda, Mont., Sunday by the death of his father, S. S. Rodgers who died suddenly after a year's illness. Mr. Rodgers had visited his son and family here on a number of occasions.

**U.W.F. INCREASES MEMBERSHIP**

The United World Federalists' drive for Delaware County members is approaching the half-way mark. Over 20 new members have been accepted since Alan Cranston's talk in December bringing the total to 125.

The winter-spring program includes advertising in The Swarthmorean, a benefit at the Rose Valley Playhouse and several house-meetings which are now being planned.

The housemeeting is a gathering in someone's home to which the friends of the family are invited. A speaker is provided by the Philadelphia Area Council, and a film or slide-illustrated talk is also given in one of several different topics, including "One World or None", "Where will you Hide?" and "Brotherhood of Man."

Chairman of the housemeetings Committee for Swarthmore is Howard Hopson of Rutgers avenue and the chairman of the Membership Committee is Ralph V. Little Jr. of Haverford place.

Any member wishing to give a house party is urged to get in touch with either of these World Federalists or with the Chairman, Willard Tomlinson, 200 South Chester road.

**JUNIORS MEET**

Mrs. Eunice Storey Eaton reviewed "Sweeper in the Sky" by Helen Wright Monday evening in the Clubhouse for members and friends of the Junior Woman's Club.

Mrs. Daniel Johnson conducted a Chinese Auction on a cake baked by Mrs. J. V. S. Bishop. Mrs. C. C. Brogan was the lucky bidder and took the cake. This auction and a silver offering netted \$29.15 for the Pollo Foundation Drive.

The next regular meeting of the club will be the monthly card party on Tuesday January 24 in the club lounge.

**To Present Organ Concert**

With the backing of Henry Faust and Benjamin Kneeder, the Presbyterian Church is happy to present Samuel Walter as organist for a concert of organ music on Thursday evening, January 19, at 8 p. m. in the Church Sanctuary.

Mr. Walter is organist and choir-master of Trinity Church, Newton Centre, Mass.; he has occupied other positions such as Director of the Canterbury Choir of Trinity Church, Boston, and teaching in the college of Music at Boston University. Possessing a brilliant technique and endowed with a refined musical taste, Mr. Walter plays from memory an extensive repertoire comprised of representative composers from all periods of organ composition. As organist, Mr. Walter has appeared on programs at Symphony Hall, Jordan Hall, historic Trinity Church in Boston, and on numerous special radio broadcasts. The public is cordially invited.

**Roy G. Noll, Former Resident, Dies in Mich.**

Roy G. Noll a former resident here died suddenly December 19, in Dearborn, Michigan, and was buried in Pittsburg, Pennsylvania, December 19. Mr. Noll, his wife and daughter lived in Swarthmore for a number of years before moving to Dearborn, in 1941.

Mr. Noll was a Professional Engineer and was connected with the Ford Motor Company for 25 years. He served as a lieutenant in the First World War, and was a member of the American Legion, Society of Automotive Engineers, and a thirty-second degree Mason.

He was a graduate of Carnegie Institute of Technology, Class of 1908, the first class to graduate there.

Mr. Noll is survived by his wife Emma J. and daughter Mrs. John E. Zerbe, Jr., of Pittsburg, Pennsylvania.

Mrs. Henry D. Bevan of Crest lane, a member of the Simmons College Club of Philadelphia and vicinity, is in charge of membership promotion for the benefit of the annual Scholarship Fund. Molly Storck is the present recipient of the Club's award.

SCOUT CAMPAIGN OPENS JAN. 19

Opening rallies will be held simultaneously Thursday evening, January 19, in more than 50 communities in Delaware and Montgomery Counties as the 1950 Crusade Campaign of Valley Forge Council, Boy Scouts of America, gets underway.

The rallies will be attended by volunteer leaders and representatives of the campaign organization of more than 8,000 friends of Scouting who will receive their final instructions for the fund-raising effort.

Albert E. Smith, district campaign chairman for the Brandywine district, which includes this area, announce that the meeting to be attended by volunteers in this vicinity will be held in Swarthmore and Wallingford at 8 p.m.

The 1950 Crusade Campaign is a forerunner of the National Jamboree which will bring more than 60,000 Boy Scouts and Scouters into the Valley Forge area this summer to celebrate the fortieth anniversary of the Boy Scouts of America," Mr. Smith said.

Completion of plans for the second Crusade Dinner of the Valley Forge Council were announced Monday by W. T. Asken, Chairman of the Brandywine District. The kick-off meeting will be held in Philadelphia Saturday, January 14, at 8:30 p.m., as 1,000 Scouters and their ladies assemble to celebrate the close of the first year of the Crusade Program of the Council To Strengthen Liberty.

Noted Educator Speaks At High School (Continued from page one) Dr. Laubach told of his work in India, where 80 per cent of the people are still illiterate, and in Siam. Each government invited the literacy campaign and others are eagerly awaiting qualified workers. There is no stopping the program, Dr. Laubach stated. Most governments fear overthrow by Communism.

Point three was the support of the United Nations unanimous vote that the leading nations of the world will organize to share knowledge of their technical skills. Bills in support of the promise by the UN are to be presented. Dr. Laubach feels that if the United States disappoints the world it will turn the world over to Communism.

Services Today For Louis Wheelock

An early member of the Poor Richard Club Mr. Wheelock served as its president in 1928-29. An aviation and yachting enthusiast Mr. Wheelock always maintained an active interest in new things. Well before the first World War he went down in a submarine with Simon Lake. In 1910 he took an adventurous trip in a free balloon. Eighteen years later he organized and flew a delegation from Philadelphia to Detroit to help build interest and instill confidence in aviation. He was at one time Commodore of the Seaside Park Yacht Club.

He was a long-standing close friend of Dr. Russell H. Conwell with whom he worked at the Baptist Temple, and of Sir Wilfred Grenfell of Labrador. A director of the Grenfell Association of America, he made many trips to Labrador with Sir Wilfred. In 1924 he took an expedition of college boys with an engineer, a cook, and a quarryman to an island in the Arctic Circle to quarry Labradorite for the Grenfell Mission.

In 1894 he married Blanche Toulou who died in 1928. In 1935 he was wed to Marie A. Creamer, daughter of Mr. and Mrs. Joseph F. Creamer of Cynwd, with whom he had been associated in the advertising agency.

In addition to his widow he is survived by a son Ward Wheelock of Haverford; two daughters, Mrs. J. Paul Brown of Walnut Lake, Swarthmore and Mrs. H. L. Jennings of Spring City; a sister Mrs. Lynn Schnerer of Glenside; seven grandchildren including James, Richard and Barbara Brown, and two great grandchildren.

Besides the Poor Richard Club his organization memberships included Union League, Friends of Franklin and the Academy of Natural Sciences. He also held a directorship in the Ludwick Institute.

PARENTS HEAR NASON AT CLUB

A delectable dinner, gay music and a distinguished speaker will lure staid husbands and fathers to the Woman's Clubhouse to-night at 7 o'clock for the Swarthmore Mother's Club annual Father's Night program.

For several years the Mother's Club has invited fathers to attend a dinner meeting. This year dinner will be covered dish buffet provided by the mothers.

Plans for the dinner are being made by a committee consisting of Mrs. Peter Coste, Mrs. Leonard Dart, Mrs. Edmund Jones, Mrs. Albert Van Houten, Mrs. Joseph Walton and Mrs. Lindsay Wolfe.

Dr. Daugherty will speak on "The Economics of the Iron and Steel Industry" and is the author of a widely-used text on "Labor Problems in American Industry."

In 1949, he served as chairman of the President's Fact-Finding Board in the wage dispute in the steel industry and was principal author of the report that led to the settlement of that dispute.

The views expressed by Dr. Daugherty in the Board's report on the implications of industry-wide collective bargaining gave rise to widespread public discussion. The department of economics has asked him to develop them further in his lecture.

LIBRARY VOTE BEGINS TODAY Association To Elect Three Board Members

Three candidates will be elected to the Board of Directors of the Swarthmore Public Library, to serve for three years each, at the election which will begin today, and continue on Saturday and Monday.

The Annual Meeting of the Library Association, to which all members are cordially invited, will be held at 8 p.m. on Monday, January 23.

Mrs. Harry L. Miller, Dr. J. A. Calhoun, and Dr. Paul F. Gemmill are the three Board members whose terms of office are about to expire.

The present Board of Directors urges lively participation in this Annual Election. Swarthmoreans are reminded that any member of the Association is entitled to vote, and that every adult resident of the borough may join the Association, if not already a member, merely by signing the by-laws which are available for that purpose in the Library at all times.

CENTER OFFERS ADULT CLASSES

Leisure time courses aimed to develop part-time hobbies and skills will be offered at the Penn State Center in Swarthmore should an adequate number of adults be interested according to Arthur K. Meyers, administrative head.

Registration for a variety of courses is now open and will continue daily and evenings for the next few weeks.

Among the courses for which registration is open are appreciation and creative art, writing, journalism and speech programs and subjects relating to home beautification.

WIL TO HEAR SOLLMAN

The winter study group series of the Women's International League will begin next Tuesday, January 24 with a discussion by Dr. William F. Sollman on "The Future of Germany."

TRINITY CHURCH WITH PROPOSED ADDITIONS

An artist's sketch of the original model made by Mrs. George W. Casey, Architect and Senior Warden Emeritus, which has been submitted to the Vestry for consideration in connection with the present building program.

Mr. Casey is one of only two surviving Charter Members of Trinity Church and the proposed structure in addition to being an excellent keeping with the College building on the opposite corner would also be a very fitting tribute to the former Senior Warden.

CLUB SPONSORS JAMES WALDRON

James Waldron, well-known Trenton attorney and former F.B.I. special agent will speak on "The Most Fascinating Woman I Have Ever Known" next Tuesday, January 24 at 2 p.m. in the Woman's Club.

Mr. Waldron is a graduate of Notre Dame and received his law degree at Temple. Before the War he was a special agent of the F.B.I., working in New York, Washington, and Hawaii.

Honored and special guest at the meeting will be Mrs. Ira C. Pratt of Coakville who is State Program Chairman of the Pennsylvania Federation of Women's Clubs. Hostesses for the day will be: Mrs. Avery F. Blake, Mrs. W. Mark Bittle, Mrs. James A. Davies and Mrs. Jessie H. Holmes.

Section Meetings Thursday, January 26, Mabel Talley, Chairman of the Art Department, plans a luncheon at the Whittier, 140 North 15th street, Philadelphia followed by a conducted trip to the Academy of Fine Arts. It is not necessary to go to the luncheon to attend the trip to the museum.

Scheduled also for Thursday, January 26 is the all day meeting of the Delaware County Federation of Women's Clubs at the Twentieth Century Club of Lansdowne.

Parents To Hear Talk Wed. Dr. Allen C. Miller, a psychologist at Temple University, will give an illustrated talk on "The Problems of the Second Grader" before a combined meeting of the parents of second grade children of the College Avenue and Rutgers Avenue Schools on Wednesday evening, January 25, at Whittier House.

NEW WING FOR PRESBYTERIANS

Members of the Swarthmore Presbyterian Church authorized the Building Committee to proceed with plans for the new wing at the Congregational Supper Sunday night. The action followed presentation of the history of the committee's work and the showing of slides to illustrate its plans for the new building and the alteration of existing facilities to meet congregational needs.

Dr. David McCahan listed as the major items planned the creating of two offices and lounge in the present Church Secretary's room; alteration of the Junior room to provide a corridor to the new wing of the Parish House, and three large rooms for the use in this department; alteration of present choir room to provide a Sacristy facility where Communion ware may be stored and elements prepared, and where flowers may be prepared for the Chancel.

In the new wing of the Parish House is planned a Womans' Association room on the Harvard avenue end with a kitchenette included, a room for the Nursery Department, a room for the Beginner's Department, and three rooms for the Primary Department on the first floor, and on the second floor of the new wing a fellowship hall is planned with a platform, a new kitchen, and a serving room.

The committee stated an approximate figure, based on present costs, of \$185,000 to cover the entire operation. The Finance Committee reported \$115,000 on hand with the probability that another \$10,000 could be collected from old pledges and new gifts within this year.

The Building Committee plans to ask bids from February 1 to 10, with the hope that the building will actually get under way around March 1.

It was suggested that the new wing be called the David Braun Memorial. This idea was referred to the Session for thought and action. Subsequently the Rev. Joseph P. Bishop commented on the appropriateness of naming this wing in memory of one whose work is largely responsible for the fact that the Church is able to undertake any building program at all, and of one whose love went out to old and young alike.

Tax Discussions Continue What action on a particular measure will mean to the state of business, to prices paid, to paychecks received, were some of the questions raised at one or another of the opening sessions, this week of a study conducted by the League of Women Voters on taxes and expenditures of federal government. To find answers the League has available for members of the discussion groups, pamphlets published by research organizations, business men's groups, labor groups as well as a summary of the reports of the Hoover Commission.

Table with 2 columns: Time and Event. Includes 'THIS WEEK'S CALENDAR' with dates from Friday, January 20 to Thursday, January 26.

Guests will be the members of the present team, their fathers, the principal of the high school, the director of athletics, the coaching staff and the team trainer.

Following the presentation of the award, an Armed Services film will be shown and refreshments served.

Mrs. Jackson To Head Local Y.W.C.A. Drive

Mrs. Thomas M. Jackson of Park Avenue, recently appointed to head the Swarthmore Division in the Y.W.C.A. of Philadelphia Building Fund, has announced her committee which will conduct the drive in that area from January 23 to March 4.

The first public appeal for funds the Philadelphia Y.W.C.A. has made in over 50 years, the drive is seeking to raise \$1,200,000. in the Philadelphia area which will provide a modern six-story residence adjacent to the Y's new Mid-City Center, and renovations at the three branches located in the city.

The committee assisting Mrs. Jackson includes Mr. and Mrs. Leonard Ashton; Mrs. Franklin Flaherty, Mrs. Waldo Fisher, Mrs. Reavis Cox, Mrs. Paul Banks, Mrs. Margaret Neal, Mrs. E. F. Campbell and Mrs. Charles Bolton.

Mrs. Jackson has also issued a strong appeal for volunteer workers to supplement her committee.

College Concert Tonight

The Swarthmore College Orchestra, under the direction of Thomas Dunn, will present its first concert of the year Friday evening, January 13, at 8:15 p. m. in Cloister Memorial.

This concert marks the first appearance of the orchestra under Mr. Dunn's baton. The new conductor is an instructor in the college's Department of Music, having come to Swarthmore in September.

FACULTY CAMPUS GROUP

The faculty and Campus Club of Swarthmore College will present, on January 27 and 28 in Clothier Memorial, the nineteenth century comedy "Fashion" or "Life in New York," by Anna Cora Mowatt.

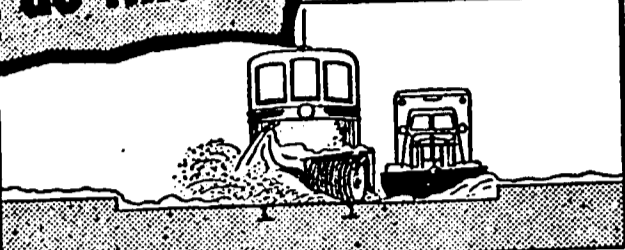

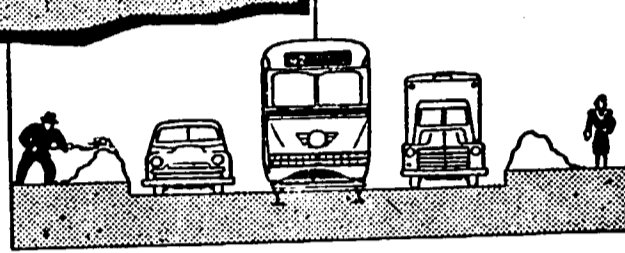

**When Snow Falls:**

**While WE do this...**

We plow the sides as well as sweep the center of the street. That helps keep all traffic moving.

**If YOU do this...**

You can help us keep the side lanes clear by piling sidewalk snow near the curb—not in the roadway.

**Both of us will get there Faster!**

Whenever it snows, PTC puts up an all-out fight to keep traffic moving all over Philadelphia.

Our big snowplows can do a thorough job on all streets used by trolleys and buses except where parked automobiles block the way. That's why we ask motorists not to park in streetcar and bus line streets until the snowplows have had a chance to get there. Parked cars prevent the plows from doing a thorough job. Motorists' co-operation will be appreciated.

**Philadelphia Transportation Co.**  
Take it easy when shoveling your sidewalk. Over-zeal can be dangerous, especially to older people.

Harriet Gilbert of Park avenue returned home Wednesday from Vermont Junior College, Montpelier, Vt., where she had joined classmates for a week-end of skiing at Stowe, Vt.

Judith Ann Hollander of Ogden avenue entertained at a surprise supper party for 12 in honor of Barbby Heath who moved last week from Cedar lane to Marinette Wis.

**Christian Scientists Hear Boston Lecturer.**

Margaret Morrison, C. S. of Boston, Massachusetts, a member of the Board of Lectureship of The Mother Church, First Church of Christ, Scientist, in Boston, Massachusetts, delivered a lecture entitled, Christian Science; the Pathway of Light, under the auspices of First Church of Christ, Scientist, Swarthmore, in the church edifice, on Monday evening, January 23.

Stuart H. Chapman, former First Reader of the church, introduced the lecturer, who said in part, "The first command from God given in the Bible is, 'Let there be light,' and the record reads, 'There was light.' It further states that 'God saw the light, that it was good.' In the light that was good the entire creation of God was seen to be good and very good.

"As in the realm of the physical sense light only can dispel darkness so in the mental realm spiritual understanding only can dispel the darkness of materiality, or that mental ignorance which is called matter.

"It has been said of Jesus that 'first he wrought and then he taught' (Chaucer). This may also be said about the Discoverer and Founder of Christian Science, Mary Baker Eddy. For some years after her healing, which came about through the light of understanding thrown on a record of healing in the Bible, she studied and consecrated the words and works of Jesus, of the prophets and apostles, and proved, by many works of healing, the truth of her discovery before she gave it to the world in the Christian Science textbook, 'Science and Health with Key to the Scriptures.'

"Poverty is always and only a mental argument, a false concept, never a real condition or fact, and therefore must be healed mentally through spiritual enlightenment. Matter never brought enlightenment on any subject, so no amount of money or material wealth of any kind will heal the belief of poverty.

"Christ Jesus never made a theoretical, merely philosophical, or sentimentally religious statement. His statements are declarations of law, to be understood, obeyed, and demonstrated. He gave the perfect remedy for poverty for all time and all peoples, for nations as well as individuals, in that oft-quoted statement of the law of God: 'Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.' As God is Mind, the kingdom of God is just the kingdom of Mind.

"It is God's will that we should be free from care and anxiety—buoyant and joyous in activity. Not that we may indulge our physical sense or gratify merely material desires, but that we should reflect Mind, glorify good, and grow spiritually into freedom from the trammels of materiality."

**Why Should a Dollar's Worth of Travel Continue to Cost You \$1.15?**

"IS THIS TRIP NECESSARY?" you were asked in 1941, when every inch of space was needed for troops and war supplies.

To discourage travel then, a tax was added on your travel dollar, a tax that grew to 15% during the war. The Federal Government collected it through the railroads. The Government still collects it, though your travel need not be rationed now.

Today, the original purpose of this tax is as obsolete as an Air Warden's helmet. But, four years after the war's end, YOU are still paying the Government at the rate of \$250,000,000 a year in travel tax.

And, of the billion and three quarters collected since 1941, over half came out of your pocket after the green light on travel went on again.

You don't have food rationing today... you don't have gasoline rationing today.

Yet, a very real brake is still being put on travel. On a coach trip from New York to Chicago, for example, YOU are still paying \$4.61 in Federal tax.

And the same with the goods that are shipped to your home community. On every dollar you pay for freight, you pay the Government an extra 3 cents (4¢ a ton on coal). That means YOU are still paying over \$300,000,000 a year—freight tax alone.

**This tax should be repealed NOW.** There is no longer any reason you should pay \$1.15 for every dollar's worth of travel... \$1.03 for every dollar of railroad freight.

**NASON SPEAKS ON WORLD PEACE**

On Friday evening, January 13, the Mother's Club of Swarthmore held the annual Father's Night at the Woman's Clubhouse. After a covered dish supper Dr. John Nason, president of Swarthmore College, spoke on "Six Major Formulas for World Peace."

In his talk Dr. Nason said, in effect, that a preventive war with Russia would create a terrible holocaust while a pacifist approach gives religious groups an opportunity to be leaders. The results of fighting are always worse than not fighting, Dr. Nason asserted.

The United Nations, he continued, is an international machine which has made a great step forward toward a world forum. A world government such as the United World Federalists he said, presents a merger of many small groups. Dr. Nason also felt that the plan of Ely Culbertson would abolish all veto emphasizing the relative sizes of powers represented, and that an Atlantic Union would not sabotage the United Nations but instead act as a supplement to this organization.

Dr. Nason then charged the parents with the necessity for each of them to know the proposals. He urged their knowing the formula for peace and the importance of their doing constructive work toward the winning of these goals for world peace. Peace he said depends upon law and law depends upon government.

Dr. Nason presented his talk in his usual forceful manner showing deep interest and thorough knowledge of the facts presented.

**Trinity Plans Filet Dinner**

Trinity Church announces February 16 as the date for its Filet of roast beef dinner.

Mrs. Joseph Reynolds is general chairman. Tickets may be obtained from Mrs. Walker Penfield, 430 Riverview road.

**SCHOOL NEWS BY STUDENTS**

**Cabinet Reports**

Last week in a special assembly of all senior high pupils, the Student Government of the High School gave a report of progress over the first half-year of the current session. The Cabinet, as it is called, is a legislative body, functioning within the limits of a formal constitution. The legislation it passes is put into effect by various administrative committees and boards. Accomplishments of the past half-year include development of boards whose duty it is to see that high standards are upheld by students and student organizations. This year the Cabinet has grown into an efficient and well planned organization. It has extended its services where they have been needed, and withdrawn them when no longer necessary.

The underlying philosophy of Swarthmore High School's Student Government is that every individual has a right to participate in Cabinet activities and that student government should be completely democratic. One of the highest honors a student can receive is to be elected by his classmates, to represent the student body. This is true because as Cabinet president Ray Denworth said at the close of his speech in the school auditorium: "Representatives should be elected to Cabinet because they have an interest in working to improve conditions around them, the ability to think, act, and lead, and the most important of all, because they have high character and a willingness to strive against all opposition to attain ultimate worthy goals."

**Combined Charities Drive**

Swarthmore High is winding up its first combined charities drive. Previous to this time individual collections were made throughout the year as the national campaigns of the organizations were going on. The students decided that it would simplify and make financially easier the question of charity if all the money was collected at one time. A special committee was set up to examine this approach.

The committee, under the capable leadership of Warren Gold, did an excellent job and helped make this new method a success. Committee members were chosen in the individual social studies classes. The committee made a thorough examination of many charities and finally decided to contribute to the Cancer, Tuberculosis, Heart Disease, Polio, Crippled Children, Community Chest and Red Cross organizations. Each homeroom was given a quota. Posted in the homerooms were charts recording the amount of money collected. Each individual was asked to donate \$1.50. Two homerooms in the twelfth and eleventh grades and one in the seventh reached and surpassed their quota. The whole high school has collected \$800, so far. The twelfth grade homeroom of Mrs. Mathews held a bake sale which raised a large proportion of their quota. Other homerooms did similar projects.

It is felt that the United Charities Drive has been a success. However, donations will be gladly received. Pupils may make their contributions by sending them to Mr. Duncan, the Swarthmore School treasurer, at the High School.

Swarthmoreans are reminded that this year's Care Drive has been scheduled around the end of March. This is not to be confused with the United Charities Drive.

**Study Small Child**

**In Homemaking Class**

Girls of the ninth grade class in homemaking at the Swarthmore High School are undertaking a study of the small child as a part of their regular work. The study is being directed by teacher of homemaking Mabel Ewing, with the cooperation of the College Avenue kindergarten teacher Mrs. Robert Enders.

At the present time they are studying the kindergarten children by visiting the kindergarten and observing the children at work and at play. Each girl will observe for a total of nine hours. Each one will specialize on a child study his behavior pattern, and then submit a report on her observations.

Under the direction of the teacher an outline of study has been prepared and there is reading to be undertaken and an individual project to be developed.

As the course develops it is anticipated that Dr. J. Albright Jones, Borough Health Officer, will come to the class, bringing children of various ages, and talk of child development. It is hoped also that three mothers will accept the invitation of the class to bring their small children under one year of age and discuss the care, feeding, habits, sleep, rest, toileting and bathing of infants with the class.

## SCHOOL BOARD HEARS REPORTS

### Roof Replacements, Four-County Statistics Reviewed

At the January meeting of the Swarthmore School Board, Mrs. Raymond K. Denworth, secretary, was designated to represent the board at the State School Directors' Association meeting to be held in Harrisburg early in February. Mrs. Denworth is regional director for Southeastern Pennsylvania for the State Association.

The property committee reported on the completion of a two-year program of replacing worn out roofs on several of the College avenue buildings. The structures that have had new roofs replacing the old ones were industrial arts shop, gymnasium, and elementary school.

A report was presented from the Suburban School Study Council, representing the nine districts of Abington, Cheltenham, Haverford, Lansdowne, Lower Merion, Radnor, Springfield (Montgomery County), Swarthmore, and Upper Darby. This financial analysis is prepared annually and the figures under discussion covered the recently completed fiscal year. The report shows that Swarthmore stands third in expenditure for instruction, at \$234.76 per pupil, and also third in expenditures for teachers salaries at \$193.69 per pupil. It is fourth in the total current expenditure at \$322.00 per pupil. It is in the fortunate position of being the lowest in the annual cost of debt services per pupil out of the nine districts, the expenditure last year being only \$26.11. In a study of assessed valuation per pupil it is shown that Swarthmore is not one of the wealthiest districts, ranking sixth with assessed valuations of \$8,764 per pupil. The highest value is in Lower Merion where the value per pupil is \$19,417. As an indication of the fact that Swarthmore Schools have small classes is the fact that Swarthmore stands third among the districts in teacher-pupil ratio with but 17.9 pupils per teacher. While school costs generally have risen, the report showed that the total current expense increase for the last four years is only 21.4%, which is next to the lowest of all nine districts.

The study currently being undertaken by the high school faculty was reported by the principal, Baker Thompson. In this study the teachers will report to the Middle States Association of Colleges and Secondary Schools on the evaluation of the school services with particular reference to work in curriculum, pupil activity, and guidance. This is the follow-up of the thorough evaluation study made ten years ago, at which time Swarthmore was placed high on the approval list.

Certain purchases were authorized, including a French horn and a string bass for the orchestra

from Louis Pearlman of Doylestown, and new lighting fixtures for two of the rooms in the high school building.

A report was received from Dr. Carl Leech County Superintendent, regarding the new state reimbursement plan, to go into effect next year. On this basis the state appropriation will be based on the real values as determined by the State Evaluation Board and not on the assessed values used locally. Under this plan it would appear that Swarthmore's drop in state appropriation will be \$7,733. Dr. Leech called attention to the fact that if a joint school is organized and operated with some neighboring district, the appropriation drop will amount to only \$1,915.

Bills for the current operation of the school and for contractual obligations, together with purchases made, were approved in the amount of \$21,491.74.

### COLLEGE TO PRESENT TENNIS CHAMPIONS

An exhibition tennis match, open to the public, will be held in the Swarthmore College field house at 8 o'clock next Tuesday evening. The four outstanding amateur players from this area who will participate are Edward Moylan of Trenton (ninth ranking player in the United States), Victor Seixas of Philadelphia (twelfth ranking player in this country), Billy Vogt of Drexel Hill (who with Seixas won the Pennsylvania state doubles four years straight), and Jim Schnaars of Philadelphia (Eastern Clay Court Doubles Champion).

Moylan and Seixas will play a singles match following which they will pair with Vogt and Schnaars for doubles.

Mrs. Charles G. Thatcher of Ogden avenue entertained members of her bridge club at a luncheon-bridge at her home Wednesday.

**Friendly Circle Meets**  
The Friendly Circle met at the home of Mrs. Otto Kraus of Benjamin West avenue on Thursday afternoon, January 19. Mrs. Cecil Howard was co-hostess.

Letters of appreciation were read from the families who received baskets at Christmas time, and Mrs. Elizabeth Groff of the Community Health Society, also wrote a letter of thanks to the Circle for its generous contribution that brought holiday cheer to Shut-In's. Mrs. S. W. Johnson of Amherst avenue and Edith Bunting of College avenue are new members of the Circle.

**Elected Bank Directors**  
D. S. Guthrie of Cornell avenue was elected executive vice-president and a director of the Prospect Park State Bank; George W. McKeag of Parrish road was also elected a director of the bank at the annual meeting of the stockholders held this week.

**LWV IN SECOND DRIVE**
