1955 Cancer Crusade Opens Here Today

Chairman Jones Names Team Captains For Local Drive

The 1955 Cancer Crusade was officially launched this morning. Swarthmore Chairman Donald P. Jones announced that the local campaign will be under the direction of 16 team captains which include:

Mrs. Barton Calvert, Mrs. E. L. Conwell, Mrs. William H. Gill, Jr., Mrs. W. O. Heinze, Mrs. Richard E. Hunt, Mrs. David McCahan, Mrs. H. D. McCray, Jr., Mrs. George W. McKeag, Mrs. Walter N. Moir, Mrs. Henry C. Patterson, Mrs. Joseph Reynolds, Mrs. Harold C. Roxby, Mrs. Roger S. Russell, Mrs. Glen T. Smith, Mrs. James Stephens, and Mrs. William Watkins.

Through their team members, these ladies will impress on all Swarthmore residents the vital nature of the work of the American Cancer Society with the hope that the community will generously support the Crusade.

Nearly one-third of the total funds collected will be spent for research to speed the finding of a cure for cancer. Of nearly equal importance are the activities of the Society in the fields of education and service.

Of particular interest to Swarthmoreans is the fact that expenditures for service last year included \$7,500 paid for 4,572 nursing calls to 212 cancer patients in Delaware County. Of these, 13 patients were here in Swarthmore. All the nursing care is provided by the Public Health Nursing Services with the visits to cancer patients being paid by the American Cancer Society.

Captains and team members participating in the Swarthmore Crusade now number more than 100. This organization is expected to be complete within a few days and will be included in The Swarthmorean next week.

Methodists Plan Group Entry to New Depts.

Pupils of the Swarthmore Methodist Church School will have their own Triumphant Entry procession on Palm Sunday to their newly remodeled Sunday School Rooms. The extensive, remodeling and alterations, amounting to more than \$70,000 have been completed and on Sunday, the Church School classes will be able to occupy their new departments, the Rev. John C. Kulp, pastor, announced this week.

The Sunday School classes, children and adult, will gather at 9:45 a.m. with their teachers in the Woman's Club where they have met for the past three months. When all are assembled, the procession, led by flag bearers, will move across Park avenue from The Club to the Church building and thence to the respective departments.

Marching in the procession to the tune of "Onward Christian Soldiers," will be the Board of Trustees, A. Carl Behenna, president of the Building Committee, Theodore H. Purnell, chairman, a contractor's representative, the three church choirs, the sixth grade Church Membership Confirmation Class in white gowns, and teachers and superintendents of the Church School.

Motion pictures of the Triumphant Entry will be recorded in film for the church record. A special open house for the community is planned for Saturday, April 16, at 3 p.m.

SCHOOL VACATION BEGINS TODAY

Swarthmore Schools will close this afternoon at the usual hour for spring vacation. All of next week and Easter Monday, April 11, will be observed as the holiday. Classes will resume at the usual hour on Tuesday, April 12.

In order that the teachers may participate for one afternoon in the three-day session of the Schoolmen's Week held annually at the University of Pennsylvania, the school will be closed on the afternoon of Thursday, April 21, thus providing another half-day holiday for pupils.

Red Cross Total Hangs on Week-End

The Borough Red Cross campaign stands at 70 per cent of the quota with the final reports of hardworked solicitors due Tuesday, April 5. Twenty-five per cent of the solicitors have not been able to make reports and are making an intensive effort over this week-end to finish their solicitation.

Drive Chairman Ellis B. Ridgway, Jr., believes that the quota is within reach but only with the extra effort to be certain that each resident has the opportunity to contribute. "We must not fail in our support of our local workers who have worked long and hard already, and who will continue to work until the drive closes.

"The fund is necessary to continue the needed services of the Red Cross, the blood program, disaster relief, safety instruction, nursing, home service (service to the armed forces, veterans, and their families), motor corps service, gray ladies, canteen, entertainment and supply, arts and skills, production, nurses aides, staff aides, social welfare aides, Junior Red Cross, and college activities."

Swarthmoreans not yet solicited are asked to be ready to give over the week-end or to deposit their contribution at the E. L. Noyes office, South Chester road.

Troops 2 and 3 Plan For Summer Camp

Leaders of Swarthmore Boy Scout Troops Two and Three ask that men of the borough, 16 years and older, who are interested in Scout activities volunteer as leaders or assistant leaders for the summer camping period planned for the first two weeks of August at Camp Delmont, the Valley Forge Council Camp.

Troops participating must live together under their own leadership, although Camp Delmont does provide adult and junior adult leaders as instructors and supervisors. All expenses for anyone volunteering will be paid. Those interested should contact Peter Murray at Kingswood 4-1335.

The troops are preparing for the camping season at Camp Delmont as the highlight of the summer's activities. In past years Swarthmore Scouts have earned many honors, and their leaders expect another good showing from this year's campers.

Polio Health Bulletin

On April 12 the National Foundation for Infantile Paralysis expects to receive a report from scientists who are currently evaluating the results of the Salk Vaccine which has been used to prevent Poliomyelitis.

If these results prove the vaccine to be satisfactory regarding safety, effectiveness, etc., then the Foundation will supply free of charge through the respective State Health Departments the necessary amount of vaccine to inoculate all school children enrolled in the first and second grades of every school in the U.S., Alaska and Hawaii. The Foundation has spent \$9,000,000 from the March of Dimes Program to buy this vaccine, and it will be administered absolutely free of charge.

If the parents wish their child to be inoculated, a signed permission slip must be filed with the school. It should be emphasized that children not enrolled in the first and second grades can be inoculated only by their physician.

Details of plans to have volunteer physicians, school nurses and other workers are being drawn up in all communities. Parents will be notified as soon as possible regarding the schedule for giving the vaccine.

J. ALBRIGHT JONES, M.D., Borough Health Officer, Chairman of Medical Advisory Committee of the Delaware County Chapter of the National Foundation Infantile Paralysis.

Sea Scouts Enjoy Cruise to Annapolis

Local Sea Explorers of Ship 329 were the guests of the Navy last week-end on a cruise from Philadelphia to Annapolis, with 90 other Sea Scouts and Explorers on the Patrol Craft Escort 558.

The 12 apprentice seamen and their skipper, George Myers, and mate, Walt Weidner, boarded ship on Saturday morning at 0730. They cast off from the Philadelphia Naval Base at 0800 and headed down river. Below Wilmington they became fog bound for two hours, but were able later to proceed through the Delaware and Chesapeake Canal down to the bay. Annapolis was sighted at 1800. After changing into dress blues the boys went on liberty.

Sunday morning dawned cold (24 degrees) and clear with a strong wind of over 30 mph. They cast off at 0800 and headed out into the bay. The waves were six to eight feet high. The wind gave the ship a 20 degree list and there was considerable rolling and pitching, to such an extent that all Scouts were ordered below deck. This was enough to make the boys feel a little green around the gills, but two hours later all hands were heartily eating a meal of fried chicken.

The ship tied up in Philadelphia at 1545 with the boys grateful to the Navy for giving them such a worthwhile experience.

Lastly, let me add that any success that I might have had at Temple University would not have been possible without the masterful piano accompaniment by Miss Bettejo Goodall, music teacher in our Swarthmore High School and member of the Swarthmore Presbyterian Church Chancel Choir.

I am sure your information was derived from a similar report in another newspaper written by a friendly reporter who still remains me as a paid soloist with the same church choir. His enthusiasm and ignorance of my change in status were alone responsible for his competing with the "Clemens Story."

Asks for Confidence

To the Editor:
 The letter to the Editor from Richard Wray in your issue of March 25 is very thought provoking to one long a resident of Swarthmore—for almost 44 years!

As is intimated, we have thought of Swarthmore as a place in which one has been privileged to live. It has had an entity, a personality all its own—not just a group of property owners, but a community wanting a democratic way of life; continuous educational opportunities, and the spiritual values for which our active churches stand. We must own up to many shortcomings. I feel sure that we can find and list many of them, but if we profess a desire to be true Christians, followers of the way of Christ, and

if in critical times we are seeking to make democracy work here in our home town, must we not expect our Borough Council to administer all rules and regulations as to future housing developments in the borough in the spirit of our Constitution?

If we have confidence enough in our God, in ourselves, and in our community, can we not afford to be generous in sharing it?

Sincerely,

To the Editor:
 The 1955 Multiple Sclerosis Fund Drive has reached approximately 33 per cent of the goal for Swarthmore. No appeal is being made other than through the pages of the Swarthmorean and the Mr. Peeper Pamphlets that have been placed around town.

May we appeal again to those interested in helping to raise funds for further research into the nature and care of this disease to send their contributions to Mrs. R. P. Kroon, 1115 Muhlenberg avenue, or Mrs. W. B. Pegram, 216 Yale avenue. May we extend our thanks again to the Swarthmorean for publicizing this drive and to Swarthmoreans for their generous response.

Sincerely,
 MARJORIE PEGRAM.
 (MRS. W. B.)

School Presents New Union Budget

Salary Increases An Unfixed Schedule Preferred

Swarthmore School Board gave preliminary approval Wednesday night to the first Swarthmore-Rutledge Union School District budget, under which the two neighboring districts will jointly operate following their consolidation in July. The budget, which will be open for public inspection at the School District office between now and May 18 when it is scheduled for adoption, totals \$625,427 of which Swarthmore's share is \$498,770 and Rutledge's \$68,490. Last year's Swarthmore budget totaled \$523,400 exclusive of a \$178,000 building fund to cover last summer's addition to the Rutgers avenue elementary school.

A lower balance from the previous year, a drop of \$23,000 in tuition, and absence of any loan listed singly for Swarthmore more than counteract a slight increase in tax receipts and a rise of over \$30,000 in anticipated state appropriations. Although no loan appears in the single budgets for either borough, listed side by side with the joint budget, a loan of \$88,187 is carried in the joint financial set-up to cover building the proposed choral room and replacement of the high school boiler.

Swarthmore's share of the \$290,510 set aside for teachers' salaries in the new budget is \$278,780, an increase of \$24,000 over the 1954-55 budget.

A communication to the Board from representatives of teachers in the local school system, asked: If the Board intended to limit some teachers to state prescribed levels. That the Board consider salaries as well as building needs in its long-range planning. (Continued on Page 5)

'Alice in Wonderland' Set for Sat., April 23

Children's Theatre to Give Carroll Classic in N-P High School

Lewis Carroll's "Alice in Wonderland," April 23, by the Children's Theatre of the Community Arts Center in Wallingford. The two performances of this favorite classic will be given at 2 p.m. and 8 p.m. in the Nether-Providance High School, Providence road, Wallingford.

The play will include nearly all of the favorite and well-known scenes from the original books, and costumes and properties will follow closely the illustrations of Tanniel. Fifty boys and girls between the ages of eight and 13 will play the many roles, such as the Caterpillar, the Red Queen, the King and Queen of Hearts, the Duchess and her cook, etc. There will be plenty of laughs and nonsense, with the White Knight falling off his horse, and Humpty Dumpty tumbling from the wall, as well as the comic dance by the hawking Mock Turtle.

Boys and girls of the cast have been attending weekly classes in speech and dramatics, conducted by Mrs. Stuart Graves at the Arts Center in Wallingford. Along with their activities in creative dramatics and speech situations, they helped plan the "big play" even before the cast was chosen.

Friends to Give House Warming Next Week

Occasion Marks Completion of Bldg. Changes at Whittier

The Friends of Swarthmore Meeting will give a day-long housewarming party Saturday, April 16, to celebrate the completion of the building changes at Whittier House. All interested residents of the Swarthmore community are cordially invited to drop in any time between 11 a.m. and 5 p.m. to inspect the improvements and to drink a neighborly cup of tea or coffee.

Built in 1911, the original Whittier House has now been almost doubled in size and extensively remodeled to provide more classrooms, a large assembly room, and a modern kitchen. Wide windows everywhere let in floods of light and sunshine. John D. deMoll of Harvard avenue was the architect; the builder was Paul Restall of Media.

In addition to the housewarming festivities there will be a special exhibition at Friends Historical Library, a short walk across the campus, of some of the most important and seldom displayed items in its possession. The original (Continued on Page 5)

School Presents New Union Budget

Salary Increases An Unfixed Schedule Preferred

Swarthmore School Board gave preliminary approval Wednesday night to the first Swarthmore-Rutledge Union School District budget, under which the two neighboring districts will jointly operate following their consolidation in July. The budget, which will be open for public inspection at the School District office between now and May 18 when it is scheduled for adoption, totals \$625,427 of which Swarthmore's share is \$498,770 and Rutledge's \$58,490. Last year's Swarthmore budget totaled \$523,400 exclusive of a \$178,000 building fund to cover last summer's addition to the Rutgers avenue elementary school.

A lower balance from the previous year, a drop of \$23,000 in tuition, and absence of any loan listed singly for Swarthmore more than counteract a slight increase in tax receipts and a rise of over \$20,000 in anticipated state appropriations. Although no loan appears in the single budgets for either borough, listed side by side with the joint budget, a loan of \$68,187 is carried in the joint financial set-up to cover building of the proposed school and replacement of the high school boiler.

Swarthmore's share of the \$290,510 set aside for teachers' salaries in the new budget, is \$278,750, an increase of \$24,000 over the 1954-55 budget.

A communication to the Board from representatives of teachers in the local school system, asked: If the Board intended to limit some teachers to state prescribed levels. That the Board consider salaries as well as building needs in its long-range planning. (Continued on Page 5)

Easter Bunny Prepares For Easter Egg Hunt

Lions Sponsor Event At 10:30 Tomorrow on Palmer Field

"I'm searching," said the Easter Bunny brightly to anyone who cared to listen, "for the chairman of the Easter Egg Hunt." He looked over his listeners hopefully, and hauled out a little white note. "It's left me a note, which says it's to be held Saturday morning, April 9 (that's tomorrow), at 10:30 a.m. on the Palmer Field next to the College Field House, and he says that all Swarthmore children are cordially invited and that he and his brother Lions will give me all the help I need in arranging the hunt, such as division into age groups and so forth, and wrapping the jelly beans.

"He says, too, that some of the little packages will contain the lucky prize slips which the finder may turn in for a lovely decorated chocolate egg. He adds, in a P.S. though, (the Bunny peered more closely at the note), that only one to a child, and those who find more than one can either give the extras to a friend or put the slip back into play... yes, it's all very clear.

But, what I want to know, is how many jelly beans to prepare, and how many prize eggs to decorate. It would be terrible if there weren't enough, and alas the chairman this year is shy, and wouldn't give me his name, although I carried on an animated telephone conversation.

"Now, I'm shy," he confessed, but that's expected as I'm a Bunny, but a Lion—"the bunny shook his head. "I was to pick up this note with all details at a prearranged spot on Palmer Field but when I got there I wasn't sure whether it was the first rock after the third tree or the first tree on the left from the third tree, and actually it was the first tree left after the rocks had been moved.

"And now here are these other matters I want cleared up, and it's hard to find someone whose name you don't know, and most (Continued on Page 4)

Mrs. William McDermott was elected Girl Scout Neighborhood Chairman and Mrs. Matthew McKinnell assistant chairman and troop organizer for Rutgers Avenue School at the group's final meeting of the season held Thursday, March 31 at the Presbyterian Church.

At the same time Mrs. John W. Carroll, retiring chairman, was elected troop organizer for the College Avenue School, and Alice Marz, retiring secretary, and Allice Marz, retiring secretary, district chairman, reminded those present that questions regarding the cookie sale for next year will be decided at the Council Meeting to be held at the 20th Century Club of Lansdowne, on May 4 at 8 p.m. The annual cookie sale raises funds for Girl Scout Camping. A "no" vote must be accompanied by a suggestion for raising \$25,000 by other means. A "Yes" vote should be accompanied by a preference for the type of cookie and the method of sale. Registered adults eligible to vote are committee members, leaders and assistant leaders.

Mrs. William Glibney of Media discussed the Girl Scout Day Camp at Indian Orchards. Two Swarthmore girls, Margit Quist and Martha Tiller, who had been to Camp Barton last year gave enthusiastic reports of their experiences there. It was announced that Mrs. Carroll has camp folders with complete information for this year for Brownies, Intermediates and Seniors.

The date of the annual Neighborhood Girl Scout Recognition Program, featuring the Brownie Fly-Up, was announced for Thursday evening, May 26. Mrs. Victor Haworth, chairman, said that the time would be 7:30 p.m., a half hour later than last year. However, the program is being planned to last not longer than 8:45 p.m. Mrs. McKinnell, Mrs. C. H. Yarrow and Mrs. Stephen Wilcher are working with Mrs. Haworth on this committee.

Mrs. Anthony M. Fairbanks, hospitality chairman for the afternoon, served coffee and cookies.

DEADLINE—WEDNESDAY NOON

SWARTHMORE, PENNA., APRIL 8, 1955

Sing Carols, Brothers

Sing! Sing Carols, brothers!
 Sing out, all earth's mothers!
 Sing, — death's dread reign is broken;—
 Death, sin's sovereign token is overthrown!

Sing lauds and sing praises;
 Christ's triumph amazes!
 Of death, the doleful fear
 He made to disappear,—
 Life's sureness known!

Carol Lord Jesus' name!
 His victory acclaim!
 He conquered life's stark foe,
 Dispelled its direst woe,—
 Silenced man's groan.

Sing! Sing our Redeemer!
 For no earthly dreamer
 Ever visioned His splendor
 Who did thus surrender
 His heavenly throne—

To disprove death's bleakness;
 To disclose sin's weakness;
 Through terror of earth's graves
 To heavenly zone.

Sing! Sing out His glory!
 Chant loudly His glory!
 Sing—all voices exultant,
 Of Christ's life triumphant;—
 His Godhood shown!
 GEORGE H. TURNER

Thomas A. Bradshaw, president of the Provident Mutual Life Insurance Company of Philadelphia, and Sewell W. Hodge, C.L.U., secretary-treasurer of the same firm, have been named members of the David McCahan Memorial Committee.

It will provide a single outstanding lecture each year, by someone known for his own creative contribution, on a subject of vital importance to the life underwriting profession.

Mr. Bradshaw, who lives on Ogden avenue, is a director of the Philadelphia National Bank, and the Insurance Federation of Pennsylvania. He is currently serving as general chairman of the 1956 United Fund Campaign.

difficult indeed to describe a telephone voice.

"I think he's a doctor," the Bunny said, looking slightly feverish in his warm winter coat, "but there are lots of those, although not all doctors are Lions, any more than all Lions, albeit the serviceable type, are doctors, and so there I am."

"What really distresses me, the Bunny continued, trying to blow down his own collar, "is that I think he was there the whole time I was trying to decide which rock to look under, and I think I saw the wings of his Aesclepius staff disappearing behind a distant bush, but I wasn't quick enough."

The bunny sighed, murmured something more about how many jelly beans he ought to bring, blew once more down his collar (a neat trick), and said sadly as he prepared to leave, "Give him my best, and tell him, the rain date, if we need it, will be at the same time on the following Saturday, April 16."

Mrs. Wellington Francisco and children, Patricia and Billy of Bethesda, Md., will arrive tomorrow for a visit with Mrs. Francisco's brother-in-law and sister, Mr. and Mrs. Howard C. Jackson of Vassar avenue.

School Presents New Union Budget

(Continued from Page 1)

An explanation of the merit system under which the Board decrees increments.

A specific schedule of increments and maximum salaries. Charles Martin, salary chairman of the Board, was instructed to explain to the teachers' committee that no teacher who had taught in

Swarthmore long enough to reach the state maximum had ever been held to it. The Board also asked Mr. Martin to convey its consciousness of the need to continue to retain the high level of its teaching staff. It hopes to continue its practice of the past several years of giving \$12,000, or \$14,000 annually in increments, including state mandated and straight merit increases, which average over all about \$260 per teacher. Board members said that Swarthmore has maintained teacher salary standards in the forefront of the suburban area and expects to continue to sustain salary levels commensurate with educational services rendered. Members of the Board expressed themselves as unresponsive to the idea of a specifically stated set of increments or maximums for the future when the district might not have the ability to meet them. Consideration of each case on its own basis at the time was preferred. It was pointed out that Swarthmore, despite recent growth, still retained its unique policy of individual consideration not only to its pupils but to its teachers. The Board asked that the administration see that each individual member of the faculty receives an explanation of any particular phase of local salary practice in which he or she is interested.

Plans for the new choral room addition to the band and shop building at the rear of the high school, as presented by Alex Ewing, architect, were given preliminary approval. Final drawings and authorization of bid advertising is expected at the April 20 session of the Board.

iginal deed, signed by William Penn, to the land on which Swarthmore College now stands, will be shown. In the Swarthmore College Peace Collection, also housed in the Library building, visitors will have an opportunity to examine several letters written by Gandhi and a selection of distinctive items connected with Jane Addams' life and work.

Mrs. Henry C. Patterson is chairman of the Housewarming Committee. Assisting her as heads of sub-committees are:

Goodwill Industries, whose motto is "Not charity, but a chance," offers a program of rehabilitation of the physically handicapped, job training, and a sheltered workshop. This material, given groups or individuals, is reconducted by the handicapped and disabled, and is then sold through retail stores operated by Goodwill Industries. The income received is spent for wages of the disabled workers.

Approximately 80 percent of the expenses of operating this rehabilitation service program is paid through the sale of furnished merchandise and other industrial income. Now in its 53rd year, Goodwill has 101 factories and 350 retail stores scattered from Maine to California, and the movement has spread abroad. The program is being brought

'Ten Keys to Propaganda' Topic of Women's Open Meeting Monday in School Auditorium

All members of the community are cordially invited to attend a lecture by Lawrence E. Dennis on "Ten Keys to Propaganda" Monday, April 18, at 8 p.m. in the auditorium of the Swarthmore High School. Larry Dennis comes to Swarthmore under the sponsorship of the Woman's Club and with the cooperation of the local high school and the Pennsylvania State University.

Mr. Dennis is administrative assistant to the president of Pennsylvania State University. He will show how the average citizen can glean a better understanding of world affairs by learning to recognize common verbal tricks employed by commentators, columnists, public officials, and others.

Dennis served for nearly three years as a member of the editorial writing staff of the Des Moines, Ia., Register and Tribune. In that position, he wrote editorials and feature articles dealing with education, state and national government, foreign policy, and other aspects of public affairs. He also spoke before various civic and professional organizations throughout Iowa and took an active part in community endeavors. He served as lecturer on the social science faculty of the Drake University Community College, teaching adult education courses in International Trends, Current Social Issues, and Backgrounding the News.

Before joining the Register and Tribune staff, Dennis held the post of Special Assistant to the U.S. Commissioner of Education in Washington, D.C. In that capacity, he aided in the preparation of documents dealing with educational policy and participated in the program planning for the U.S. Office of Education.

Prior to his service in the government, he was in the employ of the U.S. Office of Education. (Continued on Page 6)

Pre-School Clinic April 25, 26, 27 for Fall Kindergartners

Notice of the Pre-School Clinic for children who are to enter kindergarten in September, 1955 has just been sent to parents of such children as registered in the school census.

Monday, Tuesday, and Wednesday, April 25, 26, and 27, have been designated as registration days. Children who will be five years of age prior to January 31, 1956 will be eligible for entrance into kindergarten in September, 1955.

Mothers of such children are urged to telephone Mrs. Howard Clymer, 515 Park avenue, at Swarthmore 6-7888 to make an appointment. Mrs. Clymer requests that calls be made on April 20 and 21 between 1 and 5 p.m. This plan will provide a minimum of waiting at the school at the time of the registration.

Purpose of the Pre-School Clinic is to register all children who will be entering kindergarten to give them several physical tests and to explain to parents the plan of medical examinations. At the time of the appointment, each mother is requested to bring the child to the School District Office, on the first floor of the high school building, bringing along the birth and vaccination certificates as required papers for the completion of registration formalities. Dr. John H. Wigton, school medical examiner for Swarthmore, emphasizes that the school law requires a vaccination certificate on the official form EHC-75 as provided by the Pennsylvania Department of Health.

Whether notices are received or not, mothers of children who are to enter kindergarten next year, should call Mrs. Clymer and arrange for an appointment.

High School to Give Spring Choral Concert

The annual Spring Choral Concert of the Swarthmore High School will be presented Thursday and Friday, April 21 and 22, at 8 p.m. in the high school auditorium. The two performances are an innovation this year to accommodate the ever increasing following.

Ten choral groups, including the faculty men's chorus, will take part under the direction of Bettje Goodall, vocal musical director at the high school.

The program will be starred with old-time favorites as well as the less familiar tunes, and selections ranging from Bach to Gershwin will illustrate the theme "Songs Were Made to Sing While We're Young."

An added feature of the Friday night performance will be the Handel Hallelujah Chorus, directed by guest conductor Mrs. Alice Blodgett Hoon, former music teacher at the high school. Tickets for the concert may be had from members of the choruses, and are available at the door.

County K. C. to Put On Dog in H. S. Gym

Final Winner in Fido Festivals Is S.P.C.A.

Knowing full well that "every Dog has his Day" the Delaware County Kennel, further believing that Fido also deserves a Night now and then, is sponsoring an American Kennel Club sanctioned Match Show with classes for all breeds and for obedience tomorrow evening, Saturday, April 16, in the Swarthmore High School gymnasium. Entries will be taken from 5:30 to 7:30. The match will begin at 7 o'clock with children's handling classes for boys and girls.

Local pedigreed pooches, from the most inexperienced three-month-old pup to grown dogs who have gained much practice but never won major championship points in regular show competition, are invited to join in the fun. They and their owners (junior and senior) will have the opportunity of meeting visiting canines of numerous breeds and their accompanying fanciers from other spots in Pennsylvania and neighboring states, and of vying (Continued on Page 6)

College Folk Festival Set for This Weekend

Guests Artists Featured in Annual Campus Event

All day today, Friday, April 15, devotees of the square dance, folk dance, blues singers, guitar players, etc., will arrive on the Swarthmore College campus for the tenth annual Folk Festival week-end.

By thumb, by Cadillac, jalopy, on bicycle and by train, groups will come from Massachusetts, Illinois and from Washington, D.C., to attend the gathering, one of the larger ones of its kind in the northeast. Leonard Lee, guest caller for Saturday night's gigantic dance, is coming from Tulsa, Okla.

Started in 1940 solely as a dance festival, the Swarthmore pageant expanded in 1945 and adopted the form it still maintains. The week-end schedule is as follows:

The Friday night square dance with live music and local callers will be held in the Field House. The folk dance exchange and teaching session will be held Saturday morning in the Hall Gym. The Saturday afternoon concert will be given by blues singer Josh White in Clothier Memorial, and the Saturday night square dance with Mr. Lee will be held in the Field House.

Takeoff June 19th Will Send Presbyterian Choir to Europe

Thirty-four members comprising the Presbyterian Church Choir under the leadership of Donald R. Mathis, choir director, with an additional 34 in an auxiliary group, will literally take off June 19 on a four-week tour of European countries.

With the avowed purpose of building "better international understanding and more meaningful personal relationships between ourselves and fellow Christians in other countries," the choir will endeavor to share with the citizens of the towns they visit, the universal language of music.

As a volunteer, non-professional musical organization, the choir will give free concerts in cities and towns in Holland, Germany, Switzerland, Italy and France. Choir members will live in the home while the auxiliary groups will be housed through arrangements made by the travel agency. Both groups will participate in the seminars, informal sings and other special "extra-curricular" projects which have been planned to promote greater friendship and understanding between the visitors and their hosts.

The repertoire will include oratorios and cantatas of the greatest master, anthems, American folk songs and spirituals, and some American jazz music for secular programs. Mr. Mathis has been conducting rehearsals, two a week (in addition to the regular rehearsals for the Chancel Choir), since the end of February. A community concert to be given later in the spring will present the entire program.

The project has been endorsed by Eugene Carson Blake, Stated Clerk of the Presbyterian Church, U.S.A., who asked that the Swarthmore Choir represent the Presbyterian Church at large. It also has the blessing of the U.S. (Continued on Page 7)

J. Roy Carroll, well known architect who has been instrumental in setting up county and township planning boards in this and other counties, Monday evening recommended to his colleagues on Swarthmore Borough Council that a planning commission be created in Swarthmore. Although another Councilman expressed the idea that this borough, being so nearly built-up to its maximum capacity, might not need such a planning group as much as more expandable communities, it was generally agreed that a planning group might be useful in conducting surveys and supplying information which would ease the zoning, traffic and similar decisions which Council must constantly make.

Carroll stated that in addition to his own strong conviction of the high worth of commissioners devoted to thinking out today's action with due consideration of the future, the Swarthmore Property Owners Association had recently told him that it felt a planning board could operate to general advantage in Swarthmore, and the local League of Women Voters decided last month to study the advisability of establishing a planning commission for Swarthmore.

Borough Solicitor Clarence G. Myers reminded current Councilmen that their predecessors had been early advocates of planning boards and a considerable number of years ago set up provisions for a three-member board for that purpose. Apparently this early venture did not bear fruit and fell by the wayside in the intervening years. Meanwhile a State law authorizing boroughs to create five-member boards of this kind, has been enacted.

Council decided to give further thought to the subject and jointly consider it at a future meeting. Actions at Monday night's regular monthly meeting of Council included:

Refusal of a zoning change for the Rutgers avenue lot adjoining the Old Bank Building. Robert S. Bird, representing the lot's owner Victor D. Shirer, sought to have the parcel transferred from its present apartment house rating to business use. Plans for a 82x92 foot, two-story office building which a prospective buyer desired to erect on the 120x160 foot site, were shown.

Presentation by Philip E. Jacob of engineering drawings for the first 19 homes in the proposed Jacobs development on the Morrow tract off Harvard avenue and Mt. Holyoke place. Duplicates of the drawings, done by Gus Houtman who serves as borough engineer, were to be presented to the Delaware County Planning Commission later in the week. Dr. Jacob announced. The plans were referred to the public safety committee for report at the May meeting of the Council. Receipt of a half dozen letters urging that Council's action on this development be from a legal standpoint rather than color, was announced by Thomas Hopper, Council president. Mr. Hopper remarked that regardless of what people think or what moves them to request any development be rushed through, that the Borough has ordinances governing the actual erection or change of any and all buildings within its boundaries and a normal time to ascertain that any plans meet these specifications and for necessary contracts to be entered into, will have to be allowed. "Urging us to respect the content of the United States Constitution is fine, but we as Councilmen here must insure that the laws of the Borough of Swarthmore are complied with in this or any other project," Hopper stated. Although no statement regarding any possible marketing plans for the proposed

homes has been made to Council by promoters of the development, the Jacobs have told the Swarthmore Property Owners Association the press, and individuals over local other developments where homes may be bought by members of all races. Nearly a half-hundred applications, including those of whites, Negroes, an Hawaiian, an Indian and a Chinese had already been made for the homes according to a statement by Dr. Jacobs which appeared in the press a month ago. Another Councilman, Monday evening, stated that in view of difficulties Council has experienced with other developers, Council has the right to know the owner of any piece of ground being developed and such owner's financial responsibility.

First reading and authorization of advertisement of an ordinance for the widening and improving of Michigan avenue and the correction of street conditions in Westminster and Marietta avenues, was given.

Engineers' drawings for a replacement of the Cresson lane bridge at the foot of Amherst avenue were approved and the Secretary was asked to advertise for bids on the project which is the first step in improving this dirt extension of that end of Harvard avenue. Bids for resurfacing of 10,000 square yards of borough streets will also be advertised for.

The MacLeod Motor Company, Oxford, being low of two bidders on a new police car, was awarded the order in the amount of \$1098 after trade-in allowance on the old police car and deduction of taxes. George Myers, local Sea Scout leader, requested the motor and electrical system of the obsolete fire engine which the Fire Company is replacing with a new 1000 gallon pumper for which Council donated \$18,900. Council asked the Fire Company's apparatus committee to see if the supplier of the new truck, who is taking the old truck as trade-in value, would be willing to turn over the mechanism to the potential firemen of tomorrow. The Sea Scouts have been diligently seeking motor to place in a boat given them by the Navy.

Raymond Littlefield, of Swarthmore place, and an advertising agent of the Pennsylvania Railroad discussed advertising posters recently erected on the outside of the local station in an effort to supplement railroad income, by advertisers' rental of such space. The Borough regretfully informed the railroad that in terms of a local ordinance all such signs must be confined to the inside of the waiting room.

Elmer Hignutt was informed he was violating the law by storing a trailer in his yard at 45 Dartmouth avenue and was given 30 days to arrange its removal. Andrew Alexander of 117 South Swarthmore avenue sought and was granted several days' stay of sidewalk installation in front of his home in order that he might remove shrubs to another location and examine grading lines of the development in an effort to prevent aggravation of a drainage problem.

Secretary Richardson was instructed to notify property owners to have sidewalks repaired in numerous spots where tree roots have impaired the walk and threaten pedestrian safety. Disfavor of House Bill 173, in the current session of the State Legislature, was ordered expressed to Delaware County's legislators, and Mr. Richardson was commissioned to appear before the holding committee in Harrisburg to express the Borough's views. Council felt the police pension plan decreed by the Bill would be dangerous financially to boroughs.

The monthly report of Dr. J. Albright Jones, health officer, revealed an incidence of chicken pox. Seventeen cases were listed for the month.

Mrs. Charles Townsend, who entered the employe of the Bor-

ough as Miss Ruth Brinton on April 8, 1930, was given tribute for 25 years loyal and efficient service by passage of a resolution of which she will be tendered a copy. Mrs. Townsend recently was appointed assistant Borough Secretary after many years unofficial service in the post.

Phyllis Curtin Soloist With Phila. Orchestra

Mrs. Phyllis Curtin, soprano, was a soloist with the Philadelphia Orchestra in the Bach "The Passion of Our Lord According to St. Matthew" presented last week under the direction of Eugene Ormandy.

Described as one of America's "most promising and gifted young artists in every facet of the singer's art," Mrs. Curtin resides with her husband, Dr. Philip Curtin of the history department at Swarthmore College, on Crum ledge.

Born in Clarksburg, W.Va., where she received her secondary education, she began her musical training by singing in the school ensembles. She later attended Monticello College in Alton, Ill., and Wellesley College, where she graduated with a major in political science.

She has sung in several operatic productions, including the New England Opera Theatre under Boris Goldovsky, and joined the New York City Opera in 1953. She made her debut with the Philadelphia Orchestra last December in Richard Strauss' "Vier Letzte Lieder" and the closing scene from "Salome."

In Appreciation

To the Editor:
 In the 1955 Red Cross Drive we have raised \$8,400.00 — 90 per cent of our goal — and have enrolled 1100 members. I want to thank the volunteers who canvassed their neighborhoods, those who contributed, and all who helped in the campaign. We can put this drive over the top if those who have not yet contributed will send their donation to Mrs. Jean Bass, Treasurer, 24 Ogden avenue, Swarthmore.

I am particularly indebted to the area chairmen and the captains in the drive, the officers of the local chapter, the merchants who displayed posters, the Swarthmorean for its free publicity, and Edward L. Noyes and W.S.C.S. Circle 6 will meet at 7:30 p.m. on Thursday, April 14, at the church at 7:30 p.m.

Signs of the Times

People living or visiting in Swarthmore, who know where they are, these days are experiencing a peculiar sensation of kinship with Alice and the Red Queen who found it took considerable running to remain in the same place. In fact Alice's "Are we nearly there?" and the Queen's exasperated retort, "Nearly there! Why, we passed it ten minutes ago!" is relived daily by anyone "not in the know" and apt to take seriously a sign recently erected on Cedar Lane (State Route 320) in Swarthmore, between Baltimore Pike and Swarthmore Avenue.

The sign (of the directional type) which states "Swarthmore 2 (miles)" has even been confusing Borough Councilmen who thought they knew their town well enough to realize when they were in it and not two miles on the outskirts. In fact, one Councilman at Monday's session of the Borough Fathers, feeling the world was already confused enough, asked Borough Secretary Elliott Richardson to plead with the State Highway Department to either discard the sign or to escort it out of town.

Two other highway signs seem hard to reconcile. At the Swarthmore Avenue crossing of North Chester road and old sign proclaims "Philadelphia 12 (miles)". Just around the corner on Cedar Lane a new sign informs the reader "Philadelphia 11 (miles)". Has modernity, indeed, succeeded in shortening distance?

Presumably a mile or so difference at this end won't make or break a jaunt to the City as quick as by Pennsylvania Railroad. Thus the inconsistency of the two

Dr. Doherty, who lives on Elm Avenue, is the author of two books in the field of physical education, and a director of activities at the Music camp at Interlochen, Mich., in the summer months. He has just recently returned from India and southern Europe, where he lectured and set up coaching clinics under the auspices of a State Department program for sending outstanding personalities in various fields, for advancement of international relations and understanding.

Lew Elverson, assistant professor of physical education and football coach at the college, will introduce Dr. Doherty.

Isaac Yocum, Former Swarthmorean, Dies

Funeral services were held at 1 p.m. Wednesday in Philadelphia for Isaac C. Yocum, a resident of Swarthmore for 35 years, who died Saturday, April 9, at his home on South 68th street, Philadelphia. He was 87.

In Swarthmore for 1908 to 1941, he lived at 538 Walnut Lane. Mr. Yocum had served the Swarthmore Methodist Church as superintendent of its Sunday School for 20 years. He had been a lay preacher of the Methodist Church and Sunday School teacher for more than 50 years.

Mr. Yocum was one of the original group which started the Players Club and performed in its first production. His first wife, the former Elsie Cloud of West Philadelphia, who died in 1917, had been a member of the Methodist Church and the Woman's Club.

Mr. Yocum operated a West Philadelphia realty company for 53 years prior to his retirement in 1940. He was a member of the Layman's Association of the Methodist Church and a manager of the American Sunday School Union and the Philadelphia Bible Society.

He is survived by his wife Gertrude Tribit, whom he married in 1923; a son Frederick, a teacher in the Swarthmore High School; two daughters, Mrs. A. Hammond Smith and Mrs. James C. Weaver, both of Shippensburg; and three grandchildren.

In addition, the puppy and adult who, in the considered opinion of the judging specialists, emerge victorious through successive competition in their age classifications in breed, variety group, and combined group comparisons, will stand up against each other for the supreme win of "best-in-match."

Finalists on March 5 when the Delaware County Kennel Club sponsored a similar event in the local high school gym, were a handsome German shepherd puppy and a dachshund nearing his third birthday. The charm of the gay dachsie triumphed and his Havertown mistress nearly fainted when she was handed the ultimate ribbon and trophy of the match.

A friend had given her the little fellow a few months earlier, he was the first dog she'd ever owned, and it was only the second time she had handled a dog in a show ring. A Swarthmore lad upheld the home honor by winning the boys' handling class. Dr. William H. Ivens, Jr., of Ardmore, bench show chairman of the Club points out the dual benefit of these informal match events. Amateur dog fanciers have an exceptionally good chance to be winners, simultaneously adding to their experience and knowledge, and the Club raises funds to finance its annual all-breed championship point

Red Cross Seeks More Gray Lady Volunteers

Plans for a special one-day training class for Red Cross Gray Lady volunteers to meet the needs of 46 hospitals and clinics in the metropolitan Philadelphia area were announced today.

Mrs. George Plowman, Gray Lady Chairman of the Swarthmore Branch, said the course will be held Tuesday, May 3, at Snellenburg's auditorium, 11th and Market streets. It will run from 10 a.m. to 4 p.m.

Registration for the class closes Thursday, April 28. "The need for Gray Lady volunteers is at its highest point in years," Mrs. Plowman said. "Hospitals and clinics have asked us to train hundreds more qualified women to serve in this vital community role."

Among the units needing additional volunteers is Wills Eye Hospital, 16th and Spring Garden. Gray Ladies write letters, do shopping and read for patients, among their varied duties.

Although there is presently no Gray Lady unit at the Children's Reception Center, 1823 Callowhill street, which handles homeless and unfortunate children from a week to 18 years of age, there is a need for volunteers to serve there.

Volunteers are also needed for duty at St. Christopher's Hospital for Children, 2800 N. Lawrence street. Assignments there include work at the reception desk, doing medical histories, answering telephones, serving in central supply and duty in the playroom of the out-patient department.

Mrs. Plowman said there is also a need for qualified women to serve as desk secretaries with the units on duty at Chester and Presbyterian hospitals. The training is open to women between 21 and 55 who are in good health and have a high school education or its equivalent. Interviews for women interested in the volunteer work will be held at Red Cross headquarters, Broad and Vine streets, from 10 a.m. to 4 p.m., daily, Monday through Friday, until April 28.

"For the convenience of women who cannot register during the day, evening interviews will be held Thursday, April 21 from 5 to 8 p.m., at chapter headquarters. Information on the training is available at all Red Cross branch offices.

Gray Ladies are being enrolled for the following hospitals: Albert Einstein Memorial Center, Northern and Southern Division; Abington, Bryn Mawr,

'Sabrina Fair' Makes Spring-Like Fare

Cheery for spring, bright and light, Samuel Taylor's "Sabrina Fair" is well deserving of its warm reception as the Swarthmore Players Club's April production playing all this week at the theatre on Fairview road. In its closing performances tonight and tomorrow, the romantic comedy is well directed by J. William Simmons and John F. Cramp, and thrives under their combined touch.

Helen Harle Rodgers heads the cast of 14 in the title role. Her gay, chattering, thoroughly charming Sabrina is admirably handled. She is to be commended for her simplicity of portrayal.

Edna H. Clare as a pleasant and understanding society mother, turns in an able portrayal in her debut on the club stage. Her basically calm Mrs. Larrabee is in excellent contrast to the lively Aunt Julia, played by Alison Roberts, seasoned Players' trouper. Mrs. Roberts adds spark and zest to the Larrabee household and earns the hand given her exit in the last act.

Co-director Cramp, in double duty as Linus, Jr., is a complete success as a business tycoon and man of the world, and a compliment to his younger brother, agreeable, handsome David, competently played by Phillip Kniskern.

Richard S. Burgess is a delight, as the gloomy, elderly, funeral-trotting Linus, Sr. His plaintive calls for his son in the opening of the second act in a manner that is a highly inadequate father of the brood.

Mr. Simmons in the role of Tom Fairchild, Sabrina's father and chauffeur to the Larrabees gives an excellent thumbnail biography of Jacques Paul Trocme, as one of Sabrina's beau adds an authentic French accent to his pleasing portrayal as "the earnest young man."

Appearing briefly and adequately are Anne Voigt, whose talents are lost in the part of Margaret, the maid, and Nancy Reoss, stepping out before the lights for the first time, as the smooth, glib, ex-Mrs. Larrabee.

Also making brief appearances are Ethel McClinton, Blair Price, Jr., Bette Ward, and Thomas R. Saunders as the comely party guests.

Laboring behind the scenes are David Bingham as assistant technical director; Ed Bull, stage manager; and Leslyn Trocme the prompter, a decided asset to early performances.

Club members who have seen the movie, "Sabrina" and are therefore contemplating saving up their tickets for a theatre party in May, should nevertheless squeeze in a theatre trip tonight or tomorrow for the play version is different, and the Players' presentation of it lots of fun and well done.

GET ALL THE FACTS ON 100-A HOME WIRING

The wiring in most homes was never intended to carry today's electrical loads. As a result, appliances are often starved for electricity and cannot give you the full value of performance you have a right to expect. The remedy for outdated home wiring is 100-A wiring, which simply means:

- A** Large enough wires to get the power into your house. (If you're technically inclined, that means wires not smaller than two #2 and one #4.)
- B** Enough branch circuits of large enough wires to get the power throughout your house. (Again, for the technically minded, this calls for a switch panel of not less than 100-ampere capacity with provision for a minimum of eight branch circuits.)
- C** Enough switches, convenience outlets and special purpose outlets located where they will serve you completely and most advantageously.

Your electrician can give you all the facts on 100-A home wiring and even help you finance this excellent investment. Call him today!

AND OF WILLIAM A. CLARKE, JR. UNDER EXISTING CONTRACTS WITH THE BOROUGH OF SWARTHMORE (HEREINAFTER REFERRED TO AS PRIVATE CONTRACTORS); PROVIDING FOR THE ASSESSMENT AND COLLECTION OF COSTS OF THE ASSESSABLE PORTIONS OF THE FOREGOING WORK FROM ABUTTING PROPERTIES LIABLE FOR SUCH ASSESSMENTS INCLUDING PROPERTIES ON THE SOUTHWESTERLY SIDE OF MICHIGAN AVENUE SITUATE IN THE TOWNSHIP OF RIDLEY, AND FIXING THE PORTIONS OF SAID ASSESSMENTS IN ACCORDANCE WITH SAID PRIVATE CONTRACTS AND WITH THE PROVISIONS OF THE BOROUGH CODE, PROVIDING FOR THE COLLECTION OF SAID ASSESSMENTS IN ACCORDANCE WITH THE LAW AND PRESERVING THE RESPECTIVE LIABILITIES OF SAID PRIVATE CONTRACTORS.

THE COUNCIL OF THE BOROUGH OF SWARTHMORE DOES ORDAIN:

Section 1. Michigan Avenue (situate entirely within the Borough of Swarthmore) shall be repaired, regraded, rebuilt, widened, and the sidewalks thereon shall be replaced in accordance with drawings prepared by Damon and Foster, Civil Engineers, dated May 21, 1954, copies of which are on file in the office of the Borough Secretary, when so widened, pursuant to private contracts heretofore made for such purpose, Michigan Avenue between the western points shall be thirty-five (35) feet wide, and between the eastern points shall be fifty (50) feet wide, and on the north side thereof, all of said work shall be done under the supervision of the Borough and in conformity with plans and specifications on file with the Borough Secretary.

Section 2. The work to be done pursuant to this Ordinance is the carrying forward in proper manner of work hereinafter described in two (2) existing contracts heretofore made by the Borough of Swarthmore, to-wit: (1) with Swarthmore Gardens, Inc. the then owner of a certain tract of land in the Borough of Swarthmore bounded on the south-east by Michigan Avenue (then forty-five (45) feet wide), on the southwest by Fairview Road (then forty (40) feet wide), and on the north in regularity by private property abutting on Strath Haven Avenue (fifty (50) feet wide unopened), and on the east by Drew Avenue (then thirty-seven and one-half (37½) feet wide unopened); and (2) with William A. Clarke, Jr. Copies of said private contracts may be inspected in the office of the Borough Secretary. To the extent that part of the work contemplated in said private contracts has heretofore been satisfactorily completed, it shall not be disturbed by the provisions hereof, nor is such work to be assessed against abutting properties. Nothing in this Ordinance contained shall be taken as modifying either of said private contracts, or relieving the obligors therein, or the surety, of any of their obligations hereunder. Pursuant to the provisions of the Borough Code, the abutting properties contained in the said private contracts, and pursuant to provisions of the Borough Code, its supplements and amendments, and particularly Section 1903, Chapter of Properties of the Township of Swarthmore, situate on the southwestern side of Michigan Avenue between the aforesaid points, shall be assessed only for one-third (1/3) of the cost of constructing said new strip of paving, approximately nine (9) feet wide, contained to widen the existing cartway of about 20 feet from its present margin (20) feet (more or less) to twenty-five (25) feet in accordance with the drawings on file with the Borough Secretary.

Section 3. Approximately 300 feet of the paving of Westminster Avenue, extending northward from its intersection with Michigan Avenue, and certain areas of the paving of Marietta Avenue, all being designated on the plans in the Borough Secretary's office, are hereby declared to be defectively paved (work done under said private contracts) and not acceptable to the Borough. Such portions shall therefore now be improved pursuant to this Ordinance, and the entire cost of such work shall, upon the completion thereof, be assessed as aforesaid. To the extent authorized by the said private contracts, said assessments shall be paid or credited to the account of the said private contractors, in the order in which said contracts were entered into; without relieving either of said private contractors of their liability from its or his obligations thereunder.

Section 4. It is further ordained that where curbing has heretofore been installed in places, at grades, or of kinds or quality not conforming to Borough specifications and the terms of said private contracts, and either incidental curbing or other work remains to be done, or drainage facilities provided, or sidewalk work to be done, or other work of the streets above mentioned, all such work shall be done in conformity with the drawings on file with the Borough Secretary, and in accordance with the terms of said private contracts, and the cost thereof shall be assessed as aforesaid.

Section 5. To the extent that said private contractors, or either of them, have deposited funds with the Borough toward the cost of the work authorized by this Ordinance, proper credits shall be given and proper accounting made in accordance with said contracts. Said private contractors shall upon completion of their work indemnify the Borough against any deficiency in said deposits, and shall indemnify the Borough against any loss, liability or expense in connection with the doing of said work.

Section 6. The proper Borough officers are hereby authorized and directed to execute such contracts and other documents as will be necessary to carry out the provisions hereof. The bids to be received after due public advertising, and the contract to be awarded to the successful bidder, shall provide for a separate item of cost for the paving of the nine (9) foot strip of additional cartway of Michigan Avenue heretofore referred to, and such other paving work as may be necessary for the accomplishment of the purposes hereof as the Borough officers may determine.

Section 7. Upon completion of the work and assessment of the cost thereof, assessments shall be made upon properties abutting upon said streets in accordance with law, according to the foot frontage of the several abutting properties. One-third (1/3) of the cost of the aforesaid nine (9) foot strip of new paving in Michigan Avenue shall be assessed against properties in Ridley Township; the remaining two-thirds (2/3) of the cost of such strip shall be assessed against abutting properties in the Borough of Swarthmore (as authorized by said private contracts) and the entire remaining cost of the work herein authorized shall be assessed against properties abutting thereon in the Borough of Swarthmore, in equitable manner, and pursuant to said private contracts. The Borough of Swarthmore shall pay no part of the cost of the work authorized by this Ordinance. All assessments shall be payable to the Borough without interest, provided they are paid within thirty (30) days from the completion of said work, but any assessment remaining unpaid for more than thirty (30) days shall draw interest at the rate of six (6) per cent per annum from the date the work is completed, and if not paid within five (5) months after completion the Borough Solicitor shall cause liens to be filed against the respective properties liable therefor, with accrued interest from the date of completion of the work, together with proper costs, penalties and attorneys' fees. The Borough reserves the right to accelerate the time for the filing of such liens, and to collect said assessment by the lawful means at the discretion of Borough Council. The Borough also reserves all its right under the aforesaid private contracts.

Section 8. Any Ordinance or part thereof conflicting with provisions of this Ordinance is hereby repealed to the extent of any such conflict.

The foregoing Ordinance, having been introduced at a regular meeting of Borough Council held April 11, 1955, after the posting of handbills in accordance with the Borough Code, having again been considered at a regular meeting of the Borough Council, is hereby passed and finally adopted this 15th day of April, 1955.

either of said private contractors has heretofore constructed portions of said nine (9) feet of new cartway in an acceptable manner, such work will not be disturbed by the provisions of this Ordinance, other than to tie into the work herein authorized, and such portions will not be assessed against abutting properties. All of the remaining cost of the work herein authorized shall be chargeable to said private contractors pursuant to the aforesaid contracts, and assessed in accordance therewith against abutting properties in the tract known as Swarthmore Gardens as above described. Such assessment shall be made upon the completion of all of the work herein authorized by the foot front method, in accordance with law.

Section 3. Approximately 300 feet of the paving of Westminster Avenue, extending northward from its intersection with Michigan Avenue, and certain areas of the paving of Marietta Avenue, all being designated on the plans in the Borough Secretary's office, are hereby declared to be defectively paved (work done under said private contracts) and not acceptable to the Borough. Such portions shall therefore now be improved pursuant to this Ordinance, and the entire cost of such work shall, upon the completion thereof, be assessed as aforesaid. To the extent authorized by the said private contracts, said assessments shall be paid or credited to the account of the said private contractors, in the order in which said contracts were entered into; without relieving either of said private contractors of their liability from its or his obligations thereunder.

Section 4. It is further ordained that where curbing has heretofore been installed in places, at grades, or of kinds or quality not conforming to Borough specifications and the terms of said private contracts, and either incidental curbing or other work remains to be done, or drainage facilities provided, or sidewalk work to be done, or other work of the streets above mentioned, all such work shall be done in conformity with the drawings on file with the Borough Secretary, and in accordance with the terms of said private contracts, and the cost thereof shall be assessed as aforesaid.

Section 5. To the extent that said private contractors, or either of them, have deposited funds with the Borough toward the cost of the work authorized by this Ordinance, proper credits shall be given and proper accounting made in accordance with said contracts. Said private contractors shall upon completion of their work indemnify the Borough against any deficiency in said deposits, and shall indemnify the Borough against any loss, liability or expense in connection with the doing of said work.

Section 6. The proper Borough officers are hereby authorized and directed to execute such contracts and other documents as will be necessary to carry out the provisions hereof. The bids to be received after due public advertising, and the contract to be awarded to the successful bidder, shall provide for a separate item of cost for the paving of the nine (9) foot strip of additional cartway of Michigan Avenue heretofore referred to, and such other paving work as may be necessary for the accomplishment of the purposes hereof as the Borough officers may determine.

Section 7. Upon completion of the work and assessment of the cost thereof, assessments shall be made upon properties abutting upon said streets in accordance with law, according to the foot frontage of the several abutting properties. One-third (1/3) of the cost of the aforesaid nine (9) foot strip of new paving in Michigan Avenue shall be assessed against properties in Ridley Township; the remaining two-thirds (2/3) of the cost of such strip shall be assessed against abutting properties in the Borough of Swarthmore (as authorized by said private contracts) and the entire remaining cost of the work herein authorized shall be assessed against properties abutting thereon in the Borough of Swarthmore, in equitable manner, and pursuant to said private contracts. The Borough of Swarthmore shall pay no part of the cost of the work authorized by this Ordinance. All assessments shall be payable to the Borough without interest, provided they are paid within thirty (30) days from the completion of said work, but any assessment remaining unpaid for more than thirty (30) days shall draw interest at the rate of six (6) per cent per annum from the date the work is completed, and if not paid within five (5) months after completion the Borough Solicitor shall cause liens to be filed against the respective properties liable therefor, with accrued interest from the date of completion of the work, together with proper costs, penalties and attorneys' fees. The Borough reserves the right to accelerate the time for the filing of such liens, and to collect said assessment by the lawful means at the discretion of Borough Council. The Borough also reserves all its right under the aforesaid private contracts.

Section 8. Any Ordinance or part thereof conflicting with provisions of this Ordinance is hereby repealed to the extent of any such conflict.

The foregoing Ordinance, having been introduced at a regular meeting of Borough Council held April 11, 1955, after the posting of handbills in accordance with the Borough Code, having again been considered at a regular meeting of the Borough Council, is hereby passed and finally adopted this 15th day of April, 1955.

LETTERS TO THE EDITOR
 (Continued from Page 4)
 organization rendering complete services to the blind in Delaware County. The Association has for years maintained house-to-house sales forces throughout Delaware County, selling products made by the blind. The purpose of this sales program is to provide a constant market for articles manufactured by blind workers employed in workshops operated by the Association, or in the homes of the blind. The Sales Department of the Association is conducted on a non-profit basis.
 From time to time, and particularly in recent months, salesmen from organizations not representing Delaware County, and other agents purporting to sell blind

made goods have been confusing the public. Many housewives have bought goods thinking they are helping their own Delaware County only to find that they have been misled. Such activities are detrimental to the interest of Delaware County's blind people and those in the Philadelphia area, because the confusion is having an adverse effect upon the sale of blind goods by the legitimate representatives of the Delaware County Branch of the Pennsylvania Association for the Blind.
 The purchaser can be sure of the identity of our salesmen if they are alerted to the following:
 1. Our representative calls in person, and leaves with each customer an official copy of the order which bears the heading "Delaware County Branch, Pennsylvania Association for the Blind."
 2. Our representative can be identified by his plastic badge into which is laminated his photograph, his name, and the signature of the Director of the Delaware County Branch of the Association, Mr. Michael Carola.
 3. Our representative also has a letter of identification contained in our catalog, which he can show to the customer.
 4. If in doubt, the prospective customer should call the Pennsylvania Association for the Blind, at Chester 4-1478.
 Blind workers depend upon the sale of their products through the Pennsylvania Association for the Blind as their means of continuing to be self-supporting citizens.
 MICHAEL CAROLA,
 Executive Director.

College Calls
 All classes at Swarthmore College are cancelled today, Friday, as the entire student body, faculty, and administrative turns out to engage in the college's fourth Annual Work Day. Each year several thousands of dollars are saved by this cooperative project of student and professor.
 Of primary importance this year is the project to repair some of the damages resulting from "Hazel" and other hurricanes last winter. A large crew will take down damaged trees, cut logs, and clear away the brush. Another group will do "lean" and work shirts to paint the stands on the lacrosse field and the fence around the football field. The art storage building is also to be painted after one wall is repaired by a special crew of experts.
 Preparations for the event were under the direction of a student-faculty committee headed by Stanley Spitzer, co-captain elect for the 1956 football team, and Joseph B. Shape, vice-president of the college.
 At least 500 students will participate in the group effort which ends with an all college picnic in the Crum meadow on the campus. President Courtney Smith, who last year showed his talents with a paint brush, is expected to join the wood crew this year.

Polio Bulletin
 Now that it has been proven that the Salk Vaccine is a safe and highly effective vaccine against infantile Paralysis, everyone is interested in learning when it will be available for general use.
 There has been a slight delay in distribution of the vaccine pending a decision by the authorities on the best schedule of injections. As soon as this point has been settled, the vaccine will be distributed to doctors and public health officials.
 The local school program, under which all children in the first and second grades having the written permission of a parent are to be inoculated, will be started as soon as possible after the vaccine becomes available. Parents will be notified through the school when injections are to be started.
 It should be pointed out that this is the only year that there will be free injections for school children.
 J. ALBRIGHT JONES, M.D., Chairman of Medical Advisory Committee of the Delaware County Chapter of the National Foundation Infantile Paralysis.

Mr. McNair was married to Miss Helen Willard, a Philadelphia; after her death, he was married in 1931 to Miss Phoebe Van Antwerp Stout of New Brunswick, N.J., who passed away in 1950.

Mr. McNair is survived by his daughter, Mrs. George Karns of Wellesley road, and two sons, Willard McNair and Norman McNair, both of Louisville.

Following cremation at West Laurel Hill, interment was in Cave Hill Cemetery, Louisville, Ky.

Flamingoes a Tease in Famous Croquet Game

Children Rehearse for Presentation of "Alice" on April 23d

Strange things are going on at the Community Arts Center in Wallingford these days, as the Children's Theatre group of 50 boys and girls winds up its rehearsals for "Alice in Wonderland," its seventh annual production, to be presented Saturday, April 23, at Nether Providence High School, Wallingford. Performances will be given at 2 in the afternoon and 8 in the evening.

Confronting Director Mrs. Stuart Graves, are all sorts of perplexing problems such as how to make a stuffed flamingo look like a flamingo and a croquet mallet at the same time and whether to use a real live piglet for the Duchess' baby, one having been suddenly made available.

Mrs. Graves has been presented with several cans of mock turtle soup, too. Some members of the cast, curious as to what the soup tastes like, urged their mothers to buy some but when they found that they definitely did not like the taste of it, they gave the left over cans to Mrs. Graves. "I never saw a cast so full of ideas," she said, "which should make an interesting and original play."

These boys and girls of ages eight to 13 are from many different communities. From Swarthmore come Bruce Cratley (Frog Footman), James Dearing (Dormouse), James Fox (White Knight), Jimmy Gearhart (Fish Footman), Daniel Harris (King of Hearts), Edgar Harris (Mad Hatter), Jean Harris (a penguin), Jeffrey Harris (an oyster), Dory Kroon (Cheshire Cat), Caroline MacNair (Red Queen), Christine Palmer (Alice's sister), Suzanne Prescott (Queen of Hearts), and Howell Shay (Queen's gardener).

From Wallingford are Pete Bowers (Queen's gardener), Mike Dawson (an oyster), Sammy Enlon (Tweedledum), Linda Gotsick (Rose), John Howard (Queen's soldier), Kit Howard (Alice, grown small), Mark McGovern (Humpty Dumpty), Joan Schmidt (March Hare), Roslyn Sklar (Alice Liddell, the real Alice), Lynne Egbert (Queen's soldier), Tommy Woodall (Caterpillar).

From Moylan-Rose Valley — Linda Courtney (Daisy), Gwyneth Elkinton (Alice) Dorothy Essick (White Queen), Carl Gamba (White Rabbit), Nina Jones (Knave of Hearts), John Turner (an oyster).

Media — Brian Gooch (Tweedledee), Susan Kuder (Carpenter), John Lundsen (Gryphon), Betty Lyon (an oyster), Sandra Mitchell (Tiger Lily), Clemence Ravacoan (a penguin), John Taylor (Lewis Carroll).

Springfield — Linda Barrett (Daisy), Bill Bloomer (Alice Liddell's brother), Patricia Myers (Walrus), James Sperow (Queen's gardener).

Rittledge — Susan Jackson (Duchess' cook), Glenoiden — Hessa Johnston (Duchess), Marquerite Johnson (a daisy), Peggy Jones (Queen's soldier), Gail McCausland (Bluebell).

Crum Lynne — Virginia Strickler (a daisy), Concordville — Emarite Nye (an oyster), Lima — Suzanne Ahrens (Mock Turtle), Secane — Glensy Waldman.

Although there is an age limit for the participants in the Children's Theatre, there is no age limit for the audience for "Alice in Wonderland" has an appeal for all. This year an evening performance is being offered and the troupe's advice to all that can, is to attend this performance to avoid the afternoon crowd.

Expresses Appreciation Mrs. Arthur E. Bassett of North Chester road, who is seriously ill in Taylor Hospital, has asked to express her sincere appreciation to all those who have sent their good wishes and cards.

In speaking of the Children's Theatre, Mrs. Graves cited Sara Spencer in the Educational Theatre Journal as follows:

"The most important purpose of the children's theatre in this country is to give children a better balanced program of entertainment in their lives — to show them that there is something more in the world than Superman and Howdy-Doody."

When the Children's Theatre of the Community Arts Center was formed seven years ago, Mrs. Graves continued, this was adopted as one of its purposes and its members have worked diligently year after year to present its yearly "play by and for children," on as high an artistic standard as possible. Dr. S. Crosby to Give Talk at 8:15 P.M. Sunday

The annual Benjamin West Lecture will be presented Sunday evening, April 24, in the Friends Meeting House at 8:15 p.m. on the Swarthmore College campus. His work on St. Denis began over 20 years ago, has included two archaeological expeditions to the site (1938-39 and 1946-48), and resulted in two volumes — "The Abbey of St. Denis," Yale University Press, 1942, and "L'Abbaye Royale de Saint-Denis," Paris, 1953.

Friends Entertain 500 At Housewarming

More than 500 persons attended the Housewarming given by Swarthmore Friends Meeting last Saturday to celebrate the completion of the rebuilding of Whittier House. Visitors, on entering the lobby, found a corps of efficient young guides, members of the upper classes of the Sunday School, waiting to pilot them.

Filling the end of the largest assembly room is a handsome memorial fireplace, the gift of the family of Roland G. E. Ullman, who for many years was a beloved teacher in the Sunday School. An

For the Housewarming three long tea tables in the upstairs assembly rooms dispensed hospitality and brought together for informal visits not only members of the Meeting but many residents of Swarthmore who felt interested in the new Center as well as in the community life of the Borough.

Across the campus the exhibition of Quaker treasures at Friends Historical Library attracted a number of visitors. Frederick B. Tolles, director of the library, and his staff had arranged priceless manuscripts, Friends costumes of bygone days, a collection of Quaker dolls, important photographs and silhouettes on tables where they could be closely examined. Adding greatly to the guests' pleasure was the fact that the staff was at hand to make explanations and to answer questions.

Bloodmobile Unit To Come May 12th

Swarthmoreans Urged To Register Now For Appointments

Approximately 400 Swarthmore families have been called by the local telephone committee of 30 in preparation for the May 12 visit of the Red Cross Bloodmobile in Swarthmore. And in case some have been missed, or others wish to reconsider, Mrs. Robert M. Grogan, SWarthmore 6-0314, or Mrs. Richard K. Noye, SWarthmore 6-5380, are available for appointment.

Swarthmore's Red Cross Unit offers the blood type needed by any borough citizen, wherever he is, without cost to him. The only fee charged is by the hospital for medical service or laboratory fees, and these are the same whether the blood comes from the Red Cross or from other sources.

Further, this protection is his wherever the Swarthmorean goes. There are 45 Red Cross Regional Centers throughout the United States which cooperate on a reciprocal basis. Agreements have been made with private blood banks in areas where there is no Red Cross center. There is even a working agreement with the Canadian Blood Donor Service. Therefore, the Swarthmorean blood donor, he and his family (husband, wife, dependent children, dependent parents), will receive blood when and where it is needed. MS Patients Urged to Register at Local Office

Local Multiple Sclerosis Society has announced that it is compiling a list of all known victims of Multiple Sclerosis in the Greater Philadelphia area.

Of the 250,000 Americans believed to have this disease, about 2,500 are supposed to live in the seven counties around Philadelphia. All MS victims were urged to report their names and addresses to the local Multiple Sclerosis Society office at 1201 Chestnut street, Philadelphia. Relatives and friends of MS patients were urged to report these cases also.

The aim of the survey is eventually to inform patients of the many services rendered by the MS Society. These include patient aids such as wheel chairs, crutches, and transportation to hospitals. A new service for home-bound patients is also now available. Victims are also urged to join the MS Patients' Club which meets monthly for recreation and mutual help.

The Multiple Sclerosis Society is currently conducting a fund campaign in the seven county area. The proceeds will pay for the patient aids in homes and hospitals, as well as for research into the unknown cause and cure of the disease.

Leaders in this area are: Neville Gee, Wallingford, chairman; Captains: Mrs. William J. Fadden, Ridley Park; Mrs. Morry Chak, Clifton Heights; Mrs. R. P. Kroon, Swarthmore; Mrs. Meredith Hubbard, Wallingford; Mrs. W. Andrew Wright, Springfield; and Richard Chalupa, Springfield High School senior.

Club Audience Enjoys Mr. and Mrs. Wood

Mr. and Mrs. Harry Wood spoke before a large and enthusiastic audience at the Woman's Club of Swarthmore Tuesday afternoon on "Beauty from Trees and Shrubs" under the sponsorship of the Conservation of Natural Resources Department, Mrs. Robert M. Grogan chairman.

Harry Wood, superintendent of buildings and grounds at Swarthmore College, illustrated his talk with actual plant material. The Scott Horticultural Foundation, which provides the landscaping of the campus and adjacent woodland, is "an endeavor to establish on the campus a garden which will give a living illustration of what can be grown in this part of the United States from Washington to Boston," said Mr. Wood. "We are, indeed, fortunate to be on the borderline between the northern and southern belts, for this makes it possible to have an unusual number of plants and flowers and an exceptionally long blooming season."

Mr. Wood, through his talk and illustrative material, took his listeners on an imaginary walk about the campus, showing the trees and shrubs in blossom at present and explaining how the blooming season is extended by careful selection of various species of cherries, crabapple, magnolia, peonies, iris, daffodils, dogwood, viburnum, azaleas, and other favorites.

Many trees and shrubs have interest in fall and winter as well as in spring, for their fruits furnish bright colors during those seasons," said the speaker. Mr. Wood gave many interesting facts about "The People's Garden," as Swarthmore campus has been called, which justify the pride of the community in the place. The Swarthmore campus has one of the finest collections of rhododendron in this part of the country. There are over 800 varieties of daffodils. The display of tree peonies is known far and wide. Ann Wertsner Wood delighted the audience with her kodachrome slides of the college campus and gardens in Philadelphia and vicinity. She gave many helpful suggestions in regard to planting and landscaping a garden.

"A garden," she said, "should have an enclosure and be a place to live in, not just one in which to pick flowers." Mrs. Wood called attention to Garden Day in Philadelphia some time in May, which allows one to visit some of the fascinating little gardens in the rear of many old Philadelphia homes.

College Concert May 15

To the Editor:

I would like to bring to your attention a concert by Phyllis Curtin to be given under the auspices of the William J. Cooper Foundation in Clothier Memorial on Sunday evening, May 15, at 7:15. Under the plan set up by a committee of the Board of Managers of Swarthmore College for Cooper Foundation events when an overflow audience is expected, admission to this concert will be by ticket. For these tickets the college is given the first right to apply, and since there are more members of the college community—that is, students, faculty, and administration—than there are seats in Clothier, there will be very few tickets available to the general public. These tickets will be issued on written request as long as the very limited supply lasts. For tickets write to the Chairman of the William J. Cooper Foundation, Committee, Swarthmore College. Tickets must be presented before 7, when the doors will be opened to the public and all unoccupied seats made available. No seats may be saved for others after 7 o'clock.

This concert will be amplified, and if the weather is good it will be possible to sit on the grass outside Clothier and listen to the music. But if anyone plans to do this he should take his own cushions to sit on, for no chairs will be provided.

Very truly yours,
FREDRIC KLEES,
Chairman of the William J. Cooper Foundation Committee.

Poppy Campaign May 6-14

To the People of Swarthmore:

I am an imagined veteran of a government hospital. I have been seriously injured in a World War, but I am not discouraged. The Government gives me a room, food and medical care. That alone would not keep me encouraged, if the Legion Auxiliaries who have visited me and given me some luxuries, to show that they care for me, had not served me after the end of the First War to now. The Red Cross has also come to my side since the Second World War, and given their share of bounty.

In the summer or fall I know that materials for poppy making will be sent to me, and I shall be paid for turning it into poppies. I am glad that the Legion Auxiliary of Swarthmore orders 1000 poppies, for then there is a little more earning for me.

When Auxiliary members stand at the trains or wait in other places to offer you poppies, think of me, my need for them. I am told that they represent sacrifice from us, the veterans. Please make a sacrifice for us and take a poppy. Wear it on your garments, and know that I am very happy over the gift that you drop in the box.

Yours with heart-felt thanks,
JUST A VETERAN.

I saw it in The Swarthmorean.

Legion Notice

The Memorial Service will be preceded by a parade scheduled to assemble at 2 p.m. and to be led by the county's Legion Posts. The State Commander of the American Legion, Sherman W. High School Ball Team Scores Over Ridley

In their first win of the season, the local high school baseball team defeated Ridley Township 2 to 1, in a game played on the latter's diamond. The Garnet scored one run in the second and third frames on hits by Dave Deacon and Dave Thomas.

The pitching of Co-Captain Terry Dellmuth was the feature of the game. This was his first appearance on the mound, and he held the upper hand throughout, although in the fifth inning the Riders were able to take two hits to secure their lone tally.

Co-Captain Mike Hurd led the team batting with two hits. Catcher Randy Malin also stood out in the early innings when his deadly arm caught two men stealing.

The victory was a welcome one as the team had had rough sledding in its early games. The opener with Springfield was lost 5 to 4 and then Chester took another victory of 7 to 6. Four runs by Chester without a hit or a walk proved too much for the Garnet to overcome.

The first league contest with Ridley Park was dropped by another one run margin 3 to 2, a good game all the way but again errors and miscues proved to be the Swarthmore downfall. Conshohocken next defeated the Garnet 6 to 4 in a game which saw the local boys rally on several occasions but not quite enough to clinch the verdict.

Co-Captains Hurd and Dellmuth are working hard with a spirited group of boys and have been playing good baseball at several times throughout the season. Those who have been seeing varsity service are Catcher Randy Malin, New Pitchers Stu Bowie and Leslie Keighton, First Baseman, Dave Lynch, Dellmuth at Second Base and Pitching, Dick Snyder at Shortstop, Charlie Wentz at Third Base, Hurd and Deacon in the Outfield.

Others who have been seeing service are Warren Single, Godfrey Bagby, Dave Thomas, Ed McGaughey and Lee Gemmill. Additional members of the squad are Allen Vaughn, Eddie Collins, Dick Habberset, Jim Pappas, Kenny Kruthers, George Kroon, Gary Levine, Bruce Wilson, Dick Coles, Bill Lee, Tad Ritzenger, Noel Turner, Happy Dunning, Bob Yellowlees, Mark and Steve Pficker, Raymond Lassiat, John Kumpf and Ted Shatigan. Managers are Fred Bloom and Harry Tarr.

Morning Train Added To Pency's Media Line

Many more seats and somewhat faster service for city-bound morning commuters on the Pennsylvania Railroad's Media line has been provided by addition of a new inbound train, and re-scheduling of two trains from a local to a "skip-stop" basis when schedules are adjusted for daylight saving time beginning April 24, it was announced last Thursday.

The new train completes its run to Suburban Station in 31 minutes, stopping at Moylan, 7:47; Wallingford, 7:49; Morton, 7:53; with arrival at Suburban Station at 8:16 a.m.

By placing the former 7:36 and 7:46 departures on "skip-stop" schedules to the city, their 34-minute schedules have been reduced to 30 minutes. Taking advantage of the four-minute savings, they have been changed to leave Media at 7:40 and 7:50.

The train leaving at 7:40 stops at Swarthmore at 7:44; Seacane, 7:48. The 7:50 departure stops at Swarthmore at 7:55.

BOROUGH OF SWARTHMORE ORDINANCE NO 578

AN ORDINANCE FOR REPAIRING, REGRADING AND REBUILDING PORTIONS OF MICHIGAN AVENUE BETWEEN FAIRVIEW ROAD AND DEWEY AVENUE, AND FOR THE WIDENING OF THE CARTRAY OF MICHIGAN AVENUE BETWEEN SAID POINTS BY CONSTRUCTION OF A NEW STRIP OF BITUMINOUS MACADAM PAVING APPROXIMATELY NINE FEET WIDE AND COMPLETING THE NORTHWESTERLY PORTION OF SUCH IMPROVED CARTRAY; FOR CURBING THE NORTHWESTERLY SIDE OF MICHIGAN AVENUE BETWEEN SAID POINTS; FOR REBUILDING APPROXIMATELY 300 FEET OF THE CARTRAY OF WESTMINSTER AVENUE NORTHWEST OF MICHIGAN AVENUE WHERE EXISTING PAVING HAS FAILED; FOR REBUILDING CERTAIN SECTIONS OF MARIETTA AVENUE WHICH HAVE SETTLED OR FAILED; FOR REMOVING APPROXIMATELY 50 FEET OF STRAIGHT CURBING AND SOME ADDITIONAL DAMAGED CURBING ON THE NORTHWESTERLY SIDE OF MICHIGAN AVENUE NEAR FAIRVIEW ROAD, AND REPLACING SAME AS CURBING TO BE LAID IN ACCORDANCE WITH BOROUGH SPECIFICATIONS; AND FOR OTHER STREET WORK INCIDENTAL TO THE DRAINAGE AND SEWERAGE OF MICHIGAN AVENUE; THE AFORESAID WORK PROVIDED BY THIS ORDINANCE BEING THE DUTY OF THE BOROUGH IN ACCORDANCE WITH THE OBLIGATIONS OF THE BOROUGH UNDER EXISTING CONTRACTS WITH SAID PRIVATE CONTRACTORS AND WITH THE PROVISIONS OF THIS ORDINANCE IN ACCORDANCE WITH THE LAW AND PRESERVING THE RESPECTIVE LIABILITIES OF SAID PRIVATE CONTRACTORS.

THE COUNCIL OF THE BOROUGH OF SWARTHMORE DOES ORDAIN:

Section 1. Michigan Avenue (situate entirely within the Borough of Swarthmore) shall be repaired, regraded, rebuilt, widened, and the widened cartway thereof improved in accordance with drawings prepared by Hanson and Foster, Civil Engineers, dated May 21, 1951, copies whereof are on file in the office of the Borough Secretary. When so widened pursuant to prior dedication of land for such purpose, Michigan Avenue shall be widened to a width of twenty-five (25) feet and curbed on the northwesterly side hereof. All of such work shall be done under the supervision of the Borough and in conformity with plans and specifications on file with the Borough Secretary.

Section 2. The work to be done pursuant to this Ordinance is hereby carried forward in proper manner by the Borough in accordance with the provisions of the Borough Code, Book 1532, page 350, with Swarthmore Gardens, Inc., the then owner of a certain tract of land in the Borough of Swarthmore bounded on the southeast by Michigan Avenue (then forty-five (45) feet wide), on the southwest by Fairview Road (then forty (40) feet wide), on the east by Dewey Avenue (fifty (50) feet wide) (then thirty-seven and one-half (37 1/2) feet wide, unopened), and on the north by the Strath Haven Avenue (fifty (50) feet wide, unopened), and on the east by Dewey Avenue (then thirty-seven and one-half (37 1/2) feet wide, unopened); and on November 14, 1951 (whereof a copy is on file in Book 1574, page 142), with William A. Clarke, Jr. Copies of said private contracts may be deposited in the office of the Borough Secretary. To the extent that part of the work contemplated in said private contracts has heretofore been satisfactorily completed, it is not to be disturbed by the provisions hereof, nor is such work to be assessed against abutting properties. Nothing in this Ordinance contained shall be taken as modifying either of said private contracts or relieving the obligors therein, or the surety, of any of their obligations hereunder. Pursuant to the provisions for assessment of abutting properties contained in the said private contracts, and pursuant to provisions of the Borough Code, its supplements and amendments, and particularly Section 1740 thereof, Properties liable for assessment situate on the southeasterly side of Michigan Avenue between the aforesaid points shall be assessed only for one-third (1/3) of the cost of constructing said strip of paved cartway, approximately nine (9) feet wide, retained to widen the existing cartway of Michigan Avenue from the point whereof (48) feet (more or less) to Fairview Road (25) feet in accordance with the Borough Code requirements. To the extent that

either of said private contractors has heretofore constructed portions of said nine (9) feet of new cartway in an acceptable manner, such work will not be disturbed by the provisions of this Ordinance, other than to the extent the work herein authorized, and such portions will not be assessed against abutting properties. All of the remaining cost of the work herein authorized shall be chargeable to the said private contractors pursuant to the aforesaid contracts and assessed in accordance therewith against abutting properties in the tract known as Swarthmore Gardens as above described. Such assessment shall be made upon the completion of all of the work herein authorized by the foot front method, in accordance with law.

Section 3. Approximately 300 feet of the paving of Westminster Avenue, extending northward from its intersection with Michigan Avenue, and certain areas of the paving of Marietta Avenue, all being designated on the plans in the Borough Secretary's office, are hereby declared to be defectively paved (work done under said private contracts) and not acceptable to the Borough. Such portions shall therefore now be improved pursuant to this Ordinance, and the entire cost of such work shall, upon the completion thereof, be assessed as aforesaid. To the extent authorized by the said private contracts, said assessments shall be paid or credited to the account of the said private contractors, in the order in which said contracts were entered into, without relieving either of said private contractors, or their surety, from its or his obligations thereunder.

Section 4. It is further ordained that where curbing has heretofore been installed in places or grades, or of kinds or quality not conforming to Borough specifications and the terms of said private contracts, and either incidental concrete or other work remains on the ground, such work shall be removed, and the work shall forthwith now be done, completed and assessed in accordance with law.

Section 5. To the extent that said private contractors, or either of them, have deposited funds with the Borough toward the cost of the work authorized by this Ordinance, proper credits shall be given and proper assessments shall be levied against the said contractors. Said private contractors shall, upon demand, make good any deficiency in such deposits, and shall indemnify the Borough against any loss, liability or expense in connection with the doing of such work. Section 6. The proper Borough officers are hereby authorized, and directed, to execute such contracts, and other documents as will be necessary to carry out the provisions hereof. The time to be received after due public advertising, and the contract to be entered into with the successful bidder, shall be subject to the approval of the Council. The time referred to, and such other provisions for the due accomplishment of the purpose hereof as the Borough officers may determine.

Section 7. Upon completion of the work and ascertainment of the costs thereof, assessments shall be made upon properties abutting upon said improvements in accordance with law, according to the foot frontage of the several abutting properties. One-third (1/3) of the cost of the aforesaid strip of paved cartway shall be assessed against properties in Ridley Township; the remaining two-thirds (2/3) of the cost of such strip shall be assessed against abutting properties in the Borough of Swarthmore (as authorized by said private contracts) and shall be assessed against the work herein authorized shall be assessed against properties abutting thereon in the Borough of Swarthmore, in equitable manner, and pursuant to said private contracts. The Borough of Swarthmore shall pay no part of the cost of the work authorized by this Ordinance. All assessments shall be payable to the Borough without interest, provided they are paid within thirty (30) days from the completion of said work, but any assessment remaining unpaid for more than thirty (30) days shall draw interest at the rate of six (6) per cent per annum from the date the work is completed, and if not paid within five (5) months after the completion of the work, the Borough Solicitor shall cause liens to be filed against the respective properties liable therefor, with accrued interest from the date of completion of the work, together with proper costs, penalties and attorney's fees. The Borough reserves the right to accelerate the time for the filing of such liens, and to collect said assessment by the lawful means at the discretion of the Borough Council. The Borough also reserves all its right under the aforesaid private contracts.

Section 8. Any Ordinance or part thereof conflicting with provisions of this Ordinance is hereby repealed to the extent of such conflict.

The foregoing Ordinance having been introduced at a regular meeting of Borough Council held April 11, 1955, after the posting of handbills in accordance with the Borough Code, having again been considered at a regular meeting of the Borough Council, it is hereby passed and finally adopted this day of A.D. 1955.

Saturday Morning Ball Program Well Underway

The Swarthmore School District Saturday morning baseball program is well underway with a turnout of over 40 boys. The program, supervised by Bill Reese, began with a short discussion of team organization including safety factors, and an instructional period pertaining to the finer points of batting.

After the preliminaries, boys were divided into four teams and took part in batting practice games. Boys from the fifth through eighth grades were in attendance.

Mr. Reese has plans to cover

most of the fundamentals of the game, taking into consideration fielding, bunting, fly-catching, base-running, pitching and catching, and playing other positions. Each Saturday morning, following the instructional period, exhibition games will be played. Boys need only to supply their own glove to take part in the program, which will continue until June 4. Later on a call will be put out for fourth grade boys.

Friendly Open House

A hobby show was the main feature of the Friendly Open House meeting on Monday afternoon at the Presbyterian Church. Displayed were a'ghans made for the Valley Forge veterans, crocheted articles, needlepoint, hand-made sewing kits, handkerchiefs, baby booties, a beaded purse, braided rug, handmade quilt, parrot-tulips, and original poems. Tea was served by the Friendly Circle of Swarthmore. Pauline Durall, newly elected president of the Friendly Circle, was chairman of the committee and was assisted by Mrs. Elliott Wells, Mrs. Mark Bittie, Mrs. Edward

Medford and Mrs. J. D. Durnall. A trip to Longwood Gardens is being arranged for the group on Monday, May 2. There will be no more regular meetings until next October.

THANKS BOROUGHS

The Swarthmore Legion Auxiliary wishes to thank the citizens and business firms of Swarthmore for making possible a successful Card Party Benefit on Friday evening.

Twenty-two tables of players enjoyed cards and were awarded door prizes from the Swarthmore Merchants. Net proceeds will go to the disabled veterans in our Government Hospitals.

CP Speakers

United Cerebral Palsy of Delaware County was represented at two local clubs this week.

Mrs. George Hunter of Magill road spoke to the Woman's Club in Darby on Monday afternoon. Mrs. Hunter outlined the work of United Cerebral Palsy's treatment unit at Crozer Hospital. The unit treats an average of 50 patients a month and has no compulsory fees for its vital rehabilitation services.

Professor William H. Webb of South Chester road spoke before the Masonic Keystone Club in Chester. He stated that there are approximately 800 cerebral palsy cases in our county. Most of these victims can improve, some to the point of self-support, with proper training and guidance.

Mrs. Murray Stedman presented a definition of cerebral palsy last night at the evening circle of the Presbyterian Church. Cerebral palsy is a lack of motor control, caused by an injury to the brain before, during, or any time after birth. Because no two brain injuries are exactly alike, each child must be treated as an individual with his own limitations and capacities by the medical profession and community at large, Mrs. Stedman declared.

Nurse Committee Meets

The regular bi-monthly meeting of the Central Committee of the Community Nursing Service of Delaware County was held on Thursday, April 14, in Borough Hall. Reports were given by the chairmen of all committees.

The Woodlyn Child Health Center reports an increase in patients. It is now serving from 25 to 40 children each session and has a need for more volunteer drivers to transport the mothers and their children to and from the Center and also volunteers to assist the nurses at the Center.

Plans are being made for a benefit card party to be held on June 29 for special projects of the Community Nursing Service, Delaware County.

A combined Annual June Meeting of regional committees of the Nursing Service will be held on June 21 at the home of Mrs. Edson Harris, Rose Valley Road, Moylan.

Dorothy Sidner, supervisor of the Western Area Office, reported 618 nurse visits in the Central Area. She reported a decrease in long term illnesses. The nurses will assist the school nurses in the Salk Vaccination Program in Springfield, Upper Providence, Aston, Thorbury and Ridley Townships.

Notices have been sent for a meeting of the Admissions Committee for Camp Sunshine and Camp Hope to be held on Thursday, May 12, at 3 p.m. in Borough Hall. School nurses and health and welfare agencies will submit names of eligible children from the Central and Media areas to Miss Sidner and Ruth Stoll who will act as admissions chairman.

School Singers Draw Delighted Audiences

"Songs Made to Sing While Young" Holds Stundees Both Nights

Enthusiastic capacity audiences acclaimed the spring concert of Swarthmore's junior-senior high schools given in the school auditorium last week on Thursday and Friday night.

Wildner and Palicz "Songs were made to sing while you're young" was the happy choice for the concert's coordinating theme and followed the school's Alma Mater to open the first group by the Chorus.

In the audiences both nights were many former students, ex-school parents and grandparents who evidenced their enjoyment of the wide variety of choral selections and the contagious pleasure of the singers.

Classical and popular selections performed with appropriate precision, or verve under the direction of Bettejo Goodall were appreciated. Some 16 men of the faculty supplemented the boys' chorus to the obvious enjoyment of all. Thom Goldmeyer's solo "I Got Plenty O' Nuthin'" earned prolonged applause.

Accompanists reached a high achievement. Students Ann Walker and Spencer Carroll and guest accompanists Mrs. Adelaide Sadler and John Eaton contributed much to the calibre of the evening's music.

The appearance on Friday night of former instructor of music Mrs. Alice Blodgett Hon to conduct the final offering of the Chorus Handel's Hallelujah Chorus was the occasion of general pleasure. Miss Goodall's invitation to the audience to come to the stage and join the student group was answered by a large number and the resultant volume had a warmth of community feeling rarely achieved.

The final combined choral selection from the "Song of Man" by Kountz was most impressive as 238 students in the choruses filled the stage, each group having performed its chosen songs ably. School musical groups represented were the Chorus, the Seventh Grade Trio, the Double Quartet, the Glee Club, Junior High Boys' Chorus, Ninth Grade Septet, Girls' Chorus, Belles and Beaux, Boys' Chorus.

Dr. and Mrs. Norman A. Hulme and infant son Norman David, will arrive in Swarthmore today, from Albany, N. Y. Mrs. Hulme and son will visit Mr. Hulme's parents, Mr. and Mrs. Norman Hulme of Rutgers avenue and her own family in Paoli, while Mr. Hulme continues his trip to Florida to attend a pharmaceutical convention.

NOW HIGH IS THE STOCK MARKET?

This question is appropriately answered in a booklet by our partner, Edmund W. Tabell. Specifically, it compares the present market situation with conditions during the 1929 period, and projects the market through 1960.

Speaker of the evening will be Dr. Wilton M. Krogman, professor of Anthropology at the University of Pennsylvania, who will speak on "Body, Brain and Behaviour—Physical Growth and the School Child." An article on Dr. Krogman's work appears in the April issue of Reader's Digest.

Election of officers for the 1955-56 school year will also be included on the program which will be presented at 7:30 p.m. in the high school auditorium. A coffee hour and reception will conclude the evening.

Mothers' Group Hears Two Magazine Editors

Two editors, Harry G. Nickles of Holiday Magazine and Marione R. Nickles of the Saturday Evening Post, counseled would-be writers at the annual Literature Night of the Swarthmore Mother's Club held on April 20 at the home of Mrs. Heinz Heinemann.

Dr. Nickles pointed out that most articles for Holiday are written by request of the editorial staff who seek authors qualified to fill the assignments. Color photographs are taken frequently a year in advance of publication to insure that an article on "Paris in the Spring," for example, will have suitable illustrations. Authors must "have been there" and have written outstanding material about their subject before.

Mrs. Nickles enjoys the enviable task of selecting the humor, including cartoons, that liven the pages of the Saturday Evening Post.

She pointed out that the Post whose circulation now exceeds 5,000,000 copies weekly, receives from 100,000 to 125,000 manuscripts a year from new writers. All of these are considered by a staff consisting of an associate editor and two assistants whose work consists entirely of seeking to discover new writers. Of all the manuscripts submitted, about 125 can be used, approximately 1 in 1000.

Former resident Mrs. Malcolm Merrill, and Mr. Merrill, greeted some of their Swarthmore friends Tuesday. They were the overnight guests of Mr. and Mrs. Harold Schoff of Concordville while en route from their Tucson, Arizona, ranch to their summer home in Ogunquit, Me.

They will visit their older daughter Louisa in Ithaca where she is a freshman in the school of hotel administration at Cornell University, before going on to Maine. Their daughter Linda will fly to Ogunquit after completing her sophomore high school year in Tucson.

Mrs. Merrill is the former Miss Ann Sharpless.

NEWS NOTES

The faculty wives group of Pennsylvania Military College held their monthly meeting and luncheon Thursday at the home of Mrs. Joseph J. Storlazzi of Park avenue. Dr. Francis Fussell spoke on international relations.

one art editor. Today his staff numbers 33.

One of his first acts after becoming managing editor was to employ the first full-time field editor hired by a national farm magazine. That one-man field staff has grown to eight full-time editors based in Spokane, Wash.; San Francisco, Calif.; Dallas, Texas; Boulder, Colo.; Kansas City, Mo.; Cedar Rapids, Iowa; Fort Wayne, Ind., and Atlanta, Ga.

Under his direction Farm Journal also established regional editorial editions for the Far West, South, and the Central-Eastern areas.

When the American Association of Agricultural College Editors established the Reuben Brigham award in 1947 to honor one man each year for "outstanding contributions to agriculture," Streeter was their initial choice for the award.

Two years ago, when Farm Journal, Inc., revamped Pathfinder Magazine into the present Town Journal magazine, a family magazine for American towns with a staff of 23, Streeter was designated editor of Town Journal. He will continue to edit both magazines.

With the responsibility for editing two magazines with a combined circulation of more than 4,500,000, Streeter moves on a fast schedule. Three days a week he turns up at his Washington Square office in Philadelphia. Two days a week he works in Washington, D.C., where Town Journal's editorial offices are located.

His editorial philosophy is summed up thus: "We aim to produce magazines for human beings who happen to live in certain places — on farms, or in small towns. They have four great interests: Work, play, love, and worship. We deal with those interests in any of four ways—or combinations of those ways. We inform, instruct, inspire, and entertain."

Mrs. Florence Paulmier, principal of the Media Friends School, spoke Wednesday evening in a panel discussion on "Elementary and Nursery School Teaching" for women students of all classes at Swarthmore College.

Lower Merion Defeats Local Lacrosse Club

The Swarthmore High School Saturday morning Lacrosse Club suffered its first defeat of the season last Saturday on the college field. Early victories over Penn Fresh 6 to 2, 4 to 2, and Swarthmore College 5 to 2 got the squad off to an encouraging start but the well drilled and experienced squad of Lower Merion High School proved too much for the Saturday morning boys. Coached by local resident Hank Ford, the visitors took an early 4 to 0 lead and maintained supremacy throughout the contest. Swarthmore's only goal was battled in by Roger Zensen in the last quarter.

The mainstays of the attack in previous games have been Randy Malin and Stu Bowie, aided by Terry Kerr, Rog Zensen and Steve Carter. The defense has been spearheaded by Captain Eddie Noyes, along with Dick Fellows, George Garrett and George Pappas. The responsibilities for goal tending have rested on the broad shoulders of Mike Hurd. Other members of the squad are Scott Pickard, Andy Jones, John Lang, Bill Smallwood, Jim Godfrey, Tom Goldmeyer, Herb Steigleman and Hugh Morrison.

Coached by Millard Robinson, the group plays only on Saturday mornings, but despite this has shown a spirit and enthusiasm that has moulded a pretty - fair team.

many and varied. She has done much community service, such as teaching at the American Red Cross during World War II, serving as chairman for the international relations department of the Woman's Club in York, and also as chairman for the International Friendship Division of the Girl Scouts. During the Korean War Mrs. Lee spoke for the Korean Pacific Press in Washington, D.C. in order, in her own words, "to publicize the freedom of the Republic of Korea, the aims of the United Nations, and above all, the ideals of United States democracy against Communism."

The Association for Childhood Education in Korea was started through Mrs. Lee's efforts and is flourishing at the Woman's Ewha University. The Federation of Korean Women's Clubs owes its beginning to Mrs. Lee for, through her correspondence and visits with Korean women leaders, she was instrumental in instilling in their minds the ideas and purposes of American women's clubs and other groups.

Mrs. Lee is a member of many organizations, among them the Soroptimist Club, the Association for Childhood Education, Matinee Musical, and the American Association of University Women.

A few months ago Mrs. Lee visited with Dr. Syngman Rhee, president of the Republic of Korea, at the Embassy in Washington and also had an interview with Dr. Y. T. Pyun, Korean minister, at the United Nations.

Hostesses for the day will be Mrs. Edward F. Goldmeyer, Mrs. Robert W. Richardson, Mrs. A. W. Stuart, and Mrs. J. Archer Turner. At the tea table Mrs. Clarence C. Franck and Mrs. Howard G. Hopson will pour.

In Haverford Sports

Robert Schwartz of Muhlenberg avenue, and James Bradbeer of Moylan, both seniors at Haverford College, are taking part in the spring sports events at the college.

Bob, the son of Mr. and Mrs. A. F. Schwartz, is a one and two miler and on the mile relay for the 1955 track team. Jim is a member of the Haverford golf team. He is the son of Mrs. Frank G. Bradbeer.

Whole blood can be kept only 21 days in a blood bank, therefore, a steady flow of donors is essential. May 12 is your chance to help out.

SPCA BOOTH

The Springfield Auxiliary of the Delaware County SPCA will maintain a booth in front of the Swarthmore branch of the First National Bank of Delaware County during Humane Week, May 1 to 7.

Mrs. Edward Krause, Mrs. Frank Woodson, Mrs. George Bland, and Mrs. Oliver J. Hart, Jr., will be in charge of the booth.

LIONS MEET MONDAY

Swarthmore Lions, convened Monday for their regular dinner meeting in the Strath Haven Inn. Their special guests for the evening were James Stuhmuller, district governor of the 105 Lions Clubs in Zone 14-A, and Fred Manno, chairman of Zone B.

Mr. Stuhmuller discussed with the group what could be done about Lionism, locally and generally, before meeting with the board of directors at the close of the evening.

I saw it in The Swarthmorean.

That one-man field staff has grown to eight full-time editors based in Spokane, Wash.; San Francisco, Calif.; Dallas, Texas; Boulder, Colo.; Kansas City, Mo.; Cedar Rapids, Iowa; Fort Wayne, Ind., and Atlanta, Ga.

Under his direction Farm Journal also established regional editorial editions for the Far West, South, and the Central-Eastern areas.

When the American Association of Agricultural College Editors established the Reuben Brigham award in 1947 to honor one man each year for "outstanding contributions to agriculture," Streeter was their initial choice for the award.

Two years ago, when Farm Journal, Inc., revamped Pathfinder Magazine into the present Town Journal magazine, a family magazine for American towns with a staff of 23, Streeter was designated editor of Town Journal. He will continue to edit both magazines.

With the responsibility for editing two magazines with a combined circulation of more than 4,500,000, Streeter moves on a fast schedule. Three days a week he turns up at his Washington Square office in Philadelphia. Two days a week he works in Washington, D.C., where Town Journal's editorial offices are located.

His editorial philosophy is summed up thus: "We aim to produce magazines for human beings who happen to live in certain places—on farms, or in small towns. They have four great interests: Work, play, love, and worship. We deal with those interests in any of four ways—or combinations of those ways. We inform, instruct, inspire, and entertain."

Lower Merion Defeats Local Lacrosse Club

The Swarthmore High School Saturday morning Lacrosse Club suffered its first defeat of the season last Saturday on the college field. Early victories over Penn Fresh 6 to 2, 4 to 2, and Swarthmore College 5 to 2 got the squad off to an encouraging start but the well drilled and experienced squad of Lower Merion High School proved too much for the Saturday morning boys. Coached by local resident Hank Ford, the visitors took an early 4 to 0 lead and maintained supremacy throughout the contest. Swarthmore's only goal was batted in by Roger Zensen in the last quarter.

The mainstays of the attack in previous games have been Randy Malin and Stu Bowie, aided by Terry Kerr, Rog Zensen and Steve Carter. The defense has been spearheaded by Captain Eddie Noyes, along with Dick Fellows, George Garrett and George Pappas. The responsibilities for goal tending have rested on the broad shoulders of Mike Hurd. Other members of the squad are Scott Pickard, Andy Jones, John Lang, Bill Smallwood, Jim Godfrey, Tom Goldmeyer, Herb Steigleman and Hugh Morrison.

Coached by Millard Robinson, the group plays only on Saturday mornings, but despite this has shown a spirit and enthusiasm that has moulded a pretty fair team.

many and varied. She has done much community service, such as teaching at the American Red Cross during World War II, serving as chairman for the international relations department of the Woman's Club in York, and also as chairman for the International Friendship Division of the Girl Scouts. During the Korean War Mrs. Lee spoke for the Korean Pacific Press in Washington, D.C. in order, in her own words, "to publicize the freedom of the Republic of Korea, the aims of the United Nations, and above all, the ideals of United States democracy against Communism."

The Association for Childhood Education in Korea was started through Mrs. Lee's efforts and is flourishing at the Womans' Ewha University. The Federation of Korean Women's Clubs owes its beginning to Mrs. Lee for, through her correspondence and visits with Korean women leaders, she was instrumental in instilling in their minds the ideas and purposes of American women's clubs and other groups.

Mrs. Lee is a member of many organizations, among them the Soroptimist Club, the Association for Childhood Education, Matinee Musical, and the American Association of University Women.

A few months ago Mrs. Lee visited with Dr. Syngman Rhee, president of the Republic of Korea, at the Embassy in Washington and also had an interview with Dr. Y. T. Pyun, Korean minister, at the United Nations.

Hostesses for the day will be Mrs. Edward F. Goldmeyer, Mrs. Robert W. Richardson, Mrs. A. W. Stuart, and Mrs. J. Archer Turner. At the tea table Mrs. Clarence C. Franck and Mrs. Howard G. Hopson will pour.
