School Bd. Calls Public Meeting To Discuss District Reorganization

"School District Reorganization" is the subject of a public meeting called by the Swarthmore-Rutledge School Board for Thursday, January 16, at 8 p.m. in the High School auditorium, College Avenue.

At that time the board will explain the position it will take in conference with the County School Board later in January. Opportunity will be provided also for expressions of opinion and questions from the floor.

The County Board is required to submit to the State Council of Basic Education before July 1, 1964 a plan of school district reorganization in compliance with the revised law, Act 289, signed by the Governor last August.

The intent and general provisions of this law do not differ greatly from those of Act 561, which it replaces, except in a few significant respects.

The 4,000 pupil minimum goal has been retained, but possible exceptions now include "capability of providing a comprehensive program of education" and other considerations.

A school district which feels aggrieved by its position in the plan adopted by the County Board may file its objections to the plan to the Department of Public Instruction.

Further appeal may be taken to the State Board of Education after the Council of Basic Education has approved the plan. Following a hearing, the State Board will either approve the plan as submitted or direct that it be amended.

Colonial Williamsburg Topic For Clubwomen

The Woman's Club of Swarthmore will resume activities after the Christmas recess on Tuesday, January 7, at 2 p.m. Mrs. David Holmes, from the staff at Colonial Williamsburg, Va., will present a slide commentary on that historical site. The program promises an afternoon of nostalgia for those club members who have been to Williamsburg.

Scott To Address Presbyterians

Dr. Kenneth M. Scott, Presbyterian physician and surgeon in Korea for the past 10 years and newly appointed director of the Christian Medical College and Hospital in Ludhiana, Punjab, India, will address the Wednesday luncheon meeting of the Presbyterian Women's Association.

Dr. Scott, a graduate of the University of Pennsylvania Medical School, went to Korea in 1952 assigned to the Presbyterian Hospital in Taegu where Mrs. Scott, R.N. joined him in 1954. In Taegu he worked closely with the Korean Amputee Rehabilitation Project, the leprosy hospital and a children's hospital.

In 1958 he was transferred to the Severance Union Medical Center in Seoul where he also directed the Yonsei Medical Center, the Korean Church World Service Tuberculosis Control Project.

The new assignment to Ludhiana to begin in February, 1964, offers Dr. Scott new challenges.

The Medical College was founded in 1894, became co-educational in 1953 and was upgraded to confer the M.B., B.S. degree (same as M.D. degree in U.S.A.). It now enrolls over 300 medical students from all over India. Its nursing school has 200 student nurses. The new Brown Memorial Hospital has a present capacity of 450 beds and a projected additional 100.

Dr. Scott was born in China, the son of Presbyterian missionaries. He received his secondary education in the school for missionary children in Pyongyang, Korea, and at Stony Brook Preparatory School, Stony Brook, New York.

In 1937 he was graduated from Davidson College, Davidson, North Carolina. He then began the study of medicine at the University of Pennsylvania Medical College, Philadelphia, and received his M.D. degree in 1941.

The next year he served an internship at Presbyterian Hospital, Philadelphia.

At this point his training was interrupted by his military service. He served as a medical officer of the U.S. Army and helped to train medical units of the Chinese army in India. In 1943 he was flown to China to help open a refresher school for Chinese medical officers and then continued in service as a surgeon with the Chinese army. On discharge from the U.S. Army he returned to the University of Pennsylvania for special study of surgery and fulfilled residencies in surgery at the University of Pennsylvania Hospital and Hahnemann Hospital in Philadelphia.

SHS GARNETS WIN THREE

The Swarthmore High School basketball team bounced back from two straight defeats to three straight victories to bring their record to 4 and 2.

In the last game before the holidays the little Garnet defeated Collingdale by the count of 59 to 47. Russ Jones, Co-captain Steve Belk and Jerry Stauffer led the scoring with 17, 10, and 10 points respectively. Jones, playing a good all around game also led the rebounders with 16, and with the help of Belk and John O'Neill controlled both backboards.

The outcome of the game was not decided until the last quarter when the Colts came as close as 4 points. At this time Dick McCurdy entered the game to spark the fast break and score 8 to put the Garnets out in front to stay.

In the first round of the Kiwanis tournament the little Garnet started out with an aggressive defense and a smooth shooting offense and ended the first half against Media with a 40 to 13 bulge.

Russ Jones again paced the first half attack with his powder puff shooting from the shoulder. With Coach Don Henderson clearing the bench the Garnet team won out by the score of 71 to 58. Scorers for the game were:

Jones 16, Jerry Stauffer 14, Steve Belk 12, John O'Neill 8, Bob Williams 7, Frank Pierson 6, Bunky Solls 4, Russ Lewis and Van Jones 2 each. Other boys who saw action were Jon Speers, Mark Good, and Dick McCurdy.

The Alumni game was a thriller down to the last second with many familiar names in the line up. The High School team won out by the score of 84 to 72 with Captain Steve Belk (27 points) and Russ Jones (22 points) leading the way. Every member of the Alumni team broke into the scoring column: Bob Bennett 16, Roger Anthony 10, Terry Intis 10, Ron Hoge 9, Jim Meyers 5, Butch Hofmann 4, Bob Dawes 4, Burke Jackson 3; Ralph Kietziel, Mal Anthony, Rob Jarrett, Jerry Clothier, Dick Jackson, all with 2; and Graham Patterson 1.

LEAGUE SET UNIT MEETINGS

LEGISLATIVE ACTION IS DISCUSSION TOPIC

Mrs. Donald L. Dye, member of the board of directors of the Swarthmore League of Women Voters and chairman of Legislative Action, is in charge of program for the January unit meetings. The topic will be "How You and the League Influence Legislative Action."

Units will discuss how the League must work itself as well as cooperate with others to promote legislation which the League supports.

A second aspect of the same topic will be examination of how the League can take information to the public concerning issues which have been studied by the League and on which it has then taken a position. In this regard the subject matter to be considered will be school reorganization.

Mrs. Dye urges that members make an extra effort to attend a unit meeting.

Mrs. Bassett Ferguson, Jr., Units Coordinator, wishes to call the attention of all members to changes in the usual meeting dates and/or places for January due to the holidays. January units, therefore, will meet as follows:

The morning unit meets on Thursday, January 9, at 9:30, at the home of Mrs. W. Alfred Smith, 25 Amherst Avenue; the afternoon unit on Monday, January 13, at 1 p.m., at the home of Mrs. Dye, 104 South Princeton Avenue; the evening unit on Monday, January 13, at 8 p.m., at the home of Mrs. R. C. Good, Jr., 10 Wellesley Road.

Mrs. Ferguson points out that the new member series ended in December and asks all new members to attend one of these three units, selecting that which best suits them.

JRS. TO MEET JANUARY 7TH

The Swarthmore Junior Woman's Club will have its first meeting of the new year on Tuesday, January 7, at 8 p.m. The Bell Telephone Company will present a lecture and film about "Telstar," our first communications satellite.

Church Shares Gift

The new Methodist Church carillon, presented under the leadership of an anonymous donor, added greatly to the Christmas joy of people living, working, shopping, visiting within range of the melodious carols it rang forth even the day after Christmas.

Chiming of daytime hours and a hymn, which I heard later in the week, brought me to mind a gift that will cheer untold numbers for years to come—extending the Christmas spirit the year around. To "Anonymous Donor", on behalf of all who enjoy his gift, I say a most heartfelt "THANK YOU!"

SHS GARNET PLAYS MEDIA TONIGHT

VOLUME 36 - NUMBER 2

GARNET TO FACE MEDIA TONIGHT UPSET N.P., LOSE TO SUN VALLEY

The Swarthmore High School basketball team established themselves as a threat for the Section Three title this past week. Last Friday before a capacity crowd, the Garnets topped the highly rated visiting Nether Providence team by a 65 to 60 score. One week before this game N.P. had eliminated the Garnet from the Kiwanis tournament by the score of 68 to 54.

The Swarthmore boys determined to reverse this decision played as a winner from the first tip to the last horn. With Jerry Stauffer breaking the N.P. press and Steve Belk hitting on his jumper, the home team boys pulled away to a 14 point lead at half time. Big John O'Neill led the rebounders with 20 and chipped in 13 timely points. Steve Belk hit for 26 and Jerry Stauffer's 20 points led the offensive attack. Frank Pierson added 4 and Russ Jones 2. Bob Williams and Bunky Solt also saw action.

Although Steve Belk scored 30 points Swarthmore went down to defeat by the hands of Sun Valley, another Section Three power by the score of 72 to 59. High scoring Paul Bartkow paced Sun Valley's attack with 30 points.

Tonight Swarthmore plays host to the visiting Media team. Coach Don Henderson and the boys on the team feel that this is a "must" game for the Garnets in their race for the Section Three pennant. The JV game will begin at 6:45.

The opinions expressed below are those of the individual writers. All letters to The Swarthmorean must be signed. Pseudonyms may be used if the writer is known to the Editor. Letters will be published only at the discretion of the Editor.

To the Editor:

The League of Women Voters urges all citizens to attend the meeting called by the School Board on January 16th. The School Board is interested in the expression of any and all opinions on the subject of school reorganization and the public has not only the right but the responsibility to avail themselves of this opportunity.

While the Swarthmore League has no position on the specific issue of "quality exemption" for the Swarthmore School District, we ARE interested that the public participate as fully as possible in an informed decision. To this end the League has prepared a brief fact sheet on the School Reorganization Law and urges anyone interested in obtaining this fact sheet before the meeting on the 16th to contact Mrs. D. L. Dye (KI 4-0783), 104 South Princeton avenue. These factual background sheets are also available to all League members through their Units.

Sincerely,

RESEARCH BOARD HONORS BEAGLE

Charles Beagle of South Plainfield, N. J., son of Mrs. Ella Beagle of South Princeton avenue, has been made an associate of the Highway Research Board of the Division of Engineering and Industrial Research, National Academy of Sciences-National Research Council.

The township engineer in Woodbridge, N. J., Mr. Beagle was honored recently as a result of a new road construction technique he has developed in Woodbridge, which reportedly saves time and money and results in stronger roads.

Mr. Beagle says the new method provides streets 12 percent stronger for less money than the conventional method. The new technique permits paving of a 1,500-foot street in a maximum of three days; the conventional method for the same job would take from seven to 10 days. Another advantage, he said, is that vehicles may use the street while it is being paved.

BE PREPARED ARC ADVISES

"Everyone has heard stories about people being stranded at home during a severe snowstorm," notes Lee Gatewood, local Red Cross Disaster Services chairman. "Just a few years ago," he recalls, "heavy snows left many homes in this area without heat or electricity, and families were snowbound at home for a day or more.

"Snowstorms can strike city homes as heavily as those in rural areas, and families can find themselves without means to cook, receive heat, and communicate with the outside world," Gatewood continued. "As a precaution, every family should stock its home with enough canned and non-perishable foods and water to last for at least three days. It is also wise to have some type of emergency kitchen on hand, such as a portable stove, as well as flashlights, fire extinguishers, portable radios with extra batteries, and a first aid kit," he added.

Gatewood advised all families to listen to portable radios during and after the snowstorm for information, including notices of the opening of Red Cross emergency snowstorm shelters, usually in a local school or church. These shelters are primarily to help persons forced to abandon their homes temporarily due to lack of heat and electricity. Families going to a nearby shelter are asked to take their own food, blankets, pillows and clothing, if possible, since the storm might prevent shipping in such supplies from outside.

"Rural families and families unable to get to the shelter should review Civil Defense distress signals to notify rescue planes of their needs," Gatewood said. Each signal should be at least eight feet long and two feet wide and can either be stamped in the snow or made of brightly colored fabric and laid in the snow. The signals are: I (need doctor), F (need food and water), L (need oil and fuel), W (need engineer), H (need hay), C (need poultry food), LL (all well).

RIDE IN '1964'

Santa returned a couple of days after Christmas to deliver a gift to Swarthmore police from borough taxpayers: a 1964 model black patrol car with white roof to match the other new car received last summer. The white roofs are not "just for fashion," says Chief Elmer Zebly, "they reflect the heat and keep patrolmen cooler while touring streets in hot summer sun."

The opinions expressed below are those of the individual writers. All letters to The Swarthmorean must be signed. Pseudonyms may be used if the writer is known to the Editor. Letters will be published only at the discretion of the Editor.

To the Editor:

The League of Women Voters urges all citizens to attend the meeting called by the School Board on January 16th. The School Board is interested in the expression of any and all opinions on the subject of school reorganization and the public has not only the right but the responsibility to avail themselves of this opportunity.

While the Swarthmore League has no position on the specific issue of "quality exemption" for the Swarthmore School District, we ARE interested that the public participate as fully as possible in an informed decision. To this end the League has prepared a brief fact sheet on the School Reorganization Law and urges anyone interested in obtaining this fact sheet before the meeting on the 16th to contact Mrs. D. L. Dye (KI 4-0783), 104 South Princeton avenue. These factual background sheets are also available to all League members through their Units.

Christmas Cheer Boosts Patients

An outpouring of Christmas cheer from individuals and community organizations is giving the holiday season an added glow for patients at Taylor Hospital in Ridley Park.

A large three-foot wreath of greens and cones hung in the main lobby of the hospital, a special creation of the Random Garden Club of Swarthmore.

Small trees with hand-made decorations, Santa Clauses, angels and assorted tray decorations and favors were brought in by Scout troops and other youth organizations.

Carol singing resounded throughout the corridors for several days. Among the participating groups were:

Cub Scout Pack 45; the Luther League of the Woodlyn Lutheran Church; the Breckridge Ski Club; Youth for Christ and the Glenolde Congregational Church.

The hospital's board and administrators have also given patients a lasting gift this Christmas season. A stand-by electric service has been installed at a cost of approximately \$15,000. If an accident should cause a cut off of service on the original electric line which comes in from Chester Pike, the new line, coming to the hospital from a sub-station on MacDade Boulevard, is automatically switched on and will continue to give Taylor full power until repairs are completed. A slight dimming of lights is the only sign of the change-over. The hospital will also keep its own generator which can provide emergency power for a limited time and use.

'Heartening Response' Heartens TB Ass'n

"Heartening response" to the Christmas Seal Sale during the past week, according to Dr. James E. Nancarrow, has brought this year's campaign to \$97,200 and "has encouraged the board and staff of the Delaware County Tuberculosis and Health Association that a greater fight against respiratory diseases can be launched in 1964."

Dr. Nancarrow who is president of the Association's Board of Directors emphasized that while there is still a \$5,000 lag in this year's sale, he is confident that "last minute contributions from loyal friends in this season of gift giving, will send it over the top."

Dr. Nancarrow explained that due to the general delay in mailing, the Christmas Seal Campaign will be extended until at least the minimum goal of \$120,000 is reached.

"Not only will Christmas Seal dollars help in the fight against TB, but against all respiratory diseases, from the common cold to fatal lung disorders as emphysema," Dr. Nancarrow said.

"Our budget for 1964 must be larger than before, in order to hold the gains already made against chest disease, diabetes and other allied ailments.

Mr. Michael Fairbanks of Village Green, son of Mr. and Mrs. Anthony Fairbanks of Yale Avenue and a junior at West Chester College, has returned to classes following the Christmas vacation.

CLINIC MOVES TO NEW HOME

Transfer To \$180,000 Building Made Dec. 30

It was moving day last week for the Child Guidance Clinic of Delaware County. This Clinic which treats the emotionally disturbed children of our county moved on December 30 from its outgrown quarters over the Media Library to its new \$180,000 building on the corner of Sixth and Olive streets in Media.

The new building, which was designed by the architectural firm of Carroll, Grisdale & Van Allen of Philadelphia, and built by William H. Gill, Jr., contractors, is a dream come true to the Board of Directors and the members of the Auxiliary Board who have worked on every imaginable fund raising project for the past few years.

The Child Guidance Clinic is a United Fund Agency. Operating expenses are provided by the United Funds of Philadelphia and Chester, by monies from the State and the County and by patients' fees.

Funds for the building expenses came from many generous sources. Individuals contributed \$46,000; foundations \$49,000; industry \$17,000; Board and Auxiliary Board Benefit activities \$13,000 and interest \$2,900. It has been necessary to borrow \$93,000.

The furniture and equipment of the Therapeutic Nursery Unit of the Clinic which has been operating in the Chester Branch was moved in one picturesque truck load to its new home in the new building in Media.

Swarthmore high school boys helped the Nursery Supervisor Mrs. Pemberton Dickson, and Mrs. Edward Costell and Mrs. W. Barlow Patton, auxiliary board members who were in charge of the Nursery Unit move. The boys were Ned Costell, Doug Gill, Sam Hopper and Bill Allen.

SCCA SPONSORS STUDY GROUP

The Swarthmore Committee for Conservative Action is again sponsoring a study group on anti-Communism. The first meeting was held in Legion Room of the Swarthmore Borough Hall Wednesday at 8 p.m.

The interest shown by former study groups, which met last summer and during the fall, for the eight week study course, has prompted the Swarthmore Committee for Conservative Action to plan for the present course. Mrs. J. F. Gaskill is available at KI 3-7557 for further information.

ANNOUNCE COLLEGE CAPTS., AWARDS

The 1963 Fall sports program of Swarthmore College closed with the election of next year's team captains and the announcement of individual award winners.

Elected as co-captains of next year's football team are Stephen Jacobson and Howard (Hap) Peelle. Jacobson is an end and defensive linebacker from West Pottstown, Pa., while Peelle is a halfback and flanker from Roslyn, N. Y. The soccer team elected David Rowley and Richard Snyder as its co-captains, and the Cross-Country team chose Thompson Webb, III. Rowley comes from Fort Washington, N. Y.; Snyder, from Hudson, O.; and Webb, from Madison, Wis.

The Denton Trophy, awarded annually to the football player who best exemplifies the Denon spirit of aggressiveness and fair play was presented this year to senior tri-captain William Jewett of Newtown Square. The Palmer Trophy, awarded each year to the most improved player on the football team, went to sophomore center Stephen Gessner, from New York, N. Y. The Wright Trophy, awarded to the player or players who show the most spirit of leadership and sportsmanship in the annual Swarthmore-Haverford game, was awarded to end Stephen Jacobson.

Senior guard Russell Roy of Winter Park, Fla., was chosen as the squad's Unsung Hero, and was so honored by the Maxwell Club of Philadelphia. The Trophy honoring the Most Valuable Player on the soccer team, presented by the Swarthmore Athletic Club, was awarded to Clement Dossa, a sophomore from Save, Dahomey, West Africa.

Most Happy Fella To Open Monday Musical Features Rose Valley Chorus

The January production at the Players Club will be "The Most Happy Fella." The book, music and lyrics are by Frank Loesser. The performance is under the direction of Andre Pollock, Henri Elkans musical director, Claire Holmetron is choreographer; and Thelma Crow is accompanist. The cast and chorus are members of the Rose Valley Chorus.

"The Most Happy Fella" is a simple story of love - the love of Tony, a middle-aged grape farmer from the Nappa Valley and his Rosabella, a young waitress from San Francisco. A love threatened by Tony's possessive sister, Marie, and by Rosabella's brief, terrible surrender to Tony's foreman, Joe.

The more than 40 songs include "Standing on the Corner," "Bid D," "Somebody Somewhere" and "My Heart is So Full of You."

The players are familiar to club audiences. Florence Pollock appears as Rosabella, Robin Bonler as Cleo, Dave Getty as Tony, Jay Nixon as Joe, and many more.

January 13 through 18 are production nights. Curtain time is 8:20.

HEART ASSOCIATION OFFERS SNOW ADVICE

Snow-white, fluffy, and beautiful - can be dangerous for you this winter. And, like any danger, it must be handled with care and caution, according to the Heart Association of Southeastern Pennsylvania.

Each shovelful of snow weighs about four pounds, which makes shoveling ten loads per minute the equivalent of walking up three flights of stairs in the same period of time. If the snow is wet, and it usually is, it makes the job equal to seven flights within the one minute.

The warnings add up to the following: most of us do not realize just how strenuous snow shoveling is and how much a demand it places on the heart. There are precautions which can help protect against heart strain, and we should abide by them:

1. Spray the shovel with a silicone lubricant to make sure snow doesn't stick to it;
2. Lift the shovel with the entire body, not with the arms alone;
3. Shovel before eating, or wait for at least an hour after eating;
4. Stop, rest, chat with a neighbor, keep him from over-doing it too.

Christmas Cheer Boosts Patients

An outpouring of Christmas cheer from individuals and community organizations is giving the holiday season an added glow for patients at Taylor Hospital in Ridley Park.

A large three-foot wreath of greens and cones hung in the main lobby of the hospital, a special creation of the Random Garden Club of Swarthmore.

Small trees with hand-made decorations, Santa Clauses, angels and assorted tray decorations and favors were brought in by Scout troops and other youth organizations.

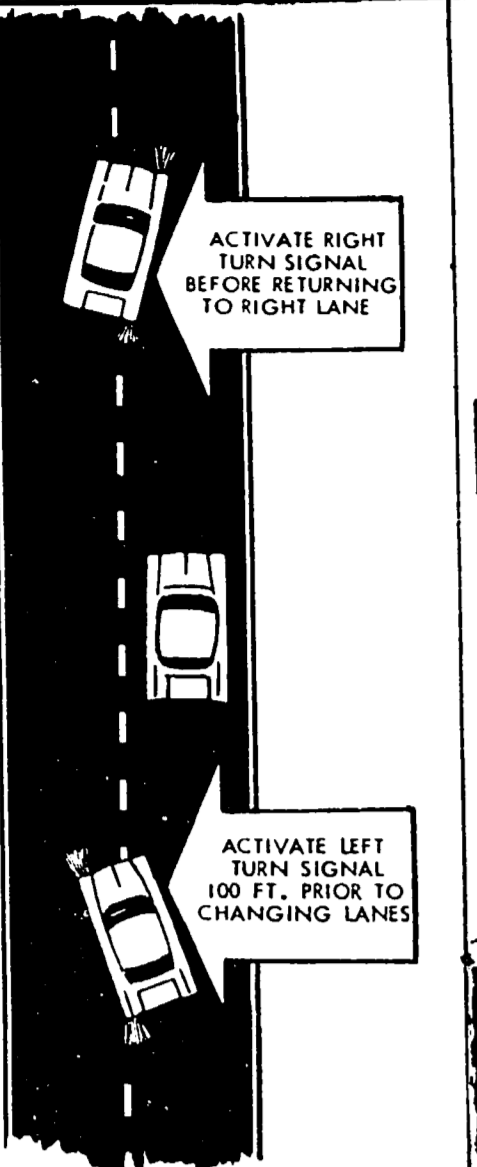

Carol singing resounded throughout the corridors for several days. Among the participating groups were: The Cub Scout Pack 45; the Luther League of the Woodlyn Lutheran Church; the Breckridge Ski Club; Youth for Christ and the Glenolend Congregational Church.

The hospital's board and administrators have also given patients a lasting gift this Christmas season. A stand-by electric service has been installed at a cost of approximately \$15,000.

CLINIC MOVES TO NEW HOME Transfer To \$180,000 Building Made Dec. 30

It was moving day last week for the Child Guidance Clinic of Delaware County. This Clinic which treats the emotionally disturbed children of our county moved on December 30 from its outgrown quarters over the Media Library to its new \$180,000 building on the corner of Sixth and Olive streets in Media.

The new building, which was designed by the architectural firm of Carroll, Grisdale & Van Aken of Philadelphia, and built by William H. Gill, Jr., contractors, is a dream come true to the Board of Directors and the members of the Auxiliary Board who have worked on every imaginable fund raising project for the past few years.

The Child Guidance Clinic is a United Fund Agency. Operating expenses are provided by the United Funds of Philadelphia and Chester, by monies from the State and the County and by patients' fees.

Funds for the building expenses came from many generous sources. Individuals contributed \$46,000; foundations \$49,000; industry \$17,000; Board and Auxiliary Board Benefit activities \$13,000 and interest \$2,900. It has been necessary to borrow \$53,000. The furniture and equipment of the Therapeutic Nursery Unit of the Clinic which has been operating in the Chester Branch was moved in one picturesque truck load to its new home in the new building in Media.

Swarthmore high school boys helped the Nursery Supervisor Mrs. Penberton Dickson, and Mrs. Edward Costlett and Mrs. W. Barlow Patton, auxiliary board members who were in charge of the Nursery Unit move. The boys were Ned Costlett, Doug Gill, Sam Hopper and Bill Allen.

HEART ASSOCIATION OFFERS SNOW ADVICE Show-white, fluffy, and beautiful - can be dangerous for you this winter. And, like any danger, it must be handled with care and caution, according to the Heart Association of Southeastern Pennsylvania.

Each shovelful of snow weighs about four pounds, which makes shoveling ten loads per minute the equivalent of walking up three flights of stairs in the same period of time. If the snow is wet, and it usually is, it makes the job equal to seven flights within the one minute.

The warnings add up to the following: most of us do not realize just how strenuous snow shoveling is and how much a demand it places on the heart. There are precautions which can help protect against heart strain, and we should abide by them:

- 1. Spray the shovel with a silicone lubricant to make sure snow doesn't stick to it;
2. Lift the shovel with the entire body, not with the arms alone;
3. Shovel before eating, or wait for at least an hour after eating;
4. Stop, rest, chat with a neighbor, keep him from over-doing it too.

Local Rotarians had an unexpected lesson in "positive thinking" by a noted master on the subject, Dr. Norman Vincent Peale, Friday at the Inglenook.

Dr. Fred W. Druckenmiller of Morganwood, the day's scheduled speaker was happy to suddenly postpone his talk for one week and attend as a listener on Friday.

Through amusing personal experiences Peale traced his own struggle from a hapless college youth to the editor of "the greatest interfaith magazine ever developed in this country," Guideposts.

DO YOU KNOW? Pennsylvania motorists, as of about 8:30 Friday evening (Jan. 3) have paid as much gasoline tax - just within the first 68 1/2 hours of 1964 -- as the total amount once collected in this state in an entire year.

This statement was made by Frank J. Bowden, Jr., executive director of the Associated Petroleum Industries of Pennsylvania, based on present estimates that Pennsylvania highway users will pay \$399.8 million in 1964 under the State's 7-cent gasoline tax and the 4-cent Federal tax -- or an average of \$1,092,275 per day.

Noting that \$3,112,000 was the total gas tax revenue collected in Pennsylvania in 1922, the first full year of motor fuel taxation in this state, Bowden said the total amount estimated for 1964 is 128 times as great, although vehicle registrations in the state have increased to no more than six times the 1922 total.

"The biggest factor," he said, "is today's combined tax rate on motor fuel in Pennsylvania, which is 11 times the original one-cent rate -- a tax

rate which now adds more than 60 percent to the real price of regular-grade gasoline in this state."

Bowden noted that during the years in which gasoline tax rates here had been increased by 1,000 percent, the actual price of gasoline (excluding taxes) declined 35 percent. "Last year," he said, "Pennsylvania motorists were paying an average price of less than 18 cents a gallon for motor fuels far superior in quality and performance to the so-called 'regular' of 1921, which then averaged 27 cents a gallon."

Pointing out that state and federal gasoline tax collections last year amounted to "well over \$6 billion nationally" -- and that Pennsylvanians now are paying these taxes to the tune of an average \$81.49 a year per vehicle -- Bowden concluded:

"All too often gasoline tax increases have been thought of merely in terms of 'pennies' per gallon. Today all those 'penny' increases have combined to cause motor fuel to be -- dollarwise -- the most heavily taxed product on the market."

HARRY SMITH HEADS COUNCIL Reorganization Meeting Held Monday Night

The Swarthmore Borough Council Reorganization Meeting held on Monday evening was just an hour long with all present despite the snowstorm. Sworn in to their second terms were D. Mace Gowing and Herman Bloom. Also sworn in were the new member of Council Lucian Burnett and Gordon Bretschneider as Auditor. Mayor Thatcher presided. Harry Smith was elected President of Council and Robert Wilson was re-elected Vice-President. The following people were appointed to various committees:

Collins S. Keller, Jr., five year term on the Planning Commission; George M. Ewing three years on the Board of Adjustment; A. Sidney Johnson, Jr., six years Civil Service; Walker Penfield three years on the Tree Committee; Mrs. Peter E. Told two year term on the Library Board, and John Schumacher Collector of Sewer Rates.

Dr. Edward K. Cratsley, Finance Chairman, stated that "Swarthmore would obviously have to have a reasonable tax adjustment of 1/2 to 1 mill this year" which would be occasioned by such things as the Michigan avenue curbing and sidewalks; improved street lighting; increase in garbage collection costs; and the improved personal benefits.

Cratsley stated the tentative budget represents a \$12,000 deficit in operating expenses which would mean a mill and a half more than present taxes would be needed. However, an accumulation equivalent to 1/2 mill was built up during the past year and this would enable them to keep the tax increase to not more than one mill, he felt. He hoped to have the budget in final form and place it on public view for 10 days before the next meeting.

Councilman William G111 stated that they would improve the street lighting from 600 Lumen to 400 and re-locate eight of them and this will result in an annual cost of \$15,589, which is an increase of \$8507. over the lighting now used.

John Logue of Yale avenue and three other residents Joel Bloom also of Yale avenue, Walter Larson and Daniel Goldwater of Rutgers avenue attended the meeting to ask Council and the Planning Commission to suggest some alternate use to which the Gregory Body Shop could be put which would still be commercial. Council replied that they thought the business run there was a continuation of non-conforming use to which the building has been used and the residents had not established a case with their complaints against the noise and that they were entitled to file a complaint in equity in the Courts if they wanted to do so.

They announced the subdivision of the Freedley property into three lots which had been approved by the Planning Commission and Council. Three dogs had been picked up by the dog catcher.

Students Get Zeroes Assistant William Reese stated that the 24 to 30 students who walked out of Tuesday morning classes in protest of the school not being "closed on account of snow" would receive zeros for the work that they missed and not be permitted to make it up.

'Lanny' Douglass Service Held Ninth Grader Dies Following Fall Jan. 2

A memorial service was held at 3 p.m. Monday in Swarthmore Friends Meeting House for Walter Landon Douglass, 3rd, who died suddenly in Taylor Hospital Thursday afternoon of last week. Interment was in Arlington Cemetery, Drexel Hill.

Authorities said death was due to complications following an accident on January 2 in which he sustained a broken right leg. He fell from the third floor roof of his home at 230 Park avenue after climbing out a window while playing hide and seek with several other ninth grade boys.

His step-mother Mrs. Edith Farley Douglass, drove into the dugway just after the accident happened. She had been marketing for an ill neighbor. She telephoned a doctor and with the assistance of her children, David and Eleanor Spackman, who made a Scout stretcher from a neighbor's car blanket, managed to get the boy into the family station wagon and to the hospital. David had been playing with model trains in the basement and rushed outside when he heard Lanny screaming after the fall.

Survivors also include the father, W. L. Douglass, Jr., a marketing representative with the textile fabrics department of the duPont Company, and a half-brother and half-sister, Eugene and Ann Douglass.

Born 14 years ago in Coatesville while his father was a Lukens Steel Company supervisor, Lanny was the son of Margaret Brown Douglass, daughter of Mr. and Mrs. Harry F. Brown of Wallingford. The family lived in Seaford, Del., from 1950 to 1954. His mother died of nephritis in November, 1954. His paternal grandmother is Mrs. Walter L. Douglass of New London, Conn.

Lanny attended First Day School at Swarthmore Friends Meeting and was a member of the Indians, Little League and the Pirates, Teener League baseball teams.

DO YOU KNOW?

Pennsylvania motorists, as of about 8:30 Friday evening (Jan. 3) have paid as much gasoline tax - just within the first 68 1/2 hours of 1964 -- as the total amount once collected in this state in an entire year.

This statement was made by Frank J. Bowden, Jr., executive director of the Associated Petroleum Industries of Pennsylvania, based on present estimates that Pennsylvania highway users will pay \$399.8 million in 1964 under the State's 7-cent gasoline tax and the 4-cent Federal tax -- or an average of \$1,092,275 per day.

Noting that \$3,112,000 was the total gas tax revenue collected in Pennsylvania in 1922, the first full year of motor fuel taxation in this state, Bowden said the total amount estimated for 1964 is 128 times as great, although vehicle registrations in the state have increased to no more than six times the 1922 total.

"The biggest factor," he said, "is today's combined tax rate on motor fuel in Pennsylvania, which is 11 times the original one-cent rate -- a tax

raise which now adds more than 60 percent to the real price of regular-grade gasoline in this state."

Bowden noted that during the years in which gasoline tax rates here had been increased by 1,000 percent, the actual price of gasoline (excluding taxes) declined 35 percent. "Last year," he said, "Pennsylvania motorists were paying an average price of less than 18 cents a gallon for motor fuels far superior in quality and performance to the so-called 'regular' of 1921, which then averaged 27 cents a gallon."

Pointing out that state and federal gasoline tax collections last year amounted to "well over \$6 billion nationally" -- and that Pennsylvanians now are paying these taxes to the tune of an average \$81.49 a year per vehicle -- Bowden concluded:

"All too often gasoline tax increases have been thought of merely in terms of 'pennies' per gallon. Today all those 'penny' increases have combined to cause motor fuel to be -- dollarwise -- the most heavily taxed product on the market."

'Lanny' Douglass Service Held

Ninth Grader Dies Following Fall Jan. 2

A memorial service was held at 3 p.m. Monday in Swarthmore Friends Meeting House for Walter Landon Douglass, 3rd, who died suddenly in Taylor Hospital Thursday afternoon of the accident. He had been in the hospital for several days. He was 16 years old and lived at 290 Park Avenue after climbing out a window while playing hide and seek with several other ninth grade boys.

His step-mother Mrs. Edith Farley Douglass, drove into the driveway just after the accident happened. She had been marketing for an ill neighbor. She telephoned a doctor and with the assistance of her children, David and Eleanor Spackman, who made a Scout stretcher from a neighbor's car blanket, managed to get the boy into the family station wagon and to the hospital. David had been playing with model trains in the basement and rushed outside when he heard Lanny screaming after the fall.

Survivors also include the father, W. L. Douglass, Jr., a marketing representative with the textile fabrics department of the duPont Company, and a half-brother and half-sister, Eugene and Ann Douglass.

Born 14 years ago in Coatesville while his father was a Lukens Steel Company supervisor, Lanny was the son of Margaret Brown Douglass, daughter of Mr. and Mrs. Harry F. Brown of Wallingford. The family lived in Seaford, Del., from 1950 to 1954. His mother died of nephritis in November, 1954. His paternal grandmother is Mrs. Walter L. Douglass of New London, Conn.

Lanny attended First Day School at Swarthmore Friends Meeting and was a member of the Indians, Little League and the Pirates, Teener League baseball teams.

John Logue of Yale Avenue and three other residents Joel Bloom also of Yale Avenue, Walter Larson and Daniel Goldwater of Rutgers Avenue attended the meeting to ask Council and the Planning Commission to suggest some alternate use to which the Gregory Body Shop could be put which would still be commercial. Council replied that they thought the business run there was a continuation of non-conforming use to which the building has been used and the residents had not established a case with their complaints against the noise and that they were entitled to file a complaint in equity in the Courts if they wanted to do so.

They announced the subdivision of the Freedley property into three lots which had been approved by the Planning Commission and Council. Three dogs had been picked up by the dog catcher.

Truth Disperses Fear Ziegenhagen Says

Fear can be conquered by turning wholeheartedly to God, divine Mind, for direction and action, Otto G. Ziegenhagen of Chicago told a large audience here Sunday.

"When we are conscious of the infinitude of Mind, and its spiritual ideas, there is nothing to fear," Mr. Ziegenhagen declared.

A member of The Christian Science Board of Lectureship, he spoke at the invitation of First Church of Christ, Scientist, Swarthmore, in Clothier Memorial on the subject "How Christian Science Destroys Fear," Mrs. Frances C. Y. Voigt, second reader introduced him.

Commenting on the injustice, sin, disease, and threat of war that confront mankind today, the lecturer said, "All these are accompanied by a sense of fear which Truth alone can destroy."

He defined fear in terms of lack of understanding of God's almightiness, noting that fear is generally connected with the possibility of loss.

"Merely to be told to forget about fear is not enough," he declared. "We must rise above it by realizing the baselessness of anything opposed to God, who is divine Love."

Mr. Ziegenhagen, who served as a Christian Science War-time Minister, told of an experience that took place during World War II.

"The wife of a naval officer," he said, "telephoned the Christian Science War-time Minister stationed at the base, and through tears told of the routine medical examination her husband had taken. The X-rays revealed a tubercular condition. The officer was told that he would receive an immediate medical discharge from the service. Christian Science treatments were given which first handled thoughts of fear that were quite prevalent.

The Minister voiced and held to thoughts about God embracing man as His likeness, where-in no shadow of doubt could enter. Within a very short time all evidence of fear had disappeared. Although the discharge papers had been duly filled out, but not delivered, a request by the officer for another examination was granted. The new X-ray pictures showed no traces of tuberculosis, a fact which astonished the medical men, for all the previous pictures revealed a tubercular condition. The hospital records showed that this was the first time medical discharge papers had been cancelled after being duly filled out and signed."

He also described the healing, through prayer, of a child who was not expected to survive a kidney disorder and uremic poisoning.

"Christian scientific practice begins with Christ's keynote of harmony, 'Be not afraid!'" the lecturer said, quoting from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Complete immunity from fear and bondage is gained through spiritual understanding of the true nature of God and man, he stated.

"As we are conscious of God and His perfect man, right here and now, we can apply this truth to a human experience, whether it be fear, sickness, or sin, and this results in Christian Science healing," he told his audience.

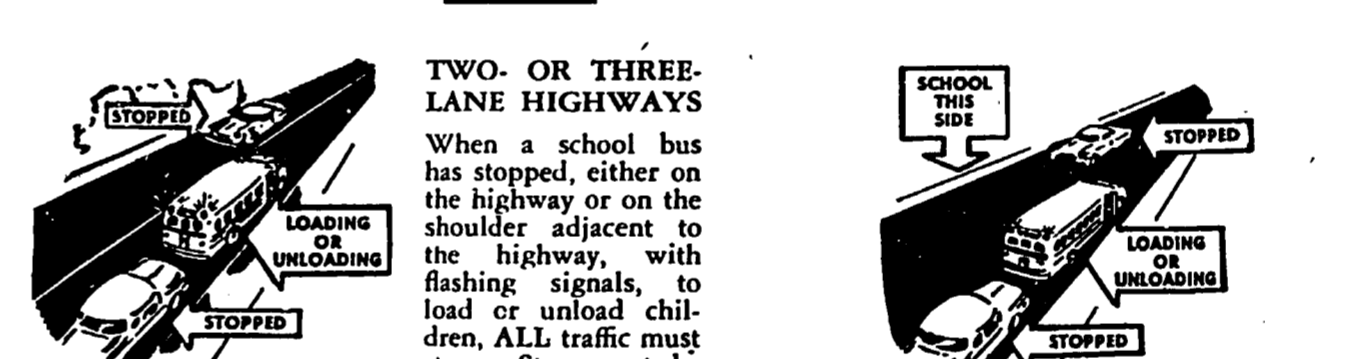

He explained that healing in Christian Science requires spiritual activity.

"Stickness is healed," he said, "by turning thought wholeheartedly to God, good, the only creator, and realizing that man in the likeness of God is also good and perfect as the reflection of infinite Life, Truth, and Love."

In discussing the handling of sin, he said, "Christian Science heals sin, not by merely saying one must not sin because it is evil, but by getting at the mental cause of all sin as originating in selfish motives unknown to infinite Mind. Sin is often the direct result of fear -- the sinner being afraid of the sin that uses him. This can take place only in the human mind, and the only remedy is to fill consciousness with thoughts of divine Love until the very presence of God, good, is felt."

Mr. Ziegenhagen held that all prayer will meet human needs when rightly applied. "In the Bible," he said, "Paul admonishes us to 'Pray without ceasing.' But a constant repetition of appeal without a spiritual sense of what one is repeating is of no avail. Disengagement of spiritual good must accompany all verbal prayer -- that is, we must think righteous prayer and not merely speak it. "To 'pray without ceasing' means to turn constantly to divine Mind for guidance in regard to any human suggestion or proposition that confronts us. For example, in solving a mathematical problem how constantly we must hold to the relevant mathematical principle in regard to every single proposition. We know that if just one we neglect to do so in solving a problem, the answer will be wrong. Prayer heals disease by removing the fear that produces a physical discordancy. Fear is destroyed materialism that believes in the existence of something besides God. Ignorance and fear are companions that fetter our progress. Only righteous prayer -- knowing God as Love and man as Love's fearless expression -- can destroy them."

WHEN DO YOU PASS A SCHOOL BUS?

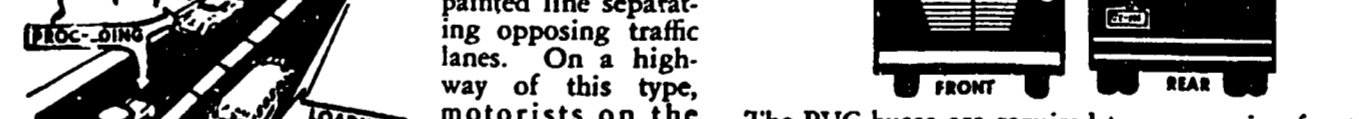

TWO-OR THREE-LANE HIGHWAYS - When a school bus has stopped, either on the highway or on the shoulder adjacent to the highway, with flashing signals, to load or unload children, ALL traffic must stop. Stop must be made not less than 10 feet from the stationary school bus.

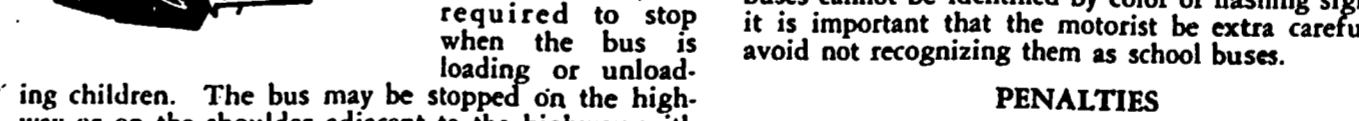

FOUR-LANE (or more) HIGHWAYS - NOT DIVIDED Same requirements as TWO-LANE HIGHWAYS. An undivided highway is a highway with paint line markings only.

FOUR-LANE (or more) HIGHWAYS - DIVIDED A divided highway is one with something other than a painted line separating opposing traffic lanes. On a highway of this type, motorists on the same side of the divider and traveling in the same direction as the bus, are required to stop when the bus is loading or unloading children. The bus may be stopped on the highway or on the shoulder adjacent to the highway with flashing signals. Traffic proceeding in the opposite direction, on the other side of the divider, may proceed at a speed not exceeding 15 miles per hour.

SCHOOL NEAR-SIDE If a school bus is stopped in front of a school building and is loading or unloading children on the same side of the street or highway as the school building, the motorists traveling in either direction may proceed at a speed not in excess of 15 miles per hour.

SCHOOL FAR-SIDE If a school bus is stopped on the opposite side of a street or highway (with flashing signals) from a school building, loading or unloading children, traffic moving in both directions must stop at least 10 feet from the school bus.

PUBLIC UTILITY COMMISSION LICENSED BUSES Section 840 of the Vehicle Code authorizes buses licensed by the Public Utility Commission (buses that are used for other than exclusively transporting school children) to be used on a school bus basis, provided they are properly identified.

PENALTIES Under the Pennsylvania Schedule of Suspensions and Revocations, the driver license suspensions that apply for illegally passing a school bus while loading or unloading (Sec. 1018) are:

- First Offense—One (1) month
Second Offense—Two (2) months

SHS GARNET WINS THRILLER
Defeat Media 43-41; Play Interboro Tonight

Last Friday night the Swarthmore High School Basketball team came from behind to defeat Media by the score of 43-41 in an overtime game. With Media controlling the ball and playing a slow deliberate game the Swarthmore boys had difficulty in getting their attack under way.

Trailing by the count of 9-7 at the end of the first quarter, 19-17 at the end of the half and 28-22 at the end of the third quarter, the Garnets finally spurred to tie the game by the count of 37-37 when the horn went off.

The great defensive play of Russ Jones, the fine play of John Speers after coming off the bench in the fourth quarter, and the shooting of Captain Steve Balk and Jerry Stauffer were the decisive features of the rallying fourth quarter.

In the beginning of the overtime Media sank two quick field goals to put the Mustangs ahead by four points with two minutes to play. Swarthmore rallied and tied the score with 10 seconds remaining in the game. After a time out was called Swarthmore passed the ball to Jerry Stauffer who had an opening from 20 feet out and hit on a one hand jump shot. Media gained possession of the ball with time running out and the real being which he taught and practiced" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 26).

"Toughed the Swarthmore team will meet league leading Interboro in a game which may decide the outcome of the Section Three race. At the present time Interboro is in first place, and Swarthmore, North Providence and Sun Valley are all tied for second.

The Garnet Junior varsity team won a decisive victory over Media by the count of 47-36 thus bringing their record up to 4-3. With Jeff Inis leading the way the Garnets roared to a 26-14 half time lead. The rebounding of Capt. Tom Topping and the fine play of Rich McKernan and How Welsh, starting the first game of the season, helped to pave the way to victory. Scoring for the game was as follows:

Ennis, 12, Welsh, 5, McKernan, 8, Topping, 9, Ed Mitchener, 6, Bill Cushing, 3, Butch Adams, 2, Ken Stead, 2. Other boys who saw action were Ron Blake, Jim Elliot, Frank Snyder, Ned Cozzatti, Lou Elverson and Ed Jackson.

COLLEGE RECEIVES \$100,000 GIFT Mellon Foundation Gives Unrestricted Gift

An unrestricted gift of \$100,000 from the Richard King Mellon Foundation toward the Centennial Objectives of Swarthmore College was announced Monday by Dr. Courtney Smith, president of the college. During the current academic year Swarthmore College is celebrating the 100th anniversary of its founding. In recognition of this occasion and in view of the importance of maintaining Swarthmore's role as one of the leaders among the liberal arts colleges, the Board of Managers of Swarthmore has launched a \$10 Million Centennial Fund campaign to which the Board itself has pledged to date over \$4,000,000.

The college intends to strengthen its potential for service by modernizing facilities and equipment to meet increased demands. President Smith has previously announced gifts assuring the building of a new library, dining hall, infirmary, and language laboratory. The college is also seeking funds to endow professorships in a variety of fields and to provide increased resources for scholarships and research projects.

The Richard King Mellon Foundation has made major grants in the field of health, education, and civic development, largely within the Pittsburgh area. In making a grant outside this primary area, the Foundation recognized the importance of Swarthmore as one of the nation's leading small liberal arts colleges, in maintaining an excellence of opportunity in education through an outstanding faculty dedicated to teaching as well as research.

A LAST LOOK AT EXEMPTIONS

Penna. CPA's Offer Income Tax Advice

The following article is one in a series of five articles on year-end tax planning prepared for this newspaper by the Committee on Taxation of the Pennsylvania Institute of Certified Public Accountants.)

In order for a taxpayer to be entitled to an exemption for dependency, the dependent must meet the tests relating to income, marital status, relationship, and support.

A question taxpayers should be asking themselves is "Have I furnished sufficient support to my dependents to be entitled to an exemption?" To meet the support test, the taxpayer must contribute more than half of the support of the dependent.

Another question taxpayers should be asking themselves is "Am I entitled to any additional exemptions for dependents?" This question should be asked by a taxpayer who is one of several persons contributing toward the support of a relative, but none of whom is contributing over half of the support of such individual.

In order for any taxpayer to be entitled to an exemption, the group of persons must provide more than half the support of the dependent, and any person who intends to claim the exemption must contribute over ten (10) per cent toward the support of such individual. Further, at the time of filing the tax return, each other person in the contributing group who contributed over ten (10) per cent of the dependent's support must furnish the person claiming the exemption with a declaration that he will not claim such individual as a dependent for the year.

Year-end tax planning should include a predetermination that the support test will be met for all exemptions to be claimed.

Three of every 100 persons in the United States are mentally retarded.

Police And Fire News

David Morrow, 19, son of Mr. and Mrs. William C. Morrow was found unconscious on the sidewalk in front of his home,

504 Riverview road, shortly before 9 a.m. Friday by a neighbor who was passing by. Taken to Riddle Memorial Hospital by Springfield ambulance he regained consciousness

within an hour and said he had apparently blacked-out from over exertion during physical exercise. It was his custom to do outdoor calisthenics and run to the school athletic field at the foot of the street and back to his home before breakfast. A freshman at the University of Pennsylvania David made ski trips to Vermont and was training for possible ski patrol work. He suffered a concussion, abrasions of the left side of the face, and loss of two teeth when his head struck the sidewalk.

Firemen were called to the home of Maurice Moore, 238 Bowdoin avenue, at 6:50 p.m. Thursday and to 98 Dartmouth avenue, home of Holman V. Jenkins, 15 minutes later. Burnt out sump-pump motors in the flooded basements of both homes occasioned the visits. Firemen cleared the dwellings of fumes. The company's own pump was later taken to the homes of several pump-less residents whose heaters were endangered by drainage from the day's heavy rains.

A Minneapolis man arrested on Baltimore pike January 4 and a West Chester man arrested at Borough Hall on the 6th and sentenced to 60 days each in the County Prison on identical charges of drunk and disorderly conduct and vagrancy.

A Ridley Township boy arrested Tuesday, January 7, for indecent exposure in the Borough was sent to juvenile court.

At 9:45 p.m. Friday, the 10th, a collision occurred at Benjamin West and Swarthmore avenues between the cars of Marsha Steigelman, Rutledge, traveling south on Swarthmore and turning right into Benjamin West and William Carruth of Elm avenue headed east on Benjamin West.

The Fire Company assisted Springfield at a fire in a pile of Christmas trees in the Morrow Quarry at 1:15 p.m. Sunday and Ridley Township at a chimney fire at 308 Lehigh circle at 5:25 p.m. Monday.

At 9:10 a.m. on Monday Bob Atz was taken from his garage at Dartmouth and Lafayette avenues to Dr. Rial to have acid removed from his eye. On Wednesday morning at 8:10 the firemen were called to The Swarthmore Office, 333 Dartmouth avenue, where a steam valve had blown off.

bachelor's and master's degree in Fine Art at the University of Pennsylvania. This will be the first public showing of her serigraphs.

MRS. LEVY HEADS HEMOPHILIA MONTH

Mrs. Melvin G. Levy, Mt. Holyoke place, will be the Swarthmore-Wallingford-Rose Valley chairman for Hemophilia Month, according to announcement made this week by Dr. Millard E. Gladfelter, president, Temple University, and general chairman for the Greater Philadelphia Hemophilia Month in February.

This year's observance of Hemophilia Month is being sponsored by the Delaware Valley Chapter of the National Hemophilia Foundation for the purpose of clarifying the many public misconceptions of hemophilia, as well as of acquainting the victims of this tragic affliction who are not familiar with the Chapter, with the assistance it makes available to them.

Free literature about hemophilia and the Chapter's services may be had upon request to the Delaware Valley Chapter, 938 Western Saving Fund Bldg., Phila., Penna., 19107.

Mrs. Levy, whose husband is a member of the Chapter's Board of Trustees, is especially anxious that all families in this area who are not registered with the Chapter, make themselves known. There are many ways in which the Chapter can be helpful to them, she says.

Penna. CPA's Offer Income Tax Advice

(The following article is one in a series of five articles on year-end tax planning prepared for this newspaper by the Committee on Taxation of the Pennsylvania Institute of Certified Public Accountants.)

In order for a taxpayer to be entitled to an exemption for dependency, the dependent must meet the tests relating to income, marital status, relationship, and support.

A question taxpayers should be asking themselves is "Have I furnished sufficient support to my dependents to be entitled to an exemption?" To meet the support test, the taxpayer must contribute more than half of the support of the dependent.

Another question taxpayers should be asking themselves is "Am I entitled to any additional exemptions for dependents?" This question should be asked by a taxpayer who is one of several persons contributing toward the support of a relative, but none of whom is contributing over half of the support of such individual.

In order for any taxpayer to be entitled to an exemption, the group of persons must provide more than half the support of the dependent, and any person who intends to claim the exemption must contribute over ten (10) per cent toward the support of such individual. Further, at the time of filing the tax return, each other person in the contributing group who contributed over ten (10) per cent of the dependent's support must furnish the person claiming the exemption with a declaration that he will not claim such individual as a dependent for the year.

Year-end tax planning should include a predetermination that the support test will be met for all exemptions to be claimed.

Police And Fire News

David Morrow, 19, son of Mr. and Mrs. William C. Morrow was found unconscious on the sidewalk in front of his home,

504 Riverview road, shortly before 9 a.m. Friday by a neighbor who was passing by. Taken to Riddle Memorial Hospital by Springfield ambulance he regained consciousness

within an hour and said he had apparently blacked-out from over exertion during physical exercise. It was his custom to do outdoor calisthenics and run to the school athletic field at the foot of the street and back to his home before breakfast. A freshman at the University of Pennsylvania David made ski trips to Vermont and was training for possible ski patrol work. He suffered a concussion, abrasions of the left side of the face, and loss of two teeth when his head struck the sidewalk.

Firemen were called to the home of Maurice Moore, 238 Bowdoin avenue, at 6:50 p.m. Thursday and to 98 Dartmouth avenue, home of Holman W. Jenkins, 15 minutes later. Burnt out sump-pump motors in the flooded basements of both homes occasioned the visits. Firemen cleared the dwellings of fumes. The company's own pump was later taken to the homes of several pump-less residents whose heaters were endangered by drainage from the day's heavy rains.

A Minneapolis man arrested on Baltimore pike January 4 and a West Chester man arrested at Borough Hall on the 6th were given hearings on the 5th and sentenced to 90 days each in the County Prison on identical charges of drunk and disorderly conduct and vagrancy.

A Ridley Township boy arrested Tuesday, January 7, for indecent exposure in the Borough was sent to juvenile court.

At 9:45 p.m. Friday, the 10th, a collision occurred at Benjamin West and Swarthmore avenues between the cars of Marsha Steigelman, Rutledge, traveling south on Swarthmore and turning right into Benjamin West and William Carruth of Elm avenue headed east on Benjamin West.

The Fire Company assisted Springfield at a fire in a pile of Christmas trees in the Morrow Quarry at 1:15 p.m. Sunday and Ridley Township at a chimney fire at 308 Lehigh circle at 5:25 p.m. Monday.

At 9:10 a.m. on Monday Bob Atz was taken from his garage at Dartmouth and Lafayette avenues to Dr. Rial to have acid removed from his eye.

On Wednesday morning at 8:10 the firemen were called to The Swarthmorean Office, 333 Dartmouth avenue, where a steam valve had blown off.

Miss DiRondolo is at present studying at the Pennsylvania Academy of Fine Arts, and has exhibited at the Philadelphia Art Alliance and the Cape May Arts Center.

Miss Camero received

bachelor's and master's degree in Fine Art at the University of Pennsylvania. This will be the first public showing of her serigraphs.

The show will close January 31.

MRS. LEVY HEADS HEMOPHILIA MONTH

Mrs. Melvin G. Levy, Mt. Holyoke place, will be the Swarthmore - Wallingford-Rose Valley chairman for Hemophilia Month, according to announcement made this week by Dr. Millard E. Gladfelter, president, Temple University, and general chairman for the Greater Philadelphia Hemophilia Month in February.

This year's observance of Hemophilia Month is being sponsored by the Delaware Valley Chapter of the National Hemophilia Foundation for the purpose of clarifying the many public misconceptions of hemophilia, as well as of acquainting the victims of this tragic affliction who are not familiar with the Chapter, with the assistance it makes available to them.

Free literature about hemophilia and the Chapter's services may be had upon request to the Delaware Valley Chapter, 938 Western Saving Fund Bldg., Phila., Penna., 19107.

Mrs. Levy, whose husband is a member of the Chapter's Board of Trustees, is especially anxious that all families in this area who are not registered with the Chapter, make themselves known. There are many ways in which the Chapter can be helpful to them, she says.

PLAYERS PRESENT 'HAPPY FELLA'

The Rose Valley Chorus joins with the Players Club of Swarthmore in presenting this month the club's 39th production "The Most Happy Fella." The Frank Loesser musical tripped over Monday night's snow drifts and missed the scheduled opener, but opened in grand style Tuesday night, instead. A relatively small audience braved subterranean temperatures to see the show and found a warm and extremely able cast, a well trained and enthusiastic chorus and a well organized orchestra. Mr. Loesser will hopefully survive the verdict issued by the Swarthmorean's "Dramat Critic" for the evening, who frankly has liked other shows better. But our critic is, just as frankly, most admiring of the cast, musicians, directors and crews.

Leading the cast is David Getty. He is tremendous - in voice, accent, and acting and makes believable this unbelievable guy Tony, that most happy fella. Florence Pollock as his Rosabella has a lovely voice and a sincerity that makes her, too, believable. Robin Bonier as Rosabella's good friend Cleo is bonny and charming, and Daniel Kirk, her Herman is smiling, happy and finally victorious in "making a list."

Helen Dunn as Tony's sister, the gossipy, unkind Marie, and Jay Nixon as his foreman Joe, although the villains of the piece, have fine voices, and Harry Rich is a tuncful and gentle doctor.

James Greene, Harry Alexander and Heyl Metzger as Giuseppe, Pasquale, and Ciccolo - the trio of chefs, are delightful. Happily, they sing "their song" more than once with a verve and zest that is a particular pleasure. Also very much with and of the cast are Robert L. Kerr as the postman, Harry Osman as the photographer, Glen Oneal as the priest, Richard L. Wexelblat as the cashier; Robert Hunn, Francis Nicholson, Richard Hammer, Adrienne Meyer, Richard Shea, Neighbor Ladies are Florence Shields, Stephanie Battey, Jeanne Walters.

Dancing Neighbors are day through Saturday of next week at the little theater on Fairview road.

City people are more likely to get tuberculosis than rural dwellers.

PLAYERS PRESENT 'HAPPY FELLA'

The Rose Valley Chorus joins with the Players Club of Swarthmore in presenting this month the club's 398th production "The Most Happy Fella." The Frank Loesser musical tripped over Monday night's snow drifts and missed the scheduled opener, but opened in grand style Tuesday night, instead.

A relatively small audience braved subterranean temperatures to see the show and found a warm and extremely able cast, a well trained and enthusiastic chorus and a well organized orchestra. Mr. Loesser will hopefully survive the verdict issued by the Swarthmorean's "Dramatist Critic" for the evening, who frankly has liked other shows better. But our critic is, just as frankly, most admiring of the cast, musicians, directors and crews.

Leading the cast is David Getty. He is tremendous - in voice, accent, and acting and makes believable this unbelievable guy Tony, that most happy fella. Florence Pollock as his Rosabella has a lovely voice and a sincerity that makes her, too, believable. Robin Bonier as Rosabella's good friend Cleo is bonny and charming, and Daniel Kirk, her Herman is smiling, happy and finally victorious in "making a fist."

Helen Dunn as Tony's sister, the gossip, unkind Marie, and Jay Nixon as his foreman Joe, although the villains of the piece, have fine voices, and Harry Rich is a tuneful and gentle doctor.

James Greene, Harry Alexander and Heyl Metzger as Giuseppe, Pasquale, and Ciccio - the trio of chefs, are delightful. Happily, they sing "their song" more than once with a verve and zest that is a particular pleasure. Also very much with and of the cast are Robert J. Kerr as the postman, Harry Osman as the photographer, Glen Oneal as the priest, Richard L. Wexelbat as the cashier; Robert Hunn, Francis Nicholson, Richard Hammer, Adrienne Meyer, Richard Shea, Neighbor Ladies are Florence Shields, Stephanie Battey, Jeanne Walters.

Dancing Neighbors are

the World's Children. Certain business and industrial trainees also qualify. It serves as a kind of U.S.O. for foreign students to entertain and be entertained. It also has an Employment and Placement Service, particularly for summer jobs while they are on their own in this country.

Virginia S. Hunn, Robert Hunn, Lorraine Clark, Francis Nicholson, Adrienne Meyer, Richard Shea, Robin Bonier, Daniel Kirk. Forming the backbone are of course, the "Singing Neighbors."

Andre Pollock is the director, assisted by Frank Grugan; musical director and conductor is Henri Elkan. Claire Holmstrom is choreographer and Thelma Crow is the chorus accompanist.

Special mention goes to Glen Oneal, Jr., the chairman of the production committee, M. Jane Smyth, set designer, and Michael Smyth, stage manager, and to all the committee chairmen and their members who have given their invaluable service to the production.

The musical continues to-night and tomorrow with 8:20 performances as the Players Club January production. The Rose Valley Chorus will be the sponsors of the show Tues-

day through Saturday of next week at the little theater on Fairview road.

LOCAL RED CROSS SEEKS VOLUNTEERS

Lists Urgent Need For Motor Service Drivers

The local Red Cross is looking for volunteers to serve the community by driving Red Cross station wagons. Retired men are lining up for this service in many communities and receiving the most interesting assignments such as meeting foreign families arriving at air ports.

"Drivers are very urgently needed in this area to drive handicapped children to clinics, to take convalescent veterans to hospitals, to transport the aged, and to deliver blood to neighborhood hospitals."

Mrs. Robert M. Grogan said that applicants for a Red Cross Motor Service position should be at least 25 years of age and hold a current Pennsylvania driver's license.

"An orientation class for new Motor Service volunteers has been scheduled for 10 a.m., Monday, February 3, in the Borough Building in Swarthmore."

"Motor Service drivers have the opportunity to fill interesting assignments while doing a real service for the community," said Mrs. Grogan.

Half of the narcotic addicts in the United States are said to be in New York.

Set Feb. 3 Class For Bloodmobile Workers

Local residents are being asked to volunteer for service on Red Cross community bloodmobile visits in this area, according to Mrs. Corbenschute, Red Cross Blood Program chairman of the Swarthmore Branch.

"Volunteers in the Blood Program know they play an important part in the life-saving work of supplying blood to local hospitals," said Mrs. Shute.

"It's a big job, so we need many more volunteers from the Swarthmore area to help. We've scheduled a training class for new volunteers for Monday, February 3, in the American Legion Room of the Borough Hall in Swarthmore."

Volunteers are trained to interview donors for registration, take temperatures, assist nurses in the donor room, keep tally sheets and serve refreshments to those who have just given blood.

"This is a big part of collecting the blood that annually saves thousands of lives," added Mrs. Johan Natvig, Mrs. Shute's co-chairman.

MORGAN TO SPEAK AT BLUE CHURCH

The Rev. Edward H. Morgan, former pastor of the First Presbyterian Church in Springfield, will deliver the evening message on Sunday, at 7:30 p.m. at the Blue Church, Baltimore Pike and Church road, Springfield.

The Blue Church was founded by George B. Lowmes in 1832 and chartered as an undenominational church shortly thereafter. After many years of disuse, the church was reopened by a group of local residents who in the spring of 1939 called Robert A. Cressy to serve as the first pastor in over 40 years.

Mrs. Morgan will speak Mr. Morgan pastored the First Presbyterian Church in Springfield between 1945 and 1953. He was then called to Grace Church, Roanoke, Va., and is presently at Western Road Church in Princeton, N. J.

Mrs. Morgan will accompany her husband on his visit here. The Morgans have three children, Edward, Jr. (21) a senior at Rutgers University, Carol (18) a freshman at Wheaton College, Ill., and David (15) a sophomore at Princeton High School.

Area residents are encouraged to visit the Blue Church Sunday evening to hear Mr. Morgan speak.

DO YOU KNOW? Dr. Benjamin Rush, famous Philadelphia physician, first suggested imprisonment for a certain number of years as penalty for crimes, and in 1790 the world's first Penitentiary House was built in the United States.

AFS Applications Available Now

Committee Looks For Families With Hearts

The Swarthmore Chapter of the American Field Service are receiving applications for available families who desire to have an AFS foreign student live with them for the next school year. They are looking for families who have:

"A heart - large enough to share a portion with another child from another land for a year; a mind - open to the different life and culture the student will bring with him, open to accepting him for his differences and not for his similarities; and a share of laughter and gaiety to shrink the problems which may come up and to strengthen the bonds of communication."

The committee is not aware of all who might be interested in having a foreign student live with them as a member of their family. These applications are being received now and must be all processed and in the New York Office for final review by February 15.

There are several families in the community who have had the experience of an AFS student living with them in other years and they would be pleased to welcome any one interested in considering a student to discuss it with them.

These families are: Mr. and Mrs. Clarence Boyer, 210 Dickinson avenue; Mr. and Mrs. Lee Gatewood, 104 Elm avenue; Mr. and Mrs. J. Millard Tyson, 140 Guernsey road; and Mr. and Mrs. E. E. Wrege, 511 Walnut lane.

The Wreges were the host family last year for "Take!" Hara - the boy from Japan whom many in the community remember well. Mrs. Wrege is on the family selection committee, assisting Mrs. Donald Taylor Auxiliary.

To Meet Feb. 4th The Women's Medical Auxiliary to Taylor Hospital will hold its regular monthly meeting on Tuesday, February 4, at 1 p.m. at the home of Mrs. John Urie, 504 Spring-haven road, Wallingford.

William Watkins Succumbed Mon.

College Avenue Man Was Native Of Wales

William Watkins passed away at his home on College Avenue Monday, January 20, after a long illness.

Mr. Watkins, a long-time resident of Delaware County, was born in Wales in 1885. As a young man he studied art in London, and after coming to the United States did illustrations for Philadelphia newspapers. Later, he worked with a firm of surveyors in Media, during which period he helped survey many of the streets of Swarthmore and drew the map of the borough that used to hang in the old Borough Hall.

When he retired in 1953 he had been working as an inspector in an Essington industrial plant.
Mr. Watkins is survived by his wife, Hilda, and two daughters, Mrs. J. Richard Kiefer, Jr., of Philadelphia, Miss Muriel Watkins of Bad Kissingen, Germany, and three grandchildren.

Interment is private. The time of his memorial service will be announced later.

WM. STOLTZFUSS

(Continued from Page 1)
obligation to the Mennonite Church and appointed by the Board of Foreign Missions of the Presbyterian Church on May 23, 1921, for service in Syria. He was first assigned to the Community Center at Nabatiyah (a Moslem village then inaccessible to Christian Missions) where he remained from 1923 to 1925. He was principal of the Lebanon Boys' School at Suk-El-Gharb for two years and in 1927, he was assigned as principal of the North Syria Schools, Aleppo, newly established to offer educational instruction.

The assignment to Beirut College for Women was a new adventure but he undertook the challenge of piloting a College for young women in a changing culture with enthusiasm. The Swarthmore Church is currently educating a Christian girl, a refugee in Jerusalem, at the Beirut College, largely as a result of Mr. Stoltzfuss' continuing contact there.

In addition to his wife, he is survived by two sons, William A. Jr., in the United States Diplomatic Service, Washington, D. C., and James L., Los Angeles, Calif.; a daughter Lorna M. (Mrs. Frederick) Willis, now in Tripoli, Libya, where her husband is United States Consul; 12 grandchildren; two brothers, Frank of West Liberty, O., and Eli of Orville, O., and two sisters Mrs. William Weaver of Bloomington, Ill., and Mrs. Carl Stucky of Bluffton, O.

A Memorial Service will be held at 4 p.m. Saturday in the Presbyterian Church. The ashes will be buried in the family burial plot in Lakewood Cemetery, Minnesota.

In lieu of flowers, contributions may be sent for a Memorial Scholarship Fund for the Beirut College for Women.

CHRISTIAN SCIENCE NOTES

Jesus' words, "Ye shall know the truth, and the truth shall make you free," will be the theme at Christian Science church services this Sunday in the Bible Lesson on "Truth." The Bible Lesson will include these related readings from the Christian Science textbook:

"The eternal Truth destroys war, mortalities seem to have learned from error, and man's real existence as a child of God comes to light" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 288).

An invitation is extended to all to attend the services at 11 a.m. at First Church of Christ, Scientist, at 206 Park Avenue.

SERVICE HELD FOR JOSEPH BAYLY, JR.

A memorial service was held Tuesday night at the Blue Church, Springfield, for Joseph T. Bayly, Jr., son of Mr. and Mrs. Bayly, Sr., of Bartlett, Ill., who died Sunday, January 19.

Joseph, 18, a sophomore at Swarthmore College, died at Lankenau Hospital following a sledding accident which occurred on December 26. His parents, who are former residents of Havertown, recently moved to Illinois where Mr. Bayly is now associated with the David Cook Publishing Company. In addition to his parents he is survived by a sister and three brothers.

Because of Joe's interest in the Wycliffe Bible Translators, Santa Ana, Calif., and the family's deep appreciation for the help supplied by the American Red Cross, it was requested that, in lieu of flowers, friends send memorials to one or the other of these organizations.

Swarthmore Borough residents' requests for blood may be made to Mrs. Robert M. Fudge, Swarthmore branch chairman of the American Red Cross, KI 3-5254, to Mrs. Jekwan Mavig, blood co-chairman, KI-3-0324.

DIRECTORS EYE ELE. LIBRARY

Board Hears Proposals On Possible Expansion

Trips to inspect modern school libraries in this area and in New York state will be taken by Swarthmore-Rutledge administrators with an eye to expanding the local elementary facility, Superintendent Harry Kingham told School Board Tuesday evening.

"Need for expanding our library was foreseen from the time of its opening, two years ago," he said, as he offered three possible ways of handling the expansion:

1. The most inexpensive approach would be to elongate the room by extending it northward along the wall of the multi-purpose room. This would result in a poorly shaped room, still at a remote distance from the primary building.

2. Adapt two classrooms at the west end of the intermediate building into a 700 square foot library and a 300 foot French room, building two new classrooms at the east end.

3. The "best, but most costly" - erect a building to join the two existing wings, housing therein a library and a room that could be used for large group teaching, science or language arts, and including a covered passageway between the cafeteria and other facilities in the primary building and the intermediate building.

Kingham said expenses of the library inspection tours would be met by Knapp Foundation under an arrangement with the American Library Association.

Report Changes

Also announced Tuesday night was a change in the system of reporting pupil progress in first through third grades. Three parent-teacher conferences will be held in place of the previous two. Written reports will be handed to parents at the second and third conferences instead of being sent to homes. Letter grades S, N, I and W for strong and normal achievement, improving, weakness - will be discontinued in favor of "more meaningful terms."

The first conference, early in October, will be held chiefly for teachers to receive information from parents, enabling them to better understand the children. At the mid-year conference "teachers will answer any questions and clarify statements about pupil progress and development."

The final conference will include a summary showing the pupil's relative position in his section and grade, results of standardized tests, and the individual's quartile rank within section and grade and compared with national norms.

Russell Jacoby of West Chester was reappointed collector of delinquent per capita taxes. The resignation of Susan Bauer, elementary teacher was accepted. Miss Bauer, on a year's leave of absence, wrote the Board that she is engaged to be married.

The Board gave tentative approval to bring an exchange student here from St. Ade, Germany, next year.

The date of the February meeting was postponed one week, until Tuesday the 26th, because Dr. Kingham would be attending a four-day conference of the American School Administrators Association in Atlantic City the previous week. The Board voted to pay Dr. Kingham's expense up to an amount not exceeding \$100.

Virginia Rath, chairman of First Aid and Water Safety reported the current Red Cross Life Saving class at the college which began in November is the biggest class on record with 35 regular members. (Some had to be turned away since this number is almost too sizeable to handle.) Mrs. John Pitman, production chairman, reported that three afghans had been completed since October in 225 hours of work. She displayed a knee afghan. Mrs. David Bingham, staff aides chairman, listed 180 hours of service contributed by 13 volunteers since October.

Mrs. Grogan, chairman of Volunteer Services, listed a total of 300 volunteer hours contributed by 26 individuals working on the Polio control drive which began in October, "this represented a real sacrifice since six entire Sundays were involved in the program."

The branch had participated in three bloodmobile runs at the First Pennsylvania Banking and Trust Company; The Evening Bulletin and Swarthmore College and covered the City Blood Center all day on the fourth Monday of the month. Mrs. Fudge as branch chairman had given 126 hours of service since October. Mrs. C. Russell Phillips was secretary pro tem; Mrs. William Fairchild presented her report as Treasurer.

Catherine McCarthy, field representative from the Southeastern Pennsylvania Chapter was introduced by Mrs. Fudge. She expressed her hope that new Motor Corps workers would sign up since they are badly needed in this area; her pleasure in meeting Mrs. Bradshaw whose services to the United Fund had been greatly appreciated by the Red Cross, her appreciation of the fact that Mrs. Evelyn Markham who was injured at the Swarthmore College bloodmobile visit was now at her home and recovering satisfactorily. She announced several changes in the staff of the Southeastern Chapter; the one which most affects the Swarthmore Branch is the promotion of Mrs. Barbara Tuttle from the Branch Office in Prospect Park to the Eastern Delaware County Office in 69th Street. No replacement has been appointed to the local office which is now staffed by three Social Welfare aides on duty three days a week.

This office handles an unusually heavy case load of emergencies in the Armed Services and badly needs any volunteers interested in such work.

Police & Fire News

Police delivered 17 violation notices last week to homes where sidewalks had not been cleared of snow within 24 hours after the snow ceased to fall. The borough's snow ordinance provides penalty of \$5 if paid within 10 days, otherwise a maximum of \$10 or 15 days imprisonment for each day the violation continues, if summons or warrant become necessary. The borough may also have the snow removed and bill the tenant or owner of the offending property. The crew manager of a group distributing hand bills for an insurance company from house to house Friday was fined \$10 for violating an ordinance forbidding such activity. The same day a Springfield man was sent to jail until he could raise \$500 bail. His offense was failure to stop when his car, traveling south on Chester road at 4:30 p.m., the previous day, sideswiped another which he was attempting to pass. The other car, driven by Joshua Hepburn of North Chester road, was also headed south and had stopped in order to make a left turn. The 613 North Chester road. Patrolman Edward Burgett stopped the car on South Chester road near University place when he noticed it proceeding in damaged condition. Sergeant William Weidner was laid up a couple of days last week with back injuries suffered in a fall on the ice while helping a motorist. Chief Elmer Zebley and Major Charles Thatcher attended the annual banquet of the Delaware County Police Chiefs Association in Springfield last Thursday when State Police Commissioner E. Wilson Purdy was principal speaker.

School Board To Petition To Retain Present Status

Swarthmore-Rutledge Union School Board will petition Delaware County School Board February 10 to permit the local district to retain its present status and not be consolidated with any other district in the reorganization plan which the County is preparing for submission to the State in accordance with Act 299, passed last August. Addressing 100 parents and teachers at a public meeting in the High School auditorium Thursday night of last week, President John Spencer also said it is possible that the local Board will carry its appeal to the State Council of Education, if the County plan does combine Swarthmore-Rutledge with one or more other districts. He said, however, that he felt no confidence in a still further appeal to the courts.

Top 15 Per Cent

Mrs. Katherine Heister acknowledged compulsory school reorganization on a statewide basis was necessary for improved education, but claimed Swarthmore should be exempt because it already was in the top 15 per cent in size, was sending far above the average number of students to college, and had no drop-out problem. Dr. John Wigton, Board secretary, said "community life and environment is of great importance in personal growth and mental development. After he and other members of the Board and administration had outlined Swarthmore-Rutledge's physical, educational and financial ability to continue as is, Spencer told a questioner that he felt "there is more chance for choice in the future if we remain alone now, than there would be to secure a separation if we entered into any extended union and didn't like it." The questioner had wondered if failing to take the opportunity to join with other comparable districts now, might prove disadvantageous if Swarthmore-Rutledge found it difficult to continue as a single unit later.

Another query pertained to Swarthmore's ability to compete with larger districts for good teaching services.

Board member Raymond Winch said Swarthmore is already competing with larger districts successfully. "Our salaries are good for the Philadelphia area, seventy cents out of every tax dollar goes for salaries," he said, "and I feel teachers prefer to teach here because of the fine teaching atmosphere and community interest." Comment Board Dr. Seymour Kleitman, president of the Property Owners Association, and Dr. Samuel Carpenter, former Board member, commended the Board for its thorough study of the situation and decision to take a stand on the issue. Their expressions were applauded by the audience.

Nursing Service Holds Baby Clinics

Mrs. Carroll P. Streeter of Columbia avenue, presided at the regular meeting of the Community Nursing Service, Central Committee, held recently in Borough Hall. It was announced that there were two Well Baby Clinics held in December, caring for 27 children, with 12 hours given by volunteers. There is always a need for volunteer help in driving families to clinic and other programs of the Nursing Service. Those who can help are asked to call the Nursing office in Borough Hall. During the Christmas Season the members of the Central committee, under the guidance of Mrs. J. Franklin Castkell of University place, packed and distributed 25 Christmas baskets, and 10 poinsettia plants to elderly and shut-in patients. Mrs. Robert Grogan of Westminster avenue represented the Swarthmore Garden Club who provided Christmas cor-sages for each basket. The Central Committee warmly thanks all who helped or contributed to this project. The Needlework garments have been received from Swarthmore and neighboring communities, making it possible to distribute diapers and 182 garments to needy families. The annual card party will be held in Swarthmore on April 29.

Letter to the Editor

The opinions expressed below are those of the individual writers. All letters to The Swarthmorean must be signed. Pseudonyms may be used if the writer is known to the Editor. Letters will be published only at the discretion of the Editor. To the Editor: Your coverage of the local project of "Books for Nigeria" has been most interesting. We can well imagine how difficult it must be to try to teach 11th and 12th Grade English with no library at hand for supplementary reading. Since two of our own young people are attempting this through their work in the Peace Corps it is an incentive to us to help collect appropriate books. Following your article in last week's Swarthmorean "Books En Route to Onitsha" I found that Mrs. Lord had contacted the publishers of Compton's Pictorial Encyclopedia. They, too, are interested in our project and agreed to furnish their new edition, just off the press, for \$70 plus the Lord's earlier Compton edition. Since the Lords are willing to make this donation I wonder if some of us could not raise the needed \$70. Actually, since Friday, a small fund has begun to cash. Because the second term of classes is already under way it would be good if we could quickly get this reference work sent. Funds, checks or cash, may be sent to: M. W. Lord, Treasurer, P.O. Box #155 Swarthmore, Pa. Sincerely yours, Mary Reynolds Fisher (Mrs. Waldo E. Lord)

FEATURE PIGEONS IN LAB STUDIES

U.S. Health Service Gives To College Swarthmore College has recently been granted funds by the National Institute of Mental Health, U. S. Public Health Service, for research on the effects of reinforcement variables on discrimination in animals. The principal investigator on the project is John A. Nevin, assistant professor in psychology. The study will attempt to determine how the results of behavior in one situation may affect that behavior, and also how those results may alter behavior in similar situations. The subjects in the experiments to be conducted will be pigeons, which have excellent vision and can be maintained in laboratory situations for several years. They will be trained to peck keys on which lights of slightly different brightness or color are projected, and rewarded with food for pecking the "correct" light. Of particular interest is the question of how the schedule on which rewards are made available may affect the tendencies to peck the correct and incorrect lights. The results of this project will be related to typical findings with human beings who are required to make difficult discriminations under conditions in which monetary payoffs depend on the accuracy of performance.

Plan 'Showcase' At Arts Center

Teenage Drama Class Set For 2 P.M. Sunday The Teenage Dramatics class of the Community Arts Center in Wallingford will present a "showcase" on Sunday, January 26 at 2 p.m. at the center. The showcase will be comprised of scenes from plays ranging from the classics to the avant garde and will represent a culmination of one semester's work at the center under the direction of Mrs. William S. Proctor of Wallingford. The development of an actor's range and depth through imaginative improvisations is further extended by taking part in a variety of scenes. The class also increases its knowledge of theater by seeing a play a month. The choices this year have included "Death of a Salesman" at Swarthmore College and "The Most Happy Fella" at the Players Club of Swarthmore. On February 8 they will journey to New York City to see "Luther" and "Six Characters in Search of an Author." The plays from which scenes will be enacted at the center on Sunday and the students interpreting them are: "Caesar and Cleopatra" by George Bernard Shaw - Barbara Auerbach of Chester and Nancy McCready of Newtown Square; "The Importance of Being Earnest" by Oscar Wilde - Kathy Owens of Broomall, Shirley Saraga of Wallingford, and Fran Jackson and Nancy Rafferty of Media; "Our Hearts Were Young and Gay" by Jean Kerr - Vicki Cousins, Edith Seaman and Tina Seaman of Wallingford, Lee Irving of Moylan and Dael Cohen of Springfield; "The Man Who Came to Dinner" by Kaufman and Hart - Thea Trainer and Lorraine Saraga of Wallingford; "One Sunday Afternoon" by James Hagen - Sue Seaman of Wallingford and Dael Cohen of Springfield; and "The Tiger" by Murray Schisgal - Linda Frommer and Florence Lamphar of Wallingford. The public is cordially invited.

CONGRATULATIONS TO THE SCHOOL BOARD

We wish to go on record that we are in total agreement with the School Board Report of Wednesday, January 22nd and congratulate them on their excellent and comprehensive survey of our educational situation. We agree that the best interests of education in our school district will be served if we are permitted to retain our present status and not be consolidated with any other district and, as in the past, concentrate on providing the best quality program to meet the educational needs of our children while cooperating with other districts when it suits the best interests of those concerned and advances the cause of education. We also agree that wide diversity of secondary content is less important than the development of learning skills, attitude toward learning and key concepts of major academic disciplines. We feel this task to be more readily feasible where the program of one rather than five or six elementary schools must be dovetailed with that of the secondary school.

Not Reassured

To the Editor:

I listened with great interest to the reassuring remarks of the School Directors at the January 16 Public Meeting, and yet I am not reassured.

I am convinced that this school system is a good one. But only good; it ought to be splendid.

I believe we have no dangerous dropout problem with students. We do have one with teachers. It is probably no greater than the County, or State, or National rate. It ought to be lower. We do not lose teachers. Candidates for salary considerations. Neither do we attract or hold them for salary considerations. We are now simply not drawing enough mature, gifted, settled, career teachers to our schools.

Our children do go on to college in great numbers. Be-

cause we are comparatively wealthy parents, many of us ourselves college graduates, all of us impressed with the necessity, if not the desirability, of a college degree, most of our children would go on to college wherever we lived.

Public education is not, simply not, a preparation simply for college. Our schools are set up in order to help us lead our children into responsible, intelligent, informed maturity in the real world.

I believe that we do ourselves, and our children, and perhaps even the children and adults of neighboring communities, a grave disservice by pretending that we are, superior or not, an island in a hostile sea. That sea is the world our children will suddenly face, to work and live and die in. We do not help them by asserting that the world is not fit for them to brave. We do deceive ourselves as well.

Mr. and Mrs. W. R. LeCron of Cedar lane had as their house guest for four days, between semesters, their niece Barbara McCleary, a student at West Chester State College.

Dr. and Mrs. Albert Goho of Harrisburg spent the weekend visiting their son-in-law and daughter Mr. and Mrs. Davis B. Hopson and die in. He attended the Sutcliff-Reiss wedding with Mr. Hopson's parents Mr. and Mrs. Howard G. Hopson of Rutgers avenue.

Mrs. Theodore Purnell of Cornell avenue served as chairman of refreshments for the card party held in Masonic Hall in Prospect Park on January 17 given by the Junior Board of Taylor Hospital.

Individual Units To Consider Franchise
Pennsylvania election and registration laws will be the topic to be examined at the February unit meetings of the Swarthmore League of Women Voters.

Meetings are scheduled at 1 p.m., February 3 at the home of Mrs. Edward Cratsley, 925 Strath Haven avenue; at 9:30 a.m., February 6 at the home of Mrs. W. Alfred Smith, 25 Amberst avenue; and at 8 p.m., February 10 at the home of Mrs. R. C. Good, Jr., 10 Wellesley road.
Since the new member unit will no longer meet, all new members are asked to attend one of these three units. This promises to be an interesting session.
