Snyder Elected Officer In Suburban A. A.

He replaces Charles C. Schmidt of Springfield High School who served with distinction in that capacity for a period of 21 years.

The duties of the new secretary-treasurer involve the assignment of all basketball and baseball officials for the 27 suburban high schools represented in the Association, probably the major problem of the position. He is on the receiving end of controversies in the conference and has to bring about their settlement as well as manage the business and financial affairs of the Association.

In assuming the responsibilities of the "Ford Frick" of the suburban area, Mr. Snyder is well fortified with a long experience in coaching, officiating, and managing of athletic programs, as well as serving as Mr. Schmidt's assistant for the past two years.

ADVERBIALY SPEAKING

The Borough Buys A New Leaf Loader

Ecstatically, it's a fair sight to see, as Swarthmore's leaf population takes off for the ground. All kinds and colors and shapes and sizes of the trees' best friends, the leaves, begin their annual migration from high to low, top to bottom, as Autumn takes over and transforms Swarthmore from a green town to a ruddy one of orange and gold and brown. Each year it's the same colorful story, but this time it's brighter than ever by one new Leaf Loader.

Statistically, the thing looks like this: \$4,090 in initial cost, saving the Borough a cool, crisp and chipper \$1,085 a year in man hours and labor, but esthetically it's persimmon-colored, and ominously, it resembles a dogcatcher's wagon.

Practically, it solves a problem of time and efficiency as it took a Borough Crew of four, and an intermittent three months — from the middle of October to January — to rake up the gutters and streets of the town—just, once. Which just as practically meant that you as a resident might expect either 1) to be clean and neat of street the first part of the season (if the sweepers came early), and wade through soggy ex Autumn grandeur for the rest of the winter, or 2) to be gloriously untidy (if they swept late), and enjoy a relatively spic and span winter, street-wise.

Presumably, the streets will now be cleared twice in the leaf season, and residents need no longer agonize whether "they" or "the season" will be late, early, or oh joy, coincide.

Finally, and as always, the leaves will be carted up to the College to be used as fertilizer for the innumerable gardening projects and flower beds, or given out to citizens who desires to re-stock their soil, for the College and the Borough seemed to be agreed, that anything so valuable as a leaf has no business to be burned.

Henry P. Wolfe

Services were held in Ardmore Tuesday afternoon for Henry P. Wolfe, who died Saturday at the home of his son-in-law and daughter, Dr. and Mrs. J. Albright Jones, Elm avenue. He was 89.

A retired building contractor, Mr. Wolfe had been a resident of Bryn Mawr for 63 years prior to his move to Swarthmore two years ago.

He established the Henry P. Wolfe and Company in 1889 and built many of the business places and homes in Bryn Mawr, including the Bryn Mawr National Bank. He retired in 1929.

Born in Radnor, Mr. Wolfe and his wife, Hannah, celebrated their 66th wedding anniversary last July 15. He was a member of the Lower Merion Baptist Church.

In addition to his wife and daughter, he is survived by two grandchildren, Patricia Ann Jones and Andrew Fife Jones.

Mr. and Mrs. H. Weston Clarke of College avenue spent the last two weeks in September vacationing at Lavellette, N.J.

Media Mustangs Invade Garnet Lair 3 P.M. Today

The Garnet stronghold gave some evidence of finding itself as they soundly defeated the Nether Providence Bulldogs on the Rutgers field last Friday. From the very outset there was no doubt as to the outcome because the determined and spirited defensive play of the Swarthmore players stopped repeated N.P. thrusts at the line of scrimmage.

This type of play led by Tackles Tucker, and Bernard, and Guard McCormack was the pattern for the afternoon as final statistics showed that the Blue and Gold visitors completed the afternoon's experience with a minus total of 12 yards.

The Garnet outfit got rolling early under the direction of Quarterback Jimmie Carter. Mixed passes went to Bruce Gemmill and Lee Swan, with line bucks and end runs by Bill Kauffman and Howard Shearer. It wasn't long before the ball was in the shadow of the N.P. goalpost. From here Kauffman carried over the first touchdown.

Realizing that last week's game ended in a tie the Garnet was going to make sure of that extra point this time, and therefore, crossing up the visitors by faking the extra point kick to executing the beautiful pass play from Carter to Gemmill to give the Garnet a 7-0 lead.

The second touchdown was scored by Don MacElwée on a fourth down pass over center after the Bulldogs had stopped several Swarthmore thrusts. Bill Kauffman drop kicked the extra point and Swarthmore led 14-0. Coming back in the third quarter Swarthmore scored midway through the period on another plunging play by Kauffman. All Swarthmore's scoring was completed on an excellently executed pass play from Carter to Gemmill in the end zone. The extra point was made as (Continued on page seven)

I am a charity that helps other charities. I am with you all the year, although some of you only hear of me in September or October.

Everyone should belong to me, but many do not. Everyone can afford to belong. The membership dues are only two new matching articles of clothing or household linen. This gift can range from two wash cloths through any articles of clothing for man, woman or child, up to a pair of wool blankets. There is no other charity that demands less, and accomplishes so much.

You should see those two garments multiplied by 1000 members. It is amazing! All these garments are given, to charitable organizations to be distributed to those who need them. Why two matching articles? "One to wash and one to wear" is our by-word.

So, give to me, please, whatever you please, and come to the Woman's Club on October 23 at 2 p.m. to see what this charity means to those who are really in need. For I am the Swarthmore Branch of the Needlework Guild of America, who helps clothe the needy, through 17 charitable organizations, with clean new clothing—and I need everyone's help and support.

TO DO ONE THING WELL

● The chief objective of everyone should be to do one thing well. Your doctor accomplished this objective when he spent years of his life in preparing himself to care for you when you need medical attention. How foolish, then, to depend on others. When illness comes to you or any member of your family consult your physician without delay. Be sure that he is a licensed M.D. from an accredited school of medicine. Then bring your prescriptions to us for expert compounding.

Letters To The Editor

The opinions expressed below are those of the individual writers. All letters to The Swarthmorean must be signed. Pseudonyms will be used if the identity of the writer is known to the Editor. Letters will be published only at the discretion of the Editor.

Another Side

Dear Editor:—
I am writing you this letter in the hope that you will publish it in the columns of The Swarthmorean and bring to Swarthmore readers another side of a long and apparently so far very one-sided discussion.

The new management of the Strath Haven Inn applied to Council through Mr. Reeves, and later to the zoning board, for permission to remodel the garages on its property. Whether or not this is specifically against the letter of the zoning law is, I believe, of little importance.

I feel that the Inn's side of the story has not been heard. I personally attended the meeting in which Mr. Reeves originally presented this request on behalf of Mr. Dodds. I have since had the pleasure of walking over the ground at the Inn with Mr. Dodds and hearing from him first hand just what his immediate and long-range plans for the Inn involved. For those Swarthmorean readers who have recently visited the Inn and looked over some of the new changes, I feel that they cannot help but gain the impression that Mr. Dodds is doing an outstanding job of remodeling the Inn and increasing its value and usefulness to the Borough. Under Mr. Dodds' leadership and with the proper cooperation from the Borough we can have what we have never had before in Swarthmore—an outstanding small hotel.

The particular case for remodeling these garages has not been heard adequately by the citizens of Swarthmore. It is my belief, after talking to Mr. Dodds, that this remodeling can do nothing but improve the value of the property not only to the Inn, but also to Swarthmore. It will eliminate for one thing the hazard of cars backing out of these garages and on to Yale avenue. It will further start a plan which Mr. Dodds hopes to continue of making a series of small attractive units on the Inn property for both resident and transient guests. This is in no sense an ordinary tourists court as has been emphasized in the letters and petitions that have been circulated. It will, of course, be used for transient guests in many instances but it will enhance the convenience and SAFETY of the Inn.

Mr. Dodds and his new management at the Inn have already cleared up one problem which would be a source of concern to Swarthmore residents. The parking lots put in for the use of the Penn State College extension facilities at the bottom of the hill behind the Inn have become a major "petting" area. This and any objections that could be attached to it have been cleaned up by the new management at the Inn with the placing of a night

watchman in this area. Citizens of Swarthmore need but visit the Inn and see the many new improvements that are being made in service facilities and safety under Mr. Dodds' leadership to gain confidence in the fact that he has only the interests of Swarthmore at heart. It is time that the Citizens of Swarthmore extend a friendly hand to a new citizen and approach his problem, which is theirs also, with an open mind.

HUNTING HATS?

The great difference between a head hunter and a hat hunter is about as large as it seems what with one searching for a head and the other for a hat to put on. They look different, too. Hat hunters, however, are by far the more practical of the two, as not just ANY one will do, not even if they "get mad enough". Now a head hunter—a really blood thirsty one just can't be bothered with the color or style nor, if he's desperate, even the occasion. But to a hat hunter all of these things are very important. It's just got to be right in color and style, and right for the occasion. It makes a big difference whether it's corduroy, velour or felt, whether it's going to go to a football game, a cocktail party, or to town—because a HAT, you know, isn't going to enhance some dusty collection, it's going on a head so that any way you look at it, it's got to be a joy to behold.

That's why we asked in the beginning, are you hunting hats; we know how particular Hat Hunters are, and we are almost positive that our new Hat Bar of gay and provocative chapeaus will please the most discriminating hunter among you. All challenges accepted at

Our Youngsters

To have our youngsters grow to full maturity... to do our best to make sure they live their full span of years... to see that they become worthwhile people and good citizens—these are the most important fruits we parents can ever reap.

Our youngsters are the future of America. To safeguard that future, we must sow good safety habits in our children. We must cultivate the right ways to walk and drive. We must weed out the careless traits that lead to crippling and killing traffic accidents.

We can do this only if we set a good example. For in traffic safety—as in other things—our youngsters will do as we do. It is not enough to tell them to be careful when they walk, and to tell them to obey all traffic rules and regulations when they drive a car. WE MUST

ABIDE BY THESE RULES OURSELVES.

Think of that the next time you are tempted to speed... or to sneak past a red light... or to hog the road... or to walk across a street in the middle of a block. Is that what you want your child to do?

Remember... the future of America's children is in the hands of you mothers and fathers. Watch out for that future... IT IS YOUR MOST PRECIOUS HARVEST!

PENNSYLVANIA'S STATE POLICE... DEPARTMENT OF REVENUE... GOVERNOR'S HIGHWAY SAFETY ADVISORY COMMITTEE... DEPARTMENT OF HIGHWAYS... DEPARTMENT OF PUBLIC INSTRUCTION—ALL ARE WORKING CEASELESSLY TO MAKE PENNSYLVANIA'S HIGHWAYS THE SAFEST IN THE NATION.

WILL YOU CO-OPERATE? BE ON THEIR SIDE—THE SAFE SIDE!

College Soccer Team Shows Experience

Nine returning lettermen, led by captain and center halfback Steve Clark, appear to hold the key to Swarthmore College's soccer hopes for the 1951 season. Bob Dunn, veteran garnet mentor, has high hopes for the team's chances this year as Swarthmore will seek to regain possession of the Middle Atlantic States championship, 1950 record, which showed six wrestled away last year by Haverford. Dunn hopes to better the wins including victories over Princeton and Navy, and was marred only by losses to Pennsylvania and champion Haverford.

The Garnet scoring attack will probably be led by George "Snake" Place, who scored 11 goals at his inside right position last season. Stu Lohr, injured early last season, will hold down the other inside spot, while freshman Jim White appears to be the choice for center forward. Dick Willmott will start at outside right, while John Smucker and Sedone Surjo, Indonesian flash, should share the right wing position.

Swarthmore's halfback line will show Captain Clark playing his fourth season at the center location, while veterans Joe Carroll and Phil Swayne will hold down

the right and left spots. Fullbacks Art and Andy Lewis, no relation, playing their third season together, promise to give Swarthmore plenty of rear-line protection.

The enlistment of second team All-American goalie, Roger Pott, has made that position the big question mark this year. Tom Jones, who shifted from football to soccer this year, will be vying for the job with Orv Wright, last year's J.V. tender.

Following is the 1951 soccer schedule; home games: Oct. 10—Penn Oct. 27—Stevens; Nov. 2—Lehigh.

Mr. and Mrs. A. Laurence Baxter of Ogden avenue have returned from a combined business and pleasure trip through western Pennsylvania and New York. Letters To The Editor

(Continued from page three)

By having forced Mr. Dodds to sue and question the legality of the zoning board's decision in Media, we have perhaps put ourselves in the position of having some of our zoning laws upset. Had we merely, after fair and complete hearings, granted an exception to the zoning law, the full control of at least this decision would have remained with members of our own community. I urge other citizens of the town to visit the Inn and see for themselves what Mr. Dodds is doing. Then judge the Inn's request on its own merits and as an individual case. With our support, and under the new management, I feel we have the opportunity of developing in Swarthmore an outstanding small hotel—something we have certainly not had in the past.

Sincerely,
 David U. Ullman

On Mutual Security

Dear Sir:

Swarthmore citizens are doubtless aware that the Mutual Security Program is now under discussion in Congress, and will probably be brought to a vote this month. This bill, which contains appropriations for both military and economic aid to Europe, faces severe cuts in the economic assistance program. The League of Women Voters wishes to emphasize the urgency of this program. Cuts in this assistance are a false economy which will endanger recent gains in European security and welfare. Economic aid is at least of equal importance with military assistance, as Professor Philip Jacob so ably explained in his speech on the Mutual Security Program at the opening meeting of the League last month.

Many people do not realize the importance of the word "mutual" in the bill. It is to our positive advantage to maintain a free Europe. What is the alternative? A recent magazine publication states, "If the U.S. is not willing to furnish economic aid to Europe, the alternative is a weakened link in the security system of free nations, encouraging both aggression from within and without. A conquered Europe would deprive the U.S. of its strongest moral, industrial and military partners."

Our congressman, Benjamin James, is on the House Appropriations Committee, and Swarthmoreans are urged to write him expressing their views. Clarence Cannon is chairman of the Senate Appropriations Committee. Letters to these men would be of value, as well as to Pennsylvania's Senators, Edward Martin and James Duff.

Swarthmoreans wishing more information on the Mutual Security Program are cordially invited to attend the League study groups which begin next week and are open to all interested citizens.

Reeta Gilling Evans
 Chairman, Int. Relations

Garnet Downs
 (Continued from page one)

Swarthmore signed out with 27 points.

With three minutes to go Don Dickson of N.P. picked up a Swarthmore fumble at midfield and scampered the distance, preyed L. Doherty gave chase and finally caught him, but was just a little bit too late. The visitors made good their extra point and felt happy that they had averted a shutout.

The Swarthmore offense showed a much greater advantage over their opponents than the score indicated. Many penalties and misplays kept thwarting the Garnet attack. The offensive play, all-inners and backs showed much improvement. Again substitute fullback Andy Schroder stood out with his speed and powerhouse driving. Howard Shearer played the best game of his career and stood out on punt returns and one of the most sensational plays of the game when he intercepted a Bulldog pass and side stepped for 55 yards to the five yard line. Jack Thompson's great all around play showed why he is the Captain of the team.

Media brings a fast and reputable team to Swarthmore this afternoon. It will be a big test for the fast improving Garnet boys. Of all the games the one with Media is probably the most intensely contested. The 1951 team will be bounding back from last year's 32-7 shellacking.

If Polio Comes

Parents have been urged to get in touch with the Delaware County Chapter of the National Foundation for Infantile Paralysis at the County Building, Media, as soon as a case of polio has been diagnosed in the family by a physician.

Alan K. Keay, chairman of the National Foundation's Delaware County Chapter, said the chapter stands ready to provide financial assistance for patient care where needed, and he emphasized that "no polio patient need go without adequate care for lack of funds."

Should local chapter funds be exhausted, he added, the chapter would receive additional money from the national epidemic aid fund. The local chapter's telephone number is Media 6-2890.

"HEIRESS" OPENS AT PLAYERS CLUB

Seymour Production Initiates 41st Season
Colorful, picturesque and romantic, "The Heiress" opens the Swarthmore Players Club's 41st season next Monday at 8:20 p.m. under the direction of Charles F. Seymour. The three-act play boasts a successful history on both stage and screen, and as the Club's 29th production guarantees six absorbing performances of the Coetz dramatization of a pre-Civil War heiress and a suspected fortune hunter.

Isabel R. Seymour as the heiress heads the excellent cast which includes William K. Harriman as her father, Alison R. Roberts as her aunt, and Ronald K. Porter as the lover. Also in the cast are Emmy Kroon, Josephine H. Jackson, Fred Porter, Patricia McCahan and Martha H. Kelgton.

The setting in Dr. Slopers' "front parlor" is the product of the hard-working stage crew. Working overtime behind that parlor are Col. H. C. Mabbott, David Bingham and Ernest Federoff as stage managers, John and Howard Pennell as electricians, Patty Campbell as music director. Prompters for the show are Miss Kelgton and Sydney Jackson. Chairman of properties Mrs. George H. Jarden is assisted by Mrs. Alden Q. Davis, Mrs. Frederick Hoefel, Mrs. Winfield Balle, Mrs. Samuel Crothers, Jr., and Mrs. Judson Laird.

In the Green room Barbara D. Spencer takes charge of the costumes and Emma Fyle, Betty Bentley and Millicent King check the make-up.

Russell Gibson, John Dolman, Jr., and Melanie D. Seymour comprise the committee of Ideas and Technical Advice.

VOLUNTEERS NEEDED
Water therapy classes for Delaware County polo victims will begin on Saturday, November 4. Classes will be held every Saturday morning from 10 o'clock to 12 noon in the Women's Gym at Swarthmore College.

Most of these youngsters cannot provide their own transportation or are not able to use public vehicles due to crutches and braces.

A. STAMFORD DIES SUNDAY

33 Year Resident Succumbs To Long Illness
After 33 years of residence in Swarthmore, Albert Stamford, 224 Cornell avenue, died Sunday following a long illness.

Born in Tappan, N.Y., Mr. Stamford attended Lawrenceville School, and received his A. B. degree in 1899 and his master of Mechanical Engineering in 1900 from Cornell University where he was a member of the Zeta Psi Fraternity, the Sigma Xi honorary society and the Quill and Dagger Senior Honorary Society.

Friendly Open House Will Meet Monday

The Friendly Open House will hold its opening meeting next Monday afternoon at the Presbyterian Church. Meeting from 2 o'clock until 4:30, this will inaugurate the fourth season of the group, which is, as its name implies, for the friendly association of men and women of older age.

With the general program preferred by members these afternoons which come every two weeks are taken up by interesting discussions, such as handcraft as appeals to the members, songs, an occasional quiz, a few minutes for health work-out practice, and always refreshments. These last are served by hospitality committees gathered from the various community organizations and churches.

The Friendly Open House is planned and directed by a Sponsors Committee from the community of Swarthmore, of which the Executive Committee met October 9 at the home of Mrs. Harold March, Elm avenue. Those present included Mrs. Kenneth B. Hatch, Mrs. Fred A. Patman, Mrs. Clyde M. Miller, and Mrs. Walter A. Schmidt.

There are no age limits, either low or high, to being connected with the Friendly Open House, for there are those who come to serve and learn and those who feel that their period of service though perhaps not their period of learning or enjoying, has passed. There are no dues; voluntary contributions help carry the moderate yet necessary expenses for the site leadership, transportation, and care of members. Mrs. John H. Pitman, 328 Vassar avenue who has again accepted appointment as leader of the programs, has many new plans for the season.

L.W.V. Meeting in Moylan
The L.W.V. Discussion group will meet at the home of Mrs. Ralph Crane, Woodward road, Moylan on Tuesday morning, October 16 at 9:30 a.m.

H. S. BOYS TAKE MEDIA 20-19

Team Visits Springfield Cougars Today 3 P.M.
Surprising everyone, the local lads turned in a neat one point victory last Friday on Rutgers Field. Although it was a nip and tuck battle the Garnet maintained the upper hand throughout, registering 11 first downs to Media's five. It has been some time since fans have seen so thrilling a game. Media has a fine football team that was a big challenge to the local lads. To make the game a greater obstacle the team was forced to play without the services of halfbacks Howard Shearer and Lee Swan. Both boys had been improving fast and contributed outstandingly to the N.P. victory the previous Friday.

This 1951 squad has never been in one piece since the beginning. Beset by the problems of late vacations, summer illnesses, non-returning veterans, transfers to prep schools and occasional injuries, the team has been kept off balance since the beginning. Tremendous spirit has prevailed and has made this brand new squad a formidable opponent. Having two and three boys battling at every position has been important.

In the backfield Andy Schroeder, the Doherty brothers and Joe Storazzi have been the backbone because they moved in at a moment's notice and performed in an excellent manner. In the line, Bob Terry, Howard Dodson, John Pearson, Frank Habbersett, John Hillert are ready to step in at any moment. All of the boys are improving fast and many are ready to take over varsity jobs now.

The Media game was the big test and they passed it with flying colors. Media fumbled the kick-off and Swarthmore recovered on the 40. From here the Garnet drove to its first T.D. as Bill Kauffman drove across. Media was offside on the "try for point" which moved the ball to the 1 yard line. Andy Schroeder carried the ball across giving the Garnet a 7-0 lead. Two plays later Media scored on a pass and tied it up with a good place kick for the extra point at 7-7.

W. W. TOMLINSON TO SPEAK TUES.

Women To Hear Temple V.P. After Stated Meeting
The Woman's Club will hold its monthly Stated Meeting October 16 at 2 p.m. in the clubhouse. Immediately following this, William W. Tomlinson will speak on "One Individual—And the Hopes of All Mankind." The theme of the club for the current year is "Know Yourself—Understand Your Neighbor," and Mr. Tomlinson's subject the Club feels is an appropriate one to introduce this theme for its guidance.

Mr. Tomlinson, a graduate of Swarthmore College, lives in Wynnewood. He is a vice president and the secretary of Temple University where he has been associated since 1942. From 1922-1937 he was in the advertising department of the Scott Paper Company.

Mr. Tomlinson is well known as an author, business executive and educator. He has written "A History of the Scott Paper Company," "Come out to Live," and "The Flickering Torch." The club is especially fortunate in having Mr. Tomlinson as its first speaker of the year.

Hockey Girls Tie Springfield 1-1

The Swarthmore High School girls hockey team began its 1951 season by tying Springfield 1-1 in a thrilling contest last Thursday. Carol Anne Mosteller, scrappy center, tallied for the local girls in the middle of the second half after Springfield had been leading 1-0 since the beginning of the game.

Fine defensive play by left fullback Sally Gaskill kept the opposition away from the goal many times. Also outstanding on defense were Marilyn Green, Lorraine Saunders, and Pat Blake as halfbacks, and Liz Forsythe, right fullback. Sally Bates, playing in her first varsity game made many fine saves at her goalie post.

On the forward line, along with center Mosteller, Sandy Johnson, Captain Chris Ford, Judy Penneck, Ida Lewis, and Ginny Gehring displayed excellent stickwork and speed to help keep Swarthmore on the attack.

The junior varsity game ended in a 0-0 tie. Captain-elect Maryellen Hopper was exceptionally good at right halfback as the two teams fought hard the entire contest. This week, the teams play at Haverford, and on October 18, Swarthmore journeys to Westtown for another contest.

The Swarthmore Evening Group of Kappa Kappa Gamma met at the home of Mrs. Charles Schrader of North Chester road, Tuesday evening.

BORO ACTS IN BY-PASS ROUTE

Meetings Reported, New Sirens Ordered
Monday
E. J. Kinney, district engineer of the State Highway Department, has assured members of the Borough's special highway committee that he is conducting a thorough survey, independent of the Delaware County Planning Commission's recommended route, in regard to the much discussed by-pass which the Commission felt should be placed near the east boundary of Swarthmore. He further stated a wide stretch of territory would be covered in order to determine the best possible route on all counts, and invited any suggestions interested municipalities might have, according to an announcement by John Pearson, head of the borough committee, on Monday night's meeting of Council.

Dr. Pearson also announced the committee was inviting Ridley and Springfield Township Commissioners to an informal discussion of the problem in the Council chamber at 8 p.m. next Monday, since a mutual agreement on a plan might protect future property purchasers by placing the proposed road on maps though actual construction was delayed five years or more.

Council, on advice of the highway committee, authorized purchase and installation of a new timer and control for the traffic light at Chester road and Swarthmore avenue, at a cost of no more than \$400. It operating on a station approved plan to permit northbound traffic to proceed alone for twice the time north and south together is allowed does not sufficiently overcome the hazard of turning vehicles, the state will then permit the Borough to try out the local committee's plan which calls for distinct separation of north and south bound.

The committee was authorized to inform the state of the Borough's choice of a plate operated trip switch at the Riverview avenue intersection, enabling cars approaching Chester road to automatically stop traffic and gain egress to the busier highway.

More Alarms To Operate Soon
William Gehring, chairman of the public safety committee, settled a year-old problem of the Fire Company before tackling a myriad of variance applications from fences to garbage disposal units. Borough Secretary Elliott Richardson was authorized to purchase two auxiliary sirens, relays, and switches at a total cost of less than \$750 plus installation not exceeding \$400 so that volunteer fire fighters and civil defense listeners can be alerted in the north and south deadspots of the main Borough Hall siren. The new alarms will be placed on Ogden avenue between Chester road and (Continued on page ten)

The \$20,000 will make possible these repairs, and completion of the driveway and parking area.

MOTHER PLAN KIDDIE KARNIVAL

October 20th Event To Be Held On Rutgers Ave. Plot

Final plans for the Kiddie Karnival to be held next Saturday, October 20, by the Swarthmore Mother's Club on Rutgers avenue near the old Bank Building, were made last evening during the club's monthly meeting.

Twenty-five members volunteered to help Mrs. Arthur Snyder and Mrs. Carl Flammer with hot dogs and soft drinks, Mrs. John E. Roxby with the pony rides, Mrs. George Wilbur at the cake table, Mrs. Anthony Fairbanks with the penny candy, and Mrs. Walter Moir with the fish pond, balloons, the penny toss and other games. In addition, the poster committee which includes Mrs. C. R. Pratt, Mrs. Johan Natvig and Mrs. Walter Rowe, have been busy placing attractive placards in many of the shop windows. A very attractive poster was made for the Karnival by Mrs. J. H. Taylor, the mother of Mrs. Roxby.

"The Children's Hour," the featured program of the evening, was opened with a very interesting talk on music, by Mrs. Henry C. Ford. Emphasizing that enjoyment, satisfaction and understanding are the primary goals in every child's music education program, Mrs. Ford said that to attain them, there must be a fine relationship between the teacher and the child. "She must give him rich musical experience in many fields of self expression intellectual stimulation, opportunity for emotional relief and development of desirable social traits."

Mrs. Pemberton Dickson emphasized that the importance of games in a child's development is the interchanging of relationships of one to another. "Happy relationships are the first game baby learns when mother teaches him to patty cake in the crib," Mrs. Dickson said. "As a child grows this relationship is broadened to include brother, sister, teacher, playmates, but always the value of a game is not who wins, but how the child develops in his play with others."

Mrs. Francis W. Pennell well-known authority on books, spoke of the importance of a home library in the life of a child. To be completely satisfying, this home library should include four types of books, Mrs. Pennell said. First, certain books that the child wants to read again and again; second, beautiful picture books that arouse creative pleasure; third, books that when read aloud, emphasize the beauties of rhythm in prose and poetry; and fourth, books that are read for sheer pleasure, that are wholly apart from school work or required reading.

Mrs. Pennell's talk was also accompanied by a display of books that should be in every home. In the display were foreign picture books, poetry, science, reference and religious books.

Mrs. Charles R. Gerner, the club's president, conducted a short business session at the start of the meeting. Mrs. Robert Hall, membership chairman, reported that 90 new members and 70 old members had attended the recent "Hello" party. Committee reports were made by Mrs. Franklin Church, Welfare; Mrs. Norman Weeks, hospitality; and Mrs. Robert Yahres, corresponding secretary, announced that during the summer, 70 congratulatory cards were sent to new mothers.

Returns From Extended Tour
Mrs. Helen M. Hall of Hillborn avenue, returned last week from four months of travel in Europe. During this time she visited her son and family who have been living on the island of Cyprus for the past two years. Other visits were made to the homes of friends and former students in France, Cairo, Egypt, Holland, Norway and Scotland.

Perhaps Mrs. Hall's most distinguished former student was a man who was one of a group of Greek Orthodox priests who studied in America during 1945 and '46. While in this area, they lived and had their English lessons in the house which has become the Art Center in Wallingford. Since then Mr. Kykotes has become the Archbishop of all the Orthodox Greeks on the island of Cyprus and an important figure in the un-

which enters all phases of life in that part of the world. He made an imposing sight in his flowing robes, silver embroidered cape and silver mounted staff, the insignia of office.

While a group of bishops waited outside the "palace" door, the Archbishop entertained his former teacher, Mrs. Hall, Mrs. Henry A. Piper, of North Chester road, who accompanied Mrs. Hall on part of her travels, and Mrs. Hall's son Alan, with an account of his happy memories of Swarthmore.

Lt. Harold M. McCorkel who has been at Camp Pickett, Va., since January 3, sailed Thursday with the 43rd Division for the European Theatre. Mrs. McCorkel, the former Margaret Sheppard of Vassar avenue, and children will remain at their home in Glen-

Named County Seal Sale's Chairman

Mrs. Frank H. Griffin of Wawa has been named Chairman of the 1951 Christmas Seal Sale for Delaware County, according to an announcement by Fress B. Snyder, President of the Delaware County Tuberculosis and Health Association, which will conduct the sale in the County from November 19 to Christmas.

The Seal Sale is the sole annual appeal of the County organization for funds to conduct their year-round program of tuberculosis prevention and control. Included are the mass x-ray surveys, rehabilitation of patients returning from sanatoria, emergency assistance for those ill and their families, health education programs in schools, industries and communities, and research.

This year will mark the thirty-second year that the Seal Sale is being conducted in the County and is part of the 44th annual Seal Sale conducted throughout the country by the 3,000 Tuberculosis Associations affiliated with the National Tuberculosis Association.

ARMY APPOINTMENT

1st Lieutenant John H. Taylor, Jr., son of Mr. and Mrs. John H. Taylor of Kenyon avenue has been assigned to the management division of the vast new air force finance center in Denver, Colorado, as fiscal officer. Announcement of his appointment has been made by Brigadier General John R. Gilchrist, who commands the installation and serves the USAF as deputy director of finance.

The management division of the new AFPC where Lieutenant Taylor serves, is responsible for the organization and planning of procedures for efficient functioning of the various divisions.

After graduating from the Swarthmore High School in 1935, Lieutenant Taylor attended the University of Pennsylvania at Philadelphia before his 5 years employment with the Ford Motor Company of Chester. He entered military service in 1943 and upon completion of flight training courses was commissioned in 1944. At the end of World War II, Lt. Taylor returned to civilian life and the E. I. duPont Company at Wilmington, Del., where he remained until recalled to active duty in 1949 and attended the army finance school at St. Louis, Missouri. He later served two years in Okinawa at the Kadena air force base before his present assignment in the mile high city of Denver.

Lt. Taylor and Mrs. Taylor, together with their 9 year old son Richard, are making their home in Denver at 3720 Madison Street.

Recalled To Active Duty

First Lieutenant Edward Morris Bassett, Jr., of Seaford, Del., has been called back into the service and is stationed at the University of Pittsburgh as an instructor with the R.O.T.C. engineer group. His wife and children Patricia, 2, and Edward 3½, are temporarily visiting his mother on North Chester road before joining him in western Pennsylvania.

L. W. V. Hostess

An L.W.V. tea-meeting was held Monday at the home of Mrs. Thomas W. Hopper, chairman, of Dogwood lane. Mrs. Roderick Firth, co-chairman, assisted. Those present were members of the League's Metropolitan Finance Drive Committee and included Mrs. Frederick Dudley, Mrs. William C. McDermott, Mrs. Vincent T. Lathbury, Mrs. Carl Chase, Mrs. James Evans, Mrs. John Moore, Mrs. Henry A. Piper, Mrs. Earle P. Yerkes, Mrs. Joseph Conard, Mrs. Joseph B. Shane and Mrs. Thomas G. Casey.

Legion Auxiliary To Meet Mon.

The Legion Auxiliary meeting on October 15 at 2 p.m. at the home of Mrs. Margaret Servais of 231 Dickinson avenue will be the first business gathering of the season. Members are urged to come.

The Rummage Sale in the Presbyterian Church was considered successful. Many articles were brought and a large number of them sold. Approximately \$200. was the sum, after expenses are cleared, to be used for many branches of work in the Swarthmore Unit. An expression of thanks is due the loyal friends outside of membership who brought their offering, and to the members who cooperated faithfully with Mrs. Ellen Cleveland, the chairman.

Again the Auxiliary asks friends to come to the Christmas party for December 3 in the Woman's Club Lounge. Information will be given later regarding the Christmas welfare project.

PLAN HALLOWE'EN PARTY

A Halloween party will be given for the Senior Class and their parents by the senior mothers on October 19 at 8:30 p.m. in the high school gymnasium. There will be dancing, stunts and refreshments.

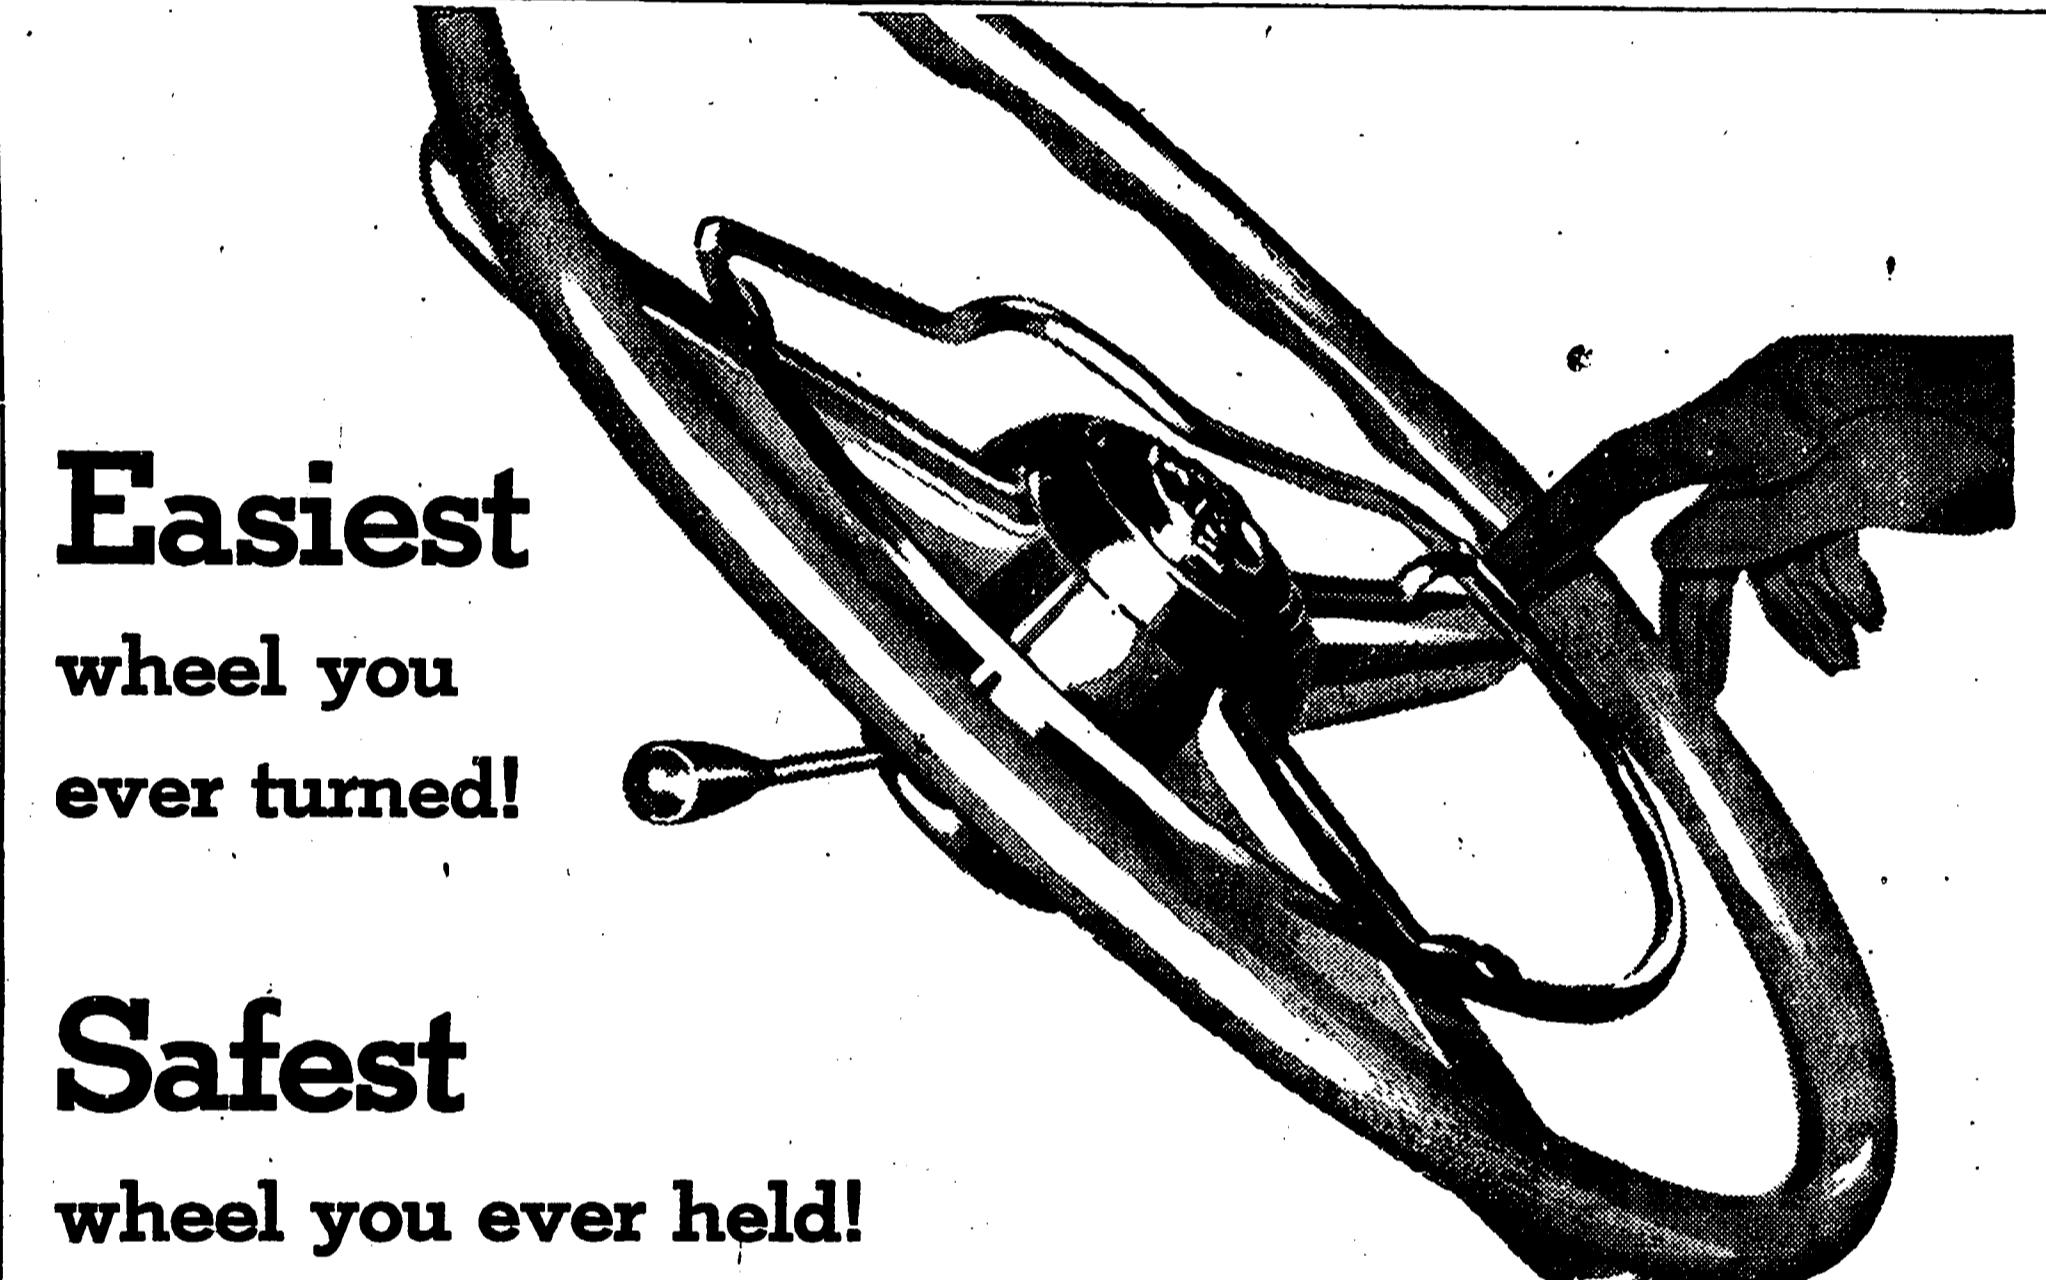

Plans were begun for this party, a senior class tradition, at the Twelfth Grade Mothers' meeting in the museum room on October 3, along with other plans for the year. The next activity will be the so-called intermission party, when refreshments and entertainment are provided as an interlude to the Senior Ball, November 30.

Mrs. Henry Ford, is chairman of the group.

Strath Haven Inn and The Zoning Law

Dear Sir: In the last issue of The Swarthmorean an opinion was expressed that reconsideration should be given to the application of the Strath Haven Inn for permission to remodel the garages on its property and that an exception should be granted to the zoning law to permit such an operation.

Swarthmoreans not taking enough interest in what is going on in their borough, but in David's opinion, which I share, if they did take more interest and the proposal was put to them in the proper light, they would come to realize, that if Mr. Dodds' request had been granted by the Zoning Board, the result would more likely be an improvement, than otherwise.

Swarthmore avenue and at a spot near Westdale on Rutgers. Month operation expenses for electricity and wire rental is estimated at \$750 for both. Whether there were more visitors present on individual matters or on bids to be opened on sewer, fuel oil and furniture Monday evening is debatable.

H. S. Boys Take

Media 20-19

Swarthmore a lead as he made one of the greatest catches ever seen on Rutgers field. Jimmy Carter passed for the extra point and Swarthmore led 14-7. Again Media came right back but missed the point giving the Garnet a one point lead at half time.

The writer does feel that transformation of the garages as proposed would constitute a serious break in adherence to our zoning laws and consequently the position of the borough council in this matter should be upheld, if necessary by resort to the Courts.

I was gratified to see in last weeks Swarthmorean, that someone had the courage to take the part of a "mere outsider" in what seems to be a very unfair, narrow and (as David said), one-sided controversy.

Dear Editor: I enclose a letter which I mailed last week to 80 property owners who have expressed their desire to become members of the proposed Property Owners Association.

Think of it! Over 1200 property owners in Swarthmore and 1120 who are either not interested or for some other reason have made no reply to my letter of September 14th.

As a public service, you might publish this letter in this week's Swarthmorean.

Sincerely, A. C. Wood Dear Fellow Swarthmorean:

Your approval of the proposed Swarthmore Property Owners Association is greatly appreciated. A number of those who have expressed their desire to join such an organization have asked for further information. To comply with this request, I am expressing my thoughts in words.

OBJECT: The sole purpose of the Association would be to promote the best interests of Swarthmore Property Owners. To do everything possible to combat the intrusion of untenantable buildings and the acts of groups or individuals which would, in any way, make Swarthmore a less desirable place in which to live. To give our Zoning Board the strongest kind of support, without which its decisions could be over-ruled. Think of the influence which could be exercised by five or six hundred property owners acting as a unit.

MEMBERSHIP: Any property owner, regardless of race, creed or color would be eligible for membership. DUES: The dues would be nominal—say one dollar per year. POLITICS: The Association

must be absolutely non-political and non-partisan. I think the above statement just about covers the organization, as I have visualized it. Now for the important message! There are about twelve-hundred individual homes in Swarthmore. This means an equal number of property owners. As of this date, I have received approximately one hundred cards or letters from those who approve of the suggestion. This is less than one-twelfth of the number of owners, and must mean one of four things: Disapproval of the idea; Apathy; Procrastination;

The "Let George do it" attitude. Personally, I do not feel that I care to continue my efforts if only a hundred owners are willing to support the organization. Of course, I do not expect twelve hundred members, but I think there should be 50 percent. If you feel as enthusiastic as I do regarding the possibilities of the Association, why not contact your friends and neighbors, and arouse their interest? Have them send me a postal card with their name and address. Sincerely, Allan C. Wood.

This is your fight—get in it!

We're fighting a dangerous war right here at home. It's a war against inflation, and it's everybody's fight. Inflation sends the prices up, steals the dollars out of our pockets, upsets our economy, threatens our plans for national defense. How can we beat it? Only through the common sense and self control of every American worth his salt.

We can't stop inflation by passing laws against it, but the American people can beat it fast, like this:

1. Encourage economy in public and private spending.
2. Buy only what is really needed and reasonably priced.
3. Invest every extra dollar in U. S. Government Defense Bonds and hold them to maturity.

Remember that U. S. Defense Bonds are more than a weapon against inflation; they're the safest dollar investment in the world!

Garnet Plays Cougars
(Continued from page one)
bounds. On the next play Doherty sprinted around end for the T.D. The extra point was not good.

Early in the second half, Swarthmore's Dick McCormack, John Bernard, and Kenny Wright blocked a Springfield punt deep in the Cougar's territory. McCormack picked up the loose ball and ran for the touchdown. The try for conversion didn't work. Late in the quarter Springfield displayed a surge of strength for the first and last time of the game.

In the last quarter, Andy Schroder, Swarthmore's workhorse, was given the ball time and time again. He carried the pigskin from Garnet's 30 yard line to Springfield's 35. However quarterback Jim Carter was trapped far behind the line of scrimmage as he attempted a pass. As a result the game Bob Doherty picked up 20 yards on an end run, putting Swarthmore in scoring position. Schroder was again put to work. In two consecutive plays, he carried the ball down to the 4. Finally after a five yard penalty, Joe Storlazzi scored from about the 10 on an end run. The score was 25-0.

NEW COMMITTEE

Carroll P. Streeter was named chairman of a finding committee to forecast precise school needs of the near future, when school Board met in bi-monthly session Wednesday evening. Other members of the committee which will include representatives of the school administration and citizens at large will be announced when the Board reconvenes October 29 to open bids for possible redoing of the hard court play areas behind the high school.

In other action the Board authorized the continuation of the Saturday morning recreation program December through March under the direction of Coach Millard Robinson. The program is designed for all boys in the upper elementary and junior high school grades in order that they may enjoy basketball, volleyball and similar sports not possible during the week when gymnasium and athletic fields are used for regular team practice.

The Citizens' Athletic Committee notified the Board that it will again provide supervision for the opening of the gym on Saturday and Sunday afternoons during basketball season.

"The Heiress"

(Continued from page one) a nice job in a role of restraint. We hope that she knows that she's set sentimentalists to thinking, "If the Heiress' mother had lived, then what?"

William K. Harriman, whose Inspector was also provocation of discussion last year, is admirable as the successful, cosmopolitan, dominating, ingrowing Dr. Sloper, whose character is developed through glimpses of him as doctor, uncle, brother, father, and employer of Maria, delightfully and warmly played by Emmy Kroon. Mr. Harriman is master of the polished, ironic line. The role of Dr. Sloper is demanding but finds Mr. Harriman adequate.

The Heiress' aunts Lavinia and Elizabeth are played delightfully by Allison R. Roberts and Josephine H. Jackson who heighten the scene with each entrance and set the normal tone of the 1850 drama. They are nicely cast. Martha H. Keighton as Mrs. Montgomery holds the stage with her characterization of magnanimity and understanding and furnishes a family background in great contrast to the Sloper family tree. Contrast within the Sloper inheritance is attractively furnished by Patricia

McCahan as Marian Almond, Dr. Sloper's niece, whose engagement and marriage to her Arthur, played by Frederick M. Porter, is a rhapsody to Dr. Sloper's dissatisfaction with his daughter.

Ronald K. Porter as the suspect and sudden lover Morris Townsend adds convincing intrigue and period romance to the production. PARADE TUESDAY
SET FOR 6:45 P.M.

Business Men Ready For Community Affair

A special contingent of Halloween spirits will spruce up the weather and the College Field House in time-honored preparation for the annual Parade to be held Tuesday night, October 30. These expert spooksters, who have spread cobwebs, hung bats and hid ghosts in the parade ground area for the past 20 years, work in cooperation with the sponsoring Swarthmore Business Association, and will be swooping in early Tuesday to continue their voluntary yearly labors for the 6:45 p.m. event.

George Corse and L. C. Hastings have been secured as Marshalls for the evening and together will take charge of costumed paraders of all ages as they line up in the group of their choice for the march three times around the ring in the wake of The Swarthmore High School Band.

And no less than five (5) sets of judges will award first, second and third prize ribbons, to five traditional divisions, I-Made-It-Myself, Most Original, Funniest, Comic, and Group. Favors for the entire marching contingent will be provided by the sponsoring organization.

As a confidential note to those who haven't been in a Halloween Parade, or what is worse, haven't even SEEN one, take it from those who know—it's an occasion not to be missed; no admittance fee, no age limit, and loads of fun. And best of all, it is one home town event that provides as much fun for the cheering section—the parents, friends or children of the paraders, as for the participants.

MCCORKEL TO SPEAK SUN.

Roy McCorkel of Cornell avenue, will speak in the Friends Meeting House on the College Campus on Sunday, October 28 at 8:15.

He and his family have recently returned from two years in Europe where he was European Regional Director of C.A.R.E. While his headquarters were in Geneva, he travelled extensively in the Near East, Greece, Yugoslavia, and Western Europe.

In making the arrangements for the distribution of food parcels Mr. McCorkel had contacts with Government officials, economic advisors, and social workers and an opportunity to study the needs of the people. He also had previous experience teaching in India and travelling for the American Friends Service Committee to which organization he now returns to continue his work. It is out of this wide experience that he will talk on "America's Responsibility in World Affairs."

George Corse and L. C. Hastings have been secured as Marshalls for the evening and together will take charge of costumed paraders of all ages as they line up in the group of their choice for the march three times around the ring in the wake of The Swarthmore High School Band.

And no less than five (5) sets of judges, will award first, second and third prize ribbons in the five traditional divisions, I-Made-it-Myself, Most Original, Fanciest, Comic, and Group. Favors for the entire marching cotillion will be provided by the sponsoring organization.

As a confidential note to those who haven't been in a Hallowe'en Parade, or what is worse, haven't even SEEN one, take it from those who know—it's an occasion not to be missed: no admittance fee, no age limit, and loads of fun. And best of all, it is one home town event that provides as much fun for the cheering section—the parents, friends or children of the paraders, as for the participants.

SCOUT VESPER SERVICES SUNDAY

Girls Form New Out-Of-Door Troop

Vesper services will be held at 4 p.m. on Sunday, October 28 in the Trinity Church. All Girl Scouts, Brownies, parents, and friends of scouting are cordially invited to attend. The Rev. H. Lawrence Whittenmore, Jr., will conduct the service. This Sunday is being celebrated as Girl Scout Sunday throughout the Nation. Among the first troops to get started this year was Troop 16. This troop is a newly organized out-of-doors troop made up of 15 members from the junior high school grades. Mrs. Walter Magee, leader, will be assisted by Mrs. Ned Mikusinski.

At their first meeting, October 15, the girls divided into three work groups and elected Carol Topping, Pamela Foster, and Virginia Bullitt unit chairmen. The work in the troop stresses camping and out-of-doors. All meetings have been held at the Girl Scout House.

Taking advantage of the school holiday this week, 11 members of the troop spent an over night at the Girl Scout House on Monday night. After a dinner planned and prepared by the girls, the group enjoyed an evening of games, singing, folk dancing, skits, toasting marshmallows, and popping corn by the glowing fireplace. After "lights out," spooky stories related by several of the girls added to the evening's excitement. Camp broke at 10:15 Tuesday morning. No regular meeting will be held next Tuesday due to Halloween. On the following Tuesday, November 6, the troop will journey to Indian Orchard day camp for a woodland meeting. Members of Troop 16 are Virginia Bullitt, Alice Carol, Rosemary Cox, June Derrickson, Gladys Durbarow, Pamela Foster, Mary Lou Friend, Mary Lou Griscorn, Ann Hay, Jane Hay, Judith Jarratt, Virginia Smith, Carol Seymour, Carol Topping, and Vickie Willis.

COUNCIL ON VOLUNTEERS

Mrs. Dorothy N. Hopkins of Haverford place, Referral Secretary of the Council on Volunteers of the Delaware County District, Health and Welfare Council (A Red Feather Service) has announced that there is still a great need for volunteer workers throughout the county to accomplish humanitarian jobs which will supplement the activities of paid workers in health and welfare agencies.

There is a need for drivers to take handicapped people to the clinics, nurses' aides, typists and clerical workers. It is hoped that both men and women can be recruited who will spend some of their leisure time helping with recreation and arts and craft activities in community centers. There are numerous shut-ins who would appreciate a friendly visitor, and blind people who would like to be read to.

Mrs. Hopkins will be in Media at 815 North Monroe Street for interviews. For appointments call Media 6-2752.

The County Director will have charge of organizing local committees of volunteers in the communities throughout Delaware County. These workers will assist in the mail sale campaign and set up Christmas Seal booths in each community for the sale of Seals to persons not reached through the mail.

Mrs. Levering, who is well known throughout the County as a dramatist, will also conduct programs relating to the Seal sale in the clubs and organizations in the County.

In accepting the position as County Director, Mrs. Levering praised the work of the Tuberculosis Association and asked for the whole-hearted cooperation of every person in Delaware County to make this year's sale a success.

The Christmas Seal sale will open in the County on November 19th and continue until Christmas. Funds raised will be used to promote the Association's activities, such as mass chest survey x-rays in the high schools, communities and industries, rehabilitation of the arrested tuberculosis patients, emergency service to the patient and family, a year-round health education program and research.

It is hoped that as many members as possible from the Swarthmore Club will attend. Monday from 9:30 to 12:30 the weekly painting class meets with Florence Tricker, instructor.

He's looking for leaks with an "electrical stethoscope"

This is part of Philadelphia Suburban Water Company's Preventive Maintenance Program along its 1,437-mile pipeline system; a program designed to prevent little leaks from developing into big leaks which could interrupt your supply of Springfield Water.

To carry out the program, there must be a never-ending search with the "electrical stethoscope"—an instrument which looks like a portable radio. It is equipped with a microphone so sensitive that it can detect the sound of water escaping from a hole no larger than a needle-point. And that hole can be in a pipe several feet underground, and even beneath a concrete highway!

Anyone growing Chrysanthemums who would like to exhibit in the show may do so free of charge. Write or telephone the Horticultural Society, 389 Broad Street Station Building, Phila. 3, Rittenhouse 6-8352, for a schedule of classes.

There are 60 classes including many for specimens both cut flowers and pot grown plants. There will be a section strictly for amateurs as well as one for professional growers. There are classes for vegetables, fruits, roses and carnations.

The arrangement classes should prove very popular. One calls for a table set for a stag party, another an arrangement typical of Autumn. There will be a dramatic arrangement of buds and blooms of rare or unusual flowers and others featuring Chrysanthemums, dried material and other flowers.

The Scott Foundation and the Morris Arboretum will stage an interesting exhibit of berried trees and shrubs. This always proves to be extremely popular as well as beautiful and educational. Large displays of Chrysanthemums, Orchids and commercial exhibits add beauty to the huge Field House.

Dr. John B. Carson is President of the Horticultural Society and William H. Weber is chairman of the Snow Committee. Other members of the Committee include Mr. and Mrs. Harry Wood, North Chester road.

Window Decorations

Merchants of Swarthmore are sponsoring for the third year a contest for the best decorated store windows at Hallowe'en time. This event is now so traditional that planning for windows and pictures has been underway for several weeks.

The business district will be invaded next Monday by about 40 groups of students selected from the fourth grade through the Junior High School who will leave it looking much more decorative and ready for the Hallowe'en season.

There will again be 100 percent participation by the local businesses with each store possible providing at least one window. They will be under the direction of the art teachers, Claudia Hancock and Ann Jane Cleaver.

Because of the possibility of window breakage and because of the desire to do an outstanding job, it has been decided by the Businessmen and the art teachers to do the decoration on art paper which will then be attached to the windows. The center of the borough promises to be unusually attractive for the three days just prior to Hallowe'en.

The Recreation Association has selected as judges a committee consisting of Mrs. Clair Wilcox, Robert Walker, head of the College Art Department, Winifred Rumble and Nancy Sylvanus of the School of Industrial Arts. They plan to complete the judging as early in the week as possible. The pictures will remain on display until after the Hallowe'en season is over.

Richard Crowther, ET. 2, of Yale avenue, is stationed in Portsmouth, N.H., as Electronics Technician on the submarine Halfbeak.

Garnet Meets

(Continued from page one)

bid for the extra point was short. Just before the half ended, Jack Thorapson, Swarthmore's captain, intercepted a pass on the Owl's 20 yard line and weaved his way into the end zone. Swarthmore missed the kick for the point after touchdown. The half ended with the Garnet leading 26-0.

Throughout the first half, as during the rest of the game, Sharon Hill was hurled back time and time again. The strong Garnet line consisted of John MacAlpine, Dick McCormack, Jim Tucker, Kenney Wright, Don MacElwee, John Pearson, John Bernard, John Hilkert, Howard Dodson, Frank Habberset and Bob McHenry. Swarthmore was also greatly aided by the excellent work of line-backers Thompson and Kauffman.

Early in the second half, Sharon Hill was again forced to punt. Due mainly to the running of Joe Storlazzi and Clem Malin, the Garnet finally fought its way down to the Owl's 37. At this point Carter threw a pass to Halfback Lee Swan, which was good for 20 yards. Again passing Carter heaved the pigskin to Lonnie Staton in the end zone. The try for conversion failed. Later in the third quarter Bob Doherty ran the pigskin down to Sharon Hill's 35 after receiving a punt. This marked the beginning of another touchdown march. On two successive plays Malin and Storlazzi plunged down to the 15. Then Malin flipped a pass to Swan who dodged player after player until finally brought down on the four. Malin picked up another two yards and finally Swan dove over for six points. Thompson converted.

In the last quarter, Charlie Grier threw a 42 yard pass to Kenny Wright who was tackled just short of the goal line. George Allison shot over center for Swarthmore's last touchdown. Thompson's kick was good for the extra point. In the remaining minutes of play, Swarthmore's entire squad was put to work and succeeded in keeping Sharon Hill on the run. At the close of the game the Garnet walked off the field with a 46-0 victory.

It is noteworthy to comment on the fine sportsmanship of the Garnet squad when the starting offensive team was substituted for on the second play of the second half. This was done when it was noticed that Sharon Hill players were being substituted to revamp their line-up.

This Saturday the Garnet will meet a strong Glen-Nor team. They have the equipment to make a powerful football aggregation, size and speed. Their strength has not been shown by former scores as they have not yet found the key to their might. Swarthmore expects to have a busy afternoon trying to keep its record clean. The game will be played on the Indian's field; game time 2:30.

To Visit High School

Barbara Schulke, field representative and counselor in admissions for Carleton College, will visit the Swarthmore High School in Swarthmore on Wednesday, November 7, at 2:00 p.m.

Window Decorations

Merchants of Swarthmore are sponsoring for the third year a contest for the best decorated store windows at Hallowe'en time. This event is now so traditional that planning for windows and pictures has been underway for several weeks.

The business district will be invaded next Monday by about 40 groups of students selected from the fourth grade through the Junior High School who will leave it looking much more decorative and ready for the Hallowe'en season.

There will again be 100 percent participation by the local businesses with each store possible providing at least one window. They will be under the direction of the art teachers, Claudia Hancock and Ann Jane Cleaver.

Because of the possibility of window breakage and because of the desire to do an outstanding job, it has been decided by the Businessmen and the art teachers to do the decoration on art paper which will then be attached to the windows. The center of the borough promises to be unusually attractive for the three days just prior to Hallowe'en.

The Recreation Association has selected as judges a committee consisting of Mrs. Clair Wilcox, Robert Walker, head of the College Art Department, Winifred Rumble and Nancy Sylvanus of the School of Industrial Arts. They plan to complete the judging as early in the week as possible. The pictures will remain on display until after the Hallowe'en season is over.

Richard Crowther, ET. 2, of Yale avenue, is stationed in Portsmouth, N.H., as Electronics Technician on the submarine Halfbeak.

Garnet Meets

(Continued from page one)

bid for the extra point was short. Just before the half ended, Jack Thompson, Swarthmore's captain, intercepted a pass on the Owls' 20 yard line and weaved his way into the end zone. Swarthmore missed the kick for the point after touchdown. The half ended with the Garnet leading 26-0.

Throughout the first half, as during the rest of the game, Sharon Hill was hurled back time and time again. The strong Garnet line consisted of John MacAlpine, Dick McCormack, Jim Tucker, Kenney Wright, Don MacElwee, John Pearson, John Bernard, John Hilkert, Howard Dodson, Frank Habbersett and Bob McHenry. Swarthmore was also greatly aided by the excellent work of linebackers Thompson and Kauffman.

Early in the second half, Sharon Hill was again forced to punt. Due mainly to the running of Joe Storlazzi and Clem Malin, the Garnet finally fought its way down to the Owl's 37. At this point Carter threw a pass to Halfback Lee Swan, which was good for 20 yards. Again passing Carter heaved the pigskin to Lonnie Staton in the end zone. The try for conversion failed. Later in the third quarter Bob Doherty ran the pigskin down to Sharon Hill's 35 after receiving a punt. This marked the beginning of another touchdown march. On two successive plays Malin and Storlazzi plunged down to the 15. Then Malin flipped a pass to Swan who dodged player after player until finally brought down on the four. Malin picked up another two yards and finally Swan dove over for six points. Thompson converted.

In the last quarter, Charlie Grier threw a 42 yard pass to Kenny Wright who was tackled just short of the goal line. George Allison shot over center for Swarthmore's last touchdown. Thompson's kick was good for the extra point. In the remaining minutes of play, Swarthmore's entire squad was put to work and succeeded in keeping Sharon Hill on the run. At the close of the game the Garnet walked off the field with a 46-0 victory.

It is noteworthy to comment on the fine sportsmanship of the Garnet squad when the starting offensive team was substituted for on the second play of the second half. This was done when it was noticed that Sharon Hill players were being substituted to revamp their line-up.

This Saturday the Garnet will meet a strong Glen-Nor team. They have the equipment to make a powerful football aggregation, size and speed. Their strength has not been shown by former scores as they have not yet found the key to their might. Swarthmore expects to have a busy afternoon trying to keep its record clean. The game will be played on the Indian's field; game time 2:30.
