Speaking of Rights

A recent advertisement in these pages made an appeal for the status quo in real estate practice. Without giving any factual information, it urged opposition to the Fair Housing bills now before our State Legislature -bills that aim to set right some of the present injustices to minority groups in our population. •

What injustices? Well, for example: according to the latest study by the Philadelphia Housing Association, from mid-1953 to mid 1955, about 60,000 new dwelling units were built for sale or rent by private builders and real estate operators in the Philadelphia Metropolitan area. Of these, only 883 were available to non-whites. A large group of our fellow-citizens were excluded from most new housing solely because of their color. Statistics aren't really necessary, though—we all know that unfair discrimination exists in both new and older housing.

Isn't it a fundamental principle in the American concept of free society that all should have equal opportunity for the pursuit of happiness, and that no one may claim a right that infringes on the right of someone else? When that principle is upheld, everyone stands

We think something constructive must be done about the housing problem. We are not afraid that it would endanger our rights if there were a properlydrawn law to protect the rights of others. Experience with the present Fair Employment laws has shown that such laws can be administered democratically.

Therefore we would welcome Fair Housing legislation. Which particular provisions are wise and feasible is something that has to be worked out. But we believe that such a law is good in principle, and are encouraging our representatives in Harrisburg to support one.

It has been called to our attention that people want to know how we manage to sell Top Sirloin for 69c a pound, when the chain stores and others sell it for 99c a pound and more. Also people want to know how we sell Roasting, Frying and Stewing Chickens (fresh killed only) for 39c a pound week in and week out when the chains and others get 45c a pound or more. People are also wondering how we sell our Roasts and Steaks so low. It is very easy when you give best quality at honest prices and don't have to offer stamps or other gimmicks to entice people into your store. You'll save Dollars — not aimmicks — at Bachman's.

Hornet League Returns

In addition to the Knee-Hi League the Recreation Association is sponsoring the old "Hornet" team for boys 13 and 14 years of age. Bill Reese will serve as manager for this group. The coaching will be done by Hub Hartman, Horace Renshaw, and Bill McClarin; the three are ex-coaches of teams in the Knee-Hi League.

Plans have been made to use the main diamond in back of the College Avenue School for the Hornet's practice and home game field. The team will compete in the Delco

the circulation total of 32.622 for the first four months of 1959 as compared with 27,914 for the same period in 1958. Circulation is averaging 8,000 books per month. In the four month period 222 new members have been registered, 154 adult, 68 juvenile, 51 pay; 659 new books have been placed in circulation. These include 75 gifts, among them two memorial volumes, "Animals in India" by Ylla in memory of Margaret Dougal and "Sea Shells" by Abbott in memory of Mrs. Henry J. Hanzlik. Mr. Hanzlik wrote the board his appreciation of the choice: "Visiting Atlantic Sea Shores at Rehoboth, Del., for the past 35 years, she became very much interested in sea shells, finding some rare and fine species. She used them in decoration, smaller ones for beads and taught her art to visiting children."

Howard C. Williams was elected and even a cat and a canary dissecretary of the board. H. Lindley Peel was elected director to serve the balance of Miss Barber's term.

Spring Primary Tuesday When Swarthmore voters go to

the Polls on Tuesday, May 19, for the spring primary, they will nominate three councilmen, three school directors, one school auditor and one borough auditor. There is no contest on either ticket for local offices in Swarthmore. There will be a few contests in

Attorney, County Treasurer, Prothonotary and County Surveyor. The main contest is with Thomas A. Curran running for Judge of Court of Common Pleas, who is endorsed by the local and county Republicans, opposing Allen S. Olmsted, II, who was recently appointed to the court by ex-Governor Leader.

An Excellent Record

Library when he pays the borough tax, for one and one-half mills of the Borough's \\$-mill tax is for local Library support. Statistics to be found scattered through this issue reflect the Library's steady growth and its present use by nearly 4000 residents of Swarthmore. These present strong indication that the hope expressed by the second president of the Public Library Board in his annual report for 1936 has been achieved.

Speaking for the board, he said, "It is our purpose to effect a service that will return to you many times its original cost in actual savings and enjoyment. Our philosophy of the Library is that itshould be a place where every boy and girl, man and woman, may find cheer, quiet, and a place to commune with the great personalities of time whose treasures are stored here. The Library is yours; use it! Tell us how we may improve it—and consider, if there is any finer way of helping to improve your town by aiding the growth of its public library. If you would like to perpetuate its growth through the years to come, remember the public library in your will. It is an effective and useful way of living on.'

Swarthmore may take pride in its public library. By all the standards of the recently published Public Library Inquiry of the State of Pennsylvania, Swarthmore's ranks high. Its circulation is equal to any Library in towns of less than 9,000 population; its book collection is rated well; its staff ranks high; its administration by trustees is above average. This seems especially commendable since Swarthmore also has available the additional services of an excellent Swarthmore College Library

statistics govern considerably publicity during National Library Week, April 12-18, showed to thoughtful readers a distressing need for better library services in the United States. "Of the 150,000,000 people in the United States, 53,000,000 have only inadequate library service and 27,000,000 have no contact with libraries of any kind."

Local library directors through the Public Library's 30 years of existence have been aware of the fortunate position in which the Library finds itself, thanks to the housing furnished by Borough Council within the Borough Hall. This has enabled the primary emphasis over the years to be placed upon books. Year after year some such paragraph as the following is to be found in presidents' annual

"Books make the library. It has been our policy since organization to emphasize this fact. We owe our growth and success to the fact that we have aimed to supply adequate desired reading matter in adequate quantities, rather than to seek extravagant quarters." This policy could not have been possible without the help and interest of Borough Council. It could not have been possible without strong local control by dedicated trustees. It is true that in the earliest years presidents yearned for the bequest of a local home to house the library in dignity and beauty. But the emphasis over the years has been placed on books and in recent years on quality library service.

steadily expanding its shelves of books, "treasures that are its readers' for the reaching," practicing the strong conviction that "books are indeed strong magnets, packed with the power to attract people and to change their course."

H. S. Nine Loses to N.P., Defeats Lansdowne

The Swarthmore High School baseball team split victories in the two recent contests, losing to N.P. 6 to 5, and winning from Lansdowne 4 to 0.

Co-captain Dave Houtz took the mound against N.P. but was nicked early for two runs and then three more by the fourth inning at which time Doug Roberts took over. Doug's first stint on the mound held the Bulldogs scoreless until the eighth when they pushed across the winning run.

The big inning for the Garnet came in the sixth, when trailing 5 to 0. Dave Houtz hoisted a home run over the left field fence with the bases full, scoring Ken Hewes, Burke Jackson, and Ron Herbster for a grand slam four runs.

In the seventh inning Houtz again came through with a single that scored Hewes from second and Dr. and Mrs. Dennison Bancroft errors did not help their cause.

High School Band in 21st Annual Concert

One-Hour Program Is at 7 Tonight in Scott

Amphitheatre The Swarthmore High School Band will hold its 21st annual spring concert in Scott Amphitheatre tonight, May 22, at 7 p.m. Following a "music in the park" format, the concert, just one hour in length, will include a variety of musical material which should appeal to all ages.

One of the most dramatic features of the outdoor concert will be the initial use of the new garnet and white uniforms recently purchased by the Band Parents group. Following the concert proper, a Music Department open house will be held on the high school tennis courts with music for dancing provided by a professional orchestra furnished through the Chester Musicians Union.

Featured soloists will include Sven Borei, tubist, who will play the familiar "Asleep in the Deep," The camera holds up book check-outs to catch Librarian Bettina Hunter (center) at the Library Desk and a flute trio comprising Carol with the day's staff behind her. To left rear is Assistant Librarian Leonore Perkins. Right rear are stu-Honnold, Allie Walker and Sally dent assistants Lorene Hebble, standing by the book truck, and Susan Martin receiving books at the Huse, playing Anderson's current desk. Standing in the line patiently waiting for their books after the anniversary pictures preserve the hit, "Penny Whistle Song." Library scenes for posterity are (left to right): Mrs. Frank Holman, Peter E. Told, Mrs. Ruth K. Butler and her young daughter Ruthie who is examining the picture books on the children's table, Janet Snyder, Mrs. Richard Haig partially hidden behind A. Sidney Johnson, Jr., Alice Barber, and Jeff Weber.

Bette Gemmill, head majorette, will lead the girls through her own manuscript arrangement of "Strolling in the Park" and the Color Guard have planned an exciting military drill. A flag ballet, performed to the music of the popular waltz "Fascination" will be pr sented against the colorful outdoor backdrop.

The 65-piece playing group will be heard in a variety of numbers including Osser's "French Festival," selections, from "Pajama (Continued on Page 10)

High School Band in 21st Annual Concer One-Hour Program Is at 7

Tonight in Scott Amphitheatre

The Swarthmore High School Band will hold its 21st annual spring concert in Scott Amphitheatre tonight, May 22, at 7 p.m. Following a "music in the park" format, the concert, just one hour in length, will include a variety of musical material which should appeal to all ages.

One of the most dramatic features of the outdoor concert will be the initial use of the new garnet and white uniforms recently purchased by the Band Parents group. Following the concert proper, Music Department open house will be held on the high school tennis courts with music for dancing provided by a professional orchestra furnished through the Chester Musicians Union.

Featured soloists will include Sven Borei, tubist, who will play the familiar "Asleep in the Deep," and a flute trio comprising Carol Honnold, Allie Walker and Sally Huse, playing Anderson's current hit, "Penny Whistle Song." Bette Gemmill, head majorette

will lead the girls through her own manuscript arrangement of "Strol ing in the Park" and the Color Guard have planned an exciting military drill. A flag ballet, per formed to the music of the popular waltz "Fascination" will be pro sented against the colorful outdoor backdrop.

The 65-piece playing group will be heard in a variety of numbers Memorial Day Celebration Registration for SRA including Osser's "French Festival," selections, from "Pajama (Continued on Page 10)

Due to recent State legislation defining the require ments for the school day, the Field MATHEMATICS FAIR Day has been changed to the afternoon. Festivities are expected to get under way at 1 p.m. Once again the Garnet team wil

line up against the White team participating in relays, races games, and tugs-of-war to gain the silver cup as the award for 1959's competition. The program is un der the directorship of Mrs. Pat Moore and Bill Reese who have been awarding sportsmanship points to either or both teams following each gym class throughout the year. These points will serve as the foundation for the scores each team will carry with it into Field Day. As each team is successful in

HOW ABOUT A NEW CAMERA FOR THE SPRING BRIBE?

With a gift of one perhaps you can "bribe" your son or daughter into passing those final exams. A new Camera for graduation should be given early so the recipient (say, that's a good word) can take photos of classmates in their natural habitat

Also, a note to prospective "Fathers of the Bride": Perhaps you can give the engaged couple a Camera now—then suggest they elope and then take a trip 'so they can snap some pictures . . . think of the money

The Swarthmore team was without the services of Ron Hoge. George Welsh, Rickie Filler, John Pierson, Fred Braund, Dino Mc-Curdy, and Ben Stradley, all of whom are members of the local Junior High School squad and will not be eligible to play Hornet baseball until its season ends. It is expected that some of these lads will strengthen in part a few of the po

sitions. Boys who saw action last Monday evening were Jimmy Hunter, Al Torrey, John O'Neil, Bill Vint, Jerry Clothier, Russ Lewis, Dick Creasy, Wils Buckley, Graham Patterson and Jim Foley. The schedule next week calls for two home games to be played at the main diamond on Riverview Field-Monday, June 1, Briarcliffe, and on Thursday June 4, a strong Folsom AA visits

48-Star Flag Always

Legal, Marine Sgt. Reports Many Americans are undoubtedly growing eager to display the new 49-state flag. However according to a statement made public today by Staff Sergeant Bill Hobbs of the Marine Corps Recruiting Station. the new flag does not become offi-

cial until the Fourth of July. One fact stands out among all the others that everyone should know, according to Sergeant Hobbs. "It will always be proper and legal to display the 48-star 'Old Glory,' regardless of what changes are made." The American Flag is never obsolete, you may fly the 48-star flag until it wears out or becomes

unserviceable. Any additional information about the displaying of the American Flag can be obtained by calling Sergeant Hobbs at TRemont 6-5566. It was also learned that the Marine Corps Recruiting Service prints a booklet titled "How to Respect and Display Our Flag." It is available on a limited basis by writing to the office of the Marine Corps Recruit

Community progress and telephone progress go hand in hand. For as a community grows, so must its telephone service. The telephone is a vital part of business and social life.

Telephone men and women, many of them your neighbors, are in the thick of this growth. You see them working to expand telephone facilities wherever you go. And for every one you see, there are hundreds behind the scenes.

In telephone laboratories, for example,

scientists are constantly exploring new frontiers in communication. They bring continuing improvements to your telephone service, find new ways in which your telephone can enlarge your world, develop new equipment that helps keep costs down. Their work enables us to plan ahead intelligently to serve you better.

All this is in line with our primary objective: to provide you always with telephone service of high value at low cost.

Furness Library Sets Book Sale Dates

The Annual Bargain Book Sale of the Helen Kate Furness Free Library, in Wallingford, will be held at the library on Friday, June 5 from 3 to 5 p.m.; Saturday, June 6 from 10 a.m. to noon, and Monday. June 8 from 3 to 5 p.m. and from 7 to 9 p.m.

Hundreds of books in the fields of fiction, biography, belles lettres, travel, science, religion, fine arts, history, classics, and children's books will be on sale at low prices.

The books in the sale are second or third copies of books in use at the library, books for which there is no longer general demand at the library, and books which have been donated from private collections specifically for this sale. The purpose of the sale is to release space on the crowded shelves of the Furness Library for new books and to convert books not needed by the library into funds for the purchase of new titles:

Mrs. Clement Allen, librarian, reports that the books available for this sale include an unusually large number of titles suitable for vacation reading.

The library will be closed Saturday, May 30, Memorial Day.

Garnet Canteen Seeks Summer Location

Japanese Lantern Party Scheduled for June 13

The Garnet Canteen held its last regular Canteen for the season last Saturday night with a turnout of 130 members — about four times as many people for that month in the four years of Canteen history This sustained popularity encourages the committee to keep looking for an answer to a Summer Canteen. The location must be screened against mosquitos for evening use and the place should be large and airy, preferably in a cool basement. Seventy members signed up as being interested in a Summer Canteen. It will be planned around music for dancing and table games for quiet sociability.

The Canteen Committee wishes to thank the four grade representatives who recruited the chaperons for this past season. Mrs. Walter Moir, representing the ninth grade, supplied Canteen with two sets of chaperons every week from opening day, October 25 at the Methodist Church, continuing there through December 6 and finishing out at the Rutgers Avenue School the end of December. Mrs. A. Sidney Johnson, Jr., representing the 12th grade, took the month of January, (Seniors are always asked to do only one month), Mrs. Herbert Brown of the 11th grade took February and March and Mrs. John Honnold, Jr., of the 10th grade finished out the year for April and

Next year the committee is asking the grades to furnish two representatives each to make up a board which will form policies and help plan the year's program. Mrs. Arthur Kent and Mrs. Herman Bloom would like to hear from anyone who would like to be a permanent Admissions collector every Saturday night. If a Summer Canteen is formed volunteers for chaperons will be needed.

The Japanese Lantern Party to be held outside at Rutgers avenue will probably be a well attended affair, since the Senior House Party will be over and June 13th will be the first Saturday night with all school work completed. The entire student bodies of both Swarthmore and Nether Providence High Schools are invited.

Annual Spring Awards Banquet Set for Thurs.

Bengough, Elinor Burgett to Speak at 6 P.M. Event at High School

More than 150 Swarthmore High School students will receive awards and recognition of their contribution in school activities at the annual spring awards banquet Thursday, June 4 at 6 p.m. in the high school cafeteria.

The principal speakers will be All-American Lacrosse player and Swarthmore High School graduate, Elinor Burgett and well-known baseball humorist, Benny Pengough of the Philadelphia Phillies, whose remarks about sports are a feature at every event he attends.

Honored will be all seniors who have participated in any activities during their high school years and underclassmen who were members of the spring sports teams.

The Banquet is sponsored by student cabinet and is under the direction of next year's officers with president Robbie Jarratt and sponsor Fred Yocum, directing the activities.
