School Board Buys Rutgers Ave. Property

Action Will Be Reviewed By Board of Reviews For O. K.

The building of an additional school house in the Borough progressed another step Wednesday night when members of the Swarthmore School Board voted 3 to 1 to purchase approximately 12 acres of land facing Rutgers avenue adjacent to the Rutgers Avenue School. The purchase of this land is the result of more than six months Board study and community survey of the needs of an overcrowded school system.

Motion to acquire the land "by purchase or condemnation" was made by Dr. Samuel T. Carpenter, chairman of the Property Committee, and seconded by Mrs. Oliver Rodgers. The purchase price is expected to be \$25,000 if the Board of Reviews to which it will now be submitted upholds it.

Off the Map

Borough Council will be asked to remove Westdale avenue from the Borough Map for 825 feet east of Rutgers avenue, thus uniting the newly-acquired land to the present Rutgers Avenue School grounds. Plans as to the type of building to be erected are still under study by professional and lay committees from the community appointed by the School Board.

Supervising Principal Frank R. Morey reported on the School District's Summer School which ended last week. Twenty-three schools were represented in the 241 pupils who took 366 courses. Fees totalled \$2203. Expenses were \$1778.85 leaving a net balance of \$424.15.

The summer music program enrolled 31 pupils with a total income of \$186 with expenses of \$300. The deficit of \$114 reduced the overall Summer School balance to \$310.

Hornets Win Two, Drop One—Hard

The Hornets baseball team went to extremes last week in winning two games while dropping one. After beating Holmes 7-3 on Monday the local nine poured it on Clifton 17-3 on Wednesday only to be walloped by Yeadon 21-3 on Friday.

Clifton pitcher Lonie Barbella started well, retiring the first six Hornet players to face him, but then weakened, allowing 12 walks in the final three innings. Richard Gurin was forced to play most of the game with an upset stomach because no substitutes were available, and in spite of this had a double with the bases loaded, a single, and made a fine catch in the outfield.

Ray Lassiat, playing his last game this season, also hit well, as did George Garratt. Charlie Wentz pitched his usual steady game, allowing only two hits, and Less Keighton who finished the game did an equally fine job.

Of the Yeadon game suffice it to say that little hitting and less pitching spelled disaster. Wildness was the downfall for Less Keighton and Charlie Wentz, who relieved him. Less, however, settled down and pitched well in the final two innings. George Garratt, meanwhile, got the only thing that resembled a hit for the Hornets, as walks to Mike Reynolds, George Kroon, and Charlie Wentz led to their only runs.

PUBLIC HEARING MONDAY

The public hearing to consider the request for permission to build a resident type medical center at Yale avenue and Chester road, will be held Monday evening in Borough Hall.

Council will hold its regular monthly meeting following the 7:30 hearing.

Rutgers Ave. Group Session Closes

Special Events Wind Up Final Week of SRA

A series of morning tea parties and special events filled the last week of the Rutgers Avenue Recreation Group which closed its 1952 season last Friday.

The three-year-olds began the parties on Monday when they invited their mothers to a period of songs and rhythms followed by juice and cookies out on the lawn. The Threes with their leader Mrs. Debbie Preston and assistants Sandy Milne and Virginia Smith had a chance to be the guests on Tuesday when they went swimming at the Ullman's pool.

Young Four Group

Teel Dunn's Young Four Group, with the help of Joan Thomson, also had a party on Monday with stories and songs, and gave a play out under the trees. This group has had an absorbing summer dressing up in the collection of hats, shoes, dresses, lace shawls and feather boas donated by kind and imaginative Board Members and friends of the Association.

The Pre-Kindergartners, one of the biggest groups at Rutgers avenue, gave their party on Tuesday. Their rhythm band, in frequent rehearsal during the past six weeks, gave a command performance for their mothers. Under the direction of Alice Hornaday, with Dorothy Hopkins and Emily Terry as assistants, the group had also worked hard in arts and crafts, and were able to display their handiwork to the guests.

Party-Day-Off

Wednesday was party-day-off, but on Thursday all 105 children were gathered together for the first time in the summer, to see the Primary Group under Mrs. Miriam Damron, with Anne Lukens and Marilyn Green to help, present the operetta "The Shoemaker and the Elves". These seven and eight-year-olds—14 future second graders and 13 future third graders—then gave a comic skit on the Chicken Pox. All but three of the group, including Mrs. Damron, have now had the chicken pox as a result of the recent seige.

Another party was given on Friday when the kindergartners entertained with a dramatic skit on planets, and sang several songs. "Icky Dicky Do" featuring rhythm accompaniment, seemed to be a particular favorite for the mothers. These Fives, who have devoted many hours to painting a remarkable post office, store and house, each presented his mother with a genuine, hand-painted gardener's glass holder, complete with dowl and decorated tin can.

The final party of the week, and the last one of the session came Friday afternoon when Mrs. J. Francis Taylor, Director of the Rutgers Avenue Section, the entire staff and Association Board members Mrs. Jane Smith, chairman of the program committee, and Mrs. Mary Wood, chairman of the property committee, met for lunch.

Lions Set Anniversary Celebration on Sept. 22

Other Events Also Scheduled at Meeting Monday Night

The Swarthmore Lions Club tentatively set September 22 as the date for their first Charter Anniversary Celebration at their regular meeting Monday night. In the Lions tradition the celebration will be observed on the meeting day closest to the actual date of the original presentation.

In the absence of President Barton Calvert, Second Vice-president Peter Coste appointed the committee in charge of the program. Appointed were: Frank McFadden, chairman; Ed Sullivan, Charles Brady, Ellis Rumsey, Dave Bingham and Al Stewart. As usual ladies and other guests will be invited.

The Lions Club was informed that the two disposal cans purchased for the deposit of papers and trash were received by the Borough and plans are underway to have these properly placed in an effort to help keep the downtown area free of debris. If the two cans prove satisfactory, several more will be purchased at a later date and turned over to the Borough.

Lion Leslie Korndoffer reported that he had received the raincoats and hats purchased by the Club for the School Safety Patrol. These will be delivered to the School for the use of the Patrol in September.

Lion Kenneth Sadler is making arrangements for the Philadelphia Dog Obedience Club to put on a demonstration here in September. This will provide an opportunity for the residents of Swarthmore and vicinity to see how the "Seeing-Eye" dogs are trained for the use of the blind.

Secretary Horace Renshaw read to the members the proposed Constitution and By-Laws prepared by the Constitution Committee headed by Edward Windell. After a short discussion the Constitution was accepted unanimously by the members present.

A family picnic was suggested and Lion Frank Masselli was asked to make the necessary arrangements and set a date before the end of the summer.

LEGION WINS DELCO TITLE

The Swarthmore Ainsworth-Wernher Legion Baseball team beat Drexel Hill Legion team in a game Tuesday evening on the Riverview Field by a score of 6-4 and thereby pocketed the Delaware County Championship. Ziegenfuss started on the mound for Swarthmore but had to be relieved by Robinson in the second inning. Robinson was the winning pitcher.

Base hits by Zizza, Zitnick and Robinson enabled the team to score early in the game. The winning blows were a single by Curry with the bases loaded, worth two runs, and his long home run walloped in the sixth which clinched the game.

It was a successful season with 11 wins and one loss in league competition.

The team now begins section play-off games, travelling to Honeybrook, the winners of the Chester County League, on Monday, August 4, for a 6 p.m. game. The second game will be played on Riverview Field Wednesday, August 6, at 6 p.m. If a third game is necessary, a neutral field will be selected following the game Wednesday evening.

COMMUNITY SERVICE TOPIC TODAY FOR ROTARY

Mrs. Elizabeth A. Groff, Director of the Community Health Society of Central Delaware County, will be the guest speaker at the Rotary luncheon today at 12 o'clock. Mrs. Groff will explain the various functions of this service and the vital part it plays in community life.

Robert Wilkinson, chairman of the Community Service committee of the Swarthmore Rotary, will introduce the speaker.

Swimming Lessons Begin Monday Morning

Virginia Rath Will Direct Classes Sponsored By Red Cross

Swimming lessons sponsored by the local branch of the American Red Cross begin Monday morning at the Morrow pool, 1045 Harvard avenue. The ten day course running through Friday during the weeks of August 4 and 11, is open to all intermediate and non-swimmers.

Virginia Rath, director of women's physical education at Swarthmore College, will teach the classes, assisted by Life Saving Instructor Mrs. Ralph V. Little, Jr., of Haverford place, and Junior Life Savers Joan Taylor, Yale avenue, Virginia Tills, Haverford place, and Sidney Jackson, Harvard avenue.

Classes start promptly at 9 for the intermediate group, and at 10 and 11 for the Beginners group.

Land secretary Mrs. William F. Taylor, 2nd., who will be on hand Monday to register the water pupils, and keep the records during the rest of the course, will also help with the beginners.

Both Miss Rath and the Red Cross have underlined the need for greater water safety, and urge parents to encourage the indifferent or non-swimmers of their families to take advantage of this opportunity. Those who wish to improve their endurance and confidence are cordially welcomed.

Aspirants under three feet are asked to wait another year, however, as the shallow end of the pool is only three feet and creates too great a handicap for the beginner.

TV Guest

Mrs. Valentine Fine of Swarthmore avenue will make a guest appearance on Television next Wednesday morning at 11 o'clock. The program is "Home Highlights" on Channel 10. Mrs. Fine will tell about a successful home grown product, "Bless and Apportion", the cook book which the women of Trinity Church published this year.

RECEIVES PROMOTION

Robert W. Richardson, Park avenue, has been promoted from Philadelphia area sales representative of Ethyl Corporation to Philadelphia district manager. A graduate of Massachusetts Institute of Technology, Mr. Richardson joined Ethyl as a field engineer in 1933. He served throughout New England and Pennsylvania until his transfer to Philadelphia last year. During the war he served for three years as a Lt. Cmdr. with the Navy Bureau of Ships. The Richardsons have two sons and two daughters.

Mrs. W. Mark Bittle of Rutgers avenue entertained at a neighborhood party Saturday evening in honor of newcomers to Swarthmore Mr. and Mrs. J. E. Snyder recently moved from Davidson, N. C., to 127 Rutgers avenue.

Lay Committee Studies School Bldg. Problems

Sub-Chairmen Deliver Reports at Tuesday Meeting

School Board's special Lay Committee appointed to investigate particular problems in the overall headache of school expansion, met Tuesday night in the High School Building to hear the reports of the various sub-committees.

Basing his findings largely on the Streeter survey made in the Spring, Board Member John Spencer as chairman of the School Population Sub-Committee forecast a possible 605 resident high school population by 1960, an increase of 319 over the resident population for 1952-53. In considering the possibilities of maintaining or increasing the present 194 tuition students, Mr. Spencer found the prospects dim, as surrounding communities will be building or enlarging their own schools; the possibilities of a future jointure was also considered doubtful.

Educational Standards Report

Mrs. Oliver Rodgers' report on Educational Standards and Needs found that to give the best in education the elementary facilities should be on one site. As the College Avenue plant was not recommended for reconstruction the report suggested that the Land Committee consider the Rutgers Avenue tract for any expansion rather than add on at the College Avenue grounds.

Elementary School Plans as evolved by Charles Topping's Committee offered two alternatives. One, assuming a 600 student population in the High School would leave conditions pretty much at the present status; allowing for broadening rather than expansion of curriculum. The other, assuming a population of 700 would necessitate the absorption of the College Avenue Elementary School by the High School.

Under the former scheme two plans were suggested—house all elementary pupils at Rutgers Avenue or move the College Avenue School to the triangle of land south of the railroad at the end of Dartmouth avenue. The other scheme listed seven possibilities in moving and housing the various elementary grades.

Land Committee Report

The Land Committee with Ford Robinson as spokesman recommended the much-discussed Rutgers Tract as the one most suited to school needs as to cost, size, and location away from the railroad and busy streets.

President of the Swarthmore Property Owners Association Alan C. Wood, giving a full account on space available for temporary relief to the overcrowded elementary schools, reported that as to state requirements, convenience to host organization and needs of the classes, the Presbyterian Church offered the best facilities.

Samuel Carpenter, Board member heading the Lay Committee adjourned the meeting at 10:30. Mrs. Rodgers' and Mr. Topping's committees will meet together August 6 to compare facts before the entire gathering reconvenes sometime within the next three weeks.

OFFICE CLOSED

Mrs. Mary P. Dodd, tax collector will be absent from her office from August 4 to August 8.

Weatherman Winning Fight With Gardeners

Encouraging a garden to grow is getting to be something of a problem, what with the hot weather and all, and then the chances are that a sudden storm will come up, washing out the one plant that finally came through with a bloom, and leaving the rest of the garden gasping for air beneath a miniature flash flood.

And gardeners, bending hot and perspiring over the dismal prospects of their flower beds must surely puzzle over the weeds that flourish through sun and flood, care and neglect; more than one ambitious cultivator must have

would bring a touch of color to the white-washed wards of the Philadelphia General Hospital.

Wild flowers of the field might offer another possibility, for neither toiled over nor cultivated they too seem to thrive in this temperate climate of all sun and no rain. But certain it is, if the weather doesn't break soon, the women at the Friends Meeting, who with Mrs. Albert Hillis as chairman, inherit the problems today, August 1, are in for a difficult time. It is a hard task to report "No flowers today".

Presbyterian Church Receives Carillon Bells

A set of Schulerich carillon bells were presented in July to the Presbyterian Church as a memorial to the late Ethel L. Jones. The gift of her husband Dr. Arthur Jones and her friends, the bells have already brought pleasure to Swarthmoreans at home and on their way to church.

Installed on the roof of the old Sunday School Building, the bells have a four-way amplifier and can be used both inside and outside the church.

Mrs. Jones was an ardent music lover and for many years was soloist at the Harvard avenue church.

Susan Braun of Yale avenue returned last week from Camp Netunus in the Poconos.

NEWS NOTES

Mr. Pemberton M. Dickson of North Princeton avenue and Mr. John E. Chicquolne of Rutgers avenue, and Mr. Dickson's son-in-law and daughter Mr. and Mrs. Henry L. McCorkle and two children Laura and Nina will leave tomorrow for a two week's stay at Oars Island, Me.

Mrs. Harold G. Griffin of Rutgers avenue was hostess to the Tuesday Reading Group this week.

given a serious though or two to the idea of raising a patch of carrot-weed in the desperate hope that a zinnia or marigold might pop up uninvited.

Swarthmore women in charge of the Flowers for the flowerless project would undoubtedly be surprised some early Thursday morning to find the buckets on the Woman's Club porch filled with bouquets of selected blanket-bur and edgeweed. The Nurse might remark on the weekly harvests of Swarthmore Gardens, but even a simple blade of crab grass

The Wide-open Summer Road

beckons millions of Americans. This is open season for taking long rides in the country or to the seashore... for touring vacations. Pay close attention to safe driving habits on the wide-open summer roads.

In addition to the usual rules of traffic there are three seasonal hazards that demand caution:

• Keep your mind on driving—your eyes on the road. To admire the beautiful scenery—pull your car into

a parking clearing. Even a few seconds distraction invites danger. An accident can be only a "head-turn" away.

Don't exceed 40 miles per hour on strange roads. Road signs and markers are guides to safe driving—but they are not substitutes for necessary caution. YOU must know the road to know how sharp the curve... how steep the grade.

Watch out for fatigue. Don't drive

too long at a time. Driving is more tiring than you think. Fatigue slows your coordination... distorts your vision. Too many drivers are "asleep at the wheel" and don't know it. Too many accidents are caused by fatigue. Take time out to rest. Stay alive.

Whether or not you get into an accident or are caught violating a traffic rule—you know you are on the wrong side of safety when you take a chance. Stay on the right side. Be a good driver.

1952 POLIO PRECAUTIONS

RECOMMENDED BY THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

Seven-year-old Karen Blecha enacts 1952 polio precautions recommended by the National Foundation for Infantile Paralysis. When polio is around, the National Foundation cautions parents to watch for these signs: headache, fever, sore throat, upset stomach, tenderness and stiffness of neck and back. A person showing such symptoms should be put to bed at once, away from others. Then, call your doctor and follow his advice. If polio is diagnosed, call your local chapter of the March of Dimes for advice and assistance, including needed financial help.

Rincliffe, Alden Named In United Fund Campaign

R. G. Rincliffe of Strath Haven avenue, president of the Philadelphia Electric Company, has been appointed a section chairman in the third annual United Fund Campaign, according to Clewell Sykes, general chairman of the drive. The section headed by Rincliffe, who is also a director of the United Fund, embraces more than 700 firms in the insurance business, paper, leather and automotive industries.

Sykes also announced that Philip M. Alden, of North Chester road, retail division manager of the Philadelphia Electric Company, will serve as vice chairman of the section. Rincliffe has been active in the United Fund since its inception in 1950 and in the Community Chest for many years. His current community service includes such posts as the Endowment Committee of Franklin Institute and the Advisory Committee on Civil Defense. The Section 1 chairman has been an officer of the Philadelphia Electric Company since 1945, having joined the firm in 1923, following his graduation from Yale and the Massachusetts Institute of Technology. He is a vice president of the Pennsylvania Electric Association and a member of the following: American Gas Association, American Institute of Electrical Engineering, American Society of Mechanical Engineers Club, Chamber of Commerce, Union League and the Newcomen Society.

Alden held the post of section vice chairman in last year's drive and was active during the war years in U.S. Savings Bond Drives. He is a director of the Bannockburn Heights Improvement Association, and a trustee of many church groups. A member of the Philadelphia Electric Company since 1930, he was previously with Stone and Webster. He graduated from Massachusetts Institute of Technology as a valedictorian of his class and is a member of the Illuminating Engineering Society. Approximately 6,500 firms are expected to participate in the United Fund Campaign, scheduled for September. The campaign will be conducted solely in industry, business and other places of employment, with budgeted pledges solicited from firms, their executives and employees.

Major local fund-raising organizations which will take part in the United Fund Campaign include the Community Chest, Salvation Army, American Cancer Society, Heart Association, Mental Health Association, Arthritis and Rheumatism Foundation, United Cerebral Palsy Association of Philadelphia and the United Defense Fund-USO. Each of these participating organizations, except the United Defense Fund-USO will conduct its own separate campaign at its regular time to reach those in residential and other areas not covered by the United Fund Drive.

Mr. and Mrs. Robert Kamp of Riverview road, spent the week-end visiting friends in Pittsburgh. Previously Mr. and Mrs. Kamp and children Stevie and Betsy had vacationed for three weeks at the family cottage at Buck Hill Falls.

Mrs. O. M. Hook and Mr. Dick Hook of Strath Haven avenue spent several days over the week-end visiting friends in Franconia, N. H. Miss Mary Ann Hook is vacationing in Lewes, Del., for a week.

Mrs. J. Harvey Whiteman returned to her home in the Swarthmore Apartments Sunday following a three-week vacation at Cape May. Mrs. Whiteman's son-in-law and daughter Mr. and Mrs. Paul Snyder and daughters Nivin and Judith of Johnny's Way, Westtown, spent a month vacationing at Buck Hill Falls.

LOCAL MEN RECEIVE COMPANY APPOINTMENTS

Appointment of W. T. Askew, Wallingford, as assistant manager of Sun Oil Company's refinery at Marcus Hook, was announced Friday by Swarthmore resident Charles E. Maschal, refinery manager.

Formerly superintendent of the refinery, Mr. Askew will be succeeded in that position by John S. Thompson, Media. Mr. Thompson had been assistant superintendent in charge of the Plant Efficiency Division.

Mr. Askew joined Sun Oil Company in 1931, immediately after graduating from Texas Agricultural and Mechanical College with a degree in chemical engineering.

A member of the American Petroleum Institute and the Armed Forces Chemical Association, he is also chairman of the Brandywine District, Boy Scouts of America. His clubs include the Chester Rotary, Springhaven Country Club and the Rose Valley Folk.

Mr. Thompson has also been associated with the Company since

1931, starting as an engineer in thermal cracking plants at the Marcus Hook refinery.

Before joining Sun, Mr. Thompson served as an engineer with The Texas Company and with E. I. duPont de Nemours. He is a member of the Delaware River Power Squadron, the Springhaven Club, and is active in Boy Scout work.

wig van Beethoven. He will play this number at the concerto concert, also.

Spencer also plays in the Honors orchestra and string orchestra at Interlochen. In Pennsylvania he has served as concertmaster of the Southeastern District Orchestra for the last four years, and has been a member of the Pennsylvania State Orchestra for three years, serving as soloist and one of two concertmasters this last season. An accomplished tuba player, Spencer plays that instrument in the band at Swarthmore High School where he will be a senior next year, and plays violin in the school's orchestra.

Spencer plans a medical career after college, but says music will be his favorite avocation.

Only the most talented musicians from among the 1,600 enrolled at Interlochen from 46 states, Canada, and South America this summer were allowed to audition for the Honors orchestra, Dr. Maddy said, and Spencer's additional selection for concerto concert marks him as the season's outstanding high school violinist.

Attention, Citizens!!!

Vital Election Information

Who Can Register?

In Pennsylvania, citizens of the United States can register providing they have been residents of the state for one year or for six months, if they have voted previously in the state.

Where To Register

Registration can be made in Swarthmore on Wednesday, August 13, when the Roving Registrars will sit in Borough Hall from 2:00 p.m. to 9:00 p.m. for that purpose. It can also be made in the Court House, Media, up to and including September 13 during the regular business hours Monday through Friday, 9 a.m. to 4:30 p.m., and Saturday, 9 a.m. to 12 Noon. On Friday, August 22, the Court House will be open from 9 a.m. to 2 p.m.

How to Keep your Registration

Remembering the following dates and planning around them will help to prevent your losing out on Election Day, November 4:

September 4 is the last day an elector may move from one election district to another in order to be permitted to vote at the November Election.

September 13 is the last day all electors may register to vote at the November Election. This includes electors who will become of age on or before November 5, 1952.

September 15 is the last day for any elector who has removed into a new election district to give notice to the Registration Commission in order to be permitted to vote at the November Election. The removal card must set forth a removal date into the new election district which cannot be later than September 4.

SECTION 4. The Police Department of the Borough, under the direction of the Burgess, and with the approval of the Public Safety Committee of Borough Council, may from time to time designate other borough streets on which traffic shall be permitted in one direction only, and may erect suitable approved signs for the control of such one-way traffic. All such one-way signs so erected shall have the same force and effect as though particularly designated by this Ordinance until the further action of Borough Council or until the authorized removal of such one-way signs.

SECTION 5. Any person violating any of the provisions of this Ordinance shall upon summary conviction before a magistrate, be sentenced to pay a fine of \$500 and costs of prosecution, and, in default of payment thereof, shall undergo imprisonment for not more than three days.

SECTION 6. All ordinances or parts of ordinances inconsistent herewith are, to the extent of such inconsistency, hereby repealed.

Passed this 4th day of August, 1952.

H. LINDLEY PEEL, President of Council.

RUTAN—THORBACH

The marriage of Miss Joan Alice Thorbach, daughter of Mr. and Mrs. Stewart R. Thorbach of South Swarthmore avenue, and Ensign Paul J. Rutan, Jr., son of Mr. and Mrs. Rutan of Ogden avenue, took place Saturday at 3 o'clock in the Swarthmore Presbyterian Church.

Dr. E. Fay Campbell performed the ceremony before an altar banked with Cybotium ferns, white gladioli and white asters flanked with lighted candelabra.

Mr. Henry J. Faust, organist, presented the wedding music preceding the ceremony.

The bride, given in marriage by her father, wore a bridal gown of Peau d'Ange lace and tulle over white satin fashioned with a fitted lace bodice, long sleeves and a full tulle skirt. Her veil was of tulle and she carried white roses and stephanotis.

Miss Barbara Sue Thorbach, sister of the bride, as maid of honor wore a shrimp colored strapless ballerina length gown made with a satin bodice and a full tulle skirt. She carried a bouquet of white roses and stephanotis.

The bridesmaids, Miss Marjorie Black of South Chester road, Miss Nancy Lewis of Gradyville, Mrs. William R. Bates of Springfield, and Mrs. Stuart Lee Dance of Bryn Mawr, wore similar gowns of aqua satin and net and carried yellow gladioli.

Ensign Joseph N. Cook, formerly of Swarthmore, who is now stationed at Norfolk, Va., served as best man for Ensign Rutan. Ensign S. Robert Thorbach, brother of the bride; Dr. William O. Linhart of Pittsburgh, brother-in-law of the bridegroom; Mr. George W. Rampt of Upper Darby, and Mr. Curtis Gallagher of Wallingford, acted as ushers.

Mrs. Thorbach, mother of the bride, wore a navy blue organza and lace gown, a periwinkle blue feathered hat and a corsage of pink rosebuds and blue asters.

Mrs. Rutan, mother of the bridegroom, wore a gown of pink tulle and lace with a matching hat and an orchid corsage.

A reception at Strath Haven Inn followed the ceremony.

Ensign and Mrs. Rutan left by motor for San Diego, Calif., where Ensign Rutan is stationed.

VISER—HEDGEPEETH

Miss Betty Jane Hedgepeeth, daughter of Mr. and Mrs. L. L. Hedgepeeth of Bound Brook, N. J., formerly of Swarthmore, became the bride of Mr. Edward Taylor Viser of Richmond, Va., son of Mrs. James H. Viser of Greenville, S. C., and the late Dr. Viser, on Saturday afternoon at 3 o'clock in the First-Park Baptist Church, Plainfield, N. J. The Rev. Harold R. Husten, D.D., officiated before a garden background of ferns and white gladioli. Mr. Nixon Bickwell, organist, gave a program of music preceding the ceremony.

The bride, given in marriage by her father, wore a gown of white silk marquisette and lace. The bodice was fashioned with lace panels in front and back, a mandarin collar and long fitted sleeves. Her fingertip veil of illusion fell from a cap of lace and her bouquet was of white roses and stephanotis.

Mrs. J. Mills Hedgepeeth of Newport News, Va., sister-in-law of the bride, as matron of honor wore a gown of gray tulle with gray nylon tulle redingote. She carried yellow roses and white daisies.

The bridesmaids, Miss Frances Altman of Dunn, N.C., a college classmate of the bride, and Miss Joyce Buchanan of Metuchen, N.J., wore similar models of gray nylon tulle, and carried bouquets of yellow daisies tied with yellow ribbons.

Following a two-week trip to the North Carolina Beaches, the couple will live at 409 S. 40th Street, Philadelphia.

Swarthmoreans attending the wedding included Mr. and Mrs. George Dunn, Miss Teal Dunn, Mrs. Ray Harlow and Mrs. George Davison.

Strange,

isn't it, that a lot of people won't walk

a few blocks to the polls to guard their freedom, when

others are fighting for it. Yet, that's the case.

HALF THE PEOPLE ELIGIBLE TO VOTE
DIDN'T CARE ENOUGH TO VOTE IN THE
1948 PRESIDENTIAL ELECTION.

And the past 82nd Congress was voted in — to guide your destiny and that of 155,000,000 Americans — by only 43.7 percent of the eligible voters.

WHO DECIDES what kind of taxes you'll pay, what kind of schools your youngsters will attend, how safe a community you'll live in? **YOU DO** — but only if you vote.

WHAT GOOD'S ONE VOTE? Getting good government is the biggest job in the world. One vote can't do it, but one vote multiplied by a million **CAN**. The only vote you can count on, though, is — your own.

And remember this: The fewer the votes, the closer we get to "government by the few" — a single class or a single party. And that's death for democracy and personal freedom!

There's one place where you guard your freedom. That's at the ballot-box. Be there next November. Vote for whom you please — but vote!

COURTESY PAYS on party-line telephones, too

Little courtesies, like lighting the other fellow's cigarette, help to make life happier. Consideration for the other fellow is the basis of good party-line telephone service, too. If you are always courteous on the telephone, you're sure to find your party-line neighbors the same. Remember the three R's of party-line courtesy - Relinquish the line as soon as possible when you hear others try to use it; Replace the receiver gently when you find the line in use; Regulate your calls so that others may use the line in-between.

New Students to Be Registered by Aug. 25 School Opens Sept. 8th For Elementary, High School Classes

Registration for new pupils entering Swarthmore schools for the first time should be completed by parents next week, August 25 through August 29. It is imperative that registration be completed before Labor Day so that definite arrangements can be made to care for every child with adequate seating, books, and other necessities. It is especially urged that parents of children who have just moved into Swarthmore complete registration as soon as possible.

Parents are requested to bring with them at the time of registration the child's vaccination certificate, the birth certificate, and transfer from previous school together with any reports indicating the courses or work completed at the previous school.

Because of the individual attention accorded each pupil, it is necessary that school plans be made well in advance. In the High School, this necessitates attention to each individual child's needs and plans as required in the elective high school courses. Throughout the school, it is the intention to make certain that classes are not too large and that a place is reserved for each child. William M. Bush, the new High School Principal, is prepared to confer with parents about their children's courses.

Classes Begin September 8 Swarthmore classes will begin Monday morning, September 8, for all classes from the kindergarten through the Senior High School. During the first few days, the elementary grades will have morning sessions only to acquaint the children gradually to the routine and confinement of school work.

Session Hours In order to care for the overflow pupils in these grades and to have the majority of pupils in attendance at the College Avenue School, it will be necessary to transfer some pupils from the Rutgers Avenue area to the College Avenue area and in the case of the first grade, in the opposite direction. Many parents have already been consulted about this matter and have agreed to these changes in order that all classes may be equalized and that none may be overcrowded.

Dr. Bates Appointed Tech. Advisor for Sun

Appointment of Dr. John R. Bates, North Chester road, to a newly created position of Technical Advisor to the Executive Committee of Sun Oil Company's Board of Directors has been announced by Robert G. Dunlop, President.

In order that Dr. Bates may give full time to his new duties, his administrative and operating responsibilities in charge of the Chemical Research and Development Department have been assigned to Dr. J. Bennett Hill, Director of that department.

Dr. Bates has resigned from Sun's Board of Directors but will continue to serve on the Military Fuels Technical Advisory Committee to Petroleum Administration for Defense.

The new post of Technical Advisor was created to keep Sun's Executive Committee fully informed of the rapidly increasing technological developments in the petroleum and petrochemical fields, Mr. Dunlop asserted.

"It is essential to the welfare of the Company," Sun's president continued, "to establish means for providing the management with information on world-wide developments of processes and products associated with our business."

"This service requires the full time of a top flight scientist, who also is well-versed in a practical knowledge of our Company's operations. We have such a man in Dr. Bates."

Red Cross Swim Course Ends at Morrow Pool

As a result of daily plunges into Morrow pool, 139 boys and girls emerged last Friday more competent swimmers for the two-week Learn to Swim program sponsored by the local Red Cross. This safety service, directed by Virginia Rath, began August 4 when over 150 hopefuls turned up at the Harvard avenue pool to develop their fins.

Intermediates, 74 of them, and 65 Beginners were divided into three groups each and enjoyed half hour lessons under the tutelage of Miss Rath and her assistants Betty Jersey and Virginia Little, Life Saving Instructors, Life Saver Sydney Jackson, Junior Life Saver Joan Taylor, and Carol Seymour. For the first two days of the course attendance averaged 110 but subsided to 60 after the Polio Scare. Even so, several "good" swimmers had to be dropped because instructors needed the time and space for those who needed it more, and some would-be beginners proved to be too short to participate in the lessons.

The eleven intermediates who passed their tests included Larry White, David Scarborough, Chris Decker, Gunnar and Margit Quist, Betty Gemmill, David Walmesley, Allen and Gynny Gardner, Karen Peterson and Thomas Harvey.

Those passing the Beginners test were George Ann Stevens, Billy Spencer, Stanley Lowe, Marjorie Ewan and Eddie Shute, who, as far as their instructors know, could not swim on August 4.

Several other intermediates who did not get the Intermediate card, are entitled to a Beginners card if they do not already have one: Mary Lou and Betty Friend, Dickie Jackson, Jaquelin Gray, (Continued on Page 8)

Legion Team Wins Regional Championship

Swarthmore's Legion Ball Team won the Regional Junior League Championship Monday night when it routed Philadelphia County Champions, 4-3. The Cahill-Cholerton Post team which defeated the Swarthmore team Sunday night by a score of 2-1 in the round robin play-off, gave the home nine a good fight before the last man was put out in the seventh inning Monday night.

As District One State Champions, Swarthmore's team goes to Allentown tomorrow to play its first game against Reading on the Bredren-St. Louis Cardinals' Baseball Field at 12:30. If they win this game, they will meet another district winner at 8 p.m. the same day under lights. If they lose, they will play at 5:30 p.m. in Bethlehem on the Bethlehem Steel Field.

Eight sectional champion teams are competing in this all-state play-off. Teams losing twice are automatically eliminated from the contest.

H.S. Footballers Report For Practice August 26

The little Garnet will start practice for the coming season Tuesday morning at 9:30 a.m. on the Rutgers field. Sixty letters have been sent out by Coach Millard Robinson to all boys who have expressed an interest in football for the Fall. All boys in grades nine to 12 are invited to join the squad and go to camp.

On the evening of the twenty-sixth a Kick-off Barbecue will be held on the Belfield grounds to which all squad members, parents and team rooters are invited. Past captains, players and pro-stars will be present to help the coaches and fathers make up a "Football-Talk-Story" program. Those wishing to attend should notify the Coach.

Two practices will be held daily (Continued on Page 8)

Grandpa Outvotes His Grandchildren 3 to 2

Judging by statistics, grandpa was quite a guy in the good old days. Grandpa himself thinks he could have outcopped and outrun any young buck of today; some cranks uphold his hard-working life, others point out his choice of relaxation. But one phase is undisputed, he outvoted us three to two, and without his woman's help, either!

From the statistics we have of the eligible voters who actually voted in various years, it is almost impossible to avoid the conclusion that we have become less and less interested in our country's welfare.

The Advertising Council for the American Heritage Foundation quotes the following: 1880, 78.4%; 1900, 73.5%; 1920 (the first time women voted), 49.3%; 1940, 53.4%; 1948, 51%.

The United States is regarded as the Bulwark of democracy; the Advertising Council states that of those eligible to vote in France, 75% turn out; in Italy, 89%; Canada, 75%; Belgium, 90%; Japan, 71%; Israel, 72%; Sweden, 80%; and England, 83%.

The majority of voters in these countries don't seem to think, "one little vote won't matter."

SCOUT TROOP 2 GOES TO CAMP

Seventeen members of Boy Scout Troop 2 of Swarthmore spent the first two weeks of August at Camp Delmont, the On My Honor Camp of the Valley Forge Council, Boy Scouts of America. They were under the leadership of their Scoutmaster, Peter Murray.

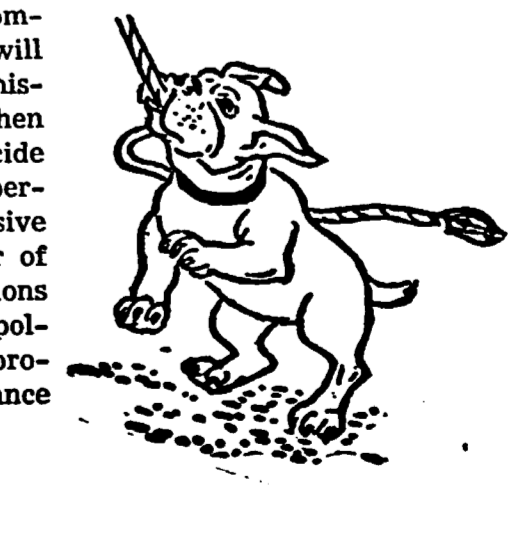

Nothing Ventured, Nothing Chained

The laws of the state, the Borough of Swarthmore and the good neighbor policy of domestic living pose a dilemma to the neighbor who doesn't have a dog. Both the state of Pennsylvania and the Borough have passed a law confining dogs to the "reasonable control" of its owner. Consequently, when the dog next door charges through his garden, yaps consistently early every morning, makes passes at his friends coming in to visit, and regularly raids his garbage can, the neighbor feels forced to conclude that the dog is behaving with the full approval of the owner.

Setting a little uneasily on the former conclusion, the unhappy neighbor is suddenly startled with the vision of the pooch who, as master of the house next door, monopolizes the most comfortable chair, decides who may visit his owner, decrees what vegetables, flowers and shrubbery may be raised, arranges the menu, controls the waking and sleeping hours of his owner and his family.

Switching hastily to the second alternative, the neighbor then gloomily mulls over the possible reasons for the dogowner's seeming dislike for himself, becomes nervous and self-conscious under the strain, grows touchier and grumpier until he can't stand his neighbors, distrusts all pets, and finally dies an irascible, prickly, unapproachable and confirmed dog-hater.

This tragic situation - an extreme case, to say the least - could have been avoided had the neighbor only realized that, for the owner, his dog can do no wrong. Full comprehension of this significant fact will save a lot of hard feelings and misunderstandings all around. It is then up to the dogless neighbor to decide whether it is better to approach personally the owner on the explosive subject of the unseemly behavior of his dog, in line with the suggestions put forth by the good neighbor policy, or holler for help under the provisions of the Borough Ordinance and the State law.

Blood Donor Day The next Blood Donor Day in the Borough has been set for October 16. Swarthmoreans are urged to help the Red Cross help others by giving their blood.

Mr. and Mrs. Frank R. Morey of Yale avenue entertained at their house guest last week Miss Pauline Stephens of London, England. Miss Stephens is visiting her aunt Mrs. James Nigle of Kingston, N. Y.

Mrs. Franklin S. Gillespie of Harvard avenue has returned home after spending three weeks at Deer Isle, Penobscot Bay, Me.

Mrs. L. J. Servais of Elm avenue has been spending the week visiting her daughter Mrs. James Weir and family of Pittsburgh.

Attention, Citizens !!!

Vital Election Information

Who Can Register?

In Pennsylvania, citizens of the United States can register providing they have been residents of the state for one year or for six months, if they have voted previously in the state.

Where To Register

Registration can be made in the Court House, Media, up to and including September 13 during the regular business hours Monday through Friday, 9 a.m. to 4:30 p.m., and Saturday, 9 a.m. to 12 Noon. On Friday, August 22, the Court House will be open from 9 a.m. to 9 p.m.

How to Keep your Registration

Remembering the following dates and planning around them will help to prevent your losing out on Election Day, November 4:

September 4 is the last day an elector may move from one election district to another in order to be permitted to vote at the November Election.

September 13 is the last day all electors may register to vote at the November Election. This includes electors who will become of age on or before November 5, 1952.

September 15 is the last day for any elector who has removed into a new election district to give notice to the Registration Commission in order to be permitted to vote at the November Election. The removal card must set forth a removal date into the new election district which cannot be later than September 4.

Penn State Center Announces Fall Term

The Delaware County Technical Institute of The Pennsylvania State College will begin the Fall Semester of 1952, September 22, at the Nether Providence High School, Providence road, Wallingford.

Registration will be held at the Nether-Providence High School September 8-11 from 7-9 p.m. Classes meet Monday and Wednesday evenings beginning at 7 o'clock for 16 weeks.

Programs of study that will be open for registration include: Mechanical and Production Tool Design, Production Management, Industrial Electricity, Building Construction, Business Administration, Accounting, and Television.

Practical Psychology and Practical Speech will also be open for registration. These courses take into consideration factors affecting efficiency, training, adjustment and morale "on the job".

The programs of study and courses offered at the Delaware County Technical Institute are designed to give the student the necessary training and background required for many jobs of a technical nature in business and industry.

During registration a faculty of instructors chosen because of their academic and practical experience in subjects they are teaching will counsel all students during the registration evenings. For more information write John D. Kuns, District Representative, The Pennsylvania State College, Ogontz Center, Pennsylvania, or call Ogontz 9400.

SEPTEMBER at Atlantic City

ONE of the year's most delightful vacation months. Summer crowds have thinned, yet still a warm sun and cool evening breezes. Surf and bathing are at their best, entertainment and shops are at mid-summer peak. Ocean-front sandecks, private beach entrance, evening hotel entertainment, delicious meals. Hot and cold, fresh and ocean water in all baths.

Attention, Citizens!!!

Vital Election Information

Who Can Register?

In Pennsylvania, citizens of the United States can register providing they have been residents of the state for one year or for six months, if they have voted previously in the state.

Where To Register

Registration can be made in the Court House, Media, Pa. and including September 13 during the regular business hours Monday through Friday, 9 a.m. to 4:30 p.m., and Saturday, 9 a.m. to 12 Noon. On Friday, August 22, the Court House will be open from 9 a.m. to 9 p.m.

How to Keep your Registration

Remembering the following dates and planning around them will help to prevent your losing out on Election Day, November 4:

September 4 is the last day an elector may move from one election district to another in order to be permitted to vote at the November Election.

September 13 is the last day all electors may register to vote at the November Election. This includes electors who will become of age on or before November 5, 1952.

September 15 is the last day for any elector who has removed into a new election district to give notice to the Registration Commission in order to be permitted to vote at the November Election. The removal card must set forth a removal date into the new election district which cannot be later than September 4.

Penn State Center Announces Fall Term

The Delaware County Technical Institute of The Pennsylvania State College will begin the Fall Semester of 1952, September 22, at the Nether Providence High School, Providence road, Wallingford.

Registration will be held at the Nether-Providence High School September 8-11 from 7-9 p.m. Classes meet Monday and Wednesday evenings beginning at 7 o'clock for 16 weeks.

Practical Psychology and Practical Speech will also be open for registration. These courses take into consideration factors effecting efficiency, training, adjustment and morale "on the job".

The programs of study and courses offered at the Delaware County Technical Institute are designed to give the student the necessary training and background required for many jobs of a technical nature in business and industry.

During registration a faculty of Instructors chosen because of their academic and practical experience in subjects they are teaching will counsel all students during the registration evenings.

For more information write John D. Kuns, District Representative, The Pennsylvania State College, Ogontz Center, Pennsylvania, or call Ogontz 9400.

DR. SMITH DRAWS EDITORIAL COMMENT

Elm avenue resident J. Russell Smith was one of the two Americans who read a paper before a meeting of geographers held recently in Washington.

The gathering of three organizations, the National Council of Geography Teachers, the Association of American Geographers, and the International Geographical Union, called together more geographers than were ever before together in one place on the American Continent. It was the first time the International Union had met in America since its meeting in Washington in 1904.

An editorial in the August 17 issue of Life Magazine commented on the state of geography in American schools, and drew attention to Dr. Smith's views on the subject, as expressed in his paper:

"What relatively little geography gets taught at U.S. high school levels is too often a starveling twice-a-week study, under the manual-training teacher or the athletic coach, who hasn't much to do in the mornings. In European secondary schools geography is a full-time, compulsory long-pants subject.

"Our shameful neglect of geography probably contributed a good deal toward isolationism and to what is just as bad if not worse — ignorant 'internationalism.' That magnificent veteran geographer, Dr. J. Russell Smith, sees grave national danger in the geographic ignorance of our legislators. He contends that no candidate should be allowed to enter the congressional primaries who has not already passed the geography exams necessary for admission to the U. S. Consular Service, 'Certainly the lawmaker needs to know as much as the cub consul,' he told the delegates. We fully approve of Dr. Smith's ideals, even though they may be a little slow in coming to fruition within our lifetime."

The cat's dignity and quietness is almost undisputed. And certainly, one can usually hear where a dog is, and his tendency to fling himself enthusiastically onto his human friends is lacking a certain amount of decorum. But where are the felines' silence and dignity when they stage their battles — usually at night and beneath the nearest open window? A dog can't climb a tree, to be sure, but one never hears of the fire company rushing out to untree a dog — it's a cat or a human child.

Which actually is smarter — the cat or the dog — will probably be warmly disputed at firesides long after the scientist makes his test tube decision. In the meantime, rooters can aid their respective causes by keeping their beasts at home, muzzled, if need be. A neighbor antagonized by a cat, for instance, might be forgiven for thinking the dog is much the smarter — and so take sides. As for the owners, if they would haul their pets in at night with their children and the porch furniture, everyone could sleep better. And incidentally, those who wind the clock and put out the cat are duplicating their work. Either let the cat wake the neighborhood and murder the birds at dawn, and forget the clock, or call the cat home and set the alarm.
