High School Team Wins Over Penncrest Garnet Also Takes Alumni Game 75-68

Celebrating the letting out of school for the holidays with a victory over Penncrest High School last Wednesday night, the Swarthmore High School basketball team continued to put the jinx on the new-formed rival school to the tune of 48-40 low-scoring victory. Both teams excelled in their defensive efforts with the Little Garnet having the edge.

Swarthmore out-rebounded its taller opponent 37-33, and 20 points scored by sharp-shooter Ronnie Herbster and 14 timely tallies by sophomore 'Skeets' Anthony supplied the scoring punch. Tall Dave Tarr sank 16 points in the dying effort for the Penncrest Lions. Swarthmore dipped in 12 of 18 foul tries for a consistent 63 percent while Penncrest got but 12 of 24. The win gave the Little Garnet a 3-1 log up to date, and with the Alumni makes it 4-1.

Last Saturday night, before a good crowd, Bill Reese's miles spotted its Alumni team a good three to four inches per man and still managed to bring home a victory. At the end of the first period it led 22 to 15, but a well balanced scoring effort by Rich Gurin, Joe Moran, Sid Johnson, Dave Grogan, Larry Jones, Jack Walter, and Barry Wright gave the Alumni the lead by half-time 40-37.

During the third period both teams played nip and tuck ball and finally wound up in a tie 55-55. It was then that the school boys of the high school broke loose in scoring 20 points and limited the Alumni to 13 to become victorious for the first time in four years 75-68. In addition to those mentioned above Mike Kerr contributed to the Alumni's cause.

Larry Jones was high man for the grads with 19 points and Joe Moran gave a close second with 18. Ronnie Herbster and Roger Anthony scored 25 and 13 respectively while Butch Hofmann contributed 12 for the High School. Other boys seeing action for the Varsity were Jim Meyer, Ben Eckenhoff, Fred Schaeffer, Skip Bernard, Bob Dawes, Bob Kenschaft, Bob Wagstaff, Burke Jackson, and Robbie Jarrett.

Raiders' Game
In the pre-inary game the "Raiders" gave a fine account of itself against the "old-timers" in a losing cause 46-36. Superior height and general experience and know-how made the difference. Bill McHenry, present coach at Williams, scored two points; Bob McHenry, head basketball coach at Washington and Lee University and basketball captain at the high school in 1952, made good on 12 guns for 24 points; Lee Swan, basketball coach at Darby Junior High and past co-captain of the Swarthmore team of 1953, scored 10 points; George Allison, eight; Phil Reese, two, while Larry Woodruff and one-time sharp-shooter Howie Shearer had no tallies.

For the Raiders the scoring was well balanced with Charles Turner getting two; Art Loeben, six; George Gilmour, two; Paul Darlington, six; Don Jones, one; Stan Lowe, four; Dick Oakie, two; Hunter Allison, eight, and Russ Hoge, four.

Another added attraction of the "Graduates Night" was the presence of two brother basketball officials working the game. Both Charles Barr, teams of 1949 and 1950, and Harold Barr, teams of 1944, '45, '46, were on hand to officiate.

College Bowl Winnings To 'Add to Variety'

Quiz Scholars Express Wishes for \$5000 Prize Money

The four Swarthmore quiz scholars who recently defeated teams from three universities in competition on the GE College Bowl television show say they wish the \$5000 prize money in scholarship funds to be used toward providing a substantial stipend to a student from abroad or this country who "will add to the richness and variety of college life at Swarthmore." Administrative officials of the college consulted the College Bowl team members before making a decision as to how the money will be spent.

Ann Brownell, captain of the team, acted as spokesman for the group and said: "The richness and variety in students and their interests as well as in their backgrounds is one of the aspects of Swarthmore which we value most highly. We would like the scholarship money spent in a manner which would strengthen this facet of college life."

The four Swarthmore scholars defeated teams from Southern Methodist, Holy Cross, and Ohio State before falling to the University of Missouri on December 6, in the GE intercollegiate game designed to test the ability of students to recall facts. Each week two colleges present teams of four of their finest scholars who are asked questions from many fields.

The General Electric Company awarded \$1500 to Swarthmore scholarship funds for each winning engagement and \$500 for their losing bout.

In addition to Miss Brownell of New York City, the Swarthmore team was composed of Ann Singletary of Bethesda, Md.; Peter Smith of Riverview road; Philip Mombberger of Yeadon, and alternate Joseph Adecock of Wilmington, Del. The team was coached by Professor George Becker, chairman of the department of English literature.

At 3:30 p.m. Elizabeth Taylor, dean of girls at Media High School, will show Kodachrome slides of Italy, highlighting historical subjects of interest to artists, with particular emphasis on architecture.

Dorothy Bartholomew, who will exhibit prints and several mosaic panels, received her formal art education in Philadelphia, taught at Traphagen School in New York City, and won several medals for graphics in New York. Miss Bartholomew is a member of the American Color Print Society and Original Graphics Society.

Mrs. Mildred Dillon, who will show serigraphs, aquatints, woodcuts and etchings, was educated in Philadelphia and Europe, and has shown her works in many international shows, including:

The National Academy in New York; The Library of Congress, Washington; The Royal Ontario Museum, Canada, and The Dallas Museum, Texas.

Miss Ferris, who is art advisor for the Carl Schurz Memorial Foundation and a council member of the American Color Print Society, has had prints bought by the Philadelphia Museum and The Free Library of Philadelphia.

Contests Stated for Canteen Saturday

NP Students Will Be Guests at Talent Show Jan. 9

January 2, from 8 p.m. to 11 p.m., will find Canteen members back in tidy school clothes, winning prizes in bridge, pinochle, and table tennis tournaments, and dancing contests.

Members should report to Donald Henderson if they wish to take part in the January Talent Show when Nether Providence students will be guests (and performers, if they wish). There will be three prizes: the first \$10, the second \$5, and the third \$3 to the best performer or group of performers.

Chaperons for Saturday will be Mr. and Mrs. J. Herbert Foley and some very generous last minute "pinch-hitter" couple. Will those generous souls call Mrs. Arthur Kent for January 2?

Last week the Christmas Dance was financed by Canteen, publicized by Bob Beckman and committee, decorated and undecorated by the Varsity Club under Bill Fuoss, and refreshments served by the Senior Cheerleaders with Caroline Webster and Sue Bruce as co-chairmen.

The atmosphere was dreamy with a misty blue lighted tree in the center of the floor with many spruce trees encircling the room, smelling richly of the forest.

Special guest was Philip Swayne as Santa Claus, who gave several members gifts that were appropriate to their personalities. George Gilmour read the new mad "hip" version of "The Night Before Christmas" from "Mad" magazine, January 1960, issue.

Cookies, homemade by the Cheerleaders, and punch served by candlelight to the strains of Ben Napier's Orchestra, finished off the effects of a fine Christmas dance for the 200 who attended.

Rose Valley Chorus in
Opera Next Week

The Players Club will present, beginning January 11 and continuing through the week to January 16, Johann Strauss's light opera, "Die Fledermaus" (Metropolitan Opera version), under the direction of William Price.

The opera, in three acts, tells the story of Dr. Falke's revenge on a friend, Von Eisenstein, who had played a prank on him. Players Club to Present Rose Valley Chorus in Opera Next Week

The Players Club will present, beginning January 11 and continuing through the week to January 16, Johann Strauss's light opera, "Die Fledermaus" (Metropolitan Opera version), under the direction of William Price.

The opera, in three acts, tells the story of Dr. Falke's revenge on a friend, Von Eisenstein, who had played a prank on him. It all turns out as Falke hopes and at the end, in the jail, whither Eisenstein must go to serve two weeks for kicking a tax collector, Eisenstein is properly humiliated when he finds that he has been making love to both his wife and his chambermaid, unbeknownst.

High School Splits in Wayne Rotary Tourney Wins First League Game Over Collingdale 51-50

In the first round game of the Wayne Rotary Club Tourney, when Swarthmore met host team Radnor, the Little Garnet basketball team did nothing right. Completely baffled, it seemed, by the Wayne Raiders' pressing defense, Swarthmore could not seem to get going. Statistics showed the team muffed 14 lay-up shots during the contest which was enough to make a poor showing in the final score, a 68-34 embarrassment.

In the consolation game Swarthmore met a tall and experienced Upper Merion quintet which had bowed by only three points to a highly touted Norristown team in the first round of play. During the first half the Spartans showed their superiority by out-shooting and out-scraping the Little Garnet. Although Upper Merion led by as much as 13 points in the first half the Swarthmore five was able to whittle the lead to eight by intermission. Changing tactics at half-time, the Little Garnet came out and proceeded to make a rout of the contest, not only over-coming the Spartans' lead, but went on to trounce Upper Merion 78-60.

During the first half, Ronnie Herbster managed to keep the local boys within reach, but in the second half the team worked as a unit and all boys got into the act. It was truly a real team effort that brought the victory and the runners-up trophy of the tournament back to Swarthmore.

Ronnie Herbster scored an unusual 36 points and snared 12 rebounds. Fred Schaeffer scored five points and blocked for 10 rebounds. Bob Dawes came through in the second half for an impressive 12 points and Butch Hofmann sank 11. Roger Anthony led in assists for the team while garnering eight points. Ben Eckenhoff scored two, Jim Meyers, two; and Bob Ken-shaft, two, to round out the scoring for the Little Garnet.

On Tuesday afternoon the local High School quintet played host to

a sharp-shooting Collingdale team in the first league game and found itself in for a real ball game. During the initial quarter things were nip and tuck with the combination of Butch Hofmann and Skeeter Anthony supplying the punch in enabling the Little Garnet to lead 13-12. A spurt by the Colls in the second stanza gave the visitors a 28-22 bulge by halftime.

It was an up-hill surge from then on as Ronnie Herbster and Butch Hofmann kept things going in the third period, but the Collingdale quintet still led 40-35. In the fourth quarter Senior Bob Kenschaft came off of the bench to supply 11 very important points to help Swarthmore take over the lead with but seconds remaining in the game. Final score was a 51-50 victory of the exciting variety.

JV Victory

In the Junior Varsity game Don Henderson's gang won handily 40-25 after a slow first half. Mal Anthony kept things within reason during the first half with some timely shooting, but in the second half the Little Garnet Juniors exploded to outscore the visitors 29-12 with some real team work, well balanced scoring, and general all around hustle. Ralph Kletzein was high man with 10 points and was among eight scorers for the team win.

Off to Sharon Hill Tonight A sudden change in the schedule forces the Little Garnet to play Clifton Heights away tonight. Clifton has no home court and has arranged to play some of its home games on the Sharon Hill floor. The Clifton team is little known, but we can be sure that it will be one of terrific spirit and willingness to win. With its present general know-how the Swarthmore team can bring home another victory if it keeps hustling the way it has in the past several games.

Next Tuesday afternoon a very tall and good Yeaton team visits in the Swarthmore gym. Varsity game is at 3:30 with the Junior Varsity immediately following.

Wallingford Library Achieves \$53,587

Volunteer Organization Announced for Kate Furness

Following the latest meeting of the Special Gifts Committee for the Helen Kate Furness Library Fund Drive, it was announced that the total received to date is \$53,587. This total represents gifts and pledges received through the house-to-house campaign and from special gifts.

November circulation figures reveal that 3071 books were circulated last year the November circulation was 2615, and in 1957, book circulation for November was 1716. To date this year 28,643 books have been borrowed from the library as compared with 19,883 for the same period last year. Many months ago the projected circulation for the year was placed at 30,000. According to Mrs. Allen, Librarian, this figure will easily be met. Through purchase and gifts 76 books were added to the library collection.

For December purchase, the Book Selection Committee has selected 75 new titles. Emphasis is placed on titles for young readers; however, many fields of interest are covered in both the adult and juvenile book selections.

Serving on the Selection Committee for December are Mrs. Clement Allen chairman, Mrs. Harold Jenkins, Mrs. Eugene Mark, Margaret Parson, Andrew Hanigan, Horace Knowles and Mrs. Robert Berry, ex-officio.

The Twin Creek Garden Club decorated the library for the holiday season. Because of the interest created last year, the club again featured a "lollipop tree" for the younger library users.

The newly organized volunteer workers of the library, with Mrs. O. Davis Shreve serving as elected general chairman, have taken the responsibility for many of the clerical jobs in the library. Mrs. A. B. Chisholm and E. T. Breuer will continue the weekly "workshops" where books are made ready for the shelves. Mrs. Anne Horen will serve as chairman of the clerical staff. Mrs. Robert Ward will assume the responsibility for typing the new borrowers cards; typing and filing catalogue cards will be done by Mrs. George O'Neil, Mrs. John Rife and Mrs. Ernest Messinkomer.

Over-due book notices will continue to be sent by Mrs. Peter Olson. Mrs. Alex Ewing will take care of the library's rental collection. Mrs. Harold Jenkins, a member of the book selection committee, will serve as secretary of this committee. A "typing pool"—women who have indicated a willingness to do miscellaneous typing jobs when needed, includes the following:

Mrs. Irving Garshoff, Mrs. Ernest Messinkomer, Mrs. Edgar Howe, Mrs. Joseph Jones, Mrs. Robert Ward, Mrs. Philip Sheridan, Mrs. James Evans, Mrs. Malcolm Russell, Mrs. Warren Sweeney, Mrs.

LETTERS TO THE EDITOR

Thanks Community
Dear Editor:
Patients at the United States Naval Hospital, the Valley Forge General, the Coatesville and West Philadelphia Veterans Hospitals ask us to thank their faithful friends in this area for their generous support of the Hospital Christmas program contributed through the Camp and Hospital Committee, Swarthmore Branch of the American Red Cross.

Members of the committee are grateful also for the continuing aid of residents of this area in this needed and greatly appreciated work which makes Christmas come true for many lonely veterans.

May our wish for all of you be one of Health and Happiness in the New Year.
MARGARET GOOD, Ch. Camp and Hospital Comm. American Red Cross

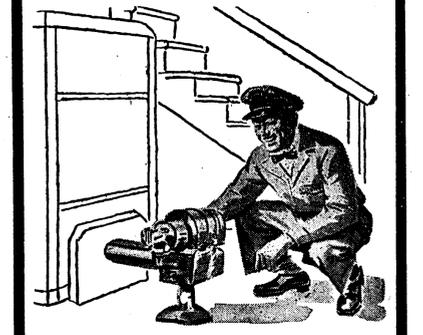

Urges Tree Trimming
Dear Editor,
Don't you think it would be a good idea if the folk of Swarthmore would trim their trees and shrubs which overhang the sidewalks?

I am well aware that very few people in our Borough walk any more; they usually hop into their cars, back out of the garage and away they go; to them the sidewalk is of secondary importance. But some of us, perforce, must walk and that exercise would be more comfortable if one did not constantly have to dodge overhanging branches, particularly on rainy or snowy days.

Sincerely,
JAMES A. DAVIES

Police and Fire News

Borough residents and their guests enjoyed the Christmas-New Year season secure in the knowledge that police and fire protection for them and their homes continued around the clock holidays or no holidays.

Mr. and Mrs. Phelps Soule were particularly appreciative of the quick and efficient service of the Fire Company, called by an alert neighbor, Mrs. Don Dickinson when the Soule home at 410 Park avenue burst into flames at 6:35 Christmas Eve. Although the front part of the living room was badly burned, several pieces of antique furniture and family portraits damaged beyond repair, and much of the house marred by smoke and water, the Soules were cheerfully thankful that more wasn't lost and that no one was harmed in the fire.

With their Christmas guest, Mr. Soule's brother-in-law Dr. Orville Rogers of New Haven, Conn., they were dining at a Media restaurant after caroling with Swarthmore friends, when notified of the fire. Arriving home about 8 o'clock they found the fire extinguished and smoke being drawn out of the building. Cause of the fire was not stated. It was thought it might have started in wiring in one corner of the room.

Narrowly escaping contributing further to the blaze, an untrimmed Christmas tree in a far corner was nevertheless beyond any hope of holding anticipated gay decorations. However the Soules' Christmas just moved through French doors into the dining room where their son-in-law and daughter Mr. and Mrs. John Brownell, and the Brownell children joined the party on Christmas Day. And Mr. and Mrs. Soule planned to spend the first two months of the New Year getting their domicile back to normal.

About the same time on Monday evening of this week the Fire Company responded to a transformer fire on an electric pole at Swarthmore and Yale avenues.

At 9:55 p.m. Wednesday of last week Albert M. Jones, Jr., of Havertown was turning his car left from Chester road, north onto Swarthmore avenue, when according to authorities, it struck and damaged the right front fender of a car being driven south on Chester road by Sandra Goldstein of Chester. The Goldstein car had to be towed away.

Monday evening of this week William Campbell of 15 Dartmouth circle, who police said had been ill in bed and was attempting to shave, fainted and fell on the razor. He was sent to Taylor Hospital, Ridley Park, in the Springfield ambulance for wrist sutures.

Due to the federal investigation concerning "Payola" we have found it difficult to write an "ad."

Anything written about an item on a direct basis might infer that someone is behind the item, and that they might make something out of our publicity. We thought we might just try to be pleasant and write about something foreign to our business - such as "bird watching" (This is taboo since we sell binoculars). If we suggest you have a nice trip south this winter you might read into this that you should buy a camera or film. We are at our wits' end - so - we'll just say - "Isn't it a lovely day?" High School Quintet Downs Clifton 58-48

Before a good crowd in the Sharon Hill gym, Swarthmore won over a tough Clifton Heights five, 58-48, Friday night. The game proved to be a rough one physically but the local quintet overcame much of the football tactics used by the Orange and Black, and brought home its second league win in as many starts, and its sixth victory of eight games played to date.

The Little Garnet broke the ice in the third stanza and scored 20 points to Clifton's 15. Ron Herber, Fred Schaeffer, and Bob Daves were the boys who hit the hoop most for the Little Garnet. Then in the fourth quarter Swarthmore again proved itself to outscore Clifton 19-13, winning the game going away 58 to 48.

Again the local lads won the game on the foul line, sinking 18 of 29 tries for a 62 percent average while Clifton scored but one less goal than Swarthmore. Phenomenal Ron Herber led both teams in scoring 29 points. Fred Schaeffer played one of his best games grabbing off many rebounds and scoring 11 points. Bob Daves scored 8, Butch Hofmann 8, Bob Kenschaff 2, and Ben Eckenhoff 1. Skip Bernard and "Skeets" Anthony saw action but did not dent the scoring column.

The J.V. team has been taking its ease from the varsity in winning its games in the second half also. Outscoring the Clifton Juniors 20 to 9 in the second half gave the team its second straight victory. The score was 36-26. Again Ralph Kietzein proved to be the difference in his better than average rebounding while scoring 10 points. Other scorers were Dick Jackson, Mal Anthony, Tom Atkins, Terry Innis, and Bob Bennett.

On Tuesday afternoon in the local gym the Little Garnet laid it on a tall and fairly talented Yeadon team to the tune of a 65-46 trouncing. The Swarthmore team played an entirely different type of game than it usually plays as it "race-horsed" up and down the court, out-running, out-scraping and out-rebounding the taller Yeadon quintet.

Swarthmore took the lead early in the contest and was never headed, although Yeadon never let the game out of hand until early in the fourth quarter when the local lads completely ran the Eagles off the court. Butch Hofmann came up with an injured hip early in the first period and was replaced by Roger Anthony, who then proceeded to turn in one of his best performances.

The scoring was well balanced with Ron Herber netting 18, Bob Kenschaff 16, and the "Skeeter" 12. Fred Schaeffer came up with seven timely points, while Ben Eckenhoff who filled in for foul-ridden Bob Daves, got 8. Butch Hofmann scored two during his short stay and Robbie Jarrett netted two on two fouls in the last stanza. This victory gave the lads a 3 and 0 log in league play and a 7 and 2 record to date.

The Jr. Varsity team, taking its lessons from its senior team, came through with another victory, 29-22, over the strong Yeadon J.V. Tommy Atkins with the scoring here with 13 impressive points, while Ralph Kietzein continued his improved play, scoring 8, and Mal Anthony managed 6. The record at present for the J.V.'s is 3 and 0 in league play, and a nice 5 and 2 of seven games played to date.

MRS. INDUK PAHK SPEAKS ON KOREA

At a stated meeting of the Woman's Club Tuesday, members enjoyed an informative talk by Mrs. Induk Pakh, president of the Berea-in-Korea Foundation. After a sketch of Korean history and language, Mrs. Pakh analyzed the Korean character as a happy medium between the calm continental Chinese and the nervous island-born Japanese. The proximity of Communist China made the Koreans feel as if they were living at the foot of a volcano liable to explode at any moment.

As in most oriental countries, sons were desired and little attention was paid to daughters, Mrs. Pakh said. However, just 75 years ago this fall, missionaries founded a school for girls. At first only one pupil attended, but today there are 6500 girls organized into a university, now the largest one for girls in the world. Little by little the women developed their abilities through education and small organizations until in 1948 they were given the franchise. Mrs. Pakh amused the audience by a spirited account of what appeared to be a bit of domestic blackmail. The vote-seeker now humbly asks "honorable wife" to vote for him, but she stipulates no more evenings with dancing girls, but home on time "if you want my vote!"

Mrs. Pakh told of the joy of the Koreans when the Japanese were driven out in 1945 by the Allies. Now the Koreans could use their own language, eventually own their own fields, start schools, etc. Then she explained the problems in establishing a self-help college like Berea in Kentucky and told of her efforts to win scholarships for her brighter students so that they might have further education in America and return to help their own people more effectively.

She has raised \$90,000 for the Foundation, not only by her lectures, but by the sale of her autobiography, "September Monkey".

Tea was served after the meeting with Mrs. Claire H. Joglum and Mrs. Judson R. Hoover pouring. Mrs. Norman Hulme and Mrs. Harold Jenkins were hostesses for the afternoon.

DELTA GAMMAS TO MEET The next meeting of the Delta Gamma Sewing group will be held at the home of Mrs. Cresson O. Davis, 621 University place, on Friday, January 22.

Helping our growing suburbs Thrive

Water is the liquid core of history. Without it life would be impossible. The very air man breathes is dissolved by moisture in his lungs. The food he consumes is liquefied by water before it is assimilated by his body.

Droughts, floods and pestilences have resulted when this Heaven-sent gift was not conserved, controlled and treated properly. Nations have perished and civilizations have vanished because of a lack of foresight or ability to obtain and husband this precious resource.

When impounded, treated and distributed intelligently, however, water stimulates healthy growth and prosperity as evidenced in the 300-square mile territory served by the Philadelphia Suburban Water Company, whose every sparkling drop of Pure Springfield Water reflects years of planning, the expenditure of millions of dollars and the constant use of scientific purification processes.

Picture above is 391-acre Geist Reservoir. This Delaware County beauty spot, which "harvests" a 21.5-mile watershed, is located on Crum Creek midway between Newtown Square and Media. One of four reservoirs maintained by Philadelphia Suburban Water Company, its dam stretches 73 feet skyward and its spillway is 300 feet long. It stores 3.5 billion gallons of water.

Watch for future advertisements which will describe the planning, engineering, purification and distribution steps which are taken in delivering Pure Springfield Water to you.

Scriptural passages will include the following from Psalms: "The glory of the Lord shall endure forever; the Lord shall rejoice in his works. . . I will sing unto the Lord as long as I live; I will sing praise to my God while I have my being." (104:31, 33).

All are welcome to attend the services at First Church of Christ, Scientist, 206 Park Avenue, at 11 o'clock.

Our Sunday School Is an Adventure

We visit the churches of other faiths; we read the Bible and the story of evolution, and we hear about Buddha and Confucius. We study nature and think about the wonderful mystery of life. We compare the traditional stories of creation with what we know about the ages of rocks and fossils. We learn about the things that people everywhere have in common. We are the children of the

"Die Fledermaus" Acclaimed at Club

This week's Players Club production of Johann Strauss's "Die Fledermaus" marks a pleasant deviation from the regular plays of the season, for this is a real opera, quite a step up, in musical demands, from the regular Gilbert and Sullivan produced in June by the Rose Valley Chorus. And it is that same Rose Valley Chorus, aided and abetted by Players Club members, who have dared to offer, for this year at least, a decided change from their time honored programs of Gilbert and Sullivan.

Whether the Strauss work is as funny as "The Mikado" or "Patience" or "Pinafore" is another question. The music is beautiful, and exceedingly well sung.

The chorus is lucky to have such new members as Edward Lobdell, singing the part of Alfred; Florence Duckworth, who shone in the part of Adele the chambermaid, and Ray Meitzler, who displayed professional aplomb in the part of Eisen-

stein. Andrea Wyckoff did well in the part of Rosalinda.

Among the older members of the chorus taking part, Don MacRostie was exceptionally well cast in the part of Dr. Falke, and his singing of "Happy Days" was a high spot in the evening. Purdue Cleaver brought all his well-known talent to the small part of the lawyer, Dr. Blind, and showed what a fine actor can do with a tiny role. Bob Manley was a naive Frank, the Warden, playing the part with a wistfulness that was highly amusing, and Harry Oaman, as the jailer, Froesch, got all there was to be got from that famous role. The three girls in the small cell on stage right, gave a magnificent performance. Florence Shields, Ginnie Ritchie and Ann Wood were the disreputable maidens and we have never seen a finer ensemble of virgins on any stage.

Andy Pollock of the Players Club, played Prince Orlofsky at the insistence of the director who did not want a woman in the part. Andy made the wise-cracking Prince believable and sang it well, too. Myra

The Factual Results of

BUS vs. TROLLEY CAR

Buses have been substituted for Trolley Cars on Red Arrow Lines West Chester division West of Westgate Hills since June 4, 1954, with the following results.

Service Has Been Increased
Running Times Have Been Reduced

From 1954 to 1959 Red Arrow system weekday traffic decreased substantially.

HOWEVER

Between February, 1954 (shortly before buses were substituted for trolleys) and February, 1959, West Chester division weekday traffic increased 28.4%.

BEFORE its bus substitution, certain rail enthusiasts claimed that by their survey the preference for Trolley Cars was 5 to 1.

HOWEVER

Red Arrow recently made an actual count of preferences of its patrons riding west of Robinson Avenue, Westgate Hills on its West Chester Division. The actual results were:

PREFER PRESENT BUS SERVICE	1158 or 70.4%
PREFER FORMER RAIL SERVICE	330 or 20.1%
NO PREFERENCE	156 or 9.5%
TOTAL PASSENGERS RESPONDING	1644

Red Arrow will make another check of passenger preference after its New Type Air-conditioned buses have been placed in operation and the results will be published.

Red Arrow lines wishes its patrons to know the true facts of its operations.

Expresses Appreciation

To the Editor:
 I feel that the Swarthmore Fire Company and Police should receive much more credit for all that they do for us. I realize that they like to do it, and that helps.

On Christmas Eve our neighbor's house caught on fire. We didn't even hear a siren, all we heard was the engines rushing by our house. The company saved the house from being ruined.

On Saturday, January 9 at 11:30 my mother and I were just going to Acme when we heard the engines. We stopped and watched. I recognized some people as "the man at the Spot" complete with shirt tails, and others. They are out in about two minutes. Down our street there are two men who race up to the Fire House when an alarm goes.

On the same day at 12:15 (I was in Music Village then) there was another fire. In two minutes they were out again.

Then during the year they serve do-nuts and cider. What do we do? So on behalf of everyone in Swarthmore I say we appreciate everything you do, Fire Company, with your shining engines, and Police.

Sincerely,
 JENNIFER BELL

Regrets Action

To the Editor:
 The Swarthmore Borough Democratic Committee favored the recommendation of the Delaware County Planning Commission that an automobile access route to the Rutgers Avenue School be kept open from the east through the new subdivision. We stated our position by letter to the Borough Planning Commission, to the School Board,

and to the Borough Council. We regret that these three local bodies did not agree with us and did not favor the recommendation of the Delaware County Planning Commission, which we supported.

We doubt that the long range interests of the community have been served by this decision. We feel that such decisions should be based not on the convenience of the moment, but on the long-term needs of the total community. The

Swarthmore of tomorrow will depend on the decisions we make today.

Gray Lady Training
Completed in Germany
Mrs. Millard P. Robinson of Springfield has recently completed her training as an American Red Cross Gray Lady at the 98th General Hospital in Neubruecke, Germany, according to Robert S. Wilson, American Red Cross director of operations for Europe and North Africa.
Mrs. Robinson is the daughter of Mr. and Mrs. John W. Calder, also of Springfield. She is in Europe with her husband, Millard P. Robinson, a civilian employee of the Department of the Army assigned to the American dependents school at Baumholder, Germany.

Police and Fire News
Authorities came to the rescue of Mrs. Joseph Logue when lint in a dryer at her home at 620 Yale avenue began smoking at 11:20 a.m. January 6.
Robert George Sands of Ridley Township was sent to Norrisstown State Hospital for observation before Judge John Digginis in Media Court on Monday to charges of assault with a deadly weapon and attempt to ravish. An investigation by Swarthmore Police resulted in the arrest of Sands several days after he had forced Deborah Dickinson, a Swarthmore College junior, into his car on Ogden avenue early in the evening of October 26.
Passing red traffic lights in the borough cost two motorists \$5 each and costs on January 8. Avigtas Nazirides of Chester paid for a violation which occurred at Chester and Fairview roads on January 2; Mario Nocella paid for one at Chester road and Swarthmore avenue on December 23.
Springfield firemen, who were "covering" for Swarthmore while the local Fire Company held its annual banquet Saturday night dashed to Swarthmore High School at 2:02 a.m. Sunday, along with their Swarthmore colleagues who had just returned from the banquet at Springfield Club. Fortunately the smoke, which Police Sergeant William Weidner and Patrolman Peter Maginnis while on routine car patrol had discovered emanating from the gymnasium wing, had been caused by an oil burner backfiring and failing to ignite properly in one of its automatic cycles. Police broke glass in a door to gain entrance. Frank Watson, mechanic on the school's maintenance staff, arrived shortly thereafter and corroborated the cause of the "scare" as well as establishing that the smoke had not seeped out of the closed boiler room to damage any of the building.
Springfield also received a call from Wharton Hall, Swarthmore College at 9:09 p.m. Saturday, canceled five minutes later as a false alarm.
In addition to a non-alarm leaf fire near railroad ties, tended by yard firemen with one engine early this week, the fire horn called through volunteers to a brush fire in the woods behind Drew avenue at 3:20 p.m. Friday; another to a brush fire on College property at Yale and Avondale roads at 11:06 a.m. Saturday; and a leaf fire at 210 Elm avenue at 11:51 a.m. Saturday.
Police escorted the Media ambulance into and out of the borough Tuesday afternoon when it came to transport Alfred Marsh, pneumonia victim, from his home at 103 Columbia avenue to Lanckenau Hospital.

SEEKS \$110,000
Contributors and volunteers in the 53rd Annual Christmas Seal Campaign received "heartfelt thanks" this week as returns topped the \$100,000 mark.
Freas B. Snyder, President of the Delaware County Tuberculosis and Health Association, said continued returns should enable the total to exceed the amount contributed in the previous campaign.
The association must raise above the \$110,000 donated in the last Campaign in order to maintain its anti-tuberculosis program without cutting services.
Snyder said contributions still can be made to the campaign, which is nearing a close.
"The generosity of citizens and various organizations in contributing to the Seal Campaign insures our unabated fight against the nation's number one infectious killer," Snyder said. "In many cases, we've received contributions from persons who themselves had to sacrifice to help us. We value their unselfish acts greatly."
Snyder also praised the hundreds of volunteer workers who are participating in the campaign. "Without the help of these volunteers," he declared, "it would be almost impossible for us to wage a success-

Local 'Green Thumbs'
View Foreign Gardens
Mrs. William Rowland was hostess for the January meeting of the Swarthmore Garden Club Monday at her home on College avenue. Color slides of gardens taken by several members during their travels last summer to Portugal, Spain, Italy and to Banff, Canada, were shown following the business meeting.
The appropriate "theme for the day" required house plants to be used in an arrangement. Ribbons were awarded on the basis of points to Mrs. Joseph S. Lynch, Mrs. Charles H. Topping, Mrs. Vincent T. Lathbury and Mrs. William B. Scher. The compositions were judged by Mrs. Charles Humphries and Mrs. Robert Shipman of the Twin Creek Garden Club of Wallingford.
At the annual election of the Democratic Women's League of Delaware County on January 11, Mrs. L. E. Peterson of Vassar avenue was elected Recording Secretary of the club for a two year term.
At the annual election of the full Campaign. To all who have contributed money and time, we offer our heartfelt thanks."

Services Held Tuesday For Anna E. Bassett

Anna E. Bassett, widow of the late Dr. Frank L. Bassett, one of the early residents of Swarthmore, died Sunday morning at the Friends Boarding Home, West Chester after a nine week illness. She was 98.

The mother of the late Dr. Norman H. and the late Dr. Arthur E. Bassett, she is survived by a son Herbert T. of the Swarthmore Apartments, three grandchildren, and seven great grandchildren.

She was a longtime resident of Swarthmore. She and her husband lived for 17 years at 619 Walnut lane which he had built in 1895. The house, known as the Bassett house, is now the property of Swarthmore College. She was a granddaughter of Benjamin Halliwell, one of the founders of the college.

Services were held Tuesday in West Chester. Interment followed in Friends Cemetery, Salem, N.J.

SALK VACCINE SHOTS URGED

The Delaware County Medical Society, in conjunction with the National Foundation, is urging all residents who have not been immunized against polio, to get free Salk vaccine shots from their family physicians as promptly as possible.

The Foundation has made the vaccine available to the Medical Society for this purpose since the summer of 1957, and to date over 6800 doses have been administered through the program, to those unable to pay.

According to Dr. J. Albright Jones, Elm avenue, chairman of the Medical Advisory Committee of the National Foundation's local chapter, there are still hundreds of residents unprotected, and he urged that they act immediately so that they will be protected during the coming spring and summer season.

Dr. Jones also heads the committee on public health and preventive medicine for the society.

"Die Fledermaus" Acclaimed at Club

(Continued from Page 6) Fisher added just the right cheeky note in her performance of *Die Fledermaus*, playing with vivacity and having a lot of fun, apparently.

Now for a word about the chorus itself. This is no super-trained automaton, but a group of ladies and gentlemen in evening dress who really at a ball, and who never drop out of character at any time, something of an achievement for an amateur group. And they sound wonderful. A special word of appreciation must also be said for the ballet during the second act, superbly danced by Carol Wiricinaka and Michael Lopuzanski.

The three sets were designed by Henry Gayley and executed by Alan Slack and a crew from the chorus, who also act as stage hands.

The orchestra, which contributes so much to the performance, is composed of 12 pieces, under the baton of Philip Warren Cooke, the musical director of the chorus for 22 years. Much of the success of the production is due to Mr. Cooke's enthusiasm and energy and his insistence on "attack." A word of acknowledgment of the debt owed by the chorus to the Crow family is in order. Thelma is the pianist, faithful through the long rehearsal and performance period; Jane plays the flute in the orchestra, and Lorna is the little page, attendant upon the Prince.

The production is under the direction of William Price, who says that the make-up people, the prompter, and the stage crew should have their share of praise in making the whole thing possible. The make-up committee is chaired by Katrina Ives and Lavina Hurst, Evelyn Hessenbruch, Betty Bentley, Helen Borsari and Elizabeth Gathman—able workers on the make-up balcony. The scenery was built and painted by Alan Slack, Glen O'neal, Jr., Harry Osman, Bob Manley, Bob and Ducky Register, and Francis Spickler. Charlotte Maas and Francis Spickler, Jr., handle the lights, George Jarden is the efficient stage manager and Bob Kerr, Leslie Weston and George Zenser have set up the amplification and closed circuit television systems. Don Sanson has done yeoman service in taking care of props and furniture. A Chester company lent the chandelier in the ballroom scene.

The production plays this Friday and Saturday night to round out a week of what is a major and successful effort on the part of the chorus and the Players Club to provide stimulating theatrical fare for their members.

Friendly Open House Hears Col. Clyde B. Pyle

Two large afghans made by the members were sent to the Naval Hospital on Tuesday.

A Sad Tail

There once was a pooch in the Borough whose owners were not very thorough.

A license he needed; His plea went unheeded.

He's jailed without bail—(oh-a-grr-o) His owners—they set up a wall. They earnestly sought their dog's bail.

They found to their gloom That "no license" spelled "doom"

To the wandering dog in the Borough.

THE SWARTHMOREAN

VOLUME 32 - NUMBER 4 Swarthmore, Pa., Friday, January 22, 1960 \$4.00 PER YEAR

'If Winter Comes, Can Spring Be Far —' H. S. Rejuvenation May Make Nature's an Anti-Climax

Time consumed in planning and construction, even the two-month extension beyond the early-December completion date originally set, will be quickly forgotten in admiration of the achieved product, when Swarthmore's new high school blossoms forth February 1. Skillful blending of the old year and side walls with a new front necessitated by state-mandated space standards, not only has saved taxpayers about \$100,000 but has created a structure that should please both nostalgic traditionalists and change-prone modernists.

Dr. Samuel T. Carpenter, School Board property chairman, long-worn in the service of building new and rebuilding old schools in this borough, highly commends the diligence of the local School Authority and the painstaking work of architects and clerk-of-the-works toward attaining "one of the best educational plants, one that seems without a functional fault, a good job justifying the trials and tribulations along the way!"

Inside the off-white brick front and the other gray stone outer walls, the building virtually blossoms with color despite Fate, or the steel strike, having removed all hue from the much publicized lavatory fixtures in the home economics suites.

Many moons ago the School Board denied a request for pink fixtures since they would cost \$40 more than white ones. Then Mrs. Henry Patterson of Maple avenue generously sent a check to cover the difference and color choice turned to yellow. Now Mrs. Patterson's contribution will be returned. High School Principal William Bush said colored fixtures could not be delivered for another month so snow-colored ones have been installed.

However, if luckless colored-fixture devotees have had to bow to the inevitable decision that in educational importance a school's daily operation outweighs its color scheme, they should find solace in the wide and varied range of color featured on walls, floors, and science table tops.

Hall, classroom, office and store-room walls range from neutral beige to gray to deep turquoise and tangerine, with harmonizing vinyl asbestos floor tile arrangements. Blue tile walls in boys' and male teachers' lavatories, pink in the girls' and female teachers' rooms, and yellow in the famous home economics suite, set an aesthetic background for the plain white fixtures.

New Map Needed New entrances and room arrangements will require a bit of orientation on the part of the school's occupants and visitors. The broadly glassed main entrance leads from the College avenue parking lot into a ground floor lobby. Trophy cases are recessed into the opposite wall. Also at the rear of the lobby, doors give access to the shop and music buildings or art and other rooms beyond the cafeteria, without going through cafeteria or gym.

On the right side of the lobby between entrance to ground floor cafeteria and a stairway to second floor gym and third floor hallway, is a student activities room for Cabinet and other organization meetings.

Around the right corner of the outer building is another entrance to the gym and a divided inside door for ticket handlers. To the left of the lobby, which provides a weatherproof connection between the rebuilt main building and the formerly separate gym-cafeteria wing, are boys' and girls' lavatories with stainless steel shelves for putting books below washstands and

along walls. These lavatories are duplicated directly above, on second and third floors, greatly increasing the number and convenience of the limited and outmoded pre-fire lavatories.

On the front or north side of a corridor to the left are a conference room, private offices for guidance counselor and principal, general high school office with glass partition into hall, school district office, supervising principal's and district clerk's offices, and a fireproof vault room. The layout has achieved privacy for each office as well as direct access to the other offices and to a central area for filing student records and an inter-communications room with phonograph and radio, which is headquarters for issuing announcements that will emerge from speakers in hallways and classrooms. Each classroom can receive and reply back to the broadcaster in the inter-comm room. Outlets for possible future TV use have also been placed in classrooms.

Adjoining these administrative offices are a room for business machines and stenography classes, divided by glass from a typing room with noise-muffling ceiling. The transparent partition enables one teacher to control both classrooms.

The remainder must be raised through the Sustaining Membership Drive.

Some of the local men assisting in this drive are:

HOW DO YOU BUY CARPET?

3. What is the right price to pay for carpet?

You are lucky if you need carpet now. New high-speed methods of manufacture and other production techniques enable us to offer much better carpet today than ever before (in the recent past).

For example, we can offer a good-looking, hard-wearing carpet, in all-wool or wool-and-nylon, at \$7.50 per square yard. We can also offer an office-quality carpet in all-wool at \$12.00 per square yard. Either of these can also be offered in odd widths as well as in the usual 12-ft. and 15-ft. widths, avoiding waste.

One of the best values is 501 NYLON carpet, priced at \$10.00 square yard. Breath-taking beauty combined with exceptional practicality puts this in great demand.

The right price for YOU depends on how you intend the carpet to be used, how long you hope it will last, the number in your household, any pets, and so forth. PAULSON has carpet in all price ranges, \$4.00 to \$25.00. Let PAULSON help YOU.

If Winter Comes, Can
Spring Be Far —

Across the hall are heating and maintenance areas, and a health suite with a room for boys and another for girls, a dressing room with curtained booths, and an examination room. Adjacent is the faculty lounge which will double as a meeting room for the School Board. At this end of the building near the auditorium, a new door from the courtyard eliminates travel through the auditorium. Improved for use as an interim classroom the back-stage room in the auditorium will now be used as a stage crafting area. Formerly such work had to be done in hallways.

Library, Science Expand

Up the first flight of stairs is an economics suite that County educators, privileged to an early "peep" have proclaimed one of the finest to be seen anywhere. Budding dress makers, by opening a double set of twin doors on garment closets, can arrange a generous three-way mirror view. Electric receptacles under built-in cabinets have pilot lights which indicate at a glance if an appliance has been left in operation. About to be installed are gas and electric ranges, an electric dishwasher, clothes washer, dryer, and refrigerator-freezer combination.

Also on the south side is a library which seems to have tripled in size. A seating capacity of 60, or about 10 per cent of the enrollment, is provided in the open half of the room. Beyond adjustable shelving, which will allow for a normal 15-year growth (about double the present number of books), is a librarian's office and conference room. On the library floor colored top panels subdue light in all south rooms. New combination vent and heating fixtures in classrooms automatically draw fresh air from outside, mixing it with the warm air they create and maintaining any desired temperature.

Proceeding to the top floor (which actually is the third but is sometimes called the second in the confusion of calling the first floor the ground floor, the next the first floor, etc.) one discovers the pride of scientific-minded students and their mentors. The entire south side of this floor is devoted to senior high science. Side by side, intercommunicating and beautifully equipped are: an advanced science room, a physics classroom and laboratory and a chemistry room. A glassed office can be entered from physics or chemistry area and commands a view of each. A showcase for science displays is cut through to the hall from the chemistry room. The chemistry storeroom has a lockable compartment. Also connecting is a biology room with separate preparation room for "specimens".

In the east end of the top floor, former library and art space will form part of a new language suite which will include private listening booths.

Large Classrooms

The new building's 30 classrooms represent an increase of seven over the former school. Old rooms' standard size was 620 square feet. New rooms range from 660 to 770 square feet. Classroom doors automatically lock when closed. Although they can be opened by turning the knob on the inside, only a key will unlock them from the corridor (late students won't be able to slither in unnoticed once a door is closed). The teacher's closet in each room also bears a lock. Separate clothes and book lockers that can be secured by a single padlock will be provided each student. These lockers line the halls.

Large slate blackboards stretch the length of many walls, in line with the theory that they remain superior to the more recently conceived greenboard for yellow chalk.

DELTA DELTA MEETING

The Alumnae Chapter of Delta Zeta will meet on Thursday at 8 p.m. at the home of Anne Shuster, Havertown.

Brooke Cottman Named
Head Lacrosse Coach

Willis J. Stetson, director of athletics at Swarthmore College, has announced the appointment of Brooke P. Cottman, Benjamin West ave., as head coach of lacrosse at Swarthmore for the 1960 season. Cottman replaces Avery F. Blake, Amherst avenue, who has taken over as head lacrosse coach at the University of Pennsylvania after having served for 29 years as coach of lacrosse at Swarthmore. In his final lacrosse season at the college last spring, Blake led the Garnet to the Pennsylvania-Delaware Intercollegiate Championship. Under Cottman, Swarthmore will be out to defend that title in 1960.

Cottman's lacrosse experience goes back to his years at Boys' Latin School in Baltimore where he played lacrosse for 12 seasons, winning numerous awards including the team captaincy and All-Maryland honors. His career continued at Duke University for four years and he was chosen for the Dixie All-Stars and Senior All-Stars in addition to being awarded Honorable Mention All American in 1962.

After college, he played one season with the Maryland Lacrosse Club before entering the service in 1953 with the Air Force Cadet Training Program where he served

as Military Training Officer responsible for the military training of Aviation Cadets. Since leaving the service, he has been a sales representative in the Philadelphia area and has played two seasons with the Philadelphia Lacrosse Club.

Stetson also announced the appointment of Eugene Heaton as assistant coach. A Swarthmore graduate, class of 1955, Heaton played four years varsity lacrosse in college and was captain of Swarthmore's 1955 team. Previously, he had played lacrosse at and attended the Baltimore Friends School. He is currently a graduate student at the Wharton School of the University of Pennsylvania. He replaces Henry Ford who will serve as assistant to coach Blake at Penn.

John Bird Named Senior Post Editor

Ben Hibbs, editor of The Saturday Evening Post, announces that associate editor John Bird has been promoted to senior editor.

Bird, who lives on Oak Crest Lane, Wallingford, is a native of Hays, Kans., and worked on the Hays Daily News while still in high school.

He became a free-lance writer while a student at Kansas State College and sold his first story to Country Gentleman, a magazine he was to help edit a decade later.

In the intervening years, he helped in his father's grain business, served as secretary to a congressman, worked as an associate professor of journalism at Kansas State, did public relations for the U.S. Department of Agriculture and sold stories to newspapers such as the Kansas City Star and to magazines such as The Saturday Evening Post.

Bird joined the staff of the Post in July, 1955, and shortly thereafter spent eight months in the Middle East on an Eisenhower Exchange Fellowship studying the political situation in Egypt, Sudan, Israel, Bahrain, Kuwait, Lebanon, Iraq, Syria, and Turkey.

Bird's new position will be listed for the first time in the masthead of the January 23 issue of the Post.

Newcomen Soc. Honors Clarence B. Campbell

Clarence B. Campbell, College Avenue Man Receives Gold Medal

Delaware County Democrats are out to make Republicans, not Democrats, a strong minority party, asserted Charles F. Hepburn, County Democratic Chairman, at the Swarthmore League of Women Voters' meeting on "Practical Politics," Monday.

However, Hepburn seemed to agree with Phothonary Howard F. Reed, Jr., Republican spokesman, that "Republican or Democrat, the important thing is to play a part in government. People who do not at least communicate their thoughts to those in government are falling down as citizens of the United States. They have only themselves to blame, for government will be no better than the people want it."

The award was presented at the society's annual dinner at Franklin Hall of the Franklin Institute there Wednesday of last week.

The Newcomen Society, whose headquarters are in London, centers its work in the history of accomplishments which have contributed or are contributing to the progress of mankind. Its name perpetuates the life and work of Thomas Newcomen (1683-1729), the British pioneer who contributed improvements to the newly-invented steam engine.

The Newcomen Gold Medal is given in America not often than once every three years, report society officials. It was last given in 1956. A committee is organized under the Committee on Science and the Arts of Franklin Institute to select and recommend persons to receive the award.

Mr. Campbell began his Westinghouse career as a technical apprentice at the steam division in 1919. He then progressed through various turbine engineering assignments before becoming manager of the engineering department in 1944. In 1952 he was promoted to consulting engineer, and two years later he was named chief engineer for the division.

He received the Westinghouse Order of Merit, the company's highest honor, in 1942. He also has received the membership standing of fellow of the American Society of Mechanical Engineers, and a distinguished alumni citation from the college of engineering at the University of Michigan.

He is a member of Franklin Institute, Engineers' Club of Philadelphia, Engineers' Club of New York, American Association for the Advancement of Science, American Society of Mechanical Engineers and the University of Michigan Club of Philadelphia. He is a registered professional engineer, commonwealth of Pennsylvania, and a member of the Session of the Swarthmore Presbyterian Church.

Garnet Five Bows to Ridley Park, Sharon Hill Will Battle Darby Tonight for 3rd Place

Last Friday night, when the Little Garnet basketball team visited Ridley Park, it found itself in for a rough evening. The Parkers seemed very much "up" for the game and could do no wrong. The Ridley five jumped off to a 20-13 first quarter lead, but with some clutch shooting by Ron Herbst the Little Garnet was able to cut the lead to six points by half-time. The Parkers outscored Swarthmore 14-12 during the third-period and enjoyed an eight point lead at the beginning of the fourth stanza.

In the last period the bottom dropped out as Ridley scored 17 points to the local lads' four. Ron Herbst scored 28 points, but the Parkers' Iredale got 26 to offset the Swarthmore scorer. The big difference was a combination of Ridley Park's overwhelming height along with a 44 percent shooting average mostly from outside. The loss was Swarthmore's first in league play, dropping them into a tie for second place with Ridley Park.

Then on Tuesday afternoon the Little Garnet met league-leading Sharon Hill, the team which features 6 ft., 6 inch Brent Kitching. Swarthmore scored the first goal on Fred Schaeffer's jump shot, but Sharon Hill soon retaliated to lead by the end of the first half, increasing during the remainder of the game. The big difference was Swarthmore's inability to score a point in the second stanza while Sharon Hill scored 14. When the teams left the floor at intermission the locals were in the arrears to the tune of 24 to 7, which proved too much of a lead to overcome.

In the second half both teams scored 27 points giving the Hillers a 53-34 victory. Brent Kitching scored 22 points on six goals and 10 fouls while no other Hiller got into double figures. For Swarthmore there were eight players denoting the column. Bonnie Herbst and Ben Eckenhoff scored nine each, Fred Schaeffer four, Bob

Police News

Seven-year-old Jonathan Shay of 504 Walnut lane spent two days in Taylor Hospital, Ridley Park, after he sustained cuts and bruises when struck by an automobile on Chester road about 200 feet south of Yale avenue at 3:29 p.m. last Thursday. Patrolman Stanley Shepanki, who took the lad to the hospital following examination by Dr. John H. Wigton at the nearby Medical Center, said Jonathan, en route from the elementary school to choir practice at the Presbyterian Church, apparently stepped from behind a northbound car into the path of a southbound one driven by Mrs. Deotha Dixon of Twin Oaks, Chester. Mrs. Dixon was held under \$500 bail pending outcome of injuries.

Police of Springfield, Ridley and Nether Providence Townships, Morton and Rutledge joined Patrolman Stanley Shepanki and Edward Burgett of Swarthmore Monday morning in an unfruitful search for two boys who fled from a stolen car after driving the car onto a lawn in the 600 block of Strath Haven avenue. Authorities said a portable radio and tools, which had been in the 1959 Oldsmobile sedan when stolen from Upper Darby last Friday night, were missing. The car, owned by Lewis Marconi of Havertown, bore a license tag stolen from another car at 55th and Baltimore avenue, Philadelphia, earlier Monday morning. It was 10:04 a.m. when Mrs. Horace B. Passmore reported the car had run aground between her house and that of her neighbor, J. Harry Beckmann. A witness said the boys, appearing about 18 or 19 years old, with dark hair and wearing black leather jackets, escaped down Cornell avenue toward Fairview road. The Passmore lawn and the left front fender of the car were damaged although no explanation of the latter was given. A medicine bottle, three-quarters filled with whiskey, found in the glove compartment was not the property of the car's owner, police said.

A Vassar avenue woman paid \$5 fine on January 14 for a parking violation on Dec. 30. A Swarthmore High School senior was assessed a \$10 fine January 12 for reckless driving in the South Chester road underpass on December 23. His attorney said he would enter a court appeal.

At 3:18 a.m. Sunday, police assisted the Springfield ambulance which came to 828 Dartmouth avenue to take Edith Bunting to Graduate Hospital, Philadelphia. Another collision added to the list for the Cedar Lane - Swarthmore avenue stop sign intersection at 3:03 p.m. Monday. The car of Earl W. Whittington, Boothwyn, traveling south on Cedar lane, received a damaged right front when it collided with and damaged the left front of the car of Elmer Landis, Newtown Square, traveling east on Swarthmore avenue.

Richard Brown of Philadelphia paid a \$2 fine January 13 for a parking violation on September 29. On January 15 a \$25 fine was paid by John Quinn of Conshohocken for reckless driving at College and Princeton avenues on December 19; and \$5 paid by Grant J. Welser of Philadelphia for traffic violation on South Chester road near Rutgers avenue on June 18.

Regular Canteen Is Saturday's Program

Program Cancelled for Next Saturday January 30 Canteen tomorrow will be a Regular Canteen with dancing and cards under the supervision of Anthony Pinnie, in Donald Henderson's absence. Next week there will be no Canteen in observance of the Junior Assemblies for grades nine and 10 and class parties for the 11th and 12th grades.

Two weeks ago at the Talent Show, that had an audience of 218, two groups played and won \$6 for each group. They were Andy Hopkins and Sandy Newcomb from the Episcopal Academy who played electric guitars; and Phil Beardsley who played the drums with Dave Groeters at the piano. When the high school gets back to regular sessions, there should be time for new combos and singing groups to practice and then perform at Canteen.

Last week with 144 attending (the Senior Class was conspicuously absent), a Scavenger Hunt was held at the opening of Canteen. The articles to be observed were a rubber band, blue pencil, toothpick, bobby pin, nail, string and many more. Winner was Ronny Hoge, who received a Swarthmore pennant.

Later in the evening, Rich Kent and Jerry Wilson ran a tape recorded Sound Contest of 17 different sounds, such as an air hammer, bacon frying, winding a clock and a grandfather's clock. Bill Hladky detected most for this contest. The game of "Skittles" newly purchased for Canteen, was set up in the middle of the dance floor and many tried their skills at spinning a top to knock down pins placed almost impossibly behind various partitions. Ping-pong made its first appearance since Summer Canteen at Trinity Church, and was constantly enjoyed by many. This was placed in the corridor and somehow the card plays were able to continue playing in the same place. Mr. and Mrs. Carl Anderson and Mr. and Mrs. Edward Gargiulo were chaperons. This week Mr. and Mrs. George Buzza and Mr. and Mrs. Maurice Webster will be on duty.

Livingston Renamed To School Authority

Howard G. Livingston of Rutledge was re-elected to his second five-year term on the Swarthmore-Rutledge Union School Authority Wednesday evening by the School Board.

The request of Mrs. Priscilla Swan for part-time status for the approaching semester, was honored by the Board. Anthony Geno of Upper Darby, a graduate of Lock Haven State Teachers College, was elected to take over most of Mrs. Swan's high school geometry classes for the remainder of the school year. He will also observe Mrs. Swan as she continues with a special senior geometry group under the Yale program.

Joan M. Bortz of 636 Cresson Lane was added to the high school staff as switchboard operator and secretary.

Russell Jacoby, West Chester, was named collector of delinquent per capita taxes.

A portable spinet piano for use in the upper elementary classrooms was ordered from Upper Darby Piano Center, low bidder, at a cost of \$360. Nine fire extinguishers costing a total of \$157 were ordered for the new high school from U. S. Fire Protection Company.

A four-day extension of sick leave was granted Virginia Allen, girls' physical education director, who has been ill with pleurisy.

It was reported that School Director Newton Ryerson had sufficiently recovered from his recent automobile accident to return home last Saturday. Supervising Principal Frank R. Morey, injured in the same collision, remains in Chestnut Hill Hospital.

Schedule Thursday for Report Card Talks

Mrs. Ned Pyle presided at the midwinter meeting of the Parents' Council on Tuesday, January 19. Thomas Boyle gave a presentation on the question of reporting to parents and the difficulties involved. He showed samples of the report cards to be used this year as a trial, along with conferences, and presented three teachers to explain them — Mrs. Abbe Enders, Kindergarten; Mrs. Jane Groff, first through third grades; and Grace Yates, fourth through sixth grades. He pointed out that the teachers have tried to draw up a set of standards to use in marking but that it is difficult to pinpoint a child's ability accurately. Therefore, he urged that if parents have any questions about a mark, they should consult the teacher directly for further explanation.

The education committee announced that meetings have been set up to explain these new report cards to the parents next Thursday in the new All-Purpose Room. At 1 o'clock Mrs. Groff will talk to the parents of first-third graders and at 2 o'clock Miss Yates will meet with parents of fourth-sixth graders. All parents having children in these grades are urged to come. Since kindergartners will not receive report cards until May 10, no meeting has been planned for their parents.

Mrs. James Nelson reported for the Book Fair Committee that the final figures are not yet in but that it was a real success.

Mrs. John Carroll thanked the mothers who have helped on the playground at lunch time and their discussion about whether this service should be continued. The consensus of opinion was that teachers do need help because the play area is so widespread. Chairmen were asked to get lists of volunteers to pass on to Mrs. Carroll.

The high school parents met briefly in Mr. William Bush's office and had a tour of the new building.

Porter Waite Honored At Testimonial Dinner

More than 250 athletes and friends of Porter H. Waite gathered Wednesday night to pay tribute to a guy who has done a lot for most of Harvard's lacrosse players. The testimonial dinner held in a Springfield inn, was climaxed by the presentation of an electronic tape recorder and speaker, and the announcement of Mr. Waite's honorary Life Membership in the National Lacrosse Coaches Association.

In remarks that were chafing, kindly and affectionate, spokesmen from the fields of baseball, hockey and lacrosse, and from the business world honored Mr. Waite for his contribution as a player and coach, and for his integrity as a business man.

Mr. Waite, who has been an all around athlete and coach for more than anyone definitely specified, has operated an automobile sales and service station at Yale and South Chester roads for 34 years.

Former Swarthmorean Bill Shelley, introduced by Avery F. Blake, lacrosse coach at the University of Pennsylvania, recalled Mr. Waite's coaching an informal baseball team some 25 years ago, a team which later formed the basis of the later league teams here, his offer to pay for half the cost of members' uniforms, the expedition to Hershey, and the games he arranged.

Lifetime Ridley Parker Bob Nilsson's recollections included Mr. Waite's standing as a legendary ice hockey player in 1922. Announcing that there MUST have been

more ice in those days, he recalled the Saturday and Sunday games, his discovery that Porter brought the pucks, extra sticks and even the skates for those games. He stayed afterwards to help the little boys. He was the originator of hockey at Hershey.

Percy Belfield, Michigan Avenue, who played lacrosse with Mr. Waite, recounted anecdotes portraying his former teammate as "not a defensive man." Afterwards it was divulged that Mr. Waite would still be playing lacrosse if there was a place to hold the games.

Thomas B. McCabe, South Chester road, president of Scott Paper Company, stating that he had done business with Mr. Waite for more than 32 years, described his non-pressure salesmanship, and commented on his desire to help others.

Mr. Blake concluded by reading some of the telegrams and letters from all over the country, Japan, and Germany, which had been sent by friends and fellow athletes unable to attend.

Plans for the dinner were begun last September by a large committee of friends.

Pvt. Keith Richardson, son of Mr. and Mrs. Robert Richardson of Crest Lane, has arrived at Camp Bussac, near Bordeaux, France. His address is 319 Medical Hospital Station, APO 215, New York.

Mrs. Walter G. Giles Dies Suddenly

Trinity Member Lived Here for 35 Years

Mrs. Celia Christie Giles, widow of Walter C. Giles, passed away Wednesday night in Taylor Hospital, Ridley Park. She had been taken to the hospital by Springfield ambulance after suffering a cerebral hemorrhage early in the afternoon at her home, 185 Rutgers Avenue. Her husband, who had been chief engineer of the American Viscose Corporation, Marcus Hook, died in June 1956.

Born in West Warwick, R.I., on August 25, 1900, Mrs. Giles was graduated from Wellesley College. She was active in its alumnae work at the time of her death.

Following her marriage in Apponaug, R.I., on October 10, 1925, she and Mr. Giles moved to Swarthmore. After occupying apartments on Kenyon and Park avenues for a few years they moved into the Rutgers Avenue house 30 years ago.

An active member of Trinity Church, Swarthmore, Mrs. Giles was a past president of its Women's Auxiliary. She was a Red Cross worker and had been secretary of the Delaware County Chapter of the National Foundation for Infantile Paralysis.

Surviving are a son, Charles, of Lockley; two daughters, Mrs. Jackson Blackman of Wallingford (Continued on Page 8)

NATURALIZED

Mrs. Maj Ellen Borel of Rutgers Avenue and her daughter Karin, a student at Pembroke College, Providence, R.I., became citizens of the United States at a ceremony Wednesday, January 20, in Delaware County Court of Common Pleas, Media.

The honorable Henry G. Sweney, president judge of Delaware County, presided. The Boreis were two of 78 who were formally admitted as U. S. citizens.

Swarthmore Girl Scout Troop 16 attended the ceremony, and because there was no space available for them, witnessed the induction of their troop leader, Mrs. Borel, from the jury box.

The troop entertained at a buffet supper prior to the ceremony at the home of Troop Committee Chairman Mrs. William Welsh, on South Swarthmore Avenue. The troop presented Mrs. Borel with a brooch.

Dr. Melvin W. Riddle Dies in Morganwood

Burial in Former Chambersburg Pastorate

The Rev. Dr. Melvin Watt Riddle, who passed away Saturday morning at his home, 51 Morgan Circle, was buried in Norland cemetery, Chambersburg, on Monday. A prayer service was held in the Swarthmore Presbyterian Church simultaneously with funeral services at 1:30 p.m. in the Central Presbyterian Church, Chambersburg, which Dr. Riddle had served as pastor for 27 years prior to his retirement three years ago.

Born in Tarentum, near Pittsburgh, on May 23, 1889, Dr. Riddle was graduated from Muskingum College which later conferred an honorary degree of doctor of divinity upon him. After a short period of service with the United States Army in World War I he entered Pittsburgh Theological Seminary and the United Presbyterian Church.

He served churches in Wilkinsburg, Oakdale, New Florence, Pa. He had been moderator of the Carlisle Presbytery. Since moving to Swarthmore two years ago he had occasionally assisted nearby churches, including the Chambers Memorial Church, Rutledge, from last June until October when it was without a pastor. At the time of his death he was similarly supplying the pulpit of the Wissahickon church, Philadelphia. He had joined the Philadelphia Presbytery a month ago.

Besides his wife, the former Rachel Reynolds of Grove City whom he married in 1919, he is survived by two daughters, Mrs. Ruth Browneller of Bala Cynwyd and Mrs. Lois Johnson of Houghton Lake Heights, Mich.; a brother, Harry of Tarentum; and seven grandchildren.

Pennsylvanians bought \$32,182,369 worth of Series E and H Bonds in November, compared with \$31,998,567 a year ago.

Purchases of Savings Bonds in Delaware County were \$578,020 during November. Leroy F. F. Wright, Rose Valley, is county bond chairman.

Heads 'Special Gifts' For County Heart Fund

Paul B. Banks of Harvard avenue has been named "special gifts" chairman for the Heart Fund in Delaware County, it is announced by Mrs. Rae V. Biester, campaign chairman, Heart Association of Southeastern Pennsylvania.

Mr. Banks is associate manager of United Benefit Life Insurance Company, Philadelphia. This is the second year he has headed Delaware County's special gifts campaign in the annual February appeal for heart-research dollars.

The Swarthmorean's interest in the Heart Fund stems directly from his day-to-day contact with insurance statistics.

"Heart disease is the No. 1 killer in America," he points out, "It's the No. 1 killer of middle-aged as well as old."

The chairman is a member of the Union League and Rolling Green Golf Club. A graduate of Penn State University, he is secretary here of Delta Upsilon fraternity.

He is a member of the vestry at Trinity Episcopal Church.

In addition to golf, Mr. Banks' leisure hobby is cabinet-making. A well-stocked workshop takes up a large section of the basement, where he estimates he puts in pretty nearly six nights a week.

Mr. and Mrs. Banks have one child, Molly, now Mrs. William Patton of Haverford place.

HOW DO YOU BUY CARPET?

4. What are all these carpet sales I notice in the papers?

If you happened to look every week, you would notice sales every week. Some stores just do not advertise in any other way.

As it happens, most people just notice such ads when they themselves are looking for carpet, and to them, it looks like something special.

PAULSON keeps reduced carpet on hand at all times. These are sold at reduced prices at all times. You will find these completely competitive with anything else you may be attracted to. That is why we say:

"PAULSON can meet or beat 104 special or sale price in carpet."

**Little Garnet Splits
3-3 in League Play**

The Little Garnet made it a split of three wins against three losses Friday night in the final game of the first round of league play when it lost to a spirited Darby team 70-54. The game was much closer

than the score indicated, for it was not until a few minutes remaining in the last period before Darby pulled out from an eight-point lead to win the game going away.

During the first half the local lads had a good shooting time with Bob Kenschaft and Ron Herbster going great guns. But near the end of the half Darby came to life to cut a good lead on the part of Swarthmore to but one point. Half-time score was 32-31 in favor of the Garnet and White. The third stanza saw Darby outscore Swarthmore 22-13, and then in the last quarter, poured it on 17 to nine. The loss placed Swarthmore in fourth place behind Sharon Hill, Ridley Park, and Darby, and ahead of Yeadon, Clifton Heights, and Collingdale.

Tonight the Little Garnet takes on powerful Nether Providence in a non-league tilt. N.P. has lost two games in very strong Section III, both by two points to league leader Radnor, and to Lansdowne. N.P. features a tall, talented, and aggressive team with its defense, a pressing one, supplying much of its offense. The game, although not having anything to do with league standings, will supply both quintets with a good warm-up prior to beginning league games next Tuesday.

Swarthmore travels to Collingdale in a night game on Tuesday.

**N. Y. Chamber Soloists
To Perform at College**

**Program Will Be Held
February 5 in
Clothier**

The New York Chamber Soloists, with Adele Addison, soprano, will perform at Swarthmore College on Friday, February 5, at 8:15 p.m. They will present a program of Couperin's "Concert Royale No. 4" for flute, oboe, violin, 'cello, double-bass and harpsichord; Hindemith's "Die Serenaden, Opus 35" for soprano, oboe, viola, and 'cello; Mozart's "Quartet for Flute and Strings in D. Major, K.285"; and Bach's "Cantata No. 202", The "Wedding Cantata."

The New York Chamber Soloists, who formed in 1956, provide a balanced and unified group to perform the great chamber music which lies beyond the reach of the standard chamber music combinations. Members of the group who will perform at Swarthmore include Adele Addison, soprano; Samuel Baron, flute; Isidore Cohen, violin; Albert Fuller, harpsichord; Melvin Kaplan, oboe; Julius Levine, doublebass; Uney Lynch, viola and Gerald Tack, violin. Margaret Hillis is musical director; Sterling Hunkins, assisting artist, cello.

The program will be presented in Clothier Memorial on the campus. It is being given by the William J. Cooper Foundation, and is free and open to the public.

WOMAN'S CLUB NOTES

The art department, Mrs. Avery F. Blake chairman, will sponsor an exhibition by the Delaware County Arts and Crafts League. It is expected to be on view in the clubhouse by February 2.

On Friday, February 5, at 10 a.m. the literature department, Florence J. Lucasse, chairman, will present Mrs. Roland G. E. Ullman in a review of "Act One" by Moss Hart.

Mrs. Walter C. Giles Dies

(Continued from Page 1)
and Miss Patricia Giles of San Francisco; her mother Mrs. Charles Christie of Swarthmore; three sisters, Mrs. Valentine Zahn of New York City, Mrs. Albert Rogers and Mrs. Alexander Wylie, both of Hartford, Conn.; a brother, Allen Christie of Oaklawn, R.I., and three grandchildren, Walter Christie Giles and Paul Giles of Locksley and Andrew Blackman of Wallingford.

Although funeral arrangements had not been completed at The Swarthmorean's presstime, it was expected they would be tomorrow at Trinity Church. Interment will be in Philadelphia Memorial Park, Frazer. The family requests that, in lieu of floral tributes any friends who so desire may contribute to the Trinity Church building fund.
