Buy carpeting now... don't wait till fall

Stocks are well-rounded, prices are low (Paulson's still has a large selection—including twist and carved wilton—priced at several dollars less per square yard than today's levels).

Many items now available are being discontinued. New, lower priced carpets are coming out. Some of these new carpets are very good (you can see them at Paulson's), but the old carpets, while they last, are exceptional buys at their pre-increase prices.

Notice that we do not say that these carpets are "reduced" for clearance. We do say that we bought them before they went up, and that we are selling them at pre-increase prices. These carpets can not be replaced at these prices.

Notice also that these carpets are not remnants, or odds and ends. Come soon and see the selection available.

**S.R.A. Hornet Team
Opens Season Tuesday**

The Hornet baseball team, sponsored by the Swarthmore Recreation Association, is opening its summer baseball season with Springfield as its opponent Tuesday, June 5, on Riverview Field.

Coach Russ Snyder has approximately 20 enthusiastic youngsters ready for competition in the Edco League in what promises to be another banner season. As a part of the S.R.A. program, daily practice instruction will be given to the group in the late afternoon by Coach Snyder.

The Hornet team this year is open to all boys who have not reached their fourteenth birthday before May 1. It will play a schedule of 14 league games with the season closing in the last week of July. With a good nucleus of players from last year's Clipper team, the outlook is good and the fans should be provided with a fine brand of baseball.

Mr. and Mrs. A. H. Van Alen of Park avenue left Friday on a motor trip through Florida.

Swarthmore Boy Honored

As the result of a competitive examination conducted by Pennsylvania Military College, and open to all 1951 graduates of all Delaware County High Schools, Frank Conly of Yale avenue, who graduates from the Swarthmore High School this June has won a full scholarship for the entire four years of college in the field of his choice. His average was about 95%.

This scholarship includes not only his scholastic courses but his military courses and training as well. The latter can entitle him to full deferment during the entire college course and a second Lieutenant's commission in the U.S. Army or the Reserves. He will also be entitled to receive during the four years, R.O.T.C. emoluments of about \$700.00 from the federal government.

The season's record, posted by the Garneteers, stands at six victories against six defeats in Suburban III League competition. Throughout the entire season, every player showed great enthusiasm and team spirit. The squad, which was primarily composed of young, inexperienced ball players, has benefited greatly from their experience during the season of 1951. The team has had a very successful season in many respects, which are not shown in the record books.

With the exception of senior Don Pierce, all of this year's squad will be returning next year. The material and experience of these boys will help build a strong foundation for future teams.

H. S. Track Stars

Representing Swarthmore at the P.I.A.A. State Championships held at Penn State on May 26, were Fred Campbell, Dick McCormack, and the 880 relay team, Lynn Doherty, Tom Simkin, Steve Snyder, and Carroll Adams.

These boys qualified for the State Meet by getting either a first or second in the P.I.A.A. District 1 Meet the week before. The relay team took first in the class "B" competition, while Fred Campbell won the shotput and got fourth in the discus.

The Garnet defeated 4 to 2. The Garnet wound up their baseball season Monday afternoon on the Riverview diamond with Prospect Park. Despite the fact that Swarthmore came out on the short end of a 4 to 2 score, Bill Ziegenfus, the Garnet hurler, allowed the Prospectors only four hits in six innings.

Head Lacrosse Teams
Avery Blake, Jr., has been elected captain of next year's lacrosse team at Swarthmore College. Avery, a sophomore at Swarthmore, has played two years of lacrosse and four years at Swarthmore High School.

Two Swarthmore High graduates will head the University of Pennsylvania lacrosse teams next year. Judy Dickson is the elected captain of women's lacrosse and David McCahan of men's lacrosse at the University. Both Judy and David played on the varsity teams at the high school their senior years.

Graduates With Honors
Willis Patrick Glenn was graduated Magna Cum Laude from West Virginia State College, Institute, W. Va., on May 27. Glenn received the bachelor of arts degree upon completion of his pre-law course.

He was elected to the Alpha Delta Sigma Honorary Scholastic Society and is one of the 20 West Virginia State students to be selected for inclusion in "Who's Who among Students in American Universities and Colleges."

Glenn's mother Mrs. Ruth M. Glenn of Union avenue was at the Commencement Exercises to hear her son personally congratulated by Dr. Ira Reid and West Virginia's President Dr. John W. Davis as he received his diploma.

Glenn is a graduate of Swarthmore High School, class of 1949, where he participated in inter-mural sports, and was on the Garnet Staff for three years.

WINS KNOX FELLOWSHIP

John Chapman Pittenger of Pittwillow Farm, Chester County, a student at Harvard, has been awarded the Frank Knox Memorial Fellowship, established by the widow of the wartime Secretary of the Navy.

The fellowship provides for a year of study in any of the nations in the British Commonwealth. Pittenger, a graduate of Phillips Exeter Academy, will take his degree in history at Harvard next month.

He is the son of Cornelia and Nicholas O. Pittenger. His father was comptroller of Swarthmore College until his recent retirement.

Wardens Will Meet To Discuss Dying Atoms
Air Rigid Wardens will meet Wednesday, June 6 at 7:30 p.m. The meeting place, formerly at the High School, has been changed to Trotter Hall (the old Science Building), on the College Campus, to permit use of demonstration equipment.

M. W. Garrett of the physics department at the College will discuss dangers from immediate and delayed radio-activity in atom bomb explosions. A Geiger counter may be shown and used, but any demonstration of the bomb itself will be postponed.

Article Reprinted
Mrs. Robert Brodhead of North Swarthmore avenue is the co-author with Mrs. William Maul of an article entitled "Self-Discipline in a Modern School" in the magazine Understanding the

Child. Written for the Parents Bulletin of the School in Rose Valley, the article was reprinted in the April issue of the national magazine.

Mrs. Brodhead is a teacher for the second and third grades at Rose Valley. Mrs. Maul teaches the four-year-old-group in the pre-school.

Joins Choral Workshop

H. Mary Burn of North Chester road has joined choral directors from a score of states and Canada in enrolling for the Fred Waring Choral Workshop held at the Pennsylvania State College June 25-29.

Miss Burn, at one time teacher of music in Eddystone Senior High School, is now filling the same position in the Marcus Hook Public School. She is a member of several choirs and musical organizations.

College In Busy Commencement

(Continued from page one)

Sports take the spotlight in the late afternoon as the college varsity baseball team, with ace pitcher Dick Hall on the mound, faces the Lakehurst Naval Air Station on the Alumni Field diamond. Over on the football field, an Homerich softball clash between the Faculty and Alumni is scheduled. It is considered likely that speed artist John Nason will be the Faculty's choice for mound duty against the graduates' Murderers' Row.

A tea on the front campus will be held at 4:30 p.m. For those whose spirits sag under hot sunlight, swimming pools will be open from 3:00 to 5:30. Reunion dinners for classes gathering this year will be at 6:30, and a dance and alumni sing at Parrish Hall are the features of the evening.

Pickett Speaks

The traditional Baccalaureate Service is the first of three events scheduled for Sunday, June 10. Speaker for the occasion will be Clarence E. Pickett, former executive secretary of the Friends Service Committee. Sunday evening at seven, Sidney Morgenbesser of the college Department of Philosophy will speak at Last Collection. Both these events will be held at Clothier Memorial.

Former Swarthmore professor Maurice Mendelbaum, now at the University of Michigan, will deliver the Phi Beta Kappa lecture this year. Philosopher Mendelbaum will be heard at Friends Meeting House at 8:30 p.m. Sunday.

Trygve Lie, secretary-general of the United Nations will be the speaker at Commencement ceremonies in the Scott Outdoor Auditorium, to be held at 10:00 a.m. Monday June 11. The Norwegian diplomat will speak on "The United Nations and World Peace." Mr. Lie has for the past several months been touring Europe and the Near East.

On exhibit in the East Parlor of Parrish Hall at the present time, and scheduled to remain on view until after Commencement, are photographs selected from the work of members of the student Camera Club. Pictures shown include, besides the annual display of outstanding work by individuals, a series of photos made during the production of "The Crime," the two-reel movie shown recently at the College Theatre and produced entirely by college students. These pictures are the work of Harry Karl Ihrig and Woodlief Thomas, Jr.

Phila. Regional Writers Conference Announced

Swarthmore Clubwoman Mrs. O. J. Gilcrest of Vassar avenue is a member of the Board of Directors and one of the original founders of the Philadelphia Regional Writers' Conference whose third annual sessions will be held June 20, 21, and 22 in Philadelphia.

As in the two previous years, outstanding Philadelphia area teachers, writers, and critics will take part in it, and it will be sponsored by writers' clubs of the Philadelphia vicinity.

The Conference will open with a Pre-Conference dinner, June 20, at which the speakers will include John Bird, Associate Editor of the Country Gentleman, Amy Oakley, author of travel books, L. Sprague DeCamp, science fiction writer, Earl T. Crooker, University of Pennsylvania.

The next two days of the Conference will be devoted to workshops on various phases of writing. Also in the evenings, following the creative writing class, led by Claire Wallis, will be lectures.

Information concerning the conference may be obtained from Mrs. Olga P. MacFarland, 737 Sharon avenue, Collingdale, Pa.

The 29 Pennsylvania Leagues represented at the convention decided to continue for the next two years their work in the fields of public health and public education in two areas in which the Swarthmore League is very much interested. Before the convention the executive board of the Swarthmore League, discussing local needs which the membership is interested in studying, had decided to give priority to the problems of the Swarthmore schools and had made tentative plans for work along this line in the Fall.

In the field of public health, the convention heard Dr. Russell E. Teague, Pennsylvania State secretary of Health, outline plans for improving Pennsylvania's health picture. He paid tribute to the League's work in focusing public attention on the need for improvement and asked its continued support for the legislation he needs to put the Health Department on a more effective basis. Dr. Teague was particularly interested in obtaining public support for two administration bills which his Department requested and which have just been introduced in the House: House Bill 1310 which provides for county health units under a local board of health, and House Bill 1376 which will establish professional qualifications for the staff.

Mrs. Vincent Lathbury, chairman of the Swarthmore League's Committee on Public Health, points out that this legislative session is almost over and that Pennsylvania's health program will be seriously impeded for the next two years if these bills are not passed. She urges that every citizen who is interested in public health write at once to the Hon. Charles Smith, Republican leader of the House of Representatives, Harrisburg, and to the Hon. Preston A. Frost, chairman of the House Committee on Public Health and Sanitation.

HOW TO BE A "GOOD EGG"

On Party-Line Telephones

WHEN YOU PLAY FAIR with your party-line neighbors...it pays dividends! They'll return your courtesies, and everybody on the line will get better service.

Here are two suggestions

On finding the line in use, hang up gently and give the other person a few minutes to finish his call. And when, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line.

Easy, isn't it? Yet these little courtesies mark you as a "good egg" on the party line...one who deserves fair treatment in return.

pins to high school members of the group.

Following the presentation of awards, a gift from members of both organizations was given to Mr. Holm by Anne Larson and David Spencer. Anne, this year's Captain of the Band was also presented with a gift from fellow members.

Other gifts presented were to Marian Hunt from the Majorettes, and Joan Acker from the Color Bearers.

The dinner, prepared by Mrs. George Dunn and her capable committee, preceded the formal part of the program. With the presentation of gifts, the company adjourned from the high school cafeteria to be entertained with a juggling and magical show in the auditorium.

Flea and Light-Weight Leagues In Home Stretch

This Saturday morning the Tigers and Indians of the Flea League, each with four wins and one loss, will meet in an important game which will probably decide the championship. The Tigers led by J. Noyes, Skip Skoglund, and several other outstanding stars have fought their way back into the contention. The Indians led by Seth Singleton, and left-hander Freddy Coe had been out in front all season until they were upset last week by the Red-Socks.

In the other game, the Yankees will meet the Red-Socks putting a record of no wins and four losses and one tie up against the Red-Socks' record of one win, three losses and one tie.

Members of the teams are as follows:

Tigers: Garrett, Skoglund, J. Noyes, Bass, Shute, Johnson, Cole, Ridgeway, Sessions, Dawes, Turner, Richardson, Warden, Bevan, and Habbersett.

Indians: Singleton, Manager, Coe, Gurin, L. Jones, Patterson, Bradshaw, Calloway, Holly, Barnes, Walmsley, Gibson, Calhoun, Fischer, Lord.

Yankees: Gillfillan, Manager, Kroon, Saunders, Wright, Roxby, Hoch, Barnard, Adams, Hansel, Delano, Payne, Ellis, Turner, Lathbury, Smith, and Saunders.

Red Socks: Jones, Manager, Coleman, Wentz, Walters, Crothers, Nason, B. Jackson, R. Jackson, Moran, Jussen, Melcher, Wigton, Allen, D. Jackson, Amdeen, Walmsley, Dickinson, Hansel.

Cincy Reds Lead

The Light-Weight League has been dominated by the Cincinnati Reds, who lead with a record of four wins and no losses. The Giants follow close behind with three wins and one loss, the Dodgers one win and three losses, and the Phillies with four losses have yet to break into the win column.

The Reds have been the outstanding team led by Rob Wright, Dave Lynch, Ken Hassen and several others. Tomorrow they will face the Giants in the deciding game. If the Giants, led by Wentz, Jester, and Snyder, upset them, it will give the Giants a tie for first place with the Reds. The other game schedules the Dodgers against the Phillies.

Team members follow:

Phillies: Single, Mgr., Clothier, Bowie, Bloom, McGaughey, Lee, Hetherington, McCoun, Russell, Warden, Bates, Gurin, Noyes, Stonecker.

Cincy Reds: R. Wright, Mgr., Bender, Perce, Malin, Hassen, Keighton, Lynch, Smith, F. Bloom, Jenkins, Lange, Zensen, Welliver.

Giants: Wentz, Mgr., Jester, Gale, Yates, Snyder, Dunning, Kerr, Gemmill, Picard, Jackson, Cole.

Dodgers: Dawes, Mgr., Baker, Reynolds, Hummer, Coleman, Arison, Hurd, Hollander, Gwinn, Brown, Kletzien, Vennebusch, Badger.

Mrs. Hervey Schumacher of Haverford avenue entertained at a luncheon at a tea-room in Downingtown in honor of her granddaughter Barbara Schumacher of Ogdan avenue who is a member of the Swarthmore High School graduating class. Guests included classmates.

BACCALAUREATE TEA

Baccalaureate Services for the graduating class of Swarthmore High School will be held Sunday, June 3, at the Presbyterian Church. The 5 o'clock ceremony will be followed with a tea at the Church for the senior parents, and faculty.

In charge of the tea is Mrs. Frank Holman. She will be assisted by Mrs. John Schumacher, Mrs. John Rumsey and Mrs. Don Dickinson, who will provide punch and cookies; Mrs. Lee Bennett, Mrs. Frank McCowan, and Mrs. W. O. Heinze, and their committee who will provide the sandwiches.

Mrs. Leroy Wolf is chairman of hostesses, Mrs. William Simkin and Mrs. Charles Acker are in charge of decorations.

Register 4 and 5

(Continued from page one)

will be arranged for each Friday. This program will be located at the College Avenue School and Playground and will have the same morning hours as the previous programs.

A board committee consisting of Mrs. Howard Jackson and Dr. Ned Williams, co-chairmen, and Mrs. Wisdom are assisting Theodore Purnell in arranging this program. There will be competent instructors in those areas where there is sufficient interest.

League Baseball

This is also the time to register for league baseball in the Hornet class - ages 11, 12, and 13. The Hornets are entered in the Eastern Delaware County league and will practice in the afternoon and play league games in late afternoon. The baseball committee, board members Mr. Allison, Robert Abbe, and Mrs. Preston will work with Russell Snyder on transportation, equipment storage, and other necessities.

Because the S.R.A. program is partially supported by the Borough and the school, an additional charge of \$5.00 per child will be made for any of the above programs for any out-of-town registrants who do not go to Swarthmore schools.

The Finance Committee, Ellis Ridgway, Jr., Mr. Abbe, and Mrs. Smith will be hard at work during registration week. So will the property committee, Mrs. Randolph Lee, Mrs. Wisdom, and Mrs. Wood, who have been working to collect and repair the equipment needed for all programs.

Summer School Opens June 18

Teachers College Joins With School In Six Week Session

Swarthmore High School is again affording pupils the opportunity to attend a Summer School Session. This session will begin on Monday, June 18 and continue until Friday, July 28.

Pupils may enroll for any of three purposes:- to review a course, which was just completed in regular school year, for the purpose of raising the final grade; to take a course in summer school which the pupil has failed to pass in the regular school year for the purpose of removing the failure, to preview a course which the pupil plans to take next year, and for which he desires some additional preparation.

The Summer School is operated jointly by West Chester State Teachers College and Swarthmore High School. Through the excellent cooperation of Dr. Earl F. Sykes, director of Teacher Training at West Chester State Teachers College, a number of outstanding teachers have been secured to help carry on this program.

The Swarthmore School Board has appointed as supervisory teachers, Mary Armstrong in English, Adeline Strouse in languages, Harry Oppenlander, science and mathematics. Henry Hofmann who is in charge of the Summer School, will in addition to directing the administrative details, supervise the teaching of social studies.

The courses to be offered will cover grades seven to 12 in social studies, English, mathematics, languages and science. In addition to these courses, Mrs. Heckler, a commercial teacher at Northern Province High School, has been employed to teach typing and shorthand.

Pupils are now registering and will continue to do so through June 18. Registrations are to be kept low in order to encourage pupils who need help to attend and obtain the advantages of small classes. All classes will meet in the morning. Each class will last one hour. Classes will start at 8:30 and close at 12:30 p.m. Enrollment for the summer session is estimated between 200 and 250 pupils, as in former years.

SRA REGISTRATIONS HELD THIS WEEK

Registration for the summer program of the Swarthmore Recreation Association took place Monday and Tuesday of this week. There are still a few vacancies in most age groups. For those who did not have an opportunity to register, two registrars will be at each school, the Rutgers Avenue and College Avenue, on Monday, June 18, from 9 - 10 a.m.

A request has been made to have each child bring his or her receipt to school on the first day.

Mrs. Randolph Lee and her committee are gratefully busy collecting toys donated to the S.R.A. Anyone having usable equipment to donate should call Mrs. Lee, Swarthmore 6-6375, for collection.

NEW ALUMNI PRESIDENT

William F. Lee of Guernsey road, a life insurance underwriter for the Penn Mutual Life Insurance Company, has been elected president of the Swarthmore College Alumni Association. Mr. Lee takes office this weekend.

One other Borough resident was elected to a post in the Alumni Association balloting concluded recently. Mrs. Roger Russell of Haverford place will serve as secretary of the Association. Other new Association officers are Herbert L. Brown of Drexel Hill, vice-president for men, and Mrs. Robert B. Greer of Media, vice-president for women.

Mr. Lee is a member of the Alumni Council of the College. He was recently distinguished professionally when he was named a 1951 member of the Million Dollar Round Table, composed of qualified life insurance agents who have sold a million dollars' worth or more of life insurance in a 12 month period.

Three Swarthmoreans have been elected to the Alumni Council as representatives from this Zone. Edward L. Noyes of River-view road, Barclay White Jr. of Vassar avenue and Mrs. Henry B. Coles of Walnut lane will serve with three others from this district on the Council.

Mr. Lee and his fellow officers will be introduced to the Council at a meeting tonight, and to the Association at its meeting tomorrow (Alumni Day) at 11:45 a.m. in the Friends Meeting House.

Arrangements for the Alumni Day program announced last week and listed in the calendar for this week are under the supervision of outgoing president J. B. Thompson. Music for the Parade of Classes at 2:15 and the Dedication Ceremony at 2:45 will be furnished by the Swarthmore High School Band.

Christopher MacDonald Swan, Jr., son of Mr. and Mrs. Swan of Mt. Holyoke place was graduated June 3 from the University of Delaware. He will play in the North-South All-Star Lacrosse game at Troy, N.Y., June 9.

Don will report for active duty as a second lieutenant with the Marine Corps on June 20 at Quantico, Va. He is a graduate of Episcopal Academy.

Lions International To Grant Borough Charter

Lions International is organizing a Swarthmore chapter and has indicated that a charter will be granted the latter part of June.

Lions Clubs are non-political, non-sectarian service organizations composed of the community's leading business and professional men. The purpose of the club is to recognize community needs and develop means of meeting them, either through its own effort or in cooperation with other agencies.

During the fiscal year 1949-1950, Lions Clubs successfully completed 116,276 separate activities. The International Association is composed of 420,000 members and boasts 8,575 clubs in 29 countries on five continents.

COMMENCEMENT MON. AT COLLEGE

Eleven Local Students Among Class of 213 Seniors

inter and intra-family competition has been planned by Peter Murray and his committee.

A half hour of movie comedies selected by Gen Reavis, assisted by Mrs. Robert Frost, William Pogram and son John, will provide respite for weary gamblers in the Sunday School Nursery. Guaranteed hunger-stopper refreshments will be provided by the Westminster Fellowship, supervised by Dick Hook.

At 9:15 the tempo will change, as the crowd moves to Fellowship Hall in the new wing of the Church Building where the talented entertainers from both sponsoring groups will present excerpts from the popular show "Network Nightmare". Sally Spencer and Tony Margieri are co-chairmen of this command performance which will include the cream of last year's show with an additional playlet "If Men Played Bridge as Women Do".

Square Dancing sparked by Caller Ed Potter will wind up the evening.

Great Books Group

The Marx "Communist Manifesto" will be the topic of discussion at the Great Books Group meeting June 6 at the high school. The 8 p.m. discussion will conclude the series for this summer.

SUMMER SCHOOL OPENS JUNE 18

Teachers College Joins With School In Six Week Session

Swarthmore High School is again affording pupils the opportunity to attend a Summer School Session. This session will begin on Monday, June 18 and continue until Friday, July 28.

Pupils may enroll for any of three purposes:- to review a course, which was just completed in regular school year, for the purpose of raising the final grade; to take a course in summer school which the pupil has failed to pass in the regular school year for the purpose of removing the failure, to preview a course which the pupil plans to take next year, and for which he desires some additional preparation.

The Summer School is operated jointly by West Chester State Teachers College and Swarthmore High School. Through the excellent cooperation of Dr. Earl F. Sykes, director of Teacher Training at West Chester State Teachers College, a number of outstanding teachers have been secured to help carry on this program.

The Swarthmore School Board has appointed as supervisory teachers, Mary Armstrong in English, Adeline Strouse in languages, Harry Oppenlander, science and mathematics. Henry Hofmann who is in charge of the Summer School, will in addition to directing the administrative details, supervise the teaching of social studies.

The courses to be offered will cover grades seven to 12 in social studies, English, mathematics, languages and science. In addition to these courses, Mrs. Heckler, a commercial teacher at Northern Province High School, has been employed to teach typing and shorthand.

Pupils are now registering and will continue to do so through June 18. Registrations are to be kept low in order to encourage pupils who need help to attend and obtain the advantages of small classes. All classes will meet in the morning. Each class will last one hour. Classes will start at 8:30 and close at 12:30 p.m. Enrollment for the summer session is estimated between 200 and 250 pupils, as in former years.

SRA REGISTRATIONS HELD THIS WEEK

Registration for the summer program of the Swarthmore Recreation Association took place Monday and Tuesday of this week. There are still a few vacancies in most age groups. For those who did not have an opportunity to register, two registrars will be at each school, the Rutgers Avenue and College Avenue, on Monday, June 18, from 9 - 10 a.m.

A request has been made to have each child bring his or her receipt to school on the first day.

Mrs. Randolph Lee and her committee are gratefully busy collecting toys donated to the S.R.A. Anyone having usable equipment to donate should call Mrs. Lee, Swarthmore 6-6375, for collection.

NEW ALUMNI PRESIDENT

William F. Lee of Guernsey road, a life insurance underwriter for the Penn Mutual Life Insurance Company, has been elected president of the Swarthmore College Alumni Association. Mr. Lee takes office this weekend.

One other Borough resident was elected to a post in the Alumni Association balloting concluded recently. Mrs. Roger Russell of Haverford place will serve as secretary of the Association. Other new Association officers are Herbert L. Brown of Drexel Hill, vice-president for men, and Mrs. Robert B. Greer of Media, vice-president for women.

Mr. Lee is a member of the Alumni Council of the College. He was recently distinguished professionally when he was named a 1951 member of the Million Dollar Round Table, composed of qualified life insurance agents who have sold a million dollars' worth or more of life insurance in a 12 month period.

Three Swarthmoreans have been elected to the Alumni Council as representatives from this Zone. Edward L. Noyes of River-view road, Barclay White Jr. of Vassar avenue and Mrs. Henry B. Coles of Walnut lane will serve with three others from this district on the Council.

Mr. Lee and his fellow officers will be introduced to the Council at a meeting tonight, and to the Association at its meeting tomorrow (Alumni Day) at 11:45 a.m. in the Friends Meeting House.

Arrangements for the Alumni Day program announced last week and listed in the calendar for this week are under the supervision of outgoing president J. B. Thompson. Music for the Parade of Classes at 2:15 and the Dedication Ceremony at 2:45 will be furnished by the Swarthmore High School Band.

Christopher MacDonald Swan, Jr., son of Mr. and Mrs. Swan of Mt. Holyoke place was graduated June 3 from the University of Delaware. He will play in the North-South All-Star Lacrosse game at Troy, N.Y., June 9.

Don will report for active duty as a second lieutenant with the Marine Corps on June 20 at Quantico, Va. He is a graduate of Episcopal Academy.

Lions International To Grant Borough Charter

Lions International is organizing a Swarthmore chapter and has indicated that a charter will be granted the latter part of June.

Lions Clubs are non-political, non-sectarian service organizations composed of the community's leading business and professional men. The purpose of the club is to recognize community needs and develop means of meeting them, either through its own effort or in cooperation with other agencies.

During the fiscal year 1949-1950, Lions Clubs successfully completed 116,276 separate activities. The International Association is composed of 420,000 members and boasts 8,575 clubs in 29 countries on five continents.

COMMENCEMENT MON. AT COLLEGE

Eleven Local Students Among Class of 213 Seniors

In Commencement exercises at 10 a.m. Monday in the Scott Outdoor Auditorium 213 seniors will receive degrees from Swarthmore College. Of this number, 185 will be graduated with the B.A. degree, 25 with the B.S. awarded by the Division of Engineering, and three with the M.A.

Fifty-seven students are graduating in the honors program, 29 with honors, 25 with high honors and three with highest honors. There were 24 elections to Phi Beta Kappa.

Eleven residents of the Borough will be among the graduates on Monday. They are:

David Tyner Brown of Park avenue, B.A. in political science; Robert Newton Dippy of College avenue, B.S. in civil engineering;

Duncan Graham Foster, Jr., of Crest lane, B.A. in physics with high honors. (Phi Beta Kappa); Stephen Hay of Ogdan avenue, B.A. in modern languages; Alan Reeve Hunt of Elm avenue, B.A. in political science with honors;

ANNUAL LETTER BANQUET AT H.S.

125 Students Receive Awards In Sports, Activities

The annual spring letter banquet held in the Swarthmore High School cafeteria last Friday evening was the usual gay and colorful event. One hundred twenty-five activity leaders in sports, student government, chorus, band, clubs, class organizations and associated activities were honored at this affair sponsored by the High School Student Cabinet.

Phil Hummer, the very able cabinet president, was master of ceremonies and proved to be one of the feature entertainers with his witty introductions throughout the evening. Guests were previous student letter winners, several members of the faculty, Robert Amdeen, high school principal, Frank R. Morey, supervising principal and Andy Kirk one-time Swarthmore Track captain and at present captain of the University of Pennsylvania Track Team.

Mr. Amdeen, the first speaker, spoke of the influence and necessity of a balanced program of studies, sports and activities.

Activity letters and stars were presented to first and second year winners respectively by Mrs. Matthews instructor in English.

Alice Putnam and Bill Reese, coaches, presented the Athletic Club Athletic Achievement Award to Richard Burtis in recognition of his achievement in varsity sports, sportsmanship, scholarship, and service to school. Fred Campbell was awarded a service sweater for having earned nine varsity athletic letters, three each in football, basketball and track. He was captain of both football and basketball and besides setting a new record in the shotput was the highest and most prolific scorer on the team.

BOARD ACCEPTS GRIER MEMORIAL

Dodd, Smith Relected; New Rooms Planned

Wednesday evening the School Board accepted the class of 1951's gift of a Nancy Grier Memorial in the form of a trophy case for the gymnasium lobby. George Ewing, school architect, was authorized to proceed with plans for installation. The daughter of Mr. and Mrs. Charles Grier of Dartmouth avenue, Nancy died of polio a few days before the class began its seventh grade studies.

Mrs. Mary Parke Dodd tax collector and Claude Smith, solicitor were reelected for next year.

George and Alexander Ewing presented sketches providing one additional classroom, two small seminar rooms, a study hall, and relocation of storage rooms and office space in the high school. The Board accepted the plans, authorizing preparation of working drawings and three weeks advertising for bids in order that contracts might be awarded at its July 6 meeting and the improvements completed by opening of school next fall. Bids on furniture for the new rooms and for athletic supplies will also be opened on the 6th.

The Board adjourned until June 20.

Summer Music Program Will Begin June 18th

The Summer Music program sponsored by the Swarthmore School District will begin on Monday June 18 and continue through July 27. Courses will be scheduled during the morning hours Mondays through Fridays. Plans call for a Summer Band, Summer Orchestra, Harmony Theory class and beginning instrumental instruction.

School musicians who have had any Band or Orchestra experience in the winter program are eligible for the summer groups. Music of easy to medium difficulty will be used so that both Elementary and High School people can participate. A limited number of school owned instruments are available on a loan basis to beginners.

Registration is on June 18 from 9 until 11 in the High School Band office. A moderate fee will cover the cost of any or all of the courses for which a person is eligible. The Harmony Theory class is limited to High School people, grades 7-12 and the instrumental instruction to students from fourth grade up. Robert M. Holm of the Swarthmore Schools will supervise the program.

American Legion Team To Open Season Wed.

The Swarthmore Junior American Legion Team opened its season on Memorial Day on River-view Field in a practice game with the Norwood Post Team of the Southern Division, and lost a close contest by a score of 3-2.

Norwood is expected to be the Class of its division, having on its roster the pick of Glen-Nor, Edystone, Prospect Park and Ridley Township high school players. The Swarthmore Team on the other hand is playing present and former Swarthmore High students exclusively, but shows promise of being the dark horse of the Northern Division.

Paul Tarr pitched the first five innings in capable fashion and Lee Ford, former Hornet pitcher, finished out the game in splendid style. Except for some ragged base running the score would probably have been different. Tarr led the team at bat with two solid hits.

Tomorrow afternoon the team travels to Aidan for another practice game and then opens its league season next Wednesday at Pilgrim Gardens. The following day the team will play its second league contest at Wayne.

Officer At Camp Lejeune

BACCALAUREATE SERMON

The Baccalaureate Sermon delivered Sunday, June 3, by H. Lawrence Whittemore, Jr., B. D., Rector of the Trinity Church, is reprinted here for the High School Class of 1951 to whom it was addressed.

"There is deep significance in the fact that you hear a baccalaureate sermon - not a baccalaureate address - and that you hear it in a church, not in an auditorium. Let this setting be uppermost in your minds for the rest of this afternoon. You are gathered together in an edifice set apart and hallowed by the worship of God. What you have come to hear today is not some startling new statement, but an expression of God's truth as God gives us the wisdom and light to see it.

"Not literally, but symbolically, I want to place in your hands this afternoon a sword - a sword which you are to carry forth from here - a sword made of three ingredients, all of them carefully fused and fashioned together into one strong shining weapon. Guard this sword - treasure it - for it bears within it the means of victory over life. I believe this so strongly that I want to tell you just what this sword is composed of.

"First, I would insist upon your carrying with you a belief in God. This, you may say, is a platitudinous remark coming from a minister especially, but bear with me while I try to explain just why I believe such a belief to be the very cornerstone of your future lives.

"Today you stand at a pinnacle - you are stepping into manhood and womanhood - and I ask you now - in your heart of hearts, are you more thrilled with the prospects of new found freedom and a lessening of restrictions on your lives or are you sensible of the new responsibilities which today become yours? I place great emphasis upon your answer to this question, for in how you answer it is found a measure of your own maturity.

"Has anyone told you about the child who was being brought up along extremely progressive lines? Every day, and this one day in particular, the child gave vent to every whim imaginable, causing his mother more than once to tilt inwardly, but to remain composed nevertheless outwardly. No matter how perverse or ornate the child insisted on being, his mother never said "NO," never reprimanded, never - well, hardly ever - permitted her voice to show the least sign of strain. Finally in desperation the child threw back his head and wailed, "Oh, why doesn't Daddy come home and make me be good."

"The predicament of this child is also the predicament of the human race. We want freedom for its own sake, we resent any sort of external controls, and yet we find ourselves so very often floundering about in complete chaos and confusion with no voice of authority anywhere to rescue us from the tangle in which we have landed ourselves. Just as the small child in the family needs direction, so it is in the world of adults. How clearly our Lord perceived this is seen in the temptation that he underwent early in His ministry. Back of this amazing account must be other unrecorded episodes dealing with our Lord's inner struggle to accept and recognize his vocation for what it was. Now insofar as every man has a vocation in life - a calling to serve - our Lord has set the pattern for all to follow. A life's work - whether it be done quietly in a corner or before the public's eye - must be seen as falling under the control and guidance of God. It is true that we are free agents - free to choose, in a large part, the attitude that will determine what manner of life we lead. But our freedom will be utterly mis-spent unless it is made subordinate to the claim of God upon our lives. We are his servants and until life is viewed thus there is no great sense to existence. And so I repeat - first - carry with you faith in God.

"Now that raises at once the second point - the second ingredient that you must carry into life - faith in a given tradition about God. It is all very well for me or anyone else to say that a man must have faith in God, but what do we mean when we say God? For some, God is a remote abstraction, a prime mover and nothing more. For others God is a Santa Claus figure, good only so long as he can be manipulated and made to work for man. But that is not the kind of God the Christian faith is talking about - a God who is personal, who is loving and who is concerned for you and for righteousness and truth. That is the kind of God whom we see in the person of Jesus Christ.

"Our Lord never preached a baccalaureate sermon nor did he ever hear one. But he did preach one sermon early in his ministry in his hometown of Nazareth - a sermon that set the theme of his life's work and that came, incidentally, not out of the freshness of his insight but out of the tradition of his forebears - from the prophet Isaiah. Here our Lord found time-tested truth - truth that had never been adequately lived or presented, but truth that He was to fulfill in His lifetime. "The Spirit of the Lord is upon me," He said, "because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken-hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord."

"As members of a graduating class, permit me to warn you - do not scoff at your Christian heritage and tradition. If you find fault - and surely if you are honest, you will - you will find it not in the tradition, but in the way your elders have misused and misrepresented it.

"For here in these words is stimulus enough for all the graduates in this great land of ours. A charge to bind up the wounds of suffering humanity, to see to it that your lives are used in the task of making the crooked places of life straight. The Christian tradition is a fearless one - zealous for truth and justice and liberty under God. Failure to achieve these standards comes not through any weakness in what has been given to us, but in succeeding generations having let the light grow dim too easily and too quickly.

"It has been said most wisely that the battle for Christian love and justice must be fought - and won with each generation. Or to put it

just a little differently, God's saving work must be mediated anew with each generation. Whatever your particular Church affiliation may be is something I do not know nor am I overly concerned provided that you do have one. Don't be a parasite - don't be men and women content to live on the hard-earned laurels of your forebears. Don't be the kind of people that Elton Trueblood, a great Quaker of our day, talks about - people who are like cut flowers in a glass bowl - people with no roots down in any belief, in any tradition - don't be like that unless you want to wither and die.

"And that brings me to my third ingredient that I would have you carry forth - be men and women of hope. The first two qualities spring from your past, from long centuries of faith behind you - the qualities of faith in God and an understanding of the Christian tradition. The third quality, hope, will enable you to meet the needs of your time.

"This very afternoon when this service is over you will rise and walk out of here - looking forward not backward. May that forward-looking impulse characterize your lives from here on. You will recall the ancient Biblical tale of Lot and his wife - of how Lot was ordered by God to leave his town and his home and flee to safety with his family. One can sympathize with Lot's wife - she had to leave the town where she was born, the home where her husband had brought her as a bride and where later on her children were born. Every corner of that house was full of memories - there was not a piece of furniture or utensil by the hearth that did not have some deep association with part of her life. To leave all this was more than she could stand and you will recall, that disobeying the commandment of God, she did look back - and became a pillar of salt.

"Lives lived in the past are as useless as pillars of salt. Think of it! Today you have the whole future ahead of you - the opportunity to make your deeds speak louder than words - to do your share in alleviating the discord and confusion of this world and in holding high the beacon of hope that those who come after you may see and believe.

"Members of the Senior Class. You will leave this afternoon with this charge in your hearts and minds - to have faith in God, to treasure and to understand the Christian tradition that is ours and to strengthen a heartsick world by your example of looking forward in hope. No one of you is strong enough to do this task alone, but you are not alone and never will be.

"At a time in Israel's history when the Syrians were waging relentless war against that tiny kingdom hearts failed men with fear. The tiny number of faithful stood alone against a vast number of the enemy. Behold an host compassed the city both with horses and chariots. And the servant of Elisha said unto him, Alas, my master, how shall we do? And he answered, Fear not: for they that be with us are more than they that be with them. And Elisha prayed, and said, Lord, I pray thee, open his eyes, that he may see. And the Lord opened the eyes of the young man; and he saw; and behold, the mountain was full of horses and chariots of fire around about Elisha."

"When, in the future you may be hard pressed and tempted to doubt the things that you have heard and have been taught, remember this great story. May your eyes, like the eyes of Elisha's servant, be opened to see the great cloud of witnesses that surround you at all times. You are part of a great inheritance, a great tradition. Each of us has an integral part to play in it. You go forth from here not alone. Wherever you go, you will be in the sight and care of God, you carry with you the prayers and spiritual presence of those who love you, you take with you something of the spirit of each who has contributed to your growth and development. Today you stand shoulder to shoulder with a great company of men and women who have fought in faith and have been victorious. May God bless you as you leave this school and crown your efforts with victory.

"Let us pray"

What constitutes a BARGAIN?

A bargain is something that you want at less than you would ordinarily pay. Most of us, if we pay a little less for something, find that we failed to get what we wanted, and we regret it.

If there is anything that is uppermost in our minds at Paulson's when we sell something, it is that you will not later "regret it". For this reason, we try to find out all we can about how you plan to use the carpet.

Our experience in rug cleaning and repairing helps us mightily in this objective, because we learn about the disappointing things which can happen when the planning is not right, when the size of color is wrong, or the rug is used in the wrong place.

Our experience in trading rugs is also a help, because again we are concerned with correcting "mistakes".

Getting back to what we were saying about bargains, usually a low price is inconsistent with getting what you want. Just now, however, carpets have gone up twice in the past eight months, and most dealers have good stocks of carpets without one or both of these increases.

Paulson still has one of the best stocks in the Philadelphia area in Mohawk and Lees, but the selection is steadily being reduced.

BACCALAUREATE SERMON

The Baccalaureate Sermon delivered Sunday, June 3, by H. Lawrence Whittemore, Jr., B. D., Rector of the Trinity Church, is reprinted here for the High School Class of 1951 to whom it was addressed.

"There is deep significance in the fact that you hear a baccalaureate sermon - not a baccalaureate address - and that you hear it in a church, not in an auditorium. Let this setting be uppermost in your minds for the rest of this afternoon. You are gathered together in an edifice set apart and hallowed by the worship of God. What you have come to hear today is not some startling new statement, but an expression of God's truth as God gives us the wisdom and light to see it.

"Not literally, but symbolically, I want to place in your hands this afternoon a sword - a sword which you are to carry forth from here - a sword made of three ingredients, all of them carefully fused and fashioned together into one strong shining weapon. Guard this sword - treasure it - for it bears within it the means of victory over life. I believe this so strongly that I want to tell you just what this sword is composed of.

"First, I would insist upon your carrying with you a belief in God. This, you may say, is a platitude, a remark coming from a minister especially, but bear with me while I try to explain just why I believe such a belief to be the very cornerstone of your future lives.

"Today you stand at a pinnacle - you are stepping into manhood and womanhood - and I ask you now - in your heart of hearts, are you more thrilled with the prospects of new found freedom and a lessening of restrictions on your lives or are you sensible of the new responsibilities which today become yours? I place great emphasis upon your answer to this question, for in how you answer it is found a measure of your own maturity.

"Has anyone told you about the child who was being brought up along extremely progressive lines? Every day, and this one day in particular, the child gave vent to every whim imaginable, causing his mother more than once to feel inwardly, but to remain composed nevertheless outwardly. No matter how perverse or ornary the child insisted on being, his mother never said "NO," never reprimanded, never - well, hardly ever - permitted her voice to show the least sign of strain. Finally in desperation the child threw back his head and wailed, "Oh, why doesn't Daddy come home and make me be good."

"The predicament of this child is also the predicament of the human race. We want freedom for its own sake, we resent any sort of external controls, and yet we find ourselves so very often floundering about in complete chaos and confusion with no voice of authority anywhere to rescue us from the tangle in which we have landed ourselves. Just as the small child in the family needs direction, so it is in the world of adults. How clearly our Lord perceived this is seen in the temptation that he underwent early in His ministry. Back of this amazing account must be other unrecorded episodes dealing with our Lord's inner struggle to accept and recognize his vocation for what it was. Now insofar as every man has a vocation in life - a calling to serve - our Lord has set the pattern for all to follow. A life's work - whether it be done quietly in a corner or before the public's eye - must be seen as falling under the control and guidance of God. It is true that we are free agents - free to choose, in a large part, the attitude that will determine what manner of life we lead. But our freedom will be utterly mis-spent unless it is made subordinate to the claim of God upon our lives. We are his servants and until life is viewed thus there is no great sense to existence. And so I repeat - first - carry with you faith in God.

"Now that raises at once the second point - the second ingredient that you must carry into life - faith in a given tradition about God. It is all very well for me or anyone else to say that a man must have faith in God, but what do we mean when we say God? For some, God is a remote abstraction, a pious maver and nothing more. For others God is a Santa Claus figure, good only so long as he can be manipulated and made to work for man. But that is not the kind of God the Christian faith is talking about - a God who is personal, who is loving and who is concerned for you and for righteousness and truth. just a little differently, God's saving work must be mediated anew with each generation. Whatever your particular Church affiliation may be is something I do not know nor am I overly concerned provided that you do have one. Don't be a parasite - don't be men and women content to live on the hard-earned laurels of your forebears. Don't be the kind of people that Elton Trueblood, a great Quaker of our day, talks about - people who are like cut flowers in a glass bowl - people with no roots down in any belief, in any tradition - don't be like that unless you want to wither and die.

"And that brings me to my third ingredient that I would have you carry forth - be men and women of hope. The first two qualities spring from your past, from long centuries of faith behind you - the qualities of faith in God and an understanding of the Christian tradition. "When, in the future you may be hard pressed and tempted to doubt the things that you have heard and have been taught, remember this great story. May your eyes, like the eyes of Elisha's servant, be opened to see the great cloud of witnesses that surround you at all times. You are part of a great inheritance, a great tradition. Each of you has an integral part to play in it. You go forth from here not alone. Wherever you go, you will be in the sight and care of God, you carry with you the prayers and spiritual presence of those who love you, you take with you something of the spirit of each who has contributed to your growth and development. Today you stand shoulder to shoulder with a great company of men and women who have fought in faith and have been victorious. May God bless you as you leave this school and crown your efforts with victory.

"Let us pray . . ."

What constitutes a BARGAIN?
A bargain is something that you want at less than you would ordinarily pay. Most of us, if we pay a little less for something, find that we failed to get what we wanted, and we regret it.
If there is anything that is uppermost in our minds at Paulson's when we sell something, it is that you will not later "regret it!" For this reason, we try to find out all we can about how you plan to use the carpet.
Our experience in rug cleaning and repairing helps us mightily in this objective, because we learn about the disappointing things which can happen when the planning is not right, when the size of color is wrong, or the rug is used in the wrong place.
Our experience in trading rugs is also a help, because again we are concerned with correcting "mistakes".
Getting back to what we were saying about bargains, usually a low price is inconsistent with getting what you want. Just now, however, carpets have gone up twice in the past eight months, and most dealers have good stocks of carpets without one or both of these increases.
Paulson still has one of the best stocks in the Philadelphia area in Mohawk and Lees, but the selection is steadily being reduced.

Hold Recital

Margaret Buehler, teacher of piano, and Janet Buehler, teacher of violin, of Swarthmore avenue, presented their 53 students in two combined recitals at the Swarthmore Woman's Club Saturday. The younger pupils played at 3 o'clock with the advanced students performing at 8.

Closes Season

The Crum Creek Bridge Club closed its 1950-51 season with a buffet supper at the home of Mr. and Mrs. John Bowditch, Jr. of Cedar lane Tuesday evening. The winner for the entire year who will hold the Bayard Mor-

ison Silver Cup, was Mrs. Samuel Hanna. Mrs. T. Saulnier as second highest won the tray for the year. Leslie Luckie was high in the seven-week tournament.

Following the supper, the bridge winners for the evening were: playing north and south, Mrs. Henrietta Fricke and Leslie Luckie; playing east and west, Mr. and Mrs. Maurice Griest.

The door prize was won by Mrs. Walter Dickinson. Other prizes were won by Mrs. George E. Silloway, Mrs. Helen Goodwin, Mrs. A. Ludlow Clayden, Mrs. Philip Kniskern, Mrs. Franklin Gillespie, Mrs. Elizabeth Hilliard, and Mr. and Mrs. William Webb.

U.W.F. Elections Held

At the Annual Meeting of the West Delaware County Chapter of the United World Federalists, held May 29 at Lima, the following officers were elected for two years. Corresponding Secretary, Mrs. A. G. Newbold; Recording Secretary, Mrs. Paul Emerson; and Treasurer, William Shank. Directors, Paul Emerson, Mrs. James Sands, Mrs. Arthur Thorp, and Mrs. Arthur Warner.

Reports from president Mrs. James Sands, and heads of committees showed an active year's work and the treasury in a healthy condition. Plans were discussed for attendance at the National Convention in Des Moines, Iowa, June 21-23. Mr. and Mrs. Richard W. Dole, Jr. expect to represent this area and others are urged to make the trip.

It was announced that a Council Meeting will be held at Bynden Wood, Pa. July 6-8, at which representatives of several organizations for World Government will discuss their plans and make an effort to unite in forming a program to advance the cause of Peace, for which they all are striving. Several members of the Chapter will go. Any others who can attend may get further information from Mrs. Frank Royce or Willard Tomlinson. Transportation can be arranged.

Ralph Little led a spirited discussion of program changes to be made at the National Convention and Dr. W. C. H. Prantice ably summed up the objectives which the Federalists represent.

ACCEPT NO SUBSTITUTES

... because there aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

180 HORSEPOWER

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower Finest engine ever put in an automobile

Boy Scouts To Be Hosts

Members of Swarthmore Troop 3, Boy Scouts of America, will be hosts to boys of Scout age, (11-14) at their regular meeting Thursday, June 14, at 7:30 in the Methodist Church. An informal evening has been planned with the idea of acquainting any interested boys with the Scouting program.

The troop also welcomes boys near scout age who are interested in learning more about Scouting.

Mrs. John S. Vermer of Rutgers avenue is visiting Mrs. Dan Young of Baldwin, N.Y. this week.

DRIVERS NEEDED

"Many substitute drivers are needed this summer if the handicapped and ill are to continue their visits to hospital clinics and rehabilitation centers", said Mrs. Dorothy N. Hopkins, Referral Secretary for the Council of Volunteers of the Health and Welfare Council, Delaware County District.

Mrs. Hopkins who lives at Haverford place, reported that many of the volunteers who have been driving faithfully all winter will be out of town at least part of the summer. The Council is asking for volunteers to fill these vacancies so that the handicapped may continue their treatment over the summer.

Please call the Council on Volunteers, Health and Welfare Council, a Red Feather Service, at Media 6-2752.

L.W.V. SENDS PETITIONS

More than 1150 people signed the petitions for reapportionment which the Swarthmore League of Women Voters prepared and circulated recently with the aid of other interested women. These petitions urged the passage of legislation which would give Delaware County more representatives in the Assembly to which its increased population entitles it under the State Constitution.

In forwarding the petitions to Senator G. Robert Watkins and the assemblymen from Delaware County, the local League president, Mrs. Melvin C. Molstad, pointed out that the petitions were circulated in a limited area during a limited period of time as a test of how much public support there is for reapportionment legislation.

On the basis of the immediate and interested response in this area, she again urged the legislators to work for reapportionment at this session.

Mrs. Molstad also wrote to Governor Fine telling him of the petitions and asking that, if reapportionment legislation is not passed at this session of the Assembly, he include it in the call for a special session next Fall.

Forch Lover

"Smoke Gets in Your Eyes" is a delightful song, but smoke from a neighbor's trash burner holds no charms. I am not referring to the five-minute "pillar of cloud by day" that results from burning the household trash, but to the hours-long stench of smoldering debris from a day of gardening that often greets us as we prepare to spend the evening on the porch. To those who must stay indoors (and even close the doors and windows) to escape the smoke, an outside burner seems hardly the place for burning stuff that sends up a cloud of smoke for hours on end—at least it's pretty unpleasant for the neighbors.

ARSON BLAMED FOR BLAZE MON.

Early Landmark Lost In Barn Burning Monday

Authorities have laid the fire which destroyed a carriage house on the property of John Bowditch, Jr., 508 Cedar lane, Monday afternoon to arson. Fire Chief John Rumsey, Sixth District Marshall James Graves and Sergeant Charles Taylor, State Police arson specialists, Wednesday morning traced origin of the blaze to an eight-year-old child who also admitted setting two other fires in the neighborhood Monday, according to the officials.

Hundreds of spectators were drawn by a pillar of black smoke billowing high into the sky as the asbestos shingle roof of the two-story farm structure burned.

The owners being in Philadelphia, the blaze was well underway by 4:04 p.m. when a patient leaving the next-door of Dr. Dorothy L. Ashton reported it and Dr. Ashton telephoned the alarm. Lightning response of the local volunteer company and the assistance of Springfield at 4:15 however failed to save the building which was erected last century by Clarence Scott of the Scott Paper family. The fire raged unchecked by the many streams of water concentrated on it.

Firemen left at 6:30, checked the ruins for smoldering at 9 and 11, but were called out of bed at 1 a.m. when the small standing corner of the building burst into flames.

Used recently for storage of furniture, garden and miscellaneous equipment the structure contained two stalls and a hay loft as well as coachman's rooms upstairs. It was provided with electricity and running water.

Mr. Bowditch, who is district manager of Trucon Steel Company, estimated replacement value of the building at \$7500. A power mower and \$750 worth of fishing tackle were among the articles burned.

Mr. Bowditch, an enthusiastic fresh and deep water fisherman, wistfully remarked he would have taken the tackle to Sabago Lake, Me. next week. A new gas stove and several mattresses intended for the summer home were also lost.

The other two fires were a bag of fertilizer in a garage at 517 Walnut lane and an army cot leaning against the wall of the garage at 514 Cedar lane. At the latter address a dead match was also discovered in a patch of oil spilled on the floor.

Strath Haven Inn To Appeal Board Decision

A. Sidney Johnson, Jr., attorney for the Strath Haven Inn, has notified Borough Solicitor Clarence G. Myers that John A. Dodds, owner, plans to appeal the decision of the Swarthmore Zoning Board in denying permission to convert his 26 unit garage on Yale avenue into living quarters for hotel guests. Mr. Dodds is reported to feel if the court will permit him to use the building as he proposed that he can assure its operation in a fashion that will not offend citizens of the borough.

Mr. and Mrs. Irvin R. MacElwee of Mt. Holyoke place entertained as their week-end guest Miss Marion Neprud of Washington, D.C.

Registration Monday For Summer Music Program

Registrations for the Summer Music Program at Swarthmore High School will be held Monday, June 18 from 9 to 11 a.m. at the Band office in the basement.

Courses available, under the direction of Robert Holm of the High School faculty, include Band and Orchestra, Harmony Theory, and instrumental instruction. A number of school owned instruments are obtainable on a loan basis to beginners. A modest fee covers the entire six week program.

FIRST AID COURSE STARTS WEDNESDAY

Basic First Aid, a Civil Defense course intended primarily for Warden and Auxiliary Police, will be offered in the High School gymnasium, starting Wednesday, June 20, and meeting again June 27, July 11, and July 18 - a total of four Wednesday evenings from 7:30 to 10 p.m. Mrs. Walker Penfield will instruct. Those who have not signed up, and can do so now, are asked to notify M. W. Garrett, Warden, and come to the first meeting with two triangular bandages cut diagonally from a 40-inch square of strong muslin.

A short basic course of this kind falls unless everyone attends all four meetings. No further general meetings of Warden and Police are planned until just after Labor Day, but meetings to complete organization within the five Posts will be arranged by Senior Wardens.

If the siren blows during the summer for a test alert, all Warden and Auxiliary Police will carry out their standing instructions as already issued.

1952 LACROSSE CAPTAIN

In the list of sports award winners submitted to the Swarthmore last week by the High School, the name of Ginnie Gehring, Captain of the 1952 Girls' Lacrosse Team, was omitted. Ginnie was awarded a star for her varsity letter. Barbara Shipperd is manager of next year's team.

Reports For Duty

Second Lieutenant Milton M. Hobbs of Park avenue left Monday for Camp Pickett, Va., to enter the U.S. Army Construction Engineers.

Lt. Hobbs took R.O.T.C. through four years of college at Carnegie Tech, and also trained during the summer of '49 at Ft. Belvoir, Va.

Bachelor of arts, Pierre H. Delattre of Park avenue; bachelor of fine arts, Caroline L. Flaherty, of Guernsey road; George P. Warren, Jr. of South Chester road; bachelor of science in nursing education, Mary E. Kutz of Dickinson avenue;

Master of arts, Robert L. Ganter of Elm avenue; master of business administration, Donald F. Burch of South Chester road, David B. Dougherty of Dickinson avenue; bachelor of law, Thomas Randall of Riverview road; doctor of philosophy, John H. Sutherland of South Chester road.

A. T. EAVENSON SERVICES HELD

Strath Haven Avenue Resident Stricken Saturday

Alben T. Evenson, 2nd, died suddenly of a heart attack Saturday in Taylor Hospital, Ridley Park. In apparent good health, Mr. Evenson was stricken Saturday morning at his late home, 626 Strath Haven avenue. He was taken to Taylor Hospital, where he succumbed later in the day.

Born 55 years ago in Philadelphia, Mr. Evenson graduated from Friends Central School and Drexel Institute of Technology. After service in the first World War as an artillery captain in the Army, he founded the Parts Service Company in Norristown. Moving to Swarthmore in 1922, with his wife, the former Rebecca Simmons, Mr. Evenson in 1924 transferred membership in the Moorestown, N. J. Friends Meeting to the Swarthmore Meeting where he was active as a member of the First Day School Committee, and the Committee of Overseers on which he was serving at the time of his death.

Elected to Borough Council in September, 1935, Mr. Evenson took office in January, 1938 and headed the Committee on Public Safety until October, 1938 when he resigned from office and moved with his family to Norristown. They returned to the Borough in 1940.

Mr. Evenson again saw service with the Army during the second World War. Upon discharge, he founded A. T. Evenson and Sons, food brokers, of which he was president.

A member of the Manufacturers Association, and Lions International, Philadelphia, he was a former Commander of the American Legion Ainsworth - Wernher Post in Swarthmore.

Surviving him besides his wife are two sons, Alban S. of Swarthmore, John L. of Springfield.

Interment followed the Wednesday services in Chester Rural Cemetery.

S.R.A. PROGRAM OPENS MONDAY

The Summer Recreation Program will get underway in all its phases Monday morning. Well over 100 children will flock to Rutgers Avenue School to start the Pre-School and Primary program, directed by Mrs. J. Francis Taylor as some 60 children start Summer Club at College Avenue School with Theodore L. Purnell.

Since there is room for additional registrations in all programs, arrangements have been made to permit registration at both schools on the morning of June 18.

Mr. Purnell has announced his staff for Summer Club this year. Mrs. Purnell will be in charge of the crafts programs, assisted by Framy Pearson. Archery and tennis activities and instruction will be under the wing of George Dunn, who assisted in this work last year. Baseball for midsize boys and general play will be under the eye of William Ziegenfuss, Jr. Jane Allen will be direct general play activities. Mary Worst will man the office and the rainy day games.

The Hornets will play their first game of the season at Riverview Field today, June 15 at 5:30 p.m. against Overlook Heights.

Dr. Fitch Receives Alumni Citation

Dr. Donald R. Fitch of Country Club lane, was awarded an alumni citation by Denison University, Granville, O., in Alumni Day ceremonies June 9.

He was one of nine alumni so honored "in recognition of outstanding achievements and services which reflect honor upon Denison University."

LEGION DEFEATS WAYNE POST 4 - 3

The Swarthmore American Legion team started off its regular league season last Monday night on the Radnor High School field with a thrilling 4-3 victory over the Wayne Post team. Lee Ford started on the mound for Coach Russ Snyder's victorious Swarthmoreans and pitched very effectively until the bottom of the fourth when a flurry of base hits broke a 1-1 tie and drove him to cover. Billy Ziegenfuss then retired the side without further damage.

With darkness approaching, the Swarthmoreans entered the top of the fifth with a two run deficit and started a last ditch rally. With one out, Grier, Hoot and Snyder drew successive passes to load the bases. Swan rolled to short, and when the relay to first got away from the first baseman, Hoot scored the tying run. Ziegenfuss then won his own game by doubling down the right field line for the second time in the game to score Swan. Wayne put on a strong rally in the bottom of the fifth but Ziegenfuss struck out the last two men to win.

Next Thursday the team plays Drexel Hill, last year's champions, on Riverview Field in one of its most crucial games of the season, and then moves to Manoa the following night to face another strong opponent.

Entertains Polo Board

Mrs. David McCahan of Strath Haven avenue, held a luncheon last week for Board members of the Polo Parents Club of Delaware County. Thirteen members were present. It was announced that Mrs. McCahan is resigning her position as President of the Club. The Club will now be headed by Mrs. Paul Deschanel of Westgate Hills, who will also edit the "Polo Parents News Letter."

J. Roy Carroll of North Chester road was elected President of the Philadelphia Chapter of American Institute of Architects this week.

Mr. Preston Roche, formerly of Park avenue, with Mrs. Roche and their son visited in Swarthmore last weekend and attended reunion festivities at the College. They returned Tuesday to their home in Pasadena, Calif.

SCHOOL YEAR CLOSES THURS.

Install Cabinet Officers At Moving-Up Exercises

Officers for next year's Senior Cabinet were inaugurated yesterday morning at Moving-Up Day Exercises held in the High School Auditorium.

The combined Junior-Senior Assembly program that traditionally closes the school year for students from grades seven to 12, opened at 9 a.m. with music provided by a selected band group under the baton of Robert Holm.

The class of '51 led by Polly Told, gave their choral readings of selections from "Ecclesiastes" before the installation took place. Phil Hummer, retiring Cabinet President and 1951 graduate, conducted the inauguration of Jim Carter, the 1951 - 52 president, elected earlier in the year by a student - faculty vote, and his fellow officers Clem Malin, vice-president, Judy Penneck, secretary, and Chris Ford, treasurer.

Frank R. Morey, supervising principal and Robert Amden, high school principal then presented annual awards. Peter Bloom and Barbara Cabots, outstanding members of the ninth grade, received the American Legion and Legion Auxiliary Awards. The Time Awards, presented to the highest boy and the highest girl in the Times Current Affairs Contest, went to Robert Warden and Virginia Bullitt.

Jim Carter as the highest in scholastic rank in the eleventh grade, received the Junior Scholarship Cup. Barbara Shipperd won the Elmira Key, presented by Elmira College, N. Y., as the best all round girl in the Junior Class.

The Harvard Book Award, of Catherine Drinker Bowen's "John Adams and the American Revolution" was given to Donald Sharpe for high scholarship and character in the senior class of '52.

Boris Litschky of Germany, a member of the 1951 senior class, received his Senior Certificate of A. Hendance from Mr. Amden. Awards in the Boys Intramural Sports Program were presented by Millard Robinson, School Coach. Phil Hummer and Dick Smallwood, tied for the year's Individual Champion with 41 points each, received gold medals.

Silver Medals went to the six runners - up, Seniors Warren Gold, Carroll Adams, Tom Simkin, Dave Killinger, Dillman Purkey, and Sophomores Charles Grier. In the class competition in a 13-sport year program, the Seniors were announced the winner, with the Juniors named second. Presentation of Awards ended as members of winning class teams received their emblems.

Miss Elise Remont of Moylan sailed Saturday on the Ile de France for a two month tour of Europe.

Letters To The Editor

The opinions expressed below are those of the individual writers. All letters to The Swarthmorean must be signed. Pseudonyms may be used if the identity of the writer is known to the Editor. Letters will be published only at the discretion of the Editor.

L. W. V. Pollock

To the Editor:

The League of Women Voters is indebted to you for providing space in the Swarthmorean so that an effort might be made to clarify the purposes of the League, especially as related to elections.

It has always been the policy of the League to be non-partisan and to neither support nor oppose any candidate for elective office. Shortly before elections the Swarthmore League does, in the public interest, distribute to every voter in the community the "Candidates Bulletin" which it has prepared in collaboration with the three other Leagues in the County. This contains biographical data about all the candidates of the major parties, secured from the candidates themselves.

In addition, when major offices are to be filled, the League often quotes the opinions of the various candidates for these offices as expressed in their written replies to questions sent them dealing with governmental issues of outstanding importance at the time. The purpose of this Bulletin is to give the voter who wishes to use his ballot intelligently the information he needs in order to make up his own mind about the candidates available.

Also, prior to general elections, the League invites the public to its Candidates Meetings so that voters may see and hear the candidates of the various parties on the same platform. These are very enlightening occasions (often spiced with a bit of heckling during the question period), and those who attend feel that no longer do they need to vote blindly or even half-blindly. They also realize, after observing the impartiality of the way the meeting is conducted, that the League does not favor any party or any candidate.

While remaining non-partisan itself, however, the League does urge its members to be active within their parties. The only restriction is that a member may not

hold a position of leadership within the League while she is running for public office or after she has been elected. Naturally, League members may campaign as vigorously as they like for any candidates they wish to see elected, provided they do so as individuals and not as representatives of League feeling or League support.

Stated succinctly and officially, the purpose of the League is "to promote political responsibility through informed and active participation of citizens in government." I should like to take this opportunity to invite every woman of voting age in the community who wants good government to join with us. A popular magazine advertises "Never underestimate the power of a woman", but that is nothing compared with the power of many women working together toward a goal they really care about.

Very truly yours,
Barbara Molstad
(Mrs. Melvin C. Molstad)
President pro tem, League of Women Voters of Swarthmore

P.S. It will please more than 1,200 persons in and near Swarthmore, since they have recently signed the League's Petition for Reapportionment in Pennsylvania, to know that Governor Fine has replied to our Communication

about it, "I am in thorough accord with your observations. I do hope that the Reapportionment measures will be passed at this Session of the Legislature."

Concerning Credit Controls

Dear Editor,
The Credit Controls, Regulations W and X of Defense Production Act of 1950 expires on June 30, 1951. These regulations curtail the use of installment credit and limit the extension of real estate credit. They are of material assistance in the fight against inflation.

It is of utmost importance that the authority to control such credit be extended and, if possible, strengthened. It will be very helpful if letters go now to your Senators and Representatives indicating support of these regulations contained in Senate bill 1397 and House bill 3871.

Sincerely,
Miriam P. Jeglum
Chairman, Study of Economic Problems of League of Women Voters

Social Security For Self Employed Not Voluntary

Apparently there is some misunderstanding of the self-employed person's obligations under the amended Social Security Act, according to Herbert W. Gruber, Manager of the Social Security Office in Chester. Old-Age and Survivors Insurance is not optional for people who are working for themselves in their own trade or business, or as partners in such enterprises.

The only exceptions are income derived from self-employment as owner-operator of an agricultural enterprise, and self-employment income derived from practice as a physician, lawyer, dentist, osteopath, chiropractor, optometrist, naturopath, veterinarian, architect, CPA, licensed, registered or full-time practicing public accountant, Christian Science practitioner, professional engineer or funeral director.

This means that, if you are not in one of the excepted groups, you have the same obligation to report your own income and pay the self-employment tax as you now have to report and withhold social security taxes on your employees' earnings. However, as a self-employed person you do not report yourself along with your employees. Your self-employment income must be reported annually on your income tax Form 1040, Schedule C, especially revised for this purpose.

Additional information on this subject may be obtained by requesting leaflet number 4 from the Social Security Office, Crozer Building, Chester, Pa.

HOW TO BE A "GOOD SPORT" on Party-Line Telephones

- 1. When you start to make a call and find the line in use, hang up gently and give the other person a few minutes to finish his call.
2. When, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line.

The wonderful thing about these little courtesies is that they're returned... with dividends for all in good telephone service. When party-line neighbors are "good sports" on the telephone, everybody benefits!

SCHOOL TO BE WARDEN POST
New Teacher Added In Board Meet Wednesday

The School Board Wednesday evening granted Burgess Charles Russell, Civil Defense Chairman, permission to set up an air raid wardens post in the Rutgers avenue school and install a telephone.

The Board added to the junior high school staff Charles H. Sowers of Williamsport who will teach science and mathematics and act as assistant football coach. Mr. Sowers graduated from Bloomsburg State Teachers College, did graduate work at Bucknell University and has taught several years in the public schools of Ismay, Montana. He is a scoutmaster, Mason and member of the American Legion. He and his wife plan to move to Swarthmore in the late summer in order that he can attend the annual football camp at Downingtown.

The reauthorization of the following was also accomplished at the meeting: David Watkins as adult evening shop class instructor; William Reese and Millard Robinson to handle the Saturday morning recreation program for elementary and junior high school ages; Robert Barclay and Hamlet Tardi to assist with the instrumental music program for beginners as arranged by the Band Orchestra Parents Association and the Board; John Willmore, athletic trainer for the football squad. Dr. George B. Heckman was reelected team physician.

In an economical mood the Board authorized the repair of 46 athletic balls at a cost of \$157 instead of replacing the worn ones with new.

Van Alen Brothers were commissioned to arrange for the cleaning of the oil tank at the Rutgers avenue school at a cost not to exceed \$80.

The continuation of the children of teachers William Reese, Henry Hoffman, and Nathan Bell as students here, although non-residents, was authorized.

The property committee announced specifications for alterations to the high school building to adapt it for increased classes were prepared. Bids on the project will be opened at 6 p.m. July 6, studied over that week-end, and acted upon by the Board at a special session 7:30 Monday evening, July 9.

FORMER RESIDENT DIES IN VIRGINIA

John Edward P. Grant, for many years a resident of Swarthmore, died Saturday, June 16, at his late home in Arlington, Va.

A native of England, Mr. Grant came to this country prior to the first World War. Moving to the Borough in 1924, he lived with his wife and three children first at 139 Rutgers avenue, later making his home at 339 Vassar avenue.

In 1937 the Grants left Swarthmore for Washington, D. C. where Mr. Grant was associated with the Maritime Commission. Following the Second World War he was sent by the Government to England where he was stationed for two years.

He is survived by his wife Myrtle K., and three children John, Jr., Henry P., and Elizabeth Ann, and a grandson, John, 3rd.

Registrations For Music Program Continue

In a flurry of activity 32 students from various grade levels in the Swarthmore Schools registered Monday for participation in the Summer Music program. About half of these already play some musical instrument while the remaining 50 percent will be trying their hands at instrumental work for the first time.

Although instruction actually began as of the middle of the past week, registration will remain open for a few more days. Robert Holm, director, has indicated that some school owned instruments are still available on a free loan basis.

NEW HALL TO BE FINISHED IN JAN.
Cornerstone Laid Wednesday Morning

Citizens of Swarthmore who have watched the growth of our new borough hall will be pleased to hear that a speedy completion is in sight. The laying of the corner stone Wednesday marked real progress made on the new building since the breaking of ground last January. Despite wartime restrictions on critical materials work on the new building is moving right along according to schedule. Workmen are now busy on the first floor which should be finished in about ten days. Although it is scheduled to be completed by January 1952 architect George M. Ewing hopes to be under roof by October. The new building will be occupied soon after electrical and radio connections for the police and fire company have been made.

If the present schedule is maintained authorities hope that by November workers will start tearing down our old wood-structure borough hall which was partially destroyed by fire in March 1950. A badly needed parking lot will be built on the grounds where the old building now stands. Borough Council has not held a meeting yet to decide whether or not parking meters will be erected in the business section of town.

Legion Team Loses To Pilgrim Gardens 5-1

The Swarthmore American Legion team lost its first league game to the Pilgrim Gardens Post team last Thursday evening by a score of 5-1. Playing on a muddy and slippery field the Swarthmoreans fielded loosely at critical moments and this, coupled with some poor base running led to their downfall.

Bill Ziegenfuss pitched his usual steady game but was not as strong as usual and yielded hits at moments when they counted. Failure to hit at opportune moments also hurt the team's chances.

The team expects to improve its standing in the game with Drexel Hill tonight at Manoa. On Tuesday there will be a return game with Manoa at Swarthmore, and on Thursday the team travels to Pilgrim Gardens.

Dr. Jeannette P. Nichols of Riverview road returned recently from a brief visit to Knox College, Galesburg, Ill., where there was conferred upon her the honorary degree of Doctor of Laws.

Prof. Roy Nichols flew out to witness the ceremony.

HEALTH SOCIETY IN FINAL MEET

New President Installed At Annual Luncheon In Woman's Club

Mrs. C. Edwin Ireland, Ridley Park, was installed as president of the Community Health Society of Central Delaware County at its annual luncheon meeting last week at the Swarthmore Woman's Club.

Service provided by the Society, a Red Feather service of the Community Chest, for the year ending May 31 was reported to the board of directors, volunteers and representatives of clubs and organizations which have aided the Society in carrying out its health program. Nearly 85 attended the luncheon.

The five staff nurses of the Society, under the direction of Mrs. Elizabeth Ann Groff, handled 7,940 field and office visits, of which 149 children were given medical care without cost at the Woodlyn Child Health Center, and 168 children visited the dental health center in the Ridley Township High School. The Society operates both.

Film Given First Showing
In the report year, the Society visited 382 families never served before and in the two year period gave service to one out of every 11 families in its area of 14 square miles or six municipalities.

A film, showing the Society's own nurses in typical days' professional work, was given its first showing to the group. George W. Sweet, Garrett Avenue resident, took the film as a service to the Society, and will continue to add to the permanent record of the work.

Retiring President Mrs. Walter A. Schmidt thanked Mr. Sweet for his "valued and generously given volunteer service."

Volunteer Services
Mrs. Schmidt also explained that since the Society budget did not provide funds other than for operating expense, the cost of the entire luncheon was met by board members with the use of agency funds in any way. She thanked the Woman's Club of Swarthmore for its generous grant of the house and facilities for the occasion; the group of high school girls who served the luncheon under the captaincy of Ginny Gehring and the volunteer direction of Mrs. J. P. Daugherty and Mrs. William R. Huey; C. W. Lukens who donated the invitations; and the many directors and friends of the Society whose joint efforts had made the luncheon a success. She asked each person present to help interpret the Society's work so that all who needed help would know where to turn for it.

Other officers who will serve for 1951-52 are: Mrs. Peter Told, Park avenue, first vice president, Mrs. John Iliff, Springfield, second vice president; Mrs. J. Paul Brown, (Continued on page ten)

ESCAPES BURNING BED

Swarthmore firemen were called to 103 Michigan avenue shortly before 5 a.m. yesterday to extinguish a blaze which destroyed a mattress and bedstead, and burnt part of the floor and scorched paint in the bedroom of Raymond Sullivan, carpenter. Alone in the house Sullivan was awakened by smoke and managed to escape from the bed before he was burnt.

The short first alarm was heard by only a handful of firemen so a second alarm a few minutes later was necessary.

Borough Purchases New Vacuum Leaf Collector

In answer to a request that something be done to clean up the leaf and trash littered streets the borough has purchased a new "vacuum leaf collector". It consists of a large tube carried by a truck which sucks up leaves and trash from the gutter. The leaves in turn go through the vacuum fan and are cut into little pieces. These can be packed in such a way that two or three truck loads collected by the former method can be put in a single container.

By saving time and energy with this new collector the borough hopes to keep leaves off the streets as they fall because more cleaning trips will be made.

165 ENROLLED IN S.R.A. PROGRAM
Treasure Hunt Planned For Summer Club Today

The summer program of the Swarthmore Recreation Association got off to a good start this week. The 100 children in the Pre-School and Primary program arrived at Rutgers Avenue school Monday to find teachers and programs waiting for them. At College Avenue school, the 65 children registered for Summer Club spent the morning in choosing fields of instruction and general recreation. The entire Hornet baseball squad with a few extra boys turned out at the Riverview Avenue field for the first formal practice session on Monday afternoon.

The special events which occur every Friday in the Summer Club program have now been planned for the full term by Theodore L. Purnell. Today Jane Allen and Bill Ziegenfuss, Jr. have arranged a treasure hunt. The first team of 10 to reach the final point will find a treasure of 10 tickets for the College Theater, which have been donated by the manager Merrill Joire.

Special Events Planned
Next week, those who wish to swim will be the guests of Mrs. William Morrow at the Morrow pool on Harvard Avenue. A hayride has been arranged for the third Friday. On the following Friday, the summer clubbers will find themselves all over the borough on a scavenger hunt with tokens of merit for the winners.

A bicycle ride to Smedley Park is arranged for the fifth Friday followed by quiet games and a picnic. For the first day of Summer Club, there will be contests of fun, a doll show for the girls, and a pet parade for everyone.

Hornets To Play Monday
The Hornet Baseball team lost its first two league contests during the past week. The team lost to Collingdale last Friday night by a score of 14-5 after Joe Vanebush had hit a home run with two men on in the first inning. Ineffective pitching proved disastrous to the Hornets who played well otherwise.

On Monday night the team showed marked improvement in its game with Yeaton, although it lost by a score of 7-5. Stewart Bowie started on the mound and was followed by Vanebush, Smith and Perce, the latter doing especially well in his three innings.

East Lansdowne will be the next opponent on Riverview Field on Monday evening.

SHIRLEY HEADS BUSINESS ASSOC.

Program Planned For Fourth Of July Celebration

William Shirley, manager of the Co-op, was made president of the Swarthmore Business Association at elections held last week in Strath Haven Inn. Mildred Weaver manager of the Joyce Lewis Shop was elected vice-president, and Robert Honeyford, co-owner of the Bouquet Beauty Salon was re-elected Secretary-Treasurer.

In the business that followed, plans were discussed for the annual Fourth of July Celebration. Emmanuel Buchner, John Michael and Peter E. Told, chairman, form the committee named to line up the program. The program set forth in an ad elsewhere in this issue, includes a parade, games for children and adults, pony rides, free popicles, capped by the traditional Water Fight, staged by the Swarthmore Fire and Protective Association.

The full program of events, times and places, along with the judges and assistants, will appear in next week's Swarthmorean.

The littered condition of the Borough streets was brought up and discussed by members of the Association. Mr. Honeyford was instructed to write a letter to Borough Secretary Elliott Richardson requesting that something be done about the matter.

250 PUPILS BEGIN SUMMER SESSION

Two hundred and fifty students from Swarthmore and neighboring communities started their six weeks summer session Monday at Swarthmore High School. These pupils will be attending classes from 8:30 a.m. until 12:30 p.m. daily, except for July 4.

The Summer School is under the direction of Henry Hoffmann of the Swarthmore High School staff. He is assisted by Mary Armstrong, Adeline Strouse, and Harry Opplender, also of the High School faculty.

All academic courses regularly offered in Swarthmore Junior and Senior High School are being offered in the Summer Session. In addition, courses in Spanish, Junior Business Training, and Commercial Arithmetic are also available for students. A good percentage of the total enrollment are students from the Swarthmore Schools, who are availing themselves of the opportunities offered by summer school.

Mr. Davidson of West Chester State Teachers College, is assisting in the supervision of the teachers. The teaching staff is a strong one, made up of many experienced teachers. They are: Mrs. Ethelnye Boyer from Hanover College; Anne Carey from Wilson College; Williams Evans from West Chester; Doris Harvey from Juniata; Lois Leader from Hood; Mrs. Martha Loden from West Chester; John Wenrick from Ursinus; Mrs. Mary Jane Walther from Rutgers; Barbara Harris from Wilson; Ursula Wilhelm, M. A. from the University of Pennsylvania; Virginia DeYoung from Immaculata; John Yerkes, a graduate of Lafayette, now doing graduate work at the University of Pennsylvania, and Irene Moskalski from Immaculata.

TO WED JUNE 30

The marriage of Miss Trudy Enders of Elm avenue, and Mr. David Huntington of Princeton, N.J., will take place at the Swarthmore Friends Meeting at 4 p.m. Saturday, June 30.

The matron of honor will be Mrs. Allen Enders, daughter of Mr. and Mrs. George Hay of Harvard avenue, sister-in-law of the bride. Bridesmaids will be Dorothy Shaw, daughter of Mr. and Mrs. Charles Shaw of Ogden avenue, Mrs. Charles Heister, daughter of Mrs. Hugh Downing of Riverview road, Mrs. Dean Allen of California, sister of the groom, and Peggy Crandell of Morris-town, N. J., cousin of the bride.

Thomas Foster Huntington of Princeton, brother of the groom, will be best man. The ushers will be Henry S. Huntington of Boston, another brother of the groom, Dean Allen of California, Henry Balfe of Washington, D. C., and Allen Enders of Cambridge, Mass., brother of the bride.

Charles Edsworth Huntington, of New Haven, Conn., cousin of the groom, will read the marriage certificate.

The bride-to-be was guest of honor at a linen shower given recently by Mrs. Joseph Donovan of Elm avenue. Miss Enders was honored again when Mrs. Heister entertained at a luncheon shower on Wednesday.

FETE BRIDE-TO-BE

Miss Harriet Ann Turner, daughter of Mr. and Mrs. W. W. Turner of Mt. Holyoke place, will become the bride of Mr. Dwight Strong of Denver, Colo. on June 30 in the Swarthmore Presbyterian Church. A reception will follow at the Swarthmore Woman's Club.

Miss Turner was guest of honor at a personal shower given Friday evening by Miss Joan Plummer of Wallingford. Miss Plummer will be a bridesmaid in the bridal party.

Miss Teal Dunn of Dickinson avenue entertained at a "Rustle Wright" pottery shower in honor of the bride-to-be on Wednesday evening.

On Thursday afternoon from 3 to 5, Mrs. Jack Thompson and her daughter Bickley of Harvard avenue, entertained at a tea and recipe shower.

Miss Turner will be honored with a dessert-bridge and kitchen shower to be given this afternoon by Mrs. Eric Sproat of Cornell avenue.

This evening, Miss Phyllis Smith of Haverford avenue will entertain at a dessert-bridge. Miss Smith will also be a bridesmaid.

Mrs. Harry C. Barr and her daughter Mrs. Johann Natvig of Harvard avenue will give a Brunch tomorrow morning in honor of Miss Turner.

MANTHEY - PEEL

The marriage of Miss Virginia Clarke Peel, daughter of Mr. and Mrs. H. Lindley Peel of Columbia avenue, to Mr. Thomas John Manthey, son of Mr. and Mrs. John Edmund Manthey of Eveleth, Minn., took place Saturday evening at 8 o'clock in the Swarthmore Presbyterian Church.

The Rev. Joseph P. Bishop performed the ceremony before an altar banked with Cybotium ferns, baskets of white flowers, and six lighted candelabra. The aisle leading to the altar held standards of lighted candles encircled with smilax caught with white gardenias.

The bride, given in marriage by her father, wore a gown of white Chantilly lace over candelight satin. Her mainline veil fell from a cap of the same lace, and she carried a prayer book with a white orchid marker.

Mrs. A. David McKinstry Speers of Rutledge, as matron of honor for her sister, wore a gown of deep orchid linen. The bridesmaids, Mrs. John Gale of Elm avenue, Miss Jean Van Nest of Ann

Arbor, Mich., Mrs. Richard Lang of Plainfield, N. J., all cousins of the bride, Mrs. Willard Pyne Mahler of Reading, Mass., sister of the groom, and junior bridesmaids Miss Barbara Bloom and Miss Susan Braun of Swarthmore, wore gowns in lighter shades of orchid linen. They were fashioned with modified off-the-shoulder necklines with revers extending over the cap sleeves, and long bias skirts with fullness in back. They wore rhinestone necklaces and barrettes, gifts of the bride, and carried arm bouquets of yellow roses.

Mr. Richard Davis of Drexel Hill served as best man, and the ushers were Messrs. Willard Pyne Mahler, A. David McKinstry Speers, Edward Cowley of Ithaca, N. Y., John Maylann of Wynnewood, Charles Benjamin Keenen of Harvard avenue, and Craig Lindley Peel, brother of the bride.

The bride's mother chose a gown of powder blue chiffon with corsage of Sweetheart roses. The groom's mother wore a gown of green crepe. Her corsage was also of Sweetheart roses.

A reception followed in Fellowship Hall of the church. The couple are on a wedding trip to the Poconos. Next fall they will live in Ann Arbor, Mich., where the groom will finish his last year at the University of Michigan Law School.

STEWART - BROWN

Miss Barbara Brown, daughter of Mr. and Mrs. J. Paul Brown of Walnut lane, became the bride of Mr. Robert J. Stewart, son of Mr. and Mrs. Samuel A. Stewart of Clayton, N. J., Saturday afternoon at 2:30 o'clock in the Swarthmore Presbyterian Church, before a garden background of Cybotium ferns, white delphinium, larkspur and stock. Lighted candles at the end of each pew were entwined with ferns caught with white gardenias.

The Rev. Joseph P. Bishop performed the ceremony. The bride, given in marriage by her father, wore a gown of ivory Point d'Lyon lace and satin featuring a basque bodice with illusion neckline edged with a deep lace bertha. Lace trimmed the skirt and continued down the sides of the long satin cathedral train.

Her finger tip veil of French illusion was held in place by a cap of matching lace, and she carried a cascade bouquet of gardenias. Miss Emily Naramore of Rochester, N. Y., as maid of honor wore a strapless model of orchid summer faille fashioned with a stole of the material and a full skirt. The bridesmaids, Miss Ruth Wagner of Dickinson avenue, Mrs. Richard Brown of College Park, Md., Mrs. James Paul Brown, Jr., of Guilford, Conn., and Mrs. Frank Crane of Harrisonville, N. J., wore similar models of Nile green faille. They all carried old-fashioned bouquets of yellow snapdragons and carnations with ivy and tulle.

Mr. Newkirk served as best man for his son, and the ushers were Messrs. James O. Gregerson, and Martin A. Berbrich, both of Hollis, N.Y., Harry A. Brown of Philadelphia, and Howard E. Duryea, Jr., of Flourtown.

Good Transportation boosts VALUES!

Adequate and reasonable transportation attracts home-builders who seek for themselves and families the advantages of pleasant living where grass and trees and flowers grow.

As neighborhoods thus develop and expand, the individual home owner's equity in his place increases accordingly. Such has been the experience of those who have had the foresight to move into the attractive communities served by Red Arrow Lines.

Easy access to work, school, shops, is a "must" to any home... and Red Arrow service from the beginning has continued to keep abreast of the expanding needs for frequent, safe, comfortable transportation in the flourishing neighborhoods it reaches. So economical, too... easy on your budget.

Aside to shoppers: You'll find it easier going after the morning and before the evening rush hours.

Rely on Red Arrow for business, shopping travel

Friend tells friend—

IT'S A GOOD PLACE TO WORK

Of the girls who come in to ask about telephone jobs, many report that they heard about telephone work from friends already in the "Bell family."

There are many good points to talk about, too—

- ★ no experience needed
- ★ friendly, congenial people
- ★ pleasant, comfortable surroundings
- ★ essential work, interesting jobs
- ★ good pay from the start, with regular increases

We have a number of openings right now for girls who can qualify. Why not stop in today at one of the offices listed below:

Attends Washing Conference
Dorothy G. Harris of Garrett avenue, Acting Librarian, Friends Historical Library, Swarthmore, is among 30 librarians, historians, and archivists, from 10 states and two foreign countries, attending the seventh annual institute in the Preservation and Administration of Archives at The American University, Washington, D. C. The Institute is held in cooperation with the National Archives, the Library of Congress, and the Maryland Hall of Records. Class sessions are being held daily through July 6.

Elected
Warren R. Godfrey of Vassar avenue was elected treasurer of the Philadelphia Section of the Institute of Food Technologists at their monthly meeting held recently in the Drexel Student Building. Mr. Godfrey was co-chairman of the program which featured a talk on "Essential Oils in the Western Hemisphere".

Polio Foundation Plans 5-Day Nursing Institute
Plans are under way for a five-day nursing institute. This was announced by officers of the local chapter of the National Foundation for Infantile Paralysis. The meeting will be held July 9 through 13 at Delaware County Hospital from 8 a. m. to 4 p. m. and will be open to all doctors and registered nurses.

The purpose of this program is two-fold; to keep nurses posted on new developments in the prevention and treatment of infantile paralysis and to awaken interest of nurses in the care of these patients. The first three days will consist of lectures and demonstrations by prominent doctors, nurses and physio-therapists. The last two days will be devoted to practice sessions.

Supervising this program, which is the first of its kind in the area, are Mary R. Beam, Director of The Public Health Nursing Association, Ruth Smith, Supervisor of Nurses at Delaware County Hospital and the Joint Orthopedic Nursing Advisory Service of New York.

There will be no registration fee and each registrant will be provided with corresponding literature. Anyone interested in participating in this institute may contact National Foundation Headquarters in the County Building, Media; telephone ME 6-2990. Requests for registration must be received by July 1.

CAMP SUNSHINE OPENS JUNE 26TH

Camp Sunshine, Delaware County's camp for undernourished and underprivileged children will open on June 26, when 104 boys age 7 to 11, will be admitted for a three-week period ending July 17. A like number of girls will have their three weeks encampment from July 19 to August 9. The children are nominated for camp by social agencies and school nurses.

A campaign for funds to operate the camp during the coming season is now underway. Mrs. William H. Biester, Jr., chairman of the campaign, stated that it costs \$14 to "adopt" a child for one week; \$42 for three weeks, at the low rate of \$2 per day. Individuals and organizations in Delaware County are asked to contribute to give three weeks of abundant food and out-door fun to the needy children in our community. Checks may be sent to "Camp Sunshine", Mrs. Thomas Cochran, Assistant Treasurer, 1200 Main Street, Upland, Pa. Money or donations for the camp may also be given to the members of the board of directors.

Three board members are from Swarthmore. They are Mrs. H. Lindley Peel of Columbia avenue, who is serving on the clothing committee and assisting in securing counselors for the camp; George W. Sweet of Garrett avenue, and Charles E. Fischer of Dartmouth avenue.

local groups are sewing for Camp Sunshine, among which are the Pi Phi Sorority, Tri Delta Sorority, Thimble Group, Friendly Circle, Needlework Guild, P.E.O., and Circles of the Women's Association of local churches.

Mr. Sweet and Mr. Fischer are both members of the Camp expansion committee. Both also serve on the camp committee. Mr. Sweet designed the newest building at the camp, Kiwanis Hall, which was built by the Chester Kiwanis Club of last season.

Announcement was also made that Alec Moaney, who has been the camp chef for the past 17 years, will be the cook again this year. Mr. Moaney cooks for Swarthmore College during the academic year.

HANNUM & WAITE
YALE AVENUE and CHESTER ROAD

FEEL ITS NEW EASE!... With sensational new Hydraguide power steering four-fifths of the work is done for you at your touch on the wheel! The littlest lady can park the biggest Chrysler with two fingers... drive all day with freedom from arm fatigue!

ENJOY ITS NEW CONTROL... You can't imagine the feel of complete command this new kind of steering gives you. In city traffic... on awkward driveways... in snug garage doorways... you never felt steering control like it.

DRIVE WITH THIS NEW SAFETY! It not only makes steering four-fifths easier... but many times safer, too. Takes out the strain driving in ruts, sand, snow or cross-country. Even off the road onto a soft shoulder, Hydraguide helps keep your car steady with almost no effort!

This year, for the first time on any American passenger car, Chrysler presents the new principle of Hydraguide hydraulic power steering. It's not "in the future"... it's out on the road NOW! It is being called the most important automotive achievement since the development of the self starter. People who try it—even after hearing about it from friends—are completely surprised and delighted at the totally new ease and control Hydraguide gives them at the wheel. It is regular equipment on Crown Imperials, optional at extra cost on other Imperial and New Yorker models. Your Chrysler dealer invites you to try it for yourself.

The Fifteenth Chapter of Exodus, telling of Moses casting a tree into the bitter-tasting well of Marah, probably is the earliest instance of man's effort to improve the quality of water.

Yes, the "treatment of water"—as it is now technically known—is an ancient practice. And, today, science plays an all-important role. But interestingly enough, not all the treatment processes which help maintain the quality of Pure Springfield Water were originated by modern science.

For example, the value of injecting small amounts of alum into water was a Chinese discovery centuries ago. They learned that

Moses
 sweetened the water
 with a tree

just as a magnet attracts particles of steel, so alum attracts tiny particles of foreign matter—and then, weighted down, settles to the bottom of a "treatment" reservoir.

In the sequence of processes which assure the clarity and sweetness of Pure Springfield Water, the natural chemistry of air and sunlight also are turned to advantage. Indeed, as fine as Pure Springfield Water is when it is drawn from the clear-running, rural streams, Philadelphia Suburban Water Company's specialists—aided by the experience of the distant past and the latest discoveries of modern science—make it even better water before it reaches your home!

Nowell Receives Summer Fellowship

Peter C. Nowell of 730 Harvard avenue, medical student at University of Pennsylvania, has been awarded a fellowship for summer study by the National Foundation for Infantile Paralysis, it was announced today by Robert W. Jones, Eastern Pennsylvania state representative of the March of Dimes organization.

Under the National Foundations' expanded research program, young investigators in the fields of medicine and related biological sciences have been offered the opportunity for research experience in the laboratories of the nation's 72 approved four year medical schools during a two-month summer period.

The program is sponsored nationally by the organization of which the Delaware County Chapter is the local unit. Alan K. Keay is chapter chairman.

Mr. Nowell, who will start his fourth year of medical training in September, is a graduate of Swarthmore High School, class of 1945, and Wesleyan College, class of 1948. He began Monday on Cancer Research, his chosen field of study.

KEEP GARAGES LOCKED

"Garage owners should keep their doors locked when not in use," Chief of Police Thomas Bateman advised, following an informal check-up made this week by members of the force.

Police on regular patrol noted that many garages whose owners were apparently away for the day or evening, had been left open, an invitation for children to come in and play or marauders to investigate.

Keeping the doors locked, the Chief suggested is a safety measure that will benefit all concerned.

FOURTH OF JULY CELEBRATION WILL BEGIN AT 9:30 WEDNESDAY MORNING

Parade Down Park Avenue Will Initiate Family Event; Ponies, Games, Water Display and Dance Featured In Community Holiday

The traditional non-explosive, safe and sane Fourth of July All-Day Celebration, inaugurated a number of years ago by public-spirited clubwomen and business men interested in preserving the hides of their fellow boroughites will begin next Wednesday morning at 9:30 a.m. with the Children's Parade.

It seems a far cry from quill pens, ink, parchment paper and liberty bells on Chestnut street, Philadelphia, in 1776, to a bevy of cute kids pushing, shoving, pulling, riding or dragging a variety of red-white-and-blue-decorated carriages, floats, younger brothers, bikes, or pets down Park Avenue, Swarthmore, in 1951; and inquisitive individuals with an historical bent may wonder.

But the great, great, grandfathers who set their distinctive hands to the Declaration of Independence a mere 175 years ago next Wednesday would undoubtedly have enjoyed the prospective sight of small fry gathering, in costume, at the corner of Park and Dartmouth avenues, being gently shooed into line by Marshalls Ferris Mitchell, Burgess Charles Russell, and William Shirley, president of the sponsoring Business Association.

Our forefathers would much prefer the diminutive marchers, struggling with obstreperous pets and fluttering crepe paper, down past the Judges Stand at the Woman's Club where Club President Mrs. Raymond K. Denworth, Mrs. Avery F. Blake, Mrs. Robert B. Clothier and Mrs. Donald P. Jones will preside, to the marchers they saw in the Eighteenth Century. The gay pin-wheels and other exciting prizes to be handed out to every costumed marcher by the Business Association, the patriotic flags to be given to every participant by the American Legion Post, would have pleased even the members of the Continental Army. Ribbon Awards for first, second and third places as well as honorable mention in the various classes, would have simplified the old Generals' lives as the present judges hope they will simplify their job Wednesday morning. Music with a patriotic motif may synchronize the time gap.

The mad dash to the College Avenue School Grounds for games and pony rides at 10:30 might bewilder the fact-founded historian who sees no connection between the practical hour of games played on the hockey fields and the tactical weeks-long contests waged on the fields of Valley Forge and the Brandywine; but the revered ancestors, if consulted, would undoubtedly agree with the Swarthmore Business Men.

Water Display At Noon

Mr. and Mrs. Clark Allison, Mr. and Mrs. Merman Bloom, Virginia Rath, and Charles Martin, who are planning the entertainment for the adults, George Alston who is setting up games for the boys, and Suzanne Hopson, planning for the younger girls and Frannie Pearson and Ann Broomall making arrangements for the older girls, will all be too busy organizing the play to worry about such things; while the Philip Alden family, Mr., Mrs., Sally and Tom, giving pony rides for the up to seven years olds, will have no time at all.

But certainly the ladies rocking placidly on their porches, the sweet young things cooling off in the shade, the gunshy, peace-loving little dogs at home, will be happier for the blessed silence of unexploded fire crackers far from the hands of thoughtless, mischievous celebrators. As for the Continental Congress, perhaps they too would have enjoyed the Dixie Cups to be doled out to the Hot and Hungry at the end of the game session.

The always anticipated water-fight, to be staged by the Swarthmore Fire and Protective Association

at noon on Lafayette avenue at the Old Borough Hall would also meet with their approval.

Shiney red engines pumping long hoses plumb full of water promises to cool off the hottest day in a way never dreamed of by the old bucket brigaders, and if the water show Wednesday doesn't heighten a cheery morning to the squealing point, it won't be the fault of Frank Maselli, who is planning the display.

Founding Fathers dropping in on the afternoon program would see a familiar sight on the Whittier House lawn, where, at 2 p.m., College authorities will set up for Bowling on the green. All who desire are invited to participate, and should any player sense the silent cheering of a peri-wigged shade or two at his elbow, surely he will understand.

Baseball fans crowding the Riverview Field for the Swarthmore-Wayne American Legion game at 2:30, or the game at 6:30 p.m. when the Swarthmore Hornets will play the Springfield team, may also feel the presence of unseen, puzzled, but enthusiastic rooters.

Square Dance Planned

And who could resist the All-Out-For-Fun Square Dance to be held at 8 p.m. in the Pennsylvania Railroad parking lot? Bud Hastings Band will provide the music, with "Bud" himself doing the calling over the P.A. system set up by Fire Chief John Rumsey and his firemen.

It's a family day that any community would enjoy, and Swarthmoreans who miss it will have only themselves to blame. As for the Founding Fathers, perhaps a community celebrating Independence safely at home is closer to their original dreams than the actual spark that made the day possible.

Salvation Army Drive Totals

Mrs. Franklin Gillespie, Chairman of the Salvation Army Drive in Swarthmore reports that the local contributions totalled \$3,795.46. Returns for the entire district went 16 per cent over the established goal.

Summer Library Hours

The Swarthmore Public Library will be closed the Fourth of July.

Summer Library hours for July and August are as follows: Monday, 2 to 5 - 7 to 9; Wednesday, 2 to 5; Friday, 2 to 5 - 7 to 9; Saturday 9:30 to 12.

FIRE ENGINE TO BE REPAIRED

Thirteen Yr. Old Ladder Truck Will Be Sent To Wisconsin

With wear and tear of long years of service showing on the borough's ladder truck fire engine, plans are being made to send it back to Peter Pirsch of Kenosha, Wis. for much needed repairs. The ladder which extends 65 feet is bent in the first section throwing the rest of the ladder into a peculiar twist and making it dangerous and hard for firemen to climb. It is safe to climb only if it can be supported by the wall of a building, but if the wall should collapse during a fire the ladder, without its support, would twist in such a way that victims and firemen are likely to go hurtling to the ground.

The ladder will be taken off the engine and placed on a jig which is a pattern of the correct shape of the ladder. It will be clamped onto the jig and shaped into its original form again. In addition to fixing the ladder the engine will be completely overhauled. To date there have been many minor repair jobs on the engine, but this trip to Wisconsin is the first one of its kind since the ladder truck was bought there 13 years ago. The cost of work is estimated at between \$2000 and \$3000 depending upon the difficulty of straightening the ladder.

Hornets Bounce Back To Take Two League Games

The Swarthmore Hornet team bounced back from their first two league defeats in the past week by defeating Holmes 7-5 last Wednesday evening and then taking their second straight from East Lansdowne on Monday evening by a score of 9-8.

Dicky Snyder went the route against Holmes chalking up his first victory and was aided by some timely hitting, particularly by Noel Snyder, Lee Gemmill, and Joe Vannebusch, Charley Livingston made several nice catches in the outfield to pull Dicky out of tight spots.

The Hornets continued their spectacular play on Monday evening against East Lansdowne by coming from behind after the visitors had rolled up an 8-1 lead. The Hornets tied up the game with a five-run rally in the fourth, two runs in the fifth and then scored the winning run in the bottom of the sixth while Perce and Snyder held the visitors scoreless from the third inning on. Billy Lee also did well as a relief pitcher. Bobby Bradshaw displayed some fine defensive work in right field throwing out two men at first base.

Lansdowne, who is leading the league, will be the visiting team tonight on Riverview Field and next Tuesday the Hornets go to Springfield and on the evening of July 4th play Springfield on Riverview Field in a return game.

Re-elected Chairman

A Sidney Johnson, Jr., of North Chester road, was re-elected chairman of the Advisory Committee of the Family Division of the Health and Welfare Council at the annual meeting held recently in Philadelphia. The Council covers Philadelphia, Delaware and Montgomery Counties.

1951 Tax Bills

On July first, the 1951 tax bills will be issued to the owners of real estate in the Borough. Those who have made personal property returns to Delaware County early in the year will also receive bills. Those, who in the past, received occupation tax bills are reminded that Swarthmore Borough Council withdrew that tax. Unpaid School "per Capita" and Borough "occupation" taxes, of past years, are still due the Tax Collector.

BOX LACROSSE TUESDAY NIGHT

The box lacrosse game between the Swarthmore Indians and the Mainliners, League Champions of 1950, has been moved up to Tuesday night to avoid the Fourth of July.

This will be the Mainliners' first game this season. Penn State graduates and Lower Merion stars living in the Mainline section provide stiff competition for the other three teams in the League: Swarthmore Indians, Sun Oil Team, and Baltimore.

The Indians lost to Sun Oil last week, but expect to bring their team to top caliber early in the season. Marshall Austin, attack player, has rejoined the Indians after eight months active service in Korea, Joe Paul, Hank Ford, Avery Blake, Jack Smith, Clem Malin, George Allen, Don MacElwee are regular Indian players.

Legion Team Wins Over Pilgrim Gardens

The Swarthmore American Legion Post team came back with a decisive victory over Pilgrim Gardens on Tuesday night by a score of 11-7. After losing to Drexel Hill last Thursday, 11-4 and to Manoa by 3-0 on Friday night, the undermanned Swarthmore team came to life with a strong batting attack against Pilgrim Gardens and decisively defeated a team which had beaten them two weeks before.

Lee Ford pitched somewhat below his usual standard, but a six run rally in the third put him well out in front, and he coasted home. Russ Snyder, Bobby Allison, and Lee Ford led the batting attack with three solid hits each. Allison continued his terrific hitting streak for the Swarthmoreans and the team as a whole collected 11 hits including a triple by Tarr.

Next Monday the team travels to Drexel Hill and on Wednesday, July 4, plays Wayne in the afternoon at 2:30 p.m. on Riverview Field.

Good News

George M. Allen, Jr. and his three-year-old brother Bill of Riverview road, were slightly injured in an automobile accident on Sunday, June 24 in Avalon, N. J. They have been confined to the Cape May Court House Hospital since then, but plan to join the family group at the Allen cottage at Avalon over the week-end.

SUMMER CLUB TO SWIM TODAY

Recreation Assoc. Ends Second Week

The first week of the Swarthmore Recreation Association program ended with a special event for each group. The primary group at Rutgers Avenue went to the stream behind the Girl Scout House to have races with the boats they had made during the week. Kirby Noye, Keith Fox, Stevie Jacob, Margie Sweeney, and Christy Decker were the winners in the various boat races.

The kindergarten group in their excursion discovered a lazy old turtle, but finally followed the suggestion of Tracy Johnson to leave him in the woods.

The four year old group now have a colorful room decorated with all their paintings. They are much interested in two guinea pigs which have been loaned by Mrs. Alvah Stuart and in the lightning bug which Jackie Roe brought to school. The drinking fountain seemed to be a special event to the three year olds with David Shay, Bruce Lee, and Tommy Costa being the chief operators.

The treasurer hunt for the Summer Clubbers was postponed after the heavy rains on Thursday proved to be too much for Jane Allen and Bill Ziegenfus, Jr., general play leaders, who struggled in vain to lay out the treasurer hunt trail. Instead, the Summer Clubbers made excursions all over the borough in search of items for a scavenger hunt, such as an orange shoe lace, a postcard from Atlantic City, and a 1943 steel penny.

The team which won ten tickets to the College Theatre was captained by Connie Russell. Members of the team included Anne Paul, LesAnn Kurtzhalz, Louise Howe, Bobbie Haworth, Herman Bloom, Robbie Jarratt, Bill Barnes, and Sally Stephens. Other team captains were Dory Rodgers, Carol Williams, Jobie Perce, and Sue Purnell.

Today Summer Clubbers will enjoy a swim at the Morrow pool supervised by qualified leader swimmers.

Bill Ziegenfus, besides helping in general play activities, has been coaching Midget baseball in Summer Club. Last week he instructed the proper way of catching, throwing, batting, bunting, and sliding. This week has been spent in learning the individual positions.

Tuesday Deadline

Because of Fourth of July celebrations the Swarthmorean deadline will be Tuesday 3:00 p.m. next week instead of Wednesday noon.

Mr. and Mrs. Alvah Wood Stuart of Vassar avenue, their daughter Patty, and son Nicky, home from Missouri Valley College, Marshall, Mo., are vacationing for several weeks at Rehoboth Beach.

INSPIRATION FOR INDEPENDENCE DAY

As we celebrate our Independence, may we remember this: youngsters develop their ideas, principles and devotion to American tradition largely through the examples set by older folks.

Let us all so live that every act of ours will be an inspiration to the boys and girls upon whom the future of America depends.

**INTERDEPENDENCE
IS AMERICAN, TOO**

Individual independence is a traditional American characteristic.

But there are certain things for which we must depend upon each other, certain personal advantages we Americans forgo for the benefit of others. By such trifling surrenders of private freedom, we not only grow in moral stature, but we keep the day-by-day behavior of society on a high plane.

That's the principle behind the laws established for safety on the highway. Individual liberty doesn't mean license for anybody to defy the rules of the road designed for the protection of everybody. We can still preserve our liberties—probably our lives, too—if we drive legally, safely and sanely.

This July 4th, we celebrate the liberty purchased with the blood of Americans. Don't desecrate this hallowed day by shedding the blood of other Americans on our streets and highways. Give the other fellow his rights ... and a little bit more!

Interdependence — like Independence — is typically American!

PENNSYLVANIA'S STATE POLICE ... DEPARTMENT OF REVENUE ... GOVERNOR'S HIGHWAY SAFETY ADVISORY COMMITTEE ... DEPARTMENT OF HIGHWAYS ... DEPARTMENT OF PUBLIC INSTRUCTION ... ALL ARE WORKING CEASELESSLY TO MAKE PENNSYLVANIA'S HIGHWAYS THE SAFEST IN THE NATION.

WILL YOU CO-OPERATE? BE ON THEIR SIDE—THE SAFE SIDE!

Set Up At High School

With the school bells silenced for summer vacation, the annual collection of lost and found articles has again been assembled in the high school building. These are articles of clothing and other possessions that the children brought to school, left lying around, and neglected to take home again.

This display is now arranged in the sewing room in the high school, where it can be inspected for identification by the owners any weekday morning between 9 and 12 o'clock. Those articles not claimed by their owners within the next few weeks will be turned over to welfare agencies.

A careful inspection of this display shows that there are some very nice coats and boys' jackets with no names in them, gloves, hats, rubbers, sweaters of good quality, glasses, cassettes, empty wallets, etc. It is hoped that the owners will come to the school, identify, and claim their lost articles.

Legion Auxiliary Sale

The Legion Auxiliary of Swarthmore has chosen the dates of October 4 and 5 for their Annual Rummage Sale, to be held this year in the Presbyterian Church on Harvard avenue.

The Auxiliary Unit, anxious to support Community service, welfare and hospital work, will need a large sale to make contributions possible, and asks its friends to begin now the collection of saleable goods in their homes.

If the home collection becomes large for convenience, contributors are urged to take it to Mrs. Herbert Bassett, at 300 North Chester road; or to Mrs. Frances Lumsden, 223 Kenyon avenue, placing it in her garage at the back of her home. These donations may be of clothing, jewelry, or household goods.

Swarthmore Blood Bank

For those who wish to use the Swarthmore Blood Bank during the summer, in the absence of Mrs. Phelps Soule, Chairman, call Mrs. H. H. Hopkins, Swarthmore 6-8205 for contacting Red Cross, until September 1.

Drivers Needed for Polio

Patients At Morrow Pool

County polio patients are looking forward to Tuesday, July 3 when summer swimming and therapy classes open at the William Morrow pool on Harvard avenue. Classes will again be held every Tuesday, Wednesday, and Friday afternoons from 2 to 4 p.m. Patients are taught how to swim at those sessions, and receive physiotherapy treatments in the pool as well.

Many patients show a great deal of improvement after a summer of concentrated therapy and swimming, but Chapter officials expressed the fear that a great number will be unable to attend this year due to the lack of transportation facilities. The number of volunteer drivers and swimming instructors has not grown proportionately with the number of patients stricken with polio. They ask that anyone who could drive, whether it be occasionally or regularly, to phone Chapter headquarters at Media 6-2990.
