No 'Crackers but Fun Will Pop for All Tomorrow as Community 4th Guns at 9:30

Parade in New Municipal Parking Lot to Set Off Business Association Sponsored Day Of Fun with the Neighbors

Swarthmore's traditional stay-at-home, non-explosive, safe and sane Fourth of July community celebration undertaken over a quarter of a century ago by public spirited club-women and financed and maintained by the Borough's generous and civic minded business men will start off with a bang tomorrow morning at 9:30 with the Children's Parade in the new municipal parking lot at Park and Dartmouth avenues.

Parents shooing their prides and joy into the proper classes between 9 and 9:30 will have little time for mental comparison between the present holiday and the combustible, tremendous act of the Continental Fathers which it celebrates. It seems a long way in time since the quill pens, parchment paper, and liberty bells on Chestnut street played their part in the signing of the Declaration of Independence 176 years ago. But there is something very akin to the original dreams of the Founding Fathers in the safe at home community celebration of Independence Day and the youngsters gathering without decree or threat in costumes appropriate to the occasion or not, would have been pleasing to the gentlemen whose distinctive act shaped tomorrow's freedom.

From 9 until 9:30, therefore, Parade Marshalls Ferris Mitchell and H. Lindley Peel will gently struggle to put the costumed participants pushing, shoving, pulling, riding, or dragging an unpredictable variety of red-white-and-blue decorated vehicles, floats, younger brothers, or pets into a semblance of order for the parade past the judges which will begin promptly at 9:30 a.m. Near the judges stand every child in the parade will receive a present from the Business Association and an American Flag presented by the Ainsworth-Wernher Post of the American Legion.

Their will be classes for the Fourth of July (costume, float, or allusion), decorated scooters, tricycles, bicycles, doll coaches, floats, pets, fancy dress, and comment on the times. In each of these industry, originality, and (let's face it) parental interest will play a large part in earning the coveted blue ribbon for first place, red for second, white for third, and yellow for honorable mention which the judges will award. A most attractive and able group of young women from the Junior Woman's Club will serve as judges, Mrs. Newell West, Mrs. Robert Hamm, Mrs. Herbert Tutherly, and Ruth Wagner.

Following the parade there will be a mad dash to the Rutgers Avenue School field where at 10:30 Pony Rides for children under seven and a Community Game Hour will offer entertainment for all, seven and up, each to his own taste, under the direction of Mr. and Mrs. Clark Allison, Mr. and Mrs. Henry Ford, Mr. and Mrs. Herman Bloom, and Dick Hoot. The Philip M. Alden family will be allotting pony rides on the four ponies which the Business Association has secured for the small fry's pleasure, so find them if that's the objective. After the games and rides, there will be dixie cups for all the hot and hungry participants furnished again by the day's sponsors.

There's something about this Game Hour which will bring the Founding Fathers to mind. Not that games on the playing field have too close a connection to the arduous tactics on the fields of Valley Forge and the Brandywine, but that freedom of choice and neighborliness, and the idea of community pleasure provided by a group within the group has not been achieved without first a dream, then a Declaration, and then some costly effort. The Swarthmore Business Association can't very well treat the Contin-

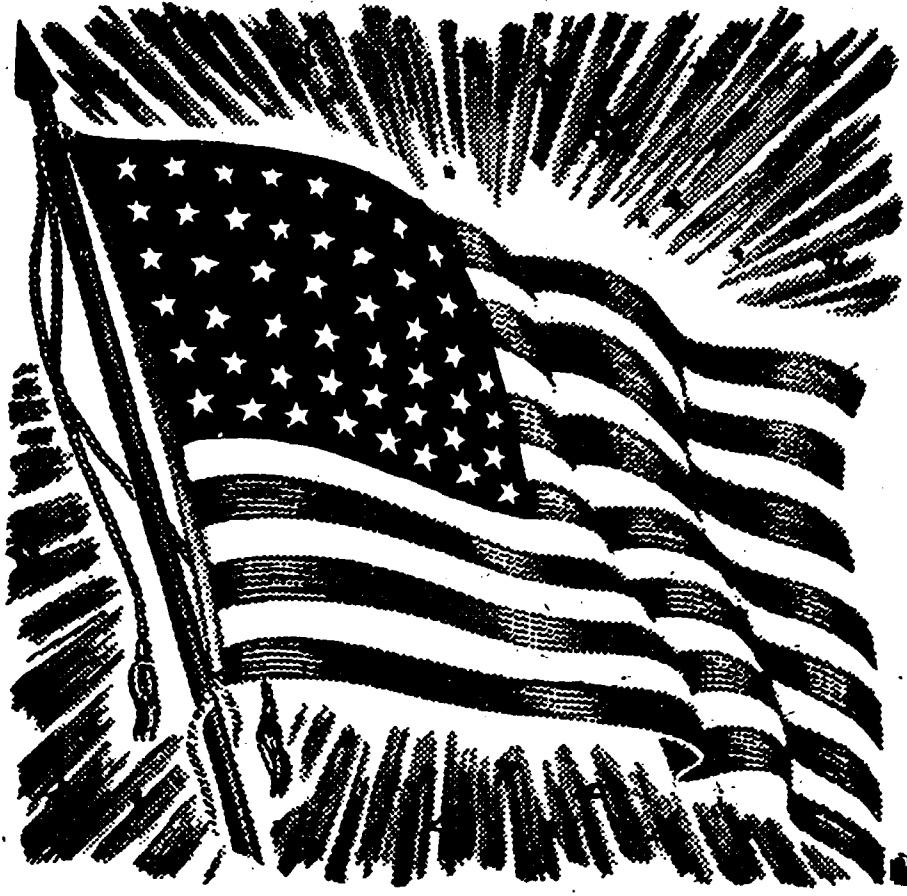

ental Congress to dixie-cups, but it would jolly well like to do so. And the great, great, grandfathers would feel a kinship to the Aldens.

The Fire Company's Water Fight at 12 Noon at Rutgers Avenue School will be a high moment of the day. Fire Chief John Rumsey promises a rousing battle, wetting down the hottest day. Old-timers will appear with raincoats and umbrellas but—ah youth!—what's the fun if you don't get wet? The Business Association is more than grateful to the Swarthmore Fire and Protective Association for its always anticipated cooperation. Wouldn't the Founding Fathers' eyes dance to see the spic and span shiny red equipment of the local fire fighting volunteers?

1:00-1:45 p.m.—a brief respite for resting and refueling. Those who started the day at 9 will probably sink into the nearest thing handy but many will start out promptly to watch the Fire Company meet an unidentified Mystery Challenger in softball at the College Avenue School Field at 1:45.

7:00 p.m. is the hour when devotees of Bowling on the Green will assemble at Whittier House to join the sport or cheer on the players. Here is the sport with which the country's forefathers will really feel familiar. Don't look over your shoulder of the silent "well-paid" of a periwigged shade or two may be interrupted.

At 5:30 families will gather at the Riverview Avenue Field for the American Legion Team's tussle with Drexel Hill. Then come the picnic suppers in the traditional American manner. In Maine, there'll be salmon, that's for sure. In Swarthmore, there'll be, well, let's leave it to the weather! But everywhere in these United States the day will be filled excitement, fun, and remembering. May the revered signers be pleased!

School Board in Final Meeting

Walter J. Hall, Jr., Elected Junior High School Teacher

Swarthmore School Board met in an end of the year meeting last Monday night to close up some financial matters as part of the termination of the fiscal year ending July 7th. They approved \$18,245.00 in accumulated bills which they wish to include in the current year of business. A number of transfers in the budget items had to be made to follow the provisions of the School Code requiring that no budget items can be exceeded for any fiscal year.

The bids were opened for some school furniture to accommodate the larger classes anticipated for next year. Twenty-four Universal type lid-lifting desks were ordered from the American Seating Company on their bid of \$662.40. Sixteen primary type chairs were ordered from Snellenberg's for \$77.60 and from Harry A. Trumpher in Philadelphia, eight small chairs and three metal filing cabinets were ordered for \$168.00.

The Board elected Mr. Walter J. Hall, Jr. of Springfield to be teacher of Junior High School Mathematics and Science and Assistant Coach of Football. Mr. Hall is a three letter man in football at Bucknell University where he was an outstanding end. A part of his duties in football will be to coach the line and to have charge of the Junior Varsity Team. He has been teaching in the Woodbury, New Jersey, High School. Mrs. Helen Wisdom, of Vassar avenue, was elected Secretary of the Office of the High School Principal and the Guidance Counselor.

The Board authorized that request be made to the Secretary to the State Department of Health to provide medical and dental examinations for kindergarten children.

Reed of College avenue, who will be married Saturday, July 19 to Mr. Robert Gregory of Evanston, Ill., was guest of honor at a surprise kitchen shower given Wednesday evening at the Reed home by Mrs. Robert C. Reed of Seaford, Del., and Mrs. James Price of West Chester.

The bride-to-be will be honored Friday, July 11 when Mrs. D. Malcolm Hodge of Strath Haven avenue will entertain at a luncheon and linen shower.

NAMES ATTENDANTS

Mrs. Henry L. McCorkle of Newtown Square will be matron of honor at the marriage of her sister, Miss Judith Dickson, daughter of Mr. and Mrs. Pemberton Morris Dickson, of Princeton Avenue, to Mr. Harry Knight Warren, son of Dr. and Mrs. George Peirce Warren of South Chester road, which will take place Saturday, August 30, in Christ Church, Media.

The bridesmaids will be Mrs. John B. Chiquino of Rutgers avenue, also sister of the bride, Miss Mary Alice West of Benjamin West avenue, Miss Mary Margaret Marsh of Columbia avenue, Mrs. Philip N. Kniskern of East Orange, N.J., Miss Georgia Anne Barclay of Bryn Mawr, and Miss Sally Kennedy of Wynwood.

PIPER-RANSBURG

The marriage of Miss Margaret Dorsey Ransburg, daughter to Mr. and Mrs. Frank Thurston Ransburg of Harvard avenue, and Mr. William Guy Piper, son of Mrs. Henry A. Piper of North Chester road, took place Saturday afternoon, June 28 at 2 o'clock in the Swarthmore Presbyterian Church. The Reverend Joseph P. Bishop officiated.

Freeding the ceremony, Miss Lois Wilson, roommate of the bride's sister at college, sang "Ich Liebe Dich", by Beethoven, "O Perfect Love", by Naylor, and "God Touched a Rose". "The Lord's Prayer" was sung during the ceremony.

Given in marriage by her father the bride's gown featured a bodice of Chantilly lace with long sleeves, and full skirt of nylon tulle. Her shoulder length veil of tulle fell from a cap of matching lace and she carried a loose bouquet of white gardenias, delphinium and ivy.

Miss Marian McCahan Ransburg, sister of the bride, was maid of honor, and the bridesmaids included the Misses Jessie Colehewer of Merion, Patricia and Elizabeth McCahan, of Strath Haven avenue, cousins of the bride, and Mrs. Thomas J. Porter of Newtown Square. The maid of honor and bridesmaids wore ballerina length starched chiffon dresses over light blue taffeta. All the attendants carried pink carnations and blue delphinium and wore coronets of blue and pink flowers.

Dr. H. Daniel Piper served as best man for his brother, and the ushers were the Messrs. Robert G. Piper of Albuquerque, N. M., and John Piper of Potstown, brothers of the groom Charles C. Brogan of Forest lane, James B. Vosters of Miami, Fla., Joseph S. Gary of Cleveland, Ohio, and William P. Wells of Stroudsburg.

A reception at McCahan Hall of the Presbyterian Church followed the ceremony. The bride's mother wore an aqua blue lace dress with hat of the same color. Her corsage was a white orchid. The groom's mother chose a rose dress and her corsage was of white gardenias.

Dr. and Mrs. David McCahan, Dr. and Mrs. Frank G. Keenen, and Mr. and Mrs. H. Lindley Peel entertained at the rehearsal dinner at the McCahan home on Strath Haven avenue Friday evening.

EVERETT-SMITH

Phyllis Bottomley Smith, daughter of Mr. and Mrs. George A. Smith, Jr. of Haverford avenue, became the bride of Frank Melville Everett, III, son of Mr. and Mrs. Everett, Jr. of Duquesne, on Saturday at 4:30 in the Swarthmore Presbyterian Church before a background of Cybotium ferns, white chrysanthemums and lighted candelabra. The aisle leading to the altar held lighted candles entwined with ivy and gladioli.

The Rev. Joseph P. Bishop officiated. Mr. Henry J. Faust, organist, presented "O Perfect Love" accompanied.

companied by the chimes, as well as the traditional wedding marches.

The bride, given in marriage by her father, wore a gown of white imported organza featuring an appliqued bodice with scalloped neckline and full skirt with applied flounce and sweep train. Her finger tip veil was attached to an organza headpiece and she carried Stephanotis and phalaenopsis.

Mrs. Robert L. Everett of Homestead Park, as matron of honor, and the bridesmaids Mrs. Halsy Knapp of Shiloh, N. J., and Miss Anne Hickman of Glen Mills, wore gowns of white embroidered organza over sequin taffeta. Their headpieces were organza over aqua taffeta, and their bouquets were of yellow gerbera and ivy.

Mr. Everett served as best man for his son, and the ushers were Messrs. Carl Sherrid of Myers-town, Lester Wilderman and Harry Sudul of Duquesne, and Lee C. Bennett, Jr. of Haverford place.

A reception followed at the Corinthian Yacht Club. The bride's mother wore beige chiffon over taffeta with matching accessories. The groom's mother wore a gown of dusty pink lace over taffeta with navy accessories.

The couple are on a wedding trip to the Poconos. The bride's traveling costume was a navy suit trimmed in navy and white. They will live at Port Clinton, Ohio.

The bride graduated in June from the Pennsylvania College for Women. The groom is a graduate of the University of Virginia.

O'SULLIVAN-SEELY

The marriage of Mrs. Nancy Stoddard Seely, daughter of Mrs. Walter Hoff Seely of Woodmont, Conn., and the late Mr. Seely, to Mr. Frank Edward O'Sullivan of New York, took place Monday, June 23, in the chambers of New York State Supreme Court Justice Henry Clay Greenberg in New York City.

The bride's father was a former editor of the Newark (N.J.) Evening News and at one time editor and publisher of Success Magazine. The Seelys made their home in Swarthmore for many years, moving from here in 1940.

A graduate of the Emma Willard School in Troy, N.Y., Mrs. O'Sullivan attended Swarthmore College and was for several years associated with the Philadelphia Record. She is now a member of the rewrite staff of the New York Post.

Mr. O'Sullivan, a native Pennsylvanian, was graduated from Fordham University. He is assistant copy editor of the New York Post.

Mr. and Mrs. LaRue Hendrixson of North Chester road will leave today, July 3, by plane for London, England. They plan to spend a month motoring through Great Britain and Ireland, returning by plane from Shannon, Ireland.

Mrs. Richmond D. Fetherolf of Columbia avenue entertained at a luncheon last Thursday in honor of a former college friend Mrs. Paul Cuyper and daughters Janice and Louanne, recently moved to Springfield from South Orange, N. J.

Martha McCrumm, Dorothy Prentice, and Nell Lee of Swarthmore, will leave next Tuesday to spend three weeks at the Girl Scout Camp Elizabeth Borton.

Motorists Cautioned

To Use Extreme Care
The long Fourth-of-July week end again will pose the usual problems of safety, convenience and patience, for many millions of motorists traveling over the highways of the Nation.

This vast flow of vehicles, certain to be one of the greatest of the year and one of the greatest in motoring history, will clog virtually every road leading to the mountains, seashore points and other resorts. And this tremendous increase in cars will considerably increase the danger to all, percentage-wise, warns John McAllister, Manager of the Upper Darby Division of Keystone Automobile Club.

"Hundreds of motorists and their passengers died in highway accidents over the three-day Memorial Day holiday this year," he pointed out. "If that terrible and highly unnecessary toll is to be cut down appreciably over the July 4 holiday all of us who drive anywhere during those three days must be certain that our cars are in the best possible mechanical shape, observe every common-sense rule of the road, and practice courtesy and patience at all times."

"Strict observance of speed limits and all posted regulations and the policy of 'looking out for the other fellow' will be of utmost importance to everyone on the highways. Early starts and leisurely driving also are essential safety factors, particularly on such a travel-congested holiday, and roundabout routes or even 'back roads' should prove more desirable—and certainly less dangerous—routes to many of the popular places."

"The motorist more than ever will be personally responsible for his own safety and the safety of countless others along the road. Be prepared, be courteous, be patient—and be safe."

Dr. and Mrs. James P. Porter, former residents of Danville, Ill., are now making their home with their son-in-law and daughter Mr. and Mrs. Pemberton M. Dickson of Princeton avenue.

Mrs. John McCrumm of Elm avenue with her children Martha and Tommy, have returned from a two-week visit with her aunt Miss Elizabeth Thomas of Browns-ville, Tenn.

Mr. and Mrs. Edward Thomas of "Applebrook", Park avenue will entertain at a picnic for a group of friends on July 4.

Mr. and Mrs. Samuel Rarig, Jr., and children Pamela and Harry visited Mrs. Rarig's parents Mr. and Mrs. Stanley L. MacMillan of Vassar avenue while en route to their home in Glens Falls, N.Y., after vacationing in Ocean City.

Miss Helen Disque of New York City will spend the holiday week-end at her home on Strath Haven avenue.

Mrs. Robert M. Perce and children Bob, Joby and Julie, formerly of Haverford avenue, have joined Mr. Perce in Lake Forest, Ill. Mr. Perce was transferred from Philadelphia to Chicago as

general manager of the mid-west division of Atlantic Mutual and Centennial.

It's Never too Hot For Recreationers

Busy, happy, creative mornings at Summer Recreation were the order of last week for young Swarthmore, despite the heat and other aspects of local weather.

Four more children have joined the Play School sponsored by the Swarthmore Recreation Association, bringing the total number of children who enjoy their mornings at Rutgers avenue building to 102.

The three-year-olds were the recipients of a white rocking horse with a red saddle, the gift of Sara Hetherington. In spite of the heat the youngsters were happy riding the new horse, painting, digging, and listening to stories under the trees.

Kathy Madison, of the young fours, exhibited a turtle last week to her classmates, and a turtle song was learned. The children also spent much time dressing-up and playing in the sand box with water.

Pre-kindergarten had an average attendance of 18 children each day. Clay modeling was enjoyed most of the week indoors with bicycles still the most popular sport outdoors. On the hottest days, through July with Donald's sister Mrs. Bruce Throckmorton of Santa Monica, Calif., and Jack's uncle Mr. William Thompson of Palos Verdes, Calif.

Dr. and Mrs. Robert C. Good, Jr., and son Mark, formerly of Bethlehem are residing in their newly-purchased home at 105 Forest lane. Dr. Good was an instructor at Lehigh University last year. He has received his Doctorate from Lehigh and is now associated with Franklin Institute as a research physicist.

Patricia Told left Monday morning by plane for Boston to chaperone a group of campers to Readfield, Maine, where she will be riding counselor at Camp Vega, Jr.

Mrs. Vaughn K. Foster and daughter Elizabeth of Springfield, formerly of Swarthmore, left July 1 for a two-month trip to California. They will return home by way of the Canadian Rockies.

Mr. and Mrs. William H. King and children of Marinette Wis., returned home Saturday after vacationing with Mrs. King's mother Mrs. A. U. Fairbanks of Park avenue. Miss Antonica Fairbanks accompanied them to Marinette for a visit.

Mr. and Mrs. Russell Snyder and sons Russell and Noel of Dickinson avenue, and David Spencer of Ogden Avenue, left Monday to be located at the National Music Camp, Interlocken, Mich., until August 25.

Mr. and Mrs. William Craemer of Harvard avenue are having as their holiday week-end guests Mrs. Craemer's sister Mrs. John J. Caulfield of New York City, and Dr. Virginia Oler of Washington, D.C., the former Virginia Craemer.

A fight that never ends!

★ Even since our nation was founded, each generation has fought for what we Americans value most . . . our Way of Life . . . our equality of opportunity . . . our right to think . . . our right to speak . . . our right to worship as our consciences direct. The reward has been a life worth living; the price has been and always will be eternal vigilance.

Philadelphia Electric Company

A Business Manager, Tax-Paying Public Utility Company Owned By More Than 100,000 Shareholders.

If you and I were better Americans

There would be no serious highway safety problem that engineering couldn't solve.

Thirty million drivers would be protecting the safety of themselves and their fellow citizens . . . making allowances, graciously, when the other fellow makes an error . . . learning that it's still true that the soft answer turneth away wrath.

Yes, if we were better Americans . . .

We, who are always so ready to give millions of dollars to repair the damage of broken homes and hearts in many lands . . . would willingly sacrifice a bit of our rights

on the road to keep tragedy from the million American homes sorrowed annually by highway death and injuries.

The record of 32,000 traffic deaths each year challenges every American. It calls for the same spirit with which America has answered other challenges of peace and war . . . for self-sacrifice of the petty personal victory for the greater good of all.

The challenge of highway disasters will be defeated by safer driving . . . by a spirit of fair play and friendliness for the other fellow . . . when you and I are better Americans.

dren. Pupils of the other grades have had these examinations before these examinations for kindergarten children. These examinations are now permitted upon School Board request by Act of the recent state legislature.

The Board noted that it had on hand four Iron Fireman Bituminous Stokers in good condition which are to be taken out of use because oil burners in the new heating plant are being installed in the building this summer. It was noted that there is a very poor market for coal stokers these days but the officers of the Board were directed to sell them if a buyer could be found.

A report has just been received from the State Tax Equalization Board showing the 1951 Market Value of Taxable Real Property as \$21,933,373. The 1951 Assessed value of taxable real property is \$6,496,665 and the percentage of assessed valuation to market value is 29.62 percent.

The treasurer, Donald Jones, reported a probable cash balance at the close of the fiscal year, amounting to \$17,184.

Heads International Group

Nigel O.C. Wolf of Rutledge was elected president of the International Institute of Philadelphia by the Board of Directors at their meeting last evening. Mr. Wolf, Executive Vice President of the Spitz Laboratories, who has served for the last three years as Vice-President of the Institute, is also a member of the executive board of the Fellowship Commission.

"Experiences at the Institute with displaced persons during the last three years", stated the newly elected president, "have demonstrated that much can be achieved by their resettlement in cooperation with other social and educational agencies, nationality communities, and all religious bodies working toward the successful adjustment of newcomers in our community.

"We are sincerely concerned with the need for revised and humanized immigration laws, both for the sake of reuniting those already here with members of their families still overseas and for the sake of international cooperation in the world problem of thousands of dislocated persons".

DECLARATION DAY

When our country first united And the States each one did sign

Our cherished Declaration Upon the dotted line.

Our fathers then envisioned A nation of the Free,

Where every man was equal And safe on land or sea.

Where Independence reigned supreme; Where Honor was our creed;

Where Toil, Integrity and Truth, Fulfilled our every need.

A nation with its head held high, Revered by all the World.

A country, at whose Stars and Stripes No insult dared be hurled.

Now, in these days of War and Strife,

Our nation must be strong; Condemn dishonest, evil, acts

Protect our shores from wrong Raise up again our Flag on high,

Where it may proudly wave Above our land where Freedom rings.

Beloved home of the Brave. —Lawrence E. Drew

John Dolman, Jr., Funeral Today

Former Players Club Head Died Suddenly Wed. Morning

Dr. John Dolman, Jr., professor of English at the University of Pennsylvania for the past 25 years, died suddenly from a heart attack at his home 304 Vassar avenue Wednesday morning. Funeral services will be conducted at 2 p. m. this afternoon at Oliver Ball's, Philadelphia.

Honored for his scholarship and educational distinctions, by his long time neighbors, and friends in Swarthmore, Dr. Dolman leaves his mark on the Players Club of Swarthmore with which he had been associated for many years as actor, director and president in a crucial war season, 1941-42. He has been associated with 33 of its productions, many of these classic revivals or first productions in the modern manner.

Iris growers in this Borough and throughout the country knew him as an authority in the field of iris culture.

He has made many significant contributions to the educational theatre and to the art of public speaking. Dr. Dolman began his long connection with the University of Pennsylvania faculty as a Reader in English and has held the rank of Professor since 1927. Along with his teaching duties Dr. Dolman served the University in an administrative capacity as Director of its summer school from 1923 to 1928.

During this period he was editor of the Quarterly Journal of Speech and was still a contributor to that publication in English and has held the rank of Professor since 1927. He was the author of numerous books and articles on acting, play production, speech and (Continued on Page 4)

NAME MRS. ZECKER TO TB SEAL POST

The appointment of Mrs. Paul E. Zecker, as 1952 Christmas Seal Education Director of the Delaware County Tuberculosis and Health Association, was announced today by Mrs. Frank H. Griffin of Wawa, Pa., member of the Association's Board of Directors and Christmas Seal Chairman for Delaware County.

Mrs. Zecker, who will be in charge of Christmas Seal Booth Sales throughout Delaware County, will organize and direct a staff of more than 40 volunteer chairmen. A graduate of Temple University and a former newspaper reporter and radio news writer, Mrs. Zecker is a member of Theta Sigma Phi, honorary journalistic fraternity, and a former member of the Pennsylvania Press Women's Association. She is vice-president, in charge of program, for the Swarthmore Mother's Club, and radio chairman of the Swarthmore League of Women Voters. Mrs. Zecker lives on Swarthmore avenue.

In addition to her interest in the Delaware County Tuberculosis and Health Association, Mrs. Griffin, a graduate of Swarthmore College, instructor for several years in the English Department of the College and acting Dean of Women in 1917-18, is director for Pennsylvania in the work for Stratford Hall, restored and maintained by the National Robert E. Lee Memorial Foundation. As chairman of the Medal Award Committee, she is equally active in the work of the Garden Club of America.

JOHN CARROLL HEADS COMPANY FAMILY SERVICE

John W. Carroll, College avenue resident, was elected president of the Family Service of Delaware County at its recent annual meeting. A Sidney Johnson, North Chester road, was named vice-president and Mrs. John W. Delaplaine, 1020 Harvard avenue, was chosen secretary.

John M. Pearson was elected a director succeeding the late Elsie S. Sprout. The Rev. Joseph P. Bishop was reelected to the Board of Directors.

'52-'53 School Budget Expenditure Break'd'n

Study Gives Taxpayers Chance to Know What Their Money Buys

The Swarthmore School District this week began a new fiscal year, and is now operating on a new budget, the old year having closed July 7, 1952. Since a new tax has been levied to meet the increased cost of this new budget, it is worth examining the contemplated expenditures.

By law, a school district budget is set up in eight departments, each covering a particular function of school administration. These departments are: A—General Control; B—Instruction; C—Coordinate and Auxiliary Agencies, as health service, recreation, sports, etc.; D—Operation, fuel, water, custodial help, etc.; E—Maintenance of Plant, repairs and alterations; F—Fixed Charges, insurance, rentals, etc. These six departments combined are known as "Total Current Expenditures." The other two budget departments are: G—Debt Service for debt retirement and interest payment; and H—Capital Outlay for purchase of new buildings and equipment.

In total current expenditures, the new budget calls for \$374,175 outlay, as compared with \$344,616 in 1951-52. Much of this increase is in instruction, due to the heavier requirements for enlarged teaching staff, with three new teachers added, salary increases for teachers mandated by state law which must be paid from local sources, and greater provision for books and supplies for the growing school population. Each department will be considered separately.

Department A, General Control, has increased from 9,095 to \$13,080, much of this increase allocated (Continued on Page 4)

Surviving are a daughter, Mrs. William Fawcett Porter of Wallingford; two sons, James Stoddard Hayes of Wallingford, Lt. John F. Hayes of Arlington; and a grandson James Stoddard Hayes, Jr.

Services were in charge of the Rev. H. Lawrence Whittemore, rector of Trinity Church, Swarthmore. Interment was made in West Laurel Hill Cemetery.

HOW TO REGISTER

The current interest in the national political conventions alerts voters to make certain that their registration to vote in the November 4 Election is in force and accurate, or, if a new or recently moved voter, is made in time to vote in the general election. The following information is pertinent.

September 4 is the last day an elector may move from one election district to another in order to be permitted to vote at the November Election.

September 13 is the last day all electors may register to vote at the November Election. This includes electors who will become of age on or before November 5, 1952.

September 15 is the last day for any elector who has removed into a new election district to give notice to the Registration Commission in order to be permitted to vote at the November Election. The removal card must set forth a removal date into the new election district which cannot be later than September 4.

Registration can be made in Swarthmore on Wednesday, August 13, when the Roving Registrars will sit in Borough Hall from 2:00 p.m. to 9:00 p.m. for that purpose. It can also be made in the Court House, Media, up to and including September 13 during the regular business hours Monday through Friday, 9 a.m. to 4:30 p.m., and Saturday, 9 a.m. to 12 Noon. On Friday, August 22, the Court House will be open from 9 a.m. to 9 p.m.

A. M. Bridge Aids Christmas Event

Child Health Center to Benefit by Summer Coffee-Bridge

Christmas may seem a long way off but the indefatigable Woodlyn Child Health Center Christmas Party Committee headed by Mrs. J. Paul Brown announces a Coffee-Bridge on Tuesday, July 22, to raise funds for the Christmas event.

The Coffee-Bridge will occur at the Woman's Club at 10 a.m., July 22, for the benefit of the Community Health Society of Delaware County's annual party for the children who attend its Child Health Center at Woodlyn. Coffee and punch will be served and dolls and toys which are to be presented at the party's Christmas Tree will be on display.

Mrs. Brown lists as her committee members Mrs. C. Edwin Ireland, president of the Health Society, Mrs. Francis H. Forsythe, Mrs. Walter A. Schmidt, Mrs. William Coles, Mrs. R. Blair Price, Mrs. Peter E. Told, Mrs. C. W. Lukens, Mrs. Charles E. Fischer, and Mrs. John Hill.

Table prizes will be provided. Mrs. Brown may be called, Swarthmore 6-1496, for table reservations.

Mrs. James A. Hayes

Funeral services were held Saturday for Mrs. James A. Hayes of Kershaw road, Wallingford, who died Wednesday, July 2 in University Hospital. She was 63.

Mrs. Hayes, the widow of a Philadelphia attorney who died in 1938, was a former art teacher in Hartford, Conn. She studied in Rome.

She was a former chairman of the Wallingford Red Cross and president of the Providence Garden Club. She was active in the Community Arts Center, Wallingford, and was a member of the Altar Guild of Trinity Church, Swarthmore.

Surviving are a daughter, Mrs. William Fawcett Porter of Wallingford; two sons, James Stoddard Hayes of Wallingford, Lt. John F. Hayes of Arlington; and a grandson James Stoddard Hayes, Jr.

Services were in charge of the Rev. H. Lawrence Whittemore, rector of Trinity Church, Swarthmore. Interment was made in West Laurel Hill Cemetery.

Parade Colors

Christy Decker with bike trimmed with red, white, and blue bells and pom-poms tied Janine and Jeanie Jackson in blue shirts, red and white shorts and hydrangeas in bike baskets and as headresses tied for first place in the bicycle class. Jackie Lattimore, Susie Martin, and Robbie Shipman each received red ribbons for second place with neatly decorated bikes.

Valentine Fine, red, white, and blue bike and blue dress, and Janie and Joan Mohr, white suits and red, white, and blue bikes tied for third place. Caroline Clifford with a well decorated bike and Barbara and Sue Wood in red, white, and blue shirts, blue shorts astride bikes covered with the national colors earned honorable mention in the thickly populated bicycle section.

Judy and June Roxby, looking cutely sweet in their candy striped red and white dresses astride their tricycles and Ellis Turner in a wonderful stove pipe hat with beffaged bike and guns won the top awards in the bicycle class. Three tied for second, David Martin with straw hat and red, white, and blue bow tie; Lynn Franklin, a statue of Liberty with gold crown; and Carolyn McKinnell.

There were five third place awards, David Shipman, Dickie Martin, Mary and Frances Marsh, and Sally Hatmum. Six honorable mentions reflect the judges' dicta. (Continued on Page 5)

Appreciates Cooperation, School Building Study Committee Organizes

Mrs. Rodgers, Topping, Spencer Lead Sub-committees

Meeting in the High School recently, the Building Study Committee of the School District organized for its work in studying the immediate and future school building and school land needs. This committee follows upon the work of the Streeter Committee which recently completed its study of the school population and town growth trends for the next five to eight years.

Many Enjoy Boro Fourth Program

Parade, Ponies, Play Time, Ball Games, Dixie Cups Provide Pleasure

The Swarthmore Business Association sponsored Community Fourth proceeded as scheduled except for the Firemen's Water Contest which had to be cancelled due to wet hose and tired firemen, both having been on duty since the unfortunate four a.m. fire which practically destroyed the Broomhall home on Cornell avenue. This created a large hole in the Borough Fourth but anticipation started immediately to build up for next year's "nothing else can replace" water fight.

Despite the Borough's sympathetic wakened dawn, 500 bedecked children turned out complete with parents for the most ingenious and orderly Fourth of July parade in many years. Marshalls Ferris W. Mitchell and H. Lindley Peel, their aides from the Business Association, and the Swarthmore Lions Club which turned in with a will to help were frequently praised for their concentrated and efficient work. The Junior Club's careful and discriminating judging also received accolades and was deeply appreciated by the sponsoring group.

School Building Study Committee Organizes

Mrs. Rodgers, Topping, Spencer Lead Sub-committees

Meeting in the High School recently, the Building Study Committee of the School District organized for its work in studying the immediate and future school building and school land needs. This committee follows upon the work of the Streeter Committee which recently completed its study of the school population and town growth trends for the next five to eight years.

Under the leadership of Samuel T. Carpenter, chairman of the Property Committee of the School Board, the evening was spent in studying the work which the Board has already accomplished in attacking the problems of school growth and the school needs. It is felt that this general committee consisting of Board Members whose parents could thus function if it were divided into three different areas or sub-committees, each of which would direct its attention to the present situations in the form of a report with broad recommendations to the School Board. The general committee is directing its study to all facts of the problems related to furnishing adequate buildings and land facilities as well as a rehabilitation and allocation of present school plans in the light of desirable educational requirements and standards.

The sub-committee on Lands and Buildings, headed by Charles Topping, chairman, consists of Alfred H. Marsh, Edmund Jones, David McCahan, Ford F. Robinson and Allan C. Wood. The task of this committee is related to the setting of school population figures for the various school attendance areas and then to determine the number of classrooms and related facilities needed for the elementary schools and the high school. They are studying also what playing fields and auxiliaries are required and what land is needed as (Continued on Page 8)

Represents Kappas

Mrs. Oliver G. Swan, 512 North Chester road, will represent the Swarthmore College Alumnae Association of Kappa Kappa Gamma at the 39th bi-annual convention to be held July 10-15 at the Homestead, Hot Springs, Va.

Eighty-two college chapters in the United States and more than 100 alumnae groups will send delegates including one from London, England.

Dr. Yasuko Kawai, woman doctor from Japan, who received the outstanding Kappa Kappa Gamma graduate fellowship award to study clinical medicine at Bellevue Hospital in New York City, will be on the program for the international night with Margaret Hickey, news correspondent and Beth Schupp, former scholarship winner who studied music in Austria. Each year undergraduate scholarships, graduate fellowships and foreign study grants are made.

Phyllis McGinley, poet-play writer, Marty Corniluis and Aleta Cornelius Malm nationally known Pittsburgh artists, and Helen Knox, author and treasurer of the Lee Foundation of Virginia will be guests of the convention.

The Fraternity's headquarters are located in Columbus, Ohio. It has been represented on campuses in the United States and Canada for 82 years and has a membership of 46,000.

FRY—PLUMER

Mrs. Louise Spencer Plumer, daughter of Mr. and Mrs. R. Chester Spencer of Swarthmore avenue, and Mr. Horace Pugh Fry, Jr., son of Mrs. Fry of Philadelphia, were married at 3 o'clock on Tuesday, July 8 in the Congregational Church of Wallingford, Vt.

The ceremony was performed by the Rev. Joseph P. Bishop, pastor of the Swarthmore Presbyterian Church, assisted by the Rev. John W. Stettner of Swarthmore, and the Rev. Ola R. Houghton of Wallingford, Vt.

Following the ceremony, a reception for the immediate families was held at Twin Knolls, Wallingford, the summer home of the bride's parents.

PORTER—HAYES

The marriage of Miss Katherine Adelaide Hayes, daughter of the late Mr. and Mrs. James A. Hayes of Wallingford, to Mr. William Fawcett Porter, son of Mr. and Mrs. William Herdman Porter of Rose Valley, took place Monday, July 7 at 10 o'clock in Trinity Church, Swarthmore.

The Rev. H. Lawrence Whittemore, Jr., officiated in the presence of the immediate families. The bride, given in marriage

by her brother, Mr. James Stoddard Hayes of Wallingford, was attended by Mrs. Hayes as matron of honor and only attendant.

Mr. Herdman Porter of Yorkers, N. Y., served as best man for his brother.

The couple left for a two-week wedding trip to Bermuda.

RUMPF—KRASE

The marriage of Miss Barbara Ann Krase, daughter of Mr. and Mrs. Norman William Krase of Middletown road, Media, to Mr. Allan Napier Rumpf, son of Mr. Frederick Rumpf of Garden City, L. I., and the late Mrs. Rumpf, took place Saturday afternoon at 4:30 o'clock in the Swarthmore Presbyterian Church before an altar banked with Cybottium ferns, white gladioli and delphinium and flanked with lighted candelabra. The aisle leading to the altar was alight with candelabra encircled with ivy.

The Rev. Joseph P. Bishop performed the ceremony.

The bride, given in marriage by her father, wore a gown of white Swiss embroidered organza fastened with fitted bodice and full skirt with deep embroidered ruffles on either side. Her veil was of Brussels lace and she carried white orchids and stephanotis.

Mrs. Herbert E. Michener, Jr., of Park Avenue, as matron of honor for her sister, and the bridesmaids Miss Patricia McCahan of Strath Haven avenue, Mrs. William DeForest Fetzer of Wyandote, Mich., and Miss Mary Elizabeth Rumpf, sister of the groom, wore gowns of deep aqua organza featuring modified off-the-shoulder necklines and full skirts with tiers of ruffles. Their headpieces were bands of white daisies and variegated ivy.

The matron of honor carried a basket of large white Shasta daisies with yellow centers and tea-roses, while the bridesmaids carried white daisies and yellow roses.

Jane E. Michener, niece of the bride, as flower girl wore a long white organza dress with aqua velvet sash and bandeau of matching velvet. Her basket of flowers was filled with white daisies with yellow centers.

Mr. George Winch of Haddonfield, N. J., served as best man, and the ushers included Messrs. Donald Kienholz of Pittsfield, Mass., William Kalms of Lansdale, Robert Littlewood of St. Michaels, Md., Robert Hammett of Garden City, L. I., and Herbert E. Michener, Jr.

A reception followed at the Old Mill in Rose Valley. The mother of the bride wore a blue lace dress with matching hat. Her corsage was of delphiniums shading from

light blue to a deep blue. Following a two-week wedding trip to Maine, the couple will live in Pittsfield, Mass.

Out-of-town guests included Mrs. Robert B. Scofield and Mr. and Mrs. William Littlewood of St. Michaels, Md., Mr. and Mrs. J. F. Rowe of Stewart Manor, L. Are all Executors paid alike?

Yes—the fees are fixed by state law... the same for a corporate executor as for an individual.

Among the advantages of corporate executorship are broad group experience and continuous service, which tend to speed estate settlement and minimize expense.

Swarthmore, Pa.

Dear Sir:

I have just finished a note to our fire-fighters expressing my gratitude that the words "Well Done" describe their heroic efforts on the morning of July 4th rather than the temperature and condition of my house and family. But I want to add this word of public recognition for their work. The job of confining the blaze to one house when it appeared that at least three would go is remarkable. But the most amazing thing to me was the well-trained, calm and competent cooperation exhibited by the volunteers from four communities. Like a smooth team they went to work, each man knowing exactly what to do and how to do it. Nobody argued about who was boss. No one ran about wildly shouting orders to impress the crowd. They appeared bound together by a common hatred of the hard master and a common desire to bring it under control.

Also remarkable is the fact that with all the firemen and crowds of spectators present absolutely no damage was done to my place—no hedges or flowers trampled, no windows broken, no water damage. Firemen or spectators, all were basically gentlemen.

Shortly after we moved to Swarthmore in February we received a bill from the Fire and Protective association for one year's dues in the amount of five dollars. Coming on top of the expense of moving and trying to repair this old house the bill was something of an annoyance. As I recall we took several weeks to pay it.

Believe me, we got our money's worth the other morning!

Sincerely,
Charles F. Seymour

David Jenkins of North Chester road left the latter part of June for Cuba and New Mexico, to be at the American Friends Service Work Camp for two months.

Mrs. E. A. Whitney of Elwyn entertained 16 guests at a morning bridge followed by luncheon Thursday. Guests were from Swarthmore, Wallingford and vicinity.

Mr. and Mrs. Frank R. Markley of Guernsey road left Tuesday by plane on a business trip to Europe, arriving in London Wednesday. From there they will go to Rotterdam and Hamburg, Germany, then to Zurich, Switzerland, to Paris and to Antwerp, Belgium. Returning to London, they plan to visit Edinburgh, Scotland before their return on the Queen Mary August 7.

Mr. and Mrs. Robert Faragher of Washington, D. C. spent a recent week-end with Mr. Faragher's mother Mrs. W. F. Faragher of the Swarthmore Apartments.

Mr. and Mrs. Valentine L. Fine of Swarthmore avenue will entertain as their week-end guests Mr. and Mrs. William Standish Gaylord of Washington, D. C.

Priscilla Rogers of Park avenue has returned from a 10-day visit with friends in Great Barrington, Mass.

drama. Three of his best known books are "The Art of Play Production, The Art of Acting, and the Handbook of Public Speaking." In 1930 Dr. Dolman was president of the National Association of Teachers of Speech. In 1932 he was president of the National Association of Summer School Directors.

He had an early acquaintance with the world of the theatre, three grandparents being professional actors. His paternal grandfather, John Dolman, was a leading actor in the Philadelphia Arch Street Theatre Company managed by Mr. and Mrs. John Drew. His maternal grandfather, John Nickerson, was an English-Canadian actor and manager well known by United States audiences. His maternal grandmother continued her stage career under her maiden name "E. J. Phillips" for 45 years after her husband's death, playing with Charlotte Cushman, May Robson, Joseph Jefferson and Edwin Forrest.

Dr. Dolman was active in the establishment of the Little Theatre Group in Philadelphia and for many years director of the former University of Pennsylvania Dramatic Society, directing many of their early productions including its first production, "The Admirable Crichton."

Dr. Dolman was a member of the National Theatre Conference, the American Educational Theatre Association, the Philadelphia Art Alliance, the Players Club of Swarthmore.

Born in Philadelphia in 1888, Dr. Dolman secured an early education in the city public schools. In 1910 he was graduated from the University of Pennsylvania with the degree of bachelor of science and three years later with the degree of master of arts.

He is survived by four children, John P. Dolman of Media; Mrs. John P. Dolman of Collegeville; Geoffrey Dolman of Wilmington, Md.; four grandchildren; his sister Mrs. Melanie Dolman Seymour; and three nephews, Charles F. Seymour of Cornell Avenue, John D. Seymour of Rochester, N. Y., and David Seymour of Upper Darby, Pa.

Mr. and Mrs. Earle P. Yerkes of Princeton Avenue returned home last Thursday after attending for a week the American Institute of Electrical Engineers Convention in Minneapolis, and later were in Chicago for a few days conference with Western Electric.

Marion Hemenway of Strath Haven Avenue, recently struck by a car near her home, recovered sufficiently to go to Camp Tamara for the month of July.

Mr. and Mrs. Owen W. Gay of Wallingford Hills were guests of honor at a small dinner party given Wednesday evening at the DuPont Country Club by a group of friends in honor of their wedding anniversary.

ed to the following items: Tax Collector, an increase of \$600 due to heavier duties entailed in collecting the per capita tax; \$1700 anticipated increase in legal services in connecting with building contracts, land acquisition, etc.; and \$900 additional fees for special studies made by the architect.

Instruction Rise
Instruction expenditures, Department B, are increased from \$266,635 to \$292,280. About \$18,000 of this increase of \$26,000 is allocated to staff salaries, \$10,000 for salary increases and \$8,000 for teaching and clerical staff additions. There is a \$5,000 increase in teacher salary reserve required to provide for contractual salary payments in July and August, 1953. About \$4,500 is added here, having been transferred from C, Auxiliary Agencies, to improve accounting procedures.

Department C, Auxiliary Agencies, has decreased from \$12,400 to \$8,725, due principally to the transfer of lunchroom and towel services expenditures to Instruction. Offsetting this, is an increase of \$1150, for the student activities account.

Operation of Plant, Department D, has been decreased from \$36,550 to \$33,425 due to transfer of items to other departments, \$875 sewer rental to F, Fixed charges, and salary of mechanic to Maintenance, Department E. About \$1,000 has been added for increased costs in water charges, telephone rental, and light and power.

Maintenance Expenses, Department E, have been cut heavily in spite of the great need of repairs and upkeep at the school plant. The net increase from \$7,000 to \$9,775 reflects in part the transfer of salary item of maintenance man, from the Operations account.

Department F, Fixed Charges, carries a large increase, due to the heavy demands here. The total increase of \$4,000, from \$13,138 to \$17,110, derives from additional costs, as follows: State retirement payments for employees, up to \$2,250, increase in fire insurance reserve, \$1,000, sewer rental increase, (transferred from "D") \$875.00.

Percentage-wise, the allocations to various departments of current expense are:

A. General Control	3.4%
B. Instruction	78.1%
C. Auxiliary Agencies	2.3%
D. Operation	9.0%
E. Maintenance	2.6%
F. Fixed charges	4.6%
Total	100%

Department G, Debt service is down \$550, from \$18,450 to \$17,900, due to the drop in interest charges. \$14,000 in bonds will mature and be retired in 1952-53.

Loan Limit
Under H, Capital Outlay, \$5,425 has been set aside for expenditure and payment from current income. In addition, provision is made for borrowing \$375,000 on loans, which may be spent as follows: New land and new buildings, \$294,200; building alteration, additions and new heating plant, \$80,800. Loans will be made, only as these expenditures are made. By law, loan provisions must be Board can enter into contracts for made in the budget before the this work.

The expenditure budget derived from current income, is \$397,700 for 1952-53, as compared to \$378,472 in 1951-52. Considering the loans provided for but not necessarily authorized, the budget has been increased from \$465,743 to \$772,700. This increase will provide for heavier current costs, and will provide for additional land and buildings needed to meet the present over-crowded conditions of the schools.

In a later article, it is intended to review the sources of income which provide for these school costs.

Mr. and Mrs. John H. Pitman of Vassar Avenue held a family picnic on the lawn of their home on the evening of July 4th.

NEWS NOTES

Miss Betty Lou Miller of Arlington Heights, Ill., and Miss Joanne Bohnett of Chicago, will arrive next Tuesday to be the house guests of Mr. and Mrs. Robert H. Reed of College Avenue. Miss Miller and Miss Bohnett will be bridesmaids in the wedding party of Miss Helen Reed whose marriage to Mr. Robert H. Gregory will take place Saturday, July 19.

Mr. L. C. Hastings of Haverford place returned Sunday from Mexico City where he attended the International Lions Convention convening from June 23 to June 28. Mr. Hastings, former president of the Swarthmore Lions, was a delegate to the convention.

Mr. and Mrs. S. H. Hemenway of Strath Haven Avenue entertained as their house guest for a few days of this week Mrs. William Freeman of Urbana, Ill., who was en route home after attending the Friends Conference in Cape May.

Mrs. Frank R. Morey of Yale Avenue will entertain informally at tea today in honor of Mrs. Karl M. Fox of 300 Yale Avenue, and Mrs. A. David M. Speers of 415 Yale Avenue, recent newcomers to Swarthmore.

Mrs. Christian Fries of Dayton, Ohio, en route home from the Home Economics Convention in Atlantic City, visited Mrs. L. C. Hastings of Haverford place. Mrs. Fries, a former Swarthmore resident, entertained at a luncheon at the Inglekue on July 1 for the following guests: Mrs. Hastings, Mrs. C. Russell Phillips, Mrs. F. Norton Landon, Mrs. Jonathan Prichard, Jr., of Swarthmore, Mrs. James F. Bogardus of Springfield, Mrs. Henry Mock of Philadelphia, Mrs. Edith Miller of Wilmington, and Mrs. Conrad Leslie of Atlantic City.

ficulty in this always appealing but baffling class, Judy and Jinny Tyson, Gary Hann, Nancy Webster, Christina deMoll, and David Foley.

The Floats Class was crowded with extremely clever entries so that any win was an honor. Blue ribbons went to two firsts, the "Due to the high cost of living we have no motor" chassis propelled by Dick Wright, Barbara Germer, and Judy Lincoln and the Boxing Ring with boxers Jimmy and Robby Montgomery and Mike Prather referee.

Red ribbons went to two second placers, Laura and Sara Enion as Red Cross nurses with a Red Cross ambulance complete with doll patient and the "Typical American Family" beach scene which Skip, David, Lynn, and Jan Bernard made themselves. There were three third prize winners, Margaret, Peter, Tommy, and Nancy Coste as the "Old Lady who Lived in a Shoe"; Marcia, Gay, and Skipper Silvers in an Eisenhower campaign float bearing an "I Like Mamie" sign; and Chris Pratt as a gay caballero astride his steed.

Parkie Smith and Ralph Kleizen in their homemade "tank" with World War I helmets; Anita Paul looking credibly like a "Miss Dimples of America"; Gordon and Sally Boyd in a Fourth of July birthday cake bearing the wish "Happy 176th Birthday" and all around the cake the words "You must vote and so must I" and "You can vote in '72"; and Danny Johnson in his "Fire Truck and Animals" won coveted honorable mentions in this excellent class.

Bravo Addis
Julie Huse with her pet Stubby took the blue ribbon in the Patriotic Pets class and Addis Gillfillan placed second with her set-

ter Rusty neither of them giving away by breathlessness the fact that Addis had arrived with decorated bike bright and early for the parade waited patiently for it to form, and then, just as it began to move, added the extra flip of a true Fourth bang with a punctured tire. Despite every effort of the Marshalls the bike would not move and Addis dropped out of line with every one in sight sympathetic with her plight.

Home she ran at peak speed, dressed up Rusty in shirt and shorts and was back in time to pass sedately past the judges. She didn't know until afterward that her act had electrified the spectators with its appropriate independence and initiative, nor that all who knew the story had mentally awarded her a "blue" for special gallantry.

The Fancy Dress class was next in line to test the judges. Five firsts were given to Robert Harvey as Uncle Sam, Bea Lee as "Madame Butterfly", Eddie Shute as Paul Revere, Christine Garrett as Miss Liberty, and Barbara and Karen Mangels as "Miss Swarthmore" and "Miss I Will Be Too". A Farm Lobby with tractor, produce and milk pail with Billy Reaser and Susan and Jamie Deering and the Miss America, Betsy McKeag and Betsy Friend placed second.

Skipper Willis "Quo Vadis" and fisherman Ann Paul with her wonderfully well behaved catch Joe Paul walked off with white ribbons for third. Faith Rogers as a "Fourth of July Calendar" (a fresh new note in years of parading made by her family), Billy and Barbara McClaren as "Patriotic Marchers", Betsy Rodgers as George Washington, Helen Morrison as the prince and Beverly Smith as Snow White in a Prince Charming duo, and John McKinell and Ian McKeag as American Indians received the honorable mentions in this class.

In the decorated carriage class,

Lynn and Kendra Lewis won the blue ribbons with dolls in stroller and doll carriage. Two outstanding cooperative group entries persuaded the judges to create a special class for group fancy dress. The "Dartmouth Avenue League of Junior Voters" took the blue ribbon, each single member carrying a campaign sign, "Whistle for Warren", "Kefauver's MY Man", "Eisenhower's for me", "Bob's All Right", "Vote for Russell", while in the rear of the League came twin carriages with Bradley and Birney Brown in the first bearing the sign "We're just for good clean government" and twins Dorry and Pat Piccard carriage reading "We're just for good clean pants".

In this group also were Janet Snyder, Anne Marie Prader, Janice and Susan Carroll, Barbara, Joanne, Ken and Doug Dumm, Dick and Kathy Piccard, Jeanette and Sara Beth Grier, George Glaesser, and Graham Patterson.

Second place was earned by the Elma Avenue Caterpillar which wound its tortuous way down Park Avenue to be asked by many a bystander, "Are you a snake?" and to answer patiently, "No, a caterpillar". This required good leading but also very good following and every part of that caterpillar as played by Tim Ryerson, Vickie McNair, Jackie Calhoun, Anne Ryerson, Callie McNair, Dean Calhoun, Billy Ryerson, Andy and Dora McNair, Gale and Paul Donovan helped to win the award. The caterpillar's heads carried the legend "Elm Avenue Kids".

Games Please
More than 350 children under seven enjoyed pony rides, keeping four ponies and the Philip Adams steadily busy for two hours, but there was no long line waiting at any time. Games were played by many with obvious pleasure. Franny Pearson lead the girls seven and up in games. Sam Reynolds directed the boys. Adults di-

vided into sports of their choice. Mrs. Fred Decker won the croquet tournament with her son Christy second, Jeffrey Loeben third, Arthur Loeben fourth, Mrs. A. F. Loeben fifth and Saul Schwartzman sixth by default. Mrs. Marguerite Twaddell watched with interest after playing a game of "Peggy" which she remembered from her childhood.

Following lively rivalry among a sizeable crowd of adults in golf driving John Davis came out first, Joan Narberth second, and Warren Bernard third. William McClarin won the golf putting contest with Mrs. I. R. MacElwee and Dick Fellows tying for second place. Mr. McClarin also won at

Bocci with Jack Jackson a close second.

Raymond and Dick Fellows won the horse shoes game. Anna May Allison came out first at ring toss with Joan Narberth second. Wayne Hoch, Dick Morlan, and Skipper Bernard placed in that order at Peggy. Richard Gurin and Larry Jones led the box hockey scorers with Sally Taylor and Saul Schwartzman placing second.

Gordon Smith won the singles Quoits contest with Bob Borer earning second place. Together they won the Quoits doubles. All who played and all who rode the ponies were more than ready for the annual treat of dixie cups which ends the game hour.

If Everyone

If every one drives a car
Could lie a month in bed
With broken bones and stitched-up wounds,
Or fractures of the head.
And there endure the agonies
That many people do.
They'd never need preach safety
Any more to me or you.

If every one could stand beside
The bed of some close friend
And hear the Doctor say "No
Hope!"

Before that fatal end,
And see him there unconscious
Never knowing what took place,
The laws and rules of traffic
I am sure we'd soon embrace.

If every one could meet
The wife and children left be-
hind
And step into the darkened home
Where once the sunlight shined,
And look upon "The Vacant Chair,"
When Daddy used to sit,
I am sure each reckless driver
Would be forced to think a bit.

If every one who takes the wheel
Would say a little prayer,
And keep in mind those in the car
Depending on his care,
And make a vow and pledge him-
self
To never take a chance,
The Great Crusade for Safety
Would suddenly advance.

Legion Defeats Wayne For League Lead

Thursday, July 3, Swarthmore Legion and Wayne, both undefeated teams, played for the League lead. Swarthmore's pitcher Robinson, pitched a no-hit ball game, striking out 11 batters. He won the game 11 to 1.

On July 4, the Legion played Aldan at 2:30 at Aldan in an exhibition game. Carmen Zizza pitched the Swarthmore team to a 5-2 victory.

At 6 o'clock, July 4, an exhibition game was played on the Riverview field against Drexel Hill. Swarthmore lost this game 4 to 1. Lee Ford was the losing pitcher.

On Monday night, July 7, the Swarthmore Legion met the Norwood Delco League on Riverview Field in a non-league game. The boys met their second defeat by a score of 4 to 2.

Next Monday, July 14, Swarthmore will meet Wayne in a postponed League game at Wayne at 6:30.

Tuesday night, July 15, a League game with the Horsey Post will be played at Swarthmore.

Friday night, July 18, the Swarthmore League will play the Szymanski-Rybacki at Chester.

Hornets Lose
The Hornets lost an exciting game at Springfield Monday evening. The score was 7 to 4. Hap Dunning pitched the first five innings, relieved in the sixth inning by Skip Skoglund. Together they allowed only five hits while striking out six.

The fielding play of the night was made by Less Keighton who made a sensational catch of a line drive to third, then threw to first completing a double play.

Charlie Wentz smashed a home run in the last inning with one runner on base to produce two runs in a losing cause.

School Building Study Committee Organizes

(Continued from Page 1)
The second committee, on Educational Standards and Needs, is making a study of the new elementary classrooms facilities, the number of students per teacher, the essential and the desirable elementary school spaces needed for general school purposes. A similar study is being undertaken of the high school instructional program and needs and facilities both in buildings and land.

Members of this committee are Mrs. Oliver Rodgers, chairman, John Carroll, Mrs. Peter B. Coste, Mrs. Earle Edwards, Jr., Mrs. Janet Kroll Groff, Henry F. Hofmann, Myrtle McCallin, Frank Morey, Lewis Shay, Jr., and Nell Wiseman.

The third sub-committee on the study of School Population is to make a further study of the present and future school population trends made by grades as well as the prediction of the possible teacher load and school plant needs in the future; also the relationship of the tuition pupil enrollment to the overall high school needs. Members of this committee are John F. Spencer, chairman, Mrs. Earle Edwards, Jr., Frank Morey, Harold Ogram, Mrs. John Seybold and Carroll Streeter.

Summer Clubbers Vie For Swimming Honors

Summer Clubbers enjoyed the Morrow Fool Thursday, July 3, where several contests were held to gain points for the various teams. The swimming race was won by Sara Hetherington, who also tied Lynn Bernard for honors in the diving contest.

Christie Decker took first place in the swim dive, with Lynn Bernard placing first in the novelty dive. The underwater swim for distance was won by Richard Gurin.

Tie for First
The Bombers, captained by Wayne Hoch, and the Wildcats, captained by David Shute tie for first place with 64 points. The Wildcats are carrying on without their captain who underwent an appendectomy last week.

Third place is held by the Jets with 61 points, captained by Burt Gabriel. The Termites with Bill Dawes as captain hold fourth place with 59 points, with the Kon Wikis, co-captained by David Weinreich and Posey Cadigan in fifth place with 48 points.

The Aces with Johnny Wigton captain are in last place with 44 points.

The tiny tots at Rutgers Avenue School have had a busy time this past week. June Roxby has a rabbit named Hoppy and her classmates plan to visit him soon. The young fours prepared for the parade on the 4th by having an early celebration at school. With decorated bicycles and paper flags they had their own parade on Thursday to get into the spirit for Friday.

The pre-kindergarten group enjoyed a visit to Belfield's duck pond Thursday. The children took sandwiches, and cool-aid was supplied by the Recreation Association. The ducks were probably well overfed, since bags of bread, as well as the usual load, filled the four cars taken on the trip.

Salute IBGT's
The kindergartens have been busy making yarn dolls, walking in the Swarthmore College woods and roasting marshmallows, starting a stack of empty boxes brought from home, and making sail boats.

Last Wednesday the children in kindergartens who remembered to say "I'll be glad to" when asked to do something were awarded a badge. They were gold stars with each child's name and "I.B.G.T." written in bright red.

The Primary group walked to Belfield's duck pond on Tuesday and on Thursday morning walked to Caroline Clifford's, 211 Rutgers avenue where they saw Caroline's new puppy, recently won from Martel's. Mrs. Clifford served the group refreshments of orange juice and crackers, which was followed by several circle games on the lawn.

COUNCIL PASSES PARKING ORDINANCE

Borough Council Monday night approved an ordinance, establishing regulation for parking in the new municipal parking lot which was opened to the public last week.

Parking will be banned between 2 and 4 A.M. It will be permitted for unlimited periods in one section but restricted to two hours in another section.

The ordinance also makes the following changes: A two-hour parking limit on Park avenue between Dartmouth and Harvard avenues; bans parking on the north side of Elm avenue between Swarthmore avenue and Cedar Lane, and like a ban on parking on the north side of Strath Haven avenue between Chester road and Harvard avenue but maintains a ban on parking on the opposite side of this street.

Council accepted, with regret, the resignation of Morris Fussell, borough auditor and appointed Robert Kuntzhalz, of Park avenue, to succeed him.

All Borough employees were placed under social security, retroactive to January 1, 1951.

The request of three physicians to erect a medical center in Swarthmore, corner of Yale avenue and Chester road, will be considered after a public hearing on the matter. The applicants were Dr. John Wigton, of Harvard avenue; Dr. Thomas Rial of Harvard avenue and Dr. Donald Fitch of Providence Village. The resignation of Patrolman Robert L. Todd was accepted.

Charles Keenen of Harvard Avenue, who is attending Officers Candidate School at Newport, R. I., is a patient in the Naval Hospital at Newport with infectious hepatitis.

Miss Florence J. Lucasse of South Princeton avenue left Wednesday for a several-week trip to Williamsburg, Va., Fort Wayne, Ind., and points in Michigan.

Shirley Carpenter, Dorey Rodgers, Vicki MacNair, and Margaret Bullitt of Swarthmore, left Tuesday to camp for three weeks at Girl Scout Camp Elizabeth Borton.

Princeton Avenue Resident Completes 40 Yrs. Service

EARLE P. YERKES

Completion of 40 years service with the Bell Telephone Company of Pennsylvania was marked last Tuesday by Earle P. Yerkes of Princeton avenue, engineer of Eastern Pennsylvania.

Yerkes started telephone work in 1912 following his graduation from the University of Pennsylvania as an electrical engineer. His first position was that of specifications writer. He later became an assistant engineer, superintendent of machine switching equipment, division superintendent of equipment, general plant supervisor and general buildings and supplies superintendent. He was made engineer of equipment in 1929.

He is a member of the American Institute of Electrical Engineers, the American Academy of Political and Social Science and the Telephone Pioneers of America.

He is married and has one daughter, Mrs. G. H. Froebel, Jr.

School Directors Ponder \$2000 Question

Is Extra Six-Acre Plot Justified as Insurance for the Future?

Dr. Samuel T. Carpenter, property chairman, told fellow members of the Swarthmore School Board, in session Wednesday evening, that his lay land and building sub-committee after thorough study of possible future needs and current limitations of undeveloped land available for school purposes, had gone on record as recommending the purchase of the entire 12% acre tract on which the School District secured a recent quotation from a group of owners of lots next to the Rutgers avenue elementary school. At the same time a letter from the Department of Public Instruction said State approval of the front half of the site, applied for last month, was forthcoming.

The lay committee has invited school directors to its next meeting scheduled for 7:45 Tuesday evening, July 28, in the high school office to further discuss aspects of the matter. The Board in turn will hold a meeting of its own July 30 in an effort to take some definite action in negotiations which it has weighed frequently and at length during the past eight months.

Several members of the Board have still to settle their minds finally on whether it would be more advisable to acquire only a 6.1 acre plot, with frontage on Rutgers avenue and extending back to the rear line of the present school property, at a cost of \$23,000 or to also purchase another 6.14 parcel in the back for an additional \$2000. The front piece would probably care for elementary expansion of the immediate future. The rear section, though less desirable in location, uneven and wooded, is never-the-less ground which might someday fulfill some definite action in negotiations which it has weighed frequently and at length during the past eight months.

In other action the Board set tuition rates for out-of-town pupils for the next school year at \$225 for kindergartens and elementary students and \$340 for high school pupils. Increased enrollment in the lower grades has kept the increase in tuition there down to \$22 in two years while higher costs and stationary enrollment in the high school has upped that rate \$60 in the same period.

Herman Goldberger of Boston, lone bidder on supplying periodicals for the new year, was awarded contract in the amount of \$198.50. Low bids totaling approximately \$500 were approved from among five bidders on athletic equipment for the approaching football season. Several new history textbooks were approved as well as the continuation of the Saturday morning sports programs made possible under an extension education program jointly financed by state and local school funds.

Resignation of Mrs. Priscilla Jensen, high school secretary for the past eleven months, effective July 31 was accepted. The Board approved the withdrawal of the resignation of Joseph Edenhart. Mr. Edenhart who has headed the school district's maintenance department for over 20 years had previously planned to leave August 1 to take an assistant building inspector post with Springfield township. Recent illness of Mrs. Edenhart and himself have changed the picture.

EMBARC FOR ENGLAND

Mrs. William T. Johnson of Ogden avenue, Mrs. Ida P. Stabler of Rutgers avenue and her daughter Mrs. William A. Clarke of Wallingford, sailed for England Wednesday on the Queen Elizabeth to attend the Friends World Conference which opens in Oxford July 28.

Following the conclusion of the Conference they plan to motor through England, Wales, Scotland and in France, Switzerland and Germany before sailing from Rotterdam on the Nieuwe Amsterdam early in October.

Jupe Pluvios Tallies In Box Lacrosse League

Indians, Sun Oilers Take to Bench in Two Weather Shut-Outs

Old Jupe Pluvios took the lead in the Box Lacrosse League Wednesday night when he again won out for the second week in a row. This gives his All-Star Raindrops two wins against one each for the Swarthmore Indians and the Mainliners. Sun Oil and the Mainliners were washed out this last Wednesday night, while last week it was to have been the opening of the Sun Oil-Indians series. These games that are rained out are to be played off at the end of the season, so as not to interfere with the regular rounds of three games each that the teams are to play.

The season opened the last week of June when Sun Oil representatives trounced Hank Ford's Mainliners, who were very much undermanned for the evening. Captain Eddie Belfield of the Oilers, led the onslaught with four goals and the Helmut brother, Mill and Bob each contributed some flashy play in the 9-1 rout. Bill Fulton the old standby and Tom Lillis, University of Maryland star were outstanding for the losers. The rest of Hank's boys were youngsters from Lower Merion who suffered from lack of replacements and experience.

The game the following week was a nip and tuck battle until the last few minutes, with the Indians finally winning out 11-7 with the vastly improved and strengthened Mainliners. The outstanding player in the box that night was the flashy Johnny Snape, who played such an outstanding game as a Sophomore at Hobart that he received national recognition and honorable mention on the collegiate All-American squad. His play was nothing short of sensational as he scored six goals and gave the fans a reminder of Marsh Austin, the former Indian star on a good night. Unfortunately however, John will be lost for the next six weeks due to Air Force training. Stocky Collins and "Doug" Douglas returned to the box play though, and will give the local fans a chance to cheer as the season gets along.

They scored two goals and one respectively, and the old veteran Joe Paul scored the other two. Joe is the only starter from last year's champions still in the lineup at this time, and his faking dodges and teeth-jarring checks still bring gasps from the fans.

Tom Hopper played a well rounded game, but will also be lost for the six-week period of his annual training. Jeff Grist called in well at goal in the emergency.

Hearing Scheduled for Proposed Medical Bldg.

Discussion of Zoning Variance Set for August 4th

A public hearing will be held at 7:30 p.m. Monday, August 4, for interested townspeople to air their views on the proposed Medical Center at the southwest corner of Yale avenue and Chester road. This request to construct a building that does not conform to zoning regulations, was presented to Council by doctors in the Swarthmore area at the July meeting last week.

By the time the hearing is held, Council will have had almost a month to consider the proposal, the purposes and reasons submitted by John Wigton, M.D., and Thomas Rial, M.D., both of Harvard avenue, Donald Fitch, M.D., of Providence Village, and Walter Moir, D.D.S., South Chester road.

The purpose of the building as presented by these men is to provide adequate office facilities for four medical men, in a one story, residence-type building in accordance with all building and zoning regulations with one exception that the doctors will not reside on the site.

In citing the reasons for their request, they listed lack of suitable space, professional advantages and availability of proposed location, stating, in part, that because of the limited professional and commercial offices in the borough, it is difficult for physicians to secure proper space adequate for the modern care of medical patients. "Existing residences converted into medical offices too often prove inadequate for working conditions unless major alterations are made. Parking facilities either in commercial locations or at existing residences too often prove inadequate.

"The practice of medicine requires certain facilities beyond those of waiting, consultation and examination spaces. These are Laboratory, X-ray, Nurse, Secretary and File Space, and are important as auxiliary services.

"This location, adjacent to a service station and situated on heavily travelled Chester road and at the intersection of two bus lines, is better adapted to professional offices than to residential construction."

The plans for the one story building include all set-back requirements and call for a pitched roof, designs along residential lines, with off the street parking facilities that enter from the west property line off Yale avenue. The wall structure would be a combination of both masonry and clapboard.

Class of '21 Tours Former Haunts at July Reunion

Just one member short of a 50 per cent attendance, the class of 1921 Swarthmore High School gathered July 5 for their thirty-first reunion. Guided by semi-official chairmen Mrs. David Bingham, Mrs. W. Rose Thomson and Charles Troxell, 15 of the original 32 members convened at the Thomson home before sailing forth on a tour of their old Alma Mater.

In the company of Clyde H. Lady, their home room teacher, and his wife, and Mrs. S. Milton Bryant, who organized the French department at the high school, the Alumni inspected their old haunts. Having attended at a time when

Thursday, July 3, Swarthmore Legion and Wayne, both undefeated teams, played for the League lead. Swarthmore's pitcher Robinson, pitched a no-hit ball game, striking out 11 batters. He won the game 11 to 1.

On July 4, the Legion played Aldan at 2:30 at Aldan in an exhibition game. Carmen Zizza pitched the Swarthmore team to a 5-2 victory.

At 6 o'clock, July 4, an exhibition game was played on the Riverview Field against Drexel Hill. Swarthmore lost this game 4 to 1. Lee Ford was the losing pitcher.

On Monday night, July 7, the Swarthmore Legion met the Norwood Delco League on Riverview Field in a non-league game. The boys met their second defeat by a score of 4 to 2.

Next Monday, July 14, Swarthmore will meet Wayne in a postponed League game at Wayne at 6:30.

Tuesday night, July 15, a League game with the Horsey Post will be played at Swarthmore.

Friday night, July 18, the Swarthmore League will play the Szymanski-Rywacki at Chester.

Third place is held by the Jets with 61 points, captained by Burt Gabriel. The Termites with Bill Daves as captain hold fourth place with 50 points, with the Kon Tikis, co-captained by David Weinreich and Posey Cadigan in fifth place with 48 points.

The Aces with Johnny Wigton captain are in last place with 44 points.
The tiny tots at Rutgers Avenue School have had a busy time this past week. June Roxby has a rabbit named Hoppy and her classmates plan to visit him soon. The young fours prepared for the parade on the 4th by having an early celebration at school. With decorated bicycles and paper flags they had their own parade on Thursday to get into the spirit for Friday.

The pre-kindergarten group enjoyed a visit to Belfield's duck pond Thursday. The children took sandwiches, and cool-aid was supplied by the Recreation Association. The ducks were probably well overfed, since bags of bread, as well as the usual load, filled the four cars taken on the trip.

Salute IBCT's
The kindergartens have been busy making yarn dolls, walking in the Swarthmore College woods and roasting marshmallows, starting a store of empty boxes brought from home, and making sail boats. Last Wednesday the children in kindergarten who remembered to say "I'll be glad to" when asked to do something were awarded a badge. They were gold stars with each child's name and "I.B.G.T." written in bright red.

The Primary group walked to Belfield's duck pond on Tuesday and on Thursday morning walked to Caroline Clifford's, 211 Rutgers avenue where they saw Caroline's new puppy, recently won from Martel's. Mrs. Clifford served the group refreshments of orange juice and crackers, which was followed by several circle games on the lawn.

To Study in Europe

Elementary School Supervisor R. Mildred Kidd, 211 Benjamin West avenue, left June 25 for Europe aboard the N. Y. Georgic for an on-the-spot study this summer of the political and socioeconomic problems of France, England, and Germany. She is one of 42 New York University students who sailed from New York for the third Seminar on Contemporary Europe and Public Education to be sponsored by N. Y. U.'s School of Education.

Miss Kidd will travel and study with elementary and high school teachers from 16 states. They will attend lectures by newspapermen, educators, government officials and labor leaders of the areas visited and will exchange with them ideas on how education can help solve outstanding political and social problems. Field trips to government centers and educational institutions are also scheduled.

Accompanying the students are Dr. Christian O. Arndt, Professor of Education at N. Y. U. and Professor Forest Long, chairman of the Department of Secondary Education.

COUNCIL PASSES PARKING ORDINANCE

Borough Council Monday night approved an ordinance, establishing regulation for parking in the new municipal parking lot, which was opened to the public last week.

Parking will be banned between 2 and 4 A.M. It will be permitted for unlimited periods in one section but restricted to two hours in another section.

The ordinance also makes the following changes: A two-hour parking limit on Park avenue between Dartmouth and Harvard avenues; bans parking on the north side of Elm avenue between Swarthmore avenue and Cedar lane, and lifts a ban on parking on the north side of Strath Haven avenue between Chester road and Harvard avenue but maintains a ban on parking on the opposite side of this street.

Council accepted, with regret, the resignation of Morris Fussell, borough auditor and appointed Robert Kuntzhalz, of Park avenue, to succeed him.

All Borough employees were placed under social security, retroactive to January 1, 1951.

The request of three physicians to erect a medical center in Swarthmore, corner of Yale avenue and Chester road, will be considered after a public hearing on the matter. The applicants were Dr. John Wigton, of Harvard avenue; Dr. Thomas Rial of Harvard avenue and Dr. Donald Fitch of Providence Village.

The resignation of Patrolman Robert L. Todd was accepted.

Charles Keenen of Harvard Avenue, who is attending Officers Candidate School at Newport, R. I., is a patient in the Naval Hospital at Newport with infectious hepatitis.

Miss Florence J. Lucasse of South Princeton avenue left Wednesday for a several-week trip to Williamsburg, Va., Fort Wayne, Ind., and points in Michigan.

Shirley Carpenter, Dorey Rodgers, Vicki MacNair, and Margaret Bullitt of Swarthmore, left Tuesday to camp for three weeks at Girl Scout Camp Elizabeth Borton.

High School Receives National Recognition

"Outstanding" Religious Seminar Cited by Study Group
Swarthmore High School is gaining national recognition for its courses in religions, according to an announcement made recently at Union Theological Seminary in New York City.

The announcement was made by Dr. Clarence Linton, head of the study on religious education in public schools which is being undertaken jointly by the National Education Association and the American Council of Education.

In the category of best practices, Dr. Linton commented, "Probably the most outstanding work in the country is presently being carried on in the Swarthmore (Pennsylvania) High School where a professor from Swarthmore College has been engaged to teach a senior course called 'A Seminar on Religions'.

In addition, an English teacher and a social studies teacher at the tenth grade level are integrating six weeks units in church history and literature in their regular courses, which all tenth grade students take."

Dr. Linton was reporting results of the first year's work of his committee to a meeting of superintendents, principals and professors from many states and sections of the country. The study is making a wide sampling of opinion regarding the desirability of education about religion being incorporated in the program of the public schools. It has also made a sampling of various practices on

ANNUAL LOST-FOUND DISPLAY DISMANTLED

Each year an impressive variety and number of articles, ranging from dented silver footballs to coats, sweaters and rubbers lost by erstwhile owners and found by more practical-minded, observant finders, are turned into the Swarthmore School Offices for claiming. Each June the School earnestly displays this unsought booty, each July the remaining collection is given over to the American Legion Auxiliary, and each October it is sold at the Auxiliary's Fall Rummage Sale for charitable organizations.

The 1952 Display, on view since the middle of June, was dismantled early this week and is now being stashed away until its final disposal October 22 and 23 at the Swarthmore Presbyterian Church.

For several years now, Mrs. Mary Pierce, daughter-in-law of the late Mrs. Harvey Pierce, historian of the Swarthmore Auxiliary for many years, has been offering her services and her car in transporting the collection to its storage place with Mrs. E. Vans Cleveland, and for as many years or more various organizations in Swarthmore and vicinity have directly benefited by the Auxiliary's good offices at its annual sales.

If there is a moral to the life cycle of an unclaimed article at School, it might be related to Nature's classic law that nothing is wasted. Perhaps irate parents, justly admonishing their careless offspring, can at least be cheered by that thought.

Princeton Avenue Resident Completes 40 Yrs. Service

EARLE P. YERKES

Completion of 40 years service with the Bell Telephone Company of Pennsylvania was marked last Tuesday by Earle P. Yerkes of Princeton avenue, engineer of Eastern Pennsylvania.

Yerkes started telephone work in 1912 following his graduation from the University of Pennsylvania as an electrical engineer. His first position was that of specifications writer. He later became an assistant engineer, superintendent of machine switching equipment, division superintendent of equipment, general plant supervisor and general buildings and supplies superintendent. He was made engineer of equipment in 1929.

He is a member of the American Institute of Electrical Engineers, the American Academy of Political and Social Science and the Telephone Pioneers of America.

He is married and has one daughter, Mrs. G. H. Froebel, Jr.

Wildcats Win Summer Club Championship

Fire Truck, Ferry Rides Highlight Rutgers Ave. Group Activities

The first half of the Summer Club season ended Friday with the Wildcats as the championship team, the Jets running a close second, and the Bombers third. David Schute was Captain of the Wildcats and his teammates were Robert Bleg, Elaine Bleg, Susie Marsh, George Gilmour, Skipper Bernard and Danny Rodgers; Susie Marsh deserves special mention as she played an important role in her team's victory.

The Scavenger Hunt on Friday was won by the Jets; the Kon Tikis came in second and the Termites third.

At the beginning of the season Summer Club members were divided into six teams which, during the first three weeks, have competed in such sports as softball, basketball, kickball, volleyball, track, swimming (at the Morrow Pool), tennis, quilts, croquet, and badminton. On Monday members were redivided into new teams for the remaining three weeks of the season.

School Directors Ponder \$2000 Question

Is Extra Six-Acre Plot Justified as Insurance for the Future?

Dr. Samuel T. Carpenter, property chairman, told fellow members of the Swarthmore School Board, in session Wednesday evening, that his lay land and building sub-committee after a thorough study of possible future needs and current limitations of undeveloped land available for school purposes, had gone on record as recommending the purchase of the entire 12 1/2 acre tract on which the School District secured a recent quotation from a group of owners of lots next to the Rutgers avenue elementary school. At the same time a letter from the Department of Public Instruction said State approval of the front half of the site, applied for last month, was forthcoming.

The lay committee has invited school directors to its next meeting scheduled for 7:45 Tuesday evening, July 29, in the high school office to further discuss aspects of the matter. The Board in turn will hold a meeting of its own July 30 in an effort to take some definite action in negotiations which it has weighed frequently and at length during the past eight months.

Several members of the Board have still to settle their minds finally on whether it would be more advisable to acquire only a 6.61 acre plot, with frontage on Rutgers avenue and extending back to the rear line of the present school property, at a cost of \$23,000 or to also purchase another 6.14 parcel in the back for an additional \$2000. The front piece would probably care for elementary expansion of the immediate future. The rear section, though less desirable in location, uneven and wooded, is never-the-less ground which might someday fulfill a curiously unforeseen need.

In other action the Board set tuition rates for out-of-town pupils for the next school year at \$225 for kindergarten and elementary students and \$340 for high school pupils. Increased enrollment in the lower grades has kept the increase in tuition there down to \$22 in two years while higher costs and stationary enrollment in the high school has upped that rate \$80 in the same period.

Herman Goldberger of Boston, lone bidder on supplying periodicals for the new year, was awarded contract in the amount of \$188.90. Low bids totaling approximately \$500 were approved from among five bidders on athletic equipment for the approaching football season. Several new history textbooks were approved as well as the continuation of the Saturday morning sports programs made possible under an extension education program jointly financed by state and local school funds.

Resignation of Mrs. Priscilla Jensen, high school secretary for the past eleven months, effective July 31 was accepted. The Board approved the withdrawal of the resignation of Joseph Edenhart. Mr. Edenhart who has headed the school district's maintenance department for over 20 years had previously planned to leave August 1 to take an assistant building inspector post with Springfield township. Recent illness of Mrs. Edenhart and himself have changed the picture.

EMBARC FOR ENGLAND

Mrs. William T. Johnson of Ogden avenue, Mrs. Ida P. Stabler of Rutgers avenue and her daughter Mrs. William A. Clarke of Wallingford, sailed for England Wednesday on the Queen Elizabeth to attend the Friends World Conference which opens in Oxford July 28.

Following the conclusion of the Conference they plan to motor through England, Wales, Scotland and in France, Switzerland and Germany before sailing from Rotterdam on the Nieuwe Amsterdam early in October.

Jupe Pluvius Tallies in Box Lacrosse League

Indians, Sun Oilers Take to Bench in Two Weather Shut-Outs

Old Jupé Pluvius took the lead in the Box Lacrosse League Wednesday night when he again won out for the second week in a row, this gives his All-Star Raindrops two wins, against one each for the Swarthmore Indians and the Mainliners. Sun Oil and the Mainliners were washed out this last Wednesday night, while last week it was to have been the opening of the Sun Oil-Indians series. These games that are rained out are to be played off at the end of the season, so as not to interfere with the regular rounds of three games each that the teams are to play.

The season opened the last week of June when Sun Oil representatives trounced Hank Ford's Mainliners, who were very much undisciplined for the evening. Captain Eddie Belfield of the Oilers, led the onslaught with four goals and the Helmut brother, Milt and Bob each contributed some flashy play in the 9-1 rout. Bill Fulton the old standby and Tom Lillis, University of Maryland star were outstanding for the losers. The rest of Hank's boys were youngsters from Lower Merion who suffered from lack of replacements and experience.

The game the following week was a nip and tuck battle until the last few minutes, with the Indians finally winning out 11-7 over the vastly improved and strengthened Mainliners. The outstanding player in the box that night was the flashy Johnny Snape, who played such an outstanding game as a Sophomore at Hobart that he received national recognition and honorable mention on the collegiate All-American squad. His play was nothing short of sensational as he scored six goals and gave the fans a reminder of Marsh Austin, the former Indian star on a good night. Unfortunately however, John will be lost for the next six weeks due to Air Force training. Stocky Collins and "Doug" Douglas returned to the box play though, and will give the local fans a chance to cheer as the season gets along. They scored two goals and one respectively, and the old veteran Joe Paul scored the other two. Joe is the only starter from last year's champions still in the lineup at this time, and his faking dodges and teeth-jarring checks still bring gasps from the fans.

Tom Hopper played a well rounded game, but will also be lost for the six-week period of his naval training. Jeff Griest filled in well at goal in the emergency.

Hearing Scheduled for Proposed Medical Bldg.

Discussion of Zoning Variance Set for August 4th

A public hearing will be held at 7:30 p.m. Monday, August 4, for interested townpeople to air their views on the proposed Medical Center at the southwest corner of Yale avenue and Chester road. This request to construct a building that does not conform to zoning regulations, was presented to Council by doctors in the Swarthmore area at the July meeting last week.

By the time the hearing is held, Council will have had almost a month to consider the proposal, the purposes and reasons submitted by John Wigton, M.D., and Thomas Rial, M.D., both of Harvard avenue, Donald Fitch, M.D., of Providence Village, and Walter Moir, D.D.S., South Chester road.

The purpose of the building as presented by these men is to provide adequate office facilities for four medical men, in a one story, residence-type building in accordance with all building and zoning regulations with one exception that the doctors will not reside on the site.

In citing the reasons for their request, they listed lack of suitable space, professional advantages and availability of proposed location, stating, in part, that because of the limited professional and commercial offices in the borough, it is difficult for physicians to secure proper space adequate for the modern care of medical patients. "Existing residences converted into medical offices too often prove inadequate for working conditions unless major alterations are made. Parking facilities either in commercial locations or at existing residences too often prove inadequate.

"The practice of medicine requires certain facilities beyond those of waiting, consultation and Examination Spaces. These are Laboratory, X-ray, Nurse, Secretary and File Space, and are important as auxiliary services.

"This location, adjacent to a service station and situated on heavily travelled Chester road and at the intersection of two bus lines, is better adapted to professional offices than to residential construction."

The plans for the one story building include all set-back requirements and call for a pitched roof, designs along residential lines, with off the street parking facilities that enter from the west property line off Yale avenue. The wall structure would be a combination of both masonry and clabboard.

Class of '21 Tours Former Haunts at July Reunion

Just one member short of a 50 per cent attendance, the class of 1921 Swarthmore High School gathered July 5 for their thirty-first reunion. Guided by semi-official chairman Mrs. David Bingham, Mrs. W. Ross Thomson and Charles Troxell, 18 of the original 32 members convened at the Thomson home before sailing forth on a tour of their old Alma Mater.

In the company of Clyde H. Lady, their home room teacher, and his wife, and Mrs. S. Milton Bryant, who organized the French department at the high school, the Alumni inspected their old haunts. Having attended at a time when

Dog Days

One of the best ways to save your dog from The Dog Days of August, according to an old chestnut, is to shoot him in July. Others seem to feel, in the face of a dog ordinance and a paid Borough dogcatcher, that sending the dog out to run at will is just as effective—

and no personally-drawn blood shed, either. Or perhaps the dog owners of Swarthmore gamble as much as some horse enthusiasts are reported to, and take a chance

that Fido or Rover will return safe and sound for his scheduled bone.

Facts reveal that, by and large, this assumption is correct; only four dogs were picked up last month. No one has ventured an estimate as to the dog population in the vicinity, but from the large number of pooches running at large, it is to be assumed that the chances are good that the pooch will return home for dinner—or breakfast, if he's one of the night-prowling breed. But, Gambler! Suppose he didn't return!

"Naturally, one would call the authorities, as of course he is properly licensed." But two dogs last month were not, and they were destroyed. . . . Just what they mean by "destroyed" is a matter of some conjecture—and alarm. Somehow or other it sounds much more appalling to have a dog destroyed than merely shot. It has all the connotations of a complete demolition job, and implies a kind of indignity that a mere shooting eliminates. Coming down to cold hard facts, if you love your dog, it probably makes no difference if the executioner is a good shot, whether someone or something dies by gunshot or nitroglycerine.

Oh, well, perhaps it's only a matter of discipline. Perhaps the Borough dogs are not sent out, they get out, explicit orders to the contrary. Lives there a dog owner who has not said just once in his life—"Stay there, then. I WILL be obeyed"? Perhaps dog owners send their canines out on a guided missile set up. Or more fascinating yet, maybe the dogs have developed some kind of radar for officers of the law. But the best of machines get "bogged down"—leashes are more dependable.

A Report to

128,000 FAMILIES WHO USE SPRINGFIELD WATER—THE BEST DRINKING WATER IN THE UNITED STATES

The Springfield Water supplied by the Philadelphia Suburban Water Company has been described as "the best drinking water available to any major American community."

We are, after three-quarters of a century of service, a bit proud of such quality—and we humbly recognize our responsibility to those whom we have served over the years. We pledge all of our efforts to maintain such quality and to keep the water in normal supply.

For a few days during the recent hot dry spell a small minority—perhaps five percent—of our customers experienced short supplies and low pressures in some areas. This was because the demand during that period reached unprecedented proportions—and on one day exceeded by 20 percent any previous demand for a single day in the recorded history of the company.

The temporary decline occurred despite precautions which all utilities take to handle peak periods—and despite the fact that more than \$12,000,000 has been spent in the past five years to expand and improve the water system in the 300 square miles of territory which we serve.

Further measures have been taken and are being taken. In our budget is more than \$5,000,000 for expansion and improvement. Some of these projects were planned months ago but could not be carried out on schedule because of steel shortages due to the defense effort. Such shortages are certainly beyond our control. We have been assured, however, that with the ending of the current steel strike, our orders will be expedited wherever possible.

We hope, therefore, that you will forgive us if you were among those temporarily inconvenienced for a few days.

As Philadelphia's suburbs continue to grow, and more families move in, demands for water will increase. To meet this situation, your company will require an additional source of supply.

For this purpose, we propose to bring to the homes of suburban Philadelphia high-quality water from Perkiomen Creek. A reservoir for this project has been planned above Green Lane to a point upstream opposite East Greenville. It is our expectation that the lake which will be created, and the surrounding area, will become in effect a "sportsmen's paradise"—an area for full enjoyment of the beauties of outdoor life.

The company, with this in mind, has offered jurisdiction of most of the area to the Montgomery County Park Board. Except for small portions needed for direct operation of the dam and reservoir, the reservation could well be administered by the Park Board as a "wilderness park" open to fishermen, hunters, hikers and nature lovers.

The project would not interfere with any existing local water supply in the area. There is water enough for all.

The dam would maintain downstream flow in the Perkiomen during times of drought and would hold back highwaters during rainy periods.

We respectfully ask for your support in our efforts to be of the greatest possible service to you and to the community of which we are all a part.

jected a new note to last week's activities also.

The Young Fours had an exciting ride on the fire truck. They first walked to the firehouse, inspected it and then returned by fire truck to school with Timmy Tyson ringing the bell to clear the way.

During the rainy days the Pre-kindergartners did a great deal of art work; making yarn dancing dolls proved particularly challenging. Friday the group went on a trip to Glen Providence Park and had fun feeding the ducks enough food to last them several days.

The Kindergartners were hosts on Tuesday to Alice Hornaday's 28 Pre-kindergartners; and on Wednesday to Miriam Damron's

Primary group of 27. The groups sang songs to each other; David Eisenbudd sang a solo, "Jefferson," to an awed assembly, and Stevie Shelly taught the children a song, "The Wise Man," to sing and act out. A treat of cookies followed the songs. Friday the boys and girls joined the Primary group for a ride on the Chester Ferry.

Marilyn Green, a leader of the Primary group, was sick with Chicken Pox last week. Ann Lukens, an assistant leader, had plenty to do as a result. Many of the children started various wood-work projects on the rainy days.

The feature of the week was the ferry boat ride with the Kindergartners on the Chester-Bridgeport Ferry. The children met the Captain, viewed the radar equipment, inspected the engine room, and saw a wonderful water display by the fire apparatus aboard

the "Chester." The children were guests on board ship at a chocolate milk and popcorn party.

How to Register

The current interest in the national political conventions alerts voters to make certain that their registration to vote in the November 4 Election is in force and accurate, or, if a new or recently moved voter, is made in time to vote in the general election. The following information is pertinent.

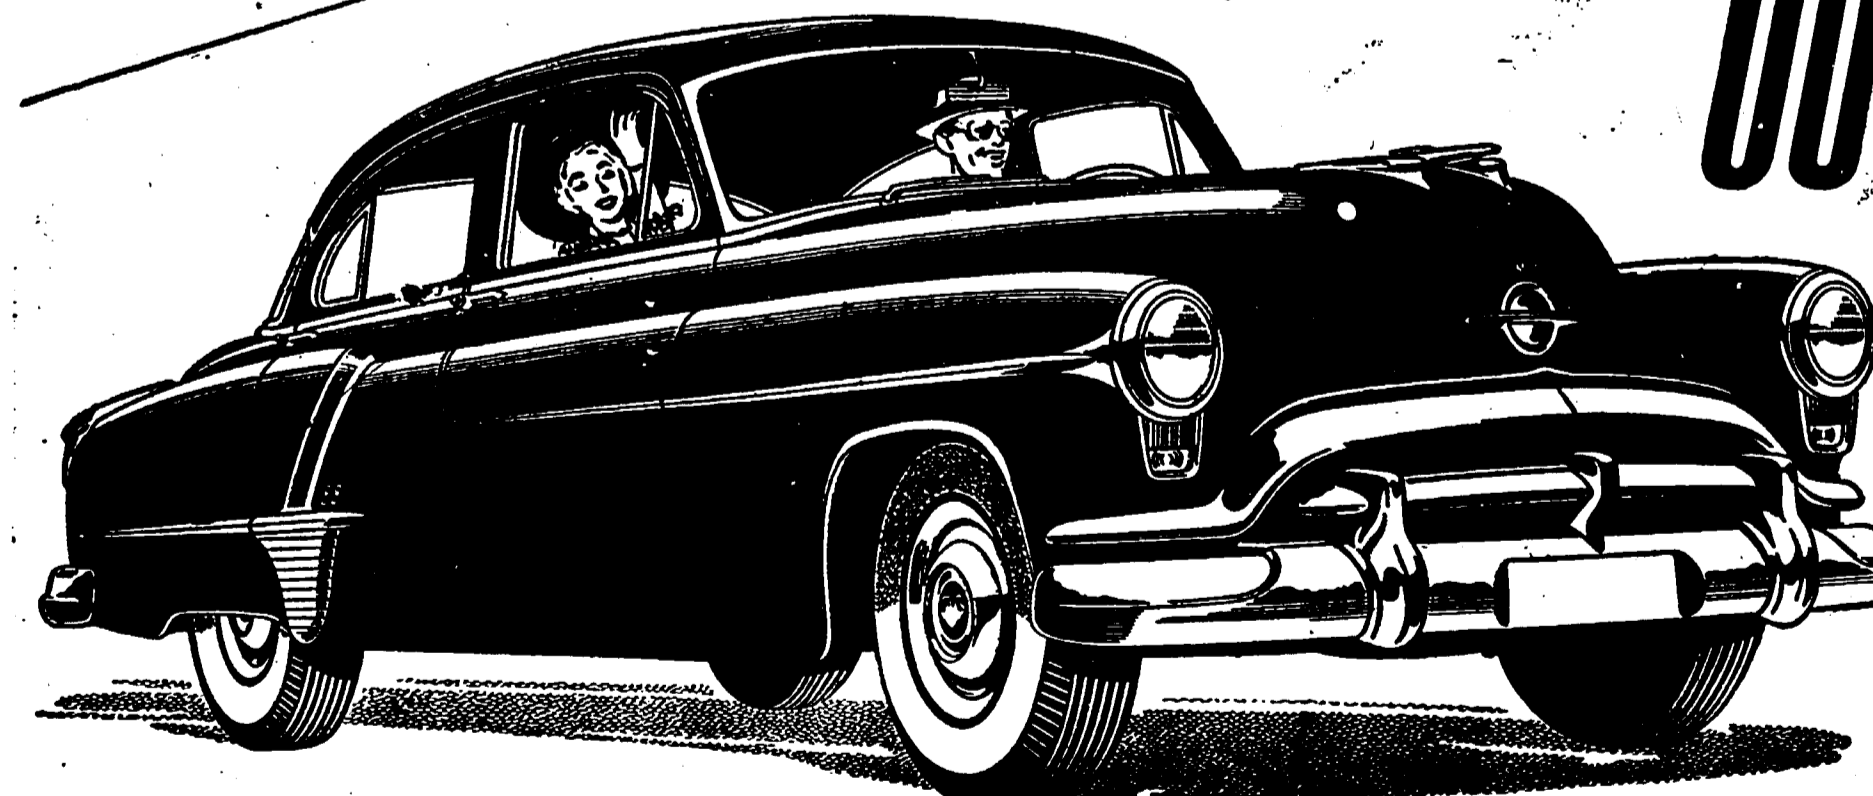

September 4 is the last day an elector may move from one election district to another in order to be permitted to vote at the November Election.

September 13 is the last day all electors may register to vote at the November Election. This includes electors who will become of age on or before November 5, 1952.

September 15 is the last day for any elector who has removed into a new election district to give notice to the Registration Commission in order to be permitted to vote at the November Election. The removal card must set forth a removal date into the new election district which cannot be later than September 4.

Registration can be made in Swarthmore on Wednesday, August 13, when the Moving Registrars will sit in Borough Hall from 2:00 p.m. to 9:00 p.m. for that purpose. It can also be made in the Court House, Media, up to and including September 13 during the regular business hours Monday through Friday, 9 a.m. to 4:30 p.m., and Saturday, 9 a.m. to 12 Noon. On Friday, August 22, the Court House will be open from 9 a.m. to 9 p.m.

Hornets Lose Heartbreaker To Collingdale Tuesday

The Hornets Baseball team dropped two games this week. On Monday a hustling Westlynn team outplayed the home nine and walked off with an 11-3 victory. On Tuesday at Collingdale, however, the Hornets played well only to lose a heartbreaker.

The game featured the timely hitting of George Kroon and Mike Reynolds, excellent pitching by Charlie Wentz, and sensational catches in the outfield by George Ellis and David Houtz.

Leading 8-1 going into the final inning, Wentz tired and was relieved by Skipper Skoglund. With two out and the bases loaded Lou Greenjack of Collingdale swung twice and then smashed a home run to win the game for Collingdale, 9-8.

The Hornets expect to return to their winning form next week with a home game on Monday against Holmes. They also play at Clifton Wednesday and at Yeaton on Friday.

ENION APPOINTED

Richard A. Enion of Riverview road has been appointed Manager of Personnel Services at Piasecki Helicopter Corporation, Morton, it was announced this week.

A graduate of Swarthmore College, Enion formerly worked for the Bell Telephone Company. He is now on the Board of Directors at Sunnycrest Farm for Boys and the Swarthmore Recreation Association.

At Piasecki, Enion will be responsible for services to the employees.

Daniel Clay is spending the summer with his parents Mr. and Mrs. William T. Clay of Walnut lane after graduating from the Brigham Young University, Provo, Utah. Dan, a major in Sociology, was also sports editor of "Iniverse", the university's semi-weekly publication.

Mrs. John Bird and daughter Judy and Mrs. Eugene Hardin and daughter Mary Lou of Oak Crest lane left July 9 for a two week vacation in Abilene, Kansas.

Legion Takes Second Wayne Game, 4 to 3

The Legion Team traveled to Wayne Monday night to start the second half of their league schedule. They defeated this closest rival for the second time and now hold a substantial three-game lead.

The Swarthmore boys got off to a 4-0 lead in the early innings. Durban drove in two runs with a timely single. Bill Hot and Bill Curry each singled and scored on two long fly balls. Starting and winning pitcher Ziegenfuss had to be relieved by Robinson in the fifth inning. Curry was the catcher. The final tally was Swarthmore 4, Wayne 3.

On Tuesday evening, the boys played the Horsey Post. Zizza pitched three shutout innings. Lee Ford pitched the remaining four innings allowing only one hit. Between them, they struck out 14 batters.

Cello hit a home run, Crawford, Humphries and Catcher Royer each had a triple. They shut out the Horsey team by 10-0.

Next Tuesday, July 22, the team plays Aldan on the Riverview field at 6:30.

LEGAL NOTICE
ZONING CHANGE
 A public hearing before Swarthmore Borough Council will be held Monday evening, August 4, 1952, at 7:30 P.M. in the borough hall, to consider the request of Donald Fitch, M.D., Thomas Rial, M.D., Walter Moir, D.D.S., and John Wighton, M.D., for a permit for the erection of a one-story residence-type building to be used as a joint medical office. The site of the proposed building is the south west corner of Chester Road and Yale Avenue, on land owned by Victor D. Shiver, having a frontage of approximately 110 feet on Chester Road, and 217 feet on Yale Avenue. This location is presently zoned residential.

A building of masonry and clapboard, with pitched roof, is being planned by the architect selected by these physicians. It is to contain waiting, consultation and examination spaces, laboratory and X-ray facilities, and rooms for nurse, secretary and filing of records.

Off-street parking facilities and set-back and other requirements of the zoning ordinance will be complied with, but the building would not be used as a residence.

A special exception, variance, or the setting up of a new zoning classification to allow such joint professional office, will be considered by the Borough Council, following such public hearing.

LEGAL NOTICE
BOROUGH OF SWARTHMORE
ORDINANCE NO. 540

An Ordinance providing for participation of the Borough of Swarthmore in the Federal Social Security System, authorizing the proper borough officers to make payroll deductions from compensation paid borough officers and employees after the effective date of this Ordinance, and to match said tax deductions with general funds of the Borough, authorizing the payment of all the said taxes by the Borough into the contribution fund provided by said Social Security Act; authorizing said officers to execute and deliver in general, to comply with the terms of the Enabling Act of the Commonwealth of Pennsylvania, known as Act No. 491 of the 1951 session of the General Assembly.

THE COUNCIL OF THE BOROUGH OF SWARTHMORE HEREBY ENACTS:
 WHEREAS, it is the opinion of the Council of the Borough of Swarthmore that the extension of the Social Security System to officers and employees of the Borough of Swarthmore will be of substantial benefit to them by enabling such officers and employees to participate in the provisions of the Old Age and Survivors Insurance System, and also of substantial benefit to the Borough by enabling it to attract and retain efficient officers and employees; and

WHEREAS, at its 1952 session, the General Assembly of the Commonwealth of Pennsylvania passed Act No. 491, enabling political subdivisions of the Commonwealth to cover their officers and employees into

Section 1. The Borough of Swarthmore shall become a participant in the Social Security System provided by the Act of Congress approved August 14, 1935, Ch. 551, 49 Stat. 529, as amended, and supplemented, and hereby agree to comply with the provisions of the Enabling Act No. 491 passed at the 1951 session of the General Assembly of the Commonwealth of Pennsylvania, approved January 5, 1952 (65 P. S. 201 et seq) and any subsequent amendments and supplements thereof and regulations and requirements issued thereunder.

Section 2. The President and Secretary of Council, and the Burgess are hereby authorized to execute, and the Borough Secretary to certify and deliver, to the Secretary of Labor and Industry of the Commonwealth of Pennsylvania, the "State Agency", changed with the administration of the said Enabling Act of this Commonwealth, a plan or plans, to extend such Social Security Insurance to the officers and employees of the Borough. The said officers and employees, in accordance with the provisions of said Enabling Act, shall be deemed to be covered by said Social Security System.

Section 3. The Borough Secretary is hereby authorized and directed to establish a system of tax deductions from salary list and payroll of Borough officers and employees, in accordance with said Federal and State Acts. Said deductions shall be matched by payments from the general fund of the Borough of Swarthmore, and the total of said tax deductions and contributions shall be paid into the contribution fund set up by the Social Security Act, through the office of the State Agency. All payments shall be made in accordance with the provisions of said Federal and State Acts, and in accordance with rules and regulations promulgated by the State Agency, and the Federal Security Administrator. Delinquent payments shall bear interest at the rate of one-half (1/2) of one per cent (1%) per month until paid.

Section 4. There is hereby appropriated out of general funds of the Borough of Swarthmore available for such purposes, an amount necessary to enable payment into the contribution fund through said State Agency to comply with the provisions and the provisions and amendments authorized by this ordinance.

Section 5. The participation of this Borough in said Social Security System shall commence as of January 1, 1951.

Passed and adopted this 7th day of July A. D. 1952.

Women Send CARE Packages to Korea

The International Friendship department of the Woman's Club of Swarthmore, is continuing its work of sending CARE packages to Korea through the summer. Anyone wishing to contribute may contact Mrs. S. Milton Bryant, Chairman of the department, Swarthmore 6-1126, or Mrs. William W. Turner, Swarthmore 6-2202. Contributions in any amount are vitally needed.

The Philadelphia Area CARE Office has sent the Woman's Club an urgent appeal for more funds to purchase these packages. The need is greater than ever before. According to one letter, "There are millions of homeless civilians who are bitterly cold and constantly hungry. Each day they wonder if a life-giving bowl of food from a CARE package will be their good fortune. . . . Tens of thousands of orphaned children—infants, babies, and youngsters—have been cruelly separated from mothers and fathers, who have been killed or lost in the havoc of war. The need is so great that in many cases the contents of one package are shared by several families or a group of orphans."

At the convention of the General Federation of Women's Clubs held in Minneapolis last May, Pennsylvania had the highest record in the country to date for the Korea project. The women of this state raised \$23,984, a total \$7000 higher than California, which ranked second.

Bicky Thompson of Harvard avenue has returned from Chicago where she was a page for the N. J. delegation to the Republican Convention. Bicky flew to the convention July 3. Her father Mr. Jack Thompson joined her two days later.

Lt. Commander Lawrence Traynor and daughter Priscilla, visited in Swarthmore for two weeks with Mrs. Traynor's parents, Mr. and Mrs. A. Ludlow Clayton of Park avenue, before they reported to Patuxent River Naval Flying Base in Maryland. They flew from there to Port Lyautey in the French Morocco where Lt. Cmdr. Traynor has been assigned to a staff job for 15 to 18 months.

THE MORE THE MERRIER

Local garden flowers which ordinarily get no further than the dining room or hall table are getting a thrill these days in anticipation of the weekly trips to the Philadelphia General Hospital. Transportation, sponsored by the garden department of the Woman's Club and provided by women of the Swarthmore churches, is available each Thursday morning throughout the summer.

Preparation for these jaunts began Wednesday afternoon when, presumably with a smile, buckets

of water are lined up on the Woman's Club porch on Park avenue; a nosegay or bunch of flowers has only to be placed in one of these containers to be assured of a ride to Philadelphia and eliciting a smile from hot and weary patients.

All the poets of the past few centuries who have written so enthusiastically about the wonder of flowers have offered no greater pleasure through their poems than the actual, visual gift of a genuine bloom, for like a smile, the real one is worth a dozen or so in a book.

Perhaps not even the members of the Presbyterian Church, in charge of the project in this month of wilting weather, would agree that a flower is as good as a smile. But a flower in the ward is worth two or three genuine smiles or flowers at home. As one homely philosopher remarked, a flower is sometimes more portable.

Class of '21 Tours Former Haunts at July Reunion

(Continued from Page 1)

The gymnasium was in the basement of the main building and the auditorium was in the present chemistry room on the second floor, the group must have been surprised to see the gymnasium and elementary school building, the shop, all new to them, and were undoubtedly startled to see major repairs underway in the Fire Tower constructed after their graduation. An intriguing exchange of information between them and their guide, Superintendent Principal Frank R. Morry, concerning heating systems, revealed that cold complaints had been heard in 1920. (School authorities feel confident, however, that the new oil burner currently being installed will silence that cry for once and for all.)

A buffet supper in the garden of the Thomson home, served by the Thomson daughters Joan and Janet, completed the day's program. The class dispersed only after the unanimous decision to make the reunion an annual affair.

Mr. and Mrs. Henry L. McCorkle, II, of Newtown Square, formerly of Swarthmore, will spend this weekend in Stoneridge, N.Y., as the guests of Mr. McCorkle's brother and sister-in-law Mr. and Mrs. Alan P. McCorkle.

Jupe Pluvios Tallies In Box Lacrosse League

(Continued from Page 1)

For the Mainliners, John Clancy and Bob Watson each scored two while Tom Lillis, Bill Fulton and Kenny Barclay, Penn Freshman star, each added one.

Next week's game will bring the same two teams together again, though the Indians will show a revamped line-up, with Morry Wetherald, who played for Ave Blake at the college two years ago fitting into the spot vacated by Johnny Snape and either Jeff Crist or Bob Rogers filling in at the other defense spot in place of Hopper. A new goalie is being broken in, in George Place of the College, and he has looked excellent in practice. Though he will need experience to match last year's outstanding work of European touring Dave McCahan, he should come along well.

Hank Ford has been drilling his boys hard, and they have high hopes of upsetting the favored Indians, whom they feel will be weakened by the loss of Snape and Hopper. At any rate an exciting and well-matched game is looked for if old Jupe Pluvios doesn't step even further out in front by snatching another one.

Mr. Oakley H. Van Alen of Park avenue is vacationing for three weeks at Lake George, N.Y.

Red Cross Barbecue, Square Dance Sept. 8

Entertainment Committee Party to Provide Year's Fund

A Barbecue and Square Dance will be given on September 8 at the Aronmink Country Club by the Entertainment, Instruction and Supply Committee of the Red Cross. This is the annual event given to provide funds for the committee's work throughout the year, as the E. I. and S. Committee does not receive financial assistance from the general Red Cross Funds.

Headed by Mrs. John Good, this committee is one of the community's most active Red Cross committees. Last year the members of this committee with supplementary hostesses gave 23 parties for the patients at the Naval, Valley Forge, and Cotesville Hospitals. One hundred and four homemade birthday cakes were given to patients, as well as 12,504 homemade cookies, 48 pounds of pretzels, 1129 magazines, and 155 decks of playing cards.

A portable television set was contributed by the Committee to U. S. Naval Hospital for patients in respirators. This gift was made possible by those who attended the benefit Barbecue and Square Dance last September when \$572.70 was realized.

The committee urges all to circle September 8 on their calendars . . . and save the date for this year's outing. The whole family will have fun while banking pleasure for disabled veterans for the year to come.

80 Enjoy Com. Health Society's Bridge Party

With a cheerful disregard for Tuesday's heat, 80 weather-resistant Swarthmoreans gathered at the Woman's Club to enjoy a morning bridge party, sponsored by the Board of the Community Health Society of Central Delaware County. A benefit for the Society's annual Christmas party for the Woodlyn Child Health Center, the affair was considered an all around success.

The players, 20 tables-worth, did battle in the main hall of the club in an atmosphere considerably softened by the floral decorations of gladioli and rhododendron leaves tastefully arranged by Mrs. R. Blair Price and Mrs. Samuel Crothers. Refreshments of cold punch or coffee, almond coffee cake and pretzels were prepared by Mrs. Charles Lukens and Mrs. Wilmer Coles, and provided pleasant respite in the possible tensions of the play. And prizes, contributed by the thirty members of the Board, one for each table, sparked the affair and sent home twenty individual winners.

On the financial side of the picture, Mrs. J. Paul Brown, who engineered arrangements, reported that receipts will cover the children's Christmas next December, as well as take care of Tuesday's expenses. She expressed her great appreciation for all those who supported it.

As for the society angle, more than one was heard to remark, over the spirited bidding of the morning: "Why don't they have more summer parties?"

Turtle, Dog, Twin Kits Win 1sts in Pet Show

Parties, Swims are Features of Rutgers Ave. School Program

A gay time was had by the Summer Clubbers at their Field Day last Friday. Numerous pets pointed in the fun as there was a day the group joined the Kindergarten pet show. Christie Decker had the most original pet; it was a turtle pulling a cart with an apple held in front of him as an incentive. The best trained pet was Susie Marsh's dog; and the cutest were Sally MacNair's twin kittens.

There were many contests. There was a coke drinking contest in which each contestant had a bottle of coke capped with a nursing bottle nipple. Danny Wehrlich and Ann Essl emptied their bottles first. There were two pie-eating contests won by Bill Warden and Peter Essl. In this the object was to consume the pie first, with hands tied behind, and then whistle.

Chipper Taylor, Kirby Noye and Susie Marsh were the three winners of the paper cutting contest. Each entry held a six or eight foot strip of inch-wide crepe paper fastened at one end, and armed with a pair of scissors raced along, cutting lengthwise through the middle.

Two bubble gum contests kept Summer Clubbers chewing for quite a while. Bobby Daves was the first to blow bubble, and Wayne Hoch blew the biggest. Then there were such classics as a peanut race, a potato sack and three-legged race.

The Summer Club arts and crafts department under the direction of Bob Finarelli, Vice-Principal of Vane Junior High School in Philadelphia, has been busy in Philadelphia, has been busy in Philadelphia, has been busy in Philadelphia.

Services Held For G. W. Sweet

Generous Use of Talents in Community Marked 10-Year Residence Here

Funeral services were held Tuesday afternoon in Chester for George W. Sweet, Garrett avenue resident, who died Saturday in Chester Hospital following a heart attack with which he was stricken on Friday, at his home.

Mr. Sweet came to Swarthmore in 1942, having lived in Chester since 1899. From that date until his retirement in 1944, he was associated with the South Chester Tube Company. He designed the company's plant at Front and Thurlow streets and became chief plant engineer and technical director. His career paralleled and influenced the company's growth.

One of the expressions of his life of quiet goodness and generosity was his work for and interest in Camp Sunshine which he served for many years as a director. He designed Kiwanis Hall, its recreation buildings.

Following his retirement, Mr. Sweet undertook the hobbies which expressed his artistic bent and enabled him to share it with others. He developed his interest in photography and placed his skill at the service of Camp Sunshine, the Community Health Society of Central Delaware County, and Swarthmore College. He took up pen and ink sketching. His garden was a never ending joy to him and to his neighbors. Essentially a gentle, unpretentious person, he was modest about his shared skills. His appreciation of the achievements of others contributed to his zest for life.

Mr. Sweet was a member of the Swarthmore Presbyterian Church, a thirty-second degree Mason and a member of the Philadelphia Consistory, and an Odd Fellow.

He is survived by his wife, Louise; three sons, Donald, a sergeant in the Air Force stationed at Oklahoma City, Okla.; Vernon, Naples, Fla.; and Elwood, Wallingford; a daughter, Mrs. George F. Wilkins, Wendell, Idaho; and four grandchildren.

LEGION LOSES FIRST LEAGUE GAME FRIDAY

The Swarthmore Legion baseball team lost its first league game last Friday to the Smyanski-Ry-wacki Post, Chester, last year's champions, by a score of 5-3. Swarthmore scored three runs in the first inning but could not hold the lead.

Bill Hoot opened the game with a single. Frank Zitnick was hit by a pitched ball, then Bill Currey's base hit scored Hoot from second. Successful walks by Chester's pitcher Iana, were responsible for the second and third runs. Bill Ziegenfuss was the losing pitcher, allowing five hits and heaving nine strike-outs.

Tuesday evening the boys beat Alden 7-2, for the third time this year. They now have a two-game lead on their closest rivals, Manoa, Paul Robinson's one-hit pitching and the timely hitting of Don Humphreys, Norm Durban, Bill Hoot, plus Bill Currey's long triple, scored the runs.

Tonight at 8:30 the boys meet Norway of the Delco League for an exhibition game on the River-view Field. Tuesday they play Drexel Hill at home in a League game, and on Thursday, July 31, they travel to Harford High School field to meet Manoa in another League contest.

Conclude Tour of Europe, Scandinavia

Mr. and Mrs. Sewell W. Hedge have returned to their home on Ogden avenue after an extended trip abroad. The complete trip which included 10 weeks travel in Europe and Scandinavia, began in late April when Mrs. Hedge and Dr. Mildred Hicks-Bruun of Easton, formerly of Swarthmore, sailed for Italy.

In Dr. Bruun's car, they drove through the hill towns and lake country of Italy, through Switzerland and France to Paris where Mrs. Hedge joined them. The drive then continued through Belgium, Holland, Germany and Denmark to Copenhagen where they took a ferry to Sweden.

In Oslo, Norway, they met Mr. Bruun. There they visited a few days before Mr. and Mrs. Hedge, continued by train, sightseeing in Sweden and other parts of Norway, finally taking a boat trip down the fjords to Bergen on the west coast. Their tour ended in England visiting relatives and friends in London and vicinity.

Summer Session Ends at 12:30 Today

31 Local Musicians Enjoy Successful Program

Swarthmore Summer School completes a very successful six-week session today at 12:30. Because a new system is being installed in the High School building, classes have been held in the College Avenue Elementary School. Building, but despite these less adequate facilities, the teaching staff has done a commendable job and the students have profited considerably.

There were 241 students enrolled, with over 35 percent from Swarthmore. Pupils in attendance represented 23 different schools. These schools were: Akiba Hebrew Academy; Aldan Junior High School; Chester, Clifton Heights and Collingdale High Schools; Essington Public School; Glen Nor, Lansdowne, Lower Merion, Marple-Newtown and North Philadelphia High Schools; Notre Dame Academy; Phyllis Wheatley School; Prospect Park, Ridley Park and Ridley Township High Schools; St. Andrews School; St. James, Springfield High School; Tredegar-Easttown and Upper Chichester High Schools and Westtown School.

In order to make possible the maximum individual instruction, classes were kept small. Most classes had fewer than 10 pupils, although the largest class had 19.

The heaviest enrollment was in English, where 102 students were enrolled. Math and Social Studies followed in that order with heavy enrollments. Fifty-six pupils were taking Business Education courses. For some inexplicable reason, enrollment in language and science courses dropped considerably. Despite the shift in areas of enrollment the school offered a much broader program than in the past few years.

Summer School has made it possible for many Swarthmore pupils to raise their grades from failure to "passing" or from a "passing" grade to a "higher passing" grade in order to receive college credit for the course. Some Swarthmore pupils "previewed" courses which they plan to take this coming school year in order to strengthen their background. A (Continued on Page 8)

Principal Sources of School Budget Listed

Total Income Estimated At \$772,700 for 1952-53

To meet the current 1952-53 budget of \$397,700 the Swarthmore School Board has three principal sources of revenue available. These sources are local taxes, state appropriation, and tuition payments for non-resident pupils. Other minor sources of funds are: the balance on hand from the previous year, interest on time deposits, and miscellaneous sources. When extensive building operations or land purchases are contemplated, loans, either long term or short term, provide the funds for capital outlay payments.

Local Taxes
Three forms of local taxes have been used to provide funds to meet the needs of the new budget, a 35 mill tax on real estate, a 1 percent property transfer tax, and \$15.00 head tax. There are other forms of taxation used by school districts, such as amusement tax, severance tax, and wage tax, but these are impractical for Swarthmore.

The real estate levy is based upon the assessed value of property, the total valuation this year, for tax purposes, being \$6,772,165. Upon this total, a tax of 35 mills has been levied, the maximum levy permitted in school districts of less than 5,000 population. On an experience record of 97 percent annual collections, it is estimated that this tax will produce \$229,900 in 1952-53 as against \$218,372 in 1951-52.

The 1 percent property transfer tax is levied upon the seller of a property, at the rate of 1 percent of the property value. Although the 1951-52 return was \$17,000, the Board used a conservative figure of \$15,000, representing an anticipated 12-month turnover of \$1,500,000 in real estate.

The return from the "head" or "per capita" tax levy of \$15.00 on each resident 21 years of age or over is estimated at \$37,500, the return from 2,500 adults. This is (Continued on Page 7)

Indians Win, 6-4, Over Main Line

The Swarthmore Indians got off to an early lead against the Mainliner Lacrosse Club on Wednesday night and were never headed. Although the Ardmore boys closed the gap after a four point deficit, the final score stood at 6-4. The low score was indicative of the excellent defensive game displayed by both teams, but many plays developed well only to be thwarted by fine stops by the goalies.

The Indians got off to a 2-0 first period lead on goals by Morry Wetherald and "Doug" Douglas and continued to stretch the margin on shots by "Stocks" Collins and Bob Rodgers before the Mainliners got up steam, in spite of the lift the weather should have given them in this direction, and Watson and Clancy tallied to leave the score at 4-2 for the locals.

In the final period the tempo slowed somewhat as the temperature took its toll, and the teams swapped goals as Wetherald got his second for the evening to be high scorer for the night, and Phil Swayne came through with his (Continued on Page 4)

Indians Win, 6-4, Over Main Line

first for the season. Bill Fulton and Barclay added the Mainliners two.

Phil Bennadetti returned to the nets for the Mainline boys and played his usual flashy and spectacular game with some of his sorties bringing the fans to their feet, on several occasions stopping what seemed to be sure tallies. However not to be outdone, George Place, playing his first game of lacrosse of any kind, made numerous sensational stops at the other end of the box. George, who was an outstanding athlete at the College, having been All-American in soccer, captain of the basketball team and an infielder and catcher on the baseball team, remarked after several compliments had been sent his way, "Well, at least that was a good spot from which to view my first full-length lacrosse game." Actually, some can think of better ones, but Place fills a big void in the line-up and should really come along with more practice as the season progresses.

Next week's game will bring together the Indians and the host Sun Oil team for the first time of the season, and sparks always fly in this contest. The Oilers have bolstered their line-up with some new faces and expect to snap the Indians' win streak which stretches back to early last season.

Returns From Seven-Week Tour of Europe

Mrs. Louis de Moll of Rose-Valley, who has been on a seven-week trip to Vienna, Austria, with her father, Mr. Guenther H. Froebel, returned to her home in Rose-Valley last week, accompanied by Mr. Froebel.

Meeting in Paris, Mrs. de Moll and Mr. Froebel motored through France, Germany and Italy before going to Austria where the remainder of Mrs. de Moll's visit was spent.

Mr. Froebel, a former resident of North Swarthmore avenue, stationed in Vienna with the Mutual Economic Cooperation Mission is now on leave and will stay with his son and daughter-in-law, Mr. Guenther Froebel, Jr., in Springfield until his return in October.

Cornelia McKernan of Rutgers avenue is working this month in Ocean City, N.J.

In the Good Old Summertime

Information supplied by the Institute for Safer Living has listed the following precautions to help parents avoid the possibility of drowning accidents.

1. Do not permit younger children or children who cannot swim to play in or near the water unless attended by an older person. Never permit children who can swim to swim alone.
2. Know your children's limitations. Is it safe for them to swim in deep water? How far can they safely swim before risking exhaustion? Have they been taught to float or tread water?
3. If children are permitted to swim with other neighborhood children, make sure you know something about their companions. Can they swim? Are they normal, well-balanced youngsters who will use their heads while in and around the water?
4. Familiarize yourself with any waters where your children may swim. Is the water safe from a health standpoint. Are there any dangerous currents, deep holes and similar hazards to swimming safety? Make sure that you have the courage to say "No" when weather or water conditions aren't right for swimming.
5. Teach children the safety rules about handling boats and canoes. Do not permit them to use water craft unattended until you are sure they are old enough and responsible enough to handle boats properly.
6. Learn the latest approved methods of artificial respiration and teach your older children these methods. Consult your local Red Cross Chapter.
7. When swimming at public beaches make sure that children know and observe the rules posted by beach authorities. Also teach them to be courteous and considerate of others using the beach.

Many childhood drownings can be prevented if every parent follows the above suggestions and takes an active interest in the proper training and supervision necessary to water safety.

Larry Jones of North Swarthmore avenue arrived home Tuesday from two weeks visiting with Mrs. Frank Wildebush and family at Pocono Lake Preserve. His mother, Mrs. Donald P. Jones, accompanied by Johnny Fischer of Dickinson avenue drove to the Preserve Monday to bring him home.

finger-painting, clay modelling, making baskets, lanyards and woodworking. There will be another swim in the Morrow Pool this week and today there will be an overnight camping trip for eight or ten boys.

Monday Tea-Party
A tea party was given on Monday by the youngest group at the Rutgers Avenue School for their Mothers. Songs were sung, a story told, and fruit juice and cookies were served for refreshment.

The young fours also had a party for their Mothers at which "The Bone the Baby Sitter" and "All About Willie" were read. The children showed their mothers the kind of things they do at play school. The box of dress-up clothes and Duffy, the guinea pig proved to be big attractions. Punch was served and Joan and Janice Thomson supplied the cookies.

The rhythm band of the Pre-kindergartners is something to hear these days. They have been practicing on their various instruments that week perfecting their skills. A wonderful morning was spent last Friday in Danny Johnson's backyard, swinging, climb-

ing, eating sandwiches and drinking punch.

The Kindergartners have been painting gifts for their mothers and fathers, and putting the finishing touches on their Indian hats. In one corner of their room the children have erected a store with shelves loaded with food boxes and cans and a counter in front over which many purchases are made. In another corner is a magnificent house with a facade of brown paper painted appropriately, and a bright red and white awning jutting out over a window. Small housekeepers make frequent trips from house to store, laying in supplies. The store was held up by a gang of bandits recently, but no lives were lost. Everyone enjoyed a swim in the Morrow Pool on Friday.

The Primary Group has been working hard on its production of an operetta, "The Cobbler and the Elves," to be given on Thursday for parents and friends. Last Friday the guinea pig, Duffy, was the star attraction. Mrs. Erskine, Mrs. Clothier, Mrs. Harvey, Mr. Williams and Molly Huse acted as life guards.

Last Thursday Mrs. Bruce Smith entertained the staff of the Pre-School and Primary for lunch. Plans were made for the closing week of the program. Swimming was enjoyed by the group that afternoon in the Morrow Pool.

Alden to Represent Area In Model Plane Contest
 Tom Alden of North Chester road has been selected by the Plymouth Motor Corporation and local Plymouth dealers, Hannum and Waite, to represent this area in the sixth International Model Plane Contest to be held in Detroit, Michigan, August 20 to 25 inclusive.

Tom has been building and flying model planes for the past 10 years, having first become interested in the hobby at the age of eight. During the past two years he has participated in local Plymouth Dealer Meets at West Chester, Lancaster, Doylestown, New Castle, Del., and Johnsville, Pa., in all of which he has won awards for either gas or rubber powered models. It was on the strength of this record that he will have the opportunity to compete in Detroit, with all expenses paid.

He will make the trip to Detroit with six others selected from the Greater Philadelphia area in a special caravan, and will have an opportunity in Detroit to compete with model builders from all parts of the United States and Canada. The International contest is sponsored by the Plymouth Motor Corporation and the nation-wide Chrysler-Plymouth, DeSoto-Plymouth and Dodge-Plymouth dealer organizations in conjunction with the Aero Club of Michigan, and is sanctioned by the Academy of Model Aeronautics.

Mrs. Robert Clothier of Columbia avenue entertained a few friends at an informal dessert last week.

HORNETS VICTORIOUS OVER HOLMES, 7-4
 At Riverfield Monday evening the Hornets scored an impressive victory over Holmes by the final tally of 7-4. Actually, three additional runs were scored by the home team on Ray Lassiat's triple with the bases loaded. These runs were washed out, however, when the rains came before the inning could be completed.

Swarthmore Rotary Host to Chester Pike

Guest Speaker Tells of Twenty Years in Rotary Club
 President Ambrose Van Alen welcomed the members of the Chester Pike Rotary Club at last Friday's luncheon meeting. The affair was well attended and the hot weather did not dampen the high spirit of the occasion.

The Chester Pike Club was in charge of the program. Louis Holmes, member of the visiting club, gave his impressions of a recent meeting held at Mexico City. Mr. Holmes stressed the social aspects of this get-together and the "marvelous reception our good neighbors across the border gave all visiting Rotarians."

William Krell, superintendent of the Williamson Trade School, was introduced by Harry Diefenbach, chairman of the program. The speaker's topic was "My Twenty Years in Rotary." Mr. Krell spoke of the accomplishments of Rotary during this period and gave a list of fields he would like to see explored in the years ahead, particularly the part Rotary International could play between the free nations of the world. "Rotary is a perfect example of democracy at work and could create a better understanding of our country among the citizens of foreign lands."

The speaker laid stress on the responsibility of the members in the local communities up through the national level and then the international level. At the conclusion of his talk Mr. Krell received generous applause for an interesting and instructive talk.

Principal Sources of School Budget Listed

 a new tax for Swarthmore, although a \$3.00 per capita tax had been levied for a number of years, but was dropped about 10 years ago.

Delinquent tax payments by owners of local property who pay previous year's taxes through the County Treasurer, will probably provide about \$3,500. This amount is rather constant from year to year.

State Appropriations
 State appropriations from subsidies appropriated by the General Assembly, are distributed to school districts on a so-called equalization plan. The formula which is the basis of this plan includes such factors as the true property value of school district per pupil enrolled in the schools, the number of "teacher units" in the school, on the basis of one unit for each 30 elementary school children, and one for each 22 secondary school children.

Swarthmore this year has 37 teacher units. Because of the high property values, this district receives \$1,000 for each teacher unit, which is the minimum appropriation. Allowing for other small amounts paid for nurse service and for extension education Saturday classes, the estimated receipt from State sources next year is \$38,000, about \$2,000 higher than in 1951-52.

ing girls in his home a child of school age, just as though the child were his own. Such child can attend the schools free.

Summer school pupils pay a tuition charge, and this sum is included under the tuition item. The budgeted income here is \$65,200, as against \$57,000 last year.

Summary
 With a cash on hand balance estimated at \$3,000, the total revenue is set at \$397,700, distributed as follows:

Balance on hand, \$3,000; Current Property Tax, \$229,900; 1 percent Property Transfer Tax, \$15,000; \$15.00 Head Tax, \$21,500; Delinquent Property Tax, \$3,500; State Appropriation, \$38,000; Tuition, \$65,200; Interest, \$100; All Others, \$500.

These items total \$397,700. Possible loans, for capital outlay needs of \$375,000 make a grand total of \$772,700.

LEGAL NOTICE
ZONING CHANGE
 A public hearing before Swarthmore Borough Council will be held Monday evening, August 4, 1952, at 7:30 P.M. in the borough hall, to consider the request of Donald W. H. D. Thomas, Rial M.D., Walter Mott, D.D.S., and John Wigton, M.D., for a permit for the erection of a one-story residence-type building to be used as a joint medical office. The site of the proposed building is the south west corner of Chester Road and Yale Avenue, on land owned by Victor D. Thomas, a frontage of approximately 110 feet on Chester Road, and 217 feet on Yale Avenue. This location is presently zoned residential.

A building of masonry and clapboard, with pitched roof, is being planned by the architect selected by these physicians. It is to contain waiting, consultation and examination spaces, laboratory and X-ray facilities, and rooms for nurse, secretary and filing of records. Off-street parking facilities and set-back and other requirements of the zoning ordinance will be complied with, but the building would not be used as a residence.

A special variance, or the setting up of a new zoning classification to allow such joint professional offices, will be taken under advisement by the Borough Council, following such public hearing.

number of students were enrolled in typing, to gain proficiency for their own use and not for any specific credit.

The efforts of workmen engaged in construction and repair work about the school building were spurred by musical accompaniments which ranged from the familiar marches to such popular favorites as "Blue Tango" as the Summer Music program experienced one of its most successful seasons. A total of 31 local musicians enrolled for this work under the direction of Robert M. Holm of the Swarthmore Schools. Of this number, over a third were receiving beginning instruction on an instrument of their own choice, while the others were engaged in either intermediate or advanced work. Several experienced instrumentalists utilized this opportunity to learn to play a second instrument.

A Summer Band of about 18 members met regularly and an innovation this year was the formation of a small dance combination to afford experience in playing popular music. Those in attendance were happy to renew acquaintances with several former graduates who dropped in from time to time to enjoy an hour of pleasure with the group.

Faculty Promotion

Charles E. Larsen, Swarthmore, has been promoted to the rank of professor in government at the Newark College of Arts and Sciences, a division of Rutgers University, it was announced by Dr. Lewis Webster Jones, State University president.

Professor Larsen attended the University of California at Berkeley, receiving his Bachelor of Arts degree in 1942 and his Master of Arts degree in 1945. He served as a lecturer in history and government at the University of California prior to joining the staff at Rutgers, in July, 1948.

Mrs. Blanche E. Clark of College avenue, who has been on an extended visit with her daughter, Mrs. Hazel C. Taylor of Akron, Ohio, returned home last week with Mrs. Taylor to attend the wedding of her granddaughter, the former Miss Helen Reed.

LAMENT

Spring Song

I, a weary gardener, now am bending
O'er lawns, the grass my task of tending.

Oh, April clouds which bring in
Spring wet weather,
Sprinkle not too well my heather!

Summer Complaint

But storm clouds have showered,
And grass with moisture flowered.
And so, I'm a-mowing
To cut the grass a-growing.

How Are Your Motoring Manners?

There's a two-sided answer to that important safety question, according to Edward P. Curran, Safety Director of Keystone Automobile Club.

"Politeness in respect to other highway users is natural and accustomed behavior on the part of the great majority of motorists," he declared. "Such well-thinking drivers always 'give the other fellow a break,' are careful to use hand signals indicating every turn, stay on their own side of the highway, allow others to pass with plenty of room to spare, etc. Politeness, in these instances, adds up to greater enjoyment and safety for all.

How to Register

The current interest in the national political conventions alerts voters to make certain that their registration to vote in the November 4 Election is in force and accurate, or, if a new or recently moved voter, is made in time to vote in the general election. The following information is pertinent.

September 4 is the last day an elector may move from one election district to another in order to be permitted to vote at the November Election.

September 13 is the last day all electors may register to vote at the November Election. This includes electors who will become of age on or before November 5, 1952.

September 15 is the last day for any elector who has removed into a new election district to give notice to the Registration Commission in order to be permitted to vote at the November Election. The removal card must set forth a removal date into the new election district which cannot be later than September 4.

Registration can be made in Swarthmore on Wednesday, August 13, when the Roving Registrars will sit in Borough Hall from 2:00 p.m. to 9:00 p.m. for that purpose. It can also be made in the Court House, Media, up to and including September 13 during the regular business hours Monday through Friday, 9 a.m. to 4:30 p.m., and Saturday, 9 a.m. to 12 Noon. On Friday, August 22, the Court House will be open from 9 a.m. to 9 p.m.
